Caller Profile

CHIP KELLOGG

Chip Kellogg, born 1938 in Dansville, now resides at 100 Arbordale Ave., Rochester. He graduated from Dansville High in 1957, where he had become interested in carpentry. After working four years in remodeling and new home building, he joined the U. S. Navy Seabees, from which he was discharged as a Second Class Petty Officer (Builder). For the past fifteen years he has been a carpenter/contractor, owner of Murray's Home Improvement. Square dancing caught his attention after a public service announcement on the radio. He graduated from Swinging Singles in April of 1971, but not before trying his first singing call. Chip has attended two caller colleges, and for the past seven years has enjoyed teaching sixteen beginner classes. At the present time he teaches for the Copy Cats/Irondequoit Squares and the WYCO Promenaders, as well as calling for the WYCO Club and has many guest spots and one-nighters in Western New York. He has also had the pleasure of calling for the Sets-In-Order Club in London, England.

Chip has his own club, Melody Squares, dancing Plus 1 and 2 where his best friend and Professional Assistant Sue, is his greatest asset. Chip has been a member of the Caller's Cooperative of Rochester since 1971 and served as a co-moderator for one year. He is also past president of the Swinging Singles and served two years with the Rochester Federation of Round and Square Dance Clubs. He became a member of Callerlab International in 1978 where he met the requirements to become an Accredited Caller. Chip and Sue enjoy dancing Advanced 2. One of their favorite nationally-known callers is Ron Libby. For relaxation they enjoy camping, snowmobiling, gardening, and square dance Weekend festivities.

GRADUATES OF ALL AGES!

Teach Yellow Rock to a grad!

Spring is here! Classes are graduating, and new dancers are entering the clubs. I'll always have a sentimental spot for the new dancers, for I can remember when I went thru class, I went thru class, I went thru class. Thru class three times? No, not really, but Art Harris, my teacher, said it seemed like it.

Soo, I am taking this opportunity to help the new dancers by putting down a few important tips on the dress and etiquette for square dancers.

Men's Dress

1. Shoes - necessary, especially if you want to appear gracious in de-feet.
2. Belt - in most cases necessary to stop a disaster
3. Pants - absolutely necessary, if for no other reason but to cover your shorts.
4. Shirt - should have collar, cuffs, or both.
5. Hair - not necessary, but sideburns are, for balance.
6. Hat - not necessary, unless you are dancing up a storm.

Ladies' Dress

1. Dresses - are necessary, mini, maxi, many.
2. Petticoats - should only show at the bottom.
3. Belt - necessary to break up the contours.
4. Hair - teased or re-teased, on head, any shade.
5. Fancy Laces - not necessary on shoes without laces.
6. Anything else, true or false, should be hidden.

Man or Lady

1. Wigs - I don't want to split hairs on this but if you do wear one, be careful on a "dive thru" saw one hanging from a guy's cuff link.

Etiquette

1. Don't enter a set that already has four couples, unless you intend to round dance.
2. Always put you best foot forward, if you have one.
3. Don't allemande left your left hand lady if she is right handed.
4. Don't bow to your partner unless you are facing her or him.
5. Don't goof up a set unless you know what you are doing.
6. Don't imitate the caller; he is supposed to stand still.
7. Don't star thru with your left foot.
8. Don't whistle for your corner if he or she is out of position. Call them gently. Say, "Hey Gently, commere!".
9. Don't walk out of a set, unless the other three couples leave you standing there alone.
10. Don't talk during a dance unless you can hear what you are saying. That way you won't offend anyone else.

If you follow these rules, you won't go wrong more than once, I think.

To the new dancers: Don't believe all you hear about me. Nobody, but nobody, could dance that lou-say. (Lou-say... a French word meaning "it's better to pay, than to dance with him".)

Thanks anyway,
Hal Abberger

BECOME A BETTER DANCER

-by Jerry Carmen

About now you will be meeting some of the most enthusiastic square dancers in Rochester. They also want to meet you, have a good time dancing with you, and be your friends. They are the ones who will be promoting square dancing to all their non-dancer friends and, hopefully, bringing them in droves to your club's next beginners class. Who are they? Why, they're the new graduates from this year's beginners classes. Here they are, all excited about their new-found hobby and very nervous about being able to keep up with all the experienced dancers.

