Note:

- getting a close look
- at square dancing.

We'd like to welcome all of our subscribers, old and new (or maybe we should say new and renewal) to another year of square dancing and the "Promenader". Reporters, you're doing a good job keeping us informed so now we can keep you all informed. (We're sorry EKC-O for our 'blunder'. We hope things have straightened out this month.)

Square dancing has so many facets! I can't think of any other hobby that has room for so much diversified talent. For example, leadership talent is used in club offices and committee chairpersons, sewing talent is used in making the square dance clothes. Likewise, talent for art, hospitality, organizing, figuring, baking, (the list goes on and on) are all used in our club activities. So you say you have no abilities like that! Great! maybe you have one of the rarest abilities known to square dancers; one that square dancing depends on; the ability to volunteer!!

Go ahead. Jump in. Feet first. Have you ever volunteered for (not "roped into") a job and then regretted it? Think about that!

"CONGRATULATIONS ROCHESTER ROLLAWAYS"

Rochester Rollaways celebrate their 20th anniversary this year as an advanced level club. It all started on a cold, stormy Friday after Thanksgiving in 1958 at the Odd Fellows Hall on Gregory Street.

An unnamed square dance group met for the purpose of enjoying "more advanced dancing than was otherwise regularly available in the Rochester area".

The dancers (about 4 squares) and the caller, Don Duffin, were brought together through the efforts of Charlie Tucker and Tip Costich. The group continued to dance throughout the winter, moving its meeting place to the Barn in Henrietta. By spring the membership had grown to 7 or 8 squares.

The first officers were:

Chairman-----Charlie & Perkie Tucker
 Vice Chairman-Tip & Millie Costich
 Sec-treas-----Harris & Jean Hammond

In March the members voted upon a name for the new club. Some of the losing entries were: Happy Squares, Bar-Nuthin Squares, Saddle Burns and Barn Stompers.

Over the years Rollaways has had the usual ups and downs of most clubs.

Today, the Rollaways has between 4 and 5 squares of dancers and is known as a C-1 level club with a variety of callers.

We are proud to still have one couple from the original Rollaways, namely Hamilton and Betsy Stearns.

Our present officers are:

Chairman.....Bob & Jeannette Meagher
 Treasurer.....Joe & Shirley Heit
 Secretary.....Bill & Selma Bober

Congratulations! Rochester Rollaways. May you have many more years on the square dance scene.

Bob & Jeannette Meagher

TOWN

Oktoberfest! Did you go? Ve vent. Und it vas "wonder bar". Mit all dat drinking und singing my accent came back. The vun I got ven me und my Frau vent on a trip to Europe.

You would never guess vot country. You're right, Chermany! Somebody must haf told you. Ya, da Fatterland. Und now I know vhy dey call it da Fatterland, because uf da delicious food everybody iss getting fatter und fatter.

Ve tried so hard to speak und understand da language dat I started to speak mit an accent. Alldough you can hardly notice it. Dey said don't drink da vater. I didn't. I drank the beer, und I almost got a hernia trying to lift da heavy steins.

Driving on da Autobahn to Berlin vas very exciting und confusening Da confusion came from da signs along da road, "Aus Fahrt", "Ein Fahrt", und "Gut Fahrt". From dis you vouldn't know vich vay to Fahrt! Soooo vonce you learn dat Aus Fahrt vas Exit und Ein Fahrt vas Entrence, und Gut Fahrt vas Good Journey, den it is easy to know vich vay to go.....

Und now ve vent to Munich the home of da Oktoberfest. In a large Beer Garten dey had a Cherman band vich vent "Ump pa pa" und dere vas many people round dancing. Dere vas no cueing, but about every fife minuets the leader uf da band vould shout "Hier Prosit" und everybody vould go back to dere tables, lift up large steins of beer und shout "Prosit". I suppose that meant stop the dance.

The only Square dancing vas at a NATO Army Post in Mannheim. Da caller vas supposed to be calling in English but some of the calls sounded like Cherman. To me dis vas not unusual because even in Rochester some calls sound like Cherman to me.

Soooo ve choined a set und started dancing, und choost like here ve all mixed up. The caller vas very nice about it. He stopped und valked us thru. Ve started dancing again und again our set got mixed up. Dis iss vere the caller payed me a compliment. He said in Cherman, "Dummkopf", vich probably means Gut Dancer or something like dat. Und ven he repeated "Dummkopf" da second time, da entire set laughed und cheered. All callers should be dis friendly.

Vell, I tink dis is enough for now because dis accent iss hard on my voice. I tink I vill eat some saurkraut und soothe my throat.

Danke, anyway

Batavia Twirlers

O.K. so it wasn't the mailmans fault this time. Now that we have our P's and Q's in order and dates straight, like deadlines, we promise to be prompt from now on!

We have had a couple of dances with "Leapin' Larry" helping us trade in our summer sneakers for slippers and boots. Thought it was a short summer, but Larry made us realize our last dance was way back.

It was great to have Bob Higley dancing again. We missed you, Bob, in our set, for our corner and for an occasional "blush or two". No one does it better! We hear Ray Roth has recovered also and is back working and we look forward to seeing Ray and Marion dancing again soon.

