CO-EDITORIAL

We need some couples that are more interested in Square Dancing, than just going to a dance once a week. The PROMENADER needs new leadership in order to continue.

We think the best way to approach this problem is to have two couples, that live near each other, do the editor's job. (We also need one couple to handle subscriptions.) By using two couples, the editor's job would be easier.

Don't worry about ability, you learn as you go. We still type 1 key at a time, - provided we can find the first letter of the next word somewhere on the keyboard. We have excellent equipment, to make the job as easy as possible.

We have many regular advertisers that help defray the cost of the paper. We also have John Fink, our printer, who is always willing to help us over the rough spots. If no-one volunteers to continue the PROMENADER, these advertisers as well as the printer and subscribers, will be lost. At that point to resume the paper would be a tremendous undertaking.

To say this job is not work would be lying, but you would have to look a long time to find anything as rewarding and interesting. Don't let the PROMENADER die. Square dancers, clubs, advertisers, and the Rochester area need it. Only you can save it.

For information call 494-2102 any time.

by H. Orlo Hoadley

Let's talk about finances of the Federation.

These figures are based on 38 affiliated clubs and 8 meetings per year. Out of each club's dues of \$8.50, the very minimum cost of mailing meeting notices and minutes is \$5.76. Each club's share of the cost of the meeting room is \$4.21. This leaves almost \$1.50 per club, a total of \$56, to come from somewhere else, plus other expenses such as extra mailings and correspondence.

The editors of the PROMENADER have made the subscription price high enough to make the paper self-supporting but no higher. This leaves Dance-0-Rama as the only source of additional funds to cover the expenses that the dues don't, and to finance any other projects that the Federation might choose to undertake.

What all this means is that the affiliated clubs of the Rochester Area Federation are faced with the choice of working hard to make Dance-0-Rama a financial as well as artistic success, paying more club dues, or coming up with another activity that will be reasonably profitable.

I hope that all you members of the Federation-affiliated clubs will choose the first course, and supply the enthusiastic support that will make D-0-R an unqualified success. The small group who are serving as the Dance-0-Rama committee cannot do it without your help.

In other words, buy your tickets now, and see that your friends do too.

TALK ABOUT FRIENDLY! by Phil Harvy

We drove down into the hills, away from Rochester, to the Friendly Wheelers club. When Phyllis and I entered the hall, we were overwhelmed with greetings, smiles and handshakes. You would think we were long lost friends! We certainly did feel welcome, even though we hadn't met these people before. One man came clear across the hall to extend his welcome. He introduced himself as, Dick, the club president, and inquired all about us, our club its people, its workings and its caller. The V.P. and Taw were deep in conversation with Phyllis; she seemed to be enjoying herself. (Could all guests receive such a royal welcome from these dancers?)

Then it was time for a tip and Dick indicated we were already in a square and sure enough two other couples had already joined us. After the tip, the other two couples seemed to have all kinds of interest in us and our square dancing. We quickly became close friends. When the next tip began, three other couples said it was their turn to have us in their set. (Eat your heart out, Abberger!) By the third tip, the V.P. was back and wanted to be Phyllis' corner.

The club insisted the caller, his Taw and guests start the refreshment line. (Arranged this way, we were told, so the caller could have an opportunity to meet the guests and also avail himself of some refreshment before continuing the dancing.) The caller remarked how fortunate we were to be from the Rochester area with all its fine callers. (The Friendly Wheelers Area has few callers.) The caller's Taw said they lived quite a distance away, but called for this club because of its friendliness and they never let her "set one out".

We hadn't danced with all who wanted to be in a set with us, (it was a large club) when it was time to go. We were saying goodbye, when I overheard the V.P. asking Phyllis if she knew how to get to his house! (Now if he's setting something up with my wife, that's carrying friendliness too far!)

When we were in the car, Phyllis said the VP's wife had invited us for coffee and cake. (Shame on me for such thoughts!) I said that we didn't know them. She said, "We do now, and they all wanted us to come."

We're still buzzing about the friendliness of that club. We had never experienced that in Rochester. We're going back there real soon, - with a bus load!

TOWN

Ecology! Pollution! is on everybody's lips-- and in their nose, their hair, everywhere. Here are some old World remarks:

Rochester, U.S.A.--Our waters are sooooo polluted that the fish are laying their eggs in Saran Wrap. Paris, France--There is too much garbage in our waters.

Venice, Italy--There is too much water in our garbage.

London, England--Our most polluted river caught fire yesterday and they didn't have anything to put it out with. The local firemen improvised.

Yes, everywhere there is pollution. There is even pollution in the sets. Did you ever come into a hall that looks clear but after one goof up you will hear someone say, "Boy, am I in a fog tonight." I say, "If you goof up a set, admit it and clean it up."

They say the main reason for pollution is too many people. This is very true in the sets, especially when Relay the Deucey or Split the Column are called. Toooo many people.

Then there are the Callers with their chicken pluck-in calls. Some say they have a fowl mouth. They send out unfiltered sounds which penetrate the sets. Some nights your having a ball and fowl mouth sends out unfiltered sounds and you end up with a foul ball.

Another thing, the Callers records. I noticed one record had some wet foam on it. I asked the Caller if it was beer? He said "Yeah, it's the Beer Barrel Polka, heh, heh." I didn't believe him for one moment. Also, their records are all black. Did you ever wonder what color they were originally? I think they have a poor record with records.

