With this issue, we are passing on our typewriter to new editors. We hate to leave the PROMENADER staff, but it's nice to see the enthusiasm and goals that Russ and Doris have set for their Editorship. We want to thank all those people that have given us such a fantastic opportunity and experience. Reporters, advertisers contributors, callers, club and federation officers; all of you have made this paper and this experience so rich and rewarding for us. Our printer's (John Fink) work speaks for itself, the quality of the PROMENADER is John's signature. A special thanks to Frank and Julie; we never would have, or could have done it without them.

May we leave you with one thought? "Square dancers are ggrrreat!"

LETTER TO THE EDITOR

To all my square dance friends:

I am still trembling with the excitement and joy felt when my name was called at Dance-O-Rama as the recipient of the Daphne-Norma Leadership Trophy for 1980. The achieving of this award is not accomplished alone. I have had the help and support of a great many square dance friends, but it would require several pages of this issue of the PROMENADER to list everyone I need to thank for this help.

However, there are three people that deserve a very special thank you from me: First, my very faithful, understanding, helpful dancing partner for ten years--Len Prescott; second, my teacher, Ben McGilvery, whose instruction and encouragement provided the inspiration I needed to become a square dancer; third, Frank Salvagio who was responsible for my original involvement with the Dance-O-Rama Committees and the Federation.

My sincere appreciation and gratitude goes to all of my friends in square dancing, for without these friends, my Leadership Award could not have been achieved.

Caller Profile

BRUCE SHAW

Bruce Shaw, 33, has been involved with square dancing for more than half his life. He was introduced to square dancing by his parents, George and Una Shaw, when he was 16. (His mother bribed him--he could drive the car IF he drove it to a teen square dance club. He did, and that was the beginning of his interest in square dancing!)

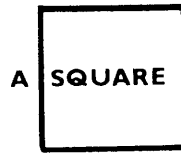

Bruce began calling in 1964 for the Little Squares, a pre-teen group. He has been Club caller and Class Instructor for Swingin' 8's since 1973, and for Tecumseh Squares since it began.

Bruce attended four Callers Schools in the New England area in 1967, 1971, 1972 and an advanced session in 1975. These were conducted by Earl Johnston and Al Brundage.

He has been a member of the Rochester Caller's Co-op since it was formed, and served as Co-Moderator in 1974 and 1978. Bruce has been a member of Callerlab Since 1976, and received Caller Accrediation in 1978. He is currently a member of the Membership Committee of Callerlab.

Bruce and his wife, Shirley, met at a teen square dance club. They have been married since 1968, and have two children - Erica, 4 years old, and David, 20 months. They reside at 19 DaVinci Drive in Chili.

Bruce works for Eastman Kodak as an Industrial Engineering Technician. His hobbies include bagpipe playing. He recently joined the Shriner's Bagpipe Band.

This is the Trails End Issue of the season. Sooooo I would like to take this opportunity to thank all of you lovers of good dancing for your contributions. The fifty-cents you paid for having me stay out of your set is just a pittance for value received....better dancing.

The Dance-O-Rama has come and gone. A job well done by Ruth and Blakely Harris and crews. Ruth personally thanked me for not attending. She said that they were able to keep the levels of the different halls, balanced. I wonder, does she mean that my dancing is unbalanced? Gee, I always do no level best.

Why wasn't I there? Because I was dancing in California. Thousand Oaks to be exact. First I went to a Challenge dance. I was challenged at the door. I was asked for my name, my level and my next of kin. "Why next of kin", I queried. Because, they said, you could get killed in there!

Next I went to an advanced dance. What I saw was some high level standing. I don't think you were allowed to smile in a set. There must have been a penalty, like having to set out a tip, if caught. This must be so because the only ones smiling were sitting along the wall, watching and smiling.

Then I found my kind of club. They not only smiled, they laughed. The Pi R Squares, also known as the Pizza twirlers of Thousand Oaks.

I was greeted by George and Elnora Babich. They made me feel very welcome and passed me on to Bill and Erva Wells, Treasurer. I tried to convince them that since I only dance half as well as anyone else, I should only pay half price. They didn't buy it. Oh well, win some, loose some.

