PRESIDENTS'

CORNER

by
-Orlo Hoadley

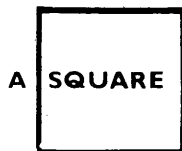

The leadership Meeting sponsored by the Federation and the CCR on December 02 was very successful. The turnout was good, the discussion was lively, and the dinner and dance afterward were much enjoyed. Besides the topics discussed during the seminars, one of the big advantages of a meeting like this is the opportunity for people from various clubs in the Federation to get together, get acquainted, and compare notes.

One of the main discussion topics was the recruiting of new members for our beginners' classes. There's another very important kind of recruiting, and that is recruiting from the members of our clubs the people who are needed to run all of the activities. Think for a moment of all of the things that must be done, for your clubs, your Federation, your Dance-O-Rama, and the PROMENADER that is edited, printed, and circulated for your benefit. There have to be people for the overall direction of the organizations, people to take care of the club arrangements with their classes, people to arrange for callers and see that there are places to dance, people to take care of the money that none of these organizations can run without, people to keep records and maintain communication within the group and between groups, people to serve on such committees as---whatever their names might be in your club---; refreshment, greeting, house, decorations, membership, sympathy, special party committees, etc., etc.

A few years ago it wasn't too hard to find dancers who were willing or even eager to accept the responsibilities of a management job for the sake of the prestige and personal satisfaction. There are rewards besides the compliments and thanks: becoming a part of a close-knit and smoothly-operating group (as we hope all of them are), the sense of accomplishment from accepting a job that needs to be done and carrying it out, the feeling of being one of a core of people that makes things happen (even if what happens is only that the group continues to run smoothly), and at least one fringe benefit, that you go to the head of the buffet line at parties.

Lately though it seems that attitudes have changed, and all too often the job of a nominating committee is mainly to beat the bushes for people who can be persuaded to take on the responsibilities of an office. There are a few familiar reasons for refusing. The most legitimate is probably "We have done our share; it is time for someone else to take over." Other good reasons are frail health or spending a large fraction of the year in another part of the country. We also hear "We can't because we have too many other activities," or "We belong to another club too, and they need us more because they are smaller." In my opinion, people who accept the benefits of membership in a club---Square-dance or any other type club---should also accept the idea that they are responsible for their fair share of the personal services that the club must have. The next time you are approached to take part, please ask yourself very seriously how good is your reason for saying no.

Perhaps part of the problem is that some of the jobs are too demanding. If so, it might be a good move to split up the duties and spread them around over more people. If things get too bad, I can suggest one ultimate solution: Blow the club treasury on one big final party, and then tell your caller "From now on, you're in charge. You run the club and we'll pay you to come and dance." As a matter of fact, there are quite a few caller-operated clubs around the country. But before you do that, you'd better check with your caller and find out if he - or even more importantly, his wife - wants to take on all these responsibilities that nobody else does.

And soooo the holidays and parties are over, and here I am trying to write my February column while fermenting sugar plums are still dancing a round in my head.

Well, what's going on now? Oh, I know, I read that there is still some Streaking going on. These are some of the bare facts.

Streaker crossed field at soccer game, they should have put a net over him. Stupid Streaker streaks thru Nudist colony, no body noticed him! Did you read about the troubled married couple who joined the Nudist colony to air there differences?

True story: Doralyn Hill, of Belles N' Beaus, was on a uptown bus, in front of Sibleys. Streaker came in the back door of the bus, ran thru and out the front door. The bus driver turned to Doralyn and asked her if she would be able to identify him. Doralyn said, "Sorry, I didn't see his face!"

I feel I must warn you that some of these "Streakers" may run thru your set one night. There are three things you can do if this happens.

First, you can close your eyes and have the rest of the set describe what they saw. You can depend on this because you probably will be the only one with your eyes closed.

Secondly, you can keep your eyes open and watch the expressions on the other dancers faces, also the interesting expressions on the "streakers" as they are going away.

Thirdly, you can join them! If you do this, do not, "streak" in your own set. You will just go around in circles and won't be widely appreciated in the end. Also, your husband or wife, whichever, will try to stop you and will probably want to cover up your head. Sooooo the best thing to do is to "streak" thru the other sets in a straight line, continue out the door and catch the Amtrak to Chicago. This way you won't be involved in no cover up.

Hope I haven't shook you up too much with my advice as I hate to dance in a nervous set. You never know what might happen with everybody up tight. The caller could call "Peel off" and wow!

You say it will never happen, well I'll tell you something that may happen. I may join them and streak thru the sets. If I do, you will be able to recognize me. I'll be the one with Jockey shorts on!

Chickenly yours,
-Hal Abberger

LETTER TO THE EDITOR

Recently, I attended a dance at a local club, of which I am a member, and observed one of the most appalling breaches of square dance etiquette I have ever witnessed.

Three guest couples, who I might add, have been attending regularly for the past few months, proceeded to form a square. The caller, via his microphone, made known the need of one couple to complete their square, as did the other dancers by clapping their hands to accentuate the need of another couple to join in the dance.

