SHARING... isn't that what square dancing is all about? We think this should be the theme of DANCE O RAMA 1982. We believe such a big dance to be a success needs the effort of all square dancers in the area. We welcome your ideas and advice on how we can make it a "looked forward to dance" at the close of the dancing season, not a tedious job that has been done the the past and we should "keep it going." Last year a third of the dancers came from out of town. This is a statistic we think should be cut to 10% Why didn't you attend last year? Cost of dance? too long a dance? location? time of year? heat? Ask your fellow square dancers if they went last year. If they did, ask them if they had a good time. Bet you won't find many who didn't enjoy themselves.

LOGO. Since we were asked to chair this dance we have been thinking of ways to include more of you, to make this dance more personal like your club dances are. It was suggested to us that we have a "logo" for DOR. OK, let's have your ideas on this. Send them to us and we will have past chairmen look them over and pick one without knowing who sent it in.

HANDBOOK. We also thought a Hand Book for Square Dancers would be good. Sewing hints, how much material does it take to make a circle skirt, etc. A recipe section including one for the working dancer, dishes prepared in a hurry or the night before for "potluck dinners," Christmas goodies, a how-much section--helpful in planning your club's strawberry social, how large a cake do we need for six squares? etc. This would save over-buying and coming up short. Special recipes and ideas you have used that have been well received by the many dancers that surround the refreshment table. Maybe some clever, inexpensive decoration ideas for your club's dance. All ideas you think would be helpful to others should be in this book. Your name and club will be noted above your suggestion, idea or recipe. The book will be mimeographed and given free at DOR to all who contribute to it and will be available to everyone else for a donation.

PICTURES and MEMENTOS. Many of you have danced in other states and countries. If you have pictures or mementos we would like to use them in the dance halls this year for interesting decorations. Also, memorabilia of past DORs and pictures you may have of these. We believe square dancers are a sentimental lot and save things that remind them of the fun times they have had. So start now to gather up what you think would be interesting. We will mount it on poster board and get it ready for all to see.

GRADS. This year we want to feature all graduating classes at the ceremony before the night dancing. We would like each club to encourage their class to attend and be in a grand march carrying their club's banner.

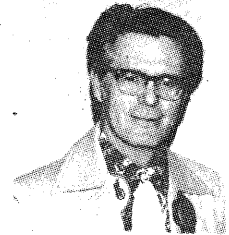

CLOGGING. A clogging demo is great to see. Who can help us get this together?

S H A R I N G . . We think that's what it is all about. Let's pull together and make DOR 1982 a fun time to remember. Fun is spelled with "u" in the middle, and that's where we want "you" to be. It is your DANCE O RAMA.

MAIL REPLIES. Please mail all ideas and logos to us before October 15. Mail Hand Book ideas before Feb. 15. Mail pictures and memorabilia before April 15. Thanks for your help and for taking the time.

CARMEN'S COLUMN

Callers get very little constructive dancer feedback. I suspect it's the fear of offending or not knowing how to phrase a criticism that puts a barrier between caller and dancer. At a recent new-caller training session some questions were asked about dancer opinion and not answered to everyone's satisfaction. I would therefore like to use this column to conduct a little poll. Circle a response or add one in and return to me directly or through a Callers Co-op member. Do not sign your name.

- Do you mind a caller reading his material throughout the evening while calling a dance?

- If you see a caller reading his material, you think

Letter to the Editor:

VILLAGE SQUARES
Rochester, NY

Square dancing is fun! We teach our new dancers this and that is how it should be.

Twenty-three years ago the Rochester Area Federation of Round and Square Dancing Started Dance-O-Rama for the purpose of blending recent graduates in with the seasoned veterans. DOR has grown and now has a contra hall, a round dance hall, and four square dance halls, accommodating every level of the dance as it is known today. All well and good, certainly fitting the idea of fun.