Thanks for supporting our Cancer Dance.

Clyde and Pat Spicer

Boots 'n' Slippers

Had a real good turnout for our 15th anniversary dinner dance. It was nice to see all of our friends, and meet some of the old timers who no longer dance so often.

Our Open House was a big success. We have a very willing and eager group for our class this year. Let's come out on Tuesday and lend them a willing hand and moral support.

For all of you who missed our October 6th dance, you'll be sorry, for we had an extra added attraction, in the way of a "stripper". But I'll never tell who.

Important dates to keep in mind:

Nov. 3rd Stan Burdick (Nat. Caller)
Merton Williams

Nov. 4th Pot Luck Supper Hamlin Fire House
Nov. 21st Turkey Trot with the class
Chet and Bev

CONGRATULATIONS

Congratulations to the Rochester Rollaways and the Swingin' Eights on their 20th anniversaries.

Belles & Beaus

We are well into another dance season and I am happy to report we have a bright class - reasonable size, too! Let's all get acquainted by helping Wed.

Every one had a grand time at the Fall Steak Roast on October 8th. Fun and exercise are common words for B N B's. Don and Mary Waterman are to be congratulated on a super job.

Autumn always brings lots of physical disorders, and many members are absent due to sickness and/or operations. To name a few: Walt Kuefer, Dorothy Heffer, John Butler and Kathy Harris. We sure hope to see them back with us soon.

Our sincere sympathy goes out to the family of Bob Wordingham. Mabel and Bob were in the Class of '66 with 'yours truley' and we shall miss his visits.

The club is still missing many vacationers, but our campers Dick Doyle, the Haddletons and Heindls, returned from 2 weeks on West Virginia, full of pep and fresh air.

Congratulations to Vera and John Sillick; grand-parents one more time!!

Next month we will be selecting new officers, but we must say for the benefit of the entire club, that Bill and Marilyn have really excelled in their duties as President. We know Bill Walker works the 3 tricks, but few people realize that he, while on the B trick, took a half-day vacation time on Monday and Wednesday to enable him to be present for club and class dances, thus performing his Presidential duties to the fullest. They are both to be commended for a job well done. Few people would even consider such a thing. Thank you both. See you in a square, Betty & Chet Selbert

Cloverleaf Squares

First off, my sincere apologies to Frank Lincoln and Debbie Ward for the mix-up in names when announcing their engagement. Belated best wishes for a very happy marriage.

Many thanks to the Sweeney family for their hospitality in taking about 30 of our club and class members on a hay ride and making the huge bon fire that we sat around afterwards.

Our club and class Halloween dance was enjoyed by all. The class members are becoming excellent dancers, thanks to instructor, Mike Callahan, and club members, who are helping out.

Square-Up, "Hawaiian Paradise", sponsored by Cloverleaf Squares, Merry Mixers and Swinging Singles is Sunday November 5th, 2-5:30 and 7-10:30 P.M., at the Green Lantern Inn, Main Street, Fairport. Callers are Mike Callahan and Jerry Carmen, Betty Carmen cueing rounds. The dance is open to all singles, (including teens), and couples are welcome. See the beautiful decorations; have a chance to win one of 3 door prizes; enjoy refreshments; last but not least, have fun dancing to 2 of the areas finest callers. Come afternoon or evening, or all day. For information or advanced tickets, call Dave Tarantino, 288-9268.

Invited guests in November are:

12th - Twirl-A-Rounds and Belles & Beaus

26th - Copy Cats and Whirl-A-Ways

Nomination for next years officers will be Nov. 19th and 26th. Consider now if you are willing to run for an office. Responsible officers are needed each year. The 19th will also be Amature Callers night, when club members can use their talents on the singing calls and our caller, Mike Callahan will M.C. and do the hash calls.

We'll finish off our Thanksgiving celebration with a Pot Luck Supper on the 26th about 5 PM, dance with the class, then the club dance will follow at 8 PM.

Have a Happy Thanksgiving, and remember that guests are always welcome at our dance. We dance every Sunday night to caller, Mike Callahan.

Barb Indovina

Copy Cats

Copy Cats have had a busy September and October -open houses and our regular dances on the 2nd and 4th Saturday of every month at the Bayview "Y". On October 14th we had Chip Kellogg as our guest caller, but hardly an unfamiliar face to our club as Chip is the Copy Cats' Class instructor. Halloween has come and gone with a good time had by everyone with Mike Callahan calling at the party.

We welcome two new members (couples) to our club -Robert and Kathy Crumrine of Rochester and Joe and Myra Kirkenaer of Webster. It is always nice to have couples want to join us. At the same time we are sorry to have lost Evelyn & Al Terry to the sunny south of Florida. The Orlando area square dance clubs have yet to realize the fantastic gain they have in the "whoops and hollers" of Al as the Terrys "circle the square". Their enthusiasm will be missed not only by the Copy Cats, but by so many of the clubs around as Al and Evelyn were well known by so many of our square dancing friends.

