This-n-That from the Editor's Desk

I hope you find a wealth of information in this issue. The article about the New York State Festival was kindly written upon request by Board Member Joan Sanford. If you miss that festival, you've missed a lot more than some excellent square dancing. So many dear square dancers have given so much of themselves to make this an event to remember! If you can't make all the sessions, try to experience at least one session of this three day event. It certainly will be worth your time.

Please note the article "Quick Action Saves A Life". Congratulations to Jody Mattice. This must have been an extremely difficult experience for her, but her love of people wouldn't let her do any less. This is a copy of a newspaper item that should remind us of the importance of a safety and emergency procedures check at all our clubs. Where is the emergency phone number posted in your hall? You may not have time to look it up.

Did I get a report that the Tenney's are leaving this area? They've done so much for Rochester area square dancing! Who will fill that need? It will take many of us. And, did I get the impression that square dancing was demonstrated at the Monroe County Fair? Good work!

We have outdated issues of the **Promenader** that may be useful when you introduce class members to it. The class seem delighted to have an issue so they can take it home and look it over. They seem particularly interested in the square dance shops that are advertised. They don't mind that it's outdated. Please give me a call (494-2102) if you can use some of them.

Caller Profile

JERRY AND BETTY CARMEN

Jerry became a square dancer and caller while a student at the University of Massachusetts in the early 1960's. At that time there was no class so Jerry was one of the bystanders dragged into a square when one more was needed to fill it. It was here that he met his favorite dance partner, Betty, who is now his wife and mother of their two sons and two daughters. The entire family will be dancers this fall when his youngest child takes lesson.

Jerry says the thing he enjoys most about square dancing is the people because some of the nicest people square dance. When asked what the biggest problem facing square dancing is, Jerry replied, "Superficially it is maintaining numbers, but this is a very deep question." If you have read Jerry's column in the Promenader, you know Jerry address many facets of square dancing.

Jerry, a member of Callerlab since 1977, has attended callers clinics under the direction of Earl Johnston, Al Brundage and Dick and Ardy Jones. He is also a charter member and twice past moderator of the Callers Coop of Rochester. Jerry has been chairman (more than once) of the annual leadership conference jointly sponsored by the Federation and the Callers Coop.

Jerry calls for seven clubs, teaches two classes and guest calls frequently throughout New York State. His calling experience ranges from one night stands to advanced dancing and round dancing. His wife, Betty, accompanies him often as a round dance cuer and together they have sponsored beginner round dance classes during the summer.

Jerry has arranged sound for the past ten years at Dance-O-Rama and has been on staff twice. For all the many things the Carmens have done and are doing, the author of this column was pleased when Jerry and Betty were presented the Norma-Daphane Leadership award at the 1987 Dance-O-Rama.

The Carmens moved to Rochester when Jerry was hired as an engineer for Eastman Kodak Company. Betty, a math teacher, now teaches computers. They live at 2619 South Union Street in Spencerport. Their phone is 325-5504.

Quick Action Saves A Life

Lockport firefighters credited two women with saving a Tonawanda woman's life in Lockport Thursday evening.

Doris Lockridge, 72, of Tonawanda, remains in serious condition in the intensive care unit at Lockport Memorial Hospital where hospital officials today say she is "doing much better".

Firefighters said the woman collapsed about 8:30 p.m. at the Lockport Senior Citizens Center, 33 Ontario St.

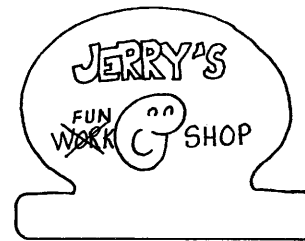

When they arrived, they said two women were administering cardio-pulmonary resuscitation to the victim who had stopped breathing.

Florence Schaffer, identified as a nurse, and Jody Mettice, identified as an emergency medical technician and CPR instructor, did an "outstanding" job of keeping the victim alive, according to Capt. Robert Symes.

The city rescue crew of Matthew Streckwald, Kenneth Roth and Roger Cassell continued the CPR en route to the hospital.

