ROCHESTER, NEW YORK

NOVEMBER, 1981

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

*Let us give
thanks*

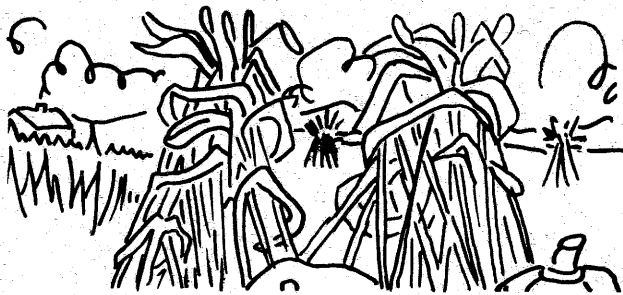

Editor's Note:

Thanksgiving is a special day which gives each of us time to reflect on the special things that are unique to our lives. As for me, I'm most grateful for the medical skills in Rochester as Russ awaits open heart surgery at Rochester General.

The old Murphy's Law seems to have caught up with PROMENADER all too often. It is important to us that the paper get out early, and we plan to take definite steps to make sure that happens regularly. Starting with the first of the year the deadline for columns, ads, and club news will be the 3rd of the month preceding publication. This means that reporters must get organized a week earlier, but it also means that the PROMENADER will make it to your mailbox a week earlier, and that is exactly when it should be in your home. We are very anxious for every subscriber to receive the PROMENADER on time.

FEDERATION NOTES

At the Federation meeting on Oct. 13, Sally and Walt Baechle (pronounce it Bay-shell) told us a little bit about the history of the Square Dance float in the New Years Rose Parade, and all the effort that goes into preparing it: it takes 5000 person-hours of work by 500 California square dancers and anyone else who is willing to pitch in. Sally and Walt will be one of five couples in the entire country who will dance on the float. The cost of the float is covered by selling little embroidered roses to stick on your club badge: each little rose acknowledges a contribution of \$1, which puts one real rose on the float. Phone the Baechles at 865-0548 for more information.

President Bob Dailey extended thanks to the Swingin' Eights, for inviting all Federation representatives to be their guests at their dance on Nov. 07. Later on in the meeting the comment was made that it would be a nice gesture by the local clubs to extend open invitations to Federation officers to guest at their regular dances. This would encourage the officers to come out and get acquainted with the area clubs.

The Silver Club signature booklets and badge danglers are now available. To get the booklets, phone Orlo Hoadley at 225-2796, or ask your Federation representative to pick them up at a meeting.

Federation Treasurer Pauline Liess asked all of the representatives to remind their club treasurers that Federation dues are DUE NOW!

CONTRA CORNER

by BARB BUTENHOF

This month I'd like to say a little about the National Conventions. Ed and I have missed only two of them since our first in Kansas City in 1975. That was the first year that contras were first considered a real part of the program and had a full-time hall. That year there were contra panels and workshop sessions. Don Armstrong has often run three 2-hour workshops at more recent conventions. In those days there were not many callers for contras--Bill Castner, Art Seeley, and Walt Cole were the big names--and Ed, just starting, went armed with two or three records. I think he was scheduled to call once or twice (like during the supper hour)--and ended up calling the same dances over and over as the hall exploded with people. Friday evening TWO halls had to be scheduled to accommodate the crowd. Saturday's program saw even more people take part in the new convention feature--and Ed called more and more. Thus it began.

Each year after that more contra callers appeared. There were and still are two schools of thought. Some prefer keeping the 8-count timing--using traditional figures which anybody can do, while Art, Walt, and others tend to introduce the modern club figures and sometimes disregard the 8-count timing which goes better with the more familiar Western hoedown music vocabulary. The dancers? There was no question about what they preferred in Oklahoma City. Again two halls scheduled. The regulars started to FEEL what contras were all about and started to really dance. Many of the contra group stayed with us for the total three days. Others made the rounds of the various square dance halls as well.

Each year we saw the familiar faces of our square dance friends that decided National Conventions were great for doing contras and traditional squares. The program expanded to include Scottish dances, English country dances, and of course some of the big circle formations from the Appalachian part of our country. The biggie callers still included Walt and Art--and Bob Howell, Stan Burdick, John Kaltenthaler, Bob Osgood, Lannie Mequaide from the more modern school of thought and Don Armstrong, Leif Hetland, Cal Campbell, Gib Gilbert, Bill Johnson, Tony Parkes, Bill Litchman among the traditionists. In all fairness, Bob Howell works with both groups and some of the others are starting to.

