LET'S DANCE!

Editor's

Note:

Welcome, 1979 Square Dance Graduates! It's a delight to have another Square Dancer aboard much less a whole group of you!! I hope Square Dancing opens as many wonderful opportunities and friendships to each of you as it has for us. A word of warning though - - Square Dancing may be habit forming!!

Is anyone going to the 28th National Convention, in Milwaukee, Wisconsin, in June? Would you be willing to share this experience with us? (Call me; 494-2102.) The "Promenader" is going. It will be on display in the periodical booth there. (Wish we were going with it!!)

Club members, encourage your new class graduates. How? Personally phone one couple and invite them to go to a Square Dance with you this summer. Pick them up and drive them there and see that they have a good time. Yep, it takes a bit of arranging, but the rewards are WORTH it. If you don't know that couple too well; you will after taking them to a dance!

Next issue covers 3 months -- June, July, and August. That's the issue that takes us through the summer. It's referred to many times; don't miss getting your complete schedule in and the opportunity to advertise in this issue (that covers three months) for the price of one ad! Send ads and material too:

PRESIDENTS'

CORNER

The purpose of our Federation is to:

1. Operate as a service organization in co-ordinating club activities, and
2. Provide information about and promote Western Style Round and Square Dancing.

Dance-O-Rama is designed to promote club members' interest in dancing by providing a variety of callers and levels of dancing. In fact, the Federation first came into being to carry out Dance-O-Rama.

The Federation promotes our activity by organizing exhibitions at shopping malls, and other places where we can be seen by the general public. During National Square Dance Week we demonstrate for the Mayor of Rochester who proclaims National Square Dance Week locally.

The "Promenader", which was brought about through the efforts of the Federation, is serving our area dancers well by providing complete dance information to everyone at a nominal cost.

As clubs or club presidents, choose their representatives to the Federation, you should try to find people who will be interested and active in your Federation.

Letter to the Editor:

WHAT IS C C R?

We are what the initials say; Callers & Taw Co-operating in the Rochester Area. Training new callers, exchanging ideas and dance figures, rounds and of course socially meeting each other. We are NOT Caller Lab. We meet the first Sunday every month from 2-4PM.

It is the place to visit when you are looking for a caller or there are activities such as the May 13th workshop and/or dance, with Jack Lasry. Get your tickets from any local caller. Just think, you can dance with three callers in your set and earn a "Purple Heart". We are members of the Rochester Federation. Know your CCR. How can we help you? SUPER FRIENDS

Over 600 people attended the Leukemia Dance and raised over \$3,000.00! Lucky Ted Bartlett of Country Twirlers won the lovely hand made quilt and Judy O'Grady of Which Way Whirlers won the barbecue gas grill. Over 60 prizes and awards went to dancers in the many different clubs present. The clubs coming the furthest distance (with at least one set) and for having the greatest attendance present (percentage wise) were The Road Runners and Web Spinners. They were awarded silver trays.

The callers and cuers were responsible for the great dancing. They did a great job because everyone enjoyed the dance so much.

The real winners will be the Kids. Thanks from CURE to everyone that helped make them the winners!!

Spring is here! Classes are graduating, and new dancers are entering the clubs. I'll always have a sentimental spot for the new dancers, for I can remember when I went thru class, I went thru class, I went thru class. Thru class three times? No, not really, but Art Harris, my teacher, said it seemed like it.

So, I am taking this opportunity to help the new dancers by putting down a few important tips on the dress and etiquette for square dancers.

Men's Dress

1. Shoes - necessary, especially if you want to appear gracious in de-feet.
2. Belt - in most cases necessary to stop a disaster
3. Pants - absolutely necessary, if for no other reason but to cover your shorts.
4. Shirt - should have collar, cuffs, or both.
5. Hair - not necessary, but sideburns are, for balance
6. Hat - not necessary, unless you are dancing up a storm.

Ladies' Dress

1. Dresses - are necessary, mini, maxi, many.
2. Petticoats - should only show at the bottom.
3. Belt - necessary to break up the contours.
4. Hair - teased or re-teased, on head, any shade.
5. Fancy Laces - not necessary on shoes without laces.
6. Anything else, true or false, should be hidden.

Man or Lady

1. Wigs - I don't want to split hairs on this but if you do wear one, be careful on a "dive thru". saw one hanging from a guy's cuff link.

Etiquette

1. Don't enter a set that already has four couples unless you intend to round dance.
2. Always put your best foot forward, if you have one.
3. Don't allemande left your left hand lady if she is right handed
4. Don't bow to your partner unless you are facing her or him.
5. Don't goof up a set unless you know what you are doing.
6. Don't imitate the caller; he is supposed to stand still.
7. Don't star thru with your left foot.
8. Don't whistle for your corner if he or she is out of position. X
9. Don't walk out of a set, unless the other three couples leave you standing alone.
10. Don't talk during a dance unless you can hear what you are saying. That way you won't offend anyone else.

If you follow these rules, you won't go wrong more than once, I think.

To the new dancers: Don't believe all you hear about me. Nobody, but nobody, could dance that lou-say. (lou-say...a French word meaning "it's better to pay, than to dance with him")

Thanks anyway,
Hal Abberger

Caller

Profile

JERRY CARMEN

While a student at the University of Massachusetts in 1962, Jerry was an onlooker at the college square dance club, the "Heymakers", while one of his friends danced. The club sponsored no class, so Jerry was one of the bystanders dragged into a square when one more was needed to fill it.

Through the efforts of "quick teaches" between tips and the patience of the club members, his ability grew, and so did his confidence and enthusiasm. So it was no surprise that when the club's caller graduated, Jerry, along with two other members began a crash course in learning singing calls and hoedowns to keep the club going. One of those other callers was Don Beck, the originator of "FERRIS WHEEL, PING-PONG CIRCULATE, etc." It was also there that he met his wife Betty, she becoming his favorite dance partner.