You might say, "What can we do about pollution in the sets, for instance, solid wastes?"

Solid waists, fat waists and any other waists, what's the difference. I say get rid of your returnable and used dancers by squeezing their cans and stomping on them. Send them back for re-cycling. Don't forget to take their labels off.

One thing I think the clubs should insist upon is that the couples should stop coming to the dances on Motorcycles or Bicycles. Everyone knows the government condemned Cyle-mates.

We should box our gnats, box our fleas and clean up our ocean waves. Get our motor running smoothly so we can get better emission or the whole thing will Boomerang!

I leave you with this slogan:
Help preserve our wild life, Pickle a squirrel today! If you don't--

Thanks anyway,
Hal Abberger
(the Ralph Nader of Square Dancing)

Caller Profile

LESLIE BRADT

My name is Leslie Bradt. I am 25 years old and live at 173 Whittier Road in Spencerport. I am still single hoping some day soon to find the right girl. I work for Carie Grinding where I am a Centerless Grinder for about nine months now. When I first started dancing, I was affiliated with the former Swinging Squares which was called Little Squares then. At the age of 12, I was brought into the calling world by Bruce Shaw and his Mother, Una Shaw. I owe a great deal of gratitude to them for I would not be calling today, if not for their help and push. That's one of the reasons I became a caller. The other reason would be that I enjoy giving people a good time and just to see a smile on a square dancer's face from getting the figure right is well worth my time and effort to teach it. Techniqually speaking, I have been calling about eleven years now and have enjoyed every year of it. Presently, I am calling for three groups. The Hilton Hillbillies Club of Hilton, which is one of the few teenage clubs left in the city of Rochester, also the Way Out Whirlers Teenage Club of Gates. Last but not least, the club I started with - the preteen group of Gates called the Swinging Squares.

I have never yet been to a caller's college, but have learned alot from the local callers who have had the opportunity to go. My favorite national caller would have to be Dick Leger. I like his style of calling because it is similar to mine. Basically I dance Mainstream Plus 1 and a touch of Plus 2, and dance with the Cloverleaf Squares about once a week. The level of dancing I call is usually Mainstream Plus 1 and touch a bit on APD. Plus some figures on the Plus 2.

Well one of my main hobbies that I take is Karate, where I am presently a 1st degree brown belt. I also like golfing, bowling and would like to learn how to ski someday.

That's it for now, see you on the dance floor.

★ DON HANHURST
NEW YORK

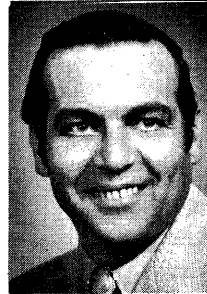

Don Hanhurst has been calling and teaching Western Modern Square Dancing for twenty years. He started his calling career in Denver, Colorado where he called for many clubs and was the President of Denver Area Callers Association.

Don, with his wife Loretta and their six children, moved to Wappingers Falls, New York in 1968. He calls for clubs in all of the New England area, Pennsylvania, New Jersey, and New York. Don has six clubs in New York that he calls for regularly and he teaches square dancing for one of the clubs. Of these six clubs, two of them are Advanced Level Clubs.

Don is the owner and operator of Hanhurst's Tape and Record Service, a service to callers all over the world, including England, Canada, Australia, Germany, and Japan, as well as all the fifty states.

Don is a member of the National Callers Association "CALLERLAB". He also calls for many festivals and conventions and enjoys his career of square dance calling.

We are indeed fortunate to have Don with us for Dance-O-Rama 1980.

★ NORM POISSON
MASSACHUSETTS

Norm Poisson has been calling for only eight years, but in that time, has accomplished much and covered a lot of territory!

In that short time, he has become one of the nation's leading choreographers in Advanced and Challenge Dancing. Our advanced and challenge dancers have a treat in store. But Norm will also be delighting the Mainstream and Mainstream Plus halls with his unique and delightful manovers.

Norm Poisson has made many tapes of this delightful choreography that delight people in over forty states, Canada and Overseas. Some have even reached Japan.

Norm's family, in Tewsbury, Massachusetts, consists of his wife Jackie and daughter Karen.

Norm calls regularly for local clubs in Massachusetts, as well as five of his own groups. But, most weekends find him traveling somewhere in the U.S.

A few of the other things that keep him busy are: officiating in The Tri-State Callers' Association, Chairing the nation's only known Advanced and Challenge Callers Association, and being active in "CALLERLAB".

★ STEVE KOPMAN
NEW YORK

Steve Kopman is getting to know Rochester quite well. He has been guest caller at many of our clubs. He's always very well received and liked. Many of us are looking forward to having another chance to delight to his calling.

Steve calls regularly for five groups from beginning to C-1 level. Those of us that know his calling, know he can switch his level as easily and thoroughly as he changes records. At each level, he seems to have such depth and agility.

Square dancing in Steve's family has always been a household word. In fact some people wonder if he was born with a microphone in his hand. His first solo was at the New York World's Fair at the age of seven. Wow, what an initiation!

