LET'S LEARN TO SQUARE DANCE

This-n-That from the Editor's Desk

A whole new season is planned! Look over the themes below. There's room for further suggestions. If you have an idea, send it along. If you have experienced one of the delightful moments of square dancing that is especially dear to you, send it in for the April issue- "Why I Enjoy Square Dancing". Share it with us.

Reporters: As a new season begins, so does renewal time. Because you are the connection between your club and the **Promenader**, would you please assume the responsibility of promoting **Promenader** subscriptions in your club? Our readers enjoy and desire to continue to receive each issue, but often forget the little detail of renewing. You don't have to "sell" the **Promenader** because all square dancers want it. But you do have to remind them that it is time to renew. The price, subscription editors, and deadline remain the same. See renewal form this issue for all that information.

Please contact each member of your club and invite them to renew. Make sure we have the correct address and zip code, and collect their checks made out the the **Promenader**. Send all this information to: **PROMENADER**, 80 Wolcott Street, LeRoy, New York 14482. Don't forget last years class. They received it free last year, so may not realize that they have to pay for it this year. Our circulation is in the 900's now, wouldn't it be nice to attain 1000? Doing these renewals is fun as you get a chance to speak to all the members, and they're glad to be reminded that it's renewal time again. We appreciate your efforts.

PRESIDENTS' CORNER

Greetings to all at the beginning of a new season for the Rochester Area Federation!

My fondest wish is that we can increase the enthusiasm of the Rochester Area clubs, their delegates, and all other members in their support of the Federation activities, most especially DANCE-O-RAMA.

Please remember that all dancers are welcome to come to Federation meetings, listen to what goes on, and ask questions or speak their feelings. Every dancer should feel free to write, phone, or buttonhole any Fed officer, with questions, comments, suggestions, etc.

A leaflet titled "Questions and Answers About the Federation" has been circulated to the club presidents and Fed reps with the mailing of RAF's Newsletter for August. It is intended to answer in advance most of the questions that new representatives might have about the Federation. The reps are asked to make it available for reading by any dancer. Or, anyone who would like a copy may phone me or ask your club's representative to pick one up at the meeting.

Letters have been received from Jerry Carmen about the operation of the DANCE-O-RAMA Committee, and from Mike Callahan suggesting major changes in all aspects of DANCE-O-RAMA. Copies of these letters were included in the mailing. Discussion of the suggestions in these letters will be the major business of the September 14 meeting.

I strongly hope that we'll have a large turnout of club representatives, because these matters are vital to the wellbeing of the Federation.

Caller Profile

GARY BUBEL

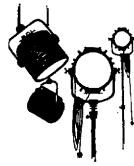

The major problem facing square dancing today says caller, Gary Bubel, is our inability to keep new dancers interested in the activity. The solution suggested by Gary, who has been calling since 1974, is to have the people who bring in new dancers work with them for a year until they are comfortable. Certainly this is the time of year for us dancers to see that our graduates from last spring really feel welcome in our squares. Invite them to dance in your squares with another experienced dance couple.

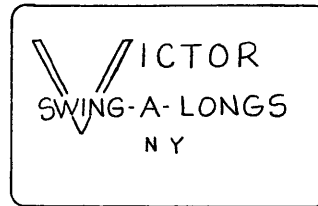

Gary Bubel began calling for the Flutterbugs, a teenage square dance club in Caledonia. Gary and his wife Alice are still dancing after 15 years because they enjoy it. Gary calls because he enjoys doing it, and presently calls for the Whichway Whirlers of Pavilion, the Henrietta Friendship Squares, and the Lima Grand Squares. The most delightful thing about square dance calling for Gary is knowing that people have had a good time at his dance.

The Bubels have four children and live at 1105 Main Street, Mumford, New York 14511. His phone is 538-6396. Gary's calling goals are to be a qualified caller in all programs and upon retirement he plans to remain a square dance caller. At that time he hopes to do some traveling.

SPOTLIGHT ON

The Victor Swing-A-Longs began dancing ten years ago. We are a friendly, family-oriented group, who dance for our own pleasure and the enjoyment of those who join us. Guests and new members are always welcome at our dances. Caller Mike Herne calls to the ability and pleasure of those attending.