Under the humorous but extremely able leadership of Erv & Bea Ostertag, President, and Ray & Emma Schlesing, Vice-President our club looks forward to a full year of dances. November 11th will feature Jerry Carmen as guest caller and Thanksgiving Weekend, on Saturday November 25th, Mike Callahan, our regular club caller, will be back with us.

We love to have guests share our dancing fun in cozy, multicolored friendly hall of the Bayview "Y" on Bay Road across from Eastway Plaza; so come along. See you soon!

Country Twirlers

As the autumn leaves have fallen and baseball season is over once again, we note it was a fun-filled month for all of us in Country Twirlers.

Joe Reilly made Saturday, September 23rd a night to remember, and Johnny Davidson called a good dance on Saturday, October 14th.

We are looking forward to Bud Redmond calling on Saturday, November 11th and on November 25th, Saturday evening, Larry Dunn will be in the calling spotlight. Come join us for some Country Twirler fun and fellowship.

It is the time of the year when the nominating committee will be looking for new board members. Please give this committee your support and if you can be of help, please let them know.

Lets Promenade,
Frank & Nancy Austin

Hi-

It's been great to see so many of you each week and have your cooperation on the refreshment committee. Your help at class is always needed.

We have missed those of you who have been on the sick list. Hope to see you soon.

Ask those who went to Watson about the fun and how about those skits! What talent??

Those heading south soon, we wish you a sunny winter and look forward to your return.

Nomination time is here-if you are called, say yes- help your club, your club is only as good as you make it. Joe and I truly enjoyed our Caribbean Cruise.

Be sure to give us your news items.

EKC-O Squares

This year's class is well under way and it's been encouraging to see the increase in turnout from last year. We have three full squares plus a couple, compared with two squares in the previous class. This means three club couples are needed each week to fill out the third square.

Presidents Frank and Norma Salvagio have announced that if each couple in the club volunteered to dance with the class just once, we'd have enough angels to go around for the entire year. So be an angel and sign up for a date that's convenient. The class meets Wednesdays at Kodak Office from 8 to 10:30 p.m.

Jim and Mary Davidson and Ken and Marcia Wishau are members of the nominating committee for this year's election of club officers. If you'd like to serve the club as an officer or know someone who might be available to serve, please notify the committee. (The positions open were listed in last month's Promenader.) Deadline for nominations is November 17.

Looking ahead, our club will be guests of the Country Twirlers on Saturday, Jan. 27 at the Washington Irving School at 8:30. Watch the bulletin board at our regular Friday night dances for other guest nights.

November and December, we are dancing at Kodak Park. Callers for this month are Ken Anderson Nov. 3, Ron Libby Nov. 10, Jerry Carman Nov. 17. NO DANCE Nov. 24.

Happy Thanksgiving to each of you. Let us remember throughout the year all we have to be thankful for.

See you in a square,
Mike and Linda Zavadil

THANKS

The PROMENADER wishes to thank Hal Abberger from the bottom of our typewriter for giving us the very first issue of the PROMENADER. It makes our library complete. Thank you so much, Hal!

We wish to thank the Rochester Area Federation of Western Round and Square Dance Clubs, Inc. for making our club a part of them. Our club enjoys many square dancing activities. Ron Fotch teaches class 7-8:30 every Thursday night. From 8:30 until 11:00, the club has been learning new calls and dancing the old ones.

October has been a busy month. At our Halloween party, we saw many odd characters doing "relay the deucey" as they "strolled and cycled" the dance floor. Our first "mystery ride" was an experience for all of us.

Do come and enjoy an evening of dancing, November 25th. It will be a combination dance with the Promenading B's, Glass Slippers and Country Swingers. The place is Chili Community Center, Buffalo Rad. Ron Fotch calling from 8:00 until 11:00 P.M.

Our December 9th "Christmas Ball" will be held at the Fancher Campus, Lynch Road just off 31A. Come and enjoy an evening of fun with us.

"Look at all these people, friendly one and all. I know you'll have a good time when you walk into our hall! Bob Ellis calls, we have a ball, dancing mainstream 1 & 2. We'd love to share our evenings with everyone of you!"

We have no class to bring up so our level of dancing is kept up. We workshop and dance Mainstream 1 & 2 every Wednesday evening from 8:00-10:30 P.M. Our location has been changed to the Covenant United Church on the corner of Culver Rd. and Parsells Ave., Rochester. Bob teaches rounds from 7-8 P.M. All experienced dancers welcome.

Special events: Mainstream Plus II dance, Saturday, November 4, at the Covenant United Church, Culver Rd, and Parsells Ave., 8:00-11:00 PM, Bob Ellis calling. Harvest Dance, Wednesday, November 15, at the Green Lantern Inn, Fairport, 8:00-11:00 PM, Bob Ellis calling and Bob Slomcenski cueing rounds. Hope to see you all.

Watch for information on our New Years Eve dance in next month's column. We are holding it this year at the Green Lantern Inn, Fairport.

Thanks, all you guests and members for making our 1st year together an extremely successful one. We love you all.

Glass Slippers

We're really getting into the 'swing' of things here in Brockport. After having to sit out because of illness, Betty and Goerge Dunn are dancing again.. Joyce Tyner and Lorna and Arden Avery have become club members. We welcome them all.