Clyde Drivere is their caller (he made the singing call record, Hazel Eyes). His Taw Barbara is also called "Sarge". I don't know why, unless it's because everyone salutes her as she passes by. Clyde is a very polite caller. He calls "Pass the ocean, please". Someday someone is going to give him an ocean.

The Presidents of the club, Chuck and Mickey Guarino invited me to a Pizza and beer party at the Straw Hat Pizza Parlor. The party was paid for with their half and half profits. They served me a Pizza and a large mug of beer. Large! First time I was ever served a tub of beer. I didn't know wether to drink it or soak my feet in it. I felt a little piggish sooooo I drank it all, even though it took me until the wee hours. Then this little piggy wee wee weed all the way home.

Well that's the end of this season, but there are a lot of good dances around this summer. Sooooo maybe I'll see you in a set, if I don't.....

Thanks Anyway,
Hal Abberger

NEW YORK STATE SQUARE & ROUND DANCE FEDERATION

New York State Square Dancers'
Legal Obligation Paid Off

The New York State Square & Round Dance Federation announced, at its State Executive Board Meeting on April 19, 1980, that the final payment had been made to the attorneys who successfully defended New York State square dancers in the New York State Tax Commission's case against them.

The case developed when the New York State Tax Commission brought action against two southern New York square dance clubs and their presidents in May 1971, for unpaid state sales taxes plus penalties back to August 1965. There was no intent by the clubs to avoid payment of taxes properly due the State, but rather a sincere belief that square dance clubs were not subject to the tax.

A legal defense fund was raised at that time through contributions from clubs and individual dancers and attorneys were hired to defend the clubs and their presidents. It was not until August 1976 that the case was settled in favor of the square dancers, by which time the legal expenses had considerably exceeded the fund originally collected.

In January 1977, the Federation offered, on behalf of all dancers in the State, to reinstitute the legal defense fund and to accept contributions toward it. Contributions came from many clubs and individuals within the State and in addition, there were contributions from clubs in other states, thus indicating their concern that a similar situation could occur in their own state.

A substantial portion of the final payment was voted by the State Executive Board to be paid from Federation funds on behalf of all of the clubs and dancers of the State who are benefitting from the results of this legal action.

The Federation wishes to thank all of the clubs, callers, and individual dancers who contributed money and time toward the goal of paying off this debt.

CALLERLAB PRESS RELEASE

Recently, the staff at the Phil Donahue Show contacted and made arrangements for a special one hour show dealing with Square Dancing. Lee Kopman will be the principal caller along with Dave Taylor assisting. There will be four squares of dancers and the plan is to show square dancing from Traditional to current Western styling.

There will be live dancers from several areas and will include some youth. The plan is to have some dancing, some talk, some promotion, some teaching and if all goes well, they intend to get Phil Donahue to do some calling.

We, in CALLERLAB, are excited about this project as being a tremendous opportunity to promote square dancing all over the US and Canada. We urge you to talk to as many dancers as you can and get them to watch the show. We would also urge you to get any non-dancing friends to watch as well. To this end, we are enclosing a schedule of air times for the show. If you and the dancers who watch enjoy the show, please write: WOKR, P. O. Box L, Rochester, New York 14623 and tell them how much you enjoyed it.

Remember, we have a great opportunity to get millions of people to see square dancing as we love it. Let us all try to promote this show and who knows how big the classes will be next year!

The program will be using CALLERLAB as the reference for inquiries as to where to learn more about square dancing. If you, your club or your group has a change, please report it to the CALLERLAB Office as soon as possible so that we can give out current information. We have names and addresses as per mailing label as well as the National Square Dance Directory published out of Mississippi as our primary source documents.

PRESIDENTS'

CORNER

-by Orlo Hoadley

In my final President's Corner letter, I'd like to ask all the dancers of the Rochester Area to join me in saying thanks to some folks who have done much to Make Things Go in the past year.

Thanks to Ruth Harris for Dance-0-Rama: judge her job not only by how much the dancers enjoyed it, but also for the fine job of organization and the fact that it was financially healthy. Thank Ruth also for offering to do it again in 1981, provided only we can find a Co-Chairman to take some of the load off her shoulders.

Thanks to Maryln and Bob Dailey for their job as PROMENADER editors, and to Frank and Julie VanDeusen for their past and future service as Circulation Managers and Co-Editors.