However, this year a blemish touched DOR, one that has caused controversy in recent years. We refer to the methods and reasons for awarding the Tucker Award. It is given, supposedly, to the club that participates the most in DOR and creates a contest-like atmosphere. It is not a Federation award, but is given by a private individual using Federation information and ticket sales. Under special control this might be O.K.

This year, though, due to a lack of communication, mistakes, and a refusal of cooperation by one individual for an extra 10 minutes of time, three and possibly more clubs were put out of contention for the award. This is not right. It could even be the reason for declining attendance at DOR. The facts regarding these irregularities were presented to the Federation board at its May 13, 1981, meeting.

We make three possible suggestions to the new board to take over the helm of the Federation:

1. Scrap the award--eliminate the competition between clubs.
2. Put this award in the hands of the Federation.
3. Keep this award as is, and have the Federation establish a new award based solely on the percentage of a club in attendance, using visible rules and points that can be clearly seen by all.

Let's re-examine the reason for DOR and hope that our new federation officers will try to put an end to this type of problem.

Please, keep the fun in square dancing.

CALLERLAB

The International Association
of Square Dance Callers

Box 679, Pocono Pines, Pa. 18350
717-646-8411

As the time for Fall classes approaches, CALLERLAB wants to encourage clubs and caller-teachers to take a critical look at their class programs and goals.

Review the current Basic and Mainstream Programs carefully in light of the time available for instruction and the clear need to graduate well-grounded dancers. Dancers should be taught not only the choreography of the various basics but also an introduction to the topics of history and heritage, dress, dance customs and manners, as well as simple rounds, mixers, and contras. Teach the basics from more than just a single set-up and insure both heads and sides can dance each part comfortably. Note that the new Basic Program (which combines the previous Basic and Extended Basic lists) makes an excellent 30 week package and is well suited for those areas where conditions limit class time to about 30 weeks a year.

CALLERLAB recommends 41 sessions of 2 to 2½ hours each to teach the complete Mainstream Program, and many areas are phasing into a two year program of instruction to ensure that graduating dancers meet with success when they enter the square dance world. It seems clear that much of our dropout problem is rooted in the fact that some dancers are rushed through class too quickly and find that they cannot cope after graduation. Rushing dancers through class to increase club membership or the club treasury is short-sighted at best.

How much better to produce dancers who will be around for a long time because they are comfortable with and enjoy their square dance experience. The freezing of the Mainstream list for a period of three years enables us to look ahead and plan our teaching program without fear of disruptive changes. Let's make the most of our opportunity and rededicate ourselves to graduating really capable, smooth-dancing, happy dancers who are well-prepared to take their places in the square dance world and have the background and motivation to prepare for positions of leadership.

MICHIGAN RECIPES. Here's a treasure for all you cook-book and recipe collectors. There are 722 tried and true family treasures included, many of which are quick and easy to make. These cookbooks can be ordered on your 1982 Convention Pre-registration form for \$5.00 each, or through the mail for \$5.00 plus \$1.00 each for postage and handling. Make your check payable to 31st National Square Dance Convention and send it to Louis Price, 4825 Burt St., Grand Ledge, MI 48837.

"The World's Greatest Square Dance Event"

In late June this year Marion and I combined a trip to visit our son with participation in the National Square Dance Convention being held in Seattle.

The convention activities started on Thursday, June 26 thru the Saturday. The largest convention ever to meet in Seattle comprised 27,500 people. There were registrants from all 40 states and 15 foreign countries. Each day dancing and workshops started at 8:30 AM, continuing thru 10:30 PM, with a break for lunch and supper. All levels of dancing were going on at all times from class level thru Challenge.

One morning, Marion and I went to a workshop in an Advanced A&B level. We lasted about five minutes, if that long. We had been a little cocky about our performance in Mainstream 1&2 and just knew we could fit in. Well, the only place we could fit was in the group of spectators around the perimeter of the large hall. We then migrated over to the Plus 1&2 area and had a ball.

