**Editor's
Note:**

Dear Readers,

A strange phenomenon seems to be occurring I notice a marked increase of clubs working together and coordinating efforts. Individual clubs seem more aware of other clubs and their efforts. I see clubs working together and planning events together. How delightful!

Speaking of efforts, I hope you can see the work the club reporters have been putting into the schedules, news, ads and subscriptions. They have made their clubs and the **Promenader** look good.

Reporters, thanks for the work on subscriptions. Your acute attention to each detail of the schedules you've been sending me shows, and receiving them on time helps more than you could know. Thanks!

Remember the combined issue next month; December and January is all in one issue. Send December's and January's schedule and an interesting news article covering the two months. (Try to avoid Halloween News.)

BILL FITZGERALD

Jerry's Fun Shop dancers were saddened recently by the sudden passing of their member, Bill Fitzgerald. Bill and his wife, Ruth, have been active square dancers for a number of years. Bill added a lot of fun to any square that he was in. We will miss his jovial manner, hearty laugh, and dancing wisdom.

Dear Valued Square Dance Friends,

What a pleasure and privilege it is to know all of you and have your fine association. Open Houses are over and our community is bustling with joyful activity - new classes, new smiling faces, opportunities to meet many new people and make new friends. Make a special effort to make your new dancers feel welcome, wanted and needed. Your rewards will come up ten fold in the future.

Dancing to some of us is an occasional, pleasant activity, to others it's a way of life. It doesn't matter which, you are vitally important. The largest rocks in any structure are supported by thousands of small stones. When even one small stone falls away, the foundation begins to weaken and in time will crumble. So try to support your club by attending all activities that you possibly can. You'll be glad you did and so will your fellow dancers and friends.

Speaking of big rocks and little stones, it the time of year when many of us will be nominateing and electing new officers for our clubs and hopefully saying thank you to your outgoing board of directors. I would like to say thank you to all the movers and shakers who have given so much time and dedication in the last year to make square dancing what it is. As a club president myself, I want to thank, from the bottom of my heart, all the other Presidents. I know I speak for them as well when I thank all the many people who make the club operate. The presidents as well as the fellow or gal who put the chairs away and swept the floor are vital to our clubs. God bless you all, what a team! Each of us should approach our officers and workers and thank them for the work they did. Each deserve to be noticed and appreciated, as you all do. Each square dancers is a V.I.P. It takes eight people to make a set and a lot more to make a club tick. Let your love and enthusiasm shine through and watch your activity blossom into something even greater and more fun.

SPOTLIGHT ON

Swingin' Eights

PRESENTING THE SWINGIN' EIGHTS

It was at the Summerville Presbyterian Church in September of 1958, that a tall, slender redhead, dressed in western clothes and sporting a badge which read "Tink Tinkler" spoke to a group of people interested in doing some square dancing -- Western style. This meeting was the result of the combined efforts of Al and Jane Manning, Russ and Doris Jenkins, and Bill and Inez Boyd, who had all recently been exposed to Western Square Dancing.

By word of mouth and through church announcements, news spread fast that there would be a square dance at Summerville Church. After three dances there were enough couples to form a club. Mannings became the first president with Tink as the first caller.

A move to Irondequoit School came in the fall of 1960, when the Swingin' Eights came under the sponsorship of the Irondequoit Recreation Commission. The first beginners' class was held at Seneca School with Tink as instructor.

A custom emerged from beginners' classes. As each couple graduated, they were asked to sign a "gallows" constructed of wood, with a swinging 8 dangling from the top piece. To this day, new dancers add their signatures, wherever they can find a space.

The Swingin' Eights added a new word to our square dancing vocabulary. In the spring of 1964 the term "angel" was first used to describe class helpers. Bud Young suggested that all the helpers be given angel badges at graduation. Our most celebrated angels were Bud and Fran Macomber, who, until they moved to Florida, angelically assisted every new class.

Round dancing was added to the Swingin' Eights in 1961, when Mike and Mary Prado volunteered their services. Round dancing continues to be a part of every Swingin' Eights dance.