Thanks to Hal Abberger for taking on the task of organizing this year's exhibition dances at the County Fair, which is August 01-09. While we're on the subject, if you want your club on the sheet of classes that we hand out at the Fair, please get to me before July 01 the dates, times, and location of your Open House dance, location and night of the week of your class, name of the class teacher, and one or two telephone numbers to call for information.

Thanks to the officers of the Federation for their year of service: Fayne Doering, Steve Mosesohn, Charlene Toole, Joanne Engelbrecht, and not least to my favorite partner Rita, who does more than most folks realize of the behind-the-scenes donkey work.

A special thanks to the delegates at the Federation meetings, for the friendly and cooperative attitude with which they conducted the Federation's business. Questions were settled, not by a strongly-contested vote, but by consensus. A good example of this was the May meeting: two months of valiant effort by our Nominating Committee had failed to find even one candidate for office, but after Jim McCollum broke the ice by taking on the Big Job, enough other acceptances were found right on the floor to give us a full slate of officers for the new year.

And finally I'd like to ask a couple of questions: Would the Rochester Area Clubs cooperate in taking a census of square dancers? We would need to see all the club membership lists, to avoid counting more than once dancers who belong to more than one club. We have more than twice as many clubs now than ten years ago; are there that many more dancers, or is the same number of people just spread out thinner?

The other question has to do with our class graduates: in last month's PROMENADER were listed over 330 individuals who just graduated, and there were others not listed. Of these only 83 came to Dance-0-Rama this year. Is there something we can do to kindle more enthusiasm among our newest dancers?

Good bye----God bless us every one!

Country Dancers

On July 31 and August 28, we will be having English Country Dances.

Dance-0-Rama has come and gone and this was the best ever for the Contra Hall. Chip Hendrickson did a wonderful job and more square dancers than ever before tried doing contras. I'm sure the live music was a drawing card in the evening--as well as having the coolest hall. We thank you all for coming and we will see you next year when Ted Sannella will return. We want to remind everyone that we continue our club all summer - most of the time with live music. We hope to have two extra special events with special music imported from New England. June 21-22 at Blessed Sacrament School Hall (across from the Genesee Co-op on Monroe Avenue). Rodney and Randy Miller will be featured with the Blackthorn Ceildh Band. This is a must! Class graduates? Come and bring your non-dancing friends. Children (\$1) over the age of 10 are also welcomed, at all of our dances. While dates haven't been confirmed at this writing with the band, we hope to have Timber Salvage (another New England Band) playing on the weekend of August 21 and 22. Thursday night's dance will be downtown at Manhattan Park as a city recreation special event and open to the public. We probably will have our regular dance on Friday if Timber Salvage is here. Country Dancers celebrate it's fourth birthday on June 26th with our original band (Blackthorn) and one of our founders (Ceidlen Beller) as caller. Our annual picnic at Ellison Park (Hazelwood Grove) is scheduled for July 3 (pot-luck supper at 6:30, dancing starting at 8 with Overacker Corners Playing. Come! Bring the family, a dish to pass and place settings. Phone me, 244-1375 if you plan to come for supper.

Our Open House dance is scheduled for September 18 with Ed Butenhof calling. It's Free!

We hope you are all ready for a summer of good dancing at comfortably air-conditioned Kodak Office. Remember to take advantage of Ken Anderson's summer workshop dances at 7 each night he is with us; that will be June 11, 18, 25, July 23, 30 and August 6, 13. Carl Hanks will be our guest caller on June 4, Ron Schneider on July 9 and Red Bates on July 16. As usual, Betty Wolcott will be cueing rounds for these dances, with her workshop beginning at 7:30. Because our hall was not available, the Ron Libby dance on July 2nd has been cancelled.

We need to be considering the September Open House Dance, rescheduled for the 24th (instead of the 3rd). We should be promoting this event among our friends and acquaintances so we can have a good turnout and be able to sponsor a new class of dancers this year. As we all know, new dancers are needed to keep the square dancing movement alive.

We are pleased to welcome new club members Norma and Dusty Pagel.

Our fall season will open with our Welcome Back Dance on September 10, with Ken calling.

Have a good summer of dancing.

