# Caller Profile

DICK SAGE

This month the **Promenader** welcomes Dick Sage of Churchville. Dick will be the first to acknowledge that he is relatively new to square dance calling and has a lot to learn. The Sages were introduced to square dancing by Norma and Ted Bartlet, who invited and went with them to the Country Twirlers' Open House. Dick feels that square dancers should invite friends to open houses, but more important go with them, dance with them often, and stay interested in their progress.

Dick got interested in calling, bought some records, and started to practice. Dick enjoys meeting people and seeing them have fun. When everyone is having a good time and doesn't leave the dance early, Dick considers the dance a success. He now does demonstrations, calls LIFETIME ASSISTANCE, and other clubs. The biggest thrill was calling at the National Square Dance Convention in Indianapolis, Indiana.

Dick, a mechanical engineer at Eastman Kodak, loves camping with his wife Mary and their four daughters. They live 3452 Chili Avenue, Chili. The phone number is 889-2663. When you meet the Sages you'll find that the enthusiasm for square dancing shows.

# SPOTLIGHT ON

PROMENADING B'S

Our club was started in 1971 by caller Ron Fotch and his taw Betty. The early years were characterized by many social functions, often relating to square dancing, outside the dance hall. Ron lived in a trailer park near Batavia, in which there was a small pavilion, and many times he would have a square dance during the summer at this site. There also was participation in the annual Fireman's parade with a float consisting of dancers on a wagon, dancing as it was being pulled along the parade route. We have stories of the many square dance weekend campouts and the spaghetti dinners.

Most of the present members have been with a relatively short time but there are some people who stand out with their contributions to square dancing. Alice and Angle DeFelice have been with the club nearly from the beginning. Roger and Nancy Dart have been club presidents three different times and have directed the club through some difficult periods. Bob and Maryln Dalley have contributed a lot of time, not only to the club, but to the Federation and the Promenader. In 1985 Ron and Betty Fotch moved to Florida, where he is still calling.

Since September 1985, Bob Schlenker has been the "Bee" keeper, commuting weekly from Kanona (near Bath), New York. Bob and his "honey bee", Sue, have guided enthusiastic class members into square dancing. We enjoy their caring, expertise, and humor. Also in the '80s, Betty and Bert Wolcott started teaching round dancing. The classes are continuing, meeting before the club dances. Betty also cues round between tips.

Our famous "Black Light Dance" was first held in the Grange Hall in 1975 and has been held in the high school since, usually packing the place. Every other tip is called with the black lights being the only illumination, and the glowing colors are a sight to behold. Our other special dances include the Thanksgiving Turkey Dance and Strawberry Social in June. (Watch the Promenader for date.)

We are still a fun club. Our emphasis is Mainstream with an occasional Plus tip thrown in. One evening we wrapped our caller in toilet paper as he was calling. Another time we lathered his face and proceeded to give him a "shave" complete with Old Spice refresher. He never missed a beat. Wait 'til he sees our next episode.

Our members travel from Alton and Akron, so you can see we are right in the middle of things. Visitors are always welcome. Since we're concentrating on enjoyment, perfection isn't always necessary.

### PRESIDENTS' CORNER

Special greetings and a warm welcome to all new graduates. You must be excited about joining the club that sponsored your class lessons! You've just opened the door to so many fun possibilities!

I'm looking forward to dancing with you and getting to know you. I've already met and had the privilege of dancing with many of you, and it has been a pleasure!

Now that you've graduated, try to dance as often as you can. You'll meet new friends, improve dancing skills, and discover the enjoyment in square dancing. You'll put more fun in your lives than you thought possible. Each year I think square dancing couldn't get any better, and each year I learn more, make more friends, and experience new square and round dance activities. I bless the day when someone directed me to my first open house.

There are many clubs that dance all summer, so keep your dancing skills polished up this summer by visiting square dance clubs. Your **Promenader** has a handy listing of dances, their locations and times. You can find a club to dance with almost any night in the week.

A word to you old timers: once again we stand on the threshold of opportunity to keep our activity in perpetual motion. Let's each of us make it a personal responsibility to be friendly and helpful to these new dancers, especially when they visit our clubs. A little effort to take an interest in a new couple can pay big dividends. Friendliness and neighborly love should be the trait of every square dance club in the Rochester Area. I don't have to remind you these new dancers are the future of our activity. They support, replenish, and energize our clubs. We were all beginners once; it took awhile before we became proficient with every call. Good manners, patience, helpful attitudes, and warm friendly smiles will keep the new dancers.

