EDITOR'S

NOTE:

TIME TO MOVE ALONG

As Co-editors and then as Editors we have worked with very fine people in the square dance community. Work on the Promenader has brought us in contact, by phone and in person, with many people we had never met before. We know there is a lot of talent out there, and it is time for us to move along and let the future development of the Promenader be placed in the hands of someone else.

SORRY TO REPORT

We have enjoyed working with our Co-editors and know they would make fine Editors, but their schedules have put a drain on their time and they find it will be impossible for them to become Editors. We are truly sorry about this.

LOOKING FOR HELP

Therefore we are looking for Editors for the Promenader. Anyone who is interested, please contact Cay Jackson (President of the Federation) at 247-7044, or Paul & Florence Frost at 872-3023.

DEADLINE FOR THE SEPTEMBER ISSUE OF THE PROMENADER

AUGUST 10

Because we do not have Editors and if someone does not volunteer there will not be a Promenader, please send the ads and news to: PROMENADER
P.O. Box 52
Rochester, New York 14601

THANKS, THANKS, THANKS

To all of our advertisers and to the reporters who have contributed to the content of the Promenader, to John Fink, who prints the Promenader, for a job well done, and last but not least to our Co-editors, Judy and Bill Wilcox for a great job of getting the Promenader into the mail.

SQUARE DANCING IS A WAY OF LIFE

We think it is good exercise, stimulating to the mind, makes you feel happy, brings you in contact with the best kind of people, therefore, we hope to dance with all of you at some time.

Sincerely,

Paul & Florence Frost

Hi, I'm back! What do you mean you didn't know I was gone. Wait till I tell you where I've been. Drove 7800 miles, visited many square dancers, in many states.

One interesting stop was at the home of M.L. and Billy Compton of Abilene, Texas. Their home has a 40 ft. by 20 ft. bathroom. No kidding, it was sooooo big, that if you had a hurry call and made it to the door, you still, could be too late at the bowl. To top it off, Billy said, "and it's mine, he has his own." Everything is big in Texas. Reminds me of an old story. Drunk looking for the toilet, walked thru the wrong door, fell into a swimming pool, started hollering, "don't flush it, don't flush it."

Another interesting stop Charlie and Perkie Tucker, formerly our round dance leaders, now living in Las Cruces, New Mexico. They are not doing any teaching but I can remember when Charlie was teaching me and I asked him how I was doing. Charlie said, "let's put it this way, why don't you take up bowling?" I guess he thought I would be good at that too.

Next stop was...I can see now that there isn't going to be enough room to describe in detail all the "stops", but I will mention some who were from Rochester. Maybe you know them.

Fran and Hilda Desmond, Phoenix, Ariz., Genesee Dancers Reese and Muriel Cole, Phoenix, Ariz., former EKC-O Sqs. Cy and Gloria Meyer, Phoenix, former Belles 'N Beaus Sharlyn Taylor, Albuquerque, New Mexico, former Belles 'N Beaus

Don and Jean Becker, Dayton, Ohio, former hold out. Dave and Janet Desmond, Mesa, Ariz., former Teen Twirlers

Most of these are still dancing and they have excellent memories. They paid me fifty cents to stay out of their sets. So much for the trip.

Well, dancers, another year has come to an end. Tail End parties are being held and you are now reading the last copy of the Promenader, till fall.

This is also my last column, closing out the 16th year of writing. During that time I've used up 44 pencils, 18 writing pads, 1400 erasers, 2 typewriters, 2 fingers, \$22.65 worth of stamps, 8 editors and 1 wife. Hope you had as much fun reading the columns as I had writing them, if you have, you should be hysterical by now. Sooooo.....

Thanks anyway

Belles 'N Beaus

Howdy friends--it's just me, one more time!! Really thought the May column was it until Sept., but my farewells boomeranged on me!

First of all, I'm happy to report that our May 3rd Open House was great, and the club is looking forward to seeing this same group, PLUS, on Sept. 13th, when the Class of '79 gathers. We must remember our class is the lifeblood of our club.

Our President, Bill Walker and wife, Marilyn, wish to thank all individuals who set-up and/or restored the areas for the Dance-O-Rama. A great job, and as we all know, "Many hands make light work."

Just a quick reminder concerning Art's arrangements for dances in Olean and Alfred, N.Y., coming up in June and August. Also the workshop dates in May. Refer to May column for information on these events.

Yes, the Belles 'N Beaus are going to have their usual road or Car Rally and also a Scotch twosome for the golf 'duffers'. Because we have to write our news four weeks in advance, the information will be available on both events at the Trail End Dance on May 19th. These events always being out the entire club and our latest additions, the sharp graduates, who incidentally make us "veterans" look sick, will get full details for summer fun and relaxation.

Have a correction or cancellation, which concerns Yours Truly---The Arts & Craft sale in May, where my friends were supposed to see what I do on cold winter nites (besides mess up square dance sets) has been postponed until the end of July. Do hope a few couples take a cool stroll thru the Greece Town Mall during the summer event.

During the month of June, the Club will have one of its nicest couples celebrate 40 years of wedded bliss. We wish to send our heartiest congratulations to John and Vera Sillick and wish them another happy 40. Love Ya, John and Vera!!

We wish to extend our sympathy to Joy Zimmerman on the loss of her mother and brother, Archie & Gen the loss of their mother, Charlie Rodgers on loss of sister.

It was good to see Dot Heffer back on her feet and looking very fit. We hope Louise Flynn will soon be up and around and as good as new.

Finally, have a healthy and happy summer, and charge up your dance enthusiasm and let it rub off like a smile on any and all acquaintances. Have a safe vacation, wherever, and we shall see you in September.

Your gabby reporters,
Betty and Chet Selbert

WANTED: A Special Person who is willing to work long, hard hours at a difficult but very important job. His/Her pay will be only the knowledge that they have been instrumental in the success of the next Dance-O-Rama. A great deal of personal satisfaction is guaranteed. Boots 'n Slippers

First of all I guess I better apologize for not writing last month, but it slipped my feeble mind until it was too late. I'll take my ten lashes - but with something soft, please.

On March 17th we sure were surprised with our visit from our 2 smallest "Leprechauns" Patrick and Shawn. It was a pretty sight watching their father calling a tip while holding both of them. One of them even went to sleep. Wonder what he was trying to tell his Dad? Speaking of surprises, that was some version of musical chairs we played. Bet the guys enjoyed this one best. Thanks to Hebersgers-Normands for a fun evening.

