This-n-That from the Editor's Desk

From time to time, this Editor gets a lot of information all at once. So here is some of it:

The Square Dance Council of New Jersey announces the second annual New Jersey State Square and Round Dance Convention, to be held Saturday, March 19, 1988, at Trenton State College in Ewing Township, N. J.

The 6th Canadian National Square and Round Dance Convention will be August 4, 5, and 6, 1988 in Hamilton Ontario.

Modern proverb: One good turn gets all the blanket.

Thanks for keeping me on my toes. The September Editor's Notes was very vague about **Promenader** Subscriptions. Sorry about that. It was intended to have the October Insert in the September issue, it would have given you all the info that you needed and didn't have. Goes to show I'm not perfect, -also keeps me very humble!

Sign on the back of school bus: "Approach carefully. Driver under the influence of children".

Keep up the good work reporters! Remember the December issue is a "two for one". Both December and January are covered in this issue, so send both schedules.

Minds are like parachutes - they only function when open.

Thanks to **Cues and Tips** for the humor; I'm not that witty.

Even though a special committee made recommendations for Dance-0-Rama that were adopted just a year ago, this year letters from two local callers, Jerry Carmen and Mike Callahan, have made suggestions for radical changes in the operation of D-0-R. The whole subject is too important to be shrugged off by referring to another committee; it's important enough so that all of the Federation representatives should get involved, and through them, all of the clubs that are affiliated with the Federation.

The dancers and the club officers are reminded that, not only is D-0-R a Federation activity, but it is the only source of funds for carrying out other activities of the Federation. Your club's dues don't even pay for circulating the Minutes of the Meeting each month. Either we find ways to keep D-0-R healthy or we figure out some other way to support the Federation treasury!

You are also reminded that many of the clubs are dependent on the Federation and the United Square Dancers of America for their liability insurance, so it is directly important to you to keep both organizations healthy and prosperous.

Yeah, I'm lecturing. The chief desire of a wasp is that he won't be ignored, and that people will get the point.

Anyway, my hope is that the club officers and the dancers in the area will pay a lot of attention to the problems of D-0-R. Talk it over among yourselves, and especially with your Federation representatives, so they know what the club wants them to do. Remember that any member of a Federation club is welcome to attend meetings and speak their piece, and so is anyone else who is interested in the wellbeing of square dancing in the Rochester area, even though it is only the designated representatives that have a vote.

The specific points in the callers' letters were listed in the RAF Newsletter of 1987 August. The experience of the September meeting made it very clear that the problem is going to take a lot of time for discussion, and points 1 and 2 are on the agenda for the October meeting, which will unfortunately be history before you read this. Anyway, there'll be lots more to talk about, so get interested and involved. It's important to YOU!

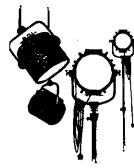

And when we get D-0-R taken care of, there are still some other questions about the Rochester Area Federation that we need to be concerned about. Don't worry that your Fed reps are going to get bored. (Aside to the representatives: If you do get bored, please let me know, and we'll do something about it.)

OCTOBER 7,8,9, 1988
BUFFALO CONVENTION CENTER

SPOTLIGHT ON

SPOTLIGHT ON CLOVERLEAF SQUARES, INC.

Cloverleaf squares celebrated its 17th Anniversary in April by holding its benefit dance for C.U.R.E. Special guest was this year's C.U.R.E. Child. This was another example of the spirit typically found in both the dancing and in the willingness to pitch in where needed. Next year's CURE dance chairperson, Eleanor Miller, DOR-87 Chairperson Elsie Epke, and 1986-87 Federation President Dave Recklinghausen are all active Cloverleaves.

The club held its first dance April 5, 1970 at the Chili Town Hall with a new young caller, Bruce Shaw. The nucleus group of founders organized in a month's time after some differences with the year-old Swinging Singles Club. At an organizational meeting at Sylvia (Arnold) Kellogg's the group chose "Cloverleaf Squares" as a good luck/positive image name; and because of the time of year near St. Patrick's Day, and because Cloverleaf was a square dance call. The call became a symbol too - just ask a visiting caller who hears the clapping pattern every time "Cloverleaf" is called. The color green and the design of the badge became obvious to Bob Sponable, who designed it and soon became the first President and generous patron. Other founders were: Dick Naven, Paul Sutton, Ed Michaels, Ron Hyman, Linda (Blakeley) Hyman, Alberta (Winters) Tufts (now a caller in the Batavia area), Bobbie (Gell) Diehl and Donna Reifsteck. Many came long distances to dance - a pattern that continues as we now have members traveling from Geneva and the Buffalo Area.

