**Editor's
Note:**

I was impressed! We arrived a bit early at Lima Grand Squares in an attempt to retrieve a strayed banner. They were just getting their club banner hung. They hung their own banner, and four others they had stolen. Good work!

I was impressed! We were fortunate enough to be at the first gathering of the youngsters in Brockport that demonstrated their abilities at Dance-O-Rama this year. At that first gathering, they knew nothing about square dancing - even about squaring up. They were so impressed with the music and Les Bradt on the mike! Then to see their progress, just a few months later at Dance-O-Rama, was impressive. Nice work Les! It was also obvious that George Burch was putting considerable time in with their rounds. Nice work George!

This summer everyone will be watching our own Roger Dart in the Lung-Association Bike-Trek. (See ad March issue pg. 13.) It'll take him six weeks to travel from Seattle, Washington to Atlantic City, New Jersey - by bicycle! What a trip! Good Luck, Roger!

Jody Mattice wishes to thank Dave Recklinghausen and Mike Harris for their help on the Leadership Conference.

Reporters beware - that August 3 deadline for the September Issue falls right in the middle of summer, and on a Monday (Suggestion - mail news July 30th.). Please send Open House information a.s.a.p. You're a great group to work with. I've enjoyed it. Hope to see you all back for another season;-- we'll be here.

Caller Profile

LES BRADT

"Who is this guy?" a challenge dancer from Buffalo whispered to me during the ceremony at Dance-O-Rama. "He really has the beat. How come we never heard of him?" Those attending Dance-O-Rama know this dancer was talking about Les Bradt. It was a real treat to watch the Swinging Squares, a preteen group, demonstrate what they can do as a result of Les Bradt's teaching. Les and Jan are also getting a teen group started in the Webster area.

Les, who also teaches class for Lima Grand Squares, has been a caller for about seventeen years. One of the most delightful things about being a caller, Les says, is the contact he has with people, giving them a good time. One of the greatest challenges is to call to the majority of the floor so that everyone can enjoy themselves. Les feels one of the major problems facing square dancing today is the amount of material the caller must teach in a short time. Possible solutions might be extending the time for classes or decreasing the number of basics to teach.

After twenty years, Les is still a dancer too. He likes to have fun and meet people. Two people who have influenced Les the most are Una Shaw and her son, Bruce Shaw. He credits them with helping him to be the caller and dancer he is today.

You know people with children, introduce them to the wonderful world of square dancing, by taking them to Brockport Baptist church on Saturday afternoon. Call 352-1082.

Spotlight continued.

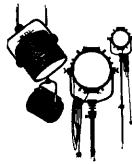

These couples were listed as officers up to and including the year 1980 and are still dancing with the club: Vince and Catherine Guerin, Ralph and Vera Keyes, Anna and Gary LaShomb, Paul and Marilyn Schroeder, and Don and Eleanor Trescott. A couple who served as presidents in 1972 and have recently returned to the fold are Pat and Paul Vaughn.

We are one of the oldest clubs in the Rochester area and we like to think we are as friendly as we are long-lived. Please come and visit. If you haven't been out to Lima in awhile, you have a surprise in store. Lima has recently renovated its hall. The shiny new floor, softer lighting, and newly painted gray walls make us feel as if we're in a brand new building. We dance on Friday nights at 8:30 September through May. This summer Gary Bubel is hosting a summer workshop on Monday nights in the Town Hall for new graduates as well as plus dancers. For more particulars, give him a call. This is a great evening of fun in the summer.

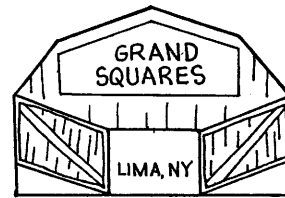

Lima Grand Squares Club is a Federation member. We dance demonstrations at nursing homes and art festivals. We celebrate the holidays with decorations, and our New Year's Eve, January Luau, and Maypole dances are favorites with area clubs.

Like all the other clubs in the area, we are building on the legacy our founders gave us. We look back at our history, grateful for the foresightedness of those who went before, and we are made more aware of our obligation to work toward preserving the fine art of square dancing for future generations.