On April 7th we entertained 16 French & 2 German exchange students, and introduced them to our national dance, Square Dancing. They were very receptive and did have a good time. Bet they'll talk about it for a long time when they get home.

The D.O.R. was a big success and a real good dance. Saw many new graduates there, hope they enjoyed it as much as we did. It was twice as enjoyable for us, as Chet & I accepted the "TUCKER AWARD" for our club. Many super special thanks to all who made it possible for BOOTS 'N SLIPPERS to win this trophy. Let's try and make it two in a row for '79.

On May 9th we graduated 10 couples. Welcome to the club. Bill & Nancy Allport, Geo. & Ester Barrett, Fred & Shirley Bonisteel, Herb & Lillian Cushman, Meil & Gert Draft, Lee & Bev Frank, John & June Manchester, Brian & Penny Martin, Duane & Dory Mault, Harry & Ann Sollie.

Remember to keep dancing, even this summer whenever possible, because the more you dance the more fun you'll have. And SQUARE DANCING is fun.

May 19th brought the year of '78 to a close with our Trail End Dance at Holy Cross Church. It was a real nice roast beef dinner and a super dance. We all will be back in the fall.

Remember these dates, and if you have any questions call one of the officers who will gladly try to answer them.

July 7-8-9 CAMPOUT, Skybrooke..Aug. 19 FAMILY PICNIC, Hamlin Beach-West Bluff shelter.. Sept. 8 15th Anniversary Dinner Dance, Lake Shore Country Club (you will receive a flyer on this at a later date) Sept. 15 OPEN HOUSE (Be sure and invite your friends. The more the merrier. Remember all the fun you've had. Give any names and addresses to one of the officers.)

Have a safe and happy summer. Hope to see you at summer dances here and there.

Keep Dancing
Chet & Bev

Cloverleaf Squares

Many members were in evidence at Dance-O-Rama, and enjoyed dancing to out-of-town National callers, along with local callers and cuers.

The next night we had a change of pace dancing contras and traditional squares to guest caller, Ed Butenhof.

Our Mother's Day dance was a success, with quite a few guests attending.

(Continued in next column)

Welcome to new member, Les Bradt. Glad to have you with us.

The destination of our Mystery Ride on May 19th was the Apple Blossom Dance in Williamson, where we enjoyed dancing to Red Bates.

As of May 21st, we have a new President, Linda Wolf. A big thank you to Mike Liberti who resigned the presidency after nearly 1½ years of excellent leadership. He did much to increase the Club's membership and enthusiasm. The Cloverleaf Squares spirit is known around the area.

Let's all give Linda a helping hand, and work with her to keep the club's momentum going.

Invited guests during June are: Swinging Singles on the 4th, Swingin'Eights & Swinging BB's on the 11th, and Tecumseh Squares and Triggers on the 25th. The June 11th dance will be at Holy Cross School Hall, 4488 Lake Avenue.

On Father's Day another special dance will be held, with FREE admission for all Husbands and Dads. So, you can treat hubby to an evening out without hurting your budget. Our own Daddy of renown, Mike Callahan will be calling.

We will not be dancing on July 2nd or September 3rd, holiday weekends. Also, no dance August 6th, a picnic is scheduled for that date, tentatively planned for Letchworth State Park.

Other summer-time activities will include one or more camping weekends and dancing at the county fair. Many of our members, along with other area single square dancers, will be travelling south to Atlanta, Georgia for the 8th Annual Single Square Dancers USA Dance-A-Rama, on Labor Day weekend. What a way to end the summer.

Have a happy fun-filled summer, and come dance with us at the Lutheran Church of Concord, on Holmes Road.

Barb Indovina

Country Twirlers

As another dancing season draws to a close, we all can reflect on the many enjoyable times we have had.

As always, our Dick Ledger Dance was a huge success. His unique style appeals to a wide variety of dancers. He is so popular that his dance has become an annual highlight of the Country Twirlers schedule.

Despite the weather, Dance-O-Rama 1978 turned out to be a fun day with many fine local and national callers. Many thanks to all who helped.

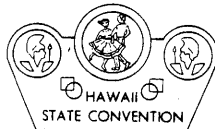

As usual, the year is capped off with our Trail End Dinner Dance, consisting of a Family Style Roast Beef Dinner at the Chili Baptist Church, followed by a dance featuring our own Jim McQuade.

Don't forget our Campout on June 2nd, 3rd and 4th at Hamlin Beach State Park - a good opportunity to earn some imaginative dangles...

Have a safe and happy summer and keep dancing.

See you in the fall.

Country Dancers of Rochester

The Country Dancers of Rochester and members of many western square dance clubs had fun doing traditional country dances together in the Contra hall at this year's Dance-O-Rama.

The featured guest caller this year was Ted Sannella, a well known country dance leader from the Boston area and creator of "Ted's Triplets" - a series of dances done by three couples in what appear to be short contra lines.

To date Ted has created 25 Ted's Triplets, none of which has a name. A better composer of dances than of names of dances. Ted has given each of triplets a number - "Ted's Triplet Number Four," for example.

Although the triplets are recent creations they are very much within the realm of traditional country dancing. They are made up of very few basic figures or "calls" - perhaps a dozen or so. Like all traditional country dances, they are composed to match the phrasing of the music to which they are danced. The music and dance figures which Ted uses are based heavily on early American and English traditions. The dances require relatively little reliance on a caller, for patterns are simple, and the figures of each dance are pre-determined (as is true of round dancing.) Although each dance is usually "walked through" and then prompted for the sake of those who have not yet learned the pattern. The leader can stop prompting once the group seems to know what it's doing. The joy of Ted's Triplets and other forms of traditional country dancing comes not from the caller's element of surprise, but rather from moving gracefully in patterns which match the phrases of the music exactly, from listening to the beauty of the music itself, and (of course) from enjoying the company of the other dancers.

At this year's Dance-O-Rama local callers Ed Butenhof and Rich Castner joined Ted Sannella in leading dancers in the Contra hall. For part of the day dancing was done to live music played by the BLACKTHORN CELLLDH BAND. Special thanks are in order to these people and to Barb Butenhof who made the arrangements for the Contra hall

The Country Dancers of Rochester is quite different from the other clubs which belong to the Federation, primarily because we don't do western square dancing. Instead, we do traditional and modern contra dances; traditional or "eastern" squares; English country dances (some of which date back to 1650); and occasionally a polka or waltz.

