VOLUME XXII, No. 2

ROCHESTER, NEW YORK

Dec./Jan. 1984

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

EDITOR'S NOTE:

I WONDER WHY:

Clubs don't have more visiting callers. Is it because:

- the clubs are afraid of the visitors a visiting caller would attract?
- the clubs cannot see the benefits to having visiting callers?
- it's too much work to arrange and schedule visiting callers?
- the club members can't dance to a visiting caller?
- the regular caller is afraid of competition?

Clubs don't visit more. Is it because:

- the clubs are afraid of the return visits from those they've visited?
- the clubs cannot see the benefits of visiting?
- it's too much work to arrange and schedule?
- club member can't dance to other callers?
- the clubs are afraid of losing members to another club, i.e. competition?

Clubs don't use more discretion when submitting items for the Special Events Calendar.

When entering an item on the Special Events Calendar, that club is asking over thirty-seven other clubs to keep that date open so that their event will be successful. When one club has four or more items listed in one season, we think they are being very inconsiderate, and asking too much of other clubs.

We very much look forward to our own club's; Christmas, New Year's Eve, Valentines, St. Patrick's and Graduation Dances. Even though they are each very special to us, we do not believe the Special Events Calendar is the place for them.

Can't we use the Special Events Calendar with a mature, cooperative spirit so that rules and regulations will not be necessary?

On November 1, 1983, we were saddened by the death of our good friend and fellow square dancer, Joe Zinni. We wish to express our sympathy to his wife Betty and all his family. He will be missed by Irondequoit Squares, his club, and all his square dancing friends.

PRESIDENTS' CORNER

WE GOT 'EM! ARE WE GOING TO KEEP 'EM???

It's hard to tell just how much good our TV advertising campaign did, but a recent phone survey showed over 430 new dancers in various classes this year. One club has 70 people, several have over 30. This is a great start for the year. The big question is: *from the 430, how many will be dancing in 1985?*

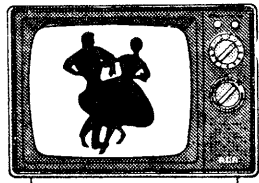

This perennial question was the subject of Jerry Carmen's column in October, and we discussed it in the October Federation meeting. Our conclusion: the loss of new dancers in their first year after graduation is probably the most critical problem facing square dancing today, nationwide and locally.

Perhaps Jerry's statement that this must be solved by the individual clubs is correct, but the Federation as a coordinating group would not be doing its job if it did not study the problem and look for solutions. We concluded that it was too complex a question to be addressed in the Federation meeting, and a special committee should be formed. Two or three volunteered, but we need several more who are interested in this question and may have ideas to contribute. Present and former club officers, callers, long-term dancers, new dancers, dancers who have quit: all of these are good candidates. Are you one of these? Do you know one that ought to be included? Probably the committee will meet 4 or 5 times over as many months.

If you are interested in the future health of the square dancing hobby, you should be concerned with this issue. Please let us know of your interest or the name of anyone you think should be involved. Just drop us a line at 225 Cobb Terrace, 14620, call us at 473-7672, or leave a message on Jim's answering machine, day or night, at 422-9075. How could we make it easier for you?

RAF Publicity Committee

Thirty-five commercials were shown during a three week period, beginning August 29. In addition, dancers appeared on "Morning Break" and "Noon at Ten" shows. 172 inquiries were received from people who had no previous contact with square dancing.

To date, we received Open House information from only five clubs. If you have not sent this in yet, please do so. We will analyze this information and present a detailed report at the Leadership Conference on February 5, 1984, at the Green Lantern Inn.

The Committee's upcoming activities include:

1. Summarize Open House Information and prepare a report for the area Leadership Conference.
2. Prepare a summary of the committee's '83 efforts and make recommendations for the future.
3. Consider making the TV commercial available for use in other areas of the country.

A more complete report will be presented at the Leadership Conference on February 5th, 1984. We hope to see many of you there.

Respectfully,
Bruce and Shirley Shaw
Publicity Chairmen

HOW TO BE A GOOD ANGEL

GOOD angel!! Is there any other kind?? Well, the kind of angels in Heaven are perfect, but the angels that help us so much with our square-dance classes are still here on earth, and being human, they are still subject to error. And the message of this notice is how to help the class members without passing your errors on to them, who don't yet know nearly as much about square dancing as you do.

Let's start off by setting down the Golden Rule for angels, and then seeing some of the different ways to follow that rule. It may involve some angles (Angles on Angels?) that you never thought of. The rule is:

IN ANY CLASS, THERE IS ONLY ONE TEACHER!

Unless he himself asks for assistance, that teacher should always be the person that your club is paying to come and conduct the class. He not only knows what to teach, but he has in all probability had a lot of experience in how to teach.

DO...be quiet while the teacher is talking or calling; don't drown him out, don't say or do anything that will distract the student from what the caller is saying. Especially don't try to add helpful comments, because you will only confuse the poor student who is trying to listen to two sets of instructions at the same time.

DO...listen carefully while the teacher is talking or calling; show the students by example that the teacher needs and deserves their full attention. Who knows?—maybe you will learn something about the basic calls that slipped past you the first time around.