I couldn't help but have mixed emotions as these three couples had to leave the floor. I'm sure they felt anger and humiliation, while I was disgusted, shocked, and furious.

Incredible, that members as well as some past and present officers would sit on the side lines and let this embarrassing situation occur. Accolades to the guests who stayed after such an ordeal; and a book on "How To Treat Your Guest's and Gain New Members" to the club.

Thank you.

The CALLERLAB Quarterly Movements Committee announces that for the first quarter this year (Jan. Feb. and March) there will be no movements selected. In lieu of a choice, the Committee suggests work by callers and dancers on trouble spots in the Mainstream plateau and on recent Quarterly Selections.

The following is one of the current QS.

EXTEND (The tag) by Jimmy Davis

The present use of EXTEND THE TAG is best described as the ability to move from one ocean wave formation to another wave formation. All dancers in the ocean wave will step thru and form an ocean wave with the couples they are facing. If your extension leaves you facing out, then remain facing out... The action is most common from a wave between two couples as in the formation set up by having the Heads Pass The Ocean. It may also be used after a fractional Tag The Line figure to extend into a different formation.

BECOME A BETTER DANCER
by Jerry Carmen

APD - those three letters seem to be a focus of controversy among callers and dancers today. If you are not familiar with these letters, they mean "All Position Dancing". On further investigation, I realize that the people who turn their noses up at the term really do not have an in-depth knowledge of the mechanics of modern square dancing. In simplified terms, APD means being able to execute a call from anywhere you might be in the square and end up in the proper formation facing the correct direction. Before CALLERLAB made the term APD popular, we used to refer to it as knowing your basics.

APD has always been with square dancing in some form. Some traditional contra dancers have RIGHT AND LEFT THRU executed with two boys facing two girls. I would say that everyone who square dances, dances some APD in a limited form. For example, if you can do two swing thrus (double!) in a row or if you can do a WHEEL AND DEAL from a line of two men next to two girls, you are dancing some APD.

Whether you realize it or not, some of the subtle challenges and fun come with the caller's ability to put a little variety into the same old stuff. I can think of the fun my square had years ago when the caller said, "Four girls forward and back, dos-a-dos to an ocean wave swing thru, etc." Then it was the men's turn! Those little things were the frosting on the cake for me and the part of what made the evening fun, interesting, and different from all the other evenings.

Yes, the caller, to be effective, must be an expert judge of the floor and be able to determine the dancers' ability to handle such variety in the basics. It can be very frustrating when your square constantly breaks down during the evening. If APD is introduced slowly and with love, a club caller can add fun and variety to the evening without teaching all those brand new calls that everyone forgets all too quickly anyways.

As a dancer, you owe it to yourself to learn how to do the simple basics such as Square Thru, Swing Thru, Circulate, etc. from your partner's position. By doing so, you will be more confident in your dancing, and increase your enjoyment and interest in the activity.

Caller Profile

Mike Callahan

Mike started calling in 1960 when he was thirteen years old. In those early years of his calling career he was club caller for the Skirts 'n' Shirts, a teen club, and did a few guest calling dates for other teen groups as well as a few adult clubs in the Rochester area. While Mike was attending St. John Fisher College (1964-68) he began calling more and more for area clubs and started branching out to the Central N.Y. region as well as the Southern Tier.

Shortly after graduation from college, Mike started working for Lincoln First Banks, Inc. in the management training program. He was drafted into the U.S. army in 1968 and, after training in Oklahoma, he was sent to Germany for 18 months. There he did some occasional guest calling for the Soest Belles & Beaux in Soest, Germany.

After the service, Mike resumed his banking career and became an assistant branch manager for Lincoln First. He married his wife, Wanda in July, 1971. In 1974 he decided to leave the bank and devote full time to his calling.

At present, Mike calls for six clubs in the Rochester area, teaches one class and runs his own + 1 and 2 workshops as well as an advanced club. He has been booked for guest dates and festivals in 16 states and Canada. He also calls during the day under private contracts for different area senior citizen groups, school districts, and as a recreation consultant for the Office of the Aging. He has attended four Callers' Schools and is a member of Caller Lab, active on the Quarterly Movements committee.

Mike and Wanda live in Hilton, New York with their twin sons Patrick and Shawn and new little girl Lindsay Laura.

HAL-E-TOSIS

Have you seen this Square Dancer? He seems to be a real dummy as he doesn't say much, and, oh, what he does to the set he's in! (Mr. Abberger, you've met your match!) A note in his shirt pocket reads:

"My name is Hal-E-Tosis. I am a badge thief and I am traveling around the country. I started out at the 1978 California State Convention, and I would like to be returned to the 1984 California State Square Dance convention.

Will you allow me to steal a badge from your club and then let me travel on to visit other Square Dance Clubs?"

His travels can be traced by the badges he sports.

Belles & Beaus

All members of Belles and Beaus wish to thank Mike Harris and his board for a job well done in the previous year. The new officers are: Presidents-Ed and Fran Tongue, Vice Pres.-Lowell and Mary Lou Burke, Secretaries -Robert and Ermaline Balsis, Treasurers-Ed and Doris Haddleton, Directors-John and Jane Donavan and Ed and Joan DeTamble. Senior Federation Representatives-Walt and Bev Smith, Junior Representatives-Russ and Ethel Heffer.

