# Caller Profile

JACK SADWICK

Jack and his wife Jo Ann live in Greece with their three sons Steve, Tim, Gregg and Rick.

In 1974, Jack and JoAnn traded in their roller skates to become square dancers. After Graduating from EKCO Squares class, they danced for a year when Jack started calling. Their oldest, Steve, was a member of a teen group, Wiskaways, and he and some neighborhood friends got Dad interested in calling.

In 1977, Jack started teaching Tecumseh Squares class, in 1980 EKCO Squares class and 1981 Boots 'n Slippers class. He does guest calling for clubs in the area and one night dances for church, scout and other organizations.

Jack is presently employed at Kodak as a Pipefitter. He and his family enjoy all out-door sports and activities.

The PROMENADER is in very serious trouble financially, because of misdirected funds. No one wants it to die, yet it lacks the funds to complete this subscription year. Realizing the importance of the PROMENADER to Square Dancing in this area, a benefit dance has been planned. (See details on page 21.) Will all concerned square dancers please support this effort? Will all callers, cuers, clubs, leaders, reporters, and PROMENADER friends please promote this effort?

Together we can do it! The PROMENADER needs you!

ARE YOU GOING TO THE NATIONAL CONVENTION -  
-in Louisville, Kentucky?

Some of us in the Rochester, New York area who have attended past national conventions, have wondered why NYS does not have a state costume to wear during the Grand March of the States.

A few interested couples are going to wear:

Ladies: Light blue bodice or blouse and navy blue skirt. Light blue petticoat and pettipants, white shoes/white belt, white accessories.

Men: Light blue shirt, navy blue pants, white tie and belt, white shoes.

This is merely a suggestion and a start to greater things for the future. If you don't like a certain accessory, change it. But please join us in the NYS Grand March of States in Kentucky.

## LEADERSHIP CONFERENCE

The joint Conference sponsored yearly by Callers Co-op of Rochester, and the Rochester Federation was held Feb. 6. The attendance of about 140 people indicated the increased need for this conference.

The Rochester Area Square Dance world will be seeing some very noticable effects from this conference. Read the summary of the conference discussion next month.

Nineteen clubs were represented, with CCR, Genesee Dancers, and Web Spinners having six or more couples present. The afternoon discussion was followed by a lovely buffet. The many callers and cuers attending the conference supplied the dancing that climaxed this very special day.

Thank you to so many that worked on this conference.

## Belles & Beaus

Hi Square dancers - this is our first report for the Belles 'N' Beaus. 1983 has been and will be a busy year for the club as it is our 25th Anniversary. Plans are underway for a gala celebration in October.

Club and class members attended the Blizzard Ball, 36 couples strong, and came away with first prize for the largest turn out.

The club gave a demonstration dance at St. Boniface Church and every one stopped across the street at the German House for a delicious German dinner to fortify themselves for an evening of dancing. A good time was had by all and we understand they have lined up a few new recruits for class.

1983 finds some of our club members on the disabled list: Joe Hurley, Irene Kuefer, Jack and Rita Heagney, Kathy Edgar, Arline McCormick and Betty Podgers. We hope they will all be back dancing with us before too long.

Our annual Valentine Dance was held on February 14, at the Wesley United Methodist Church with guest caller Jack Sadwick calling squares and Brian Adams cueing rounds. The banquet tables groaned from all the goodies and a sweetheart of a time was had by all.

Eleven couples from the class and club have returned from seven days of cruising the Caribbean under sunny skies with Art Harris and his wife Vera. A fabulous time was had by all, too bad it wasn't longer. Just so his Dad could enjoy his vacation Mike Harris and Jody Mattice did a fine job filling in for him on February 21.

## Boots n' Slippers

We discovered recently that we have to be careful who we send for punch mixes. We don't always get what we order, do we George?

The four couples seen dancing in the kitchen will soon get their "kitchen" badges.