Most weekends are spent by his calling and traveling across the country. Steve is married to a lovely girl, Deborah, who is a teacher of the deaf. Both Steve and Deborah live on Long Island. Steve has visited Rochester many times. Last year he called for Dance-O-Rama also.

★ JOE UEBELACKER
NEW YORK

A native born Rochesterian, Joe was educated at Rush-Henrietta and the State University at Fredonia. Now he lives near Hoosic Falls, New York with wife Margaret and daughters Lendas 17, Tracy 13, and Megan 6.

Joe learned to dance from Jim Kelly in Illion, New York. That was a few years ago. Now he is in his eighth year of full-time calling, and travels extensively. He has an on-going caller-apprenticeship program in progress and calls regularly for four clubs in Clifton Park.

He has attended The Lloyd Shaw Foundation, House of Roth Callers' School; conducted callers' schools and seminars and is a Recording Artist for Grenn Records. Joe is CALLERLAB accredited in "General" and "Advanced" calling.

"Yodelin' Joe" is known for his advanced and challenge level calling.

"Yodel for us, Joe."

Boots n' Slippers

The Blizzard Ball on January 12 was such a success that the club has resolved to have another one in 1981. The response to this dance was overwhelming and heartening. We hope this same enthusiasm will prevail at the St. Patrick's Dance on March 14. Dale and Judy Nesbitt are busy making plans for the "Leprechaun Leap". This will be an open dance featuring Mike Callahan, himself - being a scion of Erian. Mike and Wanda are the proud parents of a new daughter, Lindsay Laura, who arrived on January 10.

Graduation has been scheduled for March 18. Floyd and Barbara Bockus are in charge of preparing the greased pig and other initiation rites for the neophyte dancers. Another big event is the up-coming March 28 dance with National Caller, Red Bates. (See ad in the PROMENADER.) This dance will be held at the Merton Williams School in Hilton to accommodate the large crowd expected to attend.

Come out and dance and enjoy the fellowship of other dancers.

Belles n' Beaus

We had a very successful evening February 18th when the class joined the club at the Greece Grange for a Pot Luck Supper and dance. Dorthy Carris was our chairperson.

Our own Stan Levandowski was our guest caller on February 4th. We all enjoyed dancing to Stan, it was a fun night.

A double celebration for Art Harris' 39th (?) birthday. Doris Haddleton baked a cake for the club and Joan DeTemple baked a cake for the class. Either we all like to help Art celebrate, or we all like birthday cakes.

Plans are underway for Art's annual St. Patrick's Party. If you plan on going, please get your reservations in early.

All club and class members please note that the date of graduation has been changed to May 5th, The Trail End Dance to May 16th, and the Olde Tyme Dance to the 19th.

Our annual Car Rally will be known as the Si Hulse Rally in appreciation for the many hours of work Si did in setting up this event.

News of our members: Happy retirement to Don Waterman, Joe Hurley, and Joyce Zimmerman. For those who have been in and out of the hospital, Doris Hagberg, Robert Balsis, Doralyn Jill, also Jane Donavon, we are happy to have you back dancing. We're still hoping to see Harold Conklin, who's been very ill, back with us soon. Jane and Ray Ross, one of our early members, have rejoined the club, also Buzz and Mary Conrad have returned. Welcome back.

We have more traveling members. The Macomber's and the Butler's are enjoying sunny Florida, and soon to follow them are the Waterman's. The DiLauro's are back from Mexico, and the Hoysic's are back from the Caribbean. It's a tough life.

Copy Cats

The Wayne Westerners have been making a valiant attempt to become our "sister" club - they have made repeated "raids" on our club and made off with our banner. It took us until the last week of January to get it back. But we did it and had a great time doing it, too.

We all shared in the celebration of the birth of Mike and Wanda Callahan's new baby (only one this time) a beautiful baby girl. Both parents and daughter are doing fine.

Our Valentine's dance on February 9th was a rousing success with Ken Boss as our guest caller. Everyone got into the spirit of the holiday with a splendid array of red dresses, shirts, vests and ties. Many other clubs chose this occasion to send members. As always, the more the merrier and the Copy Cats really appreciate and enjoy the attendance of all other club members.

At the time of this writing, plans for the Mystery Ride had not been firmed up. We hope to rent a bus to save individual gas dollars. We'll meet at the Bayview Y on the 8th and----. The ride is not the only mystery. Come and be surprised.

Cloverleaf Squares

This year has gotten off to a good start and the weather has been in our favor - except for all you skiers.

Anyways, we would like to congratulate our caller and Taw (Mike and Wanda Callahan) on their new addition a baby girl.

We had a very enjoyable evening when Jack Sadwick called for us on February 3rd. Thanks Jack.

Our winter weekend will be held this year on March 14, 15, and 16 in the Adirondacks. Hope everyone plans on going, and also come back to our St. Patricks' Dance on the 16th. This will be class and club combined.

Until next time, keep on dancing.

Country Twirlers

As we start a new calendar year, Country Twirlers would like to express thanks to all past officers for a job well done; especially to our past presidents, the Briggs. Under their leadership we have had a fun-filled and rewarding year. We hope everyone will lend as much support to the new officers.

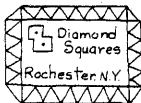

The Country Twirlers shared Valentine's day with our great class couples and fun was had by all. On Saturday, the 23rd we had National Caller Bud Redmond in the spotlight with Bob Slomcenski cueing rounds.

