**EDITOR'S EDITORIAL**

Editorial is defined as a newspaper or magazine article that gives the opinions of its editors or publishers. The following is the opinion of the Promenader's editor.

The Special Events Calendar has been working so well, - up to now! The number of listings indicate that it is of value. Conflicts have been resolved, and people are using it.

Clubs have been very considerate by trying to avoid listing two events on the same date. Two events on the same date can lessen attendance at both events. Listing two events on the same date discourages use of the calendar; what's the point if other clubs schedule over your event? Listing two events on the same date puts us right back to where we were before the calendar.

Listing two events on the same date shows no consideration for the sponsor of the event already listed. To insist on a date that is already scheduled seems to say, "I don't care about you and your event, mine is more important." Up to now, - clubs have gone out of their way to avoid this. Some have rescheduled events, which has involved rescheduling the caller, hall and a lot of extra work. Some, being unable to reschedule, simply went ahead with their event, but were gracious enough not to insist on being listed in the Special Events Calendar. Some resolved the conflict by talking to the other club. Seems all have been governed by a sense of cooperation and consideration - up to now. Insisting on a double listing only diminishes this spirit of cooperation and consideration.

## ARE WE TOO AFFORDABLE?

This month's editorial was prompted by a visit Carole and I made recently to a very nice (and expensive) restaurant to celebrate Carole's birthday.

I knew it was not "the average" restaurant, when as we pulled into the driveway, two valets rushed out to open doors for us and then parked the car. It was disappointing, however, as we walked in to find no cloak room, but in fact only hooks in the walls on both sides of the foyer, which meant that our coats would be completely unsecured.

The building itself was new and nice but not anything extra special. The entrees were high in price and all a-la-carte. Salads were \$4.00 extra with no choice of dressing. The waitress brought you one roll at a time and only if you asked for one. The potato with a fancy name turned out to be pan fries (about five slices). I would have preferred baked but they were not available. The fancy-named sauce for my filet mignon turned out to be brown gravy and dessert was another \$4.00 each. When the \$80.00 bill came (Tip Included) I have to admit that the word "Ripoff" did come to mind.

As we sat there sipping our tea and coffee, I posed a question to Carole, "What makes this restaurant worth this kind of money?" we both agreed that the owner established what his place was worth when he had the menus printed. He told the public he is running an expensive restaurant and they are flocking to his place and paying the price, to the point where we overheard the hostess tell people over the phone that they were completely booked for the following night.

We do the same thing in Square Dancing. We establish what our recreational activity is worth by our fee for admission at a dance. Unfortunately, by today's standards, we are telling the whole world that SQUARE dancing is not worth very much when we offer an evening's entertainment for \$2.50 or \$3.00 per person. What else can you do for that amount of money? Stop at McDonalds? Maybe. Go to a movie? No! Go to a comedy club? No! Have one drink at a lounge? Hardly!

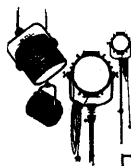

What other kind of dance lessons can you take for the price we charge to learn Square Dancing? None!

For twenty-two years now, I have watched clubs reluctantly and slowly increase their admissions fee from \$1.25 to \$2.50 per person, while inflation was running rampant all around us. Meanwhile our dancers have accepted that fact that cars now cost \$15,000, trailers \$10,000, motor homes \$30,000, going out to dinner costs \$20 to \$25 per person, etc., etc.

Why do we insist on telling people how little Square Dancing is worth while clubs are not taking in enough money to meet expenses?

Maybe it's time to take a different look at the way we market our Product? Should we be trying so hard to make Square Dancing "affordable" that nobody is interested? Do people really want something that is "affordable" or do they want to reach a little? They certainly don't buy "affordable" homes, cars, vacations, etc., etc.

If we want this activity of ours to live forever, we must keep it solvent and also attractive. I see very little in this world that is both cheap and attractive. Let us know your thoughts on this.

## SPOTLIGHT ON

### COUNTRY DANCERS OF ROCHESTER

Some newer dancers probably wonder about the club called Country Dancers of Rochester. Just what is a contra club? How did it get to be part of Federation, a western square and round dance organization?

Contras are a recreational form of dance, requiring little learning, much sociability and great music. The dances are round dances (predetermined patterns are set to a phrase of music and each dance may be called or the patterns may be memorized). Contra dances are like squares, in that the 18 or so basic figures are those used in square dancing. Contra dances are different in that you dance with many other couples in each dance. Usually the formation is "longways" (like the Virginia Reel), but can also be in a circle of partners. Other formations are used as a change of pace. The common factor is that partners stay together and progress to another couple to repeat the sequence.