SPOTLIGHT ON

LIMA GRAND SQUARES

On the New Year's Eve that opened the decade of the 60's, a group of friends -- Ollerenshaws, Holmeses, Nunemakers, and Nichols, were gathered at the home of Howard and Joyce Greene to ring in the New Year. They had such a good time dancing to a record called "Grand Squares" that they decided to form a club to dance regularly. Don Stumbo was teaching a class of Eastern square dancing at the Lima High School, but he suggested they try Western square dancing and agreed to be their teacher. With the support of Don and his wife Liz, the Lima Grand Squares dance club was born, named after the record played that fateful New Year's Eve night.

A year later, in 1961, the Lima club went official and rented the dining room at the Lima Town Hall to accommodate the growing number of dancers.

The Town Hall was too hot for dancing during the summer. In 1962, to insure continuous Friday night dancing, the club rented The Barn, as it was called in those days. It was indeed a barn, owned by Max and Flossie Rainey and located in East Bloomfield. Club dancers from all over the state munched hot dogs at the wiener roasts, ate juicy watermelon and dug into dishes of ripe strawberries at our strawberry festivals. There was a pond outside the barn and many dancers remember the beauty of a harvest moon reflected in the water.

The joy of dancing in a real country atmosphere was not to last. The Barn's floor had been shored up to stand the stress of dancing, but as time went on the gambrel roof began to leak. During one particularly rainy summer, dancers learned to be careful about where they formed their squares. In 1970, when attendance at the summer dances declined and the club could no longer make expenses, they gave up The Barn. The building is still standing, a part of the memories of those people whose faces light up when they tell about the good times they had dancing there.

In 1975, after fourteen years of calling, Don Stumbo resigned as club caller. That September, Gerry Brady was retained as club caller, but due to a serious illness for which he was hospitalized, he resigned in December. Dick Casper stepped into the breach, and finished out the year. Bernie Hayward cued rounds. Casper remained Lima Grand Squares' caller until 1984. A pressing schedule led him to resign.

That fall, Gary Bubel consented to take over the position. A year later, Alice, his wife, began to cue rounds. Gary and Alice are still with us and contribute much to making our evenings the friendly, fun-filled nights that they are. Les Bradt, Gerry's brother is currently teaching our class. We look forward to welcoming them as club members.

Through the years, Don Stumbo, Dick Casper, Ron Cole, Gary Bubel, and Les Bradt have successfully taught many devoted dancers to square dance. Thanks to these devoted callers, cuers, and teachers, our club has survived the ups and downs of the square dance movement and is still going strong. Thanks go, too, to our 'old timers', who remain faithful to the Lima Grand Squares.

PRESIDENTS' CORNER

It seems like yesterday that I took office as Federation President, and I don't mind telling you I was scared out of my wits! It's June and my year has gone by like a flash! As I ride off into the sunset I feel a little relieved. I express my gratitude to you for all your support and allowing me to perform this small service to square dancing. It has given me a chance to repay a little of the debt that I owe to square dancing and my dear friends. Special thanks to Bob and Maryln Dailey who have been my mentors this year. Thank you all! It has been a positive and rewarding experience.

Before I divest myself, I'd like to speak on "The Youth of This Community". Direct your attention to The Letter to the Editor by Stella Lewis in this issue. The youth group in Brockport is flourishing under the direction of Les and Jan Bradt, but need our support. Surely there are thousands of children in the Rochester Area who are bored, discontented and searching for a fulfilling avocation as evidenced by the problems that good families are having with drug and alcohol abuse. This should give us a hint! Square dancing has a positive and wholesome alternative to offer these youngsters.

We don't think of square dancing as a discipline because it's so much fun, but it is. We all learn to follow directions, take guidance and be punctual or suffer the consequences. This is good training for life. I estimate at least 90% of dancers are either parents or grandparents (or both! - Ed). I know children love square dancing once they have experienced it. I want to incite you parents and grandparents to action! Let's get into action. Let's get it together. Let's do a good turn for youth and ourselves in the process. We can do it if we take the initiative. How about it? I want to get this ball rolling. Let's not wait till next September. Now is the time for action, making plans and recruiting. Call Les Bradt or myself if you can find a youth interested or are willing to assist this project.

How about all those young dancers we've lost because they can't afford a baby sitter? Who among us is so selfish we couldn't sit out one tip a night to watch a nursery with a few cute little kids. Let's revise our thinking in these areas and do ourselves, our children, and square dancing a real service. Let's do it now!