DO...listen carefully to what the teacher is saying; be sure you understand what he wants the students to do and exactly how he wants them to do it. And do it that way yourself. Don't introduce twirls and other flourishes to the class, and especially don't substitute a "Hungarian Swing" for a proper Dos-A-Dos;— they'll learn bad habits soon enough without your help.

DO...help the students by being exactly where you are supposed to be at all times. Be guideposts to help the students locate themselves, and teach them by example how important is precise positioning.

DO...by your example, help teach the dancers to take hands whenever possible. Among several other advantages, this is a great source of guidance and assurance to the students. But your guidance should be confined to gentle hints; don't try to push or pull them around. They will learn much faster and better when they are allowed to make their own mistakes. Pointing or some other hand gesture will often be enough. Verbal comments should be limited to a quick "Turn left," "Stand still," etc. said in a low voice to someone who is right next to you, if you see they are confused in the middle of a movement.

DO...after the end of a tip, tell the teacher about anyone who seems to be having special difficulty with a movement. Don't try to straighten him/her/them out by yourself. Send them to the teacher for extra help, even if they ask you questions about the square-dance movements. Besides giving the students an answer straight from the horse's mouth, it will also help the teacher to keep in touch with the progress of his class. (next col 4)

UNITED SQUARE DANCERS OF AMERICA

QUARTERLY STATUS REPORT

As the United Dancers of America, Inc. begins its third year, growth of the Square Dance activity continues to be the emphasis of the newly elected Officers. With the growth of the movement comes the need for communication and interaction of the various groups which make-up the activity. These needs are the keys which bring about organization.

While most of the frontiers have been developed, there are still regions within the Country which have only recently joined together to represent the Square Dancers within their area.

As a result of the widespread acceptance of the United Square Dancers of America's outstanding economical medical and liability insurance program, it is being offered again for the 1984 calendar year at an even greater savings. Due to the large numbers who participated in 1983 the premium for this fine coverage has been reduced to \$1.00 per dancer for the entire year. Included with this dancer medical policy is \$1,000,000 of public liability protection for their participating clubs, area associations and regional organizations.

While the goals of the United Square Dancers of America closely resemble those of numerous other Square Dance organizations, the USDA has the capability of focusing greater attention to these goals through its large membership - now more than 135,000 dancers. As a result, it is to the benefit of all organizations to cooperate to achieve these goals which we all share - the advancement, growth, development and general betterment of the activity for the mutual benefit of all - Square Dancers and non-dancers alike.

Through the bringing together of the various facets of the Square Dance movement for the exchange of ideas and information great achievements can take place.

Jim and Jan Maczko
Director of Information

ANGELS - continued

DO...if you think the teacher is overlooking something or is mistaken about something, ask him about it first. If you are still not satisfied with his answer, the next place to go is to one of the club officers. Don't get the students involved in something they are not yet equipped to understand, and especially don't say or do anything that might lessen the students' respect for their teacher. That would be doing a great disservice to the teacher, the class, the club, and eventually to yourself.

DO...remember that you are there to help the class learn. Good Angels on the floor will help them learn faster, but the main reason for having angels is to fill in squares so that no class member has to sit out and miss the practice that they need so much. The class members could get through a lot of material if there were three couples of expert dancers in each set, but remember that the important thing is for them to learn for themselves how to dance when there aren't a lot of angels around.

DO...remember that square dancing is supposed to be fun. Being in a class can be a very enjoyable and satisfying experience, and so can being there as an angel to help them learn, even though the dancing is quite different from what you do at club dances. If you go to classes with that attitude, the students are bound to catch it from you. (Continued on page 9.)

CLUB

NEWS

Belles & Beaus

Holiday Greetings to all from the Belles 'n Beaus. We hope you all had a thankful Thanksgiving.

Our 25th Anniversary Party was a big success. We all took a trip down memory lane with some of the original members of the club. The pictures and movies of the club's past events were something to see. Art Harris even had some of the "first" records used for square dancing. A good time was had by all. Thank you to the committees who worked so hard on this event.

Our annual Steak Roast on October 16, was really something. The steaks looked good and tasted better. A great big thank you to Catherine and Art Widman and Ed Tongue, who built the grill to cook the steaks on. After the feast everyone got a little exercise thanks to Art Harris who called for us.

On October 22, twenty-five couples from club had dinner at Rund's on the Ridge and then had a delightful evening dancing and visiting with EKC-O Squares. Thank you for inviting us, we really enjoyed the evening.

December 5, we will have Mike Callahan, calling squares and Mike and Linda Liberti, calling rounds. This combination really can get the Belles a jingling 'N Beaus a dancing.

On December 9, our annual Christmas Dinner Dance will be held at Three Acres Party House. So do not forget to sign up! This is always a good way to begin this festive holiday season.

That little round fellow who wears a red suit, has a long white beard and wearing bells, will be leaving a special present under the Christmas tree for quite a few of our club members this year. But I won't tell what it is.

There will be no dance on Monday, December 26, and Monday January 2, 1984, as the school will be closed. We hope to see all you lovely dancers on Monday, January 9, 1984.

Our club wishes all Square Dancers a Joyous Christmas and a Peaceful, Prosperous and Healthful New Year.

Callers' Co-op

Our meeting on November 6th included a discussion on class dance. A panel of callers chaired by Jack Sadwick expressed their ideas on what should be done or not done at class dances.