### THE MAILBOX

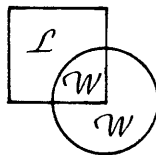

Dear Editors:

I believe that it is time for someone to speak out for the Round Dance Community.

As a Round and Square dancer for about 16 years I have continually heard about square dance etiquette. As a dancer I have tried to practice good manners and etiquette by treating other dancers as I would like them to treat both my wife and myself. However through the years I have found that the square dancer who does not round dance seems to either forget or ignore the fact that when people are round dancing they have to hear their cuer as much as people square dancing have to hear their caller. The next dance you attend, dance a tip and then ask yourself, did the round dancer sitting on the sides of the hall make enough noise that kept you from hearing the caller? After you have answered yourself stop and listen to the round dancer cuer and listen to how much noise there is on the sidelines being made by non-round dancers.

I don't think it is wrong for the round dance community to ask for the same courtesy as the square dance community expects. Do you?

-Jim Ross

## CLUB

## NEWS

### Morton Country Swingers

The Morton Country Swingers have enjoyed guest callers thru April. We wish to thank callers Les Bradt, Bob Meagher and John Haley for their performance as guests. The club will not have an easy time making a selection from these fine callers for next year.

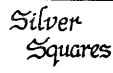

We have enjoyed a wonderful year of square and round dancing. The club is thankful for the continued support of visiting dancers. We have stolen some flags, and made a trip to dance with the St. Catherines Pioneer Squares in Canada.

We had successful open house dances on April 16 and 23, and look forward to next year. We held a blind auction for the benefit of C.U.R.E at the April 9th dance.

The Trails End on April 30th was nostalgia for the 1986-87 season, and the Morton Country Swingers decided to hold their annual summer picnic in August.

### Silver Squares

Our Silver Squares Club will be putting on a demonstration dance Thursday, May 14th, at Longridge Mall. The time: 11:00 to Noon, the place: outside of McCurdy's, the occasion: Senior Day. It will be celebrated both the 13th and 14th. Mike Callahan will be calling.

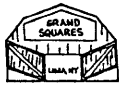

Here is another little item that I hope will be of interest to the senior men in Square Dancing. On May 4th, they all will be able to attend the Silver Square Dance free of charge.

Elsie Epke has had a trip to the hospital. We hope she will be back dancing real soon. We were sorry to hear Howard Hendrickson had lost his wife. Stella was the club's treasurer. We are glad Howard has returned to dance with us.

Don't forget the dances at Brockport Senior Center, on the 3rd Friday of the month, and at the Summerville Presbyterian Church Wednesdays at 10:45 am.

## Lima Grand Squares

I don't know about April showers bringing May flowers. As I write this, folks, it is snowing. But come rain or snow or any other little old thing, Lima Grand Squares will be dancing 'round the Maypole on the first of May. This is our annual Maypole dance, and if you've never danced around and in and through thirty-five people with a streamer in your hand, you're missing a rare spring treat. So come on down and recreate King Arthur's spring fling with us.

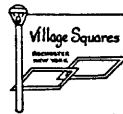

May 8th is our graduation night. We're right proud to welcome our new club members. We old timers along with all the other seasoned club members in the area are looking forward to dancing with them. Our fledgling dancers in the Rochester area deserve a pat on the back for a job well done. They should be proud of themselves, for they've learned a skill that will bring them an ocean of new friends.

While we're giving our accolades, let's say a good word for the hard working editors of the **Promenader**. Those new logos heading up the club news are a great idea and they look mighty fine.

May 15th is our Trail End Dance but we know that for most of our club it won't mean an end to our dancing. They'll be dancing all summer long here and there. So take care and we'll see you on the Dance floor, ya'll.

## Village Squares

Please welcome our newest club members - the 1987 graduating Class of Village Squares: Don and Grace Badger, Harry and Jan Barnes, George and Ginny Dormer, Bob and Dot Greeley, Bill and Pat Welker. What this group lacks in size, it makes up in enthusiasm. Their dedication and team spirit was evidenced by the effort they displayed to bring fourteen squares to their recent Class Dance for a spectacular show of attendance. Bob and Kathy Atkins, Club Reps to the Class, deserve a special thanks for the motivation and support they have given this small but lively quintet.