On April 20th a small but enthusiastic group square danced to the calls of Tom Vititou from Plattsburgh. We all had a grand time and are looking forward to dancing to Tom's lively calling again.

Our caller, Don Pratt, had additional surgery in Buffalo, and we hope he has a quick recovery so he is back calling for us again soon.

Our annual elections have been held and the new officers for the '80-81 season are: President-Marty and Mary Miller; Vice-President-Bill and Dot Niles; Treasurers-John and Lois Wing; Secretaries-Jack and Ethel Mason.

Our Ron Libby dance is on June 8th and hope to greet all our dancers there. Our trails-end dance will be held at the Rod and Gun Club and then Happy Camping for the summer months for most of our members. The Sauerkraut Festival Dance will be held in Phelps on August 2nd, with Irwin Dorfmaselly and Al Overslaugh cueing rounds. Save that date for a fun dance.

We have a busy schedule planned for the next few months. Our club will be having a Strawberry Social on June 18th at the Brockport Campus School at 8 p.m. Our Trail End Dance will be held June 25 and will include a delicious pot luck supper. In July we will be having an ice cream social and the sundaes are a real treat after a hot July day. Come September, we are looking forward to Open House and starting a new year of square dancing and meeting new square dance friends.

Our caller and his taw, Ron and Betty Fotch, will be calling for the dances through the summer at the Brockport Campus School from 8 to 10:30 p.m. every Wednesday night. It will be rounds from 7:30 to 8 for those of you who would like to learn rounds. The dances will include some workshops involving M+1 and experimentals. It sounds interesting and a lot of fun for all. We hope to see you there and keep dancing through the summer!

It's June again, the end of the trail. Our pot-luck supper is at 6:30pm on June 14. We are also planning a family picnic on July 27 at Spruce Lodge, Ellison Park at 1:00pm. This was a fun day last year and we are looking forward to a good time again this year. So keep the date open.

Have a good summer and we'll see you in September.

(Congratulations and welcome Graduates! On May 8th we welcomed 12 couples who graduated in ceremonies presided over by VPs Dick and Naomi Kingsley. On behalf of all officers and members, we extend a warm welcome to each of you and trust you will enjoy a new demension of fun and sociability that only square dancing can bring. We also look forward to dancing with you at our forthcoming events.

New members are the lifeblood of any square dance club and it is gratifying to add this group of fine people to our membership roster. A special note of thanks goes to Chuck Prister for the fine class he has turned out and for the "something extra" he seems to put in.

We miss the Morrows dancing and hope Fred will be feeling better soon. Also, we wish to extend sympathys to Angie DiBitetto upon learning of her father's recent death.

Dates to remember: Trail's End Dinner Dance at the Green Lantern at 7 pm on Thursday, June 12th. Our first family picnic at Oak Tree Lodge in Powder Mill Park on Sunday, August 3rd, beginning at 1 pm.

Special note for new graduates: Now that you have just completed your "basic training" in square dancing it is of the utmost importance to continue dancing through the summer months so that when the fall season rolls around you will be well prepared for a full season of club level dancing. Come and enjoy summer dancing with us in the air conditioned Green Lantern, Thursday evenings at 8pm.

June - Trail's End Dinner Dance, June 7th. This will be held at the Quality Inn Gate House and will be hosted by Bob and Margaret Pearson. The theme will be "Red, White and Blue".

Picnic - June 14th at Powder Mill Park - look for the signs. This is always a fun time for the whole family. Bring a dish to pass and your own meat to grill. It will start at 2pm.

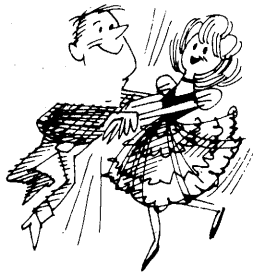

July - Camping at Skybrook Campground with the Coco's, over the 4th of July weekend, fun, fellowship and dancing. Call the Coco's for your reservations. Black top dance at Brighton Reformed Church, Blossom Rd. on Friday July 18th. A carry in dinner precedes the dance at 7pm.

August - Our second carry-in dinner and black top dance at Brighton Reformed Church on Friday, August 15. That's our summer schedule. Guests are always welcome so join us at any or all of these events.