Barbie Hurne and Laurie Lawreny planned a fun-filled Halloween party for us. The costumes were a sight. Unreal!

Kathy and Carl Lawrenz have a darling new little girl, Kristen. Mary Lou and Don Cotton are dancing grandma and grandpa. I think that makes all the rest of us aunts and uncles.

The Glass Slippers and our friends, the Country Swingers and the Promenading B's are sponsoring a special dance on Saturday, November 25. We all share Ron Fotch as our club caller. We'll be dancing at the North Chili Community Center on Buffalo Road from 8:00 until 11:00 PM. We'd like a lot of company for an evening of fine dancing.

Don't forget to be an angel. Class runs from 7:00 until 8:30 PM on Wednesdays.

Have a wonderful thanksgiving. Keep on dancing.

Geneva Friendship Squares

Our enthusiastic class members have been moving right along, learning the basics under Don Pratt, our excellent teacher and club caller.

October was a very busy month with our club enjoying the dancing at the newly decorated Civic Center, Main St., Geneva. The floor is perfect for square dancing.

The holidays are soon approaching, but before Thanksgiving we will have guest caller, MARSHALL FLIPPO, from Texas at the First Presbyterian Church, Park Place, Monday November 13th at 8:00-11:00 P.M. Hope a lot of you can join us for a fun evening of dancing with Marshall Flippo. Al Overslaugh, our friendly round dance cuer will be on the rounds.

Enjoy the Thanksgiving holiday with your loved ones, and we will see you soon.

Our fall season has started off with a bang! Most of the old (and not so old) faces are back and dancing up a storm. The class has started and is very enthusiastic. As always, angels are needed each Tuesday at Roth High School from 8-10 P.M. So shake your wings and try to give the class the benefit of your experience once in a while. Remember how much we appreciated the help when we were taking lessons.

Dances this month will be on November 4th and 18th. Gentle Ben is teaching round dancing from 7-8 P.M. and then workshoping some of the Plus I, Plus II and experimental calls from 8-8:30. We are sure that in the months ahead we will have as much fun as we did last month.

Here's to more and better 'yellow-rocking'--George told us to say that.

Jack of Hearts

Brisk fall days and the square dance pace quickens. Special dance themes abound as we 'arky allemand, boomerang and chase' our way into holiday time. Early this pumpkin season, on Wednesday November 9th, the Jack of Hearts will host a "Buddy-dance" to introduce Advanced dancing to those special people who wish to continue to increase their skills in square dancing by moving into the next level of calls and sampling the pleasures found in moving through the old and new square-dance figures using the All Position Concept. We invite the interested dancer to join us and the incomparable Ross Howell on the evening of November 9th. If you'd like to know a little more about this dance, call Sandy at 671-6311 or Eileen at 271-3258.

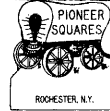

Are you among those who've observed Advanced or Challenge dancers "at work" and feel "they're too serious" and not having a good time? Think again. The seriousness is concentration and the enjoyment is inside. It may not be visibly expressed until the end of a tip when the square has successfully maneuvered its way thru dozens of intriguing patterns. With one hi-level figure following another, the dancers move thru a particular arrangement of calls such as they may never have experienced before. Or may never again--as far as that particular sequence, that is. The dance patterns ebb and flow and are ever changing as the skillful caller creates new combinations and sequences of figures from the almost endless variety available in the All Position Concept. Here imagination, versatility, a computer-like mind and a mental bank full of equivalent, workable figures are among a caller's greatest assets. Of course the caller also must know

continued

which calls "dance well" together so that body flow is smooth, and which calls fit the phrase of the music. Notice sometime, how unhurried the skilled dancer is as he moves with an economy of effort, in perfect time with the music. This is pure joy, as ANY dancer knows--whether it be waltz or disco, folk or contra, square or round-dancing, beginning or advanced level --what-ever.

Well, you can see I'm hooked on this pastime and on its ever unfolding dance experience; I invite you to join us... on the 9th of November to sample our wares on the 29th when Larry Dunn will be our visiting caller.

Pioneer Squares

Gobble! Gobble! Thanksgiving is almost here already and it seems like summer just ended. With a nip in the air, dancing is back in full swing. Our class is doing just great with only about 6 lessons behind them.

With the cool weather, our thoughts are already with Betty and Bill Woodhall, who are on a wonderful trip to Hawaii and those sweet Hawaiian breezes.

Nell and Bill Burton attended the Flaming Leaves Festival at Lake Placid and enjoyed the colorful square dancing.

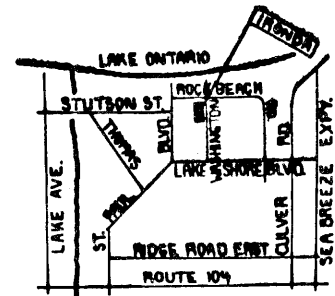

We welcome all our new members to Pioneers. May we have many happy dances together.

We are dancing every Tuesday in November so why not come over and dance with us as we would love to have you.