We appreciate the effort made by our caller, Mike Callahan, to conduct a review class from 7:30 to 8:00. Judging by the attendance the dancers are really enjoying it. Visitors are welcome to join the review class and dance with us Friday nights.

Everyone wondered who that taw was dancing with Jim Lee. They certainly made an outstanding couple.

## Pioneer Squares

This is a class/club level dance.

## Cloverleaf Squares

There are always surprises popping up at Cloverleaf Squares. On Sunday, Jan. 30, the surprise was on Jack Sadwick, our guest caller. It was his birthday and the club decided to get a cake. The class also had the same idea so Jack ended up with two cakes. Needless to say, he was very surprised about the whole thing.

Our Valentine's Day Dance on February 13 turned out real nice. It was class/club but there was no dinner involved. Our Decorations committee really out did them themselves. I've also never seen so many red skirts and dresses in one place before in my whole life!

The very next day, Valentine's Day, was a special day for two Cloverleaf club members. Betty Lamb and Bill Lafferty were married. We all wish them all the happiness they deserve.

Coming up in March we have a St. Patricks Day Dance on the 20th. That, too, is a class/club dance and is "come as you are!". That weekend, March 18, 19, & 20 is winter weekend. I hope everyone is looking forward to it as much as I am.

Finally, everyone at Cloverleafs would like to welcome Anne Scheg back. We're all glad she is feeling better and dancing again.

# LEUKEMIA DANCE

The CURE dance is still on. At the time of this printing, we don't know for sure where or when so keep watching the PROMENADER for details concerning the CURE dance.

## Copy Cats

February was an exciting month with so many dancers at our Valentines Dance, and then the All-Singing-Calls Dance, Mike Callahan calling both. Thanks Mike.

Dick and Mary Vandewarker have some new ideas for our March 12th, 3rd annual "Swap Around" a super garage sale. Donate your treasures, to be "swapped around". They will soon be someone else's treasure, with the proceeds going to the CopyCats Square Dance Club to promote Friendship and Fellowship. All this between rounds (Betty Wolcott, cuer) and squares (Mike Callahan). Guests are welcome - see you March 12th.

Our Mystery Ride will be March 19th; destination, a surprise. We will meet at the First Federal Savings Bank (and Wegmans) on Rt # 441 near the corner of #250 at 6:45 pm to receive the mystery envelope.

Because of the Mystery Ride, there will not be a dance on Sat. March 26th.

Do mark your calendar for our Dessert Social on April 9th for class and club level, Mike Callahan calling and Bob Slomcenski cueing rounds. Men of the Copy Cats Club will be making the desserts.

Hope to see you all soon.

## Callers' Co-op

Last month's leadership conference was well attended. The afternoon business session was inquisitive, informative, and sometimes almost explosive. That was followed by a good meal, good dancing, good fellowship and "Purple Hearts". Our thanks to Bob and Jeanette Meagher and their committees. Fine job, Gang!

C.C.R. is sponsoring two special dances in May. Save these two dates!

May 1st, Dave Taylor, the chairman of Callerlab, will be in town to present a smooth flowing choreography session to our local callers in the afternoon. That same evening all dancers will be able to experience what Dave has preached as he calls for us a Smooth mainstream level dance.

May 6th, four local callers will be calling a special Trail-In dance as a warm up preview to D.O.R. There will be more details next month on both of these.

Our next meeting will be March 6th at Covenant Methodist Church on Culver Road at Parsells Ave. It will be our Round Table Conference and gripe session. All callers and cuers are invited and remember if you miss this one, it's nobody's fault but yours.

## Country Twirlers

We enjoyed having class members at our Valentine dance on Feb. 12. A good time was had by all.

Thank you, Mike Herne for a fine evening of fun and dancing on Feb. 19.

On March 5 there will be an open meeting for all club members at 7:00 P.M. at the School.

We are looking forward to our dance on March 19 with Mike Callahan. Guests are always welcome to all of our dances.