We dance weekly on Monday evenings at the Victor Intermediate Cafeteria. We are there whenever school is in session.

Usually we have a class from October to April. Often our classes include family members of club people. Our age range is from thirteen on into retirement age - all having a good time.

Our policy is to visit other clubs as often as possible, sometimes stealing banners, which we hope to do a lot of during the 1987-88 season.

Generally we host a couple of special dances during the year in addition to our regular dances. Our next special dance this year will be held November 6 in honor of our 10th Anniversary. We hope our friends from other clubs will join us at this celebration.

RUSS JENKINS

Peace!

THE MAILBOX

Letter to the Editor

If you were winners of guest passes to area clubs at D-O-R '87 or at the Cloverleaves' C.U.R.E. Dance, I urge you to make use of those passes. If you can't possibly go, give the pass to someone else.

Square Dancers are famous for being friendly, so you will surely enjoy visiting other clubs. Call the club information number listed in the **Promenader** for directions if you're not quite sure of the location.

If you don't want to go alone, invite another couple to go along. Make a party of it! But GO!

NATIONAL FOLK DANCE CAMPAIGN

United Square Dancers of America

Progress Report - American Folk Dance, H>R> 2067

As of July 20th there are 83 Cosponsors. This is good progress, but there is still much work to do to meet the target of 300 Cosponsors to win in 1987, the 200th Anniversary of the Constitution. The 550 petitions signed at the National Square Dance Convention at Houston contributed significantly to bringing in more Cosponsors. Please get involved and have relatives and friends also write Petitions to their Congressmen to Cosponsor Bill H.R. 2067 and send to:

Honorable Louise M. Slaughter
U.S. House of Representatives
Washington, D.C. 20515

She is still uncommitted and needed as a Cosponsor.

Pocono Pines, Pa. 18350

Callerlab Education Committee, announces the "New Dancers' Bill of Rights" as adopted by the General Membership on a one year trial basis at our recent 1987 New Orleans Convention.

We encourage all callers and square dancers alike to help put the FUN and FRIENDLINESS back into Square Dancing!

Happy Dancing! Keep 'em smiling! Remember, Friendship Is Square Dancing's Greatest Reward.

BETTER WORKING RELATIONSHIP

How about some suggestions to help clubs and callers form a better working relationship? Most problems that arise between a club and their caller can be traced to lack of communication.

How about an annual meeting between the club officers and the caller sometime in the late summer so everyone is of one mind before the season starts? Any suggestions the general club membership may have could be discussed with the officers and brought to the meeting by them.

Any subject that may affect your club dances should be discussed - program of dancing, themes for dances, class length, workshops at dances, star tips, ANYthing. These things need to be discussed and are best discussed at a separate meeting, away from the dance scene.

Invite your caller and his/her partner to join in other club activities. Sometimes a club decides not to invite the caller to non-square dancing activities, because they think he or she will be booked and couldn't attend anyway. This may be true, but an invitation extended will be greatly appreciated, and they will feel like part of the club instead of hired help.

Square dancing is a couples' activity with the possible exception of the caller's partner. There is need to make them feel like they are part of the picture, too. Most clubs have greeters at the door and during the course of the evening to make their guests feel welcome and thank them for coming, but they let the caller's partner become part of the woodwork for the evening. Part of the etiquette of square dancing should include inviting the caller's spouse to dance a couple of tips, with someone in the club.

Invite your caller and partner to attend a dance with the club, either at your own club as your guest, or on a banner stealing trip to some other club. You may be surprised that he/she enjoys dancing, too, and can actually do the moves.

Include your caller in non-calling activities, include your caller's spouse in dancing activities. Don't be afraid to approach your caller with constructive suggestions, as well as compliments.

Most callers don't consider square dance calling a job, as such, and enjoy seeing dancers have a good time, but hear in mind that there are things your club can do to make your caller and spouse enjoy the evening more. You may be pleasantly surprised when you get it all back over the mike.

1. To a class experience that is both educationally and socially enjoyable.
2. To patient and dignified treatment by the class instructor(s) and sponsors.
3. To gain experience dancing to other callers and, if possible, with dancers from other classes prior to graduation.
4. To receive advice and assistance in acquiring appropriate clothing for square dancing.
5. To instruction and practice with the approved definitions, timing and styling for each call.
6. To information about the history and heritage of our present square dance program.