Contras have a very solid place in the convention and many dancers, as well as some 50 callers, are finding that it is a nice change of pace. Contras should be different. It will be interesting to see what happens next June in Detroit. Each convention seems to have a different spirit and in the contra hall there is no question that the mix of dancers determines the style of the dances. Here the dancers control the hall! When the traditional dancers get wound up the upbeat become more important than the downbeat--and that's what contras are all about. Go to Detroit--get that happy feeling!

Triple Coupons! That's the big give away to-day. Sooooo I guess I better keep up with the competition. The coupon below is worth three "Stay out of my square dance set." Are you dancing more and enjoying it less? Cut out this valuable coupon!

Now that the commercial is over. Did you ever wonder what Callers do besides Calling? I mean their extra activities or hobbies.

For instance, Jerry Carmen, his extra activity is "Riding to the hounds." Would you believe "going to the dogs?" No? Would you believe he just horses around?

Now we have Mike Callahan, Mike's other hobby is bowling. Would you believe he has an average of 240 in one league? No? Would you believe 120 in two leagues? Would you believe he sets pins? Safety pins!

How about Bruce Shaw, he saves old coins. In one word, he is a Numismatist, would you believe Miser? No? Would you believe he just has an odd cent?

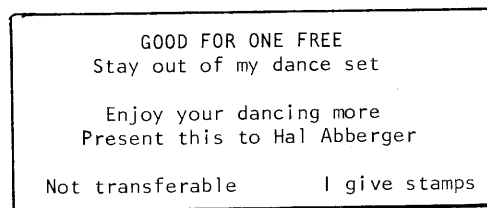

Then there is Ron Fotch, he is a bird watcher. Hard to believe? Would you believe a tree peeper? Well it doesn't make much difference what you believe because I got it straight from his wife, Betty, who says, "He is strictly for the birds."

Round dance instructor Gordie Copeland, I have been told that he trains rabbits. I'm not going to ask you to believe that he taught them to multiply, but would you believe that when he Cues he can make your hare stand on end?

Well, as the skeleton said to the Exlax, "Your not going to get any more out of me!" Sooooo. . . .

Thanks anyway,
Hal Abberger

Help Beat Leukemia!! BENEFIT SQUARE DANCE

The 1982 Leukemia C.U.R.E. dance will be held on Saturday, April 3rd, at the Churchville-Chili Senior High School. The change of day and location were necessitated by scheduling problems at the Sperry senior high school.

Roger and Nancy Dart of the Promenading B's and Dick and Sue Palmateer of the Glass Slippers are co-chairing this year's dance. It is our goal to continue the outstanding traditions of this fine dance that have been established by Connie Harper. Many, many thanks Connie!

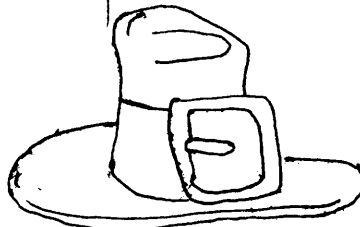

We received a letter on July 10th from Seattle, Washington, where the National Convention was held this past June, telling us that our name had been selected from all over the country as one of the five couples to dance on the 1982 Square Dancers of America Float in the Tournament of Roses Parade in Pasadena, California, on New Years Day.

We will be flying to California after Christmas to prepare for the big day. We will be going to practice sessions and then fittings for our outfits which will be made especially for us. There will be dances to attend during the week and there will be a Float Ball which will honor the five couples that will dance on the float. There will also be publicity appearances and time to help decorate the float.

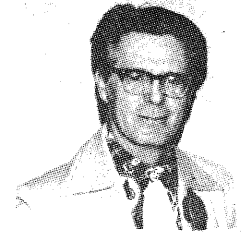

Since we will be representing the Square Dancers of this area, your interest and support will be appreciated. You may contribute to the float cost by purchasing a rose that you can place on your badge.

We hope all of you will be watching the Rose Parade to see the float that your participation has helped create.