As usual wherever square dancers congregate there was no shortage of people to talk with. It is very interesting to us that square dancers are always gracious and warm.

As we were in Seattle primarily to see our son we naturally didn't dance as much as most. We did have about 2 to 3 hours daily and one evening. There were two events which were outstanding in our minds. On the last evening there was an attempt (we as yet don't know the outcome) to have the largest square dance in the World. Prior to this time the largest was just over 15,000 dancing to one caller at the same time. To stage this event there was a grand march by states (153 registrants from New York state) to the football stadium at Seattle Center. They used astroturf on the field.

When all the marchers were on the field, the music started, the caller started, and we started. Before the tip was over an 8-person star was called, and the music stopped. We were all told to hold the star position while a helicopter flew over and took pictures. In this way it was possible to count the stars and multiply by 8 to obtain the number of participating dancers. If the number were over 15,150 it would be the largest, and eligible for the Guinness Book of Records. At any rate if the number was large enough, Marion and I have proof that we were in it.

Probably the most outstanding event of all as far as we were concerned happened at an exhibition on the last evening. As a matter of fact it was just before the close of the whole affair.

We, along with about 750 others, went to a large theatre or playhouse to watch various types of dancing--some square dancing, some clogging, some folk dancing--then came the piece de resistance.

Sixteen people, men and women, came out on the stage and made up two squares. These people were in hand-powered wheel chairs (one powered). Thru the efforts of a dedicated Vancouver, B.C. caller who modified standard calls just slightly, this group along with others who were not present, learned to dance in the wheel chairs. They really learned! Some of us had trouble learning the Teacup Chain. Maybe this group had trouble learning it but if so, you'd never know it. They danced for about 30 minutes with turn thrus, right and left thrus, grand right and left--even grand squares.

If I ever gripe about any capabilities or lack of them, I should be shamed for life. That 30 minutes was one of the most inspiring either Marion or I had ever had.

The whole convention wound up with everyone saying it was the best ever. Next year it will be in Detroit. We expect to go, at least for one day, and we recommend it to others.

CLUB

NEWS

Belles & Beaus

Now that summer is nearly over we hope you will come back to square dancing once again. Club starts on September 15.

Our club had a number of events during the summer months. The first was the Si Hulse Car Rally. The winners were Dick and Lois Bennett and Bill and Norma Steinegger. A picnic at Elich's campground was well attended, followed by an evening of square dancing.

Rain didn't dampen the spirits of the gang on Scotch Golf Day. Jerry Flynn and Rita Heagney took winning honors with the least putts. Don Smith and Katie Heindl, second. A delicious picnic rounded out the day.

The big event for the summer was the Alfred Weekend with Art Harris, our favorite caller. It was well attended with many clubs represented. A corn roast, work-shop, picnics, square dancing, and after parties proved another successful weekend.

Through the summer many of us celebrated wedding anniversaries. Three big events have been celebrated by our club members. Chet and Betty Selbert reached their 25th. Al and Sylvia Tinsmon and Russ and Ethel Heffer celebrated their 50th. Hearty congratulations to you all. May you have many more happy years together.

Open House is on September 16th and 23rd. Bring your friends and let's make it the largest class yet.

We are moving to Tucson, Arizona. The square dancing and fellowship we have had with this club and area clubs has been wonderful. The old saying, "Make new friends but keep the old, one is silver the other gold," says it all.

Copy Cats

July 19 found many dancers and their families enjoying a picnic with many salads and, surprisingly, no beans. July was declared Copy Cats month for "no dancing." This was fine with Liz Culp's bad back, Maxine Broan's bad neck, Jerry Beaudin's surgery, and Terry Snyder's head gash. All are mending.

Speaking of health, many of our dancers contributed to the success of Xerox Health Happenings at The Dome on Sat. 8/29. They distributed pamphlets about Square Dancing and demonstrated dances, clearly showing that it is not only good exercise, but lots of fun.