The public are always welcome at CDR dances. No classes are necessary, for most of the dances on any particular evening are "walked through," and the experienced contra dancers help out the newcomers.

It is the custom of our club to wear casual, comfortable clothes. Few people come in western square dance attire. A number of people wear colonial or other costumes, particularly for special parties.

CDR will continue to meet throughout the summer, every Thursday evening from 8:00 to 11:00 PM at St. Thomas's Episcopal Church (Highland Avenue at Winton Road).

Coming special events include a picnic and dance in Mendon Ponds Park with Ed Butenhof calling (July 6th) and an evening later in July when David Valentine will teach some Irish country dances as well as our usual program of contras and squares. See the schedule in this Promenader for details.

For additional information, call 244-1375 or 271-4617.

EKC-O Squares

What a thrill it is to have the warmer weather come our way-and as it proceeds to get even warmer, I hope you dancers don't let your dancing slide. K.O. is air conditioned so plan on coming to dance at EKC-O's.

Ken's first Summer Progressive Workshop on April 26 was a great success and will continue starting at 7:00 P.M. thru June on the 21st and the 28th, also on July 5th, July 19th, July 26th, August 2nd and August 16th. Also Betty will have a round dance workshop at 7:30 P.M. in the cafeteria. After the one hour workshop, Ken will call a regular dance beginning at 8:10 P.M. since Betty will cue rounds from 8:00 - 8:10. Remember now everyone is welcome to come and brush up on the calls being used at EKC-O's. Bring your friends along - they just might enjoy it.

In between Ken's workshops during the summer, we will dance to Dan Dedo on June 7th, Clint McLean on June 14, Carl Hanks on July 12th and Butch Stowell on August 9th. Our faithful Betty Wolcott will be cueing the rounds all thru the summer. These guest dances will begin at 8:00 P.M. for the squares and 7:30 for the rounds.

The Dance-O-Rama was a delightful success. We enjoyed seeing and dancing with lots of dancers who we haven't seen for some time plus we enjoyed dancing with many of our friends who we usually dance with. There are ever so many people to thank for helping on such a large production of decorations. Those from EKC-O's are:

EKC-O's would like also to thank the assisting clubs who helped decorate the large gym which was greatly appreciated.

If anyone knows a couple or couples interested in EKC-O's Open house, would you please give their name(s) to Frank Salvagio 223-7906. Thanks.

There will be no dance at EKC-O's on August 23rd or August 30th.

Let's each of us remember the 10 commandments for square dancers and let's all do our part in keeping those smiles in square dancing and truly mean it. Thank you.

May God love and care for each of you thru the summer. Have a fun plus a worthwhile vacation.

Glass Slippers

The Glass Slippers plan to dance this summer, twice a month, at the Campus School (where I saw many of you dancing at the DOR). If you're in a dancing mood on a Monday night, check the schedule and then join us, if you can. It's a nice place to dance, and we're a friendly club.

On Saturday, June 10, we're going on a Mystery ride which promises to be lots of fun. Club members are asked to meet at the south end of Wegman Plaza by 6:45. Jane and Bob DuBois have really planned a good time. Betty and Ron will be in Florida, so we won't dance on Monday, June 12.

The fabulous cooks in our club will have another opportunity to amaze us with the scrumptious food we've grown accustomed to, at our Trail End Dance on June 26. We'll dine at 6:30 and dance at 8:00.

To celebrate summer we'll enjoy an ice cream social on July 10. It should be warmer by then!

There's promise of great rivalry and of spectacular feats of showmanship on July 29, when several clubs will be involved in a volleyball tournament at Spring Creek. Wanna play?

(continued in next column)

We have tentatively set Saturday, August 12 as Glass Slippers Camp Day at Spring Creek. (We aren't having a special camping weekend this year.) Plans aren't all set at this time, so you'll hear more at our Monday dances this summer.

The Glass Slippers welcome the following graduates into the club: Jo Ann Carter, Dick Carter, Donna Wolf, Barb & Dick Chilson, Linda & Jim Hundley, Gladys & Joel Kutz, Kathie & Carl Lawrenz, Laurie & Dave Lawrenz, Pat & Jim McTamney, Linda & Bob Remley, Dottie & Glenn Stofka, and June & Junior Bird. Heidi Zorn, who is just thirteen years old, also graduated, but she will go into a teen club.

Keep dancing this summer so you won't get rusty. We'll see you in a square.

The Glass Slippers wish all of their square and round dance friends a pleasant summer.

The joys of dancing

Dancing's a thing that people adore,
It brings to you joy and good friends
galore.
If people enjoy the way that you dance,
They'll want to learn how the very first
chance.

With dancing, you can socialize -
It's also very good exercise.
It lets you relax in pleasant ways,
And makes life happier through your
days.

Many a problem may be solved
If in dancing you get involved.
You'll be going out and having fun
And yet have time to get things done.

So think about what I have said
You surely will not be misled.
Through all the dancing that you do,
Life will be happier all year through.

Henrietta Friendship Squares

At long last the snow is finally gone, for good, we hope.

Our recent class graduates are: Dave & Pat Baer, Henry & Evelyn Goebel, Curtis & Shirley Guess, Jud & Betty Peachie, Dick and Jeanne Regan and Clyde & Connie Siverd. We welcome these couples into our club and hope they will continue dancing throughout the summer.

On June 3rd we will have a pot luck supper at 7 PM followed by a fun evening of dancing. Our club will have a square dance weekend at Bonnie Brae on August 25th. Hope our campers and non-campers will join us.

Have a fun summer!

Irondequoit Squares

Several Clubs attended our "Guest Nite" April 22nd-- dancing to Bill's singing calls, Linda's cueing and munching on Lorraine Waidl's delicious calories.

May 13th a caravan of cars full of "Pairs and Squares" arrived from our neighboring city, Syracuse to join us as our guest for a special evening of dancing and fellowship. We always enjoy having them and hope to see them again Sept. 30th.