In 1975, Mitzi Collins (a Rochester folk singer and recording artist) and her husband, Tom Bohrer, thought a dance group could be started doing the old Playford English dances and some older contras on a once a month basis. Ed and I joined that group, meeting at the Genesee Co-op. Music for the dances was provided by the Blackthorn Ceildidh Band while Mitzi played for the English country dances. Soon some transplanted New Englanders joined the group. They wanted Tom to add New England styling to his program and start meeting weekly.

This gave birth to Country Dancers. We met every Wednesday at St. Thomas Episcopal Church. The first meeting, June 23, 1976, featured Tod Whittemore calling with the Blackthorn Ceildidh Band. No experience was necessary, dress was casual and admission was \$1.50.

We were very informal. Often callers and bands were hired at the last moment. A loose policy evolved around the concept that this group would be open to everyone. Membership was not necessary - but did save dancers \$ .50 a dance and provided a newsletter mailed to their home.

As new leadership assumed control, it became apparent that dancers preferred live music and we have had live bands since.

Read our club news column to find out more about us. Most of our club members are under 40 and our favorite dances have lots of swinging. It's not how old you are that counts - but having lots of energy is necessary. We have no lessons, but each dance is "walked through" before being danced to the music. The orientation within the set tends to confuse square dancers in the beginning, but since the pattern is repeated for each dance it is soon learned. It is often said of contras that "the caller tells you what to do and the music tells you when to do it. Do join us.

**POLICY ON LEVELS**  
-by MaryIn Dailey

The concept of Square Dance Levels has, years ago, changed to Square Dance Programs. (You knew that, but it got your attention.) Callerlab, a well known, long established, association of hard working individuals has strived long and hard to organize and define square dance calls into various programs. Remember the confusion before Callerlab's work in this area? Whenever you attended a dance other than your own, you had no idea what calls would be used. Callerlab's work in this area has benefited us all. (You may not agree with Callerlab, but you must cooperate with them to change them.)

These well defined and established programs - **not levels** - help us communicate. Use of defined vocabulary enables and facilitates understanding. When terms such as "club level" (undefined), "Mainstream Plus" (undefined), or "Plus 2" (undefined), are used, very little information is conveyed (other than exhibiting lack of square dance knowledge). Speak of the Mainstream Program, Plus Program, Advanced 1 or A2 Program. These terms convey information because they are defined.

Writers of square dance literature and callers, by the nature of their occupation, are put in the position of leadership as are the dear individuals that assume club offices. Strive to use these terms correctly. The square dance world learns from you.

The **Promenader's** purpose is communication. A P following dance information in the schedule implies the Plus Program (which includes the Mainstream Program) will be used. When M is used, it is assumed the Mainstream Program will be used. When both P and M are used (a bit confusing), it is assumed both the Mainstream and Plus Program will be used. (Accomplished by using 2 halls and 2 callers or dividing the evening timewise into a Mainstream portion and a Plus portion.)

Let's make an extra effort to use the correct terminology in our reports, articles, and ads. We'll be able to communicate more effectively, appear better educated, and help instruct others.

## Caller Profile

**MIKE HERNE**

Mike Herne's earliest attempts at calling came while he was still in class at Village Squares. Some of the couples were getting together on a second night to dance to tapes of Dick Casper and Mike helped them work the call until they could do it. Dick suggested that Mike do a singing call on Amateur Night and the calling bug 'bit' Mike. The other callers who supported and helped Mike include Mike Callahan, Jerry Carmen, Bruce Shaw, Ron Fotch, and Bill Wilcox. His most memorable learning experiences were what Mike calls brain-splattering sessions, with Mike Harris creating some interesting choreography.

During the last five years Mike has been the regular caller and instructor for the Triggers square dance club in Greece, and the Victor Swing-A-Longs in Victor. He also finds time to teach round dancing, guest-call for several Central and Northern New York clubs, and fill in at several area clubs when needed. He is past chairman of Dance-O-Rama and a member of the Callers' Cooperative of Rochester.

Mike says the most rewarding thing about calling and teaching is the smile that comes to new dancer's faces when they finally understand a call that has been troubling them. He says a dance is successful when dancers stay late and leave humming or whistling the last singing call.