Last month - May - we enjoyed "Wild Bill Wilcox" at his best on the 10th when we had an evening of singing calls. The person who rounds out all of these dances, and who seems to be overlooked the most when plaudits are handed out is our cuer, Linda Liberti. Linda, thanks to you for making our year complete.

With summer just around the corner, how about starting it off right by helping us "Graduate" our class on June 19th. All members are urged to attend to make this an evening of fun and memories for all.

Mark these dates on your calendar; July 17th - General Meeting at 6:30, dance at 8:30. August 21 - Potluck dinner/dance. Bring a dish to pass. Dinner 6:30, dance 8:30. September 4 - Welcome Back Dance, 8:00.

The gang from Henrietta Friendship Squares visited us on May 1, 1980 for the purpose of retrieving their flag. Ben sure looks good in a shirt, doesn't he? First, the flag - then the shirt - maybe next time ol' Buddy!

Bumper sticker of the month - spotted on an M.C.S. Members' car - "Don't follow me + I'm lost too!"

Have a happy summer and remember - now is the time to find that special couple that enjoys the friendship of others - a night out - or just a new challenge. Be a club booster!

Promenading B's

Graduation was a great evening for the B's. With all the graduates lined up on one side of the room, joined by the other great couples who have joined us in the past year or so, we had a wonderful group of new friends that equaled or out-numbered our "old" friends. We circled the hall and formed the "hive" for next years officers to "lead". Speaking of same - they are - Neil and Jean Stewart, presidents, Hal and Jan Kiltath, vp's Cliff and Julia Foote, treasures. Hinksons and Daileys will represent us at the federation. We're looking forward to another super year and have already started planning for it. On not so happy a note, that was also the night we found out that our own "little Alice" De-Felice was quite seriously ill in St. Jerome's Hospital in Batavia. But we are happy to report at this time that after surgery she is doing quite well and we are all looking forward for her to be back on the dance floor with us soon. God speed, Alice.

Our Trail End Dance on May 16th was a scrumptious meal with everyone's contributions, before we were joined by the Henrietta Friendship Squares-came to retrieve their Presidents shirt. Another highlight of the evening was Ron doing singing calls from a request list provided by the members. What a night. Fun and fond memories for everyone.

With goodies still on the brain, we are licking our lips already for the Strawberry Social on June 6th at the Byron-Bergen Elementary School. That will be about the last of our regularly scheduled dances but we have summer plans for picnics, get togethers and of course, our volleyball tournament. Any club wishing to challenge us, contact Roger Dart our captain and coach at 293-1872 to make yourselves known. We'll set up a mutually convenient time and place and take on all comers.

That's all from me folks. 'Til the next issue and another reporter, keep dancing with the B's.

Well it looks like spring is here and summer is well
on its way, this spring gets off to a good start with the
announcement that Jack and Lucille Harrigan's son will be
getting married on May 17th. We wish John and Paulette
all the best of luck.

On April 26th, we held our gift dance for the Glass
Slippers. As you remember we sponsored a contest for
area clubs. The club that attended our dances the most
was rewarded with a free dance. Everyone thoroughly en-
joyed themselves.

On May 17th, we held our Trails End Dance. This
year a pot-luck dinner and as usual it was delicious. We
had quite a variety of main dishes and desserts.

We are holding our first campout of the summer the
weekend of June 6, 7, 8, at Lakeside Park. On Saturday
night we will have a picnic and will dance afterwards in
the lodge.

On Saturday July 19th, we will have a picnic at

Swingin' Eights

It's nice to have a great party to look forward to
and we have one on tap - Our Trail End Dinner Dance Sat-
urday, June 7th at Ukrainian Civic Center, Cocktails at
6:30, dinner at 7:30. The summer recess means no
Swingin' Eights club dances for awhile, but hopefully we
will build up lots of pep and come back full of enthu-
siasm and fresh ideas in September (Open House September
6th.)

Doris and Russ Jenkins have brought honor to our
club by becoming the new editors of the PROMENADER. They
deserve everyone's support for volunteering for this im-
portant job. To the out-going editors, Bob and Maryln
Dailey, we extend our hearty congratulations and deep
appreciation for their excellent performance in a very
demanding office.