This month, we have Ron Fotch, class instructor, on hand March 1st. And at the end of the month, we welcome Frannie Heintz, National caller.

Next month will be exciting as well as busy as we welcome our class members into the club on April 12th. Then, on the 19th they can show off their expertise as we dance to Dick Legar, the Guitar Man.

Diamond Squares

March! Ohhhh... Spring is so close but seems so far away. Income Tax time is almost here. So, "swing" "yellow rock", etc. for a few hours and put these bothersome things out-of-mind.

How about it, Taws. Did you remember to take your partner out dancing on February 29th?

Diamond Squares will celebrate St. Patrick's Day on March 19. Green will be the favorite color that night. Bob Ellis will supply the "Blarney".

Members now have jackets of light blue with the Club name lettered in white on the back. This is a nice way to spread the news about our club and about square dancing.

Please Note: 1. Bob Ellis conducts an APD Workshop on the fourth Thursday of each month. 2. The club has Saturday Night Special dances twice a month. 3. Usually, Bob Ellis cues round dances from 7:30 PM until 8:00 before the regular Wednesday night square dance.

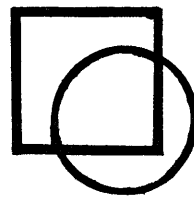

All three of these events are held at the Covenant United Church at Culver and Parsells. Be sure and check the schedules for the correct times.

Last Chance: Weekend in the Poconos - April 25, 26, 27. There still is room for about 10 couples. Call Nancy or Bob Ellis for information. (315-526-5282)

Couple of the month: Milt and Caroline Neeb. We call them the "Jack and Jill of all trades". Not only are they hard workers, they're lots of fun.

Country Dancers

On March 6th, The Overacker Corners will be with us, on March 13th the Irish Musicians will supply the music, and on March 20 Ed will be accompanied by the Blackthorn Ceilidh Band.

When is Western Square dancing not modern club dancing? If you'd like to find out come visit Country Dancers on March 27th when Sandy Bradley from Seattle, Washington will be calling for us. Sandy usually travels (and records) with her own band, the Gypsy Gypos, but this time her tour is solo. She has been calling and playing (guitar) through the Shetland Islands and will be working her way up the East coast arriving here on the 27th. Molly Stark, bass fiddler for the old Swamp Root String Band is now working with a group called the Tompkins County Horseflies and I'm sure you'll like the sound of the Hoe-downs. If you want a fun night--join us. This is a dance class or club members will enjoy - and even your friends. By the way, Sandy's other profession is that of auctioneer.

Country Dancers will also be squaring it up at Art Teamerson's dance in Riga on March 15. Art has been calling - with the same band - for twenty years at the Congregational Church. The dances run the First and Third Saturday of the month from 9:00 to midnight. Why don't you join us there? Art does the old singing calls from the 40's and 50's and the band plays for ballroom dancing between tips.

While I'll write more of Dance-O-Rama next month, I do want to let everyone know that there will be full time dancing in the contra hall with Chip Hendrickson calling. Live music will be provided in the evening by Randy and Rodney Miller from New Hampshire. We will be featuring the Millers for a three dance New England styled

EKC-O Squares

With winter a thing of the past, we're looking forward to the first Spring Robin and to some exciting opportunities for dancing.

To help us all improve our square dancing, Ken Anderson is conducting a series of Review Workshops from 7:30 to 8:00. If you have been away for a while, or would like to upgrade your dancing, join us at Ken's Review Workshops - dates are Friday, March 14th, and Wednesday, March 26th.

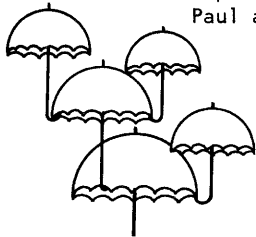

Our guest callers are Bob Gambell on March 7th, Dick Bayer on March 21st, and Mike Callahan on April 2nd. Please note that with our March 26th dance, we begin dancing on Wednesdays at Kodak Office for the Spring and summer season.

Also, Round Dancers should note that Betty will be cueing rounds as usual at 7:30 each night, in the gym on guest caller nights, and in a nearby room on Review Workshop nights.

Let us know when you see that first Spring Robin! We'll be looking for you all on the dance floor.

Genesee Dancers

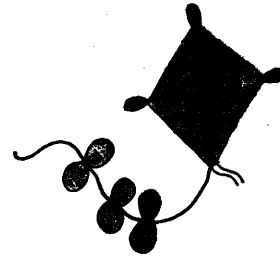

February was a busy month which included our Pot Luck Dinner on Valentines Day and our great night with caller Gloria Roth. Both events were well attended and we were happy to welcome our class to the Valentines Dance. Also back to dancing are Evie and Fred Marrow after a month's visit in Colorado. Some of "regulars" have been away since we have many wanderers in our club who have traveled to southern sunny shores. The Amicos went to the Carribean, Calis and Siconolfis to Acapulco, and the Howletts and Rusters to Jamaica and New York. And did you know Rita Hoadley took a short California vacation leaving Orlo to "batch" it for a week?

Congrats to Chuck Genese upon being newly elected President of Eastridge Kiwanis!