On March 26 our regular dance will be held at the Florence Brasser School, 1000 Coldwater Road.

## Country Dancers

Country Dancers will have two out-of-town callers this month. Jim Gregory is from Hartford, Conn. and Andy is from the Boston area, both callers will be working with their own bands. Everyone is invited to our Thursday night dances but you must know contra basics in order to feel comfortable at the Saturday dances. We always walk thru all the contras, but on Saturdays we don't do any teaching.

Some of the Country Dancers will be attending Art Teamerson's square dances in Riga this winter. The March dances are on the 5th and 19th at the Riga Congregational Church from 9-12. This is a fun dance--live music and singing calls from the 40's- plus ballroom dancing between "tips".

While Dance-O-Rama is making headway towards planning it's spring dance it looks like the contra hall will not be part of the programing. We're sorry - and thank you all for your past participation.

Sure and begorra - here we are again welcoming the month of March and the wearin' of the green. Our St. Patrick's Day dance will be held on March 16th. Come and join us and help us celebrate that great day for the Irish.

Congratulations to Norm and Edna Coates who became the proud grandparents of a baby girl on January 25th. Bet you two are excited and pleased as punch with that first little granddaughter. Best wishes are also in order to John Statts and Chris Smelts, two very nice people who belong to our club, on their recent engagement announcement. Congratulations to you both and to John who recently retired from Kodak.

Come and join us for a fun-filled Wednesday night with Dottie Reed cueing rounds on the 1st and 3rd Wednesday to every month. ## EKC-O Squares

Hi Fellow Square Dancers!

March is the time to think of Spring and St Patrick's Day and the wearing of the green and better weather to venture out to go dancing. (though this hasn't been a bad winter for that). You couldn't have used the excuse of the weather for not dancing this winter. So shake the winter blues and let's see our club out dancing.

We celebrated EKC-O Squares 22nd year of dancing January 28th. We had a very nice turn out of club members, past Presidents and guests. Our class was also invited and almost all of them came to help us celebrate our anniversary. The class is doing excellent and will fit into the club in splended style by the time they graduate.

Our last dance in March changes from KAD to Kodak Office and also changes from Fridays back to Wednesdays.

If you have been having problems finding us at KAD, (I realize this is rather late) the best and easiest way is to enter from the Elmgrove Entrance and trust your instincts or come with a friend that knows the way. They keep changing things at Kodak and so it is difficult to give up-to-date information. We'll try to have maps next year. Until then keep trying to find us, we have a good dance and a great time.

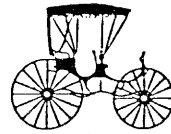

See you in a square or a-round.

## Genesee Dancers

Green is for "go" on March 17 for a Pot Luck Supper. The 'laddies' are doing the cooking and the clean-up and the 'lassies' are the honored guests. Cash bar will be at 6:15 and supper for members only will follow. Dancing will begin at 8:00 P.M. for members and guests.

## Fun Luvin' Squares

If imitation is the sincerest form of flattery, then ol' man winter is a flatterer. We skipped February's column and winter skipped Rochester.

Yes, the club is still dancing, Wednesday nights, same time, same channel. More people keep trying out the fun at Mainstream level each week and many have become regulars. We are a family oriented group with dancers from ages 75 to 9, and don't let the ages fool you. These people can dance.

Each week our caller, Mike Herne, selects 1 call and Quarterly Selection to workshop. We have found that you don't need 500 different calls to have a challenging dance, just some variety in the way the 68 Mainstream Basics are presented.

Also, Mike is thinking of possibly holding a summer workshop for newer dancers. We need to hear from you. Call Mike and Mary Herne 288-1287, if you would like to have and be a part of one.

Remember, Square dancing is supposed to be fun, so leave your troubles home and join us.

Information Yours in Luvin Fun!

Genesee Dancers - cont.