It may not be incredible, but it sure is super-rare
that--two couples married in a double wedding ceremony in
1930, celebrating together in 1980 their 50th year of
wedded bliss. It happened on May 17th and featured our
own Mary and Mike Parado with Mary's sister Sophia and
Alfred Santillo forming the balance of the combination.
The festivities were arranged by the children of both
couples and were attended by many relatives and friends.
This gives a new meaning to the expression '50/50'.

Swingin' Eights were represented by eighteen couples
at the Leukemia Dance and fourteen couples at Dance-O-
Rama.

If plans materialize there will be a picnic for
Swingin' Eights - probably on July 20th. Details will
be announced at the Trail End Dinner Dance.

Special note to Class Graduates: Try to do some
dancing during the summer to keep sharp and improve your
technique. There are lots of workshops, camping-dancing
weekends, and other dances available. You'll be glad in
the fall.

Triggers

First we want to thank all of our out going officers, you all did a great job.

A special thank you to Martha Haungs for the great job she has been doing cueing our round and line dances. Martha took over on a moments notice when Peg Huss took ill, and we all appreciate the time and effort that Martha has given to the Triggers.

And where would we be without our committees? Certainly not where we've been. A big thank you to all (and there were many) who chaired and/or volunteered for committee work. Many hands make light work.

At our Spring Fling our new officers were officially installed and given a big "Howdy", they are: President - Vince and Norma Kammer, Vice-President - Ed and Barbara Cuthbert, Secretary - Jack and Ann Miller, Treasurer - Skip and Shirley Brennan, Advisors - Bob and Jean McConkey, Senior Representative - Bob and Mary Saeers, Junior Representative - Fay Doering, PROMENADER Reporter Jack and Debby Blood, Historian - Mable Wordingham.

It wouldn't be practical to list all the Triggers who are out ill or injured, there are too many. But there is one, Barbara Clise (class of '79) who has had a particularly hard time. To Barb and her husband Mike we send, our best wishes and prayers to blend, with their hopes and dreams to mend, a life worth living from all their square dancing friends.

For summer dancing with the Triggers please consult your dance schedule or our ad.

Our annual club family picnic will be Saturday, June 14th. Reservations by June 7th. We always have a good time at Hamlin Beach so we hope to see you all there.

Now it's time for us to say farwell, goodbye, etc. A writer I'll never be, but I can say I was a PROMENADER reporter. And for that we say "thank you".

Web Spinners

Hawaiian lei's, pineapples and even a "little grass shack" greeted Trails End Dancers on May 16. The Executive board had turned the Firehall into a tropical paradise. Entertainment was provided by Ollie and Her "Island" friends. The Mascot was there also, to provide fun!

Web-Spinners recieved two awards in May. The Leukemia Dance awarded the club with a punch bowl for selling the most pre-dance tickets. Our club also was made an Honorary Member of the Square Dancers of America due to our generous contributions for the 1980 Square Dance Float.

The family picnic will be Sunday, June 15, at the Firemans Field. Bring your meat and a dish to pass. Fun and games will be provided.

Don't forget to join us on Wednesdays for the dances at the Webster Recreation Hall during June.

Wagonmaster Mike Iacona made everyone welcome at our first campout, Memorial Day weekend, at Holiday Hill. He has planned more camping - Skybrook on July 3-6, Sunset Park August 1-2 and Woodstream August 29-September. Ladies don't forget your crafts! Judy Wilcox is in charge of Craft Hour.

The mascot was rescued by the night raiders in Chili. Remember to keep it circulating!

Best wishes for a sucessful year to our new Presidents, Bob and Dolores Harloff and to our new reporters, Duane and Shirley Mabee. A big thanks for a great year to Nick and Claudette Culian and their committee.

Have a nice summer. See you around the campfires.

We had a busy month during April. Our Trail End Dinner Dance at Shadow Lake was an evening to remember. The food was excellent, the friendships everlasting, and the dancing was perfect. Everyone went home with happy memories.

Our Welkom Dance with Wil and Paula Stans from the Netherlands was a huge success. It was different to dance to a caller with a Dutch accent.

We are looking forward to our Summer Sounds dances during June, July and August. These have always been fun filled evenings where we enjoy dancing.

It should be an exciting summer season and we are looking forward to seeing both old and new dancing friends.