Dance with them, welcome them into your squares. Give them your smiles and kind words of encouragement and they'll be with us for years to come. Give them a single sneer or thoughtless comment and they'll be gone tomorrow-perhaps forever, and so will their friends and relatives. Here's a few helpful things to remember while dancing with our new graduates:

1. INVITE them into your square if they seem a bit shy and sit out more than one tip.
2. SMILE no matter how bad things seem to be going. Remember, they are feeling just as bad as you are if they can't make it through the tip.
3. DANCE PROPERLY when these folks are in your square. Don't horse around or do fancy waist swings and twirls. These motions tend to confuse rather than add enjoyment to someone who's having trouble.
4. DON'T SHOVE people into position. Neither new nor experienced dancers like that. Give them a chance to get through the call by themselves. Guiding should be in the form of pointing or a short directional phrase like "over here". If they don't respond, dance around them and do your part. The caller as well as the dancer will appreciate the courtesy.
5. DON'T BE A SQUARE DIRECTOR by trying to dance for everyone and explaining during the tip what went wrong. This is especially annoying to callers as well as other dancers. Be helpful, but don't be a know it all.
6. SAY THANK YOU when the tip is over. Tell them how well they danced. Of course, they'll know how well they did, but they'll appreciate your kind words of encouragement.

Now let's get on the dance floor and show everyone the fun and friendliness our activity really is.

Belles & Beaus

The Belles and Beaus officers are busy planning our May 5th graduation exercises for our twenty-four new square dancers. We hope all of you will be there to join in the fun. Other coming events are our Trail End Dance on May 16th and our annual "Olde Tyme Dance" to be held on May 19th.

For those of you planning on going to Alfred College for the Gala Square Dance weekend, don't forget to get your reservations in. Our own Art Harris will be calling.

News of our members: Happiness to Whitey Zimmerman who is retiring May 1st. On our sick list, we learn that Myrt DiLauro is now home from the Hospital and doing nicely, and Sally Foss tells us Ken is making good progress. We hope to see them around soon, if only just to visit.

More traveling Members: Hal Abberger is in California for six weeks. The Hagbergs joined many others in Florida, and the Jack Lawson's have gone to Jamaica. John and Mary Kurtz are back from Puerto Rico, and by the time you read this issue, most of our "snow birds" will be back dancing with us.

Boots n' Slippers

The Leprechaun Leap was a huge success! Every tip had 16-18 squares crowding the Merton Williams Gym Floor. The Tecumseh Squares were there in force, dressed in plaids, and marching to bag-pipes. They recovered their banner and ran off with ours. Graduation under the direction of Floyd and Barbara Bockus went off very well on March 18. A tribute was paid to Al Howe that night also. I wonder if Tom O'Gorman will get a copyright for "Chim Chim Cheree"? It was nice to see so many clubs represented at our national caller, Red Bates, Dance on March 28. We are looking forward to April 18 with Stan Burdick and May 2 with Don Hanhurst.

The Trail End Dance is coming up soon on May 16, at the Redman's Club. Summer will soon be here and we all look forward to the dancing camp outs.

A rousing welcome to our new class members who made their debut at our dessert social dance. That was a really big night for us since not only was our own class in strong attendance but many other new classes had their members present and the Wayne Westerners joined us for their Mystery Ride destination. Don't know if it's our great desserts, our great company, or our great caller that draws such a crowd. Probably all three. As a matter of fact, the Henrietta Squares decided we would be the best target for their Mystery Ride also. As usual, the more, the merrier. We want to remind everyone that our dance schedule has been changed from our regular one, and our second monthly dance is going to be held on the 24th not the 31st. The Trail's End Dance will be held at Island Valley on June 6. Looking forward to that as a guaranteed super time!