Belles 'N Beaus

Although we didn't dance as a club all summer we got together many times. Each Friday night several couples played golf together.

There were many smaller picnics, topped by the Scotch Golf picnic. 24 couples played golf. Dick Adamski, who had injured his foot, didn't let that stop him. He rode a golf cart and hobbled on a crutch. Thanks to Betty Cushing for generously sharing her home and lovely grounds to the 88 people who came to the picnic. Thanks to Jim & Jean Patrick-Maxwell for organizing the golf and thanks to Walt & Irene Kuefer for coordinating the dish-to-pass picnic.

Several couples of our club went to Art Harris' annual outdoor extravaganza in Buffalo. As usual it was a memorable event.

17 Couples shared a fun weekend with Art Harris and his son Mike at Boonville this year. It was a camping and dancing weekend.

Norm Rosenburgh, a former member, is ill. Bet he would like to hear from some of his old friends.

Helen Johnson is recovering from surgery in Genesee Hospital. Thanks to my many friends at Belles & Beaus for their many cards and visits when I had my recent surgery. It certainly speeded my recovery.

The Rockefellers and the Hutchinsons both celebrated weddings of their children this summer. Congratulations.

With the cooler weather it is time to get back to do-si-do. September 14th is the first dance. Wednesday the 16th is the first Open House. Wednesday the 23rd is the last Open House. Let's bring our friends with us and share the fun. Mike Harris will be teaching the new class again this year. His new graduates kept right on dancing all summer, Mike Harris had a work shop on Wednesday nights all summer, plus calls and round dancing with Jody Mattice. We club members are going to have to work to keep up with the new members. We are proud of you. Welcome. See you Sept. 14th dancing with the club.

We are looking forward to our annual steak roast October 4th. Mary & Don Waterman are coordinating it again this year. Thanks Mary & Don. You always do a great job.

It looks like a good dancing year coming up. See you in September.

Boots 'N Slippers

Welcome back, friends. What a wonderful and busy summer! Our steak roast and the Hilton Firemen's Parade were a lot of fun although exceedingly warm.

Our dancing season begins on September 4th with a pot luck dinner dance at Henry Street beginning at 6:30. Bring a dish to pass and your place setting.

Bob Meagher will be calling for our class this year. If you have any friends who might be interested in learning to square dance please bring them to the Open House on the 18th. We look forward to seeing you on Friday nights through out the year.

Copy Cats

Let's hope that the hot summer is over and our dancing can be cool and comfortable again.

Good luck to the new Copy Cats officers: Presidents: George & Biruta Ahn; Vice Presidents: Rudy & Jeanette Tedesco; Secretaries: Brian & Jackie Campbell; Treasurers: Brad & Barbara Higgins; Board of Directors: Jim & Lis Culp; Membership: Bob Dodson, Pat Churchill, and Bill & Joyce Doyle.

Our Open House dates are Tuesday, October 13th and 20th. These will be held at 8:00 at the Church of the Good Shepherd, 1130 Webster Road (Corner of Route 250 and State Road), Webster. Chip Kellogg, instructor for the club, will be on hand to call. He and club members will assure a warm welcome and fun-filled evening. For further information call Pat Churchill or Bob Dobson at 223-0109 or Joyce or Bill Deyle at 381-2148. Plan to bring a couple and introduce them to our world of square dancing.

Be sure to support our new Hospitality Committee members: Phil & Millis Furnari and Bob & Loretta Campbell. Setting up the refreshments at each dance is a big responsibility, and they need the members' cooperation of bringing munchies once or twice a year.

EKC-O Squares

Welcome back to everyone and boy do we have a Welcome Back Dance for you on September 8th! Our club caller for many many years Ken Anderson from Plant City, Florida is returning to Rochester and EKC-O Squares. Join us and dance to Ken and his own special brand of calling. Betty Wolcott will rejoin Ken to cue rounds so it is really a "Welcome Back Night". Dancing starts with rounds at 7:30 and squares at 8:00.

The following week on September 15th, Bob Ellis journeys in from Stanley, N. Y. to bring us his style of calling and cuing. Bob always has something new and interesting to challenge us. See you there!