The Christmas Party was held at the Redman's Club this year. It was very well attended by club and class. Everyone was in a Holiday Spirit and a good time was had by all. Charlie and Betty Podgers were given a life-time membership to the club. They have been married 55 years and danced with our club for quite a few. We are looking forward to many more years of their company. The centerpieces were dolls made by the women of the board with Gen McNulty as the leader. They were all won by members

Congratulations are in order for two of the couples in our club. Joe and Gen McNulty, no relation, and Christel Rinas and Dick VanHook tied the knot this past month. Many happy returns from all of us.

There are two events coming in February. The first, a Pot Luck Supper on February 18, 1980 at Greece Grange on Long Pond Road. The second, a winter party at Webster Park. The one at Hamlin Beach last year was a big success, and I'm sure this one will be also.

By the time this is printed Frank and Katie Heindl will be back from Arizona where they spent three weeks touring in a rented Motor Home. They expect to team up with Hoby and Ida Herron, former Bells 'N Beaus who now live in Payson, Arizona.

This is all from these reporters. There will be new ones next month.

The December 21 Christmas Party was a great success with the exchange of gifts and a lot of good dancing. Santa got hung up at the North Pole so Mike Callahan gave a helping hand to get the gifts distributed. Mike really gets "wrapped up" in his work. We noticed on New Year's Eve he had some time getting "unwrapped". About forty couples danced and ate their way into 1980 at the Masonic Temple in Spencerport.

New officers were installed on New Year's Eve. They are: Roger and Sally Baldwin, President; Jim and Shirley Hushard, Vice President; George and Juanita Leidecker, Treasurer; and Jerry and Diana Scrivens, Secretary.

The Blizzard Ball on January 12 will be history as you read this article. I sure hope you didn't miss the fun. We're looking forward to the Valentine's Dance on February 15 (Al Howe is calling). Several of our folks are planning Mid Winter vacations that will take them to sunny climates. Spring is not far away so forget the winter blahs and come out and dance. A new feature at most of our dances is a drawing.

Thank you, and here's to a great year.

This is a brand New Year, it's true
But the end of last year was a hullabaloo.
We danced on the 8th with the 'Rondequoit Squares
And Santa* brought laughter and presents to share.
Just before Christmas we danced up a storm
And Callahan paced us so that we'd stay warm.
Santa** again did his gift-giving thing
As we saw out the year with this last festive fling.
All together, we all had a ball
Sincerest thanks go out to all.
Looking ahead to February nine--
Join us and 'Be My Valentine'.
Our guest caller then is still a mystery
But when it's done 'twill all be history.
Last but not least, a secret still to hide
The eighth of March brings our Mystery Ride.

Diamond Squares

1980 is in full swing. What better way to forget the many problems that confront us than to put on our dancing shoes and enjoy the music, exercise and friendship we share when we "square up".

The January 30th dance will be a very special time. The Nasellas, the Franciones and the Manicones are planning an "Italian Night". Don't eat too big a dinner before you come because at 9:00 we will be eating pizza and pop. A collection of \$1.00 a person will be taken to cover the cost of the food. Do you suppose Bob Ellis will call a tip in Italian?

February 13 is our Valentine Dance. The Hearts and Flowers special is being planned by the Hathaways, the Johnsons and the Neebes.

Notice the number of couples that share the responsibility for making Diamond Squares such a special Club.

Bob's APD Workshop started on Thursday, January 24th. He will be teaching all position dancing the fourth Thursday of every month. Workshopping starts at 8:00 at Covenant United Church at Culver and Parsells.

Bob and Nancy Ellis are sponsoring a weekend trip to the Poconos the last weekend in April. Three bus loads of square dancers will leave Rochester on Friday, April 25, at 9:00 AM and will return to Rochester late on Sunday, April 27. Make your reservations now. Call Bob at (315-526-5282) for information.

Couple of the Month: Hank and Marge Nasella. Hank with his chick-a-chick-a chick and Marge, with her boundless energy never skip a dance. They arrive early and help set up and always stay to the very end.

LEADERSHIP CONFERENCE

by Gerry Prister & Maryln Dailey

Enthusiasm and cooperation prevailed at the joint GCR - Federation meeting December 2. Twenty five clubs were represented by 130 people.

The controversial subject of regional classes was approached unhesitatingly. Florence Frost, Mary Prado, Mike Callahan, and Jack Sadwick comprised the able research committee. Following are points they presented:

PRO. -class exposed to more than one caller, -car pools could be used, -classes may reach more city people, -help clubs financially, -larger group would have better spirit, -meet more class people for more social contacts, -class would not feel obliged to join a certain club, -class would get to know people from other clubs, -instruction would be standardised, -the graduates of combined classes have enjoyed the experience in the past, -combining classes may make it possible to have a class, -have to have one good teacher for continuity.