That's the glad news but we've also had sad news. We were saddened to learn of Evelyn Pogel's death and extend our sympathy to her husband Bernie. There were a couple of our members hospitalized also: Carolyn Bastian recently had surgery and Andy Andrews had a triple heart bypass. Let's hope they, and all others ill, are now on the mend.

Glass Slippers

On January 9th, our club had its yearly elections and installation of new officers. Our presidents are, Pat and Jim McTamney, Vice-Presidents, Elsie Epke, Secretary, Dick and Barb Chilson, and treasurer, Don and Grace Taylor. During these cold winter months, it's fun to get out and wreck the monotony by warming up to square dancing with our caller Ron Fotch and his Taw Betty. At our dances on January 9 and 16, Betty brought some lovely square dance clothing at a very affordable price. They were very pretty, bright and cheerful colors and a real bargain!

We had some very welcome guests at our January 23rd dance. Jim and Lois Wiesner from the Country Swingers and Linda and Bob Remley, who started in the class with Glass Slippers a couple years ago but have not attended for a while. It was nice to have them back and all were a welcome addition to our dance.

Coming up, we have a fantastic evening planned for all at our "Easter Dance", Saturday March 29th at the Westside Methodist Church, Corner of Westside Drive and Buffalo Road in North Chili. Rounds are at 7:30 and Square dancing from 8:00 to 11:00 P.M. We'll have door prizes, baked goods, and a surprise guest (guess who)! We'll be seeing you then. Happy Dancing!

IRONDEQUOIT SQUARES

The past month was busy for the Irondequoit Squares. Our guest caller Jim McQuaide on January 26 was a well attended and enjoyable dance. With Ginny Pencak heading the refreshments that too made it a special night.

Our special Valentine's dance was held on February 9th. The committee headed by Ken and Mary Jane Nudd made it a super special event with pretty decorations, prizes, gifts for the women and outstanding refreshments. With "Wild Bill" calling all singing calls it made it a night to be remembered and nice way to introduce class level dancers to their first club dance.

Another special dance was on February 23rd with guest caller Bob Ellis. That night also added the variety of dances held in the last month.

On Sunday, February 3rd the Irondequoit Squares entertained the Hudson Towers Senior Citizens. This is always an enjoyable evening for both the senior citizens and participating club members.

There will be three dances held during March on the 8th, 22nd, and 29th. One extra dance to please square dance enthusiasts. March 8th will be guest night for the Rainbow Squares, Swinging Eights, Swinging Singles, Tecumseh Squares, Triggers, Village Squares and the Web Spinners. A special welcome to all members of these clubs to join us that evening.

Thanks to Linda Liberti who keeps the round dancers happy with her good round dance cueing. Thanks also to our new officers who took over after the joint board meeting on January 13th, for the good job they are already doing.

Well, it's over for another year. Our annual Presidents Ball was a smashing success. A big thanks to all who came, thanks to all who worked and thank you Ben for giving us such a fun filled evening. It's so nice to see the class members get over their nervousness and enjoy themselves as they dance.

What a nice surprise to see past presidents, Larry and Jackie Henedeen in from Utica. We miss them but are glad to hear they have joined a square dance club there.

Excitement is filling the air as Leukemia Dance, April 18, 1980 approaches. The clowns are preparing their costumes, while over thirty girl scout troops are busy making decorations and baking cookies. Everyone is looking forward to dancing to our own great callers and cuers. Don't forget time is running out. Get your tickets at the reduced rate and help your club win the prize for the most pre-dance tickets sold. The tickets for the beautiful handmade quilt are also available through your club.

Special silver trays are awarded to the club coming the greatest distance and to the club having the greatest attendance. Let's have a record attendance.

Also, each year, a special gift is given to the couple coming the greatest distance. We've had couples from as far away as England and New Zealand. It's great to see that all persons, no matter where their native land, are interested in helping find a cure for childhood cancer.

Come. Won't you join the fun? Give these kids with leukemia/cancer a chance for life. Remember our theme "Clowns Of The Circus"... the kids are like clowns - happy and fun loving on the outside, while crying with cancer within. Do your share, come to the circus; dance with us. If we can make it just a little more easier for those kids, it's all worth while.

Our mystery ride is scheduled for Saturday, March 22. We are meeting at the Old Red Jacket Elementary School in Manchester at 6 P.M. Everyone who enjoys a surprise is welcome to join us.

On March 28 our club will enjoy dancing to Gary Bubel doing squares and Alice Bubel doing the rounds.

National caller Marv Linder is coming to Ganandigua on May 10! This Saturday night dance will positively be the highlight of all square dancers 1980's memories. Hope to see all of you on the dance floor.

Club events for March, in addition to regular dances will include a St. Patrick's Day Dance on the 13th "wearing of the green" should make a very colorful evening.

Want to get rid of the winter blahs? Join us on the 20th for "Swing into Spring", a fun filled evening of singing calls old and new. April 3rd, why not hop over to our "bunny hop". Dance location for the hop has not been decided as of this issue and will be announced at preceding dances, and flyers will be mailed out to all clubs. Great sounds provided by Ron Fotch - doing his thing.