Irondequoit Squares

In the month of November, everyone is reminded of Election, Veteran's and Thanksgiving day. The Irondequoit Squares are also reminded of these important days:

Nov. 11th National guest caller Jim McQuade 8-11 PM
Nov. 25th Tureen Supper (members only) 6:30 PM

This is the time we gather to enjoy dining, dancing and planning our club's future, also election of 1979 officers. Hope to see all present.

Our Sept. 30th dance was saved by Ron Fotch replacing Bill, who was ill. Thank you Ron and Betty for comming. Unfortunately our Syracuse guests were unable to attend- better luck next time.

Bits of news:

If anyone is interested in cruises ask Ed & Marge Anderson who recently returned from a Med. cruise a few pounds heavier.

Congratulations to Al & Nina Anderson-another granddaughter.

Recently Margaret & Bob Pearson added to their family a new son-in-law. Congratulations are in order for both of you.

An extra reminder of renewal time for both Club membership and the Promenader.

Keep dancing,
Gene & Don Evert

Merry Mixers

For November we have as follows:

Friday, Nov. 3rd Travel Night
Friday, Nov. 10th Nomination of officers
Friday, Nov. 17th Guest caller

Please check with club for any changes in schedule. Also, if anyone has an idea or suggestion to improve our club, write your proposal on paper and hand it in to one of the officers.

We also wish those of us who have been ill, a successful recovery and to be back with us again.

The class is advancing along fast, due to the good attendance of Club Members helping them to learn our way of fun and dancing.

Our caller, Ben McGilverly and taw, Sadie, welcome the club members to visit Henrietta Friendship Squares and Naples Valley Squares to dance.

Thank you "Ben and Sadie". Don't forget Single Square up, November 5th at the Green Lantern Inn, 2-10 PM. "Happiness is dancing with Merry Mixers."

Singing Squares

We have five nights of fun and dancing scheduled for
November. November 1st is our Hallowe'en Party. You
don't have to masquerade, but it is more fun if you do.
There are prizes for costumes most original, best and
funniest. There will be "tricks and treats"-the treats
being cider and donuts-and you better watch out for those
"tricks". Square dancing begins at 8 o'clock, when our
caller, Al Howe, will arrive in his "pumpkin coach".

Al will also be at the "mike" November 15th when we
celebrate our 2nd annual reunion. Last year it was a
real "blast" and everyone said: "Let's do it again." So
dig out that Singing Square badge and pin it on, for that
will be your admission ticket.

November 8th, 22nd and 29th will be Mike Callahan
nights. We not only enjoy dancing to Mike, but look for
ward to seeing those pictures of his handsome twin sons.
So "Ye all come" to Thomas Edison School, 1612 Buffalo
Road where there is good dancing from 8:00 to 10:30 every
Wednesday night.

We have a lively class of beginners this year.
Their excellent instructor is Elwood Johnson. We really
appreciate all the "angels" who come to help. Which re-
minds me of the story of the preacher who was hoping to
get acquainted with one of the new members of the con-
gregation, knocked on the front door of her home one
evening. "Is that you, Angel?" came the woman's voice
from within. "No" replied the minister, "but I'm from
the same department".

Here's hoping you "follow the yellow brick road" to
"Singing Squares".

John and Lorene Fratta

Rainbow Squares

Hello everyone out there in funny clothes land!
And speaking of funny clothes was that really Ken up
there in front of the mike at our Halloween Party?
What a huge success it was. Costumes were really great!
And by the way, who or what was that square up front
there "cutting up" so much? "You mean that was Of-
ficers?" Well guess you know by now that fun was had by
all.

There seems to be some confusion as to our Dance
Level. It is Mainstream +1&2. On November 25, we are
having a Turkey Dance. So be sure to come one and all.

We'll see you Wednesdays at 7:00 with rounds by
Linda Wolfe and squares at 8:00 with Ken Boss up there
calling.

PROMENADING B'S

4th annual Turkey Dance

Ron Fotch, Caller

COME JOIN THE FUN!

Byron-Bergen Elementary School
8:30 to 11 p.m.

Promenading B's

A group from our club has decided to travel as a group and its first stop was Brockport at the Glass Slippers on October 11. SURPRISE! Look for us; we'll get to several clubs eventually.

Our Hollween Party was much fun. Every year there are a few outstanding costumes and this year's group had to work hard to pass the "cow" and "out-houses" of previous years.

November 17 is our 4th annual Turkey Dance. We've already reserved six turkeys so everybody start baking and we'll have our usual good time. I wonder if the Moon's will take home two turkeys again this year??!!

See you somewhere---

Jean and Neil

Swingin' Eights

This sure has been a busy beginning for our club, with a dance each week since Pot Luck Supper - Hope all the feet held up.

Those 16 couples from Swingin' Eights sure had a swell time at the "Fling Fantastic" from all reports - Wonder what happened to Joyce Szatkowski in the hall? And Linda Allen's problem with her jeans?--How about it girls?

Jack and Mary Ann Joyce are back from their trip to England. Also Bets Knudson on her trip to the state of Washington.

Bud and Fran MaComber are on a trip to Texas to visit their son.

John Fenton is in the hospital at Genesse with a stroke. Also Dick Snow has been hospitalized at Genesee Cards might be appreciated, and hope they both are on the road to recovery.