Mike and Nancy Ostrander were married on Valentine's Day, 1987. they met on a "Yellowrock" and the rest is history. Mike has three daughters and a fourth child is due in April. Josette, his youngest daughter, dances and also joins her Pop doing singing calls. The whole family enjoys camping. They feel that camping and square dancing go hand in hand.

Mike has been employed by the Regional Transit Authority for the past ten years, and resides with his family on Vinal avenue in Irondequoit. His phone number is 266-0807.

## Web Spinners

Various club members have been in their extracurricular activities. A few couples participated in the "Watson Weekend" and highly recommend the venture. Chuck and Dorothy Hinxman have retired to Sun City, Florida. No doubt to have fun in the sun. Earnie Hargreaves and Nell Buechel announced their wedding engagement. The Web Spinners extend their congratulations and best wishes to them. Hoan Magin, unhappily, broke her foot by dropping a skill-saw on it. The club sends her their sympathy and hopes for a quick recovery. Well at least most of the membership news was on a happy tone. If you have club news you want to share, call us.

The St. Patrick's Day Dinner-Dance was a successful, enjoyable party. It was supervised by the Tanghe's. Much good green food was served.

On April 8th, our guest dance clubs are the Happy Hoofers, Kuntry Kuzzins, Lima Grand Squares, and the Morton Country Swingers. Let's all join them - the more the merrier!

April 9th is the date for the Cure Dance. This is a Saturday night dance held for the benefit of the Childhood Cancer Association. See the March Promenader for details.

Our dance hall location for April 15th is in doubt. Club members will be informed about the dance hall, by the club president at the April 8th dance. After April 8th call 671-4112 for the information.

If you would like to see the square dance become the American Folk Dance, then write to you congressmen and recommend that they co-sponsor HR 2067. Pick up a United Square Dancers of America pamphlet at your club dance.

## Wayne Westerners

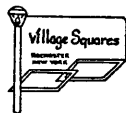

March was a busy, fun-filled month for the Wayne Westerners. Though we managed not to miss a single club dance due to weather this winter, it sure seems nice to see Spring finally on its way! Along with the returning birds and blossoms, we're anxiously awaiting the return of our warm weather-loving Florida "escapees".

The plans are made: our annual Apple Blossom Dance will be held on May 20th at the Williamson High School! Chip Kellogg will be calling squares and Dottie Reed cuing rounds for this gala event. Watch for more information in an upcoming Promenader advertisement!

Our class couples continue to progress with their dancing skills - we're all quite impressed with how quickly they learn! They'll soon be graduating, ready to join the club and head out to dance with other clubs as well. The class also meets Thursday nights which gives them an opportunity to dance with our more experienced club dancers for awhile each week. We hope you'll join us some time to share you experience with these enthusiastic new dancers!

## Village Squares

Village Squares extends deepest sympathies to Carl Bundschuch on the loss of his wife, Ida, who recently passed away. Carl and Ida were charter members of the Village Squares and have spent more than ten years promoting the club and square dancing in the Rochester area. We'll all miss Ida and her warm gentle smiles.

Money! Money! Money! Whether you're coming into some soon or leaving empty wallets flapping now that the IRS is getting its due, its time to put the tax forms away for another year. We're celebrating on April 16 now that our pencils are nubs, and their erasers are gone. Its an After Tax Dance from 8:00 to 11:00 in the church hall with Dick Casper as our guest caller and Bill Saintey our cuer. Bring a can of stew. We'll mix it with others to create "hobo" stew, and serve it mid-dance to boost your spirits. Bowls and utensils will be provided.

Our "vines" get a little tangled and our "double hitches" come unhitched now and then, but several couples are systematically learning our left feet from our right, thanks to Bill Saintey. Round dance class members are beginning to have quite a level of comfort "shifting our weight" appropriately. Won't you join us between tips April 16th, 19th, and 26th?

## Triggers

Our annual Bunny Hop last month was a huge success. It was a pleasure to have so many of our square dance friends attend. As usual the committee did a great job. It was a most enjoyable evening. We also had a special time at our St. Patricks dance on the 15th. I think everyone had on a piece of green.

The special dance for April is our Mystery Ride. We will not be dancing at Parkland School that night, April 19th; our destination is a mystery. We will be leaving the parking lot at 7:30 sharp for a secret location that night.

Plans are well under way for our class graduation next month on May 3. Our 25th Anniversary Dance is on the 17th of May. Mike Herne has been doing his usual great job with the class. They will be a welcome addition to the family of square dancers.

The Anniversary Dance will be a special dinner dance, with many former Triggers there to help us celebrate our Silver Anniversary. It is going to be a very special night.