After earning a degree in Mechanical Engineering, Jerry came to Rochester with his new bride, Betty, to work for the Eastman Kodak Company.

He now calls for four clubs, teaches a class; and guest calls frequently throughout New York State, Pennsylvania and New England. His calling experience ranges from one-night stands to round dancing and advanced dancing. His wife, Betty, accompanies him often as a round dance cuer and together they sponsor a beginner round dance class during the summer.

He has attended callers clinics under the direction of Earl Johnston, Al Brundage and Dick and Ardy Jones. He is also a past moderator and charter member of the Callers Co-op of Rochester.

Jerry and Betty live in Spencerport, New York and have two sons, one daughter, and another on the way.

BECOME A BETTER DANCER

By Jerry Carmen

You will have less chance of being confused if you know who your partner is in various formations in the square. Here's a glossary defining partners under most situations.

Your partner is:

anyone you SWING
anyone you PROMENADE
the person you meet after doing an ALLEMAND LEFT
the girl to the man's right as he is facing the center in a CIRCLE
anyone you start a DO PASO with
anyone you start a GRAND RIGHT and LEFT with the one next to you in a SQUARED-UP SET
the other person on your half of a LINE
the person facing the same direction as you in an OCEAN WAVE
the person beside you when all the couples are stacked up such as after WHEEL AND DEAL or DOUBLE PASS THRU

Your partner is constantly changing as the square is in motion, so you must be aware whether you are in a line, wave, etc. Remember, you will have a better chance of identifying your partner by joining or touching hands with the people next to you immediately after completing a call to check the formation you are in. Also, by doing so, you may help someone next to you and save the square.

TIPS FOR BETTER DANCING

By Ed Foote

If you become completely lost, do not turn around. This will make it difficult for someone behind you to help you recover. It is much easier to guide someone into place by guiding them from the back.

If you are lost, you should turn your head in all directions to see where you should go; and if someone says to turn around or you see that you should turn around, then do so. Otherwise, retain your facing direction and let someone guide you into place.

Teen Topics

The Hilton Hillbillies have returned to normal square dance clothes after about 98% of the club wore green for the St. Patrick's Day Dance. If you see Shelia Braun, ask her about the sign she wore all evening! Michelle Gary and Jean Nash did a terrific job on decorating as well as making a special cake. Karen Dorrance's leprechaun was a special addition. A very lively St. Patrick's Day dance!

After such short notice, a tip of the hat to our club for the great turn out at the Leukemia dance.

On March 31st we hosted Caller Jack Sadwick. He made the evening one of our special occasions. What a ball! We also enjoyed having Mrs. Sadwick join us. With decorations of balloons and multi-colored streamers by Ron Gary and Steve Nash and another special cake by Jean Nash and Michelle Gary the evening was a huge success.

April 7th, was a red letter day for our graduating class. After a special ceremony conducted by our club caller Les Brady and President Michelle Gary the new members were received into the club by the Advisors, Caller, Officers and Membership. While parents looked on the graduates were presented with their club badges and diplomas. After refreshments the dancing resumed with guest caller, Jerry Brady calling a few favorites, especially "Wiggle-Wiggle". These new graduates already feel at home in the club.

Congratulations are in order for new member, Leslie Kuhn who competed successfully at the Junior Olympics Judo Tournament in Buffalo on March 18th. Keep up the good work Les.

DICK SCHWEITZER

Dick started calling in 1965 after dancing with a local club in Syracuse for one year. After calling for several years, he attended callers college in North Carolina. He has called for several festivals on the east coast including Dance-O-Rama in Rochester and WASC in Washington D. C. He calls for many clubs as a guest caller for clubs from Canada to Florida.

*Dick lives in Syracuse, New York with his wife Millie and six children. He presentally calls for three clubs and teaches classes in the Central New York Area which includes Cortland, Auburn, and Syracuse.

Steve Kopman

Square Dancing in Steve's family has always been a household word. In fact some people wonder if he was born with a microphone in his hand. His first solo was at the New York World's Fair at the age of seven.

Now Steve calls regularly for five groups from Beginner to C 1 level. Most weekends are spent calling across the country. Steve is married to a lovely girl, Deborah, who is a teacher of the deaf. Both Steve and Deborah live on Long Island. Steve has visited Rochester before, but this is the first time he will be on the Dance-O-Rama Staff.

LEGACY

LEGACY, the leadership communications group representing all phases of the American square dance movement, holds its Fourth Biennial meeting May 10-13, 1979 in Louisville, Kentucky. It is expected that over two hundred leaders from the "square dance world" will attend. Playing an important role in square dance communications, LEGACY's members represent leadership among dancer, caller and round dancer circles. They include square dance publication editors, representatives from the ranks of square and round dance suppliers, record manufacturers and the many miscellaneous interests that go together to make square dancing the fascinating activity it is.

Formed early in the 1970's LEGACY has grown from fewer than a hundred to more than three hundred leaders who are expected to attend LEGACY IV in Louisville.

Further information about LEGACY may be obtained from Executive Secretaries Stan and Cathie Burdick, at P. O. Box 788, Sandusky, Ohio 44870

Batavia Twirlers

The Batavia Twirlers mystery ride was called off for Friday the 6th of April. It stormed so hard it would definitely have been a mystery where we were driving.

Boots 'n Slippers

Dear Friends,

What a month! On March 16, our St. Patrick's Dance was a gala event punctuated by the "shinanigans" of Mike Callahan dressed as a leprechaun and Dottie and Howie DeGraves in skits and quips. During refreshments three buxom blonds led by their bosom friend, "Queenie" danced and entertained us! Bruce Shaw and his Tecumseh Squares paraded in right in the middle of Mike's Squares - Bruce playing bag pipes - no less! They not only recaptured their flag but also Boots 'n Slippers' and broke the floor down completely. Then not to be outdone Village Squares reclaimed their own and captured our banner (I didn't even know we had two)!