Two Open House dates, 9/15 and 9/22--both on Tuesday! Check schedule for locations and do a friend a favor, introduce them to the fun-filled pastime of Square Dancing. You get them there and Chip will get them dancing.

Welcome back to all of our vacationers. Summer is really over--to wit, save 12/19 for our Christmas Dance. More later.

Boots 'n' Slippers

Does it seem possible the summer is almost over and dancing season is soon to start up again? We have had some enjoyable events this summer; dancing on a hay wagon (moving no less) in the Hilton Firemen's parade. George, when you get another idea like that, go back to sleep. Some people thought the name of our club was "Wide Load". I wonder why! We had a steak roast with a mystery caller, and a few other mysteries. Good time was had by all. Then there was our exhibition dance at Parma Town Hall grounds for Parma Days. Hope we didn't discourage too many people from coming to our Open Dance, which by the way will be Friday, October 2, 1981, at 8:30 PM.

On the serious side, we extend our sincere sympathy and love to Bob Atwell, Gene Krist, and Ken Lasch on the loss of loved ones this summer.

We are adding some new faces to our staff for the coming season. Brian and Judy Adams will be our new Round Dance cuers and teachers, and Jack Sadwick will be our new class teacher. Lessons will be on Friday nights, same as our dances. Welcome aboard! We are looking forward to a season of good dancing.

Don't forget our Kick-Off dinner dance on Friday, September 11th at Mother of Sorrows Hall. Come dance with us at our regular dances. We like to have visitors. Information See you in a square

Cloverleaf Squares

The Cloverleaf Squares will be holding their open house on September 20th and September 27th. We encourage any single adult to come out and enjoy an evening of fun and excitement with Mike Callahan. We meet every Sunday evening at the Trinity Episcopal Church, 3450 W. Ridge Road, from 8:00-10:30, but after open house classes will be held from 6:00-8:00 on a regular basis. We hope you'll join us.

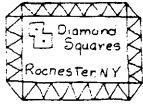

On September 5th, the Cloverleaf Squares are planning a five-year reunion at Mendon Ponds. If you were a previous member or know of someone who was at one time please contact Lash La Rue at 235-8936 for more information.

Once again the Cloverleaf Squares have beaten the Dating Game. We are proud to announce the engagements of Laurie Levandoski to Tom O'Reilly, and Zella Eddy to Mike Scheg. Congratulations to both couples.

Over the summer the Cloverleafs have had a few unusual weekends together. They took place at George Phillips' cottage and we would like to thank him for his hospitality. But we would also like to thank Anne Eddy and her committees for the great job of setting up the weekends.

Diamond Squares

All of our members have been so busy this summer. Between camping, traveling, and dancing, there just weren't enough weeks.

The Ice Cream Social on July 15th was just yummy. All those toppings, nuts and bananas. So many calories! The camping week-ends at Woodstream and Camp Bell were, as usual, fun weeks. Our picnic at beautiful Forman Park was on August 22nd. Bob Ellis celebrated a birthday this summer. But he isn't telling which one.

The dancers attending our workshop at the Green Lantern are doing so well. We hope to see them at our regular dances in the future. And our weekend specials will continue through the coming season.

On September 2nd, we will have the big one--our 4th Anniversary dance. How time does fly.

To all our members who have been ill this summer, get well quick and join us. If you see John Kurtz, ask him how he enjoyed his ride in the air. To Hilde and Emerson Bush, our former reporters, a big thank you for their interesting and informative reporting.

EKC-O Squares

Gone but not forgotten! The Summer, of course! Hot! (was it ever!) humid, hazy, beautiful and busy! A good Summer--but too darn short! However, Ken Anderson's workshop made it a truly worthwhile season. Good friends, good dancing--and we "loined" a lot!

Now Hear This! September 30th will be Ken's last dance with us--S O O O We are planning on making this a rip-snorting, unforgettable Farewell Party! (He wouldn't dare forget us after that!) So all you past, present, and future dancers come on down and help us make this a real Humdinger!