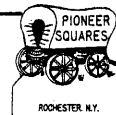

Happy anniversary wishes to Joe and Adeline, Bruce and Joan and Bob and Phyllis. Also a happy birthday to Junior. We can't overlook our past officers who did a tremendous job for us in 1979. Pres. Gene and Jo, VP Don and Natalie, Sec. Mike and Helen and Tres. June and Junior.

The new slate of officers met with Jon and Sue McNally to discuss plans for 1980 at their home on January 19th. Of primary importance to all of us was to maintain the friendly, open atmosphere of the club as in the past. One of the results of the meeting was a new schedule format for the Pioneer Squares Monday night dances. The class lesson will be held from 7:00 to 7:45 P.M. Then the class and anybody else who would care to join them will dance the workshop from 7:45 to 8:15. The regular club dance will be from 8:15 to 10:45. The significant change in format was decided upon to encourage old club members and anybody else who might have been away from dancing for a time to drop in and join our nightly combination of club/class workshop, and of course, stay on for our club dance which follows.

We also want to extend a warm invitation to all club square dancers to join the Pioneer Squares at our 4th annual "Shamrock Caper" St. Patrick's day class/club dance on Friday, March 14th from 8:00 to 11:00. The cost is only \$3.50 per couple for a fun filled evening. See you there.

Merry Mixers

March brings some new and different variations to our Club. At a meeting of officers and Committees at the home of our new President, Ceil Dengler, on January 20th it was decided to change our club dance night to Mondays. The class of 1980 are such quick learners it was voted upon to incorporate them to dance with the club. The schedule is as follows: Class rounds 7 - 7:30 pm. Club rounds 7:30 - 8:00 pm. Workshop 8:00 - 8:30pm. Squareup 8:30 - 10:00pm. Hot Hash calls 10:00 - 10:30pm.

A big get well soon wish to one of our lifetime members, Lenny Prescott. Lenny is recuperating from open heart surgery and by the time this issue hits the press, should be home and getting better every day. We think of you often Lenny and our prayers are always with you.

Congratulations to Shirley Centola who became the proud grandmother of a healthy eight pound, eight ounce grandson named Nicholas.

Many thanks to the Country Twirlers for inviting us to be their guests on January 18th. It's always fun to dance with other clubs and get to know fellow dancers and meet new faces. Thanks again Country Twirlers.

Many of our class members have been attending class/club dances. Most recently, Boots and Slippers and Tecumseh Squares. Both dances had a super turnout and the class members are really getting a chance to dance their little feet off.

The Merry Mixers are holding a St. Patrick's Day Pot Luck Supper dance in March. Keep your ears open for the exact date. Our 10th Anniversary/Valentine's Dance was held at the Wishing Well on February 8th. A good time was had by all and it was nice to see so many old members in attendance.

'Till next issue - Dancing with the Merry Mixers is a challenge -- we dare you!

Promenading B's

All of the B's want to extend our sincere sympathy to Ouida Reinholtz on the sudden death of her husband, Bob. We sill miss his plesant smile and sincere friendship and we are sure that any of you other dancers who have danced with the B's and met Bob, share our feeling of loss.

Betty's "Mating Game" at our Valentine Dance is history now, but we all had a fun time and enjoyed a "Box Snack" with our "new partner!". At this writing we look forward to the Newfane Club being with us on February 22nd to retrieve their banner-weather permitting.

On March 8th, we will be going on our annual Mystery Ride-where to, Roger? We always have a good time at this event and the fun continues on the bus on the way home. If you haven't gone in the past, better, sign up this year, with the cost of gas going up so fast, we may have to find some other way to go in the future. On the 14th, we will be treated by the class to our annual St. Pat's Day Party. Speaking of the class, they are just a super group of people and we are anxiously looking forward to their graduation and becoming fulfilled club Members.

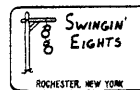

We won't be dancing on March 21st, but the club will decorate the Sr. Hi gym at Byron-Bergen that night to be ready to greet one and all club and class members and you come to share the evening with us at the 7th Annual Black Light Dance. It's a rare experience in square dancing-whites, pinks, oranges and yellows show up great under the lights. See you all there, we hope

We will be back to the Elementary School on the 28th, but no dancing on April 4th-Good Friday.

Swingin' Eights

At our January 19th dance a tall, smiling, attractive female, our hostess for the night, was apparently smoking a pipe as she greeted the guests and members. She said she was just holding the pipe for Jack Kennelly, but we are not sure she wasn't sneaking in a few puffs between greetings. We won't mention her name but her husband, Joe Giaconia knows her well.

Our class members have accomplished something that few, if any regular dancers have experienced---square dancing OUTDOORS in the middle of January in Rochester. It all happened on January 17th when they gathered for their weekly lesson at Ivan Green School. They were unable to get in because the custodian of the keys was late. Resourceful Bruce Shaw located an outside outlet, plugged in his record player and speaker, and on with the lesson. The dancers performed well on such calls as "HEADS SHIVER UP AND BACK AS SIDES FREEZE" and "ICE COLD", but they had some problems with "RED HOT". After about 20 minuets the key arrived and reluctantly (?) they all went inside. Is that dedication to learning and teaching --- or a little wacky.

Michael Yackiw, who worked for others in the funeral business for several years, has now established his own business, the Michael Yackiw Funeral Home, 1270 Norton Street --- 544-5000. We extend our best wishes for success to Mike and his wife, Mary.