Our club has contributed much to our area's square dance culture. Swingin' Eights members have been Federation presidents. The Rochester Callers Association (the predecessor of the Callers' Co-Op) was begun by many Swingin' Eights members.

The Swingin' Eights main contribution, though, is to the fun of dancing. Swingin' Eights have never lost sight of this major purpose. Our excellent caller, Bruce Shaw, makes certain that everyone enjoys dancing as well as learns new skills. Linda and Mike Liberti flavor our evenings with change-of-pace round dancing. The Swingin' Eights have a well-deserved reputation for being a friendly group. Choose one of our Saturday dances, and come see for yourself!

GOOD LEADERSHIP

The success of any square dance club; area, state or national association can be directly attributed to the competence of its management or leadership. Moreover, it is not just the expertise of the leaders of the higher organizations but the expertise of all levels from committees of a club to the top leaders of the national and international associations. All of us are either in a leadership position now or will soon be approached for a position of leadership at some level within the square dance activity. Therefore, everyone should know something about leadership.

Things do not just happen in the wonderful world of square dancing, they are brought about and made to happen. Examples: National Square Dance Convention, State Conventions, Area Federation Dances, Club Specials, Club regular dance nights, Square Dance Classes, etc. Someone had to take the actions necessary to assure that the event would happen at the designated time at the designated place and all details executed at the precise planned time. To accomplish this required planning, organizing, directing, coordinating and controlling. Each of these actions are part of management and leadership.

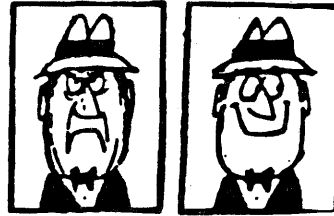

Before any square dance event at any level can be launched, a plan of action must be developed. Once a plan of action has been developed, it must be organized in such a manner as to enable it to be implemented. The square dance leader must then direct his dancers or committees to accomplish the required tasks. To obtain the "right people for the right job" requires a careful analysis of the jobs and then the recruitment, selection and training of these people. Coordination is of prime importance in the square dance activity to assure that duplication or conflicting dance dates are not scheduled and that everyone concerned knows the objectives of the event and all are working harmoniously toward those objectives. Controlling is simply making sure that what has been planned is actually accomplished - a successful dance, festival, convention or class.

Most leaders of national, state and area organizations have obtained their square dance management knowledge by experience "on-the-job" and attending Legacy and other informational training seminars. One of the major responsibilities of these top leaders of the square dance movement is to make sure that subsequent and potential leaders are properly trained to understand and apply the basic management and leadership principles that will assure the promotion and perpetuation of the square dance activity.

All square dance leaders at all levels must be knowledgeable of the purpose, function and operation of the International, national, state and club organizations. They should also be willing to share that knowledge with fellow leaders and dancers. A good leader must be willing to expand that knowledge by self-study, attending seminars at various large and national festivals and learning from the experience and knowledge of others. Knowledge - the familiarity, awareness or understanding of the square dance activity gained through experience, study or learning process. (mandatory to be a good leader)

(Continued next column.)

We Salute a Leader

TEN COMMANDMENTS OF HUMAN RELATIONS

Speak to people: There is nothing as nice as a cheerful word of greeting.

Smile at people: It takes 72 muscles to frown - only 14 to smile.

Call people by name: The sweetest music to anyone's ears is the sound of his own name.

Be friendly and helpful: If you would have friends, be friendly.

Be cordial: Speak and act as if everything you do, were a genuine pleasure.

Be genuinely interested in people: You can like everybody if you try.

Be generous with praises: Cautious with criticism.

Be considerate: with the feelings of others: it will be appreciated.

Be thoughtful of the opinion of others: There are three sides to a controversy, yours - the other fellow's - and the right one.

Be alert to give service: What counts most in life is what we do for others.