Dear Editor,

Please explain why round dancers have a problem hearing. (See Jim Ross's Letter to Editor, May '87 issue, pg. 4.) I certainly understand that they can't hear, (I've hear "ssshhh" enough - even over the mike!) but why can't they hear?

In 13 years of square dancing, I (non-round dancer) have never experienced difficulty hearing the caller because of noise from side lines. I've done two square demos, some distance from speakers, completely surrounded by shoppers and lively children, and not experienced the problem. I've been in a square when all the rest of the people were not dancing and never experienced it. So why do round dancers experience it? Is the volume turned down, if so why? Is the cuer less articulate, is it the mix, sound system, singing on the record?

Is it really conversations - even lively ones - in the back of the hall? If so, should we squelch friendly enthusiastic conversations? The social aspect of square dancing is a large percentage of its enjoyment. Fortunately the round dancers in my club have no problem hearing in spite of our chatter. If I had to choose between rounds and sociability, I'd find a club without rounds!

Maryln Dailey

Dear Editor,

Since submitting our advertisement to you for the 26th Delaware Valley Square and Round Dance Convention, an unexpected cancellation of our announced location for the Convention was received. Fortunately we have been able to make other (and better) arrangements, but time is important in getting this information to dancers interested in attending.

Fortunately we were able to secure the well-known facilities of the Brandywine Hotel and Resort on Route 30 in Downingtown, Pa. This resort offers fine dancing accomodations and is a complete resort in itself. It has an 18 hole golf course, indoor and outdoor miniature golf and swimming pools, tennis courts, bowling, sports complex, jogging track, bicycle rentals, and many other features. All rooms are connected to the dance area by covered and enclosed walkways, and parking is at your motel door. Information 215-643-7153.

Dear Editor,

On a rainy Saturday night in September I took three children, two were my granddaughters, to the Concord Lutheran Church in Greece to start square dance lessons. Les Bradt, myself, and the three children were the only ones there. I talked to Les and told him I would go to my church, the First Baptist, the next day and ask if any children were interested. They were! In October we met and started square dance lessons. We meet Saturdays from 2:00 to 4:00 in the First Baptist Church in Brockport.

We have put on demonstrations at the John Knox Church on Ridge Road, Greece. We had twelve squares of fathers and daughters (Brownies) on the floor. We have danced at the Cupola Nursing Home, Brockport and the Fairport Baptist Home. The patients in the nursing homes have enjoyed talking to the children and watching us dance. We have danced before a Boy Scout troop at the Baptist Church and at Dance-O-Rama.

Les Bradt has taught children square dancing for a long time and George Burch is also cuing the rounds for us. Both types of dancing are enjoyed.

Seven of the Swinging Squares attended the Black Light Dance in Bergen with parents and friends and we all enjoyed that. The Swinging Squares will graduate May 16th at the First Baptist church in Brockport and plan to continue in the fall. Les will be taking them to schools this fall for demonstrations and hope to get other children interested. Anyone interested in these youth groups or knows of some one who may be please contact Les Bradt 352-1082 or myself 637-5992.

Stel Lewis

Dear Editor,

In recent issues of the **Promenader** a number of the clubs list their dances as 'MP' or 'PM'. It seems like these clubs are not familiar with the Callerlab definitions of Mainstream and Plus. Callerlab defines Mainstream as a dance where the caller may use any and every call on the Mainstream list, without having to workshop any. In the same way, Plus is supposed to mean a dance where the caller can use all calls on the Plus list and all of the Mainstream calls. So putting both an 'M' and a 'P' on a dance listing is meaningless, and confuses the reader instead of informing him/her.

I suspect that doing this is a try at defining a kind of dance that Callerlab has not seen fit to provide for: Mainstream and using a few of the more popular Plus calls, and some workshopping on Plus and "Quarterly Selection" calls. This type of dancing has been called "Soft Plus" and "Green Plus" (versus "Blue Plus") in other places. There aren't very many clubs in the Federation that dance Plus by the Callerlab definition.

Maybe it would be a good idea to bring up this matter at a Federation meeting, and perhaps decide on a way to label dances that would be understood by everybody in the Federation. An explanation of the label should be printed in every issue of the **Promenader** for the benefit of out-of-town visitors and anybody else who may not have got the word about it the first time around. I'll start the ball rolling by suggesting that "Soft Plus" dances should be labeled 'Mp', using little 'p' instead of capital 'P'.

