FROM THE PRESIDENTS' CORNER

We are pleased to announce that the Circulators club has joined the ranks of the Federation and we welcome them! Also, the Happy Hoofers have joined the Banner Stealing Assoc. Banner stealing has become quite a fun thing again in the Rochester area.

At our March 13th meeting, a motion was made and approved to send a free mini-subscription to the Promenader (compliments of the Federation and the Promenader) to all 1986 class graduates welcoming them into the world of square dancing. They will receive 4 issues: May, summer issue (June, July, Aug.), Sept. and Oct. at no cost to them. If you have not as yet sent your class list to the Subscription Editors, Alice & Ange DeFelice, please do it now. Alice & Ange deserve a lot of credit - they collate, label and mail out all the Promenader issues. Not to mention the record keeping and the numerous phone calls they receive. Our hats off to them!

Those clubs who enrolled in the U.S.D.A. insurance program received their insurance certificates. If you have not yet received yours, contact Ron Magin, insurance chairman.

An amendment to the By-laws was passed to enable Committee Chairpeople (DOR, Insurance, Promenader, Publicity and Representative at Large) to be recognized as voting members of the Federation.

We were saddened to learn of the death of caller, Don Pratt. Our sympathies to his family.

If you are travelling to another section of this great square dancing country, there is now a toll free number available for dancers to locate other clubs. The number nationwide is 1-800-ALA-LEFT (except Florida). In Florida the number is 1-800-282-5955.

The Nominating Committee is looking for couples or an individual to fill an office within the Federation for the 1986-87 season. If you are interested, get involved. Contact the Chairman, Dorothy Adams at 865-1020

Looking forward to seeing you all at Dance-O-Rama on May 3rd in Brockport. Happy dancing!

Jerry & Joan Sanford

Rochester Area Federation: Minutes of the Meetings

---One copy to each officer of the Federation.

If there is any change of representatives or club president, or for any other corrections to the mailing list for the Minutes, please contact directly the Corresponding Secretary, Dottie Adams (865-1020), or Orlo Hoadley (225-2796):-- in person at a Federation meeting, by phone, or by mail. We do update the mailing list from your club's Federation affiliation renewal form in the fall, but... DO NOT depend on having your name and address picked up from the Attendance List at a meeting!

CLUB

NEWS

Morton Country Swingers

The Morton Country Swingers enjoyed our Trails End dance, April 24 with a celebration of the 10th year of Swinging. All past and present members were invited. The history of the club was reviewed with the most significant events reenacted for this historic night. We enjoyed a wonderful year of swinging. Trails End came too soon. We look forward to an even better year next year.

We are planning the annual Morton Country Swinger picnic for August, and Welcome Back and Open House dances for September. Dates, location, and arrangements will be announced.

The club is indebted to our Caller Al Howe and Cuer George Burch who always see to it that everyone enjoys dancing. Truly Al and George have contributed their skills to our enjoyment and the sustaining of the club. The Morton Country Swingers live on because of the dedication of our Caller and Cuer. We also extend thanks to all the dancers who visited the Swingers during the year; they contributed their presence, good feelings to our year. Thanks.

Promenading B's

Congratulations to our fine group of 1986 graduates: Penny & Daniel Alderman, Elaine & Bud Eggebrecht, Nettie & Dave Randazzo, Sheeter & Keith Jurkus, Beth & George Marsh, Evelyn Gillmore & Bob, and Cindy & Dick Chilson. We can tell by their laughter and enthusiasm each week that they will enjoy being club members of the Promenading B's as much as we will enjoy having them.

May 2 is our annual election and installation of officers.

Mike Callahan will be our guest caller on May 16 at 8 P. M. We're expecting a fine turnout for this excellent caller from Rochester.

A special thank you to Betty and Bert Wolcott for the round dance lessons. It is great seeing so many of their students dancing rounds each week at our club dances.

Our dances will be at 8 P. M. for the remainder of May and June. Remember to attend Dance-O-Rama on May 3.

Happy Mother's Day.