Congratulations to: John and Margaret Adams, Floyd and Barbara Bockus, John and Betty Cushing, Bernie and Jean Heinsler, Jim and Nita Ingrahm, Bob and Marge Kanaley, George and Juanita Leidecker, Chuck and Terry Mance, and Bob and Wilma Taber who graduated March 23.

Thunder, snow and tornadoes didn't stop our dessert box dance featuring Mike Callahan as auctioneer. All those who braved the storm had a great time!

Until next month,
Beryl and Dawn Ames

Cloverleaf Squares

Well here we are in May, seems like only yesterday the class was just starting. Now its time to welcome all our graduates to the club. We'll have to start watching our step (they have already begun correcting our mistakes). Keep up the good work!

May's schedule shows a roller skating party formally planned and who knows what else informally unplanned. For example, back at our April 1st dance the class, unprompted by the club, squared off with all guys and all girls sets. Much as I hate to admit it guys, guess which square broke down the most? Not to be out done the club was going to do the same but there were not enough girls. Soco... off to the "men's room" and you can guess the rest. Christine Jorgensen eat your heart out! Would you believe that square did not break down once? At least I don't think so, it was rather hard to tell who was whose partner. The culmination was when all the "girls" GROUPY'd Mike Callahan at the end of the tip. T'was an interesting April.

It was also a busy April and shows to be a busy May for all the square dancers in this area. I've got so many fliers to put out I'm rapidly running out of room. There certainly isn't a lack of what to do.

Before I go, and as Mother's Day approaches, I'd like to take this opportunity to extend Best Wishes to all you Mothers out there. Without you none of us would have been possible. Thanx.

A bow to all you partners,
Steve Levine

Country Twirlers

On April 7th, the Country Twirlers welcomed 13 new and a bit nervous members into the club. After taking a written test, (did anyone pass?) they realized this square dancing business was not going to be such a breeze. After a few good-natured pranks, the class had their chance to give class instructor, Ron Fotch, a bit if his own medicine.

Our new club members include:

Dick and Elaine Bean	Bill and Barb Entress
Lloyd and Jean Dysart	Don and Marge Fisher
Jim and Flo Braker	Harold and Arlene Hack
Guy and Judy Coletta	Dave and Dorthy McCandlish
Phil and Marie D'Aiutolo	Fred and Mary O'Connor
Bill and Kay DuBois	Lou and Roxy Raggi
	Sam and Audrey Renna

Thanks to the Graduating Committee - the Wachob's, the Bartlett's, the Dunbar's and the Limbeck's for a most enjoyable night. Also, thanks to Lenore for another beautiful cake!

On April 21, we all enjoyed the music of Dick Leger, the Guitar Man!

Despite rumors to the contrary, Country Twirlers wishes to announce that our great club caller, Jim McQuade, will be calling for our club for at least another two years and hopefully more.

Wishes for a speedy recovery go out to club members John Fratta and Emma Nolan. Get well soon.

Upcoming dates in May include National Caller Jerry LeBlanc on May 12th and Trail End Dinner and Dance on May 19th.

See you there-

Country Dancers

Barb and Ed Butenhof traveled to the Boston Area April 20th to take part in the New England Folk Dance Festival which includes International dancing as well as squares and contras - - and lots of live music, crafts and international foods. Ed had a chance to do a little calling-- and hopes to be asked again next year. Ralph Page and Charlie Baldwin both acted as M. C.'s for the opening Friday evening. There were lots of dance and instrumental demonstrations - and those of you that are interested in clogging - there was that also.

We hope some of you square dancers, out there, will consider going to the National Square Dance Convention in Milwaukee. Committees have been hard at work for four years getting ready and there is something for everyone: all the CALLERLAB levels as well as round dance halls - and of course full time contras. This year some of the time two contra halls will be in operation so that the advanced (or experienced contra) dancers can have more dancing with fewer walkthroughs. there will also be a couple hours each day for heritage dancing which will include regional tradition square and circle dances. For the first time attention will be given to children of square dancers that have not had lessons - or are of kindergarten age up to about 12. The Lloyd Shaw Foundation will direct a hall teaching play party games and square dances.

If you can't go to either of these festivals - don't forget the Contra Hall at Dance-O-Rama, in the Campus School. Bob Howell, from Ohio, will be the caller and he uses contras as part of his Western Club dances. Please remind your class graduates to try us if they find the other halls too difficult. 244-1375

Diamond Squares

"To all mothers on your day; may God be with you all the way!"

Our St. Pattys Dance, 3/14/79, EKC-0 Squares guests saw 9 squares joining our celebration. Thank you all for coming out on such a miserable night. The Dec. & Refresh. Comm. did an excellent job. A special "thank you" to Dick & Lucy Gawel, who have been on our sick list for a long time, for making that huge green sham-rock with gold glittered square dancers in the middle. We hung it in the center of the stage. We all really miss you two.

We want to welcome Dave & Sue Ernst, our new members. Glad to have you aboard.

Now that the weather will be getting nicer and that we've had such wonderful guests dance with us, let's extend our warmth and friendship by visiting the their clubs. I know they would welcome us as much as we've enjoyed having them.

Thank all you clubs and members for making our special +2 dances a success. Our May Special +2 dance will be the only one for the month. So, mark your calendar for Sat. May 19 - 8:30 - 11:00. Let's make this our biggest one yet. May 30th, Wed. Jerry Carmen will be guest calling for us. Bob will be escorting our Nashville tour but Nancy will be holding down the fort. All of you who know and have danced to Jerry, know you will have a great time, and dance. We're looking forward to having you Jerry!

"A Mother's Day Poem"

Dear Mom did I turn out the way you always hoped I would? Did I walk down that narrow road doing all the things I should?

You said be kind, be thoughtful, be helpful, friendly too!

Did I turn out Dear Mom and show respect and love for you?

"Dear Mom I hope I did!"