SPOTLIGHT ON

JERRY'S FUNSHOP

As our name implies, we dance for fun. It is not important what program of dance you do, but what program you enjoy. This is the philosophy of the founders of Jerry's Funshop, Ruth and Blakely Harris, who have danced since 1967. The Club was started in the fall of 1978, and followed an earlier attempt to make all programs of dancing available in the Batavia area with a relaxed program of dancing in a club, the Wheel-A-Rounds, in which Jerry Carmen was the caller and Betty Wolcott was the round dance cuer.

A couple of years after the Relaxed club disbanded, Ruth, Blakely and Jerry decided to form an advanced club. It was hoped that those in the local clubs who wanted a different program of dance would come to this club and still support the local clubs. The original members of Jerry's Funshop were mostly from the Batavia Twirlers and the Promenading B's clubs. When the Batavia Twirlers club folded, there was no longer a nucleus of dancers available in the area, so the club moved to the Chili Community Center at the corner of Routes 33 and 259. The majority of the club's dancers at that time were from the Churchville area. We did not consider ourselves "advanced dancers" then, but we wanted to learn the Advanced calls and were willing to make a lot of mistakes along the way as long as we could have some laughs and smiles doing it.

After moving to Chili, the club attracted dancers from as far away as Bath, Auburn, and Savannah, and many dancers from the Rochester area who really enjoyed the all-position advanced program that Jerry calls. In the spring of 1987, circumstances made it impossible for us to retain the Chili Community Center as our dancing hall. Fortunately, we were able to find a new "home", the Lutheran Church of Concord, 485 Holmes Road, Greece, where we are normally dancing three Sunday nights per month with A-2 workshop starting at 6:30 followed by regular A-2 dancing at 8:00. No rounds except on special occasions.

Our club is a caller-run club that operates with three couples serving on the Board of Directors. At present they are: Herm and Gloria Shippers, Bob and Sue Schlenker, Ken Ford and Terry Veniskey. We dance throughout the summer and have a summer picnic. During the rest of the year we have party nights to celebrate the various holidays. We welcome guests. People who join our club, or come as guests, find that when they go to festivals in this or other areas, they can execute the advanced calls with ease. We all thank Jerry for making this possible.

Jerry's Funshop also has a branch club that dances Saturday nights, twice a month, at St. Peter and John Church, Genesee Street, Auburn, New York. The A-1 Workshop begins at 6:30 and at 8:00 the A-1 dance begins. At 9:00 we begin the A-2 dance and continue to 10:30. We love to have guests. For information on this branch club, call Marian and Don Ellinwood (315) 776-8642.

For information on Jerry's Funshop call Terry Veniskey 544-6786 or Jerry Carmen 352-5564.

Empire State Square & Round Dance Festival

ROCHESTER RIVERSIDE CONVENTION CENTER

October 9, 10, 11, 1987

October is a very exciting month for square and round dancing in Rochester. We have the privilege of being host to the very first EMPIRE STATE SQUARE AND ROUND DANCE FESTIVAL at the Riverside Convention Center on October 9 to 11.

For those 22 couples on the Executive Board Committee, it has been a three year undertaking, now coming to a rewarding conclusion. Please remember that all decisions pertaining to this Festival have been made by the Statewide Executive Board and not solely by the Rochester Host Committee.

At this writing we have over 1500 dancers registered with more registrations arriving daily. Be sure to wear your ribbon - it is your ticket through the door of the beautiful new Convention Center.

Our callers include Gary Brown, Mike Jacobs, John Marshall, Tom Miller and Anne Uebelacker. Round dance cuers are the Guenthers and Smarrelli's. There are 5 full-time dance halls ranging from Mainstream through Challenge and a full-time round dance hall. We have also scheduled a Clogging Demonstration on Saturday from 4:30 to 5:00 p.m. There will also be 6 square dance shops and 5 exhibitors for your shopping pleasure. There is also a camping spot at the AllRight Parking lot on St. Paul & Mortimer St. for a very nominal fee.

For those who wish to rest their weary feet, we are highlighting a Fashion Show to be presented at the Holiday Inn Ballroom at 3:00 p.m. For those guests staying at the Holiday Inn (the Festival headquarters) there is a skywalk connecting the Convention Center so you need not even step outside. The Fashion Show will offer fashions for both men and women and be sure to catch the New York State Costume Entry Contest. The contestants who have designed their entries to the show will model their creations and there will be balloting following. Be sure to see the 7 costume entries and make your selection for the one you think should be the official costume for New York.