Please note: On September 22nd there will be no dancing at Kodak Office. On September 29th, Open House will be held at Kodak Office. The time is 8:00. Jerry Carmen will be on hand to introduce Square Dancing to those wishing to learn. The price is right - free! Our classes will be held on Tuesday nights 7:00 - 8:30, starting October 6th.

During the summer new officers have inherited the leadership of our club: Don and Eunie Naulen, Presidents; John and Sally McNeill, Vice Presidents; Chris and Jerry Merritt, Sec/Treasurer; Jean Myers, Refreshment chairman; Ellie O'Grady, Sunshine committee; and Andy and Marge Hamlin, Max and Jeannette Langebartels Federation Reps. With this writing we bid adios to you all and turn the pen and paper over to Eva Wiley. We sincerely wish all the new officers good luck and success in rebuilding EKC-O Squares.

To our club members and friends of other clubs and to the callers and cuers of the area may we say thank you for your help, support, and interest this past year. See you in a square!

Country Dancers of Rochester

I'm sorry I don't have the whole schedule but we will be meeting each week at our regular place. The Saturday dance will probably be on the 19th. Richard Sauvain will start the CDR English Dance series at the parish hall of St Paul's (East Avenue/Vick Park B) once a month on Sundays. The first dance is the 20th at 7:00. No experience necessary.

Our Open House is special this year. The Golden Link Folk Singers are bringing The Rude Girls for their weekend festival at Marcus Park. Some of you might have heard them at the Corn Hill Festival. They play for dances in the Albany and New England area and will provide music for an exciting evening. Eric Rounds will be calling and he is great with new dancers. Bring your friends. This dance will probably be lively so you will be able to get your aerobic points. I'm sure Eric will be calling some squares.

Some people have asked why we don't always have squares. Some of our new bands only know a few reels and jigs (not fast enough for hash squares and not the tunes for singing calls.) New callers find squares more difficult so they start by prompting contras. We have real "pros" for our open house. Remember, it's free! Singles welcomed. We need women.

Jerry's Funshop

At the time this article was submitted it hasn't yet been decided whether we will have workshops in September (which in the past have started at 6:30). Those who were previously in the workshops and wish to continue are asked to contact Jerry on that matter. For the rest of us, we will continue to use 7:30 as the starting time for our regular dances during September.

Things do happen, even in the summertime. In case any of you didn't notice it, we had some hot weather but we kept dancing and truthfully, found the temperatures "relatively good" in our new dance home. Several couples from our group had a great time at the Advanced and Challenge Weekend in Altoona, Pa. and others had a "hot time" at the Cayuga Cut-Ups Weekend at Owasco Lake, Auburn.

Paul and Audrey Peterson mixed a lot of vacation pleasure with a little business in the Los Angeles and San Francisco areas - nice work if you can get it.

Most of you have heard the Bill Hammell underwent triple-bypass heart surgery. We are happy to report that he is now home and on the road to recovery. He and Clare are looking forward to a return to square dancing but it won't happen in the next five minutes. We miss them and extend our best wishes.

Genesee Dancers

We have had a nice summer up to this date (July 23rd) and hope it continues. By the time this letter is read, summer will have to start shifting back some to make room for Autumn season. The air conditioning at the Green Lantern Inn has worked fine.

Membership dues of \$25.00 a couple per year are due September 1. Our members-only Trail-Back Dinner is September 10. Dinner at 7:00, but arrive at 6:15 for a pre-dinner gathering. Please sign up by September 1.

Visitors are welcome at the dance, starting at 8:00.

Share in the fun of learning square dancing with Ron Cole at the First Baptist Church, 92 Main Street South, with two free Open Houses on September 9 and 16, 7:30pm. Introduce your friends to the world of square dancing.

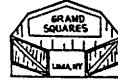

Genesee Dancers welcomes new members Don and Grace Badger, and Al Larson and Ann Douglas.

A picnic is being planned for September 27 (save the date) for club members only at the Fellowship Park on Fellows Road. More information will be given at the Trail-Back Dinner.

The visitors who join Genesee Dancers on Thursday nights to dance are very welcome indeed. You add that extra to make it a better evening of dancing. Our doors are never closed. See you on the dance floor.