CALLERLAB

The International Association
of Square Dance Callers

CALLERLAB is pleased to announce another step forward in its continuing efforts to include more callers in its international family. This new category of affiliation is the SUBSCRIBER. The CALLERLAB office has received many letters from callers who say they subscribe to and support the CALLERLAB programs and code of ethics but for very good reasons, cannot attend the Annual Convention. Others write to inquire about subscribing to CALLERLAB publications even though they cannot become members. Thus the name SUSCRIBER seemed to be a double edged natural. A SUSCRIBER must meet all the qualifications for full membership except attendance at a Convention. He/she will receive all CALLERLAB publications which full members receive but will not be eligible to participate in CALLERLAB business by vote or committee assignment and will not be covered by the CALLERLAB group insurance. Dues for the SUBSCRIBER will be the same as those for a full member, currently \$40.00. When a suscriber attends a CALLERLAB convention, he/she automatically becomes a full member, having met all other requirements. When a member is unable to retain full membership by attending one Convention every three years the member may revert to SUSCRIBER status rather than be dropped. Those interested in becoming a SUSCRIBER should obtain a recommendation from a CALLERLAB member and send it with their request and dues to CALLERLAB, Box 679, Pocono Pines, Pennsylvania 18350.

Tecumseh Squares

Good fun, fellowship and air-conditioned summer dancing is available every Tuesday night in the festive atmosphere of the Red Men's Party House at 1001 Lexington Avenue.

Tecumseh Squares welcomes you to dance with us. Our summer schedule includes a fashion show on June 3rd, with Judy Wilcox and her Ironda Shoppe, a strawberry Festival on June 24th, Sundae Tuesday on July 15th, and Gourmet Dessert night on August 12th. Our full page ad in this issue details our complete summer schedule.

Sunday, June 29th, is the date for our picnic at Hamlin Beach Park. A sign up sheet will be posted for our members at our regular dances.

Bruce Shaw, our club caller, Jack Sadwick, our class instructor, and our cuers, Mike and Linda Liberti have our appreciation for their talents and for their willingness to donate them as they did, along with others, to the CURE Dance last April. It is our pleasure to have these people in our midst.

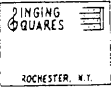

Our thanks also to our members who donated their time to DOR and to being part of demonstration squares at Maplewood Neighborhood Festival.

A contribution of \$100 was made through our Indian Child Fund to the Al Sigle Center for use on behalf of the children who use the Center's facilities. Thanks to Stuart and Jeanne Hayes for their assistance in coordinating these efforts.

For this fall, our membership can look forward to another trip to Vine Valley, an evening of dancing on wheels, and, a special first time opportunity for Tecumseh Squares' Members. The September issue will have more specific information.

Again, our full page ad listing our summer schedule is elsewhere in this issue.

We hope it's a good summer for everyone.

Singing Squares

Seven couples passed all the tests and graduated with flying colors.

April 30th. It wasn't easy-especially when they had to dance with flippers and boxes on their feet. We welcome them into Singing Squares Club and especially thank the angels for their help all year, and El Johnson for his excellent instruction and patience.

Mike Callahan will call our last two dances for the summer-June 4th and 11th. Hope all our square dance friends from neighboring clubs will join us at Thomas Edison School, 1612 Buffalo Rd. from 8:00-10:00 refreshments after the dance.

June 18th is our Trails End and closed to members only. It will be at North Hampton Park and everyone is asked to bring a dish to pass to go with the steak roast. This is always a fun-time with dancing and good fellowship before we go our separate ways for the summer. We shall look forward to dancing together again in September. We wish everyone a safe, happy, delightful summer.

A thought for the day from Sanskrit:

"Yesterday is already a dream, and tomorrow is only a vision; But today, well lived, makes every yesterday a dream of happiness, and every tomorrow a vision of hope".

Swinging Singles

Best of summer wishes to all square dancers from the Swinging Singles. Well, summer is finally here and we are going to be busy.

First of all election of officers will be held June 16. On June 30 we are going to have a strawberry social. We also are having our annual dinner dance in June to be held at Barry's.

July finds us with our summer weekend at George Phillip's cottage. This promises to be fun, judging from past experiences. This is the only event, as of now, planned for July.