Just so you're sure to join us...one more reminder of two things:

1. Dick Casper's Farewell Dance, May 20, 1987, in the Green Lantern Inn, 99 South Main Street, Fairport. Dick will be calling squares and Dottie Reed will cue for round dancing. This special tribute to Dick begins at 8:30 and will follow the closed Trail's End dinner to be jointly attended by club members of the Village Squares and the Checkmates. Dinner starts at 6:30.
2. Village Squares Second Annual Summer Campout, June 19, 20, and 21, at Campbell. Reservations limited to 40 couples on first come, first reserved basis. Call Vern and Carol Flowers, 425-4305. Call now! This will be Dick's last official function.

## Promenading B's

Hooray! Hooray! The first of May: our class joins the club today! This is the day toward which our class members have been looking. Graduation Day. They have been working hard all year long and our caller, Bob Schlenker, has done a good job. Welcome!

Beginning May 8th, our regular club dances will begin at 8:00 instead of 8:30. On this date also, we are having a guest caller, Gary Bubel. Many of you have danced to Gary's calling, so come along and join us for the occasion.

We were pleasantly surprised at the response we received from the nonsensical puzzle we put in the March issue. Several people called and others spoke to us about it later. In case you're wondering, these articles are really read.

Our annual Black Light Dance on March 28th was enjoyed by many area dancers. The large Byron-Bergen High School Gym was crowded with square and round dancers. Even a mystery ride group from Auburn discovered the unique experience of dancing under black lights. The B's, especially Roger and Nancy Dart thank those who so kindly contributed to the American Lung Bike Trek.

Triggers

This is a very special month for Triggers, with two of our annual spring events. On May 5th, at Parkland School, we have our class graduation ceremony and May 12th our year end finale - the Spring Fling. It will be held this year at the Greece Grange on Long Pond Road, starting at 6:30.

Last month our ice cream social was fantastic. With all of those different toppings and ice creams, my mouth is still watering just thinking about it. Thanks to everyone who helped make it so delicious and so much fun.

Warmest congratulations to our club presidents Paulette and John Bo - they have a beautiful new granddaughter - Kimberly. The club would like to know who that fellow is that's been dancing with Beverly Schroeder lately. Her husband went out for a haircut last month and came back a changed man.

We are pleased to report speedy recoveries regarding Marie Zinn's surgery and Marge Goreszny's broken foot. We are looking forward to dancing with them again soon.

Our entire club would like to extend their sympathy to Mike Callahan and his family on the death of his father.

## Jerry's Funshop

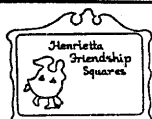

When we volunteered to take over the Promenader reporting job, we had no idea that our first news item would be so unpleasant and so serious. At our March 22nd dance, Jerry shocked us by telling our group that because of demands of the management of Chill Community Center, we would no longer find it feasible to use that hall for our dances. Our members were informed in person or by phone (if possible), and this article will inform any prospective guests of our problem. Efforts are being made to secure a new location, but when this article was submitted, the efforts have not yet been successful. However, by the time you actually receive this issue, a new hall may have been found. We would suggest that you keep in touch for developments by calling Jerry (352-5564), Joyce Ford (352-5966), or Ed Schipper (544-5267).

On a brighter note, we feel honored that our leader, Jerry Carmen, has been chosen to be on the staff of callers for this year's Dance-O-Rama. Also, our Bob Schlenker is to be the sound engineer this year, an important job that in previous years was ably performed by Jerry. Let's support Jerry, Bob, and Dance-O-Rama.

Jerry would be pleased to receive any suggestions as to possible locations for our club dances.

## Henrietta Friendship Squares

Those who have attended our last few dances were pleased with the great decorations. Marge Parker has been putting her artistic talents to good use, to the delight of the club members and guests. Thanks, Marge.

Our vice presidents, Bonnie and Mike Small, are busily searching for a new place for us to dance next year. An elementary school is being considered. In our next bulletin, we should have definite news.

During April, members of the Irondequoit Squares and the Web Spinners accepted our invitation to join us. We hope they enjoyed our dance as much as we enjoyed their company.

The highlight for May will be an Ice Cream Social on the ninth.

The death of Stella Hendrickson in March stunned and saddened all of us. We extend our heartfelt sympathy to Howard and the family.