Our April 5th dance will feature singing calls by that ace vocalist, Bruce Shaw. Class is invited to this one.

On March 1st, Mike and Mary Pardo will have completed 50 years of wedded bliss. A celebration, with Swingin' Eights included, is on tap in May.

Off to Sun Country: The Schippers to Florida (Feb), the Kleins to Florida (March), and the Soltysaiks to Hawaii (late Feb and early March).

Singing Squares

We have turned the corner and heading toward spring, looking forward to good dancing and fun in the coming weeks. Four dances this month - March 5th, 12th, 19th and 26th, Mike Callahan calling. April 2nd we welcome Al Howe back to call for us, and look forward to seeing him again. We dance Wednesday nights 8 til 10, with a "chatter, coffee and cake" break before going home. We hope you will join us at Thomas Edison School, 1612 Buffalo Road.

It is that time of year for the "changing of the guards" - or election and installation of new club officers. Many clubs have already changed, and it isn't too soon for Singing Squares to be thinking about it. It is difficult for a club without officers. There are sacrifices you have to make, but it is worth your time and effort; as you find out what it takes to keep a club together and running smoothly. It is a challenge, but also rewarding. If you are approached about taking an office, give it some thought and say "yes".

A demonstration by four couples from Singing Squares was put on at Latta Road Nursing Home Sunday, January 27. Bob and Gloria Klind, Burt and Ellie Bennett, Walter and Betty Schauman and Ed and Judy Licata danced to El Johnson's lively calls, and brightened the day for the patients - which reminds me of an incident at a nursing home where I volunteer. An elderly patient was offered a bowl of quivering gelatine by the nurse. "No thanks" he said emphatically, "I'm not going to eat anything that's shakier than I am."

Swinging BB's

Well it looks like Spring is just around the corner. Old Man Winter has been very good to us. Let's hope he remembers us again next year.

On February 15th, we held our annual Valentine's Party. It was a "Lovely" Dance. On February 2nd, we had a visit from the Glass Slippers a very fun club. We enjoyed dancing with them very much and hope they will visit again soon.

A Happy Birthday to Dorothy Brunshidle on March 26th. We are getting down to the wire on our contest to see which club visits us the most. It's getting to be quite a close race. Remember the club that visits the Swinging BB's the most through March 29th, will be given a Free Party. That's right Free. Swinging Singles

This sure has been a busy month for the Swinging Singles. Our annual moonlight bowling outing turned out to be really fun with lots of fun, competition and good food. Everyone that was involved had lots of super fun. A special thanks goes to Steve Mosesohn for all of his planning efforts.

We had a combined class/club dance for Valentines Day, held February 11. The class participated well and they all seem to be coming right along. We are all waiting for them to join our club.

Our baked food sale held February 18 also turned out well. I didn't realize how many good cooks we really had! A word of thanks to all who participated.

March promises to be another busy month - more details in the next issue. Until then - happy dancing.

Triggers

Once upon a time, according to our Alumni, the Triggers started having fun. Our Present Membership, by their big smiles, say we're still having fun. From what I hear of our new class the fun will continue. Needless to say our reunion was a big success. Every year was represented from 1963 to 1978.

The enthusiasm of our new class is quite evident, they are not only doing well, they're dressing the part. One couple had their square dance outfits by the second night.

If you didn't wear red for the Valentine Party, forget it. The color this month is green, St. Patrick's Day you know. For this occasion our regular Tuesday night dance (March 18) will be at the North Chili United Methodist Church 2200 West Side Drive, (corner of Buffalo Road). A sit down dinner will precede the dance. For further information and dinner reservations call Jeanne McConkey 621-3487.

On March 25th, we are looking forward to dancing without guests, the Clover Squares, Magic Squares, Singing Eights, Swinging Singles and the Hilton Hill Billies. We're looking forward to dancing with the teens.

I'm getting board, I haven't heard from you, and I don't know what to do. Hurry up - cheer me up - so I won't be so blue.

HICKS & CHICKS

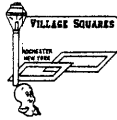

We now have 20 people in our group all of whom are doing well in lessons and learning fast or helping those who are learning. We would like to thank local artist and square dancer Fean Van Appledorn of Webster for drawing our logo which is appearing at the top of our column for the first time this month. The Hicks & Chicks are planning a bowling party for late this spring. We decided not to go roller skating this year because of the fact that last year Mr. Cole, our caller, broke his leg at the roller skating party. We hope bowling is safer.

We are working on arrangements for a baked food sale which we hope will be a big success and raise money for our treasury. More details later.

Happy square dancing.

Village Squares

Snow, ice and cold weather are really very rotten, February is gone but not completely forgotten. We do remember the nice things that Betty Bartle did on our Valentine's Dinner Dance. There is no way that you can starve at a pot-luck supper. And we remember saying "so long" to Frank and Louise Geraci, who took off for nine weeks in Boca Raton, Florida... and we remember warming up on those cold Monday nights by dancing Plus 1 and Plus 11 to our caller, Dick Casper.