Get ready to mark your calander with the following dates:

November 4th---Birthday Dance---anyone who has a Swingin' Eights badge from the past is cordially invited to wear it and attend our Birthday dance at Hosea Rogers School. Bruce Shaw and Mike Liberti will be there doing their best.

November 18th--Guest Caller--Ted Whitacre. Also this is the night for election of officers!

December 2nd---Christmas Dance--on a Friday night. John and Shirley Grayko are chairmen of the program. Tickets will be on sale at the November 18th dance. Get them early. More information at further dances.

Happy square dancing,
Curly & Terry Crane

Swingin' BB's

Several Swingin' BB's started out the month attending Rochester Oktoberfest at the Hoffbrau House. A good time was had by all. Much of the entertainment was provided by our own table. There is rumor among the group that this will become an annual Swingin' BB event.

October was an exciting month with our Gloria Roth dance on the 14th. It was a huge success. On the 28th we had our annual Halloween Party with several guests from the Spirit World attending. A frightful time was had by all.

Our class is coming along well. They are learning very quickly and we fear they will outdo us soon.

On November 11th we are holding our Men's Potluck Supper. The men never let us down as they prepare luscious main courses and desserts. The ladies wouldn't mind if they prepared every Potluck Supper. How about it, men?

The Babeck's new home is coming along well, and hope hopefully they will move in soon. Poor Gail, Bill and their three children have had to live in an apartment until their home is built.

Lucille Harrigan is doing well after some minor surgery. We are all glad she is back on her feet.

We at the Swingin' BB's wish everyone a Happy Thanksgiving.

Keep on dancing,
Jim & Rochelle Brunshidle

Swinging Singles

The "Swinging Singles" gave a warm welcome back to Tim Craig, who has returned from the sunny hills of West Virginia. Much to our delight, Tim will be resuming his duties as Past President.

Although we were sorry to learn that it had become necessary for Don Leister to resign as our president, we offer a hearty congratulation to our newly elected president, Bob Plantz. We look forward to his leadership during the coming year and we offer our utmost support.

Our two "open houses" in September proved to be a great success and we welcome our new square dancers to be. Chip Kellogg is now busy teaching his new class a "weave the ring" and "grand square".

A great many thanks to Friendly's for again providing carmel and strawberry sundaes topped with mounds of whipped cream which were thoroughly enjoyed by everyone. Watch thoses calories, gals!

We look forward to our fall schedule which will include such activities as a picnic at the Naples Ontario County park, and a night of "horror" when those witches, spooks and ghosts come out of their closets once again.

Web Spinners

October brought us into the full swing of a new square dance season with Bill Wilcox, our own singing-calls master, and guest callers Jerry Carmen and Jon McNally. The Web Spinners' 10th Anniversary Celebration was a significant highlight. Also, thanks are extended to Bill and Judy Wilcox and the twelve couples who participated in the square dancing demonstrations at the Stone-Tolan House for the Landmark Society of Monroe County. After the dance Vern and Mary Jane Collier entertained the group at their home with a super party.

We enviously wish Fred and Norma Jenner an especially happy winter in Florida although we'll miss them. At the October meeting of the Board at their home, Norma and Fred graciously turned over their position as Second Board Couple and Federation Representatives to Barbara and John Straube. Welcome Barb and John! And thanks so much, Norma and Fred, for all your devoted interest, time, and generous effort in promoting "fun, friendliness, and good dancing" within the Web Spinners Square Dance Club.

We hope Sally Vary, Ralph Bodensteiner, and Ken Clum are back in the square, or at least well on the road to recovery, when this goes to press. We also wish good luck to Mike Iazona on his new job with Kodak.

So on to the month of November.....Ben McGilvery is scheduled guest caller November 3rd. There will be no dance Friday, November 24th (Thanksgiving Holiday), but we start December with another of Bill Wilcox' melodious nights of all-singing calls on the 1st.

Al & Kay Ludwig

P.S. Our Christmas Dance is a little earlier this year, December 8th..... Keep the date open!!!

Wyco Promenaders

Sorry we missed the first two issues of the Promenader, but now we are rolling again. The club danced through out the summer and as a result we had local as well as distant guests----would you believe, Florida?

Our fall season began with an open house on September 15. The class meets every Wednesday evening in the Warsaw Elementary School at 8 P.M. A nice turnout of Club members on Class nights has made the serious job of learning a lot of fun for the new dancers as well as the "old timers". The class will have the added advantage of dancing on alternate Wednesdays to Chip Kellogg, who is the Club caller, and Jerry Carmen.

Glenn and Margie Bange

Twirl-A-Rounds

October was the month in which the club worked on "Born Free" and "Hustle-A-Round." We continued to maintain our format of one party per month. Our thanks and appreciation go to the committee for the Halloween Party; namely, Andy & Carolyn Spadoni and Cliff Fulton & Flo Trippi. A good time was had by all.

November is the month in which we will celebrate the Autumn (Harvest) Dance. This will take place on November 15th. Ray & Gloria Snell will be in charge of this one, but can use some help. Please respond favorably when asked to assist with refreshments and/or decorations.