Belles & Beaus

Congratulations to the class of '86

Ruth & Ray Green Lou Stoltz
Pat & Dale Hurley Marion & Jim Ryan
Bob Law & Janice Ledtke

We are looking forward to dancing with you.

Remember open house on Wednesday May 7 at Holmes Rd. school. Introduce your friends to the fun of dancing with Belles 'N Beaus. Trail end dance is May 16 at Three Acre Party House on Whittier Rd. Don't think our trail end dance means the end of dancing until September. We hope to meet you all summer long at area clubs. Belles 'n Beaus annual car rally and picnic are scheduled for Sunday June 8. On July 20 the Scotch Golf Tournament will be held at Arrowhead followed by a picnic and the tally of scores. A fun day for all golfers and almost golfers.

Florence Whitty has had eye surgery and will not be dancing with us for awhile.

Our sympathy to Ruth Shadders on the death of her husband, John, March 18. He will be missed by all of us.

The April dinner dance was a huge success. Two buses with dancers from Buffalo's Harris Squares joined in the fun at Red Mens Club. We hope to make this an annual event.

When dancing with Belles 'N Beaus be sure to notice the unique banner presented to us by Boots N Slippers. With it's shiny gold bells and floppy bow it is a work of art.

Cloverleaf Squares

Cloverleaves will welcome Jody Mattice to cue rounds on May 4.

May 11 will be Graduation Night - a special occasion indeed. Dinner will precede the festivities for class and club members only but all are welcome to join us at the ceremonies, a Fashion Show presented by Linda's Western Wear and for dancing - all beginning at 8.

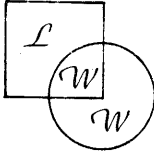

May 18 will begin our summer schedule, a 3 hour - 3 tier program. 7-8 will be Mainstream review, 8-9 will include a plus workshop and 9-10 will be club level dancing. The last two hours will include rounds. May 18 is also Guest Night for Boots N Slippers, Victor Swing-A-Longs, Promenading B's and Lima Grand Squares.

May 24 will be our annual Memorial Day Picnic with Swinging Singles at Braddock Bay State Park.

We will dance on May 25 and it will be the first of our Summer "Come as you are" Dances. Cloverleaves will dance all summer and the program is designed so the new graduates can review and learn plus calls, and at the same time club level dancers can keep up their skills.

June 1 will be a very special evening as Cloverleaves present the popular Ron Libby at the Red Men's Club. See our flyer elsewhere in this issue.

Country Twirlers

One of the sure signs of spring was the return of many of our "Snowbirds" from Florida and other southern points in April. Welcome back! We sure missed you.

April 19th we were pleased to help our friends from EKC-O Squares celebrate their 25th anniversary. After dinner at a nearby restaurant, they returned to Washington Irving School to dance with the Country Twirlers. A cake honoring them was part of our refreshment time after the dance.

On April 26th we had a "Box Social". Each couple brought a dessert for two people packaged in a fancy wrapped box which were exchanged at refreshment time.

It's hard to believe that our 1985-1986 dance season is drawing to a close. We have only two dances in May, on the 10th a regular Jack Barnes dance at Washington Irving School and our Trail's End dinner dance at the Three Acres Party House on Whittier Road, May 17th. We will remain at the party house for dancing. The cost will be \$20 per couple for club members and \$25 per couple for guests. Guests will not be able to attend the dance only. There will be a sign up sheet at Washington Irving School. For information and reservations call Keith & Mary Kay Schwab at 889-4454.

Remember the Campout Weekend is June 6-7-8 at Lakeside State Park.

EKC-O Squares

The celebration of our 25th anniversary started last month with a dinner at Charlie's Coldwater Station on Coldwater Road in Gates. After dinner, we moved on to Washington Irving School to join the Country Twirlers at their Saturday night dance. A good time was had by all.

Our Silver Anniversary Dance will be held on May 20th with Jerry Carmen and Betty Wolcott. All area square dancers are invited to join us that night free of charge. So come help us make the evening a memorable one.