We also remember that in February's news column we said to keep March 8th and March 16th, open. Here's why. Saturday night, March 8th, at the Methodist Church, 31 West Church Street, in Fairport, our class is going to present the 3rd annual "Spirit of Spring" dance. It will be a class level get together with regular club people invited to come along too. Dancing will be from 8 til 11 PM to the haunting refrains of Dick Casper, our "Friendly Ghost". There will be grand prizes, door prizes, surprises, loads of refreshments, special decorations and corsages for the first 90 ladies to arrive. All sorts of fun things are being planned so come on over and enjoy a night of relaxed dancing and fun.

Not to be outdone by our class at having fun, the club is going to have our Spring Fling on Sunday, March 16. The day will start with a Pancake Brunch from 11:00 AM to 1:00 PM at the hall in the same Methodist Church in Fairport. The breakfast will cost \$2.75 for the big eaters and \$1.00 for the kids under 10 years old so bring the whole family.

The dancing starts at 2 P.M., not to just one caller, but two. Two of the area's best! Art Harris will be with us that afternoon to combine his talents with those of our own Dick Casper. What a combination! But not just that, we will also have Bob Slomcenski cueing the

Wayne Westerners

Hi again,

We're back in motion after the Christmas and New Years Holidays. Our new officers seem to be doing a great job - as I knew they would. By the way I enjoyed your Presidents Corner in the February Issue and agree that cooperation and help from all corners of the square are greatly needed for the success of the club. Also enjoyed the Letter to the Editor on same page. Generally speaking, though, I think this was an exception to the rule of square dancing. Most square dancers are very courteous and kind people. Enough of how I feel!

To bring you up to date - on February 14 we enjoyed our Valentine dance and enjoyed having our class join us. Our caller, Jeff Elmore, was "back in the saddle" calling for us. You know he has been on a vacation from us - having had surgery twice. Glad to have you back, Jeff. Many thanks go out to our good friend Chip Kellogg who has been substituting for Jeff. We liked every minute of it, Chip. Also I'd like to say thank you, Harold Price, for substituting for Don Pratt as our guest caller on January 24. Don, too, has been hospitalized. Some of us had not danced to Harold before - everyone really enjoyed it!

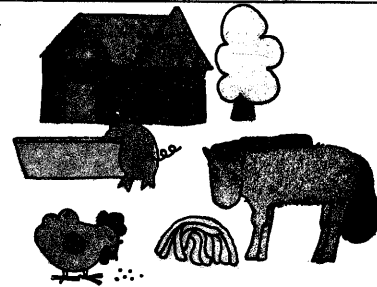

I guess the only special dance in March is St. Patrick's Dance on the 17th. How about calling green rock, that night instead of Yellow rock? I'm sure we'll get the idea of it.

In closing I'd like to say we were pleased to have Raymond and Frieda Loucks dancing with us. They have recently moved to Williamson from the Corning area. Welcome - Ray and Frieda.

Until next time - Green Rocks!

**A TRIBUTE
 TO A FELLOW DANCER**

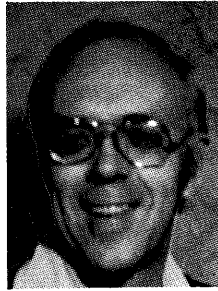

Square dancing has suffered a very deep loss. Our friend and fellow square dancer, Bob Reinholtz, was fatally injured in an automobile accident, Thursday February 7th. Bob Reinholtz loved square dancing and was the kind of man that was good for square dancing. He continuously expressed enthusiasm, appreciation and support for his club, its officers, his fellow dancers and square dancing in general. The Promenading B's are richer as a club and as individuals because we knew him. Our sincere sympathy to Ouida and their family. He will be dearly missed.

The highlight of February was "My Valentine is a Square" Valentine Dance. The Magins and committee planned an evening that even Cupid will remember.

The wedding photos of the club members were displayed which provided fun, nostalgia, interesting comments and even some mystery! Prizes were awarded for couples with "special qualifications". Each couple received a lovely engraved necklace with a heart giving their wedding date. Gordie and Sylvia entertained us with a professionally danced routine. Joan Magin looked like a real Queen of Hearts in her pretty Valentine dress.

Welcome back to the Kelloggs who returned tanned and rested from their Florida trip.

March 7 will be election of officers for the coming year. Remember to cast your vote for the new slate of officers you choose. At this time we think the present officers should be thanked for the good job they have been doing. They are Pres. Nick and Claudette Culian, Vice-pres. Bob and Delores Harloff, Sec. Cliff and Joanne Pettit, Treas. Dick and Ollie Mowson, Board Members are Sam and Rosemary Browne and Jack and Betty Ferrara, Federation Reps are Jim and Claudette Looney. Our class is represented by Don and Blanche Roberts.

The firehall will be decked in Shamrock Green for the annual St. Patricks Day Dance. The Tanghe's and Bodenstieners have a gourmet dinner planned for the occasion along with Irish fun and surprises. Don't miss it. Get your reservations in!

Best wishes to Sally Vary and Rosemary Browne who had recent surgery.

Our banner stealing brought us the Irondequoit Squares.

Best wishes to Merry Mixers Club who recently celebrated 10 years. Also good wishes go to the Hicks and Chicks, newest club to join the federation.

Our award for quickest recovery goes to Shirley Mabee who danced even with the cast on. Her foot covers always were attractive.

Join us on March 28 when Bob Ellis is our guest caller.

Back to double couponing for now!