Here's another reminder that Triggers will be holding summer dances this year at the Ira Jacobson Post, 90 St. Johns Park (off Lake Avenue at River Street). These dances will start May 24th at 8:30. It's a wonderful way to keep up with the new calls and get together with your square-dance friends over the summer. New class members are encouraged to attend. The hall is air-conditioned and the fee will be just \$5.00 per couple.

Here in Victor, our class is doing well and will soon be graduating. We know there are lots of other people like this in the area. We are going to celebrate with them all at our Annual "Graduates Ball". It will be held on May 21 in the Victor Jr. High School. Mike Herne will be calling. We hope to see 'lots and lots' of new dancers at this special. Also 'lots and lots' of seasoned dancers to congratulate and encourage them. A good time is guaranteed to all

## Tecumseh Squares

If the April showers spoil your Friday nights, why not join us inside at Tecumseh Squares? We have much more room now that our hall has been enlarged.

With Easter in mind, on April 22 we will have the Wabbit Hop. This is a club and class dance. See the advertisement of this dance is in this issue of the Promenader.

In keeping with this month's theme "Why I Enjoy Square Dancing", our club would like to answer in the following way: Square dancing is an evening of enjoyment, a time to gather with friends to learn and review calls, but mostly a night to relax and have fun.

Please join us some Friday night. George Burch, our cuer, has a rounds workshop at 7:30. Our caller, Bruce Shaw, workshops Plus and Quarterly Experimental calls from 8:00 to 8:30. We dance from 8:30 to 10:30 with rounds between square tips.

Our hall is located behind the Red Men's Party House at 1001 Lexington Avenue. Go to the rear, where plenty of parking is available in a well-lighted lot. Enter through the glass-enclosed entrance to an evening of fun and enjoyment.

## Swingin' Eights

April brings showers to the weather, and three Saturday dances to the Swingin' Eights. On April 9 our guest caller Al Overbaugh will share his talents with us.

April 16 is our ice-cream social. Sundaes, with all the toppings, will be served. Forget the calories, and come join us for a fun and delicious evening.

On April 30, Bruce Shaw and the Libertis will close the month with a fun-filled evening. Bruce tries his darndest to improve our dancing with a half-hour workshop, beginning at 8:00. Want to learn a new call and improve those rough edges? Then don't miss this dance!

Put Swingin' Eights on your calendar for May 14 right now, before you forget. That's the date of our Pizza Party. Una Shaw is in charge of the evening, so you know everything will be grand. And, yes, there will be dancing to the calls and cues of Bruce Shaw and Mike and Linda Liberti.

We're delighted to hear that Mike Liberti is recovering from his hip surgery. This reporter called Mike right before sending off our report. Mike had already ventured out of the house, and was doing daily exercises to increase the strength in his leg muscles. The Swingin' Eights will probably be listening to Mike's cues again, by the time you receive this issue of the Promenader.

## Silver Squares

We will be starting the month of April with Mike Harris calling on the 4th and 11th. Everyone come! Mike will be doing his stuff and throw in a few wise cracks to entertain us.

Mabel Wordingham recently enjoyed a few days on a Caribbean Cruise. She tells us that she had a great time in spite of some stormy weather on the sea and in the air.

Dorothy Bircher, one of our faithful members, now has a square dance group of her own. They dance at Summerville Presbyterian Church on Thursdays from 1:00 to 3:00. Mike Callahan is the caller. Many of our members have joined her for an afternoon of fun. Dorothy is also active at the Monday morning beginners' club at the Greece Senior Citizen Center on Alcott Road.

Congratulations to Gloria Santacesaria for her beautiful "Love on Valentine's Day" message. Her article appeared in "Growing" which is a weekly publication in the morning edition of the Democrat and Chronicle. We should keep her in mind as a future reporter for Silver Squares.

On February 16th, we put on a demonstration for a Senior Group at Greece Baptist Church. From the applause, we got the impression that they were enjoying the dancing. We were treated to a delicious luncheon from a table laden with all kinds of good food. A special table was set up with mouth watering no-no desserts. I wouldn't mind spending a few more afternoons like that.

I'll talk to you again next month.

## Swinging Singles

Dust off that old rubber chicken in the closet! Get out your Joy Buzzers and Whoopie cushions! April 4th will be our "anything goes" night. Wear your craziest clothes, play practical jokes, and put on a skit if you desire (we already have at least one scheduled).