Dances were on Tuesday or Sunday evenings depending on Bruce Shaw's changing work schedule. His friend, Mike Callahan taught the first class after he got out of the Army and a few years later Mike became, and still is, the club caller.

Past presidents still active in the club are: Carl DeGraff, Mike and Linda Liberti (now our cuers), Nancy (Ostrander) Herne, Shirley Mullan, Bill Saintey (a new cuer), and Dave Fisher. Lash LaRue and Bob Karam are other past presidents.

The club moved from the Chili Town Hall to the Lutheran Church on Holmes Road then to their current home, Trinity Episcopal Church on West Ridge Road. Cloverleaves, partly because of its nature as a Singles Club (couples are welcome members but cannot hold office) continues to attract large classes, many guests, and a full house most Sunday evenings all year around. Monthly social events encourage a spirit of comradeship; some of the most popular have been the Winter Weekends in the Adirondacks, cross-country skiing, and clambakes. Differences with Swinging Singles have long since faded, with many dancers holding dual memberships. The two clubs co-sponsor a popular New Year's Eve party and Memorial Day picnic.

Cloverleaves sponsor two special dances each year:-- "Summer Showcase", bringing Ron Libby to our area for the last several years, and a "Fall Showcase" with a variety of national callers. Probably the biggest undertaking for any individual club will take place next year on Labor Day Weekend, when Cloverleaves host the National Convention for Single Square Dancers U.S.A. on September 2, 3, 4, 1988.

Cloverleaves look to the future with excitement and energy and welcome the rest of the Square Dance Community to its dances. For information call 671-2585. A special thank you to Sylvia Kellogg for her interesting recollections shared with this relatively new dancer.

Caller Profile

CHIP KELLOGG

Chip Kellogg started square dancing in 1970 with the Swinging Singles as a result of a radio advertisement. With the encouragement of Jerry Carmen, he began calling in 1972. Since that time, he has been a member of CCR where he served as moderator in 1973-74. He became an accredited member of Callerlab International in 1978, has attended four conventions, and presently serves on the Plus Quarterly Committee. Chip has also attended three caller's colleges with Earl Johnston and Al Brundage, Dick Jones and Johnny Davis, and most recently, Frank Lane and Vaughn Parrish.

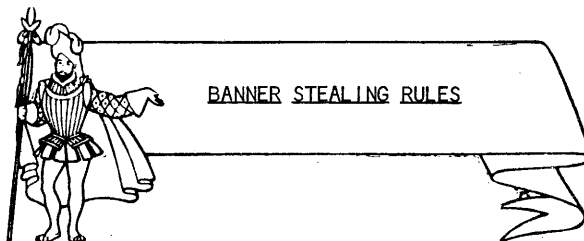

At the present time, Chip calls an average of five nights a week. Mondays are devoted to an enthusiastic and growing group of Handicapable Dancers from area group homes. He teaches class for Copy Cats one night a week and does a four month "refresher course" for them every fall. The 1987-88 dance season will begin Chip's 26th beginner class. Wednesday evening and every other Friday are occupied with his own clubs, Town 'N' Country Squares (advanced program) and Melody Squares (plus program). Chip also calls for Happy Hoofers and shares the Circul-8-tors with Jerry Carmen. This, in addition to guest calling at clubs throughout New York and Pennsylvania, as well as calling two weeks a year at Marion Central Schools, keeps him very busy. Chip has also had the pleasure of calling in London, England and is a regular staff caller at the Tulip Festival in Holland, N. Y.

Chip says he could not do all this without the support and assistance of his wife, best friend, and business partner, Sue Yara. Besides helping Chip with Melody Squares and Town 'N' Country Squares, she also plans and organizes square dance camping weekends and trips. She is also the owner of CS Engraving and makes badges for most of the local square dance clubs as well as other engraving work for local businesses and non-profit groups.

In addition to these activities, Chip and Sue run a small farm, Melody Acres, in West Walworth where they live. They raise pork and beef and keep a few horses, rabbits and geese. Sue also does some free-lance accounting and tax work for local businesses while Chip's main occupation is his home remodeling business which he started more than 30 years ago.