Country Dancers

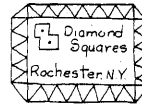

We are planning live music each week this month due to the fact that local musicians are finding our kind of music is fun to play. If any of you square dancers out there play dance type instruments we are having another music workshop June 21st with Randy and Rodney Miller from New Hampshire and you might like to join us. Call me for more information.

Bands scheduled for May are: Golden Link String Band (May 1) which is a co-sponsored "ceilidh" with the Golden Link Folk Song Society. It will be an evening of singing, dancing, and concert - and eats. Both groups will share the first part of the evening and then split into two groups so dancers can dance and Musicians can "jam".

D-O-R will have full time contras again, this year with Chip Hendrickson Calling. Chip has been a Western Club caller in years past but has now decided to concentrate on contras and English country dances. Our afternoon program will cater to our Country Dancer club -but we hope many of you will try our hall in the evening when we will have live music with the Overacker Corners group playing for your pleasure. Ed Butenhof and Rich Castner will give Chip a break from time to time. Class graduates - do come see us. If your head gets a little tired following so many commands we will give you a chance to relax and tap your feet for a change of pace.

May 8 Overacker Corners will be featured at our regular dance at St. Thomas. Tom Bohrer will call May 15 with Mitzie Collins and friends playing for a program of Pat Shaw dances. Pat wrote Levi Jackson Rag - a fun square for 5 couples plus many other dances that

Diamond Squares

The Dance-O-Rama for 1980 is over. Diamond Squares canceled their usual Saturday Night Special for this yearly event. Instead, many of us enjoyed the fellowship and good dancing provided by the Federation. Since our club volunteered for clean-up, we were the last to leave.

We wish to thank Cloverleaf Squares, Tecumseh Squares and the Triggers for their invitations to share a night of square dancing with their clubs. Your generous hospitality is appreciated.

The first snowbirds to arrive back from their winter haunts were the Covey's and the Kurtzes. We enjoy having them back with us.

Several couples have exciting trips planned these next two months. The Nasellas will travel to Arizona to visit their family; the Tices will vacation in Mexico; Crysta Stezenmeyer will travel to Switzerland to await the arrival of a new grandchild, where Bob will join her after the big event; the Aylings will enjoy a leisurely cruise; and the Bushs hope to spend a couple of weeks in Wisconsin. To all the travelers we failed to mention, we hope your vacations were wonderful.

Congratulations to Chuck and Dorothy Sharp! After working at Kodak for forty years, Chuck elected to take early retirement. We understand they will continue to live in this area, so we look forward to lots of good dancing with them.

Our May 14th dance will be held at the green Lantern Inn.

Couples of the Month: The entire Diamond Square Bunch. We think you are all "the greatest".

The Mystery Ride, out to the Copy Cats in Webster, was lots of fun and we sincerely thank them for a most enjoyable evening. We were able to retrieve Ben's shirt from them. That leaves two more shirts and our banner that we still have to bring back home. Whew!

Our class graduates are out in full force and we are so happy to have them in our club. We want them to be very active members and to enjoy their new club. Our club is a fun group and the more members we have the more enjoyable it will be.

The Trail's End Dance this year will be June 14, starting with a Pot luck Supper. More about that later.

Spring is here but still we have members visiting the sunny south. The Cunninghams visited square dancers in Ft. Myers, Florida, also the Wilcox's attended a callers Lab in Miami and then visited Ft. Myers to dance and play golf. Welcome back!

The Irondequoit Squares enjoyed a dance called by Jon McNally who filled in for "Wild Bill" while he was in Florida.

We want to warmly welcome our new graduates to square dancing. We hope that all graduates will enjoy the warmth and fellowship of square dancers plus the fun of square dancing. Names and pictures of our new graduates are included in this issue in another section.

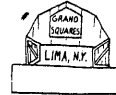

Our May calendar has three dances scheduled. The May 10th and 31st dances will be called by "Wild Bill" Wilcox with rounds by Linda Wolf-Liberti. The May 10th dance will be all singing calls. Jerry Carmen will be the guest caller on May 17th. We extend a special invitation to all clubs to join us for this special dance.