**Swingin' Eights**

The merry month of May finds the Swingin' Eights dancing on the 16th and 30th for regular dances. Our very own Bruce Shaw will be calling for both dances. We hope that Mike Liberti will be able to cue along with his wife Linda. Mike is recovering from surgery. We wish him a speedy "get well".

During the month of May tickets will go on sale for our annual Trail's End Dance to be held on June 6 at the Ukrainian Civic Center, 831 Joseph Avenue. This event is always the highlight of the year, bringing old and new friends together for our final dance of the season. A lavish buffet dinner, including some ethnic dishes prepared by the staff of the Ukrainian Civic Center, is an added attraction. Guests are always made to feel welcome. Come, join us for an evening of fun.

**Web Spinners**

Thanks to John "Gaylord Middy" Straube, that famous riverboat gambler, his wife Barb, and their committee, we all had a very full and thoroughly enjoyable evening at our annual Monte Carlo Night.

We intend to visit those banner stealing varmints from the Lima Grand Squares right soon, so as to claim our rightful property.

Our "Trail's End" dance is coming on May 15th. It seems like September was just here. We wish good luck and happy times to our new board: President - Lyla and Bob Bonnett, Vice President - Fran and Nick Haldoupis, Secretary - Shirley and John Johnston, Treasurer - Mary Jane and Vern Collier, 1st Board Couple - Rosemary and Don Ogren, 2nd Board Couple - Arlene and Joe Galen, Federation Representatives - Jean and Bob Smith, Social Representatives - Ginny and Dick Bizub.

**Wayne Westerners**

May is a very special month for the Wayne Westerners. Our beautiful apple orchards are budding with new growth, the robins are busy everywhere and we're busy preparing for our annual Apple Blossom Dance on Friday, May 15th from 8:00 to 11:00. Bruce Williamson of Altoona, Pennsylvania will be calling squares along with Dottie Reed cuing rounds at Williamson High School. We hope you'll all join us to enjoy the biggest event of our dance year - we'll be working overtime to make this a fun-filled evening for everyone!

The regular dance year concludes with another annual event, our Trail End Dinner/Dance on Thursday May 28th at 6:30. Past members and friends are invited. Please contact Presidents Clarence and Shirley Graham at (315) 483-8495 for more information and details.

## Glass Slippers

In March we had open house, for those interested in joining the Glass Slippers Club. There was a successful turnout. Lynn and Rose Marie Bradt have turned square dancing into a family affair. They alone make up one square.

Mother nature has turned our April Fools Day around on us by having winter back. Remember, it's not nice to fool mother nature. Our Club President Elsie Epke will be on the sidelines for about three to four weeks, due to an operation on her knee. We wish her a fast recovery, and look forward to dancing with her again. On May 13th we will have an Ice Cream Social.

More good news: plans are under way for summer dancing, with Bill Ryan. More information on time and place will be announced later.

## Diamond Squares

Don't even take time to take your hat off, Dance-O-Rama is here, so head those dancing feet toward Brockport and we'll see you there.

For many clubs, another season is almost over, but Diamond Squares dance A-1 all year around. So if you are looking for a place to dance, keep us in mind. We would like to wish a happy Mother's Day to all the dancing mothers out there. Let's welcome all the new graduates to the wonderful world of Western square dancing, and remember, we were all there once.

On May 13th we will be dancing at the Green Lantern in Fairport. Starting on Monday, May 4, we will be teaching A-2 calls at Seneca United Methodist Church, 121 Scholfield Road, Itrondequoit, starting at 7:00.

Good dancing. See you in June.

## EKC-O Squares

Spring has really sprung at EKC-O Squares. Most of our members that have been enjoying the sunny south have returned to us. It's great to see them again. On May 5th and 26th, Jerry Carmen and Jody Mattice will keep our feet dancing. May 12th Gary and Alice Bubel return to call and cue. Their first visit was such a delight we are looking forward to their return. May 19th "It's A Small World" with Jim and Shelley Lee calling and cueing. Everyone loves this couple and we hope you will all join us for an evening of special treats. For this night only, we will start dancing at 7:30 with a 1/2 hour of rounds. Squares will begin at 8:00. Special Note: EKC-O's will not be dancing on Tuesday, June 2nd. Saturday, June 6th will be our Saturday Night Special with Anne and Joe Uebelacker from Ontario, Canada calling and Roy Keppen, Henrietta, New York cueing. Save the date!