Betcha never knew that square dancing could be dangerous! Well, this summer we found that it is! We feel it only fair to pass the warning on to you. You have all taken part--with great gusto!--whenever the call is Yellow Rock. This nameless dancer was "rocked" so hard she had a broken rib. Now she is "yellow" when she hears that call!

This is my Swan Song, People,
My job as reporter is done.
Before I go I'd like to say
It's been a lot of fun!
I tried to tell it like it is
With a few little shots of humor.
Tried to stick to bare, hard facts
And not a lot of rumor!
Now Herman and Millie Mueller
Are the new Reporters for you.
They hope to get some real hot tips
From the whole darn crew!
My thanks to Russ and Dorrie Jenkins
For their patience and understanding,
For correcting all my errors
Without ever reprimanding!

I'll still "See Ya" Round and Square."

Country Twirlers

"Is That All There Is" to the "Good Old Summertime"! You mean "It's Over"? "I Can Dream" for another "Heat Wave" but "Chances Are" "For All We Know", we'll have to change our tune because "Whatever Will Be, Will Be" and now "You Should Be Dancing" and having the "Time of Your Life". How about it? Will "We See You in September" at Country Twirlers' Open House? Our own Jim McQuade will be on stage September 12 from 8 'till 11 PM. Everyone is welcome and we promise you "Good Times" and "Good Vibrations". So why not "Come One Over" and bring a friend or two?

Our square dance basics will be held on Tuesdays beginning Sept. 15, from 7:30 'till 10:00 under the capable instruction of Bob Meagher. These fun sessions will be held at the Washington Irving School, 2400 Chili Avenue.

Country Twirlers kept active during the summer by holding their usual annual and always successful camp-out and picnic in June, dancing at the Gates-Chili celebration for July 4, taking part in the County Fair and also dancing at half-time at a soccer game at the Holleder Stadium in August.

Since we know you won't want to miss this date, mark your calendars now for October 3 when Frannie Heintz will be our caller.

So, come on now, let's "Get Back" "In The Mood" "Saturday Night" September 12.

Genesee Dancers

Dancers, you say you had a good, relaxing summer? You say you haven't done much square dancing? You say you're ready for Trail Back? Then, get set, it's here! On the evening of Sept. 10, Thursday, the lamp will be lit for you at the old faithful Green Lantern Inn. The game plan is to meet for mood enhancement at 6:15 PM, have dinner at 7:00, and get on the dance floor at 8:00. Be sure to get your reservations and dues to Treasurers Ed and Janet Leurgans and start the new season eating and dancing.

Waiting expectantly for you and your guests at Open House will be expert caller/instructor Chuck Prister and Taw Gerry. Dates are Mondays, Sept. 14 & 21, 7:30 PM at the First Congregational Church in Fairport. Take your friends by the hand and bring them on over. They'll thank you for it.

Everyone knows there's never a dull moment at Genesee Dancers. There was a large gathering at the 25th Anniversary Trail End Dinner-Dance in June to witness presentation of a Certificate of Appreciation and Honorary Life Membership to founding members Dick & Carrie Smith. A great evening. And then we've been joyously dancing all summer with lots of fun things happening. One of our more resourceful members tried a new twist. He wore a different colored shoe on each foot. Why do you think he did that? Summer also brought a birthday celebration to Gordie Nichols, and a 29th Anniversary to Blanche and Don Roberts.

If there were a prize for farthest distance traveled to square dance, hot contenders would be Jack & Marion Hoyt. They sashayed out to the National Square Dance Convention in Seattle. 27,500 dancers from 50 states and 17 foreign countries twirling 14 hours a day is mind-boggling. Read about it on page 7 this issue.

Glass Slippers

The Glass Slippers have a good square dancing year to look forward to. At our summer Board of Directors planning meeting we set up a schedule which will provide regular dances, special dances, and parties to please everyone. We dance at the Ginther School in Brockport. That's the school with the big pink turtle near the front entrance.