Trail's End time is coming. Bob and Margaret Pearson are heading the committee so we know it will be a wonderful and memorable event. The date is June 7th and the place is Quality Inn Gate House, 4831 West Henrietta Road. Tickets will be available from the committee members at the May dances. Door prizes will also be welcomed.

Happy dancing to all new graduates; welcome to the world of square dancing!

Lima Grand Squares

Welcome to our graduating class of 1980. We are pleased to have you as members of the Lima Grand Squares. Our wish is that you will continue to grow and enjoy square dancing. A special closeness seems to always bind each class together, but we "old members of the club" welcome each of you. And to our class caller, Ronnie Cole, and his wife Carol, a special thanks for all you've done. We wouldn't have had a class without you.

While greeting our new members 'hello', we must also say 'farewell' to all for the summer. Our last dance for this season will be May 16 and will include a Trail End Pot Luck Dinner. For all who can possibly do it, try to get to the dinner as well as the dance.

At some later date, it will be announced to our club as to the date, place and time for our annual camp-out and picnic. The one is usually in July, while the picnic is usually in August. Each one is a lot of fun.

To all our square dance friends, have a happy and safe summer. See you next fall as a 'corner' or 'across the hall' when Dick once again calls out "Time to square-up".

Merry Mixers

The nice spring-like weather is upon us during this lovely month of May and many upcoming special events are in store for us. Don't forget Dance-O-Rama May 3rd at Brockport - a whole day of dancing and good times.

We will be having an Open House for new and interested prospective square dancers on June 9th. So club members, get busy and spread the word around. Our Trails End Dinner will be held June 13th at the Green Lantern Inn in Fairport. Hope to see a good turn out for this, our final event of the season.

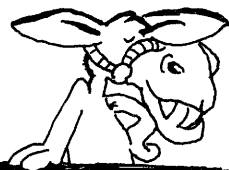

Congratulations to two of our club members, Mike Ford and Rose Szostak, who will be married on June 7th. Welcome back to Terry Veniskey who took a three week trip out of state. While Terry was there, she became a grandmother at least twice. Our sincerest condolences to Marie Dickinson whose mother passed away.

The Hobo Dinner which was held on April 21st was a big success and a big hand to Edgar Wardwell who was chairperson of this event and cooked the beef stew for everybody.

Anyone who has any news of interest, please try and get it to me. Happy Mother's Day to all. Dancing with the Merry Mixers is a challenge! We dare you to join us!

Pioneer Squares

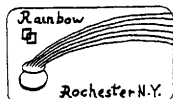

April Showers may bring May Flowers, but in our case May will be bringing all our members together again from around the world back to our weekly gathering. March saw our Presidents Sam and Mary Sayre off to Hawaii, while our Secretaries, Phil and Lena Nuccio were out in Dallas. I'm not quite sure just what kind of trouble our Mary got into while in Hawaii, but I do know that the Dallas Police Dept. is trying to extradite Lena for bringing back a souvenir from the Ranch used in the TV Series, Dallas. As of this writing, our Vice-Presidents, Ray and Dorothea Brayer are touring Australia and New Zealand. I'm sure they will come back with much to tell and maybe some interesting slides from down under.

Since we will not have a summer workshop this summer, we will be extending our regular dancing season through June. If your group is one that finishes the season in May, remember to come and dance with the Pioneer Squares on Monday evening.

In the meantime, see you all at the Dance-O-Rama. Our group that is going, is growing every day. A grand time should be had by all.

A crowd of leprechauns enjoyed dancing at our St. Patrick's Day Dance. Everyone was "Wear'en of the Green". The hall was elegantly adorned with an Irish flourish thanks to Ken and Doris Ghyzel. The tuneful sound of music set our feet to dancing the whole night through. Our pot luck April Fool's dance was an incredible affair without a single fool in attendance.

At this time we are looking forward to having Will and Paula Stans, a caller from the Netherlands, on April 30. Guests are always "Welkom".