May 18th, Nina Anderson's sister and brother-in-law, Mr. & Mrs. Goody arrived from England for their first visit to U.S.A. and Nina and Al and relatives. We will have the pleasure of their company at our "Trail End" affair. This gala event is open to all Irondequoit Club, Class members and also friends. Please call for reservations if you wish to attend. Chairpersons: Nina & Al Anderson-- 482-4623 or Joan & Dave Calman-- 381-4810 "The Wishing Well" restaurant, 1190 Chili Ave. June 9th at 6:30 P.M. Theme: "Travel" June 17th-- a well planned summer picnic at Ellison Park - Hazelwood Lodge from 2 PM to ? - Rain or Shine.

Come on over and join us for this day of fun games, dish sharing, and square dancing. Just being together with family and friends will make it successful. Call your Co-chairpersons for further information: Pauline & Paul Gual 663-7975 or Mary Jane & Ken Nudd 342-0474.

June 3rd will be our last regular club dance at the school until Sept. 9th, however, we will have two summer outdoor Parking Lot dances: July 14th & Aug. 18th 8 PM-10:30 PM at: Brighton Reform Church, 805 Blossom Road. Everyone is welcome to join in dancing under the stars with the cool breeze blowing as we swing thru with Bill's hot singing calls.

Bits of news: We are happy to report that Marion Van Bortel has recovered from her bout with pneumonia and Bob Weston is home recuperating from his operation. Hope to see you back with us soon. Recently Maude & LeMayne bought a mobile winter home in Ft. Meyers, Fla.-- lucky - lucky.

Our Pres. Bob Bierre announced that Sept. 9th will be our Class graduation. It will be interesting to see what new ideas their "Angels" the Cunninghams & Zwierzmisskis will have planned for their initiation.

A new Class (Learners) dance will be starting Sept. 14th, 21st, & 28th at 7:30 PM at Brighton Church Recreational Hall, 805 Blossom Road. For further information call Pres. Bob Bierre - 381-8171.

A rewarding Brunch was enjoyed after several couples of Belles & Beaus & Irondequoit Squares did a good job of broom pushing after the successful Dance-O-Rama dance May 6th.

So until Sept. 9th have a happy and healthy summer and be good to yourself and others.

Jack of Hearts

As with many area clubs, the Jack of Hearts is wrapping up its club dances for the season with its two June dances with Ross Howell, but its members look forward to a variety of summer dances, weekend, camp-dance programs and workshops to keep them in trim for the re-opening of club activities in the fall.

(continued in next column)

Our newly graduated class members have become nicely assimilated into the club and are dancing so well its hard to know one Jack-of-Heart from another as far as graduation dates are concerned. We had a fine open-house in May to introduce ourselves and Advanced dancing to others in the area and we plan to do this again in the fall.

Also in the fall we'll see the beginning of the next group of classes in Advanced dancing, scheduled for Thursday evenings beginning in early or mid-Sept. Watch for fliers on this. Ted Whitacre will be the teacher for the class again, as he instills the essence of positioning in his students while they're learning the Advanced basics. A fine product results.

Until September then, when we all meet again on the floor for the opening dance of the new season, have a happy summer, and most of all

Keep dancing!

Contra Corner

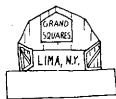

by
Ed Butenhof

Contras, traditional squares and "basic" or "extended basic" groups represent an important part of the total square dance activity. They are important for many reasons among which are the following:

- a) They require a knowledge of only a limited number of basics and are therefore more easily learned (or relearned after an absence).
- b) They are part of our dance history - our ties with the past.
- c) They don't involve intense mental effort and people tend to laugh and relate more to others when they can relax.
- d) Contras are especially well phrased to the music - similar to round dancing. They help dancers recognize phrases and appeal strongly to experienced dancers who feel pleasure from dancing with the music.

Obviously people dance for many different reasons and seek different satisfactions. When you add round dancing, mainstream, advanced and challenge to the above, you have an enormous range of ways to enjoy yourself within the square dance activity.

What we need are more groups which dance at easy levels and therefore more places to dance for those who want more relaxed dancing or who just want to dance "once in a while." Who knows, perhaps we can keep many of our dropouts dancing somewhere if we offer enough variety.

Lima Grand Squares

The call of the "Open Road" is beckoning to us all, so our officers are keeping our activities to a minimum. To start the summer season off we will have an ice cream social on June 2. There will be plenty of ice cream, numerous toppings, plus all the other goodies that help make a stupendous sundae. We will square-up at the usual time 8:30 PM - with Dick Casper calling. Those fabulous gooey sundaes will be created by each of us at the end of the evening.

The traditional camping weekend will be held on July 28-29-30. This year, it will be at the Ridge Campground (near Mr. Morris) and promises to be a fun time for all. Reservations must be made in advance for this, so circle the date on your calendar and be sure to sign up to come. Our final event is a summer picnic on August 26. Dick and Joan Smith have graciously offered us their home as the place to hold this. All are to bring a dish to pass and table service. For both the camping weekend and the picnic there will be square dancing.

To all of you, a happy and safe summer.

See you in the Fall.

Magic Squares

Just a reminder to all you Magic Square fans - we will be dancing only on the 2nd and 4th Saturdays from June through September. Look for our fall schedule in the September issue of the Promenader.

On May 6, new officers were elected. They are Les & Mary Stevely, Presidents; Milt & Caroline Neeb, Vice-Presidents; Gary & Kay Patterson, Treasurers, and George & Marge Hyman, Secretaries. We wish them all the success in the world for the coming year.

The club was happy to hear that Grace Showman's surgery was a success, and hope that we will see her back dancing very soon.

We would also like to extend our congratulations and best wishes to Dawn Ellis who is to be married on July 8th.

The Past Officers wish to extend their sincere thanks to all who contributed to the success of the past year, and especially to all who helped make "Super Sunday" a great success.

We have enjoyed making our small contributions to the Promenader this past year, and in closing, hope that the sun shines on all your squares this coming summer. Keep the "Magic" in your life by continuing to dance...dance...dance!

Merry Mixers

Another square dance year is coming to an end, so we are looking forward to the Trail-End Dinner Dance, June 9th at the Green Lantern Inn in Fairport. Betty, Margaret, Leona and Edgar are making preparations to make it a great success.

Nancy and Joyce put on a real delicious Ice cream Social with all of the trimmings. It was a big success.

We had such a fine time at last years picnic that we are having it at the same lodge in Webster Park this year. Date: July 15th at Kanotota Lodge "B". Bob VanTof is chairman, so everyone pitch in and help him.

To get ready for another Open House in September, we are giving demonstrations in June, July and August. Anyone interested please get in touch with Ben and Sadie.