CON. -travel, -class tends to follow their first caller, -coordinating assignment of angels (equal number from clubs), -class might have difficulty differentiating club identities, -difficulty in splitting costs, -caller would have to be able to control angels putting in their own "variations", -what would be done about slow learners,

Don Pratt, our caller, has run a series of pre-dance workshops during the half hour prior to our regular dance. Those attending have found the workshop very helpful. Our hats off to Don Pratt.

The club's annual Christmas dinner was capably supervised by Art and Lucy Mastellar. As usual, the food was delicious and oh! that cheesecake.

While our regular caller, Don Pratt, underwent medical tests in Buffalo, the guest caller at our January 11th dance was Charles Valent. He regularly calls for the Gingham Squares in Montour Falls. Proceeds on this night went to the Bob Howard Dancethon held in Mass. to raise money for cancer research.

Mike Callahan will call at the March 9th dance (2-5 PM) at the Geneva J.H.S. on North Street. Rounds will be cued by Debbie Wilkenson.

Our fashion show is scheduled for March 15th and it will be presented by Peter's Square Dance Shop from.

Hope to see you at one of our dances.

Our Christmas party and pot luck dinner on December 22 was great fun. The class members joined us and really showed they are doing terrific. We also had a ball with an exchange of grab-bag gifts, and Pat, jolly old Santa himself was there to do the honors of handing out the gifts, raising his beard to kiss the girls. A little extra dividend, right Pat?

At the meeting, on the same date, our new officers were elected; Audrey and Paul Peterson, Presidents; Jessie and Ray Allig, Vice Presidents; Marie and Howie Sievert, Secretaries; Gerry and Florian Sabolewske, Treasurers. May they be as successful as last years officers were.

It's time for our annual class level dance, the Presidents Ball, on February 9th at Roth High School, 4000 East Henrietta Road. Ben McGilvery, our caller, always makes it one of the big FUN dances of the year. Come and join the crowd. Have a ball at our Ball.

Genesee Dancers

Greetings to all our friends and members from your newly elected officers! These officers are: Presidents-Dave and Sue Ernst, Vice Presidents-Dick and Naomi King-sley, Secretaries- Lynn and Margaret Fogg, Treasurers-Allan Vroom and Marion Adkins, Program Director- Verne and Mary Kailburn.

Many, many thanks to our out-going Executive Committee and all their workers for a super year and a job well done in 1979.

We had a gala evening on the occasion of our Christmas Dinner Dance. Class members felt welcomed and enjoyed the evening of dancing with the Club. Previous to that the Class had a box lunch dessert exchange for their holiday party and learned what good cooks abound in their group.

During the holiday season we had some special visitors at Genesee Dancers which included Carolyn Bastian, recovering from an automobile accident; the Sessos - visiting from merry olde England; and, of course, the Steinmillers, who have returned to our shores from temporary assignment in England also. It was great to see some of "our regulars" again. However, as per usual for this time of year, we had many couples away visiting "warmer climes" and these included the Sparks in Virginia the Siconolfis in Alabama, and the Mastrellas who spent New Year's Eve in Florida.

Congratulations to Mike and Wanda Callahan on their new addition - (only one this time?) - a baby girl, born about 10:00PM on January 10. Jerry Carmen filled the empty spot at the mike that evening. Thanks Jerry.

Harold Conklin remains on the sick list but we hope to see him up and about soon and back to dancing. Ditto for Leo Marcoux, who's been out of work because of a pulled muscle, and Billie Hembrook, who recently underwent surgery at Parkridge Hospital for a torn retina.

To you all- our sincerest wishes for a happy and healthy best-ever New Year.

Thanks to the Copy Cats and Mike Callahan for joining us at our Poinsettia Prom. It was a wonderful way to start the Christmas Season. Thanks also to the Zinni's for inviting the club to their home after the December 22 dance.

The New Year's Dance hosted by the Coco's (who wore their Beautiful Hawaiian Wedding outfits) was a tremendous success and enjoyed by all. Many came in their colorful Hawaiian Clothes and this added to the colorful decorations. Ben McGilvery introduced a new call "Aloha" the Hawaiian version of "Yellow Rock". The new decade was welcomed in to the music of the top ten singing calls of the 70's.

Congratulations to our new officers elected November 24, 1979. They are: Presidents: Bob and Marion Van Bortle, 851 Partridge Lane, Webster, New York. Vice Presidents: Ed and Ginny Penczek, Treasurers: Don and Norma Kreiss, Secretaries: Nelson and Nancy Coco.

February 9th is the date of our annual Valentine's Dance. This as usual will be a gala affair with good relaxed dancing for club and class members. This is a wonderful opportunity for all clubs to bring your class members to dance to "Wild Bill Wilcox".

Bob Ellis will be calling for the Irondequoit Squares and their friends on Saturday, Feb. 23rd.

Thanks to John and Dorothy Lembach for the outstanding job they did reporting for our club to the PROMENADER. We hope to do as well. Happy New Year to all!

Jack of Hearts

Happy New Year, all! It was a holiday season full of fine dancing as well as other pleasures and now we look forward to the '80's and all the good dancing that will be coming our way.