In celebration of the beginning of our second quarter century, we are offering a special membership to all former EKC-O Square members who are either Kodak employees or retirees. This special membership for dancing in our air-conditioned facility May through August is only \$6 per couple. We invite you to take advantage of this offer and then consider taking out a regular club membership in September.

Invitations have been sent to the following clubs to be our guests, May 6 - Jerry's Funshop and Swinging Singles, and May 13 - Kuntry Kuzzins and Sets in Motion. Any active member of these clubs are asked to join us on those dates.

Put these summer dates on your calendar: June 10th - first night of our plus level workshop, July 1st - National Caller Ken Anderson, July 15th - National Caller Red Bates and Saturday night August 9th National Caller - Jim Lee.

WILLIAMSON HIGH SCHOOL
WILLIAMSON, NEW YORK

The month of March has brought warmer weather, longer days, and new and exciting challenges for our Round Dancing class. After only four lessons, we have learned several basic dances, and Forward Two-Steps, Double Hitches, Cut-Backs and Vine Fours are beginning to feel more natural to us. Our class consists of about twelve couples, not counting the stray cat that wandered in one night, no doubt attracted by the strains of "Frenchy Brown" echoing down the hallway. On March 25, several members of Jody's Rounds visited EKC-0 Squares at the Kodak Office Building to enjoy a night of Round Dancing with our own cuer, Jody Mattice, and Square Dancing with Mike Harris.

If you'd like to brush up on your Round Dancing skills, come and visit us on Tuesday nights. We meet at 7:00 P. M. at the Crossman Community Center located on East Avenue in Fairport. Our Round Dance class, which should be well along into waltzes by the time you read this, is followed by our traditional "Board Meeting" at the Fairport Village Inn where the agenda usually includes plenty of chicken wings, burgers, sandwiches, and diet pop!

Web Spinners

There is so much happening with the Web Spinners and you're invited to be a part of it all. Speaking of events we had another great month of dancing in April. We started off April with our second annual Monte Carlo nite which was another huge success thanks to the efforts of Madge and Homer Roodenburg and their committee. We never knew you could lose so much (fake) money and have so much fun.

Although the month of May has only two events, they are very special. Class graduation will be on May 9th at Ridgecrest School. Let's all be there to congratulate a great and enthusiastic class. Trails End is coming up on the 17th of May. Ron and Joan Magin have agreed to chair this event. It seems like the year has passed by so quickly. Make your reservations early for Trails End. It's going to be a fun evening with the new slate of officers installed.

Stay tuned for the next issue which will highlight the summer dancing program and other summer activities.

CARMEN'S COLUMN

ARE YOUR MANNERS SHOWING?

Part of each beginners class used to be a session on etiquette. It was emphasized periodically throughout the lessons and when we entered the club we were aware of the do's and don'ts of how to behave toward our fellow members.

Today in our crammed programs, we do not seem to have the time to give nothing more than a short lecture or hand out a few pamphlets which have the subject of square dance etiquette in them. We probably have forgotten the lecture or never got around to that part in the pamphlets. This is one aspect of our education that is short-changed these days.

Square dance courtesy is really nothing more than behaving toward others as if they were friends and we cared about their feelings. We seem to have lost some of that in today's high-pressure dancing.

Some of us are aware of some of the more obvious transgressions such as walking out of a square or telling people to go back to class, but some of the more subtle ones can be just as devastating to new and experienced dancers alike. Here are a few. Keep them in mind and try never to be guilty of them.

THE BONE CRACKER likes to get a firm grip. Probably the better to yank people into position. Never mind their victims might have arthritis or a hand injury. Surprisingly enough, some bone crackers don't realize what they're doing. I believe anyone meeting them would do them a favor by telling them that they are hurting people by their grip.

THE YANKER mentioned above is usually an intentional offender. Yankers like to show how well they know the call by firmly grabbing your hand and pulling you in the direction they think you should go - sometimes in the wrong direction. This also serves to establish their superiority in the square. Since yankers do not give you credit for knowing anything, they should be told they are only adding to the confusion, not giving you the opportunity to learn, and they are making you angry.