Chip and Sue derive much enjoyment from square dancing and dance locally as well as at festivals as often as time allows. Chip feels that dancing makes him a better caller. They also work hard at promoting square dancing all year long at one-nighters and to anyone who shows an interest. These people are later contacted on an individual basis and invited to an open house. In their experience, this one to one contact is still the best method of winning new dancers.

Chip was asked "what is the biggest problem facing square dancing today" and "how can we keep more of the new graduates"? He feels that these are really one in the same. As we are all aware, the cost and effort of soliciting new dancers is much greater than keeping current club member. It would appear, however, that the square dance activity is losing more dancers than it is gaining; and many of these soon after class. This has been a topic of great concern at Callerlab as well as

1. Clubs wishing to take part in Banner Stealing must register with the local Banner Stealing Association of the Rochester Area Federation.
2. Those clubs registering with the Association must have at least one miniature Traveling Banner that will be used for stealing.
3. In order to steal a member club's banner, the Stealing (visiting) Club must have at least four couples (one square), who have paid the visitor's fee at the Host Club. A representative of the Stealing Club must then make it known to the President of the Host Club that they are attending the dance for the purpose of stealing the Host Club's banner.
4. In the event that more than one club is in attendance for the purpose of stealing the Host Club's only available banner, it will be the duty of the President of the Host Club to determine some fair way to choose which of the Stealing Clubs will be awarded the banner.
5. Once a club's banner has been stolen, that club may retrieve said banner by sending no less than four couples to the Stealing Club's dance and then they can take their banner back home. If a retrieving club also wishes to steal the banner of their hosts, they must then have a second four couples in order to be eligible.
6. At no time can a member club allow any other club to take a banner belonging to a third club. Also, when a club steals a banner from a club, it is the receiving club's duty to safeguard at all times the banner they have stolen. If said banner has not been retrieved by the owning club within a reasonable period of time (three months), the banner should be returned to the owning club.
7. Banner stealing shall be restricted to regular club dances only, and does not include any special dances a club might hold and so designate. In addition to those dances so designated, any dance which has a caller other than the regular club caller shall be a special dance. If a club does not have a regular caller, all dances shall be regular club dances unless so designated.

Letter

Editor

Dear MaryIn,

I read your article "Let Them Smell the Roses!" and had to write to tell you that I agree wholeheartedly. I have encountered many recent class graduates over the years who have said the same thing to me.

Chip and I stopped running a Plus workshop when we got almost entirely new graduates even though our flyer said specifically that only dancers who had danced with their club for at least one year should come. They said their club required that they learn Plus level before Fall so they were attending two workshops; ours and the one their club was putting on. As a result, Chip found he had to reteach many of the Mainstream basics before he could go on the the Plus calls.

Until all callers and clubs start thinking about the welfare of square dancing and square dancers as a whole, we face a dim future. They must also realize that we get a lot of "bad press" from the dancer who has been "pushed out the door". Not only do we lose that couple, but everyone they talk to about their experience - but I don't need to tell you that.

Thanks for speaking your mind. I hope more people listen before it's too late.

Regards,
Sue

Dear MaryIn,

My compliments on the excellent article in the October **Promenader**, "Let Them Smell the Roses". You raised many valid points and provided us all with some food for thought. I agree 100% that no one should be pushed into dancing the Plus program before they are ready! With ten or more good Mainstream clubs in this area, on various nights, why should anyone feel pressured?

I also agree that it isn't usually feasible for Plus clubs to teach Mainstream classes although Cloverleafs has done it with smashing success for years. Most Plus clubs find they lose most of their couples to Mainstream clubs! At the cost of running a class, an impractical idea and not economically sound!

I do however take exception to the statement "Not a decent Plus dance in the area". I will invite anyone who feels that way to dance with us at Irondequoit Squares. If they don't feel they've been challenged adequately and had an excellent evening, I will personally refund their ticket price out of my own pocket.

In closing, I'd like to say that I was dancing with a Plus club when I was half-way through Mainstream classes and I loved it! If anyone had tried to slow me down, I would have dropped out of square dancing once and for all time. I do not believe that anyone has the right to decide for another what program or speed they may progress at as long as their friends and fellow dancers want to, and enjoy helping them. I know and have talked to many who feel the same way. So the conclusion of the matter is, let's just be considerate of everyone's ambitions and aspirations and we can maintain a healthy balance in a happy community.

Thanks for the equal time.