New! The Club is having a free drawing each week and is awarding to a guest couple a pass to a night of dancing at the Genesee Dancers. The first week's winners were Bob and Lou Vincent, who incidentally are Past Presidents of Genesee Dancers.

We are looking forward to Ed Foote's coming on April 14. Look for our ad in the PROMENADER announcing this event.

Our dance schedule for March has been changed. The Promenading B's hold their annual black light dance on March 26th. We have cancelled our dance on that date so all of our club and class members can attend and enjoy the unique experience of dancing under the black lights. I'm sure you will all be glad you were able to attend.

The Yellow Rockers were well represented in Brockport. Sixteen class and club couples enjoyed delicious Chinese food before attending the Glass Slippers Country and Western Celebrity Dance. We enjoyed the singing and yodeling of Pat Torpey. It was fun to see the current class in their square dance attire having such a good time. We look forward to having you in our squares very often in the future.

A reminder to Club members: Be an angel for our class whenever you can on a Monday night.

### Glass Slippers

Our Country and Western Dance was a great success! Thank you to all who came out. Pat Torpey did a wonderful job entertaining us. That lady sure can "Yodel"!!!

Next was our Red and White Valentine Dance. It was so pretty to see nearly everyone in red and white.

Our St. Patrick's Dance is all set for March 16th. We would like to remind everyone that we dance every Wednesday evening from 8:00 to 10:30 at the Ginther School in Brockport. We always welcome guests. Class or club we are happy to have you join us.

637-3486 Roger and Peggy Gilbert

The Funshop is a newly federated club, with dances on the 2nd, 3rd, and 4th Sundays each month. During the month of March, we will have two Sunday dances; March 13 and March 20th. The group dances A-1 level, workshoping A-2 calls, from 7:30 pm to 10:00 pm at the Chili Community Center, Buffalo Road near Route 259 in West Chili. Sometimes we are lucky enough to have Betty Wolcott cueing rounds in between squares.

We would love to see some guests join us. If you are familiar with the A-1 level, come pay us a visit. Happy St. Patrick's Day to all. See you in the next April issue.

### Which Way Whirlers

Mike Callahan will be our Special Guest Caller on March 16. Come join us for an enjoyable evening.

Wyco Promenaders, Dalton Gang and Bergen B's have been recent guests at our club dances. We're glad they came and helped to make our dances fun.

Our class couples are doing real well. We enjoy having them join us for part of our club dances. It gives us all a chance to get to know each other.

Congratulations to Joe and Judy O'Grady on becoming Grandparents.

We extend our appreciation to our outgoing officers for setting the course so well for us. Our new leaders are taking the helm capably and enthusiastically continuing our club's smooth sailing.

Our annual Valentine Dance held on February 5th again proved to be the high-light of the month. A great big "thank you" goes to the committee who made the occasion such a lovely one. We hope this festive affair gave our class a warm friendly introduction to dancing with the club and its guests.

We thoroughly enjoyed dancing to the calling of Chip Kellogg on February 19th. On March 5th, we will be dancing to another guest caller, Mike Callahan. Let's note the date and join him for an evening of fun.

Congratulations to Bob VanBortel and Ed Anderson upon their retirement last month. May your future be all that you anticipate.

We are happy to learn that Ed Penczek is recovering very nicely from his recent heart attack and will soon be back among us. Great news Ed! We are looking forward to seeing you.

Hints of a mystery ride are circulating so come to our dances expecting a happy surprise sometime this month.

Our class will graduate April 16th which will give all of us almost two months of pleasurable dancing together before our Trails End Dance to be held on June 10th. Save The Date!

Thanks to Ken and Mary Jane Nudd for a year of good reporting for the PROMENADER. We will do our best to carry on.

Guests are always welcome at Irondequoit Squares. Come and Join us for an evening of fun and friendliness.

Our Winter Snow Carnival on February 5 will have been over at this writing. Even though the weather wasn't expected to have been in keeping with our theme, the anticipation of dancing with old and new friends was great.