Special happenings in May will be a May Day pot luck supper on May 7, at 7:00 pm. Bring your finest and have a find time. There'll be a stupendous garage sale at Harpers Hall from May 11 to 24. We won't be dancing, but you could shop for bargains. Ladies Day will be May 26. No charge for the ladies when escorted by her partner. It sure looks like we'll have a barrel of fun dancing during May. See you Wednesday nights.

Promenading B's

May already and we're all looking forward to Dance-O-Rama on the 3rd. But where did spring go? No dancing Good Friday and the Leukemia Dance on the 18th, graduation and election of officers on the 25th, and here we are. But we really did enjoy ourselves at the Leukemia Dance. Danced to some different callers than we are used to and saw lots of old square dance friends and made some new ones. And best of all it helped out a good cause. Some of our members enjoyed it so much that they went by bus the next night to Newfane to dance to Ron Fotch and Dan Dedo. Another fun evening of dancing with some friends we made last year when they came to the Black Light Dance and their Mystery Ride and we returned the favor ourselves.

But here it is May and on the 2nd we installed our new slate of officers. They've got a year or so to prove themselves but we want to thank Roger and Nancy Dart for the much appreciated super job that they did for the past two years as Presidents of the club. They are going to be a hard act to follow guys-best of luck-we're all behind you, willing to help whenever asked.

The 2nd will also be the first dance that our class will dance as official club members. We're so happy to welcome such a super group of people and such good dancers, to boot.

Keep coming folks so you will know when to be there for our Strawberry Festival at our Trail End Dance. They are both real fun nights, but the dates are not definite at this time.

Lots of good dancing the month of March. The special one being our St. Patrick's dance - with everyone 'wearin' the green'. All the guests who joined us for the class and club dance - sure helped to make our night. We hope you will continue to "Linear Cycle" to Thomas Edison School, 1612 Buffalo Road Every Wednesday night, where we dance from 8:00 to 10:00.

April 2nd, was our Easter Dance, and dance we did, to Al Howe's lively calls. It was great seeing Al again, and especially listening to him sing old time favorites between the squares. The Easter Parade of ladies in their creative paper plate Easter Bonnets, made it difficult for the judges to choose the three winners. "Yours Truly" recieved first prize - a really big solid chocolate bar with decorations. The 2nd, and third prizes were a bit more daring. If you really want to know - ask Arline Andrews and Stella Campbell.

Mike Callahan will be calling the four dances in May 7th, 14th, 21st, and 28th. We look forward to having our new members, who graduated April 30th, join us every week. June 4th, and 11th, Mike Callahan calling, and our Trail End June 18th, which is closed to members only, will be held at North Hampton Park. More details on that.

With Spring in the air I quote from The Son of Solomon;

Lo' the winter is past,
The rain is over and gone;
The flowers appear on the earth
The time of the singing of birds is come,
and the voice of the turtle is heard in our land.

Swinging Eights

For a large turn out of class dancers, visitors, and regular club members our April 5th Sing-Along dance was a big bunch of fun. A mystery female bunny greeting everyone with sweet words and jelly beans was later unveiled as Linda Ensign. Bruce Shaw was at his very best with his excellent repertoire of singing calls and it wasn't a Sing-Alone performance as the boisterous crowd boomed in with noises somewhere between singing and yelling. We thought Bruce Shaw was the only bagpiper around these parts, so we were amazed when a rabbit (with a mustache and a shape like Mike Liberti) appeared playing the bagpipes and sounding just as good as Bruce --- and the rabbit did it without even blowing up the bags. Our class (whose names are listed elsewhere in this PROMENADER) showed that besides being good dancers they really know how to concoct goodies that please hungry dancers. Thanks, Class! (And thanks also to Ted and Joyce Szatkowski for the pineapple they brought back from their trip to Hawaii.)

What can you get in Hawaii other than suntan, balmy breezes, souvenirs and pineapples? Ask Sally Soltysaik. She hobbled into our St. Patrick's dance with an unusual memento of her Hawaiian adventure - a gleaming white cast on her broken left leg. On the fifth day of their vacation she stepped on a mound of sand, it gave way and her leg crumpled under her. The Hawaiian hospital doctor called it a "vacation break". But all was not lost. With husband, John, pushing her in a wheelchair, they received red carpet attention for the balance of the trip.