THE SHOVER is an extension of the yanker. When your hand is not available your back is. Shovers, unlike the yanker, sometimes actually think they are being helpful. The main problem with shovers is that they have no finesse. Most of us have no objection to being guided into position when we are lost, but we resent being shoved. The shover many times knows what to do but not how. When you encounter a shover, you should first assume they don't realize how rough they are and tell them politely that you appreciate that they are trying to help you but cannot stand the way they are doing it.

THE FROWNER when combined with any of the above can be absolutely deadly - especially to new dancers. They are trying to express their dissatisfaction with your performance as graphically as possible without actually saying anything. We should be careful, however, because frowning all by itself can be quite innocent. Many frowners do so without realizing it because they are concentrating on what they are doing. An unintentional frowner appreciates you pointing this out, so please try to mention it. Say something like "I hope you're not angry at something I did." The unintentional frowner will react with surprise and ask you why. Once aware of the frowning, you will notice a lot more smiling on that person. This sometimes works on the intentional frowner as well.

THE INSULTER throws-off indirect comments like, "I wish we could get in a GOOD square." or "Oh, new graduates." As far as I know, there is no immediate cure for these people and when they reveal themselves they should be avoided whenever possible. If you do get stuck with them, try to remember they are a very small part of the square dance population and there are probably five other perfectly wonderful people in your square. Just feel sorry for the insulters' spouse. Very often they feel embarrassment but are too weak-willed to say anything.

THE COMPLAINER runs around telling whoever will listen that the class or workshop is progressing too slowly, the club level is too low, or the caller doesn't know how to teach. The complainer only thinks of himself and can be a divisive force in the class or club, turning others against the caller. In my estimation, the primary goal of these people is to be better than everyone else. They also tend to complain about slow learners. Sometimes this is accompanied by threats - "If you don't get rid of so-and-so, then I'm leaving!". From past experience, the caller would be better served to let the complainers go than to give into their demands. Time and time again, the "slow learner" has proven to be more faithful in attendance, more willing to work when asked, and more loyal to the club. The slow learner most often only wants to please everyone else, but the complainer wants everyone else to please him.

It seems as if another season of square dancing will soon be coming to an end. We only have three dances remaining this year.

We would like to congratulate our new graduates, and welcome them to the world of square dancing. This year's graduates are Vicki Small, Penny Martinelli, John "Whitey" Schultheis, and Art and Mary Reynolds.

May 10th will be a special evening for us. We will have a guest caller that evening. Mike Herne will be doing the honors. We are also planning an ice cream social for that evening, so be sure to bring your appetite.

Just a little reminder, be sure to mark June 22nd on your calendar for our annual picnic.

We hope everybody has a safe and relaxing Memorial Day weekend. Drive carefully!

Swinging Singles

On May 24th we will be meeting Cloverleaf Squares at Braddock's Bay State Park for our annual picnic. Our class has graduated and we welcome our new club members.

Information Reporter,
889-4619 Betty Cowley

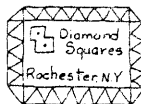

We are sorry we had to change locations for Roger Whynot's dance on May 1st--but if you missed him then, I hope you were able to dance to him at D-O-R. We will be changing to South Presbyterian Church again on June 5th.

Our 10th birthday will be celebrated on June 14th with a variety of callers and Blackthorn Ceilidh Band. Do join us. More of that in the next issue. (Men, don't forget you may wear T-shirts to our dances).

A number of our traveling dancers have attended out of town festivals. Feb. 1 & 2 took a sizable group to Albany for the Old Songs Winter Dance Fest (contra, square & folk) and an even larger group greeted spring in Natick, MA (April 25-27) for the festival of the year. Seven halls of dancing--plus the Morris dancing out on the lawn--music--ethnic foods, costumes, folk exhibitions, crafts plus children's activities. Ed Butenhof is one of the many callers.