Outside our regular dances we have been busy visiting other clubs. On January 13, the Orbits were guests of the Morton Country Swingers at their Pizza Party. It was a fun filled evening and the pizza so good!

Then on to the Carnival Nite at the Promenading B's on January 21. Again an evening of gayety! To conclude the month, the Orbits enjoyed dancing with the Glass Tipper's at their Country Western Celebrity Night on January 29. Another evening of fun, food and friendship.

Stop in and dance with the Orbits at the Medina "Y" on March 5 and March 19.

## Promenading B's

Thanks to everyone who attended our Carnival Dance on Jan. 21st. We had a great crowd who enjoyed a roller skating gorilla, a little boy named Nemo, and a guy in a "yellowrocker" booth who, if you didn't go to him, picked up his booth and came to you! A great time!! We all enjoyed doing it and hope to do more theme dances.

To all who feel the Gaelic Spirit, come join the B's on March 18th for our annual St. Patrick's Day Dance. Everyone will be wearing green (except those of us wearing orange) to celebrate Erin's patron saint (did you know he was born in Scotland?). As usual, all the details will be handled by our class members. Come join the fun!

There is no dance on March 25th so we will have time to get ready for our big dance the next night.

Save Saturday, March 26th for the Annual Black Light Dance at the Byron-Bergen Central High School. If you've never danced in black light, it is a real experience. White gloves will be provided at the door and a wide variety of refreshments served by the B's in the Cafeteria. All class and club dancers are welcome. We guarantee you'll have a "Glowing" good time. We'll be looking for all our friends!

May we take this opportunity to wish for each of you a joyous Easter. May your faith be refreshed and may you find renewed hope for tomorrow in each new day.

## Swingin' Eights

We bid a fond farewell to our outgoing officers and we thank each and every one for a job well done. At the same time we usher in the new leaders and wish them success in 1983.

The following is a list of our current officers: Presidents: Ken and Joan Blind, Vice-Presidents: Rosik and June Goodenough, Treasurers: Burt and Barbara Art, Secretaries: Al and Sarah Lichterman, Federation: Bill and Helen Klein.

At the dance held on January 8th, we welcomed the newest member to our club, a beautiful little baby boy, John George Crum, born on December 23rd, 1982, to Swingin' Eight members, Dan and Jeanie Crum. This proves that one is never too young for square dancing, since little John George was the most popular individual on the dance floor.

Our Refresher Course proved to be a great success and we hope to repeat this course next year. We extend our appreciation to all the Angels for their enthusiastic help each week, to Bruce Shaw whose fine teaching skills, encouragement and patience contributed so much to making this a successful experience, and to Bill and Helen Klein who so generously donated the use of their finished basement for many of the dance sessions, until the increase in the size of the group necessitated a move to the Pinegrove School.

Looking ahead, we are holding a St. Patrick's Sing-A-Long on March 12, 1983. This is always a fun dance.

We invite you to come dance with the Swingin' Eights.

## Triggers

Spring will soon be here. Square dancing has kept us busy and happy this winter! Our class is progressing and enjoying their lessons under the capable direction of Mike Herne. His taw, Mary Jane, is dancing a few tips and is feeling better.

Won't you join us in March for our special dances? We always welcome guests. On March 1, the theme of our dance will be "In Like a Lion, Out Like a Lamb". Our St. Patrick's Dance is scheduled for March 15. There will be no Triggers March 22. An Easter party will take place March 29 when we welcome Myron as our caller.

Mabel Wordingham will be in Florida for a month having a good time. She will probably even do some square dancing.

Happy Easter to all and a big welcome to spring.

## Village Squares

Our Pizza dance was a great success and it was a fun-filled evening. The wonderful aroma of Lou's freshly baked pizza, topped with mozzarella cheese, mushrooms, pepperoni and anchovies, permeated the hall. You didn't have to be Italian to enjoy this mouthwatering delight between tips, and there was plenty for everyone. If you missed it this year, be sure to make it next time. Our thanks to Lou and Gail who were resplendent in their chef's hats and aprons. We all appreciated your culinary efforts.