Since August, 1980, we have been sponsored by the Brockport-Clarkson-Sweden Recreation Commission. We provide the opportunity for an adult recreational activity in the Brockport area.

Our class lessons begin at 7 PM and continue until 8:30 PM on Wednesday nights. The club meets from 8 PM until 9:30 PM, so we dance together for a half hour. This gives class and club members a wonderful opportunity to get acquainted long before graduation. When the class members graduate and become club dancers, they are already our friends.

Carl and Mary Wass are club presidents. Dick and Sue Palmateer are vice-presidents. Claude and Pat Carson now serve as treasurers. Elsie Epke (that's me!) is the new secretary. Our caller, and class instructor, is Ron Fotch. Of course, our club couldn't function without Betty, Ron's "honey" who helps in so many ways.

On September 9 we'll start the new season with a potluck dinner at 6:30 PM, followed by dancing at 8 o'clock. Bring your own table service and a dish to pass.

Then comes the night of Open House on Sept. 16. I always enjoy watching people new to square dancing while they're finding out how much fun it really is. One of the best things about square dancing is the interaction of the people involved. You can't dance and have fun without smiling--and smiling is contagious.

Coming on October 14: Apple Betty Night--named for Betty Fotch. That's when all the refreshments will have apples as an ingredient. Yummy, huh? We'd like to have lots of guests that night to help us celebrate apples.

Since we dance on Wednesdays, you can enjoy a midweek night of dancing with us. It makes a nice break in a busy week. Come out to Brockport. We're a friendly club. Information Reporter, Elsie Epke 637-4755

Henrietta Friendship Sqs.

Our new season of square dancing will start with our Open House-Potluck Dinner at 6:30 on Saturday, September 12th at the Pinnacle Lutheran Church. Members are urged to bring guests who might be interested in taking lessons this year. Ron Fotch will be calling, and we especially welcome our new members from the spring graduating class.

Summer club activities included a demonstration at the Monroe County Fair on August 9th, and a nice turnout at the Camping-Dancing weekend at Bonnie Brae on August 21, 22, and 23rd with Ron calling at both.

Our Classes will be starting September 14th to be held at Roth High School on Monday evenings from 7:30 to 10 PM. We hope to see many new faces.

Welcome back everyone, and remember to bring some friends to the Open House.

IRONDEQUOIT SQUARES

How many times have we stopped and thought about how we looked to others? Our club members, who were dancing and camping at Skybrook the weekend of July 4th, were observed by some non-dancers and shared with your reporters.

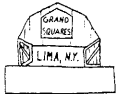

Comments:

1. Guess who was camping where we were this weekend--some people from your square dancing club!
2. They seemed like very nice people and really enjoyed themselves.
3. Our baby kept saying, "Let's go watch the 'belly dancers'."
4. Is there a call, something about shift the gears (spin chain the gears?) Wow--none of them seemed to be able to do it (practice, practice, practice).
5. Boy, were they having fun!
6. For this report we shall not go into any physical descriptions of those present because none of us are bald, old, kind of heavy or grey haired.

Don't forget Open House, Thursday, Sept. 17, 8 PM at Brighton Reformed Church on Blossom Road. We all know at least one couple we could invite to that first evening of fun--you know if they try square dancing they will want to continue. Really try--ask one couple to attend with you, help put some fun in their lives.

Our column in the PROMENADER last June would have made more sense (we think) if the first line had been included --it said "GOOD THINGS TO REMEMBER THIS SUMMER." (Sorry about that, it was not intentional. Ed.)

Club dancing back in full swing Sat., Sept. 5. We shall be continuing with our schedule of Rounds at 7:30 and Squares at 8 PM at the Rochester Christian School. Is it possible we can enjoy ourselves more this dancing year than ever before? Jon McNally, (good going, Sue) will again join with Brian Adams and lead us through our Squares and Rounds. Guests are always welcome to dance with us at the Friendly Club--Irondequoit Squares. Information Reporters Margaret & Bob Pearson 924-2743

Lima Grand Squares

Hello again! Summer flew by for one and all and as we meet each other once again in our squares, it is time to settle back to a routine. As always, Dick is a good sport about being patient with us as we try to remember our basics. But it soon all comes back and we can again call ourselves "square dancers."