CARMEN'S COLUMN

TIPS ON DANCING NEW CALLS

The caller presents a call that has a complicated traffic pattern; we are dancing along and hear a call we have forgotten or never learned. These are two situations we will all encounter sooner or later. In a similar fashion, most of us have seen people learn calls very quickly, or observed a non-dancer get into a square and do surprisingly well. How do they do it? By having a basic knowledge of dance flow and by being observant. We can all train ourselves to be observant, and by doing so, we can get through almost any situation with a reasonable amount of style and minimum confusion to our square. I hope the following hints prove of value to you in the future.

LEARNING A NEW CALL. While walking through a call, notice particularly the starting and ending formations and your position in it. Did you also end up next to the person you started with? Which hands are you holding? Are you facing in or out? Are you an end or a center? Sometimes just knowing where you are supposed to end up can save the square if you draw a blank later.

DANCING AN UNFAMILIAR CALL. Did you ever get through a call you never heard before? It can be done even with a complicated call if you are observant and train yourself to remember a few simple guidelines. Of course, we must assume you are the only couple in your square that doesn't know it. **Rule No. 1** is to remember to touch or join hands at the completion of every call with the adjacent person. This will enable us to get (or give) help in getting started correctly when we are not sure where to go. **Rule No. 2** says unless someone turns us, we immediately walk forward with both hands extended about chest high and watch for a person coming at us to take a hand. If you reach the end of the square, walk around always turning toward the center. If you do not know where the call ends and you hear another call, walk forward or around until you can execute it. If you must catch your bearings, turn your head but **DO NOT STOP**. Rule no. 2 holds up because virtually all calls are danced with forward, continuous motion. **Rule No. 3** is watch your partner's opposite and do what he or she does. This is because square dancing is symmetrical and whatever you are doing, your partner's opposite will be doing on the other side of the square. Before the tip begins, note who that person is, and do what they do. I once got through Motivate that way.

In summary, here's what to remember:

1. Mentally note beginning and ending formations and your position in them.
2. Always walk forward with hands up and **DO NOT STOP**.
3. Watch your symmetrical opposite.

CLUB

NEWS

Belles & Beaus

Our club has had an excellent start this fall. The dances have been well attended, and our social activities have been great. Our annual steak roast held at Northampton Park was a big success--thanks to Don and Mary Waterman for a job well done. Our Halloween dance was enjoyed by everyone with prizes for various costumes.

Hearty congratulations to Don and Mary Waterman on their 40th wedding anniversary. They left for Hawaii on October 15th to celebrate the occasion.

Our guest night for November will be on the 16th with rounds starting at 8 PM. Those invited are Triggers, Boots & Slippers, Country Twirlers, and Tecumseh Squares. We are looking forward to seeing many of you at our dance.

Our class is meeting every Wednesday with Art Harris teaching, and it is always appreciated when club members come to help out.

Our Halloween Dance was a success and a great time was had by all who attended.

The Cloverleaf Squares would like to cordially invite anyone who would like to come out for an evening of fun to join us. Sunday evenings with Mike Callahan calling squares and Mike and Linda Liberti cueing rounds. We dance from 8:00 - 10:30. Hope to see you there.

Gobble! Gobble! Is that what they mean when they say talking turkey? Well, we're not talking turkey when we mention our special dances for November. Mike will be on the mike November 21, and when you team up Mike Callahan (squares) and Bob Slomcenski (rounds) you've got quite a pair, and a very enjoyable evening of dancing. You'll join us, won't you?

Then, the following Saturday night, November 28, Jim McQuade will be providing the fun for our Turkey Trot. You should have recovered from that big Thanksgiving dinner by then and maybe anxious to burn off those extra calories. Why not come dance with us. We'd love to have you.

Time sure flies when you're having fun and it doesn't seem possible that it's not too soon to mention our caller for December 5--Gloria Roth. Wouldn't it be great if we all had her vitality?

And so, with leaves falling, footballs flying, and everyone busying themselves with the approaching holidays, we'll sign off until next month.

Boots n' Slippers

Let's start out with what a good time we had at Fling Fantastic with Bruce and Mike (the Gold Dust Twins) at Niagara Falls. Eight couples from our club attended. How about those fantastic autographed Nite Shirts we presented the boys! Hope they wear them to their more dressy dances. Floyd Bockus was very helpful--I forgot my bathing suit--he offered his long T-Shirt and knee socks. I said, "Thanks, but no thanks."