Our Jack of Hearts class is well along with their lessons in the Advanced basics, as they showed us so well when they joined us for our traditional club-n-class holiday party in December. We're looking forward to another special dance with the class in February (see below) and to they're joining the Jack of Hearts after they graduate in March. This class is noted for their camaraderie and enthusiasm which make them such fun to be with.

This class enthusiasm and their accomplished dancing is due in no small part to a very fine teacher, for Ted Whitacre has come to have that designation. And his reputation as a caller of high level square dancing has grown as well, as evidenced by the increasing number of requests he's had to call for out-of-town dates. Yes, Ted, we do think you're great, in spite of all the jests and (good-natured) comments that come your way. A special wish to you and Sandy for a very good New Year!

Our club calendar shows these special events coming up: (1) Wednesday, February 6th at 6:30, a Valentine-Dinner-dance. Bring a dish to pass. (2) at our February dances, the new nominees for club office will be presented and voted on. (3) Annual meeting, coming up in March.

That's all for now.

LEUKEMIA DANCE REPORT
APRIL 18, 1980

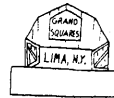

Once again plans are under way for Leukemia Dance 1980. This years' dance will be held at Sperry Senior High School, Henrietta, New York. Come, join us on Friday April 18th, from 7:00 to 11:00 P. M. And have a fun filled evening dancing to our own great callers and cuers.

Work is progressing nicely on a beautiful handmade, earth-tone quilt, that will be given away on the night of the dance. Tickets for both the quilt and the dance should be available thru your club this month. Again this year a special prize goes to the club selling the most pre-dance tickets.

This years' dance theme will be "Clowns of the Circus"! Please remember when seeing a clowns face, that it is a symbol, of how children with leukemia/cancer may be jolly and happy with no sign of hurt on the outside... yet on the inside they are crying... crying for help. We as square dancers have an opportunity to help these kids, just by coming to the dance.. and at the same time we will be having a great time! Look in next month's PROMENADER for more information.

Save the date, April 18, 1980!

Lima Grand Squares

Along with the coming of the New Year, the election and installation of our new officers is held. So, for the 1980 Square Dance year our presidents will be Gary and Anna LaShomb, vice-presidents Ralph and Vera Keyes, and Secretary/Treasurer Paul and Barbara Kolstee. Best of luck to them in the coming year and I'm sure the club will give them their support by attending as many dances as they possibly can.

When elections are held, it means the end of a term for the old officers. Don and Eleanor Trescott, our ex-presidents, did a tremendous job. At times, the going was rough, but they did sail through with much success. Their back-up was Todd and Katy Travis and Jon Gray as vice-presidents and Vince and Kathy Guerin as Secretary/Treasurer. Thank you all for a job well done.

It seems funny to be writing about the New Year's Eve party in February, but the combined dance-breakfast was a big success. We enjoyed seeing so many visitors and hope to see them again. Thanks go to all who helped with the breakfasts - Lou and Rita Lambert and Eleanor Trescott didn't even spill an egg. Also thanks to those who help put up the decorations, especially Paul Schroeder who prepared and blew-up the big bag of balloons.

I seem to be jumping about this month, but I do now want to invite all club and class members to our Valentine Dance to be held on February 8. Do call your favorite sweetheart and come to Lima Town Hall to join in on the fun.

Before ending the column, I do want to mention the fact that our club was honored to have our charter members, Everett and Florence Kingsley, at both our Christmas and New Year's Dance. It is our pleasure to have them attend and dance with us.

Happy dancing for 1980.

Merry Mixers

The Christmas season is now over and we can look forward to a new year filled with various special events, the first being the 10th Anniversary/Valentine Party on February 8th. Our St. Patrick's Day dance this year is March 14th.

The new officers and committee members for the coming year are as follows: President-Cecilia Dengler, Vice President-Edger Wardwell, Secretary-Ruth Statt, Treasurer-Terry Veniskey, Publicity-Joan Schneider, Federation-Mike Ford, Nancy Donald, Membership-Alice Fegan, Rita Sullivan, Hospitality-Rose Szastak, Marian Burkhardy.

So, good luck and let's all work together offering any suggestions or assistance to make our club grow, have new life and a successful year.

Alice Fegan met with an unfortunate accident! Fractured her arm. Sorry Alice. We hope you are better by now. At least it won't keep you from dancing.

Hello Lenny-get out of the hospital and join us soon. We miss you!

Frances Ungerer and Georgia Dennis are spending the winter in Florida. Sounds great, almost as good as spending the winter in Hawaii. Rosemary and yours truly made a short visit there early in December. It's magnificent!

Now, I'm handing my pen to Joan Schneider who will be reporting for the PROMENADER in the future.

Happiness is dancing with the Merry Mixers!

Promenading B's

If you missed the B's last month, maybe you happened to catch the Wyco Promenader's article that mentioned their mystery ride for November 16, and a surprise that was in store for the club of their destination. It was the B's and their turkey dance that they landed at, and the B's became the "Happy Hosts" of one world traveled square dancer; namely Hal E. Tosis. He spent several weeks with us, visited our dances and in December we took him to be the guest of Tecumseh Squares. We wanted to help him get quickly on his way back to California and visit as many other clubs as possible on the way.