Good leadership is truly an art and requires a special talent or ability to effectively deal with dancers, callers, instructors, organization leaders and the general public. The two biggest responsibilities of any square dance leader are getting the "job" done and taking care of the people in his organization. Since the job gets done through people, the leader must use his or her special talents and abilities to influence the individuals to do the job. These skills are acquired only through experience. Skill - the proficiency, ability to use one's management and square dance knowledge effectively, the expertise, trade or technique. (required to be a good leader)

The attitude or orientation of a leader in the square dance activity is very important. a sound foundation or point of reference must be available to the leader for use in comparisons. Just because someone else feels differently about a subject, such as square dance programs - mainstream, plus, advanced 1, advanced 2, challenge or round dancing at square dance events, does that mean that person has a "bad attitude"? Attitudes can change through understanding and knowledge of the subject matter. Attitude - the state of mind or feeling with regard to the square dance activity; disposition; or orientation reference. (prime concern of a good leader)

Educational institutions provide the necessary training for people to enter the business world and the business world conduct both formal management and leadership training programs for new managers and leaders. Who is training the future leaders of the square dance movement? You are! Are you a good leader? Can you say "I have developed my replacement and have provided the opportunity for all those interested in becoming leaders to gain the knowledge, skill and attitude that will promote and perpetuate the square dance activity."

Dear Editor,

Are you aware there is an on going square dance program expressly for handicapped persons?

The program is sponsored by the Rush-Henrietta League of Churches and the participants are from many of the group homes throughout Monroe County. Chip Kellogg helps with the program by calling. We dance Mondays from 7:30 to 9:30 at the Henrietta United Church of Christ at 1400 Lehigh Station Road, Henrietta.

If anyone is interested in being a regular or occasional volunteer, please contact me, at 359-1273 for details.

Dear Editor,

Just to set the record straight, we thought your October publication of the **Promenader** was fabulous. Love your layout of articles and you have some great clip-art.

We like the article on page 19 titled "Burn Of Those Calories". Think we'll use it in our winter issue.

Just so you'll keep your records straight, our subscription editor, Jane Giori, passed away this summer and Gail and I have assumed that post. If any of our readers wish to subscribe to our paper, have then post the subscription forms to us at the address below.

Caller Profile

JOHN HALEY

John Haley, the newest member of Rochester Callers Co-op became "hooked on square dance calling" when he participated in an amateur calling night in February, 1985. John wanted to be a caller since his high school days in Cheektowaga, New York where he moved from Pennsylvania when he was nine years old. John and his wife, Mae, together decided that he would take up calling. The Haleys live in Bergen and are members of the Promenading B's.

At first John did some demonstrations and made several appearances doing singing calls. Last spring he worked with Gary Bubel at the Which Way Whirlers club in Pavilion and called during Dance-O-Rama in Brockport.

To make dancing more fun, we might like to take John's suggestion not to correct others in the square while the dance is taking place. He says square dancing's biggest problem is the failure to get younger couples.

John says his greatest thrill was that first amateur callers night, and greatest enjoyment is watching people have fun. He expects his greatest challenge will be teaching basic and mainstream classes at Victor Swing-A-Longs.

Lima Grand Squares

A great big Thank You to all of those square dancers who helped make our silver anniversary dance a special night by coming out to Lima and whooping and hollering with us, and dancing, too. We hope to see you make that trek down 390 again on November 21st. Our callers, Gary and Alice Bubel are a calling team par excellence and our pizza is almost as good as they are. If you want to put your feet around some fancy dancing and your teeth around some excellent pizza, come on down. We'd love to see you all. It'll be a great way to forget about those Christmas presents you need to shop for.

Promenading B's

Thank You to the Web Spinners who came our way on their mystery ride. We had a good attendance and a great time.

Our annual Turkey Dance is November 21. This has always been a popular dance. Several people will leave with their Thanksgiving turkeys or at least part of the trimmings. Guests are welcome. Join us as we kick up our feathers.

While our caller, Bob Schlenker, has our new people in square dance classes, Betty Wolcott is offering round dance classes to our club members at the Gilliam-Grant Center on West Bergen Road, across from the school. Visitors are welcome: \$18 for six lessons or \$4 a couple at the door. Betty is also cueing rounds between tips at our club dances. The round dance classes have been a boost to our club, as they give our regular members something new to look forward to.