Name withheld by request.

PREREQUISITES FOR NOMINEES OF THE LEADERSHIP AWARD

Each year at D-O-R the presentation of the Leadership award comes as a surprise to many dancers. I will attempt to answer questions concerning this award and invite you to nominate a candidate.

The award was established in 1977 By Frank Salvagio and John Fink in honor of their wives for the express purpose of recognizing extensive and sustained leadership over an extended period of years in square dancing. The areas of leadership included, but not limited to are:

1. Years of dancing and/or calling;
2. Total club participation: membership, support of activities, and service as officers;
3. Participation in Rochester Area Federation activities: membership, officers, and committees;
4. NYS Association membership, officers, committees, support;
5. National associations membership, officer, committees, support;
6. Calling, teaching, work with youth, elderly, handicapped, demonstrations, special dances;
7. Attitude: Evaluation of a candidate's continuing willingness to act as a positive force in furthering the square dance activity.

SELECTION COMMITTEE

The committee is made up of the permanent advisors (Frank and Norma Salvagio and John and Daphne Fink) as non-voting members and the last three recipients of the award. Only the last three recipients of the award actually select the new recipient, but the committee would like your nominations. Send 1988 nominations to:

1987 LEADERSHIP AWARD
BETTY & JERRY CARMEN

After earning a degree in Mechanical Engineering, Jerry came to Rochester from Springfield MA with his new bride, Betty, to work for the Eastman Kodak Company.

He now calls for four clubs, teaches a class, and guest-calls frequently throughout New York State, Pennsylvania, and New England. His calling experience ranges from one-night stands to round dancing and Advanced dancing. His wife Betty accompanies him often as a round dance cuer, and together they sponsor a beginner round dance class during the summer.

He has attended caller schools under the direction of Earl Johnston and Al Brundage, and with Dick and Audy Jones. He is also a charter member and a Past Moderator of the Callers' Cooperative of Rochester. He has contributed his time often for the benefit of the area square dancers, including taking charge of the sound systems for Dance-O-Rama for nine years.

Jerry and Betty have made a lasting impression on square dancing in this area. The square dance community is happy it can recognize Jerry and Betty with the Leadership Award.

MAKING THE PLUS PROGRAM PALATABLE
-by Jerry Carmen

At the beginning of the dance season, I asked all the local callers I met, "What calls in the PLUS list do you generally expect most of your floor to execute without much trouble and without any walk-thrus". What I hoped to get - and I got - was a curtailed list of calls I will refer to as the "Popular Plus Program". Keep in mind this is not a CALLERLAB program, but a list of selected calls I hope will be useful to callers doing a guest spot and maybe something clubs could provide out-of-town callers when they ask, "What are you dancing?"

It should be pretty general knowledge by now that most clubs dance a part of the PLUS program, but very few dance it all. This limitation is due to several factors. Primarily, clubs know calls the Caller likes to call. Another reason is, there is simply not enough time to learn the program adequately before we must start accomodating our new graduates. Also, there is a significant number of members who have no desire to workshop more calls and want a change of pace be just doing a little dancing and socializing. I do not think this is bad, but simply reflects the varying reasons why people dance at all.

The list I have formulated is a combination of calls that callers like to call and dancers like to dance (in general). By that I mean, callers and dancers alike enjoy calls that do not have to be perpetually walked thru and present a reasonable amount of challenge and feeling of accomplishment.

It is my hope that area clubs will look at this list and say, "Yeah, that's what we dance. Let's tell our caller this is what we want to learn FIRST, if he must teach something."

So ladies and gentlemen, without further ado, here's the list!

Diamond Squares

Diamond Squares will continue to dance a good A-1 level all summer. We try to keep cool with fans when it warms up. But we don't let the heat stop us. You are welcome to come in casual, cool attire to dance with us. Our A-1 class, which is being held at 7:00 on Wednesday nights before the club dance, is progressing very well. Our A-2 class is at the Seneca United Methodist Church, 121 Scholfield Road. They also start at 7:00 on Monday nights ahead of the club dance. Good place to brush up or just come and dance. We will not dance on July 1st or the week of July 15th.

Campouts Scheduled for this Summer

July 9-12 Deer Run Campgrounds with Bob Bourassa & Dennis Visconti.