On to February when we will be dancing each week (Friday) at the Byron-Bergen Elementary School. On the 15th, we will be celebrating Valentine's Day with Betty emceeding her "Oldy Wed Game". She's done this in the past and everyone enjoys it.

Frank and Rosalie Price and Fran Badduf from Batavia and Lou and Karen Root have been dancing with us since fall. Now in February, they will be joining the B's as members. Welcome to all of you, and good to have Duke and Bev Hess back on the dance floor squaring up again.

January 14 found class couples from Country Twirlers and Glass Slippers on the floor squaring up with the B's class couples. Good to see such a big class group all in one place. Thanks Ron for inviting all the classes to join us, and for your usual good job calling for class and club. Thanks also to so many of the club members who have been coming out early to help with the class. You truly are "Angels".

Bye for now, 'till we meet on a corner.

Singing Squares

November was a month of special events for Singing Squares. The 14th brought Al Howe back to the caller's platform. He kept our feet flying and petticoats swirling to his lively calls. November 21st (turkey night) we were pleased when one of our guests from Country Twirlers won the turkey. November 28th was very special. Singing Squares designated that dance in memory of my husband, John. Area clubs were invited and the large attendance was heart-warming, indeed. Again, a big thanks to all of you.

Mike Callahan celebrated his birthday December 12th. We got "Birthday Boy" in the center of a big circle, and gave our very best rendition of the Happy Birthday Song. The Christmas Party December 19th was a festive occasion with beautiful decorations, a delicious dinner and a "yummy" Christmas Cake - made and beautifully decorated by Liz Andrews. Santa came with gifts for everyone. Mike Callahan received his favorite cheese - Limburger - phew! And El Johnson will now retire in some far away place - once he cashes in his gift - which was a gold brick.

January 2nd, our New Year dance gave everyone a good start for 1980. We will be dancing February 6th, 13th, and 27th. Our Valentine Dance is February 13th, and is for class and club. Mike Callahan will be the caller for all dances in February. Be sure and get your sweetheart lined up for February 13th. Come to Thomas Edison School, 1612 Buffalo Road. We dance from 8:00 to 10:00 every Wednesday night, with refreshments at the end of the dance. We love having visitors join us.

Swinging BB's

Hope everyone is holding up through our wonderful winter weather. Hopefully the cold will keep everyone dancing.

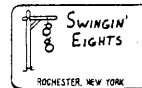

On Saturday, January 19th, we held our first "Beat the Blah's" Dance and it certainly did beat the blahs. Everyone had a great time. If we had a "blah" dance every week there would soon be no such word.

We are looking forward to Valentine's Day, when we can all surprise our loved ones. Rumor has it that Cupid is going to pay us a visit. Maybe he will visit your club too.

Don't forget the contest we are sponsoring; the club that visits the Swinging BB's the most, will be given a party the 29th to March. The competition is growing so get in there all you clubs. Until next time, Keep on dancing.

Swingin' Eights

You asked for it - you got it - a great Christmas Dinner Dance - bountiful food, beautiful decorations and gifts, good dancing, and a hearty welcome for a large and friendly class. Thanks committee and callers. Traditionally the Christmas Party features the installation of new officers. Before the changing of the guard, everyone showed their deep approval for the fine year we had under the excellent leadership of presidents George and Rose Bauerschmidt and all of the other outgoing officers and committee people. Here are our officers for the new year: President- Tom and Ellie Anderson 671-4779, Vice President- Joe and Loretta Giaconia 266-1707, Secretary- Burt and Barbara Rosik 342-3788, Treasurer- Ed and Linda Allen 482-1810, Federation Representatives- George and Dorothy Riesenberger 288-8565, Membership- Roger and Frieda Tellier 671-4762, Roger and Cherry Hartter 265-0431, Refreshments- George and Barbara Graham 338-1748, Jack and Rita Kennelly 544-5332, PROMENADER Reporter- Ed and Jo Schipper 544-5267, Newsletter- Gordon and Helen Skinner 458-1217. Let's give them all our assistance and support.

Some people driving past the Ivan Green (Whipple Lane) School on the nights of December 29th and January 5th reported that it appeared the walls of the gym were bulging. Maybe it wasn't their imagination - we did have super crowds at those dances. At the Ice Cream Social our alert Refreshment Committee narrowly averted disaster by contacting a few cows and bringing in more ice cream to provide sundaes for the hungry multitudes. Three generations of one family were dancing in one Square: (1) Curly and Terry Crane (2) Ed and Linda Allen (3) Mike and Paul, sons of Ed and Linda. Hang in there, Curly and Terry - stick around to make it four or five.

Don't miss our Pot Luck/Sweetheart Dance February 16th. Bring a dish to pass plus your own place setting at 6:30 PM.