An idea was presented by Bruce Shaw that perhaps all new dancers should remain at the mainstream program for a period of two years. A discussion followed to be carried on further in November or December by the callers. Please try to make the meetings to view your opinion.

A welcome goes to Bob and Sue Schlenker from Kanona, New York, who have joined our group.

The C.C.R. wants to wish all our dancers, friends and family a joyous and peaceful holiday season.

Merry Christmas and Happy New Year.

December 4 is the next meeting, and January 8. Same time 2:00pm, Same place, Covenant United Methodist Church, 1124 Culver Road.

Boots n' Slippers

It was so much fun to see all the 'old timers' as well as new members at our 20th Anniversary Dance. We hope you had a good time too - and thanks to everyone who worked so hard to make it such a success.

We look forward to Jerry Garmen on December 2. Won't you join us for our Fifth Annual Blizzard Ball at Mother of Sorrows on January 14th? Mike Harris will be calling. We'll be dancing no matter what the weather. It is a class level dance and we encourage class members to venture out for the evening. See our ad elsewhere in this issue.

We have some snow birds heading south including Helen and Bob Baxter. We wish them a safe trip - and a warm winter!

We are glad that Phil Evans and Lee Frank are both well on their way to recovery from recent accidents: Phil a broken arm and Lee a nasty injury to his hand.

In answer to some of your questions: Yes, Mike Callahan is holding a half hour refresher time from 7:30 to 8:00 pm on the nights he calls for us.

Our thanks to the '83 officers for a job well done. We'll let you in on new officers next time!

The Holidays will soon be upon us and we wish each and everyone of you the most blessed Holiday Season and a Happy 1984.

Copy Cats

The Copy Cats had their mystery ride on October 22 and what a mystery it turned out to be. A night we will all remember. Starting at the Christian School in Penfield, Presidents Jim and Liz Culp led a long caravan of cars first West, then South, and before we finished, we hit all directions of the compass.

Finally, the caravan reached a lodge in Powder Mill Park where twenty couples were greeted with a warm, toasty fire, lots of cold cider, a little bit of liquid cheer, and Mike Herne ready to call up a storm. There was lots of wild dancing, hot pizza at the mid-evening break, and a big, big, creamy birthday cake for two of the dancers. Mike never missed a beat while he was mummified with literally miles of that most useful paper. Just an amazingly crazy fun night! At-a-boy, Jim Culp! Your imagination gave us all a night to remember for a long, long, time.

On November 12th, the Copy Cats enjoyed Mike Callahan's calling and a Pot Luck Supper with a turkey thrown in. If you like to eat, this club's where it's at.

Chip Kellogg was guest caller at the November 26th dance and, as always, Chip gave us a lively evening.

The club's Christmas Dance will be December 10th at the Ontario Firemen's Exempt Hall. All classes are welcome. Last year, the Copy Cats Christmas Dance was great and with Mike Callahan on the squares and Slomcenski on rounds, this will also fill our fun cups till they run over. Come and join us.

Cloverleaf Squares

Well, I do believe winter is here. It seems like yesterday that I was complaining about how warm it was, especially for dancing and how I thanked everyone for remaining in square dance clothes.

Something I forgot to mention in last month's article was our Halloween costume dance. Our decorations committee did a fantastic job. Congratulations to Carol Stein and Betty Barrett. Carol didn't know if she was coming or going and won first prize for best costume in the class. Betty thought she was a bag of jelly beans and took first place in the club contest. Both received a gift certificate from Linda's Western Wear. A big thanks to everyone who dressed up.

We would all like to welcome Eileen Neal to the Cloverleaf board. She is the new class representative.

Cloverleaf Squares has a new constitution. I hope all our members had the opportunity to read it over before it was voted on. There were a few changes and additions from the previous constitution.

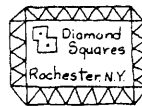

We had quite a feast at our Thanksgiving dinner. Everyone brought a dish to pass and as usual there was much too much. The desserts were especially good.

Our November activity was quite interesting. We had a big band dance at the BIC Bowl. It was really a lot of fun. There was round dancing from 7:30 to 9:00, and Freddie Beck played the rest of the evening.

I look forward to introducing our 1984 club officers next issue. I've enjoyed my position as secretary this year. I've learned a lot and had fun. The new officers take office following our New Year's Eve Dance with Chip Kellogg calling and Jody Mattice cueing. Happy dancing.

Diamond Squares

It doesn't seem possible that this is the last issue for 1983 and the first one for 1984. How time flies when you're having a good year of square dancing. The Diamond Squares wish everyone a joyous holiday season with their families and loved ones. In the spirit of celebrating this festive season, we will be having our Christmas Dance on December 21st and all members are requested to bring a snack that night. We're all on the refreshment committee!

Don't forget the New Year's party at the Green Lantern Inn - get your reservations in early to celebrate the New Year with friends and fellow dancers.

Some of our members have been traveling - Ron and Ellen Heinenfeich took a little jaunt to the Middle East and Al and Florence Francione vacationed in Europe. We well be losing some of our members to a warmer climate very soon and we wish them well.

On the sick list: an old member and friend Milt Neeb and another friend, Ruth Giroux. Best wishes for a speedy recovery and in the meantime, send them some cards to cheer them up. Condolences to Hilde and Emerson Bush, who lost their brother-in-law and to the Manicone's - Jo's sister recently passed away.