We are dancing all summer with Jerry Carmen as caller and Betty Carmen as cuer. Please join us.

In closing, I would like to say I enjoyed being a board member this year and working with all the other members of the board. Special thanks to John Rizzo and Cindy Brust our president and Vice-president. I have enjoyed writing this column for everyone also.

Wyco Promenaders

We are planning some summer dances, so any of you good people out there who "rest" for the summer are welcome to join us for an evening of good dancing.

All club members please note: our annual Chicken Bar-B-Que will be held at Letchworth Park on July 25, Bob Yunker, cook. You will need to make reservations. Please contact Joan or Harold Meyers at 591-1498 by July 14th. We will plan to eat at 7pm and dance later. Plan to bring a dish to pass and your table service and enjoy.

We will also be a "fair" attraction again this year. We will put on our annual demonstration at Wyoming County Fair in Pike on Sunday evening, August 17. More details will be available at our summer dances.

At our last club dance we were visited by the channel 7 reporter, Don Polec. He joined a square and even tried calling. We had a good time and we hope the camera made us look like we knew what we were doing. We are all awaiting our T.V. debut.

Have a good summer.

Village Squares

Our thanks to the Country Twirlers, the Tecumseh Squares, and the Web Spinners. We appreciated the invitations and we sure enjoyed dancing to Jim, Bruce, and Wild Bill. It's good to get out and dance with some of the people we haven't seen for awhile.

Most of May was quiet, with the club taking two weeks off after the Trail's End Dance. But not it's June.

Our caller, Dick Casper, is going to repeat his plus one and plus two workshop from last year along with some very special nights this summer. The first night, June 2nd, is Hot and Kraut Night. Everyone who comes to the workshop will receive a free hot with or (without) sauerkraut. On June 23rd, slick down your hair in a greasey D. A. and the girls put on their bobby sox and saddle shoes for a 50's night. That one will bring back memories. On July 21st, bring your lawn chairs and wear your halter tops and jeans and T-shirts because we'll be dancing in the parking lot. There'll be other special nights such as Sundae-Monday, etc., but all of them will concentrate on learning while having fun.

If you're new and would like to learn to dance at the Mainstream +1 and +2 levels, or if you're an experienced dancer and would like to have fun while brushing up on the various steps, come on over each Monday at 8:00. At the end of the summer you'll be able to say "I enjoyed myself". For those who complete the whole eleven weeks course, there will be two regular nights of free dancing and also the Much Coveted, Casper, the friendly ghost dangle, to show the world that you have graduated to the Plus 2 level.

The workshop runs from June 2nd, to August 11th. Join us for 50% work and 50% dancing, which equals 200% fun. We'll be looking for you.

Join us September 6 for "Welcome Back Dance".

Here I am, about to bring you up to date on our summer schedule. First we will meet at Forman Park in Pultneyville at 6:30 on July 10th, for our picnic. Each couple is to bring their own meat, a dish to pass and their own table service. Any questions you may have will be answered by Alice Hale. Then the only other summer event is our campout at Sampson State Park. August 1, 2, 3, capably handled by Marty Immerman. If you'd like any questions answered call Marty at 483-8448. If you're lucky you may be able to catch him while he's not golfing! We'll be dancing at Sampson on Friday and Saturday nights this year.

It's nice having our recently graduated class members dancing with our club. Greetings to all of you!

Before I forget - I'd like to mention that some gentleman left his hat at our club's guest night on April 24. Aubrey Hale says it doesn't fit him so he'll keep it for its rightful owner. Maybe this will be a reason for you to visit us again or call or write and tell us its yours.

In closing we'd like to thank everyone who helped make our Appleblossom Dance a success. It seems like when we have need for help you're always there to pitch in and help. At this time, too we would like to express thanks to our club Presidents - Aubrey and Alice Hale, Vice-presidents, Ken and Dot Wilcox, Secretaries, Homer and Rachel Porter and Treasurers, Ray and Rosemary Fregoe for a job well done. Also, we want to thank our caller Jeff Elmore and his lovely wife, Sally who assisted him for all their patience with us.

Just a closing note to our graduates - Don't take a vacation from dancing this summer. Dance all you can with everyone you can - wherever you can.

May you all have a great summer. See you all in the fall.