Warmest regards,
Dave Recklinghausen

Bob & Nancy Ellis and all the Diamond Squares of Rochester salute **JOAN AND JERRY SANFORD** for all the time and energy that they have donated to the Empire State Festival and the Square Dance activity.

Thanks for a job well done!

CLUB

NEWS

Belles 'N Beaus

October 4th we had a great time at our annual Steak Roast, thanks to Mary and Don Waterman. Mike Harris called some square dances which helped keep us in shape and added to our enjoyment.

Boots and Slippers, Copy Cats, Glass Slippers, and Genesee Dancers will be our honored guests on November 9th. May they all enjoy the fun we share dancing to Art Harris's unrivaled calling.

November 11th there will be no class, as school is closed on Veteran's Day. November 16th Bill Ryan will be our guest caller. We really enjoyed his calling last St. Pat's Day. Good to have him back.

Our Presidents, Ed and Doris Haddleton, are vacationing again, this time in Pennsylvania. Hope they have a good time. Dick Adamski and Dick Wood are part of a Barbershop chorus, The Genesee Chorus, that won 1st place in the Western New York Competition. This entitles them to go to the International Competition in San Antonio. Congratulations. It seems our fellow dancers are rating pretty high these days.

The sad news is that Bob Weaver is still ill. We miss both Bob and Bernie dancing with us. Ray Farnand had surgery, so did George Thrush. He had a gall bladder operation and his wife Wanda had a back operation. Our cut ups are doing it the hard way!

Our sympathy to Trudy Smith on the loss of her brother.

Get your costumes ready. It's that time of year again. Halloween is around the corner and the Goblins will get you if you don't dress up.

Country Dancers of Rochester

This is a special month. Wild Asparagus, one of New England's top bands will return on the 19th. If you have not experienced contra dancing with them, now is the time. If you have danced with them, I know you will return. Callerlab hopes all square dancers will add the contra dance form to the rounds and squares they already know. Few areas are as lucky as we are in having a "traditional" club as part of their Federation. I will try to let you know when we have our "specials".

Thanksgiving weekend marks our 4th annual festival. We hope some of you can join us for all - even part - of it. Ted Sannella (a former D-O-R caller) will be leading, with "his" musicians. The event will be held at the Edgerton Center's Stardust Ballroom (Bloss and Backus Street) starting with a Friday night dance (8-11). Saturday's program will feature contra, English, and musician's workshops (10-noon), and afternoon dancing (1-4). Bring a dish to pass (and place setting) for the pot luck supper. The evening dance will start at 8 and go to 11:30. If you want more information phone Richard Sauvain (442-4681). At this time, I am not sure of the cost per session, or the total workshop program.

December 3rd we expect Tony Saletan (Boston area) to make his local debut.

Boots 'N Slippers

We have settled into a season of fun, laughter, and dancing. We would like to welcome the new and returning members of our club, particularly Jim and Sally Hushard, Bob and Betty Riggs, and Vern and Ruth Wells. We would also like to extend our congratulations and best wishes to Russel and Donna Thiel who were married during summer break.

Our twelve class-couples are flourishing under the guidance of Bob and Jeanette Meagher. Keep up the good work.

Our Apple Festival Dance was a rosy-red occasion, with lots of good dancing and good things to eat.

We would also like to thank those brave and creative souls who dressed in costume for our Halloween dance, making it a particularly festive evening.

Mike Callahan will be calling a refresher workshop again this year. It will be held at 7:30 on the nights he calls. If you are having a little trouble remembering an old call or learning a new one, Mike would be glad to help.

We look forward to seeing you on Friday evening and would like to wish you all a Happy Thanksgiving.

Circul-8-tors

Sixteen couples, composed of Circul-8-tors and friends, left on Saturday September 26 for a delightful week-long fun-filled bus trip to Quebec City, whale watching in the St. Lawrence River, a stay at a lodge in the Laurentian Mountains, and a final dinner and square dance in Toronto. A great time was had by all.

On Sunday November 22 at 2 pm at the Green Lantern Inn in Fairport we will hold our annual Open House Dance. All guests will be admitted free. Chip Kellogg will be calling squares and Bob Slomcenski will be cuing rounds. At this dance we will announce our "long trip" for 1988. See you there with lots of guests and prospective members!

A big Thank You from Cloverleaf Squares to Mike Herne and Jerry and Betty Carmen for their calling and cuing at the ESSARDF after-parties!