July 24-26 Rocky's Recreation Area (Potato Hill) with Kathy McGraw.

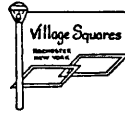

August 7-9 Woodstream Campsite with Dottie & Jerry Reed. And of course Bob & Nancy Ellis will host the above, with Bob calling.

We all had a real good time at Dance-O-Rama. Those new grads are doing great. If they keep dancing all summer, we're going to have to hump to keep up with them come September.

Membership dues will be due in September. Don't forget to keep tuned for that big one in October. Have a safe and happy summer.

Village Squares

We've got a new pair of shoes. They're shiny and stylish, and we're excited about wearing them. But they're tight and need to be broken in, and our old ones were a lot more comfortable. It's like that at the Village Squares. Our new shoes are generating a lot of excitement, but we're feeling a pinch here and there.

Change is difficult to accept - our schedules are turned upside down, we're feeling uneasy and anxious. But change offers new challenges and fresh ideas and an opportunity to grow. The next few months of transition for the Village Squares will require considerable wiggling of our toes to accept changes and help the new shoes fit. But soon they will fit, the leather will have stretched, our acceptance will be total. We need that total acceptance to have the experience successful.

This summer, the Village Squares will be making the decisions to make our caller change successful. It's going to take the cooperation of all of you. Maintain the enthusiasm you've developed this year by honing your dancing skills throughout the summer - In particular at our camp out at Camp Bell June 19, 20, and 21 - and then join us in the fall.

We'll be at the same place, the hall of the First United Methodist Church, 31 West Church Street in Fairport. Watch for the September Promenader and for flyers to describe upcoming events.

Summer is upon us once again and another terrific year of square dancing is over. Last month was very exciting and wonderful as we had our class graduation and annual Spring Fling. Sincere congratulations to all of our 1987 graduates - keep up the great dancing. The Spring Fling had a huge turnout at the Freede Grange. Between the delicious food, fabulous entertainment, and great dancing, we'll be talking about it for the whole summer. Many thanks to everyone who helped make it such a big success.

Our snow birds are back with their beautiful tans - Rony and Len Hall, Grace and Don Flugel, Lynn and Newell Britt, and Lyla and Harold Pierce. Welcome back, we sure missed you.

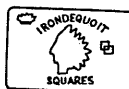

Congratulations to our new group of officers for the 1987-1988 dance year. They are: Advisors - Paulette and John Bo, President - Renee and Bob Deckard, Vice President - Maria and Al Zinn, Secretary - Mary and Bob Speer, Treasurer - Ruth and Jim Appleton, Social Chairperson - Mabel Wordingham, Promenader Reporter - Barb Cuthbert, Historian - Renee Deckard, Federation Representative - Fayne Doering (if she is still in Rochester, if not, Marilyn and Bill Raymond will be Federation Representatives). Thanks to our outgoing officers for making this past year so successful. They are: Advisors - Peg and Myron Huss, President - Paulette and John Bo, Vice President - Mary and Phil Roy, Secretary - Marilyn and Bill Raymond, Treasurer - Ruth and Jim Appleton, Social Chairperson - Mabel Wordingham, Renee and Bob Deckard, Federation Representative - Fayne Doering (special thanks to Fayne for her many years as our Federation Representative).

Congratulations to Paul Doering, he was recently elected unanimously to the Board of Trustees of the George Eastman House. Also, if anyone has any special jobs to do contact Ed Herko, he has lots of free time now that he is retired from Bausch and Lomb.

Mike Herne has already agreed to call for us again next year, so we can all look forward to that. Have a safe and relaxing summer.

Irondequoit Squares

Well guys, last spasm for the season. May was a great month with Jon and Brian up to their usual level of expertise and how about that Dance-O-Rama? Toni and I had a great time. I hope you all enjoyed it as much as we did. I'd like to thank all of you who visited this year, especially those clubs who came en masse to steal our banners and retrieve their own.

Thanks to all your support, we had a successful year and look forward to another in 87-88.