EKC-O Squares

Spring has brought us budding, new life all around. That includes the newest members of EKC-O Squares--our class graduates. If you didn't get a chance to meet them on the dance floor last month, you'll be seeing them in your squares from now on.

Here's a list of the graduates to help you get acquainted: Mary Lou and Dick Boss, Connie and Clarence Briner, Jan and John DeJager, Elaine and Guy DeLong, Gwen and Milton Haug, Ann and John Jones, Mary and Karl Kolva, Meta and Tom Kulp, Edna Monroe, Millie and Herman Mueller, Arlene and Jim Quick, Charlotte and George Smith, Marilyn and Edmund West.

Our club enjoyed a good time at the potluck supper with the class April 25. Special thanks go to Connie Burns for stepping in at the last minute to take charge of the arrangements. She was helped by Sally Baechle, Mary Davidson and Muriel Kosbab.

Thank you also go to all club members who volunteered as angels for the class. Ruth and Don Haefele were particularly faithful in being on hand for most class sessions since last fall.

Last month we reported on Ken Anderson's spring-summer workshop series that starts May 9, but it's worth mentioning again. Each week through Aug. 15 when Ken is our caller, there will be an hour-long workshop starting at 7:00 P.M., followed by the regular dance at 8:00. Ken also will be calling for us May 16, 23, and 30.

One correction: The round-dancing workshop led by Betty and Burt Wolcott starts half an hour before our regular dances, not at 7:00 P.M. as stated in the April "Promenader".

Si Hulse, a Kodak Park retiree and long-time member of EKC-O along with his wife, Shirley, died recently in Florida. We join all of you in expressing our sympathy.

Hope you'll all have a happy time at Dance-O-Rama and come back to our regular Wednesday dances at Kodak Office with renewed enthusiasm. Remember to always be ready with a helping hand for others in your square, especially the graduates.

May each of you enjoy God's blessings.

Linda and Mike Zavadil

Glass Slippers

On March 21 we welcomed back Betty and Ron Fotch and Joyce Tyner, who returned to the Glass Slippers with tans, leis, snapshots, and cards, and we danced to the Hawaiian beat of new numbers Ron had learned in Hawaii. Barbara and Dick Chilson, who had been missing for medical reasons, were also welcomed back. On April 4 the Merry Mixers joined us, with Ben McGilvery, their caller, and his law. They are a group of dancers who believe in enjoying themselves, and we laughed all night at their jokes and attempts to trick Ron.

Everytime we go to the market, we reflect that we have an evening's entertainment, with refreshments, for less than the price of two pounds of hamburger these days. So hurray for square dancing. Remember, May 19 Spring Dance; plan now to join us for an as usual happy square dance event. We'll have plants and baked goods to go to lucky winners and to sell. Best of all, Ron in his inimitable style will make it a night of singing calls.

Genesee Dancers

It's May again and we're looking forward to graduation time. The date is May 10th and we're hoping all those Genesee Dancers who've been lucky enough to be vacationing where it's spring, will return for the big event. Our Thursday night dances have been fun but we've noticed a rather large "dent" in our attendance. In addition to graduation, don't forget the Dance-O-Rama. Genesee Dancers have volunteered to help with ticket sales and if you can help (one hour is needed of your time), call Marion or Allen and sign up. We understand there will be some changes this year in the format and it should be fun for all.

Some of us are still on the move. Roger and Barbara Courneen are planning a trip to Japan, Hong Kong, Singapore and points East with a Kodak tour this month. Were glad to see Randy and Marion Cartwright back from Texas recently. Also, Anne and Mike Siconolfe were in Alabama and Florida for an extended visit and the Hoyts returned from Florida, looking tan and healthy.

At the Leukemia Dance in March, Genesee Dancers won a Coleman 3-gallon cooler for selling the most tickets prior to the dance. To celebrate, a delicious punch was "on tap" at the next dance.

Is our face red! We omitted the Mugaveros in the list of graduates from round dancing class. Congratulations to them and we've noted they enhance the "rounds" lately.

What square dance club president was recently seen wearing the badge of another club? Ask Marion Adking.

We've just learned that Irene Kochersberger had foot surgery and won't be dancing for awhile. Hope her recovery is rapid and we'll be missing her. Also Jack Freedland had surgery recently and we hope he also has a speedy and complete recovery.

A reminder - be sure to help when its your turn with refreshments and with the class. Being an angel can be fun!

Henrietta Friendship Squares

Our March 17th Club Dance was invaded by the Irondequoit Squares who, not only retrieved their own banner, but stole ours as well. They are a great group and we enjoyed dancing with them again.

Our annual Class Graduation Dance was held on April 7th - we'd like to extend congratulations to all our new club members who graduated with flying colors. We sure do welcome them into our club and hope they'll enjoy dancing with us as well. A hearty "thank you" to all the members who helped with the decorations, hats, diplomas, refreshments and cake, and initiation to make the graduation a success.

The "Yellow Rockers" traveling club journeyed to the Leukemia Dance in March and everyone had a super time. Some couples enjoyed a delicious dinner at the Pillars South Restaurant in Henrietta before the dance.

Remember, our May 5th dance has been cancelled in recognition of Dance-O-Rama being held on that date - come out and support Dance-O-Rama.

Tally-ho 'til we square again.

Our wandering reporters Dot and John Lembach are frolicking in the Arizona sunshine while this is being written. And past presidents Bob and Viv Bierre are in Puerto Rico selling D.O.R. tickets - at least that's what they say! Upon their return, they'll probably compare tans with Alex and Nina Anderson - just back from Florida. Why would anyone want to leave Rochester, with its spring flowers and April tornadoes!

A warm welcome to our new graduates. Your "angels", Ted and Connie Wright and Chet and Sylvia Paul, have good reason to be proud of you. It's good to have you for partners.

We are all looking forward to "Wild Bill" Wilcox's singing call Dance on May 12 - always an enjoyable evening.