Don't miss our dance on April 17. Wild Asparagus (a dance band) broke all attendance records when they came to Rochester last year--and practically took the roof off the dance hall at Pinewoods last summer. This is a time when we are lucky that contra callers don't have to be in the lime-light for it is the MUSIC that really sets the tone and mood of each dance. Do join us for this very special evening. As usual, all dances are walked first.

Diamond Squares

The long winter months are behind us and we're looking forward to summer and good summer dancing activities. Diamond Squares continue to dance all through the summer months with Bob Ellis cueing rounds between tips. Dancing begins at 8:00 P.M. We encourage all dancers to come in casual attire and sometimes, with all the fans we have going, it's cooler in the hall than it is outside. Bob and Nancy have many summer campouts planned. Look for the flyers and advertisements in the Promenader. They always promise to be fun campouts, good dancing and lots of excitement around the campfire with skits and storytelling going on.

May 14th is our May Day Dance and Pot Luck Dinner. Dinner will start at 7:00 P.M. with dancing at the usual time - 8:00 P.M. By that time, we should be welcoming back most of our snowbirds. So make plans to come and join us to welcome them back.

Bob and Nancy recently returned from a cruise to the Caribbean where they visited several ports of call. I'm sure they'll be glad to tell you about the good times they had shopping, sunning themselves and of course "chowing down" while we suffered the winter blahs in the frigid North.

We're looking forward to Dance-O-Rama on May 3rd at Brockport College and hope to see many familiar faces there. Don't forget to celebrate Mother's Day on May 11th. We wish you all a very nice Mother's Day. See you around a square!

Res. 248 - 5270

Dear Square Dancers,

The Genesee Dancers, Inc. is celebrating its 30th Trail End Dance this June and is issuing an invitation to all former Genesee Dancers to join in an evening of memories.

The historians tell us that Western Square Dancing began in Monroe County with a few dedicated dancers having fun learning a new recreation by dancing to records. With perseverance they found Herb Suedmeyer (deceased) in Buffalo, NY and persuaded him to come to Rochester to teach the basic "basics". A few of you dancers are still dancing in our local halls with Herb's special styling. This dance group came to be known as "Genesee Dancers".

The club's present caller, Mike Callahan, has promised to teach us some of the 1955 calls such as: Daisy Chain, Catch All 8, Allemande Alphabet and Rip & Snort at our birthday celebration.

A buffet dinner will be held at 7:00 pm on Thursday, June 12th at the Green Lantern Inn, Fairport, NY. (Cash bar will begin at 6:00 pm.) A limited number of dinner reservations are open to our friends. The cost is \$10.00 per dinner and dance (\$20.00 per couple). Dance fee is only \$2.50 per person (\$5.00 per couple).

If you know any former Genesee Dancer members, please give them this information. To repeat, there will be a **limited** number of guests, so get your reservation in early.

Make checks payable to Genesee Dancers, Inc., and mail to:

Genesee Dancers

Congratulations, GRADUATES! On April 24, Genesee Dancers graduated ten dancing couples. These people have all learned their lessons well and they will be a great addition to our club.

Mike Herne will be calling the squares on May 1 and Brian Adams will be cueing rounds on April 22.

Nancy & Bud Lang and their committee are hard at work on our "Flirty Thirty" dinner dance to be held on June 12. Details can be found in our ad.

Genesee Dancers was started thirty years ago by a few dedicated couples who danced to tapes in Waldo & Bea Westwater's basement. They moved to Cutler Union with Herb Sudmeyer (now deceased) as their first caller. Art Harris and Don Duffin shared the spotlight as club callers for several years, followed by our present caller Mike Callahan.

Upon their return from Florida, Marion and Jack Hoyt will be bringing you news of our summer dancing schedule in the June issue.

Checkmates

Warm weather and sunshine have returned along with our summer class. Join us at the First United Methodist Church in Fairport starting Tuesday, May 13 at 8:00 for an introduction to A-1 dancing. Even if you have been through A-1 lessons before, a repeat class helps to ingrain those calls in the mind and feet. Many of us feel it takes two sets of lessons to feel confident dancing the advanced level.