Lima Grand Squares

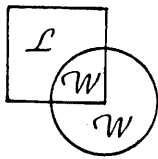

The long hot summer is over. Hope you all enjoyed it with boating, swimming, and sunning. Now fall is here and it's time to dust off those dancing shoes. Lima Grand Squares is starting off with a Welcome Back Dinner Dance on the 4th of September. If you're looking for a place to dance club level dancing early in September, keep Lima Grand Squares and that first Friday in mind.

The next two Friday nights are Open House. On the 25th of September, we will be resuming our club dances at the old (new?) time of 8:30. Please note that change. If you come out to Lima Grand Squares at 8:00 on a regular club night, you'll end up sitting through the last half hour of class instruction. It's like the good news and bad news. The good news is Gary Bubel is teaching our class. The bad news is our club dance is delayed a half hour.

Congratulations to all our graduates. Sure nice to have you as part of the gang. Congratulations, too, to our new officers: Presidents, Tom and Connie Cooke; Vice Presidents, Art and Mary Reynolds; and Secretary/Treasurers Paul and Pat Vaughan. It's a big responsibility, but you've started out with that concerned, conscientious look on your faces that bodes well for the club. Our hats off to you.

So. See all you dancers out in Lima, real soon now, ya hear?

Swingin' Eights

The Swingin' Eights will kick off the dancing season with an Open House on September 19 at 7:30 p.m. Let's introduce a new group to the pleasures of square dancing...they'll see what they've missed all these years. Bring your friends, neighbors, and relatives. They'll thank you for giving them a new leisure time activity.

The potluck supper for Swingin' Eights members will be held on September 26 at 6:30 p.m. Bring your place settings and a dish to pass. Dancing will begin with squares at 8:00 p.m. Guests are welcome to join us at that time.

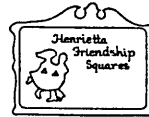

A round of applause is due for Helen and Tom Jones, who arranged a nifty schedule for the 1987-88 dancing year. Bruce Shaw and Linda and Mike Liberti will return to call and cue our favorite steps as well as teach us what is new and different. The Joneses have also added a sprinkling of guest callers and cuers and special events which will add a bit of spice to our calendar.

If you love to dance, and haven't yet decided on which club or clubs to join this year, why not try the Swingin' Eights? An excellent schedule of dances, a conveniently located dance hall, and best of all, a friendly bunch of Swingin' Eights will expand the joys of square dancing for you and your partner. Come let us welcome you into our club!

Our deepest sympathy to Doris Jenkins on the death of her husband, Russ this summer. Doris and Russ were charter members of Swingin' Eights.

Henrietta Friendship Squares

It's time to square up on Saturday, September 12 at our Welcome Back Dance! But before we do, please note the change in the location of our dances. We have been fortunate in securing the Fyle Elementary School at 133 Volmer Parkway in Henrietta. Please note the location on the map in this issue.

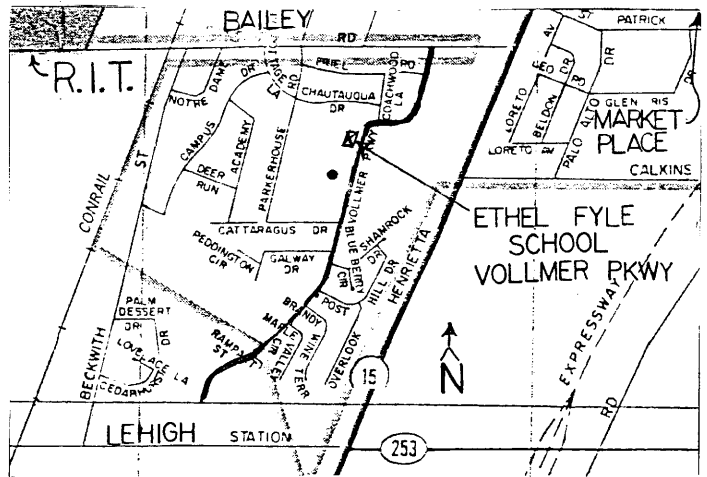

Summer has been a busy and fun time for Friendship Square Dancers. Dick and Joan Smith hosted the annual picnic at their lovely country home in Honeoye Falls. Many of us took advantage of their offer to swim in their pool on that very hot day.