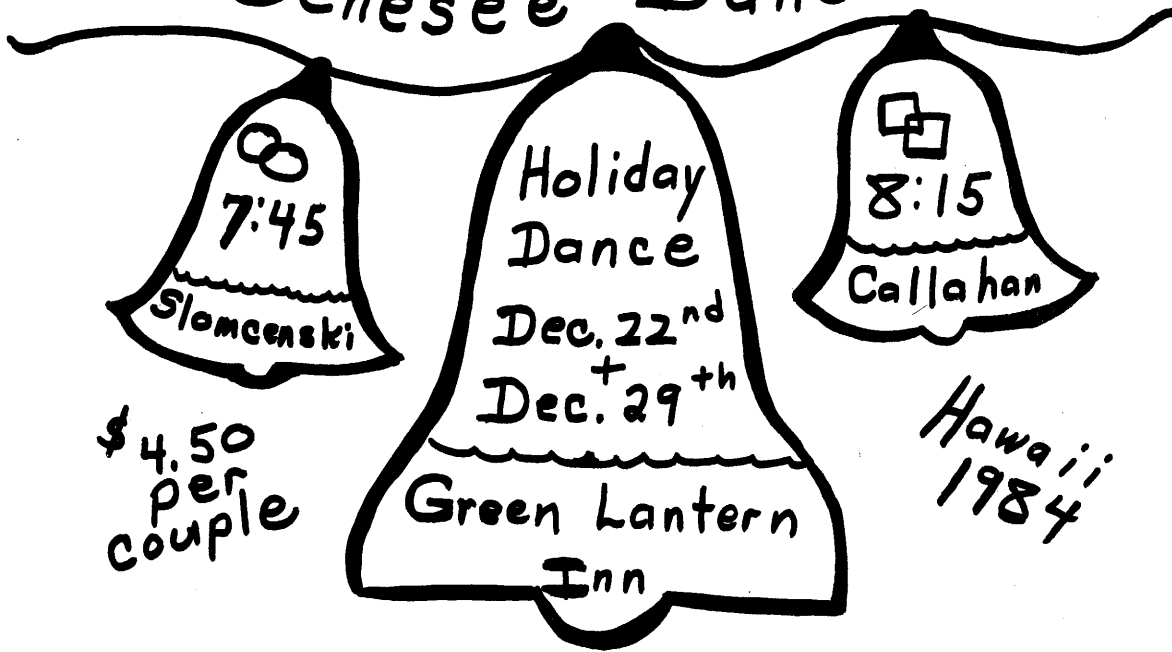

Don't forget the pizza party January 18th. Bob and Nancy are getting details together for a Hawaii cruise in 1985 - it's one to look forward to and get your name on the list early. Keep a lookout for flyers and details.

Until February, a very Merry Christmas and Happy New Year to all. May your holiday season be a safe, happy and healthy one.

Checkmates

Our best news for you is that we are dancing every Tuesday during this holiday season except December 13. Take a break from Christmas preparations and relax with Checkmates on Tuesday evenings at the First United Methodist Church in Fairport at 8:00 pm. After the New Year's Celebrations, settle down to A1 Dancing each Tuesday evening with Dick Casper. The singing calls seem fresh and fun with the zip of A1 movements.

The club is celebrating Christmas and these many new friendships with a dinner at Shadow Lake, Penfield.

We'll miss Earl and Virginia Lupold in January as they have lots of dancing to do for the rest of the winter in Florida. They will be a welcome sight when they return in April.

Checkmates wish you all the best of health and happiness this Christmas and in the bright New Year.

Fun Luvin' Squares

Imagine our surprise when we discovered last month that we forgot our deadline date for the column. Oh, well.

We had some guests at the last dance in October. The Village Squares came over, almost three squares of them, retrieved their banner and took ours in the process. It sure was nice to see so many old friends again. However, they should be on warning that we'll be back to get our banner and before too long, we'll take theirs again. Speaking of banners, "Tecumseh, where are you?"

November started out just right with a visit from Federation Presidents, Mary Lou and Jim Davidson. We enjoyed your company and please come back anytime.

Dick and Joan Reagan are still celebrating the wedding of their daughter, Wendy, and Mike and Mary Jane's oldest daughter, Kim, has moved back to Rochester. (They get rid of one and we gain one.)

With the holiday season already upon us, there will be parties and snow and merriment everywhere. We ask, please, that you drive carefully to and from wherever you are going. We do want to see you again in a square somewhere.

Our wish to you, our friends, at this season is that next year your good times will double and the bad ones will be halved and that the peace and joy of this season carries with you all through the coming year.

Starting the New Year at a New Home. Fun Luvin' Squares will be moving on January 4th, 1984. New Palce: Brighton Reformed Church, 805 Blossom Road, Rochester, New York 14610. Hope to see you all at our new home. Any questions please call 288-1287.

Country Twirlers

By now a Happy Thanksgiving has come and gone. If you ate a little too much turkey, come out and exercise it off with us.

On December 3, Gloria Roth will be our guest caller. We're all looking forward to a wonderful dance! December 10 is our Christmas party. Both class and club are invited to a potluck dinner at 6:00 pm at Washington Irving School. Then we'll dance in the Holiday Season. More details and signups at the upcoming dances.