And on May 19, Earl Turner will be our guest caller. Earl's a big favorite of local dancers.

Bob and Jean Weston, chairmen of our gala 20th Trail End Dance are planning a festive evening at the Country House, East Rochester, on June 9th. This committee has planned an evening which like all our Trail Ends will be outstanding.

Lima Grand Squares

This is our last column until Fall. Because of the warmer weather and longer days, we at Lima Grand Squares only hold dances through the month of May. We thank all who have come to visit us and we hope to see some of you this summer as we pay a visit to the clubs who keep dancing all summer.

Just two things are on the agenda this month. Welcome to the class who are now officially club members -- keep dancing and we sure hope to see all of you back as club people in the Fall. And - don't forget one and all, the Trail End Supper precedes our last dance which is on May 25. Hope all can be there as this is an especially nice affair. Anyone wishing to join us, just bring a dish to pass. The more the merrier - and the more food.

Until next Fall when we will all square-up on a corner on Lima, all of us wish all of you a nice, relaxing, sunny summer.

Jack of Hearts

Our new dance year has begun. We've had our first dance under our new caller, Ted Whitacre, and with the new officers on the job. The Jack of Hearts will dance the first and third Wednesdays, alternating between South lawn and Pinegrove schools. Our dance schedule continues thru. June, vacations in July and August, and picks up the baton again in September, (9/5/79).

On Saturday, May 12, look for another of our special Saturday dances with national caller Tim Scholl. We have fond recollections of the memorable dance he called for us last year and look forward to another great evening. Come join us for the evening of May 12 - - you'll be glad you did.

Many of our club couples are planning some weekend journeys to Advanced dances around the country side-- there are quite a few to choose from!

Not the least of which is our own Dance-O-Rama coming up on May 5, with a host of fine callers and Advanced level dancing throughout the afternoon and evening. See you there!

The Jack of Hearts has had its final dances with Ross Howell as our caller and it's both sad and glad we are about this. We certainly will miss his superb choreography -- a "Ross dance" is something special! But we also certainly wish him well in his Syracuse ventures. He's developed some fine Advanced and Challenge dancing in that area and is increasingly busy with his national calling travels. Best wishes from us all, Ross, and we'll see you soon, we hope!

Merry Mixers

The month of May is special for all you Square Dancers, with three big events coming up.

Wednesday, May 2nd, travel night, we will be guests of the Singing Squares at Thomas Edison School at 8:00 PM.

Don't forget the Dance-O-Rama on May 5th, at Brockport. (The big one.)

May 18th, 4th Reunion Dance, is a chance to meet old friends, in and around the Square.

May 11th and 25th are regular club dances with "Ben". He's the greatest!

What a great time we had on our travel night to Glass Slippers, Ron! I bet you never forget us -- or maybe you'd rether!! Anyhow, we had lots of fun - you're a great sport, Ron.

On April 5th, a group of Merry Mixers participated in a night of dancing at Community Hospital. It was most gratifying to note the obvious pleasure the patients experienced from watching as well as joining us in the square. Among those enjoying the entertainment was a lovely lady, Elizabeth Liccardi, one of the original Swinging Eights. She was recuperating from knee surgery and leaving the next day for Cupola Nursing Home in Brockport.

John Fenton returned to the fold after a long illness. You're looking great, John, and we are happy to have you back.

Last month wedding bells rang for Elmer and Chris Christa, Congratulations and joy for many years to come.

Happiness is dancing with the Merry Mixers!

Surely this is a beautiful time of year, with winter behind us and nothing but good things in our future. We have been enjoying many new dances and sometimes are pleasantly surprised when our callers throw some of the favorite oldies at us.

Our Easter Dance was a colorful affair thanks to our more creative members.

This month we have the DOR to keep us in trim and our spirits high. Now that all our class members have passed their finals and graduated to club status we can look forward to Spring and Summer fun on the dance floor, camping weekends, and whatever turns you on.
223-2916

Rainbow Squares

Ahhhh--- Easter and possibly spring? Oh I could write a ???????? about the Easter Bonnets (??) at our Easter Dance Parade around the hall. They were wild, elegant, funny and crazy. One thing for sure we all did enjoy it. Especially the one covering the new hair style sported by you know who. Any way Ken it really looks great!!

And with the coming of Spring comes our election of new officers on May 2, to be followed by a busy two weeks getting ready for our "White Elephant" Sale on May 16th. With our group who knows what that might bring? Well for one thing it brings us closer to our Trails End Dance on June 13th at the Green Lantern Inn in Fairport. Sorry folks this one's for our Club members only!

It's good to have you back Bill and Betty Pedersen from your vacation in Hawaii. Just know you couldn't wait to leave that beautiful state.

And now I have a note of sorrow. Duane Rubenstein, our Esteemed Historian, passed away suddenly of a heart attack on April 1. Our hearts and prayers go out to his wife Marion and his family. He will be missed by one and all.

Hope by the time you read this I will have seen you all at Dance-O-Rama.
482-9480 Dot and Stan Davis

Well, school is almost out for the class of '79. Graduation is Saturday, April 28. The students performed well and will graduate with Square Dance Honors.

We will have our Trail End Dance on Saturday, May 26. We are all looking forward to the delicious food and of course to the entertainment afterwards.

Bob and Dorothy Brunshidle and their two sons are off to Florida for the Easter Vacation. We hope they are having a good time, and will come back nice and tanned.

Our recent election gave current officers another term.

Swinging Singles

Our Progressive Dinner held on April 21 was a great success. Cocktails were at Gail Reichart's; Salad at Paula Makowiecki's; Dinner, which consisted of turkey with all the trimmings, was hosted at George Phillips'; and dessert at Jerry & Betty Carmen's. Our sincere thanks goes out to Pauline Leiss for doing such a terrific job in organizing this most delicious dinner. Following dessert we all again immersed on George Phillips' home for an after dinner party. Our appreciation goes out to everyone who helped make this dinner a most memorable one.