Our open house was a huge success; we are hoping to get a good size class from it. We had apples all over the place on October 9th for our Apple Festival Dance in conjunction with Canning Street Square Annual Apple Festival. There were lots and lots of apples, cider--and weren't those apple desserts delicious!

We are having basic Round Dance lessons with Brian and Judi Adams each Friday, 7:30 to 8:30, before we start to square dance. Lessons are \$1 a couple, and anyone interested is welcome. Brian will cue regular round dances between tips.

Put a Big Red mark on your calendar for November 20 when Red Bates will be our National Caller. We are looking forward to dancing with Red again.

Our heartfelt sympathy goes to John and Margaret Adams on the death of their son in an auto accident.

Guess that's all for now. Come dance with us. We like visitors.

We are looking forward to our Halloween party on October 28th. Which will probably be over with by the time this goes to press.

The Harvest Dinner Dance at the Green Lantern on November 4th was such a huge success, as usual. We always have such a good time. The Carriage House of Port Byron will sponsor a fashion show at our Saturday Night Special on December 5th. We are always anxious to see their new styles.

It doesn't seem possible that the Christmas season is almost upon us. Our Christmas Party will be on Dec. 23. As in the past, reservations will be needed for our New Year's Eve party at the Green Lantern.

Nancy Ellis is making arrangements for a trip to the National Square Dance Convention in Detroit in June, via Trailways. More on that later.

And congratulations to John and Jane Oakley, and Bob and Nancy Ellis upon joining our Grandparents Club.

To all our members traveling south for the winter, we wish the best. We will be thinking of you and will be a little bit envious.

EKC-O Squares

Hello friends:

Last month we introduced our new club caller's wife Mary to you all. This month we wish to introduce Mary's husband Bud Redman. For all you dancers out there, "This Bud's For You."

Jack Sadwick has our class dancers well on their way. We enjoy their enthusiasm.

September 30th was a sad day for EKC-O square dancers. We bid farewell to our club caller for 16 years, Ken Anderson. Highlight of the evening was our handmade gift to Ken, a friendship quilt consisting of 49 original squares. Motifs and designs ranged from Load the Boat to "I'd rather be in Rochester."

Another tribute to Ken's loyalty was a slide tape show featuring scenes of Ken's association with us. A humorous script was prepared by Mae Malley and narrated by Dave Jacox. Area dancers that migrate southward can find Ken in the Orlando, Florida area.

Reminder: Our dance night and location changed October 23rd to Friday evenings at Kodak Park, Ridge Rd. Bldg. 23, 3rd floor.

Genesee Dancers

Wasn't that Halloween dance a beauty though? Lots of fun, not too scary but traditionally festive. Certainly Halloween provides an exciting background for the smooth yet spirited dancing called by Mike and cued by Bob.

The activities flow on and although we love holidays, we regret them dropping on our inviolable Thursdays. Thanksgiving is our November problem while Christmas Eve and New Year's Eve suspend our dancing the last two Thursdays in December. Not to worry. We plan a running start on Christmas with the Genesee Dancers Christmas Party dinner/dance scheduled for December 3rd. Watch for a special flyer and reservation form.

One other special event you will want to note on your calendar. Guest caller Chip Kellogg will be with us on December 10th to master-mind the square dance action. Don't miss it.

Finally, a special infirmiry note. Nelson Havens sustained severe injuries to both hands. He is doing well now and will be operated on very soon. Let's all join together to wish Nelson a speedy recovery.

We all had such a good time roasting our caller, Ron Fotch, when we celebrated his 10th Anniversary, that some of us are still giving him the business. It's difficult sometimes to know who's really getting roasted -- Ron, Carl Wass, or Dick Palmateer--but it is fun! We do love ya, Ron!

This month we're doing something different. Our November 11 dance will be held at the Sweden Senior Center, 133 State Street, near the General Electric plant. It's a wine and cheese party, so please bring your favorite wine or some cheese and crackers.

On Saturday, November 14, we're going on a mystery ride to ? Then on the 18th we'll have a guest caller. There'll be no dance on Thanksgiving eve, November 25.