The dancing will begin Friday evening at 7:00 p.m. featuring New York State's Callers & Cuers Showcase from 7 to 9 p.m. Come and dance with some of your favorite callers and cuers throughout the evening and weekend. Saturday's schedule begins at 10:00 a.m. Sunday we will dance from 10:00 a.m. to noon. Don't forget, this is Columbus Day Weekend which allows many of us a Monday holiday.

The Cloverleaf Squares Singles Club will host an afterparty on both Friday and Saturday evening at the Holiday Inn, following the regular dance schedule.

Some of the dancing surface will be lightly carpeted but that should present no problem as we have been assured by experts that Silicone spray will make dancing enjoyable for all. Because of insurance and the safety and protection for all, the Executive Board decided that spectators would not be admitted to the dance area.

The Executive Board has very carefully considered all the dancers needs and have put much time and effort into this very first Festival. It will not be without flaws, as every Festival has its share, but we need your constructive input and criticism to make the next one in Buffalo in 1988 even better.

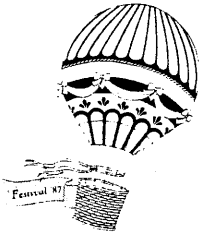

Please support us! The ticket price for a 3-day dance weekend is very affordable. We'd like to see all the Rochester area dancers there to make all New York State, surrounding states and our Canadian dancer friends welcome.

We look forward to seeing you all there!

"Our many thanks and deep appreciation to the individuals and clubs who worked so hard and voluntarily gave of their time and talent to help make this Festival a success!"

LET THEM SMELL THE ROSES!

A couple that graduated from classes last spring from one of the oldest clubs in the area visited us tonight. They're on the brink of quitting square dancing. Why? "We had to take the Plus Workshop this summer so we can dance with the club this fall." They've literally studied the plus calls 'till they can recite the definitions, but have tremendous difficulty executing them. Is that fun - or even enjoyment?

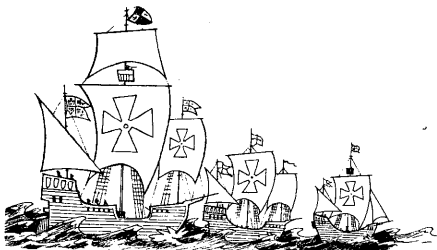

Has a Plus Club got the right to take a class graduate and push them into plus or out the door? We, as square dancers, have the audacity to wonder why our numbers are declining! (This used to be a Mainstream Club - when their membership list was longer!)

Are we all abiding by the rule: dance two years before pursuing the Plus Program? (If this couple felt comfortable with mainstream, the Plus Workshop would be enjoyable.) Callers, you are guilty of a grievous offense to square dancing if you accept a beginning square dancer in your Plus Workshop. They won't be around long enough to be in your Advanced or Challenge Workshop! Clubs that permit new square dancers in your Plus Workshop are guilty of the same offense. (No wonder there's not a decent Plus dance in the area!)

Only Mainstream Clubs have the right to hold Beginners Classes. Plus Clubs should have Plus Workshops for two year (or more) mainstream dancers. Advanced Clubs should have Advanced Workshops for two year (or more) plus dancers.

New dancers, please seek out and find the fun and enjoyment of square dancing. Look in the **Promenader** schedule for mainstream dances. (The symbol "M" after the time denotes a mainstream dance.) Try a few Mainstream Dances at different locations with different callers and clubs until you find the club that's right for you. After investing a year of your time in square dance classes, don't leave square dancing because you're being pushed to plus. Enjoy square dancing in the mainstream program for a couple of years. If you love square dancing like I do, you'll want to be in it for the rest of your life. Take time to enjoy every aspect of each program.

Lima Grand Squares

The frost is on the pumpkin but here's one to tell your grandchildren about - the summer of '87. At the outdoor Crossroads dance the Lima Grand Squares held on the 25th of July at the corner of 5 & 20 and 15A, it was so hot caller Gary Bubel's record warped while it was on the turn-table. Not to mention what shape the dancers were in, trying to dance in that heat.