Coming up: May 3rd, Dance-0-Rama at Brockport - go in a group and save gas.

The summer season is underway at Tecumseh Squares with air-conditioned dancing at the Red Men's Party House at 1001 Lexington Avenue, near Mt. Read. Bruce Shaw and Mike and Linda Liberti are on hand with their expertise in calling and cueing. Check our full page ad this issue for our summer dancing schedule.

May 13th is Gourmet Desert Night. All members bringing a desert are admitted free that night. June 3rd brings Judy Wilcox and fashions from her Ironda Shop to our dance floor. Volunteer response for these and other club responsibilities has been excellent.

Social events are cropping up on the calander. Friday, May 9th, is an opportunity for our members to spend an evening at Hidden Valley Club. Bring equipment and sneakers, your racquet ball, a swim suit for a dip in the indoor pool, some type of refreshment if you can, and also BYOB. Call Una Shaw at 426-2275 for more information. Picnic plans are underway-more details in the June issue.

Tecumseh Squares is donating \$50.00 to CURE, the organization being benefited by the Leukemia Dance on April 18th.

Our thanks to Singing Squares and Kuntry Kuzzins for inviting us to dance with them recently.

Spring! We saw our first flock of geese flying northward, right overhead they flew. Later, out of necessity, we washed the car.

Thanks to A. J. and Aileen Leonard for putting together the pancake brunch. It was delicious. The chief cook was Larry Bartlett, assisted by Tom Metzfield, head dishwasher was Stan Kulesa and the number 1 helper was Ray Laning. Kitchen help and servers included Carl and Ida Bundschuh, Norm and Ginny Barchet, Dick and Jackie McCray, Frieda Laning, Carol Kulesa, Betty Bartle, Bud Schafer and Joyce, the Boss, Smart. The afternoon of dancing was lively and fun. Art Harris and Dick Casper kept the squares going while Bob Slomcenski cued up a storm on the rounds.

March 24, eleven couples graduated from class and took their first and most important steps as new club dancers. They wrapped Dick in toilet paper while he was calling and earned their mummy dangles. Welcome to the club, gang. Keep up the good work.

Saturday, May 17th is our Trail End Dance after which we are taking a 2 week vacation. There won't be any Monday night dances on May 19th and 26th.

On June 2nd, Dick will start a repeat of his very successful summer workshop. Just as last year, new dancers are welcome to come learn M+1 and M+2. Seasoned dancers can brush up on them.

Dancing will be fun all summer long in Fairport--- Come on out, learn and have fun doing it. We'll love to have you.

Here we are approaching May. First comes our class graduation on May 1. What a great class you are! We look forward to having you as members of our club. You have worked hard and done a very good job. We're truly proud of you. Thank you, Jeff, for turning out such a fine class. On Friday, May 16, we will have our much planned on Apple Blossom Dance in the Williamson High School on Route 21. Our square caller is the ever famous Frannie Heintz. If you've never danced to him, be very sure to cancel any previous engagements for that night and hop, skip or fly to Williamson. That night, we're sure you'll be happy you did. Cueing will be capably handled by Al Overslaugh. We want to thank all who will be helping in any way to make this annual event a success. I'm sure not many of us actually realize how much effort and hours go into making this a success. You may think you're not doing anything important, but remember "it's the little things that count"! So, whether you're sticking apple blossoms in place for decoration, selling tickets, or cleaning up after the dance; your job is important and we thank you one and all! We're hoping to have our Wayne Westerners float in the Apple Blossom Parade as usual.

On May 29, we hope you will all enjoy our Trail End Dinner Dance at Zappia's Restaurant in Newark. Happy Hour 6:30, dinner at 7:00. See ya' there - I hope!

Here's a brief run down on April - no dance the first two weeks - on the 12th our mystery dance - which we'll keep a mystery 'till next report. On the 24th, we greeted many guests from other clubs. How nice of all of you to come.

In closing let us say - April showers bring May flowers - May you all have a bloomin' good month!