Esther and Loren Knab, recent graduates, come to every dance in spite of the fact that Esther is temporarily confined to a wheelchair while her injured leg is mending. While Loren dances, Esther knits and chats.

In March I danced with the Waimarie Squares in Auckland, New Zealand. Since then Ray Mason, the class tutor and club caller, has sent me a club badge, and I have received mail from two of the friends I made that night. Square dancing is truly a universal activity.

When you fully support your own club and go to dances at other clubs too, you're getting some extras from square dancing. You make new friends, you begin to appreciate different styles of calling, and you find you can understand and enjoy dancing under different circumstances. So take a Wednesday break and dance with the Glass Slippers some time soon.

Don't forget to be an angel.

We had a good turnout for our first club dance of the season, but did miss a few club couples, especially Bill and Dot Niles who were absent because of illness. Our thoughts and prayers are with them. We encourage all our new graduates to come to club dances.

Some of our club members have called on Don Pratt and we are happy to report that he is doing well and is calling some again.

Our 8th Annual Sampson Fall Festival, Sept. 18-20, was a great success as usual. Everyone enjoyed the dancing to Mo Howard and Ken Anderson, also the round dancing cued by Al and Evie Overslaugh. The recreation hall was beautifully decorated, thanks to all the club committees and their helpers.

Linn Brotzman will be calling on Sunday, November 8, from 2:00 to 5:00 PM. Club members, don't forget your finger foods.

A special invitation to all clubs to come dance with us on the 2nd and 4th Fridays and our special dances. We enjoy having guests.

Busy times ahead. In addition to our regularly scheduled dances on Saturday, November 7, and Saturday, November 21, the Club will meet, eat, dance and elect at our Annual Tureen Supper, Saturday, November 28, at the Church of the Transfiguration, 3760 Culver Road. Again this year bring a dish to pass and your own place settings--the Committee is doing all the rest of the work. Dinner starts at 6:30 p.m. Also, it will be the night to vote for our new officers for 1982. Our Nominating Committee has been contacting nominees--if you are called answer the call. Speaking of 1982, and we were a few sentences ago, Pauline and Ray Gaul have put together a committee planning our New Year's Eve Party and Dance--again this year on December 31st--not too early to plan on attending--guests welcome. Pauline will be pleased to fill you in on all the details when you contact her. Any party that talented Pauline and Ray are a part of is always a special one.

We're glad to hear that Al Howard is recuperating at home after a recent stay in the hospital. Hope to see Mary and Al back dancing with us soon.

Happy Birthday greetings to Roz Krebs and Vic VanAlstyne. Those celebrating wedding anniversaries this month are Willetts, VanAlstynes and Logans. Congratulations and best wishes to all.

We're looking forward to the Men's Potluck dinner on November 21, always an interesting assortment of original dishes.

Anyone wishing to square dance on Saturday night, come out and join us at the Spencerport Town Hall.

Magic Squares

Due to illness, Les and Mary Stevely have not been dancing with us. I would like to say that all of our thoughts are with you for a speedy recovery. Les and Mary have supported our club for many years. Please hurry back soon, we all miss you.

We had a real nice turnout at the Open House. It's good to see a big crowd again. Before the end of the evening, our caller Bob Ellis had all the new members dancing like pros.

On November 6, Chip Kellogg will be our guest caller. I believe this is the first time Chip will be calling for us, so let's give him a big Magic Squares welcome.

I hope everyone has a happy Thanksgiving. I plan on doing a lot of dancing to help work off the pumpkin pie and all that luscious stuffing.

Orleans Orbits

Well, the dance season is under way, and doesn't it feel great to be back on the dance floor again? Our first special event of the year (Apple Fest '81) was a success with ten clubs represented. Everyone seemed to have a good time, and we've never seen such an array of apple goodies! The only complaint I heard was from one of the group who went to the Apple Grove for dinner before the dance--seems they were so full they couldn't really enjoy all the varied refreshments. A big thank you to all who helped, and to all who contributed baked goods, etc. We really have some good cooks in our club.

Those of us who attended the Roast for Ron Fotch really had a ball! The food was great, the dancing fun, and the Roast--well, nobody had the heart to be too nasty to Ron, but there were a few Zingers! Anyway, congratulations to Ron and Betty. I know we are happy to have them leading us as we try to rebuild our club to its former size and strength. Ron has 10 years of calling behind him. Maybe we'll be with him for the next 10.