The Promenading B's is primarily a Mainstream club. This is particularly important because dancers can come and enjoy themselves, even if they are a little "rusty" without feeling self-conscious about making a mistake or breaking down a square. We are there to have fun dancing.

We will miss our Snow B's who winter in Florida. Have a great winter and we look forward to seeing you back in the spring.

Morton Country Swingers

We enjoyed a successful open house season with the return of Al Howe, caller, and George Burch, cuer. Class instruction for our new members is at 7:00 pm before each club dance at 8:00 pm. Class and club dancers are welcome to all our dances.

The singing calls of Al Howe at the October 9th dance were a delight for all who attended. The November 6th and December 4th dances will be singing calls. Visitors can enjoy Al Howe singing at the first date each month, with the Morton Country Swinger.

The Grand Swinger will lead the swinging through the Thanksgiving Dance, November 20th. We have so much to be thankful for. The refreshments will include wine and cheese enhanced by Al Howe's calls, and George Burch's cues.

We are thankful for the best beginning the Morton Country Swingers have made in years because of the enthusiasm of our members, visitors and class. This maybe the best year we have enjoyed in the past five years, thanks everybody.

Belles & Beaus

The Belles 'N Beaus mystery ride is no longer a mystery. After a delicious dinner at DiMaria's in Victor, our group traveled on to Canandaigua for an evening of dancing with the Happy Hoofers. This was indeed a "Banner" occasion.

Get your week off to a good start: Monday November 10 is guest night at Belles 'N Beaus. Invitations have been sent to several clubs, join us for a great evening of dancing with our own Art Harris.

Our thoughts and sympathies go out to Ed and Arlene McCormick on the death of their daughter.

John Gosling is doing well after surgery, he and Ruth are looking forward to Florida and lots of sun. Hope to see you dancing again soon, John. Marge Tracy is also on the sick list. We hope her stay in St. Mary's Hospital is a short one and she soon will be feeling much better.

Mike Harris and Belles 'N Beaus class are off to a good start. Looks like there will be a good group of new dancers this Spring.

November 24 we will hold a turkey giveaway during our regular dance. You may take home your Thanksgiving turkey. We wish you all a Happy Thanksgiving.

Country Twirlers

Last September 13th, six couples from the Executive Board of the Empire State Festival 1987, including the Chairman from Albany, came to dance at Country Twirlers after their meeting on the Festival. Besides having a good time, it reminded us all how soon that event will be here. Save the date - October 9, 10, 11, of 1987!

On October 18th, we had a great dance again with Canadian Tim Crawford, a lively caller whom everyone seems to enjoy.

We are sorry to announce no class again this year, due to low enrollment.

In November we have four Jack Barnes dances, the first four Saturdays of the month, and no dance on November 29th because of the Thanksgiving Holiday.

Hope to see you all on the dance floor.

Now that the cold weather is upon us, there's nothing better to get the blood circulating than a good square dance. The workshops have met with positive response and everyone knows where we have relocated so what else could be new? To begin: there's still plenty of dancing with Jon McNally and Brian Adams on the first, fifteenth and twenty-ninth of November. The annual Tureen Supper will be held on November 15th at the Transfiguration Church. A great way to start the holiday season.

Speaking of the holiday season, mark your calendars and grab your mistletoe for the festive Poinsettia Prom. A great night for fun food and festivities with guests welcomed. There's plenty of dancing and a baked foods and crafts sale to boot. It all sounds like a jolly good time for this holiday season.

Country Dancers

The big event this month will be the annual Thanksgiving Dance Weekend headlining Tony Parkes from Boston. He will be bringing George Wilson and Selma Kaplan with him as featured musicians. There will be a dance Friday evening; workshops Saturday morning and afternoon; a pot luck supper and an evening dance to wind up the weekend. We will see that Cloverleafs get flyers. I will send information to any other club that gives me a call. I do hope many of you will come to hear Tony. He has called at several National Square Dance Conventions, and is a current member of Contra Lab. He is one of the most popular country dance callers in New England and has called at dance festivals all over the country. It will be a real treat to have him here in Rochester.