To keep our dance level up through the summer months, we are taking advantage of the work shops. So hope to see you all back in September.

Happiness, is dancing with "Merry Mixers"

Naples Valley Squares

May has started a new year for our club with the election of new officers: Phelps and Barb Greene, presidents; Gary and Jean Schenk, vice-presidents; Ed and Brenda Brockman, secretaries; Bill and Sheila Bodine, treasurers and Scott and Nadina Stevens our delegates to the Federation.

A pot-luck supper was enjoyed by all before our annual meeting.

A few plans for the future have been made. On August 6th we will be having a picnic at Miller's cottage on Canandaigua Lake. A few activities planned include dancing in the water and on the grass. A great way to earn dangles!

Starting Sept. 10th we'll have a ten week round dance lesson program with square dance workshops and regular square dancing. Some of you who are interested in rounds might find this very appealing along with Ben McGilvery's great square dance calling. He'll also be teaching the rounds with Sadie.

A little fore-planning please mark Oct. 1 - our annual Grape Stomper's Ball. We hope it will be a smash or should I say "squish?"

Well, summer weather is almost here (we hope) and with it comes the end of another season of wonderful dancing.

Our Trail End Pot Luck Dinner Dance will be held on June 13th and from past experience we know there will be many delicious dishes to enjoy.

June 20th is dangle night - why not come on over for some extra fun and earn a dangle? (maybe two)!

Starting also on June 20th, a ten week series of workshop dances for anyone who wishes to brush up a little, learn a few new calls, or just plain dance and have fun. Everyone is welcome!

Just a reminder about the Rochester Callers, Co-op dance on June 4th. Anyone taking their chances dancing with the callers earns a purple heart.

We are planning a picnic for all Pioneers on Saturday, August 12th. More information on this will be announced later on.

Last but not least, looking ahead to September, we will hold our open house on September 12th and 19th. Hope to see you all dancing.

Promenading B's

It doesn't seem possible that another year of square dancing is coming to a summer recess. This doesn't mean it's time to quit. We would like to keep in touch by having some casual summer dancing at Spring Creek, with Ron and Betty Fotch, on Saturday nights.

Our first summer social is a Strawberry Social on June 2nd at 8:00 at the Byron-Bergen Elementary School. The dancing is good but the dessert is great! Won't you join us?

A volleyball tournament is planned for July 29th at 1:00 at Spring Creek. Are you signed up for the team? No try-outs required. Thank goodness! See Roger and Nancy Dart. Also, bring a picnic lunch.

Our camp-out is the weekend of August 4, 5 & 6. It's a weekend of fun, friendship, food and dancing. Check with Ron & Betty about arrangements.

Open House is scheduled for September 22nd at 8:00 PM. Please keep this date in mind.

On May 12th, we had election of officers. Our congratulations and support go to: Roger and Nancy Dart, Presidents and Dan & Shirley Miller, Vice-Pres. Our money goes to: Bert & Beth LeMoyné, Treasurers.

Special thanks go to our departing officers who did such a nice job: Frank & Julie VanDeusen, Bob & Marilyn Dailey and Angie & Alice DeFelice. There are many others who worked to make our year a success and they are much appreciated.

Rainbow Squares

Summer must be here--another year of square dancing is over. And May was certainly an eventful month so we may need a rest for a while! Many Rainbow Squares couples were whirling around at Dance-O-Rama. Now we know all the calls we have to work on next year. And then there was graduation--all our class members graduated magna cum laude. When you can dance blindfolded, you know you've earned that diploma. What fun it was to welcome back so many familiar faces at our Alumni Dance. Sure would be nice to see them all more frequently in the future. Our Trail End Dance wound the season up on a festive note. We reminisced over pictures of past dances and planned more fun for the future.

All the club extends our sincerest appreciation to our officers this past year: Stan and Dot Davis, Norm and Edna Coates, Bill and Betty Pedersen, and Joe and Ruth Buechel. They worked hard to keep our club interesting and solvent. A great big thanks also to Art and Joan Gerber, Ken and Doris Ghyzel, and Nell Buechel who spent many hours making delightful decorations to celebrate our various special occasions. And what would we have done without Walt and Mary Eddy and Merle and Evelyn Meyers who made sure we had plenty of coffee to keep us going every night and generally took charge of the refreshments schedule! While the rest of us simply went dancing and had fun, they all put in much extra time and effort to ensure the dances were enjoyable. Of course, a very special thanks goes from all of us to Ken and Lil Boss. Can't imagine another caller couple who works harder for the good of the club.

A GUIDEBOOK FOR SQUARE DANCERS

by
H. ORLO HOADLEY

Box 52; Rochester, NY 14601 or through your club

We are in good hands again for the coming year. Our officers for 1978-79 are: Pres. Norm & Edna Coates; VP Bill & Betty Pedersen; Sec. Nell Buechel; and Treas. Walt & Mary Eddy. We can rest assured they will manage everything as efficiently as we have been accustomed to in the past.

The Rainbow Squares will not be dancing as a club this summer, although Ken plans his "Summer Sounds" again on Friday nights at the Southeast Branch of the YMCA, 111 Jefferson Road, from 8:00-11:00 beginning June 30. Don't miss this opportunity to sharpen your dancing skills. Linda Wolf will be the round dance cuer. Best of all, there's air conditioning! All dancers are invited.

Hope to see many of you when we start our fall season of dancing with an Open House on Wednesday, September 6 at Harper's Recreation Hall. Everyone is welcome to come and discover how much fun square dancing really is.

The dance is over, the halls are empty, the dancers have left, the echoes plenty, of allemande lefts and bits and pieces, but the sound I hear is the praise and cheer for John and Daphne and Cliff and Florence and all those hard-working people who made Dance-O-Rama the success that it was. Thanks for making it all possible.

Special thanks to Ambrose Baker, Joe Heit, Don Maxim and his son Scott, Russ Jenkins and Ted Whitacre for setting up the excellent sound system at Dance-O-Rama.

Joe & Shirley Heit - Treasurer

May 12th we enjoyed our guests from Jack of Hearts and Shamrock Squares at the Reath Blickenderfer dance.

Ron Libby gave us a wonderful campout weekend at Woodstream, May 19th & 20th.

June 9th is Trail End with Ross Howell calling. "And now the end is near, we face the final curtain" but in no time at all we will start all over again.