Our New Year's Eve Dance will be December 31st (of course) at St. Helen's School, 310 Hinchey Road. Dancing from 9 to 12 with Jack Barnes, followed by a hot buffet. Set-ups will be provided, but BYOB for the after party. Skits are welcome. Make your reservation soon. The cost is \$15 for club couples and \$20 for guest couples.

We wish one and all a Merry Christmas and a Happy Holiday Season on behalf of the Country Twirlers!

Our Valentine's Dance on February 11th will be for both class and club. Just thought a small advance warning may help you all to keep the date in mind.

Genesee Dancers

We hope everyone enjoyed the Thanksgiving week-end, and we wish each of you the happiness and joy of this holiday season and for the New Year.

On December 8, Genesee Dancers will hold its Christmas Dinner and dance. The dinner is closed to members only and will begin at 7:00 PM, following a social hour with cash bar at 6:15pm. Dancing is open to all, of course, and begins at 8:00pm.

Many of our Snow Birds have already left for warmer and sunnier climate. We wish them a most joyable winter season in the deep south and expect to see their happy sun-tanned faces next Spring.

Joe Phillips underwent surgery recently. Get well, Joe, we want to see you back dancing with us again on Thursdays. We all wish you a speedy recovery.

Special Notice: Genesee Dancers will be dancing on Thursday, December 22 and again on Thursday, December 29. Joining us on those nights might be a nice break from the other Holiday routines.

Genesee Dancers wishes to express its thanks and gratitude to the 1983 Officers who steered the Club so happily and successfully: President - Camille and Nelson Havens, Vice President - Flo and Bud Parker, Sec Secretary - Marion and Jack Hoyt, Treasurer - Daisy and Peter Nichols, Program - Nancy and Bud Lang.

The nominating committee: Lorraine and Graham Chamberlain, Nancy and Andy Andrews, Jack and Connie Dodswirth and Nelson and Camille Havens will present a slate for the 1984 Officers. Election of new officers will take place on Thursday, December 1, 1983.

This is our last write-up as reporters to the PROMENADER. It has been a pleasure for us to try to bring you the news and keep you up-to-date. Thanks for all your cooperation in making our job so pleasant.

We wish you a very happy Holiday Season and a prosperous New Year of Peace and Good Health.

ANGELS - continued from pg. 4

DO...reassure the students when they do something right. Mostly, a smile and a nod are enough.

DO...remember that people learn things at different rates and degrees of ease. Be especially friendly and encouraging to those who learn more slowly than others. Very often these, with help lasting through the class and after graduation too, will become very good dancers and still be supporting the club long after the hot-shots have either gone on to "higher" things or have burned themselves out and disappeared.

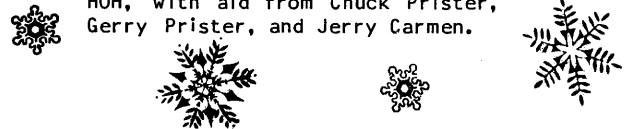

DO...give the teacher a compliment once in a while for something he's done well. He's human too, and appreciates a kind word just like the rest of us.

DO...sit down and make friends with the class members during the rest periods, instead of gathering in one corner, in a walled camp of club members.

DO...especially the ladies, be prepared to answer questions about clothing and refer them to local sources, particularly the ones who advertise in the Promenader.

Above all, DO remember that you are not only helping the class members learn to dance, but also playing an important part in forming their attitude toward the square-dance world, and your own club in particular.

HOH, with aid from Chuck Prister, Gerry Prister, and Jerry Carmen.

Well it 'Tis the Season' of joy and merry-making. Christmas and New Year's is always a time full of excitement and promise.. Our Christmas Party is set for Dec. 21st. We'll start with a Pot Luck Supper for class members and club level. Just bring a dish to pass, anyone is welcome. We start the supper at 6:30 and we dance from 8:00 until 10:30. This is at our usual spot, the Ginther School in Brockport.

Next comes the new year and the promise of a whole year of fun things. To get a great start on 1984, we are holding our biggest dance in January. This year we are fortunate to again present Pat Torpey as our "Celebrity". For those of you who heard her last year you know what we mean when we say this lady is a beautiful, witty, talented professional. We know you'll love her just as much as we do. See ad in this issue.

So please join us Saturday January 28th and catch her show!! The dance is from 8 to 11pm, at the Tuttle North Building, Brockport Campus. That is the famous Dance-O-Rama Building. See you there..

It's hard to believe we're so far into the square dancing season already! Our class under the direction of Chip Kellogg, is well on its way thanks to all the club angels who attend the Wednesday evening sessions. We all have a great time.

The November 6th dance at the North Street Elementary School was the first special Sunday dance held by our club this year. Of course, Dick Casper and Dottie Reed drew a big crowd and made the afternoon just fly. If you missed this dance, be sure to mark your calendar for the next Sunday dance: March 11.

The club wants to wish everyone a joyous Holiday - Keep Dancing!

Our Holiday Season is upon us, but there is always time for square dancing. Those of us who went to Genesee had a really great time: Our congratulations to George and Shirley Lupo on the birth of their grandson, Nicholas, on September 1st. Also congratulations to Mike and Joyce Ford on their election to the Board of Directors, which we celebrated by having a party on October 23rd.

Check our schedule for time and place, as guests are always welcome. Have a Merry Christmas and a Happy New Year.