Our November 21 dance has been labeled Ladies Choice. Don't know just what is planned for that night--guess we'll just have to go and find out! Coming up on Dec. 5 is a mystery ride. So all you other clubs who dance on that night better be prepared--you may have visitors from outer space.

Morton Country Swingers

The Morton Country Swingers have submitted a D-O-R Logo for consideration by DOR Chairman Ron and Betty Fotch. The Grand Swinger Challenges the clubs of the Federation to submit logos.

At our November 19 Dance the Morton Country Swingers will hold a Turkey Trot. All you Turkeys are sure to have an enjoyable evening capped off with a wine and cheese party with the Promenading B's and the Orleans Orbits.

The Grand Swinger and this reporter enjoyed the Roast Ron Fotch dance hosted by the Promenading B's Oct. 20th. All Ron's clubs had the opportunity to remind him of the good and not so good things he has done in ten years of calling. We hope we can enjoy many years of dancing to Ron's fine calls.

The bowling tournament was enjoyed by many bowling square dancers during October. Officers were elected at the October 15 dance and will be installed in January for the new year. Morton Country Swingers enjoyed October Fest with the Triggers and Village Squares at our Oct. 22 Dance. Refreshments were Kraut and Weiners and dancing with Ron Fotch calling.

The Christmas Bazaar sponsored by the Morton Country Swingers at the Hamlin VFW Dec. 5 is open to all Federation Square Dancers and Class Members. Enjoy a wonderful buffet and dancing, select choice items from the handmade gifts, Christmas decorations, and crafts available at the Bazaar. See you at the Bazaar.

Web Spinners

Turkey month is here already! Most of the club members have limbered up their dance skills at our regular dances and a few have participated in outside activities. Our club was represented by two squares at a recent political party rally and picnic at Webster Park. Dancing (and eating) was fun. A few inquiries were received about club activities. Approximately 8 couples also made the trek to Lake Placid for the annual Fall Festival square dance. We hope it didn't snow like it did last year (in September).

November activities include an all singing call night on the 13th and an invited club guest night on the 20th. There will not be any dance on the 27th as usual. (We wonder why?)

Belated congratulations go out to the Tanghes on the engagement of their daughter, Susan Lynn. A June wedding is planned. 1982.

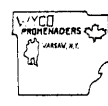

We know that driving and drinking don't mix but we've heard that apples and art made a good mixture for one of our club members. A very nice write-up for the Schutts was in the local paper. We saved a copy for anyone who may have missed it. Keep up the good work, Chuck and Theresa.

The Web Spinner Class is small this year, but we hear it is very dynamic. A good number of potential angels are again providing support in the classes. It was very nice to hear that Ray Gibb returned one night recently. We hope to see Ray on the dance floor again, soon.

In closing, we would like to send out a giant get well wish to all the club members, too numerous to mention by name, who are currently on the mend. Hope to see you all very soon.

Have a very happy Thanksgiving.

Wyco Promenaders

On September 18, 1981, the school gym at the elementary school in Warsaw came alive to the music of Alberta Tufts as the WYCO Promenaders held their open house. There were many new faces in the crowd and we hope to see many of them regularly at classes.

Although we had some great times at the informal picnics and barbecues during the summer, one of the best things about winter is the many colors of the square dance outfits and the warmth and laughter of the dancers as they enjoy the calls.

On November 6, Jerry Carmen will be our guest caller. It's always pleasant to have Jerry run us through our patterns. November 20th, in addition to the fun and laughter, we will enjoy the smell of that old-fashioned country cooking as we all eat our waistlines away at our potluck supper Harvest Dance. Easy does it boys, you'll never get through all those movements after your luck runs good on that delicious food. Hope to see all of our members and some guests at these dances.

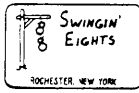

February 12 is our special dance with all clubs invited -- 8:00 at the Warsaw School Gym. Caller will be Jerry Carmen. Valentine Dance.

Swingin' Eights

We trust you were well tricked, treated, scared, and elated at the combined Swingin' 8's, Irondequoit Squares Halloween dance. Thanks, Irondequoit Squares, for having us over.