On April 11, we will have a fashion show for all class and club members sponsored by Sally's Square Line. Come on out and see the new spring fashions.

April 18 brings us to our first annual "All Singing Calls Night", featuring the golden voices of Jerry Carmen and our "caller-in-training" Greg Marling at the microphone. Between the two of them, they have quite a collection of singing calls and they'll be taking requests so come on out and dance to your favorites.

May 2 will be amateur callers' and cuers' night. In past years, our club has brought forth a number of today's square dance and round dance leaders, so come on over and check out the new talent. You might be dancing to him or her someday!

## Happy Hoofers

Well, winter is almost gone. It really hasn't been that bad around here this year. We look forward to all our Florida friends returning to join us again this month. We hope they had an enjoyable time. We missed them.

So glad to have the Sidlers back dancing with us; we have missed them.

Going back to our Valentine Dance, our Sweetheart couple were Bill and Barb Hossler. Thanks to our other guests for a fun dance.

We hope you are planning your summer dance schedule now, and are going to include the Happy Hoofers Square Dance Weekend in your plans, July 8, 9, and 10. It will be at Holiday Hills in Springwater, New York. Send reservations to Floyd and Shirley Kuhn at 268 West Lake Road, Honeoye, New York 14471. A good time is promised for all.

## 30th Annual

# DANCE-O-RAMA

### Squares By:

**Joe & Anne Uebelacker**  
Ontario

Both Joe and Anne Uebelacker are well-liked and established callers. Joe has been a favorite caller in this area for some time. The last time he was at Dance-O-Rama was in 1986. Shortly after that visit, a third partner, Todd Uebelacker, was added to the team.

When Anne is at the microphone, her versatile abilities become quietly apparent to a very attentive floor. There's something about her that draws the floor's attention even before the music starts. Her extensive talent becomes apparent shortly after you begin to dance to her calling. The tip isn't over before you realize, here's a caller!

This team lives near Peterborough, Ontario.

## Promenading B's

Miss May Bee has her dancing shoes all packed for the Promenading B's traveling night on April 8th. If your club dances on Friday night, be ready 'cause she may buzz into a square at your dance.

On April 15th (Miss May Bee has already sent in her taxes, have you?) the Bee's return to the hive for our "Dangle Doings Night". It will be a fun night of dancing starting at 8:30 at the Byron-Bergen Elementary School on West Sweden Road with Bob Schlenker calling. Bob has several fun tips planned for you to earn that dangle of your choice. Betty Wolcott will be cuing rounds between tips.

We'll be buzzing around the Byron-Bergen Elementary School on April 22. Bob Schlenker will be calling and Betty Wolcott will be cuing rounds. Nominations for officers for next year will be held. That only takes a few minutes so we'll have plenty of time for dancing.

Miss May Bee and all our members will have a very special night on April 29th. Our great class will be graduating and joining us as members of the hive. Join us as we welcome our new graduates with a "Honey of a Welcome".

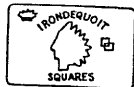

Friday, May 6th, will be our first dance in May with everyone dancing at 8:00. This is a great chance for everyone to get in step with Bob and Betty in preparation for Dance-O-Rama on Saturday, May 7th.

## Which Way Whirlers

It is just around the corner now, our Las Vegas Dance. Come on over to Pavilion Elementary School on April 16, 1988 at 7:30 and roll the dice and spin the wheel between dancing. There will be a King and Queen of Hearts selected and special recognitions. We hope to make it a fun night, so get out your dancing shoes, and come over. We would love to have you, class is more than welcome. See you on a corner!

## Irondequoit Squares

Are you ready for spring yet, folks? The other day we heard our first robin of the year. Judging by the recent weather, that robin deserves the optimist-of-the-year award.

The early birds from Irondequoit Squares were at Boots and Slippers recently, and danced away with their banner. We are inviting them back to recover it.

Our dances in April are on the 2nd, 16th, and 30th. Caller Jon McNally and cuer Brian Adams are teamed together for the first two dances. We expect an exciting evening when special guest caller Cubby Van-Loon and Brian Adams will provide fine calling and cuing on April 30th. Hope to see many of our camping friends at this special dance, and have fun, food, and fellowship.

The Irondequoit Squares are making inroads on the Grandparents scene. Three of our members are all fairly recent additions. These happy people are Bob and Vivian Bierre, Cathy and John Zwierzynski, and Pat and Ralph Menzies.

Just a reminder, we have no dance on May 7th so that all may participate in Dance-O-Rama. Let's all enjoy some great dancing and support a cause worthy of all our efforts.