Lima Club also danced a demonstration dance at the Monroe County Fair with the Henrietta Friendship Squares. Good going, you all.

Demonstrations are an excellent way to spread the word about the fun of square dancing. The Grand Squares wound up the summer with a picnic at Bob and Jean LaBore's on August 22. Rain drops didn't spoil our parade.

So much for the glories of the past. On to the October festival of dances at Lima. On the 16th, we are hosting Bruce Shaw as our guest caller. We hope to see all of those who are Bruce's fans come on out and make us welcome. And if you haven't danced to Bruce, you're missing a treat.

On the 30th, we'll be holding our annual costume party. Ghosts, pirates, bag ladies and various infamous characters abound. Come and join us - if you dare.

Swinging Singles

On August 12 we held our miniature golf tournament. A crowd of about twenty "devout diggers" gathered at the Ponderosa Restaurant in Penfield for supper, after which we proceeded across the street to the Arnold Palmer Miniature Golf Course to test our putting prowess. The cry of "fore" rang out among the potted plants as balls bounded off bushes, wacked against windmills, and skidded into sand traps.

On Monday, October 5, we will hold a review night from 8:30 to 10:30 to go over all those complicated, obscure, and mysterious calls from the mainstream and plus lists that people can't seem to remember. Dancers from all clubs are welcome to attend. Jerry Carmen will review what ever you want to learn, so bring a list of those calls that you don't feel quite comfortable with. It will be an evening well spent.

We will close out the month of October with our annual class-club Halloween party on the 26th at 7:30. Bring your ghost or bring your witch, but come on down, you Son-of-a-gun!

Our big surprise, however, is coming up in November. Have you ever square danced to live music before? Have you always wanted to turn back the clock to the days of the "Thanksgiving Harvest Hoedowns" that our ancestors held? Watch for our ads and flyers announcing our first annual "East Meets West Harvest Hoedown" featuring Western square dancing, traditional Eastern square dancing, and Contra dances, with a live band - no records. Jerry Carmen will be doing the calling, and the 3 hour dance will be open to both class and club members. More details next month!

Circul-8-tors

The Circul-8-tors summer camping weekend August 14-16 at Camp Canaan near Dansville was a great success. Twenty-seven couples danced to Betty and Jerry Carmen and 76 members attended the picnic on Saturday. We found this to be an excellent campground. It was formerly Skybrook Campground.