The nominating committee, consisting of Frank & Mary Mack and Sid & Renee Galinsky, are endeavoring to obtain candidates for office for the coming year. When you are asked to serve in some capacity, please accept because if the club is to continue to function in the future as it has in the past, it requires the cooperation and support of everyone.

Happy dancing,
Don & Marg Tracy

Jeff is back calling - Jack is back teaching the class and our club is back dancing every Thursday night. The dancing is getting better and better - the rust is rubbing off - and our class is large and enthusiastic. Things are going well this year.

October was a good month - even though the Pot Luck Supper did fall through - sorry about that! Our Hallowe'en dance was held at Lyons at the County Infirmary. The night was spooky with ghosts and witches and the residents had a ball. Incidentally, it is quite tricky to push wheel chairs around in some of those costumes, but the result was a treat for all of us.

November will find us dancing three times - one dance will be our annual Harvest dance when we invite guest clubs to dance with us. This is always a very special night.

When the leaves begin to fall,
And the geese begin to call-
Now's the time to have a ball-
Come on, dancers, square it up!

When the winter's deep with snow,
And your car just will not go,
Find a truck and get a tow-
Come on, dancers, square it up!

When the year goes into Spring,
And the birds begin to sing,
Now's the time to have a fling-
Come on, dancer, square it up!

When your hair is falling down,
And your partner starts to frown,
Ignore him - just go to town-
Come on, dancers, square it up!

When three couples start to clap,
Your partner's foot begins to tap,
Even though you'd rather nap-
Come on, dancer, square it up!

When on life you've tired grown,
And you're standing by the throne,
Then you'll hear St. Peter say,
For you're sins you'll have to pay-
Come on, dancer, square it up!

Enough of that nonsense - see you around the dance floor.

HAPPY THANKSGIVING

Tecumseh Squares

Our class is doing very well. Hope all of you continue to encourage your friends to continue with these fun lessons. It sounds like our round class is doing beautifully too! Tecumseh is really fortunate to have such capable instructors as Jack Sadwick and Bob and Nora Slomcenski. Thank them the next time you see them.

November sounds like an exciting month. Bruce will have a "All Singing Call Nite" on November 7th. No workshops that night -- just fun! And then on November 21st we are privileged to have with us again Syracuse's favorite caller, Dick Schweitzer. If you haven't danced to him, don't miss the treat! On both nights please come at 7:30. Tecumseh has an additional treat for you. Mike Liberti and Linda Wolfe will have a ½ hour round dance workshop and Mike will continue to cue rounds during the evening. They are both doing a terrific job and we at Tecumseh are proud to have them with us.

We have a new Indian child who lives here in the city. His sponsorship is needed because of his need for constant doctor and medical care. We'll give you more information later -- just keep contributing to the 50/50 so we can continue with his support.

"WELCOME"

The Rochester Area Federation welcomes DIAMOND SQUARES and MORTON COUNTRY SWINGERS to membership.

Triggers

Our picnic was very well attended. 26 families had a great time eating those delicious dishes and dancing in the unusual squares. The "KIDS" both young and old, had fun with the mixers and the line dances. Games for all - guest 'mummues' and the designer hats would be hits in any parade. We are looking forward to next years day at Hamlin.

We enjoyed the hospitality of the EKC-O Squares. It was a fun night. Thanks for inviting us.

Graduation for our class will be Tuesday, November 14, when we will initiate our new friends who have been faithfully attending the class and learning all those do-si-does, etc.

Our guest night will be November 21. Hoping the Glass Slippers, EKC-O Squares, Boots & Slippers and Country Twirlers will join in our fun. Rounds at 7:30 and squares at 8:00.

This is the month when we give thanks for all our blessings. For health and happiness, family and friends which include square dancers. Where else could you find a nicer group of people? A very happy Thanksgiving wish is sent to all by our club and its presidents, George and Geri Yuna, 106 Harbor View Hgths., Rochester, N.Y. 15612, Phone- 865-2926.

If you have any news to put into our column, please call George and Geri or our reporters.

Contra Corner

by
Ed Butenhof

Contras were a featured part of the recent "Flaming Leaves" festival in Lake Placid. Not only were they done in separate workshop and dance sessions, but they were also used between tips of squares as a break. As breaks, I thought they were very effective-- a chance to relax, a change of pace. It was impressive to me that nearly 100% of the floor participated in the contras at such times.

Contras were once pretty much localized in New England, but as a result of increased exposure at National Conventions as well as the efforts of traveling callers like Don Armstrong, groups are springing up all around the country. Some only do contras, some mix in with squares, with rounds or folk dances.

They are enjoyable any way you mix them as long as they retain their own special character. It is essential that they be done with the musical phrase. That means the timing is established by the music, not the caller. The caller, like a round dance cuer, is merely reminding you of the sequence.

Since the sequence (the choreography, if you will) is planned and polished in advance (again like rounds), it is smooth flowing, and has none of the awkward jerkiness that almost always results from a caller making up sequences on the spot combined with dancers trying to follow his unexpected directions. That combination of smooth, continuous flow done precisely with the musical phrase is what dancing is all about, and contras are dancing at its very best.