Remember that Richard Sauvain starts CDR's English Dance Series on Sundays at Brighton Town Hall. Some of you danced to his delightful calling at D-O-R. (Tom Bohrer will be doing some English Dancing at our regular dance on Thursday the 6th.)

Diamond Squares

Our hearts are very heavy over the news I have to report. Jo Ann Sadwick, wife of the late Jack Sadwick and daughter of Frank and Jo Manicone, has been seriously ill in the hospital. Our thoughts and prayers are with the Sadwick and Manicone families. We hope that the future will be brighter for both families and Jo Ann will recover real soon.

On September 3rd, Diamond Squares celebrated their ninth anniversary. The season started off with a dance party. Ken Ford, Terry Venisky, and Mike and Joyce Ford were in charge of decorations. Everyone brought in refreshments for the evening.

Art and June Goodnough and Harold and Phyllis Flaig were on the decorating committee for our Halloween Party. The club feasted on donuts and cider. Prizes were given to those who dressed for the occasion.

This month we will have our own garage sale. All proceeds from the sale will go to our Sunshine Fund.

As the holiday season approaches and we are busy preparing for the festivities ahead, let's all pause for a few moments and give thanks and count our blessings. The Diamond Squares would like to wish each and every one of you a very "Happy Thanksgiving".

Triggers

October was quite a busy month for us. It started off with our class open houses on October 2nd and 9th. Quite a few couples showed up. We are sure to have another good class this year.

On October 14th, we had our pasta night. As usual there was plenty of food, and a good time was had by all.

Our annual Halloween party was on October 28th. It's amazing how creative everyone was with their costumes.

Due to elections and Veterans Day we will not be having any dances on November 4th or 11th. November 18th will be a regular dance. We will be having a turkey and ham dance on November 25th.

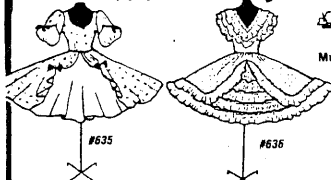

Please save the date of December 2nd for our 'free' guest night.

Just a reminder, guests are always welcome to join us on Tuesday nights - we enjoy dancing with you.

We want to extend our sincere sympathy to Irene MacNaughton and her family on the passing of her husband, Pete. We will all miss him.

We're on the move - October and November preview a busy season now that class and club dancers are well underway. October 22nd, our annual mystery ride took us to a local hall where the first dancers to decode mysterious clues and arrive at the site won free evening admission.

As part of our goal to become more visible to other clubs, we've chosen club colors by popular vote and will be dressed in royal blue and white for special occasions - including monthly visitations. October's visitation took us to dance with the Kuntry Kuzzins in Newark. Be looking for us this month. Of course, we're hoping you'll visit us too!

...Here's A Great Opportunity...

Cider, corn stalks, and baled hay are reminiscent of cooler weather and Fall, and we're bringing it all to area Plus dancers at our Barn Dance November 22. Village Square dancers will also be modeling Western fashions available that evening for viewing and purchasing from the Carriage House. Come join us at 8:00 pm in the First United Methodist Church at Fairport.

Silver Squares

Hello,

We are the newest club to join the Federation. We can now say we belong to the big family of square dancers. Our club is a little different than most. Our members are Senior Citizens and our ages are 55 and older. We also are the only club around that holds dances in the afternoons. Our hours are 1:00 to 3:00 pm on Mondays. Our meeting place is the Senior Citizens Community Center of Greece, 200 Alcott Road. We have danced three years and have an average of three to six squares. Senior dancers are welcome.

Genesee Dancers

Now that our clocks have been returned to standard time, can Thanksgiving be far away? We will have no dancing that Thursday at Genesee Dancers! We invite you to our "Turkey Trot" on November 20th - there will be no live turkey this year, but there will be prizes.

Since our Christmas Dance is so early in December, we want to mention it now. It will be Thursday, December 11th, so mark your calendars. Our club news-letter will be out about mid-November. Watch for the details then. The dinner will be for members only - the dancing as usual open to guests.

Our class is coming along and doing well. We have an enthusiastic group under the able leadership of Mike Herne.

Come see us at the Green Lantern Inn - any Thursday. 7:45 Rounds, 8:15 squares.