HAVE A HAPPY, JOYOUS SUMMER!

Bob & Jeannette Meagher

Singing Squares

May 3rd brought round dancing to Singing Squares. Twelve couple were instructed by caller Mike Liberti, who also cued rounds throughout the evening. All were dancing like pros before the end of the evening.

The Big Night is "Italian Night" on June 7th... It begins with a pot luck supper at 6:30. Bring a dish to pass (your favorite recipe) and your table setting. Dancing begins at 8:00 PM with caller Al Howe, and is open to all class and club dancers. There will be door prizes and entertainment between squares throughout the evening. Don't miss this, as Angie and Dolly Lauria have been making plans for this event for months, and you can be sure everything is "gonna be that's-a-nice."

Singing Squares will be dancing as usual Wednesday nights through the month of June at Thomas Edison School, 1612 Buffalo Rd., June 7th and 21st with Al Howe and June 14th with caller Mike Callahan. Our Trail End is June 28th at North Hampton Park, Spencerport. It will be held at Knollwood Lodge and closed to club members only. There will be lots of good food, fellowship and dancing.

During the month of August we hope all members will be recruiting friends, relatives and anyone who might be interested in learning to square dance, but have never been asked. Give them the "old Song and Dance" pitch about our friendly group. We dance for fun and relaxation.

In closing we wish everyone a healthy, happy and safe summer, with lots of sunshine and no dark clouds. Remember- --- ---

"Every sunrise is a message from God,
and every sunset---- - His Signature."

Swinging BB's

Hi Gang!

Let's say farewell to our officers and give them a big hand for the tremendous job they did this past year. A big welcome to those newly elected in command:

Jack and Lucille Harrigan - President
Bill and Gail Babeck - Vice President
Ernie and Dorothy Willett - Secretary
Don and Kathy Staples - Treasurer

They have our wholehearted support.

Congratulations and welcome to our recent graduates Phyllis and Jake Rathbun.

Our past presidents the Wendts just became grandparents for the second time, this time to a granddaughter - Christina Lynn.

Our Bring a Friend dance was a huge success. All those attending enjoyed watching and participating.

Peg Trometer will be recuperating for awhile after her recent operation. Hope we will see her soon.

Paul and Roz Krebs look good in spite of all that French cuisine they enjoyed while visiting their daughter in France.

Our Trail End Dinner dance on June 3rd will be held at the Methodist Church in North Chili.

Save the weekend of June 9-11 for our campout. Ernie and Dorothy Willett will have more details later.

After the Trail End Dinner there will be no dances until September. Hope to see you all then!

Swingin' Eights

It's that time of year for all to wind down a little from the square dancing scene in the Swingin' Eights. It's been a good season despite the winter weather. Graduation is over now and the vacations are starting for the summer months. No more news from the writers until September.

Many thanks to Ellie & Tom Anderson for being the "membership couple" this year. They did a great job. Their assistants for the past year will be our new "membership couple" for the coming season; Linda & Bruce Ensign. If you have any names of prospective club or class members, please give them a call at 671-5543. Freeda & Roger Tellier will assist Linda and Bruce in their year ahead.

Ed Schipper thank you!! On behalf of all the Swingin' Eights thanks for the fantastic skits and games you thought up to make the graduation an even more special evening. They were great!

The Swingin' Eights also salute the Bordens for a fine job on the Dance-O-Rama. Shirley & Howie Borden with the help of their committee members Linda & Bruce Ensign, Linda & Ed Allen, Fran & Bud Macomber, Terry and Curly Crane and Rose and George Bauerschmidt did a great job on the decorations et al. What a team!

Thanks also go out to the chairpersons of the Trail-End Dance (June 3rd). The theme was the club's 20th birthday and Judy and Bruce Davidson did a great job.

Just one more thank you for now. Marny & Ron Bryant thanks for heading up the refreshments for the season. Good job! (We must not forget the refreshment people.)

Two dates to note: June 18th - It's a make up dance. Hosea Rogers Middle School Squares starting 2:00 p.m. - 5:00 p.m. being called by Don Hanhurst. Round caller is Mike Liberti.

August 5th Save the date--it's our picnic! More information to come.

Have a safe and fun summer.

Jan Arnold and Milt Glende

Swinging Singles

Gourmet eatin' and good spirits were in store for Swinging Singles at the International Dinner, May 20 at Betty and Jerry Carmen's house. Thanks to all for a great time!

Don't forget to vote! We'll be electing new officers June 12.

Then...come on down to Pauline's Place at Hammondsport. She has invited us for the Scottish Games, June 24 and 25.

Bruce Shaw will be calling at Swinging Singles June 26. See you all there.

Celebrate Independence Day at George Phillips' cottage, June 30-July 4. Bring along swimming suit, sleeping bag, skis, smiles - and? surprises.

Remember the hot fudge, the butterscotch sauce, the whipped cream? Yes sir! We're having another Ice Cream Social! Dip into the fun on July 10.

(continued in next column)

Don't miss the Dinner Dance at Marvin's in Macedon on June 17.

Roller Skating freaks take heed! We'll be planning a roller skating party every month during the summer.

Best wishes to Millisa Ellsworth and Ben Wasserman! They will be married on August 20.

And so, we have a swinging summer set up! See you there!

Kathy

Tecumseh Squares

It's summer and what fun we're going to have. At Tecumseh, it's the best season of the year! It is our busiest season. Where else can you have air conditioning, FUN, fellowship, FUN, strawberries, FUN, gourmet desserts, FUN, and support Indian children too! This is the season when Tecumseh dances weekly. We have to forfeit our excellent round workshop nites but we do have Bob and Nors Slomcenski for the half hour round workshops from 7:30 to 8 PM, as well as, between tips each evening.

Jerry Carmen will be our only guest caller this summer. Bruce Shaw will be with us all the rest of the time. Jerry is a very good caller and friend. Come and join us that nite (as well as the other 11 Tuesdays) and see what we mean. Bruce, we know, will give us more than our monies worth. We'll keep him busy and visa-versa especially in the mini workshop corner. If you are not familiar with this let me explain. We have a special area at the left of the stage designated as a mini-workshop area. This is the place to go if you would like to walk through any calls or particular sequence of calls. Bruce will be more than glad to help you and there will be lots of us more than anxious to fill in a square for you. This area is helpful to all of us old or new dancers but especially for you new grads. I remember we were a little hesitant our first summer and needed all the help we could get. From the looks of the recent grads we've seen, you don't appear to need any help! You're beautiful! But help is there if you wish it.