Monroe County Fair goers were very enthusiastic about our Demonstration Dance in which two squares participated. Members of the audience were invited to join in a practice set. We hope we interested some new people to join.

We are looking forward to a very successful and enjoyable year. We hope everyone is full of vim and vigor and ready to "Square Up!"

Hi gang! Can you believe summer is over already? I hope yours was as great as ours. We're looking forward to seeing you all on the dance floor again soon. We're kicking off our season with a pig roast on September 12th for our club and friends. If you can come (and we would love to have you) please give me a call at 436-6281. We must know how many to plan on.

Our first dance on September 19th with Jon and Brian should be a great season opener for all plus dancers, so come along and let's oil up those rusty hinges.

In October we'll have a plus workshop open house (that's a freebee) for new dancers and those of us who just need a little review. More about that next month. So please come and visit us soon. We love you all and really appreciate having your company on the dance floor, and all the fine support you have given us in the past. Good bless and we'll see you real soon.

Our T-shirt night in July was well attended considering the heat, with many colorful designs and clever slogans in evidence. On the night of the dance the temperature was in the 80's and the dew point was around 70. Because of this, and the fact that we dance in a basement with a cool floor, condensation began to accumulate, and by the time the class was over, the floor had taken on all the characteristics of a bob sled run. The call "Slip the Clutch" and "Walk and Dodge" took on a whole new meaning.

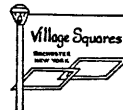

A group of able-bodied volunteers soon swung into action and within minuets we had moved all the callers equipment outside into the flood-light parking lot, where we danced for the rest of the evening. Not even a wet floor could dampen the spirits of these die-hards.

Our July elections resulted in the selection of Cheryl Perman as president, Dotte Willer and Carol Pratt as Vice-Presidents, Bill Petty as treasurer, Greg Marling as secretary and Robin Riani as hospitality chairperson.

At this time I would like to thank our officers, caller and club members for their support during my term as president. Through your efforts we have taken a club that was on the verge of folding up and made it into a going concern again. Our membership has increased, our attendance at dances has tripled, and our treasury is solvent. We are not resting on our laurels though! We've got more tricks up our sleeves for your square dancing pleasure! Watch this column for further announcements! Our Open House is scheduled for September 14, so why not drop in and share in the fun?

Village Squares

Welcome Jon McNally, Village Squares' new caller. Meet him and join us this season to benefit the advantages that our new dance schedule offers. This schedule has been developed to entice Mainstream dancers to learn Plus calls in a one-hour Plus workshop from 7:30 to 8:30 each Tuesday dance night. Join plus dancers for another hour, 8:30 to 9:30, for mainstream and plus calls, and then the plus dancers will be provided with a full hour of their specialty from 9:30 to 10:30. What a way to learn, brush up, and stay sharp! Village Squares club members will be recognizable in their royal blue and white club colors.

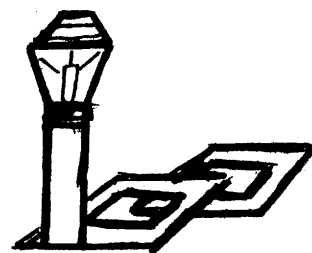

Since we all became busy so fast as we wind back up after a summer of vacations, put this date on your calendar, now -October 24. It's the night of our Harvest Ball dinner dance open to the Rochester area square dancing community. Dinner will overlook the pool and acres of manicured landscape adjoining neighboring farmland. Dancing will be a spacious floor in the renovated barn reception hall of Perinton Golf and Country Club, 1344 Macedon Center Road, Fairport. It's just a few miles east of the village. We're planning this barn dance with a real touch of class. Dinner and dancing are \$25. Reservations are required by October 14. See the ad in this Promenader for details.

We'd also like you to meet Village Squares 1987-1988 Board members: Presidents Vern and Carol Flowers, Vice Presidents Bernie and Rita Fitch, Treasurers Tom and Marge Reynolds, Secretaries Rich and Sharon Morales, and Federation Reps Chap and Jean Blake.

Happy Hoofers

We were glad that so many of our friends could join us at our campout and square dance weekend in July. The weather could have been a bit cooler but a good time was had anyhow.

Then we had a nice picnic at President Ingals' in August.