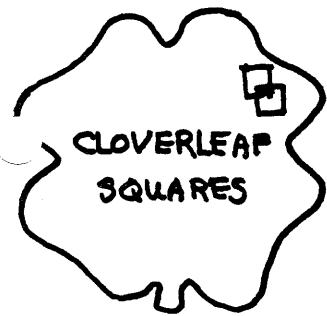

Welcome back to all our members who travelled this past winter. Florida will never be the same again.

Our thanks to Charlie and Norma Fitzgerald for the great job they did taking care of the Promenader articles and listings. We really appreciate it.

Hope a lot of you will out there will join our friendly, good natured group this summer at the First United Methodist Church in Fairport (31 W. Church St.).

Our "Comet Commingle" class dance was a huge success with a large crowd of class and club dancers in attendance. The decorations, refreshments and door prizes were much appreciated. A prize was even presented for the best "comet costume"! Congratulations to the class for providing a fun-filled evening of square dancing.

Our intrepid club caller, Dick Casper, recently celebrated his 39th (?) birthday, with the club providing the usual birthday serenade along with a tasty, shapely cake and a "Blue Jeans" coffee mug to add to his growing collection.

As the dancing season winds down for the summer, our annual TRAIL END dinner/dance is scheduled for May 21 at the Green Lantern Inn. This is a good opportunity for members to welcome the recent graduates to the club and will be our last regular dance of the season. The evening begins at 6:30 and reservations are required.

Two other upcoming events to note are a mainstream-plus summer workshop to begin on June 4th and our first ever club campout at Camp Bell in August. More details later.

Sets in Motion

Well, the warm weather is here and so is another season of camping and dancing. The gang at Sets in Motion is ready for our Summer get togethers.

May 9, 10 and 11 will find us at the Woodstream Campgrounds in Gainesville, New York. This is our yearly shakedown trip to make sure that all of the various R.V.'s are in good shape for the rest of the season.

At Friday night's campfire we will be breaking in our new soup kettle. Remember to bring your can of soup for the pot. On Saturday the dancing begins at 8 P. M. and our two resident "crazy" callers, Mike Herne and Mike Harris promise to tease our minds, as usual, with their own brand of lovable torture.

If you or someone you know would like to join in our fun, please call 342-3039 and if no one's there, leave a message so we can get back to you.

SILVER CLUB

A very special rich-looking dangle is available to dancers who dance with 25 callers and get their signatures in the Silver Club booklet. At least 15 of the callers must be Federation callers. A Federation caller is either one who is a regular caller or class teacher for a Federation club, or a member of the Callers' Cooperative of Rochester.

Up to 10 of the signatures may be visiting callers at Dance-O-Rama, or at a dance of any Federation club. Callers who aren't eligible to go in your Silver Club booklet are any out-of-town callers at an out-of-town or non-Federation dance that you may visit (but we hope you will get their signatures in your Century Club booklet).

Eligible callers were listed on the back cover of the booklet when it was printed, but there have been some changes since then. For instance, Jack Barnes has become the regular caller for the Country Twirlers in place of Jim McQuade, so Jack is OK but Jim no longer qualifies to be one of the 15 local callers. Here is a list of the currently-eligible local callers:

ROCHESTER AREA FEDERATION CALLERS

Jack Barnes	Mike Herne
Les Bradt	Al Howe
Gary Bubel	Myron Huss
Ed Butenhof	Chip Kellogg
Mike Callahan	Jody Mattice
Jerry Carmen	Jon McNally
Dick Casper	Bob Meagher
Ron Cole	Al Overslaugh
Bob Ellis	Chuck Prister
Jeff Elmore	Bill Ryan
John Haley	Dick Sage
Bud Hands	Bob Schlenker
Art Harris	Bruce Shaw
Mike Harris	Charlie Valent

If you have any questions or want to get booklets, ask your Federation representative, one of the Federation officers, or call 225-2796. The booklets will be available at the ticket desk at Dance-O-Rama.