Don't forget our 50/50 club. This is our way of supporting Indian children. We have two now, Ava and Henry. Their pictures are posted each dance and all the proceeds from the club goes only to their support. We hope to sponsor a third child from N.Y. We'll keep you posted on how we do with a "local" Indian child.

Club members please note that our first dance is Sept. 12, a regular dance. September 19th is our OPEN HOUSE. Please drag all of your friends to this dance and brain-wash them into square dancing. It's not too early to start now before thoughts of bowling, school, etc. occur to them. Send their names and addresses to George and Una Shaw, 30 Chestnut Ridge Road 14624. They will send out the invitations. But the best way is to bring them with you. Personally show them how much fun square dancing is.

Just a note of thanks to all of you who helped with the Dance-O-Rama. It takes lots of cooperation and team work to put on such a successful dance. Thanks for helping with Tecumseh's share. We wish you all the best of summers ever. We're looking forward to seeing you all each Tuesday.

Sincerely,

Ed and Sue Sulewski

Triggers

Since this is our last issue as your reporters, we would like to thank everyone for furnishing us with needed information and happenings during the past year. Special thanks go to Peg Huss, who kept us up to date on the latest events, and Florence and Paul Frost, our editors, without whose cooperation we would have missed the February issue!

Our officers did a fine job and made it a really fun year of dancing. Norma and Fred Tweitmeyer were excellent presidents, always there to help and praise you for your efforts. Also a big note of thanks to Geri & George Yuna, Vice-Presidents, who had the time-consuming job of getting committees for the various activities; Gail and Bob Maurice, Treasurers, always willing to take our money; Ronnie and Len Hall, Sec, who really had to write fast to record all the minutes of the meetings; Fayne & Paul Doering, Senior Federation Representatives; Jo and Frank Manicone, Junior Representatives; and Mabel and Bob Wordingham, Historians. Without their combined efforts our club would not have functioned so smoothly.

We would like to congratulate our new officers and wish them lots of luck: Geri and George Yuna, Pres. Judi and Bill Oliveri, Vice Pres.; Sylvia and Burt Butler, Treasurers; Jeanne and Bob McConkey, Sec. Jo and Frank Manicone, Senior Federation Reps, Fayne and Paul Doering, Jr. Fed. Reps; Mabel and Bob Wordingham, Historians, and we will be putting this job into the capable hands of Norma and Vince Kammer.

(continued in next column)

Everyone attending the Dance-O-Rama had a grand time. Fayne and Paul Doering, chairmen from our club, are in charge of seeing that the signs are made and posted for appropriate areas. Thanks go to Lila and Harold Pierce, Marilyn and Bill Raymond, Norma and Vince Kammer and Peg and Myron Huss for putting up the signs, which is always a big job.

Our officers' picnic for both past and new officers will be held at Myron and Peg's on June 17th. Hope it's as much fun as last year's!

Our "Hawaiian" Spring Fling was great fun. The meal was delicious as always. We have Paulette Bo, Martha Haungs and Mabel Wordingham to thank for the lovely decorations. Yours truly was great in his Elvis number along with his being chairman and master-of-ceremonies for the entertainment. Audrey Bates and Irene Sabernick really did a superb job on the snack table. Frank Manicone did a great job getting us all together by selling tickets.

Mary and Bob Spears got back from their Caribbean Cruise just in time to attend the Spring Fling. Our gad-about's from the class of '75 had a grand weekend in Toronto. Where will they be off to next?

Congratulations to Marilyn and Bill Raymond on becoming grandparents for the first time.

We would like to thank all the visitors who joined us this past year, and all the clubs who invited us to dance with them. It is always nice to make new friends.

Please check the schedule for our summer dances.

God bless and be with each and everyone during the busy summer months, and bring you back safely to another year of square dancing.

Keep Dancing,

Jeanne & Bob McConkey

Twirl-A-Rounds

We Goofed! Our Pot-Luck Supper 'n' graduation was May third not the tenth as we reported in the May issue, hope it didn't confuse too many people.

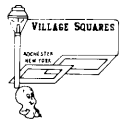

Our congratulations to our new graduating class! Welcome to the fold. You'll love dancing with the Twirl-A-Rounds. The friendly faces and lively dances make the nights fun! fun!

Remember to look for flyers on our summer dances. They'll be at Hidden Valley Recreation Center, one a month June 21, July 19 'n' Aug 16. Also don't forget our picnic on Sat. July 29 down at Howie 'n' Dottie's near Nunda. Howie 'n' Dot have maps if you need them.

Found - one lonely, brown, cardigan sweater 'n' a pair of black ladies dancing slippers. Dottie has been keeping them from getting lost in the crowd. Contact her if they are yours.

Yours Twirly

Village Squares

The beginning of summer does not mean the end of Square Dancing with the Village Squares. We will be dancing each and every Monday (except July 3) right through till August 14. Come at 7:30 for the rounds with Bernie Hayward, 8 PM for Mainstream + 1 and a 10:30 workshop for Mainstream + 2. Our Picnic committee is working hard to make July 15 a day to remember. Mark the day on your calendar and be sure to be at the Parkview Cabin in Webster Park on July 15. It's sure to be fun you won't want to miss with a lot of grand people.

Paul Mutter is recuperating at home after recent surgery. Hope he'll be back in his dancing shoes soon.

We have been busy with Square Dance Demonstrations - the V.A. Hospital in Canandaigua, the Business Women of Fairport and the State Insurance Women at the Marriott Inn. Speaking of the Marriott - ask Ray Laning about his unexplained disappearance there and the big grin of satisfaction he had when he was finally located.

Happy Vacations Everyone.

Wayne Westerners

We had written our news letter - it was already to send in - then we went to our graduation and we just had to write another.

We have attended eight graduations for our club - one as graduates, three as officers - and at all of them we get this peculiar feeling. It is such a nice ceremony! Such fun to be welcoming our new members and dancing with them - a lovely group of eight couples this year - and such gratitude for a season of service from all the officers, and to Jack and Onolee Parker for teaching the class - and last, but far from least to our caller Jeff Elmore and his lovely wife, Sally. The club salutes you all!

The month of May also brings our annual Apple Blossom dance - the tenth one - and a float in the Apple Blossom Festival parade - (almost as good as the float in California) and our Trail End dinner dance.