Fall Showcase '87 is set for Saturday, November 7 at Cardinal Mooney High School Gym, at 7:30. Cloverleafs will welcome Norm Wilcox from Ontario, Canada. Please join us.

Lima Grand Squares, Copy Cats, and Irondequoit Squares will be dancing with us on Guest Night, November 15. November 22 will find the class and club feasting at the annual pot luck dinner followed by a fashion show and dance. Watch the flyer table for sign-up sheets and other information.

Country Twirlers

Well, another Fall Ball with Jack and Joan Barnes and Jim and Gert McQuade has come and gone, and as usual a fun time was had by all. The food was great, and plenty of it. There was plenty of dancing, both round and squares. And the skits, oh, the skits! Some people plan all year for their skits, others are done at almost a moment's notice, but no matter how they are worked out, everyone puts everything into them and they sure bring out the laughs.

The first Empire State Round and Square Dance Festival is also history. The festival likewise had a good turnout. I understand that the plans are to make it an annual event, with Buffalo hosting next year's festival.

Country Twirlers started their workshop program of popular Plus calls on October 17th with a very good response. This program is directed toward dancers who have been away from square dancing for a while and who would like to brush up on their skills.

Again a reminder about the Tim Crawford dance scheduled for November 14th. If you haven't danced to this young man's calling, you don't know what you have been missing.

For information on the "Plus Program", or any event related to Country Twirlers, please call 663-3488.

See you all on the dance floor!

Diamond Squares

There's a nip in the air for November. Diamonds start off the month with their own Garage Sale. So get all those things you don't use or want laying around for the winter. Price and tag all items for a quick sale. All proceeds go to our Sunshine fund. Also on the same night we will hold our "New To You" sale. If you have square dance apparel you have gotten tired of, now is a good time to sell or exchange it. Price and tag all items for sale. If you have some free time come and join in the fun. Sale is on November 4th at our regular dance. It was so good to see Lou Schneider and Ruth Schu back dancing.

Many many thanks to the Sanfords and all the committee of the New York Festival for a job well done. We will be dancing on November 25th, Thanksgiving Eve.

We wish to take this opportunity to wish everyone a very Happy Thanksgiving.

EKC-O Squares

For a couple of years, EKC-O Squares has gathered canned goods for a food shelter. We will again sponsor this project, and will begin our collection with our Thanksgiving dance on November 24th. All members are asked to bring canned or non-perishable goods to dances thru December 15th. At that time the collected items will be taken to the food shelter. Non-members wishing to help in this project may do so by bringing goods when visiting to dance with us.

Our first dance in November will be on the 3rd with Jerry Carmen calling and cuing rounds will be Jody (life-saver) Mattice. November 10th, Jerry will call and our long time friend, Betty Wolcott, will cue. Betty and Burt are always a joy to have back "home". November 17th will bring Bob Ellis to our stage for squares and rounds - where can you have more fun than with Bob?

For our Thanksgiving dance on November 24th we will have our own Jerry Carmen calling and Mike and Linda Liberti cuing rounds in their high class fashion. This dance will be a good chance to "shake down" before partaking of all the bountiful food two days later at your own Thanksgiving feast.

EKC-O Squares may have become small in numbers, but not in our desire to have dancers from other clubs visit and dance with us. We invite each of you to come dance with us on any Tuesday night - we'll do our best to help you have fun. Rounds start at 7:30 and squares at 8:00. Because we are sponsored by Kodak, and because we use a facility the company occasionally has need to use, we are sometimes asked to relinquish the gym. This happened twice in September. To anyone who tried to dance with us on September 15th, when Bob Ellis called, we apologize if you did not get the word that we were dancing at a different place. If anyone ever has a question, or if you just want to check to be sure we're dancing, please feel free to call the number listed below for clarification. We have excellent facilities for dancing, visit us any time, or all the time!

Happy Thanksgiving to all of you; pause to give thanks for all we have, including square dance friends: the best.

Genesee Dancers

We lucked out with a glorious day for our "Get Acquainted" fall Genesee Dancers picnic at Fellows Road Park. Approximately fifty attended and enjoyed the beautiful weather and delicious food. Numerous games were planned by Nelson and Camille Havens, and a good time was had by all.

In November we have three dances, on the 5th, 12th, and 19th. There will be no dance on the 26th. The "Turkey Trot" will be on the 19th of November.

December 10th is our Holiday Dinner Dance, always a festive affair. Watch for the club newsletter for details.