On June 12, we are having a mystery trail end buffet dinner at the Green Lantern Inn. Social hour 6:00-6:30, dinner at 6:30 and plus dancing with Brian cueing rounds at 8:00. Not a closed affair! We wish to invite all our friends in the community for dinner and dance both, and our trail end dances are known to last as late as 1:00 AM! So with Jon and Brian knocking their brains out I know we can guarantee a fun time for all who attend. Call Joe and Lorraine Waidl for reservations at 482-1920, or Ray and Pauline Gaul at 663-7675. It'll be a real super dinner and evening for the small sum of \$25.00 a couple. I look forward to seeing you there.

Tecumseh Squares

Summer is finally arriving and for many clubs it means no more dances till September. Here at Tecumseh Squares we dance all year long.

We will start by having Mike Callahan as our guest caller on June 12th. Our first special will be the Strawberry Festival on June 26th. We will not be dancing on July 3rd due to the holiday. July 24th is the Ice Cream Social, the night we fatten everyone up. August 14th Mike Callahan makes a return visit as our guest caller. We will finish the summer on the 28th with our Gourmet Dessert night. Bruce will be doing an all-singing-calls evening on the 28th also.

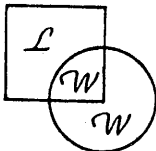

We look forward to having many new graduates as well as club dancers with us during the summer months. Our dance starts at 7:30 with a Plus work-shop, followed by the regular dance from 8:00 to 10:00. On the nights of our special events, these will be held after the regular dance.

Remember we dance every Friday in the air-conditioned club house of the Red Men's Party House. Go to the rear of the Party House for parking and entrance to the dance. Bruce Shaw will be calling the squares except on the nights mentioned above. George Burch is our cuer every Friday during the tips.

Hope everyone has a safe and happy summer. If you're free some Friday night stop in and have an enjoyable fun night with us.

Country Dancers of Rochester

Now that D-O-R is memory, Country Dancers hope that many of you will want to visit us some Thursday night at our regular dance. Remember that you can bring your friends-- even the ones that have not had square dance lessons. I guess the main thing to remember is that the dancing is active (we do a lot of swinging) so lots of energy is required.

At our dances we rarely have a chance to give "the rules of the road" unless a problem persists. Now and then we "write up" hints in our newsletter. Experienced contra dancers like being at the head of a line. (Rather like square dancers that like to be in front of the caller). Probably the most important rule when forming a line is to add on the end---not to squeeze into the middle or (heaven forbid) add on the top. It is all right to start a new line if you notice that the one already started is long.

Rule #2 is that once a dance has started, **never** leave the line. In a square dance, leaving would mean 7 other people could not dance. In a contra line it would mean that 20 or 30 people would be left high and dry. There is one exception. If you find the dance has too much swinging--or you feel ill, wait until you and your partner reach the foot of the line and during the sequence you are waiting out, you can both leave.

Some square dancers have questions about the contra formation. After walking thru a dance, the caller generally will ask you to return to where you started. (This is so you can do the dance to the music with the people you were first with). There is a difference between the beginning of the dance and forming a contra line. Square dances "form up" by establishing a square somewhere in the room. Contra dancers "line up" by forming lines up and down the hall--men in the line to the callers right (as seen by the caller) and women to the left. While a "proper" dance will leave you this way, most dances today begin "crossed over". That is, 1-3-5 and every odd couple change places with their partner. When the caller asks you to "erase"--or "go back to the beginning"--this crossed over position in a duple improper dance is the spot where you return. In the "duple" dances you will be dancing across the set from your partner and with other couples--progressing towards or away from the caller. Lines alternate men and women.

Promenading B's

Promenading B's are closing their official year with the June 5th trail-end dance. Betty Wolcott will cue rounds starting at 7:30 with squares Remember starting at 8:00. Bring an ice cream topping and join us for a cool Ice Cream Social. This is a change in schedule from previous to years (no strawberry social) as the B's have been invited to bring square dance campout with the Sets-in-Motion on June 12 and 13 at Lakeside Park.

Summer months a will feature two dances during the midweek so as not to tie up the summer new weekends. July 16 will be pot luck supper at 7:00. Everyone is welcome so bring a dish to pass and table service and join us. On August 13 we'll gather at 8:00 for a fun time couple with Bob Schlenker calling. Both of these dances will be at the Gillam-Grant Center so we can have air conditioning. For information call Kreckmans at 594-2219 or Dalleys at 494-2102.