### Country Dancers of Rochester

Overacker String Band has decided to play for us at D-O-R this year - and Fran Hendrickson will be joining them. We should have good music for you most of the day. The schedule starts at 2:00 with Chip and Fran teaching Old Time rounds and everyone is invited to come and try them (waltz and polka and other fun things). This portion will be with records. Between 3:00 and 4:00 Richard Sauvain will teach some English Country Dances and we will have his musicians to provide some live music. English dancing takes a little getting use to, but it is addictive. Chip will be in the square dance hall between 3:30 and 4:00 and I hope some of you will follow him back to the contra hall to close out our afternoon program and hear our very special Overacker String Band. After supper the contra hall will have its regular evening dance party and those of you that have been busy with the square dancing during the day may wish to try something new. We will be dancing until 10:30.

Remember, Country Dancers won't be wearing traditional square dance costuming so they will be easy to recognize. While they may dance in the square dance Mainstream hall when Chip is calling, they have been advised to only watch if they wander into halls at other times. Please be friendly, but remember they have not had lessons and do not know most of the vocabulary you use. Last year some of our seasoned dancers did square up during the supper time dancing and had a ball - they came away with the feeling that square dancers were very nice people. I hope that may happen again.

### Country Twirlers

In April we had only two dances on the 4th and 11th, but it gave us a chance to welcome our "Snow Birds" back from the sunny climes.

May 9th is a regular Jack Barnes dance. May 16th is our Trail's End dinner-dance at Three Acres Party House on Whittier Road. We have Bill Ryan filling in for Jack Barnes, whose son graduates from college that day. Bill Ryan has called for Country Twirlers before and is very capable at calling and cueing rounds. We are gathering at 6:00, dinner at 6:30, followed by square dancing until 10:30. Members \$20. per couple, and guests \$25. per couple. Call Bill and Edith Thomas 247-4932 for reservations.

The only event left for this season is our Campout, June 5-6-7 at Lakeside State Park. If you are unable to attend the weekend campout, why not join us for the picnic and dance Saturday, starting at 4:30 in the afternoon. For information and reservations call Ed Briggs at 594-9306.

### Swinging Singles

Welcome to all clubs: We're going all out to present a "Hawaiian Nite" on May 18th at 8:30. Wear your Hawaiian clothes, dance under the "palms" and enjoy a fun night with us. Also on May 18th (upstairs) Jody Mattice is starting a Plus Workshop at 7:00 (see our ad). May 23rd, Saturday, is our picnic at Webster Park with Cloverleaves. Bring a dish to pass, own table service and drink, with meat purchased for the group. Also planned for a Saturday is a nature hike at Mendon Ponds Park, details to be given later. May 25th, Memorial Day - No dance.

### Tecumseh Squares

The month of May shows summer is near. It brings flowers and smiles from all square dance classes:-- "Ah, graduation at last!"

On May 8th, the following couples will graduate from our class: Blaine and Josephine French, Les and Carlotta Lustik, Bob and Kay Perrine, Izzy and Pauline Reitzfeld, David and Martha Rigby, Leon and Florence Sporn, and Jim and Maria Thorpe.

We are happy to announce that we have a round dance cuer on our staff. George Burch joined us late in February and has been doing very well. Come some Friday, let George and Bruce get you moving.

As we did last year, May will be the Mainstream month. This helps new graduates and reviews the program for other dancers. Next month we will start our Plus Program Workshops.

We will have as our guests on May 15 Happy Hoofers and Victor Swing-A-Longs. On May 29th Henrietta Friendship Squares and Swinging Singles will be our guests.

## Genesee Dancers

The robins are back and so are our snow birds. It's easy to pick them out on the dance floor with their beautiful tans. Welcome back, we sure missed you.

On April 30, we graduated sixteen couples. Congratulations on having persevered through thirty weeks of lessons. We know you will find it well worth the effort. Welcome to the world of square dancing. We wish you may years of happy dancing.

It was with real pleasure that we received three new couples into our club - George and Fay Bird, George and Caroline Zoller, and Charles and Cecelia Ewanow. Charles and Cecelia were the hundredth couple of our membership. They were presented with a free pass to mark this milestone.

Joe DellaPietra has recently returned home from another stay in the hospital. At present he is feeling good and getting out for walks. Gordon Nichols is also making progress and hopes to be back dancing soon.