Our new beginners class of 15 couples is working hard on Wednesdays at the DeLand Center under the able instructions of Ron Cole and will be joining with us at our Christmas Holiday Dinner Dance to get acquainted with Genesee Dancers members.

God bless you all and have a Happy Thanksgiving!

the CCR and local leadership conferences. Chip believes that a large percentage of new dancers are lost as a result of poor teaching and pushing them into higher programs of dancing too quickly. This conviction comes not only through talking with callers across the U. S., but also by talking with recent or soon-to-be graduates at class dances. Many times he has heard these individuals express anxiety at having to move into the plus program immediately upon graduating, or even before. Not only do we lose new dancers as a result, but it is definitely contrary to Callerlab guidelines.

After talking with other callers at Callerlab and caller's college, Chip and Sue feel we are very fortunate in the Rochester area to have such a fine selection of dancing; both through a variety of callers as well as dance programs.

Glass Slippers

Our class has started with several gung-ho couples, and our angels are standing by "in the wings" to dance where they are needed.

The Glass Slippers are looking forward to our special dance on Saturday, November 21 at Tuttle North in Brockport. Plans are going forward at a good pace.

Everyone dancing Mainstream and/or Plus should have a lively Saturday night at this Saturday Night Live dance. Bill Ryan is planning to call his peppiest music. George Burch will be there to cue rounds in his own nice style.

We do hope to see many of our friends from the clubs we have danced with this past year - to renew our friendships and to enjoy an evening of good dancing.

Don't forget to be an angel.

Fyle Elementary School in Volmer Parkway, our new dancing location, is ideal! It is easy to reach, has a great floor, and good acoustics.

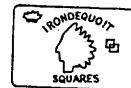

Our large class meets every Tuesday at Roth Junior High School under Gary Bubel's excellent direction. Many of us are his graduated pupils and can attest to his super teaching ability. However, angels are needed every Tuesday. Please feel free to donate your time so that these students will become club members next year. Please sign up at the next dance or just drop in.

Please check the **Promenader** every month because our schedule varies due to school vacations. We only dance while school is open, which has caused some changes.

Irondequoit Squares

There is an old axiom I recall, "The more the merrier", and that seems to be proving itself at Irondequoit Squares. More and more we are being honored with visitors who are truly enjoying the dynamic energy generated by Jon McNally and Brian Adams, the friendliness of our members, and all those goodies between tips. Speaking of members, we would like to welcome Ted and Aggie Taylor and Dennis Mann and Shirley Copland. Our first new members this year but not the last I'm sure! Our visitors list seems to be rapidly increasing and we wish to say how much we enjoy dancing with all of you super people and we appreciate, very much, your support. You really are a delight to our hearts and dancing pleasure.

Our dance on November 7 with Andy Glowach, the Swiss yodeling caller from Pennsylvania, will be in a different location. It will be at the Covenant Church, at 1124 Culver Road. If you like Plus dancing and/or yodeling you are going to love Andy! I can't say enough about this caller! He is exciting, to say the least. I promise you an evening you'll never forget.

On November 21st, we'll be back to our old stand on Scholfield Road with Jon, Brian and more great Plus dancing and rounds. Rounds from square dance level to easy intermediate. We look forward to dancing with all our old friends and making many new ones this season, so come along and don't be bashful. You're as welcome as the flowers in May

Jerry's Funshop

We are rightfully proud of our Joan and Jerry Sanford for their leadership and long, tedious efforts to make the first Empire State Square and Round Dance Festival a huge success. Congratulations, Joan and Jerry, on a great job!

Coming right up is the Advance-A-Rama dance at the Green Lantern Inn on Sunday, November 1. We expect our club to be well represented there.

Our first club dance in November is on Sunday, the 15th, and this will be the beginning of a new A-2 workshop from 6:30 to 8:00. Regular A-2 dancing will be from 8:00 to 9:30. We dance at the Lutheran Church of Concord, 485 Holmes Road, Greece. Any dancers desirous of learning A-2 in a very thorough but fun-like manner would do well by attending Jerry's Workshop.

Lima Grand Squares

Praise be for a bountiful harvest of new class members! Nearly three squares of neophyte dancers are learning to step to the beat on Friday nights with Gary Bubel. It's great, too, to see all the 'old' regulars do-si-doing. Good particularly to see Alice and Jim Wilson back dancing.