Presidents Tom and Shirley Finland have done a great job with the hive this year, all the B's appreciate it. Congratulations to the new officers for 1987-1988:

Morton Country Swingers

We enjoyed a fine pot luck dinner at our Trail's End on April 30. The Country Twirlers were with us to retrieve their flag. Compliments to the Country Twirlers for the good grace displayed when we were an hour late in starting.

During April we enjoyed Jerry Carmen, Bud Hands, John Haley, and Bob Meagher as guest callers. Thanks from the Morton Country Swingers to these fine callers and George Burch for cueing rounds.

The special meeting on May 14 will provide the opportunity to select the caller for next year for the Morton Country Swingers. We will also set the date for our Summer Picnic in August.

Jerry's Funshop

We're still alive and kicking (or would be "dancing" be a better word?). Our loss of use of the Chill Community Center was a bitter pill, but now we feel fortunate to have obtained Lutheran Church of Concord, 485 Holmes Road, for our dances. We're still maintaining the same format: 6:30 pm A-2 workshop, 8 pm A-2 dance. Now we need good attendance from our club members and of course, guests are always welcome. Can this be the beginning of a bigger and funnier FUNSHOP? Let's hope so.

Speaking of fun, at one our recent dances when we had an odd number of couples, it was my turn to sit out one tip, and as I was relaxing in my chair I heard Jerry announce that he was going to do a singing call named "Running Bare". I immediately perked up in my chair, cleaned my glasses, and my eyes were bulging with anticipation. The singing call was rather intricate and well-executed, but it was a far cry from my expectations. Later, I learned that the correct name of the call is "Running Bear", not "Running Bare". Oh well, better luck next time.

Best wishes to everyone for a good summer.

TIPS for TIPS

DO look around when you square up, and make sure that you're not bumping against another set on one side while there's lots of space to move into on the opposite side.

Country Twirlers

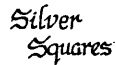

The 29th annual Dance-O-Rama found many Country Twirlers enjoying themselves at the many levels of round and square dancing. Thanks go to the members who helped with the door prizes.

On May 16th, our 1986-87 dancing season concluded with our Trail's End dinner-dance at Three Acres Party House with Bill Ryan filling in for Jack Barnes. Our new officers were installed at this time, and we all want to congratulate the following for volunteering their services next year:

Ken & Kay Georger	-----	President
Herb & Dot Scheg	-----	Vice President
Bob & Kathy Plantz	-----	Treasures
Bill & Ann Uebelacker	---	Secretary
Lloyd & Jean Dysart	-----	Publicity
John & Pauline Bo	-----	Social Chairman
Bill & Marilyn Raymond	---	Social Chairman

Our campout and picnic is the weekend of June 5, 6 & 7th at Lakeside State Park. If you cannot camp for the weekend, please come on Saturday, June 6th, for the picnic at 4:30 and dance at 7:30-10:30 in the evening.

Silver Squares

Our demonstration dance at Long Ridge Mall for Senior Day was well attended. It's good our dancers are getting around to other dances. They also had a great time at Dance-O-Rama and the Apple Blossom dance.

Virginia Morabits is now home from the hospital after a knee operation. She is doing well. It's good to see Ethel Heffer back from Florida. Your reporter also returned after a bout with pneumonia.

The club recently had a "Sadie Hawkins Day". It's nice for the women to have the privilege of asking the men for a dance once in awhile. During July and August we will be dancing only twice a month. In October, Mike Callahan will be starting beginner classes. There will be Open house on October 5th. Time 10:30 AM to 12:30 PM. The cost for lessons \$1.00. For information about starting classes, please call the Greece Senior Center - 225-2260j. they would like a list of those interested in joining.

Callers Co-op

The CCR members wish to thank Orlo and Rita Hoadley and Jody Mattice for the success of the past year.

Our Moderators for the new season will be Jody Mattice and Al Overslaugh, with Rita Hoadley on the second year of her term as treasurer. New Sunshine and Promenader correspondent to be appointed. Good Luck! Our new program ideas for the coming season sound great, and anyone interested is welcome. Watch the Promenader for the topic each month.

The Trail-In Dance was a success and thanks are due to all participating callers and refreshment committee.

Keep dancing over the summer and come visit us next year.

Reporter,
Peg Huss

TIPS for TIPS

DO forgive the caller for his once-a-month mistakes. Do you really expect him to be the only person in the room that's perfect?