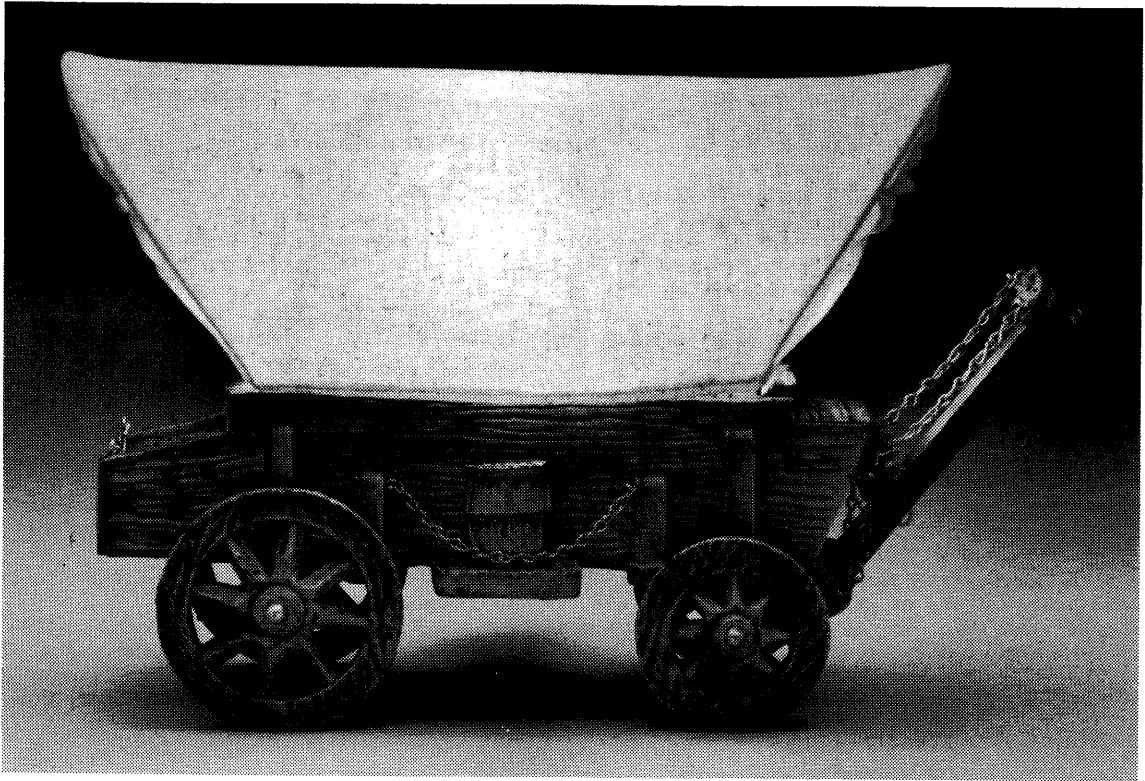

Our next dance is Sunday, October 25 at the Penn Yan Grange Hall from 2-5 p.m. It is located on Route 54A just west of Penn Yan. After dancing to Chip Kellogg and Betty Carmen, we welcome all dancers to have dinner together at a local restaurant. Hope to see you there.

In advance, we would like to remind everyone of our Open House for prospective members on Sunday, November 22 at the Green Lantern Inn in Fairport. Chip Kellogg will be calling and Bob Slomcenski will be cueing. More details next month.

The new dance season has begun and its a pleasure to meet and dance with friends again. Lets all help Lyla and Bob achieve a successful year.

With Bill Wilcox calling and two squares of Web Spinners dancing, the demonstration dance for Webster's "Good Neighbor Days" was successfully carried out. Flyers inviting people to come to our Open House Dance were distributed to the audience, who appreciated the enthusiastic dancing.

Please feel free to send club news to your Promenader reporters.

Belles 'N Beaus

We have good news and bad news. The good news first.

We are off to a great square dancing year at Bells & Beaus. We have a very active group of officers. They are concerned, involved and enthusiastic. This is always necessary for a club of any kind. If you are asked to serve as an officer for next year, consider it an honor to be asked and remember anything worth having is worth working for.

We have some fun coming up this month. October 4th is the popular annual steak roast. It will be held at Northhampton Ski Lodge. Thanks to Mary and Don Waterman it is always a happy occasion. October 26th is the Hallowe'en party. Dressing up and acting silly is fun.

Congratulation to Don Adams. He was the star this year, playing golf. He made a hole-in-one at the Deerfield Country Club.

Our square dance friends of many years, Frank & Katie Heindl and Whitey and Joy Zimmerman, were visiting in the area this summer from Florida.

The annual State Square Dance Convention is to be held in Rochester this year at the Riverside Convention Center October 9m 10 and 11th. So close to home! We can't miss this one!

The sad news is that Doris Haddleton's brother died suddenly and John and Mararet Bennett lost their son. Condolances to both families.

October 12 - no dance. The school is closed for Columbus Day.

Mike Harris is busy teaching the new class each Wednesday. Be an angel and come dance with them.

Morton Country Swingers

The Morton Country Swingers are looking forward to a banner year of dancing after a fine picnic in August, and a successful open house season. We will be able to enjoy both Bob Meagher and Les Bradt calling alternate dances. George Burch will continue to cue rounds for his third year of excellence. Our Square and Round Dance demonstration at the first Hamlin Community Day, August 29, was well received and enjoyed.

We plan to celebrate Halloween at our October 29th dance with a costume party with cider and doughnuts. Visitors are welcome to join us at all our dances.

With both Bob Meagher and Les Bradt calling we will be able to double our pleasure and double our fun dancing with the Morton Country Swingers of the '87-'88 vintage.

Genesee Dancers

Your reporters are back, one broke her wrist and the other went to Ireland. Our thanks to Ed and Ann Barney for filling in for us for the September issue.

Summer is over and what a hot one it was. Despite the heat, our summer dances were well attended. As usual, Mike Callahan's workshops were beneficial to old and new dancers alike.

Our October 8th dance will be a trail-in dance for early arrivals at the Empire State Festival. We are looking forward to meeting our fellow dancers from around the state.