Tecumseh Squares

Our second square dance class of '79 has graduated in fine shape thanks to the good job done by caller-teacher Jack Sadwick and his wife, Jo Ann. The welcome new graduates, Art and Ruth Bittner, Ken Ford, Jo Giangregorio, Fran and Betty Kinzel, Ed and Flo Rebholz, and Julie and Scotty Wallace to Tecumseh squares and the world of square dancing. A warm welcome back to Nick and Anne Andreal and Scot and Sandy Camshell who came to classes to brush up on their skills.

January 22nd, four days after our 9th Annual Beginners' Ball, was the starting date for our first square dance class of 1980. February 4th, the class will close to further enrollment. If you wish to learn to square dance or brush up your skills, join us Tuesday, February 4th at 8:00 at the Red Men's Club, 1001 Lexington Avenue.

Donation is \$3.50 per couple per evening. For more information, Call JoAnn at 342-6785.

We have a new member - temporarily - a Christmas gift from Belles 'n Beaus. His name is Hal E. Tosis, a life size replica of a "badge thief". He began a ten year in California in 1974 and has acquired many badges from Arizona, Montana, Pennsylvania, Australia, and points in between on his way to Rochester. Bob Vincent, who engraves badges for Tecumseh Squares, engraved one specifically for Hal as a courtesy to the club. With the addition of the Tecumseh arrowhead, Hal will continue on to Watertown in March. It will be fun to follow his travels on his way back to the California State Square Dance Convention in 1984.

A reminder to members - Saturday, February 16th, from 3:00 - 5:00 is the family bowling party at Red Men's Club sponsored by Tecumseh Tribe and Tecumseh Squares. The cost is \$2.00 per family. Bring table service, and a dish to pass for the pot luck supper afterward. Sign up at dances or call Jo Ann at 342-6785

Swinging Singles

Happy New Year to all from the Swinging Singles! Whew! After the busy holidays, it seems good to be back dancing again. We had a demonstration at Maplewood Nursing Home on the 16th of January, with George Phillips calling. Everyone had a great time dancing for the patients and feeling quite a bit of satisfaction.

Our Amateur Callers Night was January 21. The response was terrific and all involved had a really super time. Nobody seemed too nervous, though.

We are looking forward to Moonlight Bowling Valentine's Dance and T-shirt night, all coming soon. Plan to dance with us at Swinging Singles soon.

HICKS AND CHICKS

January marks the beginning of an exciting year for our club. Also the beginning of a year in office for Sharon Swingley, our new president and George Bauerschmidt, treasurer. We thank Jamie and Joannie Roth for the excellent job they did last year in overseeing everything.

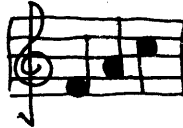

The members of our new class are: Kim and Kevin Hartter, Lisa Kastner, Laura Keeney, Debbie Pelton, and Kin, Terri and Tammy Whitacre. They are all doing well and are welcome additions to our group. We will be dancing twice a month for the rest of the season and our schedule is now in the calendar of dances.

Members of any of the other youth clubs are welcome to attend any of our dances and we also welcome any adult square dancers who would like to join us for an evening of fun dancing to Ron Cole.

CLUB and CLASS

Triggers

The new year and decade is off to a good start and so is our new class. Let's keep it that way, ok?

Bow to your Sweetheart, February 12th, our valentine party. Join the fun, wear a flower, wear red, oh go all the way and wear a red flower.

"Make new friends but keep the old, one is silver and the other gold". With this thought in mind, we are having a club reunion February 19th. If you are an alumni of Triggers or know of one who is, don't be blue, come and renew. It should be fun shine and dance together again.

This time of year the weather outside can be quite frightful. The dancing inside will be quite delightful February 26th with our guests, the Singing Squares, Merry Mixers, Web Spinners and the Village Squares.

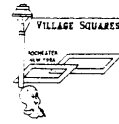

This month is supposed to be quite busy it seems like something is missing, is it you? Is anything new? If so call you know who.

PROMENADER Appreciates ...

Hal Kiltbau and Gerry Prister for helping out with this issue in very special ways.

Village Squares

"Good-Bye, old year and "Hello, New Decade"!

1979 never slowed down - It ended with just as much going on as when it started. On December 2nd, two full squares took over the recreation hall for the senior citizens at the Ridge-Hudson Towers. The residents danced in three of the seven tips called. When it was time to go, caller Dick Casper and the club dancers were pooped, but the "Seniors" were still raring to go. Kind of says something about "Youth".

Our thanks to Carl and Ida Bundschuh. Their efforts made our Christmas dinner dance on December 17 at the Green Lantern Inn a rousing success. After a super supper, the new officers for 1980 were introduced. Dave and Joyce, "The Boss" Smart, Presidents! Last year's PROMENADER Reporters, Bill and Karen Metzfield, took over the Vice-Prexy Spot. Dick and Jackie McCray were named to the Secretary Role and Bob and Shirley Sherman became our new Treasurers.

Our Christmas party is also the first time that our club meets the new class and vice-versa. Look out square dance world when this bunch graduates. They make last years class seem quiet and sedate.

Welcome back to Hall and Ruth Downey. This lively duo has just returned from three weeks in Georgia and Florida (nice to have a tan in January).