A sad note for May was the death of George Engels in Florida. George and Margaret were former members of Wayne Westerners. Our deepest sympathy goes to Margaret and their daughters.

This bring us to the end of this season, but we're all looking forward to our summer schedule.

Don't forget! June 10th - Demonstration at Lyons
July 13 - Picnic at Foreman Park
August 4,5,6 - Camp out at River Forest Park at Weedsport

And then in September we'll all be back - the old members and the new ones - and we'll all be rarin' to go -!

So --- have a good summer - keep up with your dancing - and God Bless!

Web Spinners

It doesn't seem possible that another square dancing year is drawing to a close. Time sure flies when you're having fun - and talking about fun - let us tell you about our graduation. First, it started with a scare because no member of the class had shown up at 8 o'clock, so we old diehards started dancing. In about five minutes, they made their entrance - in wheelchairs, on crutches, in neck braces, slings, and bandages. They had signs like "Madge kicked me" - "Homer yellow rocked me," etc. Then they all sang their class song, composed by Cap Ainsworth. More fun followed, which space doesn't allow detailing, but everyone agreed it was the best graduation yet. This is such an original class; we are expecting great things from them. Ken and Sally Vary, the class reps, provided excellent liaison between the club and the class. Our thanks go to them. Nick and Claudia Cullian chaired the "happening" and did their usual excellent job.

At the last Board Meeting, the Board expressed great appreciation to Ralph and Velma Bodensteiner for the terrific job they had done during the year, guiding the destiny of the Web Spinners. They in turn gave credit to their Board for all the support they had received and expressed gratification that everyone had done his/her job so well. So, applause to everyone.

Our summer dancing starts June 7. This is a good chance for all dancers, especially new graduates, to get a firmer foundation in basics over the summer. The level will be Mainstream plus FUN. Everyone is welcome.

The Web Spinners have been plagued with illnesses this year, and now we have one more member going in for surgery on May 11 - Jean Schwieger. We wish you a speedy recovery, Jean.

It is with a great deal of nostalgia that we write this last article, because on May 21, we are leaving this area to become full time nomads. We look forward so to our new life, but we regret leaving our friends here. So, if any of you in your travels see a Kountryaire trailer with "NOMAD" on the back, that's us. Give us a "hello" on your CB. And remember - MAKE EVERY DAY COUNT.

Which Way Whirlers

The Which Way Whirlers held their April 19 dance at Pavilion Central School with a pot luck supper and graduation. A large number of members and guests were present. We welcome guests at any time.

The new graduating class presented a delightful skit entitled "The Newlywed Game" which was enjoyed by all. Two members of the graduation class wrote and sang a song and presented it to the club.

Our caller Gary Bubel and his wife Alice (who also cued rounds) presented the new members with their diplomas and new badges. We, the club, want to say "welcome all new members" we are happy to have you with us.

Also the newly elected officers for the new year were installed by our presidents Butch and Bonnie Bowman. Our new officers are: Pres. Joe & Judy O'Grady V.P. Jake & Mary Weber, Sec/Treas. Frank & Janice Cooper, Publicity Ken & Norma Walton, Historians Dale and Linda DeBrine.

It was announced that we will dance for the folks at the Livingston Co. Infirmary on April 26. It makes us happy to be invited and to try to brighten their lives a bit.

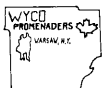

We have been invited to be guests of the "Dalton Gang" on May 9th.

The Buds and Blossoms visited us and presented a enjoyable little song to advertise their annual "Buttercup Ball" held on June 3.

Our next regular dance will be held on May 3 at Pavilion Central School.

The final dance of the season will be held on June 7 at Pavilion Central School with a pot luck supper and the club will make plans for some activities for over the summer recess.

Wyco Promenaders

Graduation for our Class of 1978 was held on April 28. We had some new dances for our class to try out, made up just special for Graduation night. In one of these, the dancers were asked to trade places with their partners; the men put on rag mop wigs and aprons and the ladies added caps and neckties to their outfits. What a mix up that turned out to be! We ended the fun by wrapping our caller in green crepe paper and putting yellow petals around his head. Chip looked just like a spring flower. We had to make sure our flower had enough water so we gave Sue the watering can. Chip didn't get wet this time! But some of us remember last summer when both he and Sue got all wet after they fell out of a canoe into Swartz's pond.

We want to welcome our new club members and wish Good Luck to our new officers who were installed on April 28th.

We're looking forward to a fun filled summer of dancing. Summer dances will be held at the United Church in Warsaw. This is the second church beyond the signal light on Main St. in Warsaw. There will be dances at the church on June 2, 16, 30, July 14 and 28, August 11 and 25, September 8. Open House will be on September 13 at the Warsaw Elementary School on Court St. We hope to see a lot of our club members at our summer dances. Visitors are welcome to come and enjoy these dances with us.

Happy Dancing,

Joan and Harold Meyers

Callers' Profile

SQUARE DANCING: A WAY OF LIFE

Six years ago they didn't even know what modern square dancing was. Now it's become a way of life. Gary and Alice Bubel were first introduced to square dancing by her brother and his wife, Bernie and Rita Hayward. Gary didn't want to even attend the Open House at the Calico Squares in Caledonia but was coerced into it. Even after the open house, he still wasn't sure he wanted to take lessons. He felt they were busy enough already. Alice felt differently and talked him into trying it for at least five weeks. The following week "the square dance bug" got him and he's been going strong ever since. They taped each class session (they never missed a class) and once a week a square or two of people got together to practice to the tapes. If something wasn't understood, Gary was always the one who would explain it and try to help the others. This was when the idea of calling first came to him.

The idea became a reality when he got a square of teens together and formed the Flutterbugs. He called to both the class and club for three years. During this time he was asked to teach the Which Way Whirlers class, and Lima Grand Squares class. He also calls for the Dalton Gang and Which Way Whirler club. He likes teaching class and calling mainstream plus one and two, APD.

Gary and Alice live in Mumford with their four children Steve, Elaine, Vicki and Paul. Gary works for Rochester Telephone Company as a line technician. They regret that because of Gary's calling schedule, they don't get dancing too much but they try to dance more during the summer and like to attend at least one weekend festival. They round dance when there is time and Alice is starting to cue rounds. She cues for Lima Grand Squares. They will be conducting a workshop this summer in Caledonia.