It was good to have so many of our couples honor the invitation to dance with the Rimon Squares and the Glass Slippers. We did have a really good time and thanks so much for inviting us.

Several couples enjoyed dinner at the Apple Grove Inn before attending the Applefest in Medina. It was fun to see some familiar faces. Our thanks to Audrey and Paul for keeping the Yellow Rockers active.

Our annual Christmas party and dance will be held December 10. We will have a pot luck dinner at 6:30 pm. A special big welcome to our class members. Bring your favorite dish to pass for dinner. We look forward to getting acquainted with all of you and to having you in our squares. Our 2nd dance would normally be held December 24. It is cancelled because of the holiday. We wish one and all a very Merry Christmas.

We will only dance one night in January, on the 14th. We have cancelled our January 28th dance so that we can all attend the Glass Slippers Pat Torpey dance. Ron is calling and it is always a fun time. See you there.

Our combined Harvest dinner-dance and business meeting proved to be a big success. Thanks to Margaret Pearson and her committee for the well planned arrangements and attractive tables. The attendance was excellent and the suggestions presented to help encourage our newly graduated classes and to make them feel comfortable in their experience with club dancing were positively recieved. The satisfaction of our new as well as our experienced dancers is the key to the continued strength of our club.

The following dates are noteworthy:

December 3rd - Regular dance- McNally/Adams.

December 17th - Poinsettia Dance - the Gauls promise us a very festive evening. Dancing will stop at 10:30, but will be followed with special entertainment including delicious dessert and a Christmas sing-a-long. Don't miss this happy celebration.

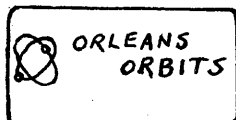

December 31st - New Year's Eve dinner-dance at Msgr. Schnacky's Hall, Mendon. Social Hour will precede the 6:30 dinner. (BYOB) With the Coco's heading the committee and the team of McNally/Adams leading our dancing, it promises to be an exceptionally entertaining evening. Do sign up early. See you there.

Plaudits to our out-going officers. Our sincere appreciation to Vince and Barbara Pericelli and their officers, the board members, and all who have helped make this past year a smooth running club operation. Particular thanks to Jon and Sue and Brian and Judi whose friendship, caring, and steadfast leadership are instrumental in the success of our club; and to Bob and Jeannette Meagher who give us such well prepared new members. Friends pulling together is what square dancing is all about. It has been a very good year!

Happy Holidays to everyone.

Our Apple Fest Dance was really special this year. The dancing was great, thanks to Ron. The "Outdoor Cafe" looked so nice, thanks to Pauline and Franklin Broadwell. The balloons were fun; Frieda and Fred Byers idea. We want to thank all our guests for coming and we are eagerly looking forward to next year's Apple Fest Dance.

Our Christmas party, on December 17, will begin with a pot luck dinner at 6:30. Our annual auction will be held during the tips with our favorite auctioneer, Joe Nenni. If you're looking for some unusual bargains and lots of laughs, join us for our Christmas Auction Dance. We will be dancing at the church known as the 'Church in the middle of the street'. The Episcopal Church, Church Street and East Center Street, Medina, Rt #31. It was written up in Ripley's Believe it or Not Column.

EKC-O Squares

Hi Square Dancers!

Well everyone should be over the Football and Stuffing of Thanksgiving and getting ready for Christmas. Get your shopping and baking finished early this year and then you can dance and relax at our great dances at Kodak.

Some members will be heading South soon, so this may be the last time to dance together until spring.

January will see a new President holding office. Tom and Ginny Hamlin will start their tour of duty at this time. We wish them lots of luck. They have put together a nice program of callers for 1984 for Ekc-o Squares.

This is a good time to thank Herman and Millie Mueller for a job well done for Ekc-o Squares for 1983. They helped the club through a very trying time. They kept the club together and back on its feet and on the road to a nice recovery.

Thanks again.

Well lets start the new year off and finish the old year up by dancing at Kodak with all your friends. See you there!

Merry Mixers

Santa Claus is coming to town! Do you think he knows how to square dance?

Don't forget to make, "Go dancing at the Merry Mixers," one of your New Year's Resolutions!

In October, we danced for the patients at St. Ann's Home with Mike Harris calling. Everyone had fun especially in the wheelchair tips. Thank you, Mike! Nancy Donald sang a tip, El Paso City, with her very beautiful voice while Mike was ably assisted by Larene Fratta on another tip.

Our president, Gert Hauck, became a mother-in-law recently - lucky boy! Nell and George Burandy along with Dave Nolan went to Atlantic City but no luck this time! And Rita Sullivan returned from a refreshing trip to Florida.

Well, 'till next year, we at Merry Mixers wish all of you a very jousous Christmas and holiday season along with a bright and happy New Year. And most Especially, let us all hope for Peace on Earth!

Swingin' Eights

Happy Holidays! What a great time of year. Dan and I and the kids just love Christmas. The weather is beautiful and the lights, the music and even more the dancing has been great. Just a word of thanks to Mike Herne for a great time. He helped to take off some of Thanksgiving Dinner. And he sure can keep the place bumping.

Well to keep in the season, we'll be having our Annual Christmas Party on December 17th, at the Ukrainian Civic Center, 831 Joseph Avenue. Please contact any club member for information. Reservations are required for dinner. We'll be dancing at 8:00 for those who can't join us at dinner.