The International Association
of Square Dance Callers

Pocono Pines, Pa. 18350

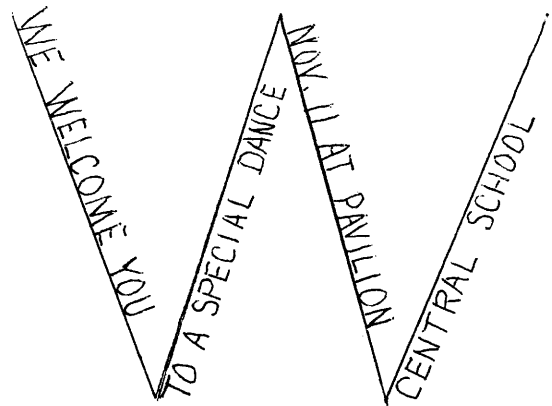

CALLERLAB has established a Grievance and Review Board as an aid in implementing its "Code of Ethics". This board has developed procedures for dealing with complaints concerning the professional conduct between CALLERLAB members, or between a non-member of CALLERLAB (caller or dancer) and a CALLERLAB member. The intent of this procedure is to provide a means of settling grievances on a professional level as quickly as possible.

A grievance is a complaint by a caller, group of callers, dancer, or group of dancers concerning the professional conduct of a CALLERLAB member. A complaint is not considered to be a grievance until attempts toward its solution have been made by one or more parties involved, without satisfaction to the aggrieved.

It should be emphasized that the Grievance and Review Board will act only on a grievance which appears to be in violation of the CALLERLAB "Code of Ethics".

The Hilton Hillbillies are eyebrow deep in plans for their benefit dance on December 2nd featuring the calling of Jerry Carmen. Everything is on schedule especially the decorating committee, which is headed up by Karen Dorrance. The Evening promises to be a "Happening"!!!!!!!

We're all cheering the recovery of "John-Boy" Haines. The body cast he's been in all summer has finally been removed, and by the time you read this he'll be dancing again.

The club is also involved in halloween plans and have invited the Way Out Whirlers of Gates to be their guests.

The theme dances have been a lot of fun and more are being planned. Some of the themes were "17-27", "Light My Fire" and "Big Foot".

The club dances on the 1st and 3rd Saturdays from 8 until 11 at the Parma Town Hall.

WHO IS YOUR PARTNER?

by Johnny Hayes

Dancers often ask me after a tip, perhaps when a Partner Tag or Trade or Right & Left Thru from an Ocean Wave etc., has been called, "Who is, or was, my partner?"

During a patter tip your partner changes all the time, and your ability to identify positively who this is, in all positions, is vital to the flow and enjoyment of the dance, e.g.

FACING LINES OF FOUR - Your partner is beside you.

OCEAN WAVES - Your partner is the person facing the same direction as you.

DOUBLE PASS THRU - Your partner is the person on the right.

ALSO - Your partner is the girl you swing.

The girl you receive in a ladies chain.

The girl with whom you start a Do Paso.

The girl with whom you start a Right and Left Grand.

The girl you Promenade.

The girl with whom you do a Right and Left Thru.

RULES FOR BANNER STEALING

1. Clubs wishing to take part in Banner Stealing, must register with the local Banner Stealing Association.
2. Those clubs registering with the Association, must have a miniature Banner (Traveling) that will be used for stealing.
3. In order to steal a member club's banner, the visiting (Stealing Club) club, must have no less than four couples (One Square), who have paid the guest fee at the host club. A Representative of the stealing club must then make it known to the President of the Host Club that, they are attending the dance for the purpose of stealing the host club's Banner.
4. In the event that more than one club is in attendance for the purpose of stealing the host club's banner, then it will be the duty of the President of the Host Club to determine some fair way in which to determine which of two visiting (stealing) clubs will be awarded the banner.
5. Once a club's banner has been stolen, that club may retrieve said banner by sending no less than four couples to the stealing club's dance and then they can take their banner back home. If a retrieving club also wishes to be eligible to steal the banner of their hosts, they must then have a second four couples in order to be eligible.
6. At no time can a member club, allow any other club to take a Banner belonging to another club. Also when a club steals a banner from a club, it is the receiving club's duty to safeguard at all times the banner they have stolen. If a banner has not been retrieved by the owning club within a reasonable period of time (three months), the banner should be returned to the owning club.
7. Banner Stealing shall be restricted to regular club dances only, and does not include any special dances a club might hold and so designate.

QUARTERLY SELECTION

GRAND WEAVE - From a static square, 4 ladies walk to the right crossing in front of their corner and fold directly behind him to become 4 single file columns at right angles. All eight will do a weave through the center as a tag the line movement -- each man allows the man on his left to pass in front but cuts right behind him and in front of the lady following him. The ladies pass in similar fashion, allowing the left hand lady to cross in front. Men make a right face u-turn back and star through with the lady that followed him coming into promenade position and all promenade exactly one-fourth and wheel in as a couple to reform the square. Four men have progressed $\frac{1}{4}$ to thier left. This is $\frac{1}{4}$ of the figure and has taken 16 beats. Repeat same action 3 more times for a 64 beat maneuver. The ladies follow in their own footsteps 4 times.