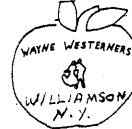

Continued

On Monday, March 14th, we will have our St. Patrick dance at 8:00 and guests are welcome. It won't be a Blue-Monday if you come over and dance to "The Little Green Men" with Dick Casper.

Our class is working hard as the month of April draws near. It will be a busy time with both the annual class dance and graduation in the one month. Watch the next issue for further details. They are a fine group and deserve the support of all our members.

## Wayne Westerners

The new year is off to a good start. We enjoyed our Jan. 13th dance with Mike Callahan and Dottie Reed and hope they will come again.

Jeff Elmore is doing a tremendous job with our club and also with our class. We are looking forward to our Valentine dance and dessert social February 10th with the class as our guests.

Our club and Jeff invite all those who are a bit rusty to join with our class Monday evenings at 7:30 for a refresher course.

We are now in that season of special club/class dances and look forward to the fun of dancing with other clubs and watching our class people become involved with the real world of Western Square Dancing.

## Web Spinners

Our Valentines Dance was such fun, thanks to the Roodenburg's and their committee. The Web Spinners are a fun-lovin' group so Valentine's Parties are just meant for us!

Our Old Forge weekend was super! Our hosts, the Sno Shufflers, showed us what square dancing friendship is all about.

Bill will start off the month of March with his "Singing Calls" night. Everyone gets the rhythm and has a good time.

March 11th, we elect our new Board for next year, under the leadership of Chuck and Dot Hinxman. We can look forward to another great year of our Web Spinner Club, I'm sure. Good luck to all!

Harvey and Jean Schwieger will chair our St. Pat's Dance at the Exempt Club on March 18th. There will be a buffet and dancing following. Be sure to get your reservations in early. A big job for all involved - but always worth it!

Real smooth calling and dancing ahead, when Mike Callahan (the Toe Tapping Caller) does his "guest spot" for us the last week in March. All Clubs are welcomed.

Our Class Graduation is next month and what a great class we have this year! It seems this year is just going - by too fast.

I guess it is time to stop looking for any snowflakes in the sky and look for some robins instead.

Ecology! Pollution! is on everybody's lips- their hair, everywhere. Here are some World remarks from:  
 Rochester, U. S. A. -"Our waters are sooooo polluted that the fish are laying their eggs in Saran Wrap."  
 Paris, France -"There is too much garbage in our waters."  
 Venice, Italy -"There is too much water in our garbage."  
 London, England -"Our most polluted river caught fire yesterday and they didn't have anything to put it out with. The local firemen improvised."  
 Yes, everywhere there is pollution. There is even pollution in the sets. Did you ever come into a hall that looks clear but after one goof up you will hear someone say, "Boy, am I in a fog tonight." I say, "If you goof up a set, admit it and clean it up."

They say the main reason for pollution is too many people. This is very true in the sets, especially when Relay the Deucey or Split the Column are called. Toooo many people.

Then there are the Callers with their chicken pluckin calls. Some say they have a fowl mouth. They send out unfiltered sounds which penetrate the sets. Some nights your having a ball and fowl mouth sends out unfiltered sound and you end up with a foul ball.

Another thing, the Callers records. I noticed one record had some wet foam on it. I asked the Caller if it was beer? He said, "Yeah, it's the Beer Barrel Polka, heh, heh." I didn't believe him for one moment. Also, their records are all black. Did you ever wonder what color they were originally? I think they have a poor record with records.

One thing I think the clubs should insist upon is that the couples should stop coming to the dance on Motorcycles or Bicycles. Everyone knows the government has condemned Cyle-mates.

We should box our gnats, box our fleas and clean up our ocean waves. Get our motors running smoothly so we can get better emissions or the whole thing will Boomerang.

Thanks Anyway,  
Hal Abberger