Our annual formal/dinner dance is scheduled to be on June 23rd. Plans for this are in the process of being formalized and it is hoped that the dance will be a big success again this year.

Congratulations again go out to all our Class graduates. We sincerely hope that you will continue to enjoy square dancing in the years to come. And many thanks to Chip Kellogg for doing such a fine job in teaching our class.

We are pleased to announce that Andy and Cindy Smith have elected to remain as Regular Members of the Swinging Singles.

WYGO Promenaders and the Belles and Beau's are invited to be our guests on Monday, May 14. We look forward to seeing you there.

Singing Squares

"Sure, and our St. Patrick's Dance was a fine one" -with Mike Callahan a callin' and eight squares a dancin'. All the officers are to be congratulated for the appropriate decorations through out the hall. Green and white streamers at the doors, shamrocks on the walls and across front of stage with white pipes. Most important of all -a real Blarney Stone in the center of the floor with a white fence around it. We welcomed visitors from Country Twirlers, Triggers, and Clover Leaf Squares. It was a good time for all, and lots of goodies at refreshment time -cakes, cupcakes, cookies and green punch. All the dancers were decked out in green also.

We have four dances the month of May. May 2nd and 16th our "Golden Voice" Al Howe will call. Mike Callahan will be on deck May 9th and 23rd. May 23 is Graduation, and our class couples will be demonstrating how professional they have become under the excellent instruction of Elwood Johnson. Let us all be there to welcome them and give them a big hand.

SPECIAL NOTICE: No Dance May 30th but June 6th and 13th dancing as usual with Al Howe calling. The place - Thomas Edison School, 1612 Buffalo Road. The time -8:00 to 10:30 p. m. Wednesday nights. We will be looking for you.

An Ancient Prayer

(To be seen on the wall of old inn at Lancashire, Eng.)

Give us O Lord a bit o'sun
A bit o'work, and a bit o'fun.
Give us all in the struggle and splutter
Our daily bread and a bit o'butter.
Give us our health and keep to make,
An'a bit to spare for poor folk's share.
Give us sense, for we're some of us duffers,
An'a heart to feel for all that suffers;
Give us too a bit o'song
An'a tale, an'a book to help us along.
An' give us our share o'sorrow's lesson
That we may prove how grief's a blessing.

Tecumseh Squares

We really enjoyed the International Dinner coordinated by the Palumbo's and Scarfone's on April 3rd.

May is a busy month for Tecumseh Squares. Our square dance class under the able direction of Jack Sadwick graduated May 1st and our members will enjoy a social gathering on May 4th at the Hidden Valley Club thanks to the efforts of George and Una Shaw. An OPEN HOUSE will be held Tuesday, May 8, 1979 at the Red Men's Club from 8:00 -10:30 P.M., a chance for newcomers to see what square dancing is like. Regular dancing will also be held that evening in the main hall. On May 15th, we expect to start a square dance class in the smaller Seneca Room at the Red Men's Club Also on the 15th, in the main hall, Stan Burdick teams with our caller, Bruce Shaw, for our second annual Subscription Dance. Come and dance and receive a Year's subscription to the "American Square Dance Magazine" or, if you cannot come, buy a ticket and still receive the year's subscription at a reduced rate. Call Jo Ann at 342-6785 for more details and see our ads in this issue for the Subscription Dance and for our early summer schedule. Summer square dances are held weekly on Tuesday evenings from May 1st through August 28th, at the Red Men's Club, 1001 Lexington Avenue, near Mt. Read Blvd. A 7:30 rounds workshop with Linda Wolf and Mike Liberti is followed at 8:00 by Bruce Shaw calling squares until 10:30 PM. 342-6785

Swinging Eights

Cheers and congratulations to our class of '79. As a result of their rapid progress in their fall and winter classes, they graduated early in festive and fun-filled ceremonies on April 5th at the Southlawn School. Before many of the club members, the class waddled through several non-basics -- the shoe-box shuffle, the elastic square, and the egg-avoidance test (blindfolded). After they received the traditional caps and diplomas, everyone enjoyed the plentiful and delightful variety of goodies provided by our club ladies. Boisterous square dancing called by Bruce Shaw and rockin' & rollin' line-dancing conducted by Mike Liberti climaxed the evening. It would be great if all of these fine class members joined our club. The present club members can help assure that by making the graduates feel welcome with lots of smiles, some kind words of encouragement, and absorbing the expected square-dance breakdowns with patience and cheerfulness. Here are their names, addresses, and phone numbers:
Albert and Florence Francione, 194 Wilmont Street, 288-4396; Roy and Linda Goodnough, 498 Lakeview Terr., Webster, 671-5123; George and Barbara Grahm, 121 Hastings Lane, 338-1748; Roger and Cherry Hartter, 1347 Robin Hood Lane, Webster, 265-0431; Mindy Noxon, 141 Boxart Street, 621-5128.

Please note that our May 19th club dance will be held at Iroquois Middle School, 150 Colebrook Drive, not at Hosea Rogers School. And don't forget to get your tickets early for our big spring finale - the Trail End Dinner Dance at the Ukrainian Civic Center June 2nd.

The "Stripper" has struck again. Yes, the Curly menace, shortly after receiving a special badge "Clutch the Slip -- Instructor" at our April 7th dance deftly created a 3-inch opening in the seam of the dress of one of the class graduates. If one more thread had been pulled, the skirt of pretty Barbara Grahm would have suddenly dropped to her ankles, but by alert evasive action she thwarted the maneuver of "The Stripper". Who will be his next victim? Even the Shadow doesn't know.

Spring is here!! We hope!! What a busy spring we all will have. We had such fun with our guests on April 10th. Thanks for coming. Hope you enjoyed it too.

The Hobo Dance was a great Success. Both class and club had fun dancing and eating together. We had some "classy" hobos and a few who need some help. The class had a lot of laughs.