Since the first Saturday in September falls on Labor Day Weekend, our regular dances will resume on September 19th.

Wayne Westerners

The summer vacation is over and the Wayne Westerners are ready to get back in the swing of things with another year of dancing!

We enjoyed our annual mid-summer picnic and dance at the home of Marshall's in North Rose - many thanks to Gil and Ina for their gracious hospitality. We also shared a very memorable occasion with George and Virginia Closs who celebrated their 50th wedding anniversary on June 12th. Congratulations George and Virginia!!

President Clarence Graham has returned home following surgery and hospitalization in July - we wish him a speedy recovery and return to our squares.

We will be dancing Thursday nights at the Elementary School in Marion again this year. Club Presidents watch your mailboxes - we'll be sending our dance schedule soon. We thank all those clubs who visited us last year and hope to see you again.

Web Spinners

During the summer months the Web Spinners enjoyed their annual picnic at Foreman's Park under the auspices of Judy and Bill Willcox. Members of our club participated in a "Demonstration Dance" at the Greece Towne Mall, which was well received. Also on our summer schedule is the Webster "Good Neighbor Days", in which we will dance to promote our club as well as entertain our neighbors.

Our new dance season begins with a "Driveway Dance" on September 11 at Ginny and Dick Bizub's home on Ridge Road. Hots and soda pop will be served at the party. Please bring a dish to pass.

Mike Herne, an entertaining guest caller, will start our dance schedule on September 18 at the United Methodist Church. Open House Dance follows on September 25. Please invite and bring your friends to have fun dancing with us. This dance introduction might induce them to join us.

Presidents Lyla and Bob Bonnett held a committee meeting in July at the Pultneyville Yacht Club grounds at the invitation of Rosemary and Don Ogren. After a tasty picnic dinner, club matters were discussed and decisions made. The Ogrens showed us their sail boat, explaining its features and the pleasures of sailing.

UNITED SQUARE DANCERS OF AMERICA

CODE OF CONDUCT

"Square Dancers everywhere are encouraged to comply with an appropriate Code of Conduct which will enhance the public image and the pleasure of the movement to all dancers and non-dancers, as well.

Among the unique aspects of this wholesome activity is the attractive attire which is an intrinsic part of the image of the Square Dance. Accordingly, the wearing of appropriate apparel is as important to the enjoyment of the participants as it is to those watching. Not only should the clothing of the dancers be appealing to the eye, but also functional to the others within the square. This includes the wearing of long-sleeved shirts and ties for the men and full skirts for the ladies.

Avoidance of alcoholic beverages both before and during dances is essential to insure the enjoyment for everyone. A single drink can severely diminish the response time required to execute the intricate moves of the dance. Square Dancing in itself has the capability of providing sufficient exhilaration to warrant abstinence from alcohol on dance nights.

Courtesy to others is important at all times. This includes personal cleanliness, as Square Dancing is an energetic recreation which can be offensive should adequate precautions not be taken.

The welcoming of others into the dance and into the squares is an integral part of the social aspect of Square Dancing. Walking out of a square at any time is considered a severe insult. At the end of the dance, no one should leave the square before thanking everyone who contributed to the joy and the fun of dancing together.

Conforming to the accepted and generally taught hand positions and maneuvers for execution of the movements helps to eliminate any uncertainty among the other dancers. Proper styling while dancing is as important to the enjoyment of the Square Dance as is the proper execution of the movements.

Adherence to these guidelines should be encouraged from the very early stages of beginners class. The best means of achieving this is through example by experienced dancers and leaders and by the incorporation of ethics into the educational process during the class."

It is felt that through the re-affirmation of these long recognized rules of conduct, dancers everywhere will be reminded of the importance of courtesy, friendliness and personal hygiene. All of these things are an integral part of the Square Dance activity.

DID YOU KNOW - when two or more clubs work together on an event, it is usually very successful?

DID YOU KNOW - the Dance-O-Rama Chairperson donates all of his time?

DID YOU KNOW - the yearly leadership conference is for the benefit of all square dancers? -And that all dancers and callers are cordially invited?

DID YOU KNOW - membership to a dancer run club involves more than paying yearly dues and the right to dances?

DID YOU KNOW - volunteers keep square dancing fun?