Our club is planning a travel dance for the night of November 28. If we have twenty-three couples interested, we will charter a bus and travel to Niagara Falls, Ontario to dance with the Rainbow Squares Club at their Winter Festival of Lights dance. We plan to leave around noon that day. There will be a fireworks display at 5:30pm and lights on the Falls from 7:00 to 11:00. If you're interested in going with the Grand Squares to dance with our friendly neighbors on the north, please call the number listed at the end of the article. Reservations and money should be in by November 6th.

So don't eat too much turkey, and happy dancing to you all.

Promenading B's

This November weather is a bit on the chilly side for Miss May Bee but the warm, friendly atmosphere at our Friday night dances keep her warm and cozy. Why not stop in some Friday night to meet Miss May and join us in a square.

Friday, November 6th, is our Jack Frost Dance. Who knows, the old guy may even show up! Class begins at 7:00 and club dancing begins at 8:30. If you haven't joined us to square dance with Bob Schlenker and round dance with Betty Wolcott, you've missed a lot of good dancing.

On Friday, November 13th, John Haley will be calling for the class and for the club dance. We'll have a double class on that night from 7:00 to 9:00. Our club dance will follow; however, come at the regular time and brush up on your basics.

Make sure you put Friday, November 20th, on your calendar. That's our Annual Turkey Dance where you might go home with a turkey, a pie, cake, cookies, nut bread, or a great craft item made by one of our dancers. Come and join us in a square for a really good time!

Our next dance is Friday, December 4th. It's Blue Night, so be sure to come in your favorite blue outfit.

A happy and blessed Thanksgiving to you all!

DID YOU KNOW - "Coordinate" can be done from half-shashayed position?

Swingin' Eights

The Swingin' Eights will dance to the calls of Bob Meagher and cues of Roy Keppen for our Saturday Night on November 11.

Then, gobble - gobble, November 21 brings our Turkey Shoot. Some lucky dancers will go home at the end of the evening with the major portion of their Thanksgiving dinner in their arms. Come, join us. Maybe you are the lucky one!

Barbara Rosik and Helen Jones have completed new Swingin' Eights banners to launch our career in the crime of banner stealing. The banners look lovely. Many thanks to our "crafty" pair.

Gerry Dittman was astonished to learn from the October Promenader that she was recovering from ulcer surgery. Her husband Don was overheard to remark, Gerry never tells me anything! The real problem, though, was the reporter, who regrets the error. The sentence in question should have read, "Gerry Dittman is recovering from oral surgery." She has by now happily recovered.

Tickets for our annual Christmas dance will be going on sale during November. Plan to join us for the evening of December 12 to kick off the holiday season with a delicious dinner followed by an evening of dancing.

Well, its almost turkey time;-- where did the year go?

Last year we held a mystery ride which was well received. On November 20th, we will have another. This mystery ride is open to any square dancer who would like to join with us for the evening. Mike and Bea Carnahan have planned a well rounded evening to?? The fee will be \$20.00 per couple which includes supper, bus ride, and dance fee. Please see ad in this issue of the *Promenader* for more details.

There are two Fridays this month that we will not be dancing; November 20th (Mystery Ride) and Thanksgiving weekend November 27th.

On December 31st, we will hold our 2nd Annual New Years Eve Dance. Final details are being worked out. It will start with a meal, at midnight there will be snacks, noisemakers, etc. Mike Harris will be calling the squares and George Burch will cue rounds. We will send flyers out to all classes when all plans are set.

Do stop in and dance with us some Friday night. Bruce Shaw calls the squares and George Burch cues the rounds. George is also holding a rounds workshop from 7:30 to 8:00 each week.

Triggers

It was delightful to see such a good turn out for our Open Houses. It looks like we will have another good class this year. The Pasta Night was another great success. As usual we had an abundance of delicious food.

We all wonder how this group of dancers comes up year after year with such creative Halloween costumes. This year was no exception. Everyone had a great time, it's such fun to try and guess who everyone is.

We all have missed Mary Speer, who is out with a broken ankle. We hope it won't be too long before she is back dancing. Two of our dancing couples are grandparents again. Congratulations to the Sabernicks and the Appletons.

Mike Herne has been doing a super job getting all the summer sand out of our feet, and teaching us all the new calls, plus refreshing us on some of the old ones. It works well having the second tip a learning tip. Thanks Mike. Mike and Nancy have plans in the works for a round dance class on Wednesday nights. More on this as plans are finalized.