Our Mystery Ride ended in East Rochester. Thanks to Pioneer Squares for putting up with us. It was a mystery to them too. Thanks to George Yuna for making all the arrangements.

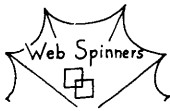

Dance-O-Rama - May 5th. Still time to join friends for a day or evening of some great dancing.

May 15th - Spring Fling at the Greece Grange on Long Pond Road next to Greece-Ridge Fire Department. We are looking forward to this Dinner Dance with class members joining us. Dinner at 6:30. Reservations are necessary. Please phone Frank Manicone, 467-0966 for information and reservations. Hope to see all of you there.

Our Summer Dances will be at Aldersgate Church on Dewey Ave. Dates will be published next month. Mainstream plus experimentals. A good review for class and club members.

Web Spinners

Congratulations and many good wishes for a future of happy dancing and very special friendships to our seventeen new graduating couples. Graduation night was an outstanding dance and everyone agreed Bill Wilcox has done a superb job teaching the basics plus.

Two of our young graduates tied the knot one week before Graduation. On April 14th Sue Schweiger and Tom Caveny became Mr. and Mrs. and with so many of us wishing them oodles of luck and happiness, they are sure to have a wonderful life together.

We have only one dance (May 11th) scheduled before Trails End. It is planned as an all-singing-calls night so relax and get to know the new couples that will be joining us. Our Trails End Dinner Dance will be held May 18th at the Firemen's Hall on Sanford Street in the Village of Webster and will start at 6:30. Although Trails End officially closes the Web Spinners' square dance season, starting Wednesday, May 23 and continuing through June there will be a workshop for all dancers, new and experienced, at the Webster Recreation Center, Lapham Park in the Village. Dancing will start promptly at 8:00.

WycO Promenaders

All you WYCO Promenaders who did not come out to the dance March 30 missed a good dance. We were the host club for the Warsaw 4-H Square dancers. They are good dancers and added sparkle for the club "grey Heads".

The nominating committee presented their slate of officers for the coming year which was unanimously accepted. The officers are as follows:

Presidents	Pat & Harold Myers
Vice Presidents	Joan & Donald Johns
Treasurers	Emma Jean & Zane Reed
Class Reps	Linda & Rick Tisdale

In February of 1978 the Club scheduled Jack and JoAnne Sadwick as guest callers. A typical winter snow storm made it necessary to cancel the dance. In order to insure that we would not have the problem this year the Sadwicks were scheduled for April 6. You guessed it another storm and another cancellation. We'd love to have the Sadwick's guest call for the club but now we are afraid of snow in July.

We are looking forward to the big event of the year the Dance-O-Rama. The tickets were obtained at the Federation meeting and are available from Ethel & Ken Marley.

Aloha, we finally have our feet on the ground, thanks to the snow and wind. The Hawaiian Islands lived up to our expectations, beauty every where. We all share many memories of our Paradise Islands. While square dancing in Hawaii, we met many dancers from the United States as well as from Canada. Thanks to Ron and Betty Fotch for making this trip possible.

Now that March has passed, we are looking forward to graduation night April 26th. Welcome new class. Our Trails End Dance will be an Ice Cream Social affair. It will be May 31st, do come and join our fun. June 14th is Hobo night, come dressed as you please. This is a box social dance, so bring a desert for two neatly wrapped. Now comes the surprise, who will be your next dancing partner?

Love Laughter and fun is something we all need. Square Dancers have it all. See you all as we promenade the hall.

Twirl-A-Rounds

One of the most organized and respected national round dance instructing couples will be in our midst for Dance-O-Rama, namely, Lou & Pat Barbee. You will enjoy the smooth dancing and easy teaching style of this talented pair. They have choreographed many of the dances that we enjoy doing.

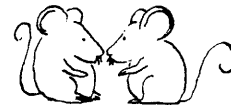

Each year we look forward to another very special event, the Trail End Dinner Dance. May 16 is the date, at the United Methodist Church, corner of Buffalo Road and Westside Drive. Punch and snacks will be available during the social hour from 6 to 7 P.M. with a roast beef dinner being served at 7 P.M. sharp. A round dance party will follow. Guests are most welcome. Reservations may be made in advance with any club member, or contact Betty & Vince Huber, 161 Wilbur Ave., Rochester, N.Y., 14606, phone 227-3962. We invite you to join us for an evening of dining, dancing and good fellowship.

May birthdays include Judi Adams, Betty Huber, John Fink and Howie DeGrave. At this time we will also mention the birthdays for the summer months: Frank Mack in June, Una Shaw and Carol Keppen in July and Dottie DeGrave and Don Tracy celebrating in August.

Three summer dances are being planned, one each in June, July and August. Watch for the flyer with specific dates and information. Once again Dot and Howie will host the club picnic to be held at their resort property on August 18. Circle the date on your calander for a fun get together.

Do enjoy your vacations, one and all. We wish you a delightful and safe summer.

Village Squares

How can an evening of 50% dancing, and 50% learning add up to 200% fun? Easily, with the Village Squares new season of dancing -- "Dance Aholics". For all of those square dance enthusiasts out there, come join us any or every Monday night and have top caller Dick Casper reinforce dancing of Mainstream 1 & 2 and experimentals. Everyone is invited to come including recent class graduates! So come on out now and plan on dancing thru-out the summer with the Village Squares "Dance Aholics".

April 16 was Graduation Day! The spirited class of '79, all 28 of them, became Mainstreamers. We wish all many happy tips.

The annual Trail End Dance will be held May 21 at Marvins Country Club. The festivities will begin at 6 P. M. with Happy Hour, and the buffet will start at 7 P. M. Dick will call squares, and Bernie Hayward rounds.

The Spring Fling was as usual, a fun-filled day. Starting with brunch and ham and flap-jacks a la' Joe Caracci. Latter we "wandered yonder" with the smooth calling of Joe Ubelacker.