And to keep in the spirit of the season, the Swingin' 8's will ring in the New Year on January 7th, with our Snowball Dance. We're lucky to have two fine callers with us that night. Sharing the mike will be Mike Callahan and Bruce Shaw. And of course Mike and Linds Liberti will be cueing the rounds. So my friends, I will close for now, wishing you all a fine healthy and happy season. Merry Christmas and the best of New Years to come. Peace and Good Health to all.

Swinging Singles

It seems the year has gone by so quickly. We now approach the holiday season. Isn't great!

We had a great selection of holiday goodies at our annual Thanksgiving dinner dance. This was another dance that both the class and club could enjoy and have a marvelous time dancing.

Novmeber 12th found many of us enjoying rounds with Brian Adams and dancing to Freddy Beck's Orchestra.

On December 17th we are having a Jingle Bell Rock Dance with Mike Herne calling and cueing. So come and join us and get into the Christmas spirit.

We'll be joining the Cloverleaves for our annual New Year's Eve Dance on December 31st at Trinity Episcopal Church, 3450 Ridge Road West.

On Monday, January 23rd we'll be graduating our class that started in February. Our congratulations to the new club members, this has been an evening that they have worked, learned and danced hard for.

Chip Kellogg will be our guest caller on Monday January 30th, with our own Shirley Mullen cueing rounds for us.

Swinging Singles will have an open house on Monday, February 6th, from 8:00 to 10:30 pm at the Penfield Baptist Church, 1962 Penfield Road. Our new class for beginners will start February 13th at 6:30 pm.

Hooray for the article on all the work that goes into the PROMENADER. We give our thanks to everyone for the PROMENADER is a must for the square dancing community.

Guests on December 6 are the Village Squares, Tecumseh Squares, Ekco Squares, Web Spinners, Irondequoit Squares and Genesee Dancers. On January 3, guests are Fun-Luvin' Squares, Rimon Squares, Boots 'n Slippers, Geneva Friendship Squares, Copy Cats, and Country Twirlers. We have an open-door policy and welcome all clubs to join us in dancing with our superb caller, Mike Herne, and Tuesday night.

For our December 20th pot luck supper and Christmas party, we are looking forward to having the class join us. We are celebrating "July in Christmas!" with singing calls. The Twistmeyers are working on plans for our New Year's Eve Party so save the date. Call them at 663-4351 if you would like to join us. Norma and Fred recently announced the engagement of their daughter.

Remember January 17 is amateur night for would-be callers.

Join us January 24 for Frosty the Snowman night and see what surprises Bernie and Irene Sabernick have in store for us.

You might think that Myron and Peg Huss have retired, but they are busy calling one-night stands.

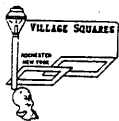

Did you miss seeing the Doerings for a couple of weeks? They volunteered their services and transported ice skaters to the War Memorial for the competition.

The Sabernicks had a good time at Lake Placid this fall and the Appletons journeyed to the Poconos. The Bos and Raymonds attended the square dance festival at Genesee. Mabel Wordingham enjoyed her stay at Kell's in the Poconos and her visit to her daughter's home in New Hampshire.

Happy holidays to all and best wishes for 1984.

Our Hawaiian Night was a great success and the atmosphere, food and music really put us in the mood for the Paradise Islands. Our thanks to Alice Wilson, Sue and Carol Turner, Cherie Exton and their committee for all the hard work and creativity. It was fun and comfortable dancing in those colorful Aloha shirts and Muumuus and Dick Casper was a good substitute for Don Ho.

The Halloween Party was a lot of fun and it was interesting to see all those strange characters who attended. Not all the ghouls were in the cemetery that night!

With the holiday season here, we are looking forward to our annual Christmas dinner dance on December 19th at the Green Lantern. Festivities begin at 6:15 with dinner at 7:00, and reservations are necessary and must be in by December 14th. This will be our first opportunity to dance with the class, and it's a good chance for all of us to become better acquainted. Let's have all our members join us that night to show our class what a good time square dancers have together.

In January, our Snow Ball will be on the 16th. Even if it's cold and blustery outdoors, there will be plenty of warm friendship indoors. Come and join us for an evening of good dancing.

There will be no dance on December 26th or January 2nd.

We wish everyone a safe and happy holiday season and a healthy and prosperous New Year.

LATE NEWS from CALLERS' CO-OP

At the November meeting, the Callers' Co-Op adopted a recommendation for anybody that puts on a dance to which class members from other clubs are invited. They should guarantee that no calls will be used that are not on the Mainstream list, or are further down the list than the calls that the invited classes have learned so far. Workshoping should be held to a minimum, and done only for calls that the classes have already learned, but may need a little brushing-up on.

Many of our members have also visited with area clubs and enjoyed many special dances.

We are looking forward to the winter and Holiday Season. There will be our Christmas dance on December 15th with a pot-luck dinner and our class as guests. We shall not be dancing December 22 or 29.

Looking ahead to January, installation of new officers on January 5. Our class is making real progress and we thank all our club members for their presence on dance class nights as Angels.

Web Spinners

Two months gives us more to write about. December 9th is our Christmas Party which will be held at the Plank Road School and our class is invited to participate.