Glass Slippers

As our square dance season comes to a close, we want to thank caller Bill Ryan and his wife Connie. It has been a very enjoyable year. We end our season with a Strawberry Social Dance on June 10. This will be a class/club dance starting at 7:30 pm.

On June 17, we'll have our trail's end, pot luck supper and dance. Supper will be at 7 pm and dancing will start at 8 pm. We hope to see a lot of square dancers there to round-up and square-up with us.

Beginning July 1st, Ron Fotch will be calling squares and rounds at the Gillam-Grant Center in Bergen for summer dancing. (It's air conditioned too.) Anyone wishing to keep up on their dancing is welcome to come.

DO keep your sets compact: stay close to the other dancers in the square. Spreading out not only makes you travel farther to do each call, but also takes up more than your fair share of floor space.

Cloverleaf Squares

Cloverleaf Squares dance every Sunday night - please come and join us! June 21st we welcome Copy Cats. July 19, Glass Slippers and Happy Hoofers will be our guests and on August 16, Morton Country Swingers, Promenading B's and Web Spinners will be dancing with us as our guests. There are several demonstrations and activities to be signing up for. Watch the club Bulletin Board for news of these events. A schedule of the club's summer dancing and activities is available on the flyer table.

Several from our club will be traveling to Saltlake City, Utah on Labor Day Weekend for the National Singles Square Dance Convention to promote our hosting of this event in 1988 in Rochester. Come be a part of this group. We would like as many club members to attend as possible and it promises to be a great vacation time too.

Make plans now and send in your registration for the Empire State Square and Round Dance Festival to be held October 9 - 11, 1987 at the Rochester Riverside Convention Center.

Geneva Friendship Sqs.

Friendship Squares end with many events.

The dances will be held in the North Street Elementary School, 400 North Street, Geneva. The May 8 Western square dance will feature a Fashion Show of western wear displayed by the Carriage House of Auburn. The dance from 8:00 until 10:30 will be called by Charles Valent, Watkins and the round dance cuing will be by Al Overslaugh, Phelps.

Sunday, May 10 will be a special dance featuring an international caller from across the border in northern Canada, Jim Lee, Flesherton, Ontario. Al Overslaugh will cue the round dancing. The dance will be from 2:00 to 5:00 pm.

Friday evening May 29 the regular dance will be held and this will be followed by the Trail End Dance on Sunday, June 7 with dinner to follow at Emiles.

To beat the Summer Square Dance Doldrums there will be a western square dance at Pavilion # 2 at Seneca Lake Park on Friday, July 24 from 7:00 to 10:00. Families can come and have a picnic supper before the dance. The Caller will be Charles Valent. There will be a donation.

Web Spinners

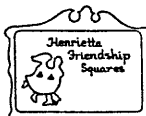

Our Trail's End Dance is an enigmatic time. On the one hand, thanks to Elwood and Cleoda Kuttruff and their committee, we had a happy evening filled with companionship and comradery. We also reflect upon a successful season of dancing and enjoyment, and realize that this dance was also a harbinger of a beautiful summer to come. On the other hand, we are somewhat saddened by the fact that our regular dancing of the Web-Spinners will be suspended, for the summer.

We will, however, have our annual picnic at Forman Park in Pultneyville on June 7th, starting at 1:00 pm. This always-fun-filled event will be chaired by Judy Wilcox and her able caddy "Wild Bill".

On September 7th we will begin dancing again with a running start, at Ginny and Dick Bizub's place on the Ridge in Webster. This should be a unique and special way to start our new year with an outdoor dance and party.

Henrietta Friendship Squares

Dick and Joan Smith graciously accepted our request to replace George Gibson and Terry Ervine as Presidents. Unexpected events forced both George and Terry to relinquish the post. We are sorry to lose them but are glad that we have such capable people replacing them. Welcome to your new office!

On May 9th, we enjoyed dancing off the extra calories before we indulged in everyone's favorite - ice cream sundaes. A good time was had by all who attended.

The Ice Cream Social also indicates to us that our square dance year is drawing to a close. The last dance is on June 13 at 6:30 when we will begin the festivities with a Pot Luck Dinner. Please bring your own table service and a favorite dish to share.

The news for the picnic at the moment is that it will be held on June 17th. Final announcements will be made at future dances.

Have a happy summer and be sure to return in the fall when we hope to have a new place to dance. Be sure to check the Promenader!