Hilton's Boots 'n Slippers, Lima Grand Squares, and Newark's Kuntry Kuzzins are minus banners. Our pirates have been out rading again - and having a great time too!

'Til next time, hope to see you with the Village Squares "Dance Aholics".

Keep on dancing,
Bill and Karen Metzfield

Wayne Westerners

Hi - Here we are with a busy month ahead of us. Our sick friends are on the mend. Our club treasurer, Lorain Eaton, will have had surgery on her foot by the time this goes to press. We all wish you the best of luck, Lorain. Some of our members who have been vacationing are returning to us, all tanned and ready to go. We are looking forward to the Dance-O-Rama to be held in Brockport on May 5. It will be a first for some of us and we are expecting a great day. On May 3 we will be having class graduation, a night, I'm sure we will all enjoy. We are so proud of you, our graduating members, and hope you will enjoy continued dancing with us. Then on Fri. May 18, we will have our famous Apple Blossom dance. I guess all successful things require much effort so get in there guys and gals and work! Our square dance caller for this big event will be the well known Orphie Easson with Bob Slomcenski cueing the rounds. This will be held in the Senior High School at 8:00 PM. A real fun night is expected. We will also be having a Wayne Westerner float on the Apple Blossom Parade. On the 31 we will hold our Trail End dance at Zappios Rest-urent in Newark. Happy Hour 6:30 dinner at 7. Jeff has graciously accepted our request to call for us this night. Suppose we could twist your wrist Sally and hear from you too? Many thanks Jeff for a job well done this year.

See you around,
Cliff and Pauline Loveless

2 TIER SKIRT & GATHERED SKIRT

The following article is from the Fall '78 Issue of the FLADA Flyer, (Newsletter for Western New York & The Niagara Frontier). Thank you Dave & Dorothy Borcard, Editors, (316 Hedstrom Drive, Buffalo, New York 14226) for permission to reprint it.

The article was written by Linda Wheeler. Her husband Jim is President of FLADA (Frontier Leaders And Dancers Association). They live at 347 Rosedale Blvd, Eggertsville, New York 14226.

Who among us ever thinks she has enough square dance skirts or dresses? With a little patience and about 3 yards of material (4 for a dress) you can create a new wardrobe.

Finished Skirt Length	Yards of 45" material needed. (Add 1 yd. for bodice.)	Top Tier Cut 3 widths	Bottom Tier Cut 6 widths
20"	2 3/4 yd.	14" 13" 12"	8" 9" 10"
21"	3 yd.	15" 14" 13"	8" 9" 10"
22"	3 yd.	16" 15" 14"	8" 9" 10"
23"	3 1/8 yd.	17" 16" 15"	8" 9" 10"
24"	3 1/8 yd.	18" 17" 16"	8" 9" 10"

Choose one combination of tier lengths for completed skirt length desired. (1/2 inch seam allowance throughout.) Cutting lengths for 7", 8", 9" bottom ruffle respectively.

Sew together the top tier pieces, then the bottom tier pieces leaving one seam open on each. Gather the bottom to fit the top with right sides together. Run gathering stitches thru 2 widths, break thread and start again-- thread is less apt to break if gathering is done in sections. (You will have 2 widths of the bottom tier gathering into each top tier width.) Sew side (or back) seam apply zipper, 7" for skirt. Gather top to fit waistband. Or gather to fit your favorite fitted bodice, then sew back seam and insert zipper, 18" or 22" for dress.

Hem: turn under 1/4" twice to enclose raw edge & Stitch.

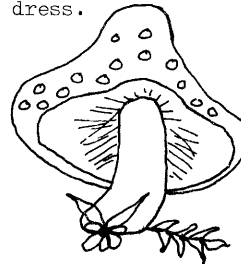

LUCKY LADY: -If you have a tucker attachment for your sewing machine, your time will be cut in half! With top tier under the presser foot and bottom tier feeding through the tucker (right sides together) you can gather and attach all in one step. Set your machine stitch length at 8 1/2 or 9 stitches per inch, then set the tucker at 6 to make a tuck in every 6th stitch. Don't fret if you get to the end and discover that top and bottom tiers did not come out exactly even. If it's fairly close, that's good enough, cut off the extra.

I also like to use the tucker at the waistline for a very smooth gathered look. Set the machine at the longest possible stitch length --6 (maybe even 5); then set your tucker for 1 (a tuck in every stitch) and go slowly. Pin to bodice or waistband, and if the skirt is a little too small to make ends meet, clip a stitch here and there to fit.

The bodice of any dress pattern can be used for a square dance dress. Be sure to allow for opening the back seam for zipper.

One more tip: If you are attaching the skirt to a bodice to make a dress, I have found that raising the waistline on the bodice by 1/2" to 3/4" works out well to alleviate the problem of 16 layers of petticoats, Pettipants, panty hose, etc. all meeting in that one part of the anatomy that we like to keep looking slim.

You can make a plain gathered skirt out of 3 or 4 widths of material cut to the desired skirt length (allow an extra inch for 1/2" seam at top and bottom). To get bottom fullness without thickness at waist, make a series of pie shaped darts about 3" at the top and 8" deep with six inches between the darts. Cut out material from darts and then gather in sections. Attach to waistband for skirt or to bodice, as suggested above, for dress.

*Whatever women do they must do
twice as well as men....
to be considered half as good.
Puckily, this is not difficult.*

When you're in a set,

1. NEVER talk during a tip. It's just plain bad manners to interrupt another person - the caller. Talk with a smile only.
2. NEVER, NEVER talk during a walk thru. The caller is attempting to assist someone. You don't have to listen if you don't want to, but do allow the other dancers to listen.
3. NEVER be "pushy" even though you know the call and the others don't. Better the set breaks down, than to offend someone by pushing! There's a vast difference between guiding and pushing. If you are guiding a person properly, only you and the other person should be (only slightly) aware of it, NOT the whole set!
4. NEVER forget you're a square dancer!