While it may sound as if we haven't done much as a club for the summer, we did have our annual summer picnic in August. This was hosted by Gary and Anna LaShomb at their place in Naples. A lot of good food and talk was enjoyed by all. Then, on Sept. 19, a group of us will give a demonstration at the Octoberfest at the Lutheran Church in Avon. Dick Casper will be calling and help us do our paces for the affair.

The big thing this month is our annual Fall Open House. All who think they might like to try square dancing are invited to come. All new people are guests of the club. Club members are encouraged to bring a friend--or 2 or 3 or 4. So remember the date--Sept. 25--and come meet us at the town hall in Lima for an evening of fun.

Cricket Thornton will be back in this spot next month, but I enjoyed being able to greet all of you back after the summer.

See you in a on the .

Morton Country Swingers

The Morton Country Swingers enjoyed a campout dance and potluck dinner at Ridge Camp Ground near Nunda. Members camped for the weekend of July 24-26, and enjoyed a dance Saturday night called by Ron Fotch. We danced after a sumptuous Pot Luck Dinner in the pavilion at Ridge Camp Ground. Thanks to Chip and Frances Wake for making the arrangements. Thanks also to Ron Fotch for the invitation extended to everyone to a corn roast in September at the Fotch home.

The Morton Country Swingers presented demonstrations at the Kendall Firemen's Carnival in July and the Hamlin Carnival in August, developing a lot of interest in square dancing.

The club will hold Open House for new members and class in September starting with Welcome Back Dance at 8:00 PM, 9/10/81. Open House will continue with Ron Fotch calling at the 9/17/81 dance at 8:00 PM, and the 9/24 and 10/10/81 dance at 7:00 PM. New class will be formed and guests are always welcomed by the Grand Swinger.

Officers will be elected at the October 15 dance to be installed in January, 1982. Plans are being completed for a swinging October Fest for the 10/22/81 dance. A mixed doubles No Tap Bowling Tournament will be sponsored by the Morton Country Swingers at Hilton Pleasure Lanes, October 17, at 8:30 PM. Contact Mike Mattern at 964-3231 for reservations and information.

Our club will travel to St. Catharines, Ontario, to return the visit to our Swing Into Spring by the St. Catharines Pioneer Squares in March. We look forward to this international dance on September 26.

The Morton Country Swingers are looking forward to another enjoyable year of Square Dancing.

Swingin' Eights

September 12th is the opening of our fall season. This will be a closed dance--for members only. A potluck supper at 6:30 PM, preceding the dancing, is a great way to get together again with the many friends you have not seen during the summer. Be there!

We need a concerted effort by all members to get a large group of prospective dancers to attend our Open House on September 26th, 8 PM. Most people would enjoy the pleasures of square dancing, if exposed to it. You bring them in and we'll convince them. Or, give their names to our Membership Committee--Mike and Joan Smaldone and Charlie and Arlene Nelson--for special contact before the dance. We can't emphasize enough the importance of having a sizeable class starting in October.

The class we started in January has been plugging along throughout the summer and near the end of September we expect the following people to graduate: Ginny & Tom O'Reilly, Florence & Bill Buchanan, Jo & Hank Gardner, Betty & Ed Seidewand, Bill Schafer, and Harriet Austin. Congratulations, graduates, and welcome to Swingin' 8's.

Dick Snow, who fixes clocks as a hobby, was in the hospital a few weeks ago to have some work done on his own ticker. Everything seems to be working fine now. Let's hope that square dancing will be good therapy for his complete recovery.

Warm up your footsies for the start of another super season.