It is renewal time for subscriptions to the **Promenader**. Please give or mail your check for \$5.50 to your reporters, Castor and Kotwas (checks made out to the **Promenader**) before October 8 so that you will not miss an issue. Special note to our class members--this is your last free issue so be sure and sign up so you will know what is going on in the square dance world. Remember you have to have a score card to know the players.

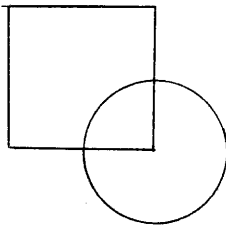

Ghost and goblin time is approaching--our Halloween Dance will be October 29. This is a pot luck dinner for members only. Dancing, of course, is open to everyone--squares start at 8:00 with Mike Callahan and round with Bob Slomcenski between tips.

Roy Keppen will be cueing rounds on October 22 and most fourth Thursdays.

It is great seeing everyone again after the summer. We are looking forward to a very busy year of dancing. See you at the Empire State Festival '87. Let's all get behind it and show the rest of the State what Rochester can do.

Diamond Squares

October is upon us the month for ghosts and goblins who accompany this traditional Halloween month. We will be having our annual Halloween dance on October 28th. Let's all dress up for this event. Be original and clever and come in costume. The club picnic at the Ellis's was a great success as always with lots of good food and fun. Many thanks to John Kurtz for fun and games on Saturday. Our 10th anniversary dance was very well attended with everyone having a good time. Thanks to the committee for your help. Happy anniversary to Bob and Nancy on September 30th, also to the Fords whose anniversary was August 7th.

Until next issue, let's all get out there and support the club. If you have some free time we hope to see you at Diamonds.

Cloverleaf Squares

The clam bake held on Sept. 19 was a great way to end the summer! Another class is now in session at 5:30 p.m. on Sundays. Come support the club and meet the new class members by being an angel.

On Oct. 18 we welcome Kuntry Kuzzins, Glass Slippers and Henrietta Friendship Squares as our guests.

Saturday, Oct. 24 will find us traveling to the Southern Tier for a winery tour, dinner and a square dance in Bath, N. Y. at Champagne Whirlaways.

Start planning your Halloween costumes for the dance Oct. 25. That should be an interesting evening of fun and dancing.

Election of club officers is coming up soon. Now is the time to consider serving as an officer of the club. Fall Showcase '87 is almost upon us! This year Cloverleafs present Norm Wilcox from Ontario, Canada from 7:30-10:30 p.m. at the Cardinal Mooney H.S. gym, 800 Maiden Lane. Please feel free to pick up a schedule of club dances and activities from the flyer table.

Happy Hoofers

It seems nice that the dancing season is again in full "swing" and we are seeing friends that we missed over the summer. This Saturday (October 3) we are looking forward to having the Village Squares as guests. On October 17 we will welcome the Web Spinners. Dancers with D-0-R tickets are welcome anytime at our regular dances.

Nan Dewispelaere had surgery this summer but is "circulating" again.

Don't forget the Empire Dance so we can prove that Rochester area dancers are active and supportive. See you there.

Visit Us At The
EMPIRE STATE FESTIVAL

Tecumseh Squares

October is shaping up to be quite a busy month. First is the Empire State Festival on the 9, 10, and 11th. Two weeks later is the Annual Fling Fantastic on the 25, 26, and 27th.

Due to the above events, as of this writing, our club will not be dancing on the 9th or 25th. To make sure, we suggest you call the information number listed in the artical before planning. To break up the month, we will have a Pizza Night on October 16th, so all you pizza lovers come on in and enjoy.

Starting October 2nd, our cuer, George Burch, has agreed to hold a Rounds Workshop. The workshop will be prior to our regular dances from 7:30 to 8:00. Here's a chance to brush up or learn some new steps. If attendance is good, we will continue next month.

We are looking forward to seeing everyone some Friday Night. George Burch is our cuer and Bruce Shaw calls the squares. Remember: Workshop at 7:30, Regular Dance at 8:00 to 10:30.