Pete Nichols has retired and he and Daisy have moved to Florida. We wish them well in their new home. Pete's shenanigans will be greatly missed.

We extend our sympathy to our round dance cuer, Bob Slomcenski, on the death of his mother. A contribution was made to Camp Good Days and Special Times in her memory.

Our Trail's End dinner will be on June 11. Brian Adams will be cueing on May 28. Our dances are always open. Come join us.

## Belles 'N Beaus

On Sunday, March 15, eleven couples entertained with round and square dancing at the Latta Road Nursing Home. (They want us back!)

May 4th is our class graduation. It is small but quality. Rejoice with us. May 6th is Open House. Bring your friends. Do them a favor and introduce them to square dancing. May 15th is Trail End Dance at Three Acre Party House;--our annual celebration for our new graduates and club members to celebrate together. Don't forget the Dance-O-Rama festival in Brockport, May 2nd. Check your **Promenader**. May 23rd we will have a demonstration dance at the Greece Towne Mall from 1:00 to 2:00, Mike Callahan calling. Let's participate and do our share to promote square dancing.

If you want to keep up to date on behind the scenes, watch the bulletin board for minutes of Officer's meetings.

Guest callers are a bonus. They teach us to listen and appreciate other interpretations of square dance calls. Take advantage of this opportunity each time we are deprived of our beloved caller, Art Harris.

## Boots 'N Slippers

As the flowers bloom in the month of May, so does the Boots and Slippers Class. On May 8th, six class couples will graduate and officially join our ranks as full-privilege members. May, sadly, also brings a close to our square dancing season with our Trail End Dance on Saturday, May 16th.

We would like to thank all of you who came out to make our CURE Benefit Dance a success. The monies raised on April 10th will be put to good use in the fight against cancer. We will be looking forward to seeing you all again in the fall.

Have a safe and fun-filled summer.

TIPS for TIPS

DO remember that it is almost impossible to take a painful grip or force another dancer's arm into an uncomfortable position unless you are exerting pressure with your thumb. Try to keep your thumb out of the action as much as possible, and if you really can't, use it with only the lightest of pressures.

## Circul-8-tors

We want to congratulate our newly elected officers - Secretaries Bert and Ida Willson, and Treasurers Jess and Elsa Furlan. We are looking forward to working with them when they take office in June of this year.

Our season is growing short - only the May dance before we recess for the summer, so be sure to join us in Penn Yan on May 17 at 2:00 pm; it's your last chance for the season. Chip Kellogg will be calling, and Dottie Reed will be cueing so it's sure to be a great dance.

Many of our members are looking forward to our camp-out at Camp Canaan the week end of August 14 through 16. We all expect to have a great time. Camp Canaan is a beautiful camp site and the calling and cueing of Jerry and Betty Carmen is always great.

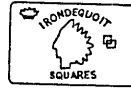

We hope to see you at the May dance, but if we don't, have a great summer.

### TIPS for TIPS

- DO keep smiling even if you are angry with yourself for goofing. The other seven people in the set might think you are angry with them.
- DO admit it when you make a goof, so the innocent and less-experienced dancers don't think they are somehow to blame, and wonder where they went wrong.

## Irondequoit Squares

Last month's cover suggests we dance into spring. We liked that idea, and added another pleasure by eating our way into spring. We had a delicious steamship round, with gravy plus tossed salad prepared by yours truly. The rest of the club responded with baked potatoes, sour cream, veggies, and dessert table (compliments of Vince and Barb Perricelli) that would put a gourmet restaurant to shame. The club also was privileged to host Rich and Candy Galik from Ithaca, New York. Candy is a reporter for "Upstate Magazine" and is doing an article on square dancing in the Rochester area that should appear in the next few months. Bob and Maryln Dailey, and Covie and Betty Duncan were on hand to add their expertise. I think it's safe to say that, with 12 sets on the floor, it was an exciting and festive evening, with a great time had by all attendees. Thanks to all who worked so hard to make it a great success and to all who lent their support to our annual steamship round dinner by just being there. It was really a fun night.

For May, we have two dances with our dynamic duo Jon and Brian in the same beautiful surroundings. Please put on your best dancing shoes and join us on the 17th and 30th for more great dancing, with Brian cueing from 7:30 - 8:00 and Jon calling great Plus from 8:00 - 11:00 and all those yummy refreshments. See you there.