Magic Squares

I hope everyone had an enjoyable summer. Our special thanks to Jim and Donna Cornett for letting us hold our family picnic at their home. We all appreciate the hard work you both went to to make the picnic a great success, even in spite of the lousy rain.

The Magic Squares would like to welcome back Bob and Pauline Blakesly to the club. The Blakeslys rejoined our club this summer after a four-year absence. Nice to have you back with us.

On September 18, we will be having a special Mystery Ride. Anyone interested in joining us should contact the Magic Squares officers for the time and place. All are welcome.

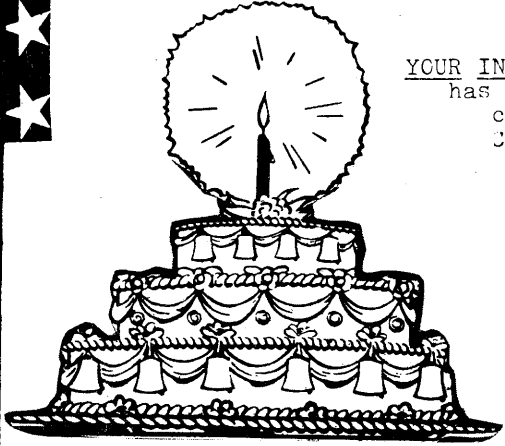

On September 25, Jeff Elmore will be our guest caller for the evening.

Our club will be holding an exhibition dance at East View Mall on Saturday, October 3rd, in the afternoon. Let's show everyone how great square dancing really is.

Open house will be October 2nd at the Methodist Church in Canandaigua, 8:00 to 10:30, Bob Ellis calling.

Web Spinners

As the summer slips quickly away from us all, your new reporters are settling in for another season of square and round dancing fun.

After completion of the Summer Workshop, Harvey and Jean served up a very successful family picnic with many members in attendance. No dancing in the street for the 4th of July this year, but the Web Spinner talent was demonstrated at the local Holiday festivities. A picnic afterward with Joe and Arlene was enjoyed by all dance participants. Many thanks go out to all who organized and participated in these events.

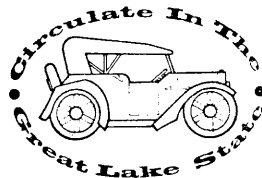

By now the campers will be completing their annual tour of selected campsites and hopefully will be able to return to dancing well and fit. Maybe that's what the 'hospital zone' is for--to recuperate?

Your Board members have been working to make this year's dancing activities even better than last year. The schedule will include many guest nights, a mystery dance, and some good guest callers in addition to regular special events. By the way, what have the Straubes been up to all summer? Better save October 30th and find out!

Remember our first dance is Sept. 11, and our Open House on the 18th. We hope to see many prospective dancers if early indications bear fruit. Let's also remember to welcome all our recent graduates, too.

Village Squares

We are bursting with energy as we launch our way back into our fall schedule again, and think back of the pleasant summer we had. Dick Casper did an excellent job on the summer workshop. Joining us were our friends from Lima, Magic Squares, and Tecumseh Squares. We want to thank them and also our own club members for being with us this summer.

My how fast time goes by! It seems like yesterday that we were recruiting a new class. Now on Sept. 15th and 22nd we will be having our Open House Dance. We hope all of you bring a friend as we are looking forward to another great class.

Many, many thanks to all the couples who made our demonstrations such a success. Also, a big thanks to our caller, Dick Casper, who so graciously called for all of them. Everyone certainly enjoyed dancing at the "Great Urban Cowboy Stampede" for Western Square Dancing in downtown Rochester. Afterwards, we even enjoyed watching a little mud wrestling. I've decided to stay with square dancing!

The club also enjoyed some fun evenings this summer, especially T-Shirt Night where Joan and Al Sigal and Rita and Ken Tucker won the awards.

Before we sign off we would like to thank everyone who brought refreshments this summer.

Remember Sept. 14th is our Welcome Back Dance!