Our October dance was a lot of fun. We danced to the calling and cueing of Jerry and Betty Carmen and they did their usual great job. The dancers were all decked out in their fall colors in honor of the season, and to add to the seasonal flare, we had a Jack-O-Lantern contest. The judges had a real problem trying to decide on the winners.

Keep the date of November 23rd open, it's the date of our Open House. It will be held at the Green Lantern Inn in Fairport at 2:00 pm and all guests will be admitted free. This will be a Plus dance with Chip Kellogg calling and Dottie Reed cueing. There's sure to be a lot of good dancing, so don't miss it.

Everyone who went to Fling Fantastic had a wonderful time and are looking forward to next year.

We're back at our old "Stomping" grounds again, Jonathan Underwood School, after two months at Merton Williams Junior High. It feels good to be back home, but we're sure everyone enjoyed the spaciousness of the gym at Merton Williams.

Open house was a good time for all of us, and it looks like we'll have a great class again this year. The second week of our open house, which was also the first instructional dance, was our annual "Apple Fest" - with all those delicious apple desserts!

Our next event was Halloween and a good time was had by all our spooks and dancers.

A special note to those of you who want to brush up on your Plus calls, Mike Callahan again is offering his popular Plus call workshop on the nights he calls for us. The workshop precedes the 8 PM rounds, from 7:30 to 8:00, and guests and members are encouraged to come early. Have some fun, and learn at the same time.

Hi Dancers!

Hope you can make our Turkey Dance on Saturday, November 8. It promises to be a fun-filled evening with Mike Callahan calling and Roy Keppen cueing, and turkeys to give away. Your Thanksgiving Day will be happier if you're lucky.

Then we dance again on Saturday, November 22. Both of these dances will be at the Bay Trail School.

Plan now for our Christmas Dance (Class Level) on December 13. This will be held at the Covenant Church at Culver and Parsells.

The Refresher Course held on Thursdays is in full swing again this year. Our instructor is Chip Kellogg. He also teaches our new dancers class. Club members are needed as angels on Tuesdays at the Church of the Good Shepherd.

See you on the dance floor.

Our dancing during October was sprinkled with the names, Jerry Carmen, Mike Harris, Roy Keppen, Jody Matfice and Bill Wilcox. Each one added fun and enjoyment to our evenings and we thank them all.

We have some people new to square and round dancing coming to the Web Spinner's in November on the 7th: Linda Liberti and her assistant will be doing the cueing. And on the 14th, Bob Ellis will be doing the calling. We are looking forward to their evening's contribution and wish them well in their newly chosen vocation.

Square dancing is fun and good exercise.

Now for the really big news! The Glass Slippers are having their special dance on November 15th. Tickets are \$6.00 per couple, we also will have refreshments. It will be held at Brockport College (Tuttle North, site of D-O-R). INVOLVEMENT CAN BE FUN AND SATISFYING
by Bill and Doris Manuel

Take a moment to think what was your reasoning for joining the club you did. Probably a couple of the reasons were the way the club functions and its successfulness. Then ask yourself the question why are these the reasons and your answer should be because of members past and present getting involved.

Involvement begins first within your club. Get to know the club officers, their duties and responsibilities as well as that of the committee heads. Offer your services and express an interest to serve on a committee, no matter how minor.

Get to know how your club is run and attend the meetings and become a constructive participant. The greater involvement the greater the satisfaction, and by getting involved you will expand your horizons and the enjoyment of your activity.

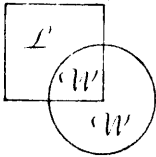

Involvement is attending your district open meetings and familiarizing yourself with what is happening and what is planned within the district.

Getting involved and setting goals, you will find that Involvement can be fun and satisfying.

TIPS for TIPS

- DO if you've ever heard the term "inactive couples," get rid of any idea that they're really inactive. "Inactive couples" very often have their own movements to make in a call, and they should keep track of what's going on just as sharply as the actives, so they are ready to move when their time comes.

THERE'S ALWAYS SOMETHING SPECIAL
AT LINDA'S

OH, OH!
I THINK WE'RE IN TROUBLE!