EKC-O Squares

Our new president, Don & Eunice Naulin, are busy as they continue taking over the reins from Al & Lois Tenny. The Tenny's will be moving to Florida at the end of October. Their wish has been to participate in the State Festival, which they will do. Many of us have felt their kindness and friendship. They have contributed much time to EKC-O Squares since graduating in 1984. They have served as representatives to Federation, activities Chairmen, Vice Presidents, and as Presidents. Al & Lois, we apologize for adding gray hairs to your heads, and we say "Thank you for all your hard work - we wish you well - y'all come back - heah."

On October 6, Jerry Carmen will call squares and Jody Mattice will cue rounds. On October 13, Gary and Alice Bubel will call and cue. Everyone had fun when they were last with us in May, so come back and enjoy them again. On October 20, Jerry Carmen will call and Mike and Linda Liberti will cue rounds - who can resist the Liberti team?

"Hoo" will join us on October 27 for our Halloween Dance? Jerry Carmen will call and Roy Keppen will cue to all goblins present. Come in costume - a prize will be given for best costume - you just may be the winner. Refreshments will be served.

Our dances start with rounds at 7:30 and squares at 8:00 in the 9th floor gym at Kodak Office. For entrance use the front door to the right of the circle. If door is locked, push the white button on right wall at door to be buzzed in by security. Go up steps, at first landing to the right, through the door, to left to elevators to 9th floor. Come and give us a try - we'll help you have fun!

Triggers

It was so nice to see such a great turn out at our first dance and welcome our new members (last year's class). Mike was in his usual good voice and put us all through our paces. The officers provided some delicious refreshments. Fun was had by all.

We are all looking forward to our Open Houses on October 1 and 8, and being able to share the fun and friendship of square dancing with those who attend.

Two of our square dancing families, the Tschokaschs and the Zinns spent part of their summer in Europe. It's good to have them back. Jeff Blood, last year's club reporter, just received a nice promotion at Park Ridge Hospital.

Plans this month include a Pasta night summer on the 13th of October. This is always an enjoyable time, all the Triggers are such good cooks. On October 27th, we will have our Halloween Party. Be sure to wear your costume.

I will be taking payments for the 1987-88 subscriptions to the **Promenader** on October 6th. Fill out the sign up sheet at the club dance.

Guests are always welcome at Triggers. Come dance with us and help us celebrate our 25th Anniversary as a square dance club. You are sure to have a great time.

Glass Slippers

We are off to a good start with the club this year. It was voted by the members who attended our annual picnic that the club will have an hour of plus workshop each Wednesday from 8:30 until 9:30. Then we will incorporate the plus calls into the dancing the rest of the evening.

On November 21, we will have our sixth annual special dance at S.U.N.Y College at Brockport (site of D-O-R). Bill Ryan and George Burch are planning an evening of super dancing, with great refreshments from the club, plus lots of door prizes. We look forward to meeting many of our friends from other clubs that Saturday.

The Glass Slippers welcome Wednesday night guests. We dance at the Ginther School in Brockport. The school is located east of the tennis courts. There is plenty of parking space. Those of you lucky enough to win free passes to other clubs at D-O-R, please use them to visit the many clubs that donated them as prizes at D-O-R.

Henrietta Friendship Squares

It's time to think fall! The leaves are changing and we are launched happily into our new season. If our Open Houses were successful, and well attended, the new class should have started. Angels play a crucial role in the success of any class. Please try to welcome the newcomers with your presence and give them encouragement.

The October schedule features only one dance on the 17th. We anticipate that many members will be supporting the Empire State Square and Round Dance Festival that month, so we eliminated one of ours. For the dance on October 17th, the theme is Halloween and the wearing of costumes is optional.

Henrietta Friendship Squares heartily welcomes guests to all of our dances. Come join us for an evening of fun.

Jerry's Funshop

It certainly was "swell" in mid-August when our dance attendance suddenly "swelled" with the return of some dancers who didn't care to dance in the summer-time's "sweltering" heat, and numerous returning vacationers, including Ruth and Blakely Harris who had a "swell" time on an extensive trip out west.

After discussing what would be the best starting time for our fall dances, we decided that for the month of October we would dance from 7 to 9:30 PM -- possibly to be revised for November when we might work in an earlier-starting workshop. Keep your eyes open for developments pertaining to our dance format.