Guests are always welcome to dance with us on Tuesday night. Why not plan to dance with us on November 24th, our Thanksgiving Dance and Pie Night. Pies will be auctioned off for charity.

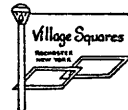

Our officers are working on plans for our 25th Anniversary in the spring of 1988. Keep watching our club news for more about this event.

HAPPY

Village Squares

If success is spelled in numbers, then it's success we're experiencing. The turnout for our first two months of dancing is evidence of the fun we're experiencing with our new dance format: Plus workshop followed by a full hour of Plus dancing with our new caller Jon McNally. With November being Club Visitation month, we want to give each of you a special invitation to come see what we're all about. Chap Blake is arranging visitations for Village Squares members this year, so you can expect we'll be out in force reciprocating.

The last few months, as well as being a good time for most of us, have been wrought with braces, crutches, and hospitalization for some of our members. Our concern and best wishes go out to Jeanne Borden, Tom and Marge Reynolds, Ken Tucker, and Alice Wilson, who are all on the road to recovery now but still need us to do a twirl or two for them.

Because of the holidays, our dance schedule for November and December is somewhat limited. It's early to think about Christmas, but because of the unavailability of the hall our annual Christmas dance will be held December 8 instead of December 15, in the Green Lantern Inn, and club members should make note of that change.

Swinging Singles

On Friday, November 13, we will be holding what we hope will be our first annual East Meets West Harvest Hoedown. (See our ad in this issue.) This event will feature traditional square dances, contras, and Western square dancing, with music provided by the Jim Kimball String Band. We hope to have a tip of Plus Western square dancing at the end of the evening. Since all of the Eastern and Contra dances will be taught that evening, class members are welcome. We are also offering free dangles to the first 50 dancers through the door. If you've never danced to live music before, this is your chance!

Our caller will be Jerry Carmen. Although he is well known for his Western square dance choreography, many people are not aware of Jerry's interest in traditional dancing as well. Come on out on the 13th and experience the best of both worlds!

On Monday, November 23, we will be having our annual Thanksgiving Pot-Luck turkey dinner. An added attraction this year will be a fashion show featuring the latest in square dance apparel. Bring a dish to pass and be there early so we can begin eating at 7:00. If you are one of the many who have complimented us on our snack table, "you ain't seen nothin'" until you've eaten one of our turkey dinners!

Stay tuned. We've got more special events planned for the Holiday Season!

TIPS for TIPS

- DO visit around and dance with a lot of square dancers outside your own club, even outside your own cozy clique in one corner of your club. You meet many nice people that way, and in adjusting to the particular way they do things, you will improve your own dancing skills and your enjoyment. DO NOT dance in pre-arranged squares more than once or twice in an evening.
- DO make a point of getting into sets with less-experienced dancers, because you remember how much you wanted and needed the help when you were dancing in their shoes.

Web Spinners

The "Blacktop Dance" at Ginny and Dick Bizub's home was a well attended fun occasion. Good weather, tasty hot dogs, enthusiastic calling and cuing made a successful enjoyable dance party.

We are happy to have Ollie and Dick Mawson rejoin us. Welcome back!

Our Open House Dance enticed eight couples to come and experience Western Square Dancing at the novice level. Everyone appeared to have a good time. The dance had been advertised for one week on radio and TV (Channel 12) at Webster and Fairport, and flyers had been distributed.

An Open Halloween Dance will be held at Webster Firemens Exempt Hall on Sanford Street at 8:00, October 16. Costumes are optional, however, the more costumes worn the more colorful the party will be. Fran and Nick Haldoupis will keep the Halloween dancers and goblins on the move, as chairpersons of the dance.

On November 13, Mike Harris will be our guest caller with the Libertis doing the round dance cuing. This promises to be an entertaining dance.

The Twentieth Anniversary of the Web-Spinners will be celebrated at the November 20 dance. Come and join in the festivities.

TIPS for TIPS

- DO "check in" when you start a Right and Left Grand. That is, take a good look at this lady/gent and know that you're going to get back to the same person at the end of the movement. Of course you do the same thing for all the variations of Right and Left Grand: Weave the Ring, Grand Sashay, Daisy Chain, and Weave the Daisy are the most familiar.
- DO "check in" the same way when you start a Spin the Top. Your neighbor at the beginning of the movement is also going to be your neighbor at the finish, even though the whole set is arranged quite differently from when you started. Do it for Relay the Deucey, too.