To the class members that graduated in impressive fashion on September 24th, and have joined our club, we extend our heartiest welcome. You are doing fine and we like you. We regret that a heart problem prevented Jo Gardner from attending the graduation ceremonies, but hopefully she will soon be dancing with our club.

Good News! Our new class, which started October 1st, is a spirited, congenial group that should progress steadily under the capable instructions of Bruce Shaw. A hearty round of applause is in order for the Smaldones, the Nelsons, and all others whose extensive publicity efforts enabled us to attract enough prospective dancers for this new class.

Credit our officers with devising a good plan to divide and allocate the many diverse duties involved in running a square dance club. Their Volunteer-Or-Else program seems to be well accepted and got us all off our butts to do our part in the areas of our particular capabilities.

Marge Berner, former Swingin' 8's V.I.P., up from Florida for the summer, found the Rochester area injurious to her health--she fell and broke her pelvis. Our feeling is "That Ain't No Way To Treat A Lady!"

We sincerely hope for the success of the recent operations undergone by Sally Soltysaik and Russ Jenkins.

Washington, D.C. was recently graced by the presence of Sarah and Al Lichterman who visited their brand new grandson there.

Triggers

On October 3rd a group of Triggers participated in the Western New York Roundup at the Special Olympics held at the Rotary Camp in Rush, NY. We didn't win any blue ribbons but we did win a new perspective on life. Each one of us that attended came away a much better person after sharing an evening of love and enjoyment with a special group of young adults. Thanks to the teaching talents of Myron and Peg Huss, everyone participated in the dancing. A great time was had by all.

Our big night this month is Pie Nite on Tuesday, November 24th. We would like to share this with all of you. Guests are welcome. Members and guests are asked to bring a pie (in a disposable pan) to be auctioned off. The proceeds will go to Charity. For those of you that do not care to bring a pie, just bring yourselves and a good appetite because we will sample the pies at the end of the evening. See you then.

Village Squares

A good time was had by all who attended our Halloween Party Oct. 26th. It was our first club/class activity this year. The costumes showed lots of imagination and everyone enjoyed the festivities.

Our class has gotten off to a good start, and we want to thank our Angels for their support.

Thanks to A.J. and Aileen Leonard for being in charge of the steak roast at Ellison Park. It was a nice party with decorations, good food, and lots of fun. We all enjoyed playing games and keeping warm by the fireplace.

If you see a lot of banners hanging around our club--thank Al and Joan Siegal for all their hard work in getting couples together and doing a lot of traveling to steal the banners. Also, we appreciate all those who have helped out.

Our mystery ride is scheduled for Nov. 2. We don't know what or where we are going--but it sounds like fun.

It's so nice to have Olie & Fran Boughton, Mary Hansen and Craig Spall in our club. We enjoy having you with us.

Dec. 14 is our Christmas Dance. It will be at Valley Echo, so save the date.

November 16th will be Amateur Night at Village Squares.

December 2nd Ken Boss
December 16 Jim Wheeler.

The December 16 dance will start at 6:30 with a potluck supper. It will be our Christmas Party.

Come join us for a variety of good square dance callers.

Butch and Bonnie Bowman, pres.
Which Way Whirlers

Since our last report, we have had a great time with our October events. Our potluck supper on the first of October was a success. We'd all like to thank Mike Callahan who was a guest caller on the 8th. Not to mention the pleasure we had dancing for the people at the Nursing Home in Lyons.

There are no special events for the month of November except just to have a good time dancing to our caller, Jeff Elmore. And don't forget rounds are cued by Dottie Reed on November 5 and 19. Please remember there will be no dance on November 26. On December 3rd there will be an election of officers. In the meantime, have fun dancing.

Promenading B's

We're all working like B's (pun) getting ready for our Annual B's Turkey Dance. Lots of home-made goodies, and of course old Tom Turkeys will be there for our dancing friends on November 20. Everybody goes home a winner--lots of fun, great dancing calls by our Ron Fotch, and that stuffed feeling from munching on all those delicious snacks prepared by our terrific cooks.

There will be no dancing for the Promenading B's on Nov. 27. We'll all be counting our blessings--along with you--and wishing you all a pleasant Thanksgiving. But, we'll be promenading the hall again at Byron Bergen School on December 4, and hope you come visit us again.