Coming up on February 11th, is our Valentine's Dance. It's a Club and Class venture featuring a pot-luck supper and three hours of dancing.

Before we sign out for this month, remember, keep open March 8th, and March 16th.

Hope to Relay a Deucey and to Flip a Diamond with you soon.

Thank you, to our outgoing officers of 1979 for a super job and greetings to our new officers- President- Aubrey and Alice Hale, Vice-president- Ken and Dot Wilcox, Secretary- Homer and Rachel Porter, and Treasurers- Ray and Rosemary Fregoe. I'm sure with the support of the club you'll have a most successful year. Thanks, too, to Jeff for calling for us and Sally for joining him for a few singing calls. Now I'd like to go back to 1979 for a second. The most unforgettable evening to me was April 21st when Gil and Ina Marshall led us on our mystery ride to dance to Dick Ledger at Washington Irving School. If you want to really get confused but very well taken care of ask Gil and Ina to plan your mystery ride. Thanks Gil and Ina. Thanks to them, too for handling our Christmas Party so well.

Now on to 1980-on January 3rd our new officers were installed and January 17th was an enjoyable evening when we danced to our guest caller, Don Pratt. Nice some of our friends came to dance with us, too.

The special news for February is our valentine dance on February 14th with our class as guests.

Before closing I'd like to send well wishes to Homer Porter who was injured in an automobile accident and Lewis Clark whose back is giving him some trouble. Hurry back guys, we can't get along without you. Jeff Elmore has also had a couple bouts in the hospital-hope you're well to stay this time.

Remember-if you feel like frowning-don't-smile, it's more fun!

Web Spinners

The Club holiday dancing started on December 7, by golly.

Then off to the Mowsons to be entertained by Dick and Ollie!

Next week, something new-pick a ticket, grab your spouse! To a party you went at either Bodensteiners, Harloffs or Tanghe's house.

The Christmas party planned by Barb and John Straube was fun and we saw many happy faces. We were so glad that our class members came and did well to all our dance paces. Open house at the Pettits for all. A party so fine we'll all recall.

New Years Eve, with class and club was celebrated at the Firehall. Decorations and a festive time was provided by the Mancini's, Marion and Al.

The entertainment committee invented a new game. Most of us agree- "the Taw-Paw" game will achieve fame.

Garter snatchers Lucille, Dave Rall and Dave King. Just had to get Judy's so her bell they could ring!

Congratulations to Big Al and his Kay. Their fifth wheelers bound after Retirement Day. They'll soon join Chambers and Jenners in Florida State. Dottie and Bill up for a visit, looked just great.

Lovely, nicely engraved, the C.U.R.E. Silver Tray, it came to us so late but we hold it dear. Web Spinners, let's go again in strength and bring it back again this year.

Beginner's; Ball and Style Show with a big crowd made a great hit and day. A big hand to models and the special committee of Judy, Velma and Mary Kay.

February 15 starts a lot more dancing. At Valentines Dance we'll probably be glancing. Ron and Joan Magin - our chairmen we chose. Have requested from us all a wedding pose.

Our dancing feet take a week's rest. Then get ready to dance with zest. Mike Callahan on February 29 is our guest. See you next month - enough of this gab fest!

Leadership Conference continued from pg. 8.

singles, teens, -Stan Burdick's opinion that clubs, callers and angels, would compete for graduates, -clubs might not promote classes, -sticky problem to choose a caller-teacher, -methods of teaching vary, -regional class nights may not be acceptable to all, -no working regional classes as a precedent.

The Classic Squares experience (reported on by Frank Salvagio) was: good attendance, worthwhile supplement to classes, dancers enjoyed attending a fun level dance, exposed them to contras, reels, lines, and rounds, exposure to different callers and large group enthusiasms.

It was noted the slack in square dancing was a North and North East USA problem. Stan Burdick said the South and South West was booming. Buffalo area said doing well. (The Buffalo area and the South and South West have callre run clubs.)

Recruitment was the second topic discussed. Roger and Sally Baldwin of Boots and Slippers reported that their techniques included: a sign up list maintained throughout the year containing prospective class members, a personal invitation to class sent to people on this list, demonstrations flyers, and personal invite. Gerry Prister's suggestions: personal invitation by far the best and see it through, open dances with written material to be handed out, (small calling cards not so apt to be thrown out), hold class in convient location, friendliness, saturate the area with posters, use pictures for newspapers, recruit where you work, TV and radio spot announcements, establishment of a standing federation publicity committee to keep square dancing visible in community, hold party for class near graduation time for graduates to invite their friends and relatives to, demonstrate for entertainment, making newcomers groups in community and church aware of your presense.

Discussion followed each of these topics. Each square dancer is invited to please inform the federation of your views on these topics. Send them to Orlo Hoadly, 18 Kingsberry Drive, Rochester, New York 14626.

It's impossible to convey all the information and discussion in this report. Those in attendance seemed to find that their time was well spent and are looking forward to another leadership meeting next year. The Callahans, Hoadleys, and Prister chaired this well organized and smooth running event, with active support from CCR members, who were evident as hosts throughout the three D day of disscussion, dinner, and dancing.