NEWS RELEASE

ASD SERVICES PROVIDES SCHOLARSHIPS

One of the functions of ASD Services (an arm of American Squaredance Magazine) is to provide scholarships to callers desiring to further their education at callers schools. Several callers have been assisted in this way to date, but more funds are being sought for this purpose.

Callers wishing to further their education at schools available may also contact ASD Services for assistance. Write: ASD Services, c/o American Squaredance magazine, P.O. Box 488, Huron, OH 44839.

Other services are also available at ASD. Information on tours, caller school locations, leadership aids, organizational tips, books on a wide variety of subjects, sample magazines and product information are offered.

American Squaredance magazine now reaches thirty two countries of the world with its monthly publication, with an estimate of over 80,000 readers, wherever square dancing exists.

Free sample copies of the 112-page magazine are available for the asking. Also, as a special introductory offer to readers who mention the name of the area publication in which this announcement appears, the annual subscription rate will be reduced from \$10. to \$9. for a limited time, courtesy of editors Stan and Cathie Burdick.

TIPS for TIPS

DO visit around and dance to a lot of callers. Just like any other group of people, all callers are different, and you can learn something new from each one. Even if what you learn is new reasons for liking your own club caller.

# CALLERLAB

The International Association  
of Square Dance Callers

Pocono Pines, Pa. 18350  
717-646-8411

The Mainstream Quarterly (beginning April 1) Selection:

## CONNECT FOUR

From a column: The number two dancer in each column moves out and forward to stand beside the number one dancer. then this couple does a Wheel and Deal. At the same time, the numbers three and four dancers move forward to form a momentary box of four, then do a Walk and Dodge. Ends in an Eight Chain Thru formation.

Timing 6 Beats

Current Mainstream Quarterly Selections Are:

Scoot and Relocate  
Scoot Back 1-1/2  
Connect Four

The Plus Quarterly (beginning May 1) Selection is;

## COMPRESS TO A COLUMN

Starting formation - parallel two faced-lines.

The centers facing in Extend (the tag) to meet each other in the very center and Trade; the centers facing out step ahead and Fold toward the other center; and the ends slide together and Trade. Now all Extend (the Tag) to form a column.

Comments: This is an easy teach and feels similar to a Triple Scoot to some dancers. Half sashayed and left handed arrangements seem to offer little difficulty after a walkthru.

Timing - 6 Steps

The current Plus Quarterly Selections are:

Compress to a Column  
Relay, Cycle & Wheel (R.C.W.)  
Spin Chain and Exchange the Gears

Advanced Quarterly (Beginning March 1) Selections:

## OPEN UP THE COLUMN

Open up the Column from right or left hand columns. The number one dancer in the column Cross Clovers, the number two dancer Clovers. The number three and four dancers Circulate ahead, Cast off 3/4 and Extend the Tag (as in Transfer the Column). This call ends in waves.

## COVER UP

From right or left waves - Cover Up - all eight Circulate once and a half. The center wave dancers Recycle while the outsides Step Thru and 1/4 in. Ends in beginning, Double Pass Thru (zero Tag).

The current Advanced Quarterly Selections are:

Cover Up  
Checkover  
Mini Busy  
Change Lanes  
Open Up the Column

## Empire State Square & Round Dance Festival

CARMEN AND MILDRED SMARRELLI

Carmen and Mildred Smarrelli of Silver Spring, Maryland are one of the couple-cuers who will staff the round dance hall at the Rochester Empire State and Round Dance Festival '87. they have been involved in Round Dancing since 1968. Three years later they were encouraged to take over as leaders of a round dance club. Since then they have been teaching a basic class as well as cueing for three other round dance clubs and one square dance club.

The Smarrelli's background in American Ballroom Technique precedes their interest in the round dance movement. Currently they are working on their associate teachers certification in the International Ballroom Technique.

Carmen and Mildred have been on many festival staffs throughout the United States and Canada. They have choreographed several dances including: "Return to Me", "Maria Elena Cha", "Natsha", and "Just a Gigolo".

Carmen was a CPA and Mildred a librarian assistant. They are both retired now and devote full time to Round Dance activities. In addition to their many dancing pursuits, they enjoy being active with their family of seven children and three grand daughters.

You will surely enjoy round dancing to the Smarrelli's both in the Round Dance Hall, and in-between the squares in some of the other halls. We are fortunate to have them on our staff and know that they will provide fun and enjoyment for everyone.