By the way, I have heard glowing reports about how good this class is. Come and find out.

December 16th, we are having a Guest Caller, Bruce Shaw. Nobody will want to miss this.

The 23rd of December is too close to Christmas and the school will be closed. Take note, no dance.

That takes care of '83 except for our New Year's Eve Party which is supper at the Firehall followed by dancing and the usual celebrating. Ralph and Velma Bodensteiner are the chairpersons for this event.

The class is invited to participate. Get your reservations in early.

As for all Web Spinner dances, Gordy Copeland will be cueing for Rounds, starting at 7:45 and then between the tips.

January is a routine schedule with Guest Nite scheduled for January 20th. All Web Spinners should put forth some extra effort to be there and show our guests a good time.

January 27th is our Beginners Ball and we hope to see many new class members from other clubs as well as our own. Dancing will be at the class level.

Judy Wilcox will be putting on a style show as in the past with no effort spared to provide the most glamorous models.

Our president couple have returned from their 35th Wedding Anniversary trip to Hawaii. Congratulations Dottie and Chuck Hinxman. They went with Ginny and Dick Bizub. Whos. only excuse for going was they were celebrating their 1st wedding anniversary. Congratulations to them also. Good time was had by all.

November was a terrific month of dancing for us beginning with our first dance of the month called by Sunny Mike Harris and cued by Al Overslaugh. Our guests that night were the Wayne Westerners of William-son. Another feature of our dance was a silent auction of square dance apparel.

At our second regular dance of the month, the Happy Hoofers were our guests and that real pro, Jerry Carmen, kept us whirling, and Al was cueing. We ended the month with our 3rd Annual After Turkey Fest Dinner-Dance at the Holiday Inn, Waterloo. What a nice turnout for that great National Caller, Mike Callahan, and that attractive, petite cuer, Dottie Reed.

Best wishes for a most happy Holiday Season to all the readers of PROMENADER and all square dancers and their families. December is a busy month for us with a great Fashion Show on December 2nd, with the Carriage House Fashions and King of Yellow Rock, Jeff Elmore, calling. The Christmas Dance on December 16, starts with a pot-luck supper at 6:30 and Mike Herne, that fun-loving caller, who celebrates his birthday then - we won't say the number of years. Al will be cueing both dances. Visitors are welcome to the supper - just bring your dishes and something to pass.

The new year of 1983 starts with our January 6th dance when we host the Kuntry Kuzzins with Bob Schlenker calling. On January 20 is our Snow Ball Dance, when we are asking Penn Yan Friendship Squares to be our guests, with Charlie Valent calling. We don't know if he prefers to be called a snowman or a snowflake. Al Overslaugh will be there doing a terrific job as usual.

Visitors always welcome at Skoï-Yase. Happy New Year!

Country Dancers has rejoined the Federation and welcome the class graduates of 1983 from all the square dance clubs. Contra dancing is nothing new - many of the dances we love were written back in the 1700's. The dances are done in facing lines and use the same square dance figures you learned in the first few lessons of your classes. If you never danced contras, do join us some evening - we always have live music.

For "old timers" we have moved to a larger hall - Covenant Methodist Church, and there is parking! Our Thursday dances are open to everyone (no need for any previous dance experience) and the Saturday dances are still 'walked through' but we would like people to know the simple basic square dance vocabulary (right a and left through, ladies chain, allemande).

December 29 is a family dance - Tom will call traditional Christmas dances. Everyone welcome.

PURPOSE: 1. Provide information about and promote interest in Western Style Round and Square Dancing through such activities as may be expedient to the Executive Committee.

2. Operate as a service Organization in co-ordinating club activities, with no voice in the internal affairs of member clubs.

In order to execute these goals the Federation has set up various committees and programs.

1. Demonstration Committee: When a community group (shopping malls, scouts, Lilac Festival, etc.) desires an exhibition of Square Dancing, this committee goes into swing to organize and put on a demonstration of square dancing. This committee will coordinate callers and dancers for the Demonstration.

2. Publicity Committee: This newly formed committee is working to advertise square dancing to the public by means of T.V., radio and newspaper.

3. PROMENADER: This publication was established to work as communications for our square dancers.

4. Banner Stealing Program: This program promotes visitation between clubs. When a visiting club brings a square of dancers to another club, the visiting club may "steal" that club's traveling banner. Friendship, cooperation and communication between clubs is promoted by this program.

5. Dance-O-Rama Committee. This committee organizes and holds the yearly dance sponsored by the Federation. Funds received from this dance are used to fund the various programs of the Federation and the operation of the Federation itself.

6. The Insurance Committee. This committee has been working hard lately to acquire an insurance policy to cover clubs and dancers. Many clubs wish to carry insurance to protect the club and its members.

Some clubs also are required to carry it in order to use various halls. Clubs have found it expedient to join together to carry this insurance through the Federation.

7. Leadership Seminars: Each year, Callers Co-op of Rochester and the Federation co-sponsor a leadership seminar to help in club leadership and discuss the direction of Square Dancing in this area. ALL square dancers are welcome to attend.

The R.A.F. has as much potential as its volunteers are willing to give. With friendly cooperation and work of its members, the Federation has accomplished a lot in the past and holds the seeds for even greater accomplishments in the future. Let's all nurture and care for these seeds, by a spirit of helpfulness, cooperation and volunteerism.