For immediate attention, have you signed up for the Empire State Festival October 9, 10 & 11th at the Riverside Convention Center? This is a "first" for Rochester and, needless to say, we, in the Rochester area, should lead the way in making it a success. At the risk of being accused of having a one-word vocabulary, we say have a "swell" time.

Irondequoit Squares

Hi Guys and Gals,

October looks like a really fun month! Boy, are we lucky to be square dancers! I hope you all have your tickets for the Empire State Festival Oct. 9-11th. If not "Get-em". I hope to see every dancer in the Rochester area on the floor.

Our dance Oct. 3rd with Jon and Brian. Rounds 7:30-8:00, and 2+2 'till 11:00 p.m. promises a good time for all and we love to have visitors! Again, on Oct. 17 we have a freebee for all. Rochester area dancers this will be a plus open house and craft sale. If you like the program, or if you enjoy dancing rounds from square dance program all the way to pretty good intermediate, don't miss this one. I know you're going to love what Jon and Brian can do for you.

On the 31st, a ghost dance with Jon and Brian. We are hosting this together with Swingin' Eights. Pull out your old sheets and cut holes for your eyes cause that's the uniform of the day (or night).

Last but far from least, we have a guest caller, "Andy Glowach" coming from Pennsylvania on Nov. 7th. He yodels like a bird and has a beautiful voice, besides being a top notch caller. I danced with him two years ago and it's taken us that long to get him to Rochester. So if you'd like a little change of pace and something really refreshing, don't miss Andy. He's a real thrill.

See you on the dance floor.

Country Twirlers

As expected, Country Twirlers had a good turnout at their first dance of the new season. It sure was great to see so many of our friends and fellow square dancers on the floor. We noticed that there was a lot of mixing; people talking and laughing, undoubtedly they were discussing the great summer we were blessed with, and their vacation trips.

Our caller, Jack Barnes, was in his usual rare form. He appeared to take pity on us all, and didn't call anything that would have forced us to do a little thinking. I'm sure that will come later in subsequent Saturday evening dances.

October will be a busy month. There's the "Fall Ball" in Butler Penn. with Jack Barnes and Jim McQuade on the first week-end. Then there's the "First New York Square Dance Convention" here in Rochester on the 9, 10, and 11th of October. All this will be followed by Saturday evening dances with Jack Barnes on the 17, 24, and 31st. Starting with the October 17th dance, Country Twirlers will devote 45 minutes between 7:30 and 8:15 to a refresher workshop of Popular Plus calls geared for past graduates and/or past club members who have not been dancing but who would like to get back into square dancing. Jack Barnes will be the instructor. The regular club proceedings will begin at 8:15 with a round dance program. For further information please call either 663-3488 or 247-7259.

In closing let me remind you all that Tim Crawford from Canada will be our guest caller on the evening of November 14th. Keep the date Open!

Hope to see you all on the dance floor.

Country Dancers of Rochester

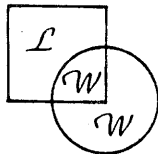

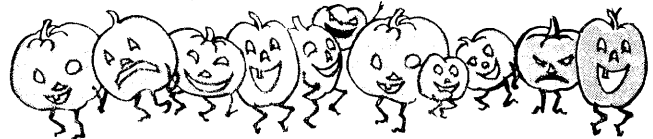

The Butenhof's are in the middle of moving from a house to an apartment as I write this news. To make matters worse, our favorite musician, caller and club president is on staff at the Maine Folk Dance camp this week so that I have no idea who the dance leaders are for the month of October. I am sure there will be a dance each Thursday and one on the third Saturday. For more information please call me. We usually meet at Covenant Methodist Church at 1124 Culver Road. Rev. Dorothy Heath is a member of our group and might be more easily reached at the church office. Phone 654-8115.

Alan Butenhof went to Pinewoods this summer for the American and English week. You might ask him about it. Ed and I went to Copecrest (near Dillard, Ga.) which is a square dance camp. The week we were there featured modern squares and rounds as well as contras, English, Scottish and quadrilles. Our week was the annual Lloyd Shaw event and Ed was on staff. The age range of the group was from about 50 to 75 so needless to say we didn't dance every dance. Some of the old tyme rounds have been rerecorded on the Shaw label and are of excellent quality. (Away with the old organ music).