ROCHESTER AREA
SQUARE DANCER

WHY ARE OUR CLUBS IN TROUBLE
&
WHAT CAN I DO ABOUT IT?

The air is fast escaping from our square dance balloon! It will collapse if we don't apply some corrective action very soon. There are three clubs listed that dance the mainstream program regularly. There are sixteen clubs that dance the plus program regularly, and three that dance the advanced program. Doesn't that sound a little top heavy? Shouldn't any area have a solid foundation of mainstream?

It is my contention that only Mainstream Clubs should be sponsoring beginners classes. The Plus Clubs should be sponsoring workshops for the two year dancer (with a solid foundation in mainstream dancing), and the Advanced Clubs should be sponsoring Advanced Workshops. If there are only three clubs where people can go to enter square dancing successfully, how are we going to keep our balloon inflated!

A plus club with beginners classes does more harm to square dancing than if they didn't have a class. They rush the new people through class, then rush them through a workshop, (often in one year!!) so they can dance with the club the following fall! Is it any wonder that we loose 75-85% of our class? Wouldn't it be better to leave those perspective square dancers to the Mainstream Clubs, where they can obtain a solid foundation in square dancing, meet with success, and experience the joys of square dancing? Why push them out of square dancing by pushing them into plus? This makes them feel frustrated, and unacceptable because they can't keep up.

What Can I Do About It

I'm only one dancer, what can I do about it? There's lots one person can do, but it takes a lot of guts. No, not a lot of work or time, just a lot of courage! Let's start with your current program of dancing.

1. If you're an advanced dancer: Soon, if there are not enough dancers in the mainstream and plus programs, where is your club going to get new advanced dancers? Aren't you tired of dancing with people that can't handle plus yet and here they are struggling with advanced? Solution: Actively support a plus or mainstream club. Get to know and enjoy the members. Then when you invite them to your advanced workshop, they'll have friends in the advanced program that they can look forward to dancing with. They'll know you are friendly people that enjoy dancing.

Now the part that takes courage. Propose to your advanced club leaders that two years of plus dancing, and membership in either a plus or mainstream club be a prerequisite for admittance to your workshops and club membership. A prerequisite like this would insure people with good a dancing foundation, and people with friends that may want to follow them into your workshops.

2. If you're a plus dancer: Soon, if there are not enough people in the mainstream clubs, where is your club going to get new dancers from? Aren't you tired of dancing with people that can't handle mainstream with proficiency, and here they are struggling with plus? Solution: Actively support a mainstream club, get to know and enjoy the members. Help recruit new people for their beginners classes. This increased pool of mainstream dancers is vitally needed to feed the plus and advanced clubs. After people have danced mainstream for two years, you'll want to invite them to your plus workshop. You'll know they are ready and so will they. They will look forward to dancing with you and other plus dancers because they know you.

Now the part that takes courage: Make active membership in a mainstream club a prerequisite to joining your plus club and workshop. Speak to each of your club officers and persuade them that a plus club needs to be fed by well founded mainstream dancers. The only way to get these mainstream dancers is for your plus club members to be an active part of the mainstream clubs. Never allow your plus club to sponsor beginners classes. If each of your plus club members have been actively supporting the mainstream clubs, the two year mainstream dancers will be there to fill your plus workshop.

3. If you're a mainstream dancer: We had all better be if we want to keep the plus and advanced programs in this area. Unless these (precious few) mainstream clubs are healthy and successful, the plus and advanced clubs are in serious trouble. We bring new people to the mainstream class where they will achieve success and satisfaction upon graduation. The retention rate of the mainstream clubs is definitely superior to those unfortunate plus clubs that attempt to push beginners into the plus program in one year.

To sum up, let's start our new people where they should be started - in the mainstream program. There, they will attain a good foundation, with enjoyment and success. They will be retained to generate new square dancers for years to come.

We must all actively support the mainstream clubs by regular attendance and participation. This will ensure healthy successful mainstream clubs to feed and enhance our plus and advanced clubs. Square dancing, will once again, be on a solid foundation and flourishing..