## Morton Country Swingers

Hope everyone had a very pleasant Easter. Lots of candy from Easter Bunny for the wee ones, flowers for Mom, etc.

We wish to extend a note of deep sympathy to our cuer, George Burch, on the loss of his father a while back. He will sadly be missed.

Now, to the schedule of a little square dance club in Morton: We will be dancing on four Thursdays this month. They are April 7, with George on rounds at 7:00 and Les Bradt putting us through our paces. On April 14, we will have George on rounds again, but Bob Meagher will give us a run-through on squares. April 21, George will be putting us through rounds, Les on squares. April 28, George will be cuing elsewhere, but will leave rounds to the very capable hands of Bill Saintey. Squares will be done by Bob Meagher. And into May, we will dance on the 5th; George cuing with Les on Squares.

So, we hope to see you way out there in the black north for a night of fun and frolic. If the Easter Bunny can find us and Morton, we're sure you can too. We truly hope to see you around our square. Until next month, good-bye all.

## Lima Grand Squares

Many thanks to those who came out and danced the Valentine's Dance with us. A 'sweet' time was had by all.

Heads up for April Fool's Day. It's no fooling that we're going to have a bang-up dance that night with our guest caller Mike Callahan doing the honors. Most everybody in the Rochester area knows what a great caller Mike is, but if by chance you have been living on the moon and haven't yet danced to Mike's smooth and sassy style, come on down to Lima April 1.

The 22nd of April will find us auctioning off our baked goods, so if you have a sweet tooth, join us for good dancing and good food. April 29th is our graduation night when we put all the fine folks who have been leaning their steps through their paces. Visitors are welcome. And don't forget our Maypole dance coming up on May 13th. We'll have dancing around the Maypole and ice cream, a great combination to usher in the warm weather. Let's just hope it isn't snowing. As always, Gary and Alice will be there to show you just how much fun dancing with the Lima Grand Squares can be.

## Kuntry Kuzzins

Kuntry Kuzzins has a full schedule for April '88. On April 9th, Bill Barr from West Haven, Connecticut will call squares and Dottie Reed will be cuing the rounds.

On April 23, Larry Dunn will call and Dottie Reed will cue for this dance. On April 30th, our caller will be Bob Stern and Dottie Reed will cue the rounds.

Come and have a great month with Kuntry Kuzzins. We round and square at Kelley School in Newark, New York.

## Jerry's Funshop

Spring is here - but weather never seems to keep our loyal dancers away. Most of them come quite a distance to dance with Jerry's "Fun" group. To show their appreciation, several couples joined Jerry and Bob Schlenker at the Tally-Ho Restaurant (guess what call they workshopped?) in Kanona New York for a fun dance and dinner Sunday afternoon February 21st. We had a great time and plan to have another dance in the spring. Hope you can all join us.

Congratulations to Bob and Sue Schlenker on the birth of their new granddaughter. So glad Marie and Bud Heisler were able to join us again. We've missed them. Have a Happy Easter.

### Glass Slippers

Happy Easter to all our square and round dancing friends.

Since Dance-O-Rama is coming on May 7, we're inviting all class and club dancers to our dances on April 20 and 27. This will help you find your way to Brockport ahead of time. We'll give you helpful information about how to find Tuttle North. Best of all, you'll have a good time dancing with us!

To find Ginther School, drive west on Route 31 - 31A past Wegman's Plaza and the Viking Apartments. Take the next right onto Hartshorn Drive. Follow the winding road to the tennis courts. We're right next to them. There is ample parking by the school and around the circle.

So far, with our new schedule, we have enjoyed dancing to the calling of Jerry Carmen, Mike Herne, and Les Bradt, as well as our own Bob Meagher. On April 27, Gary and Alice Bubel will be our guest caller and cuer. If you were at the Presidents' Ball (and I don't think many dancers missed it!), you know what a good dancing night the Bubels will provide.

Come dance with us for an evening of good fun, good food, and good friendship - not necessarily in that order.

### Diamond Squares

We're sure glad to see April roll around. Spring can't be far behind. Happy Easter everyone. It's time to order those tickets for Dance-O-Rama if you haven't already done so. Let's all support this dance.

On April 13<sup>th</sup>, Diamond Squares will have a pizza party, so bring your favorite pop, and the club will furnish the pizza. We were real sad to hear about EKC-O Squares folding, it was a club where many of us learned or polished our dancing skills, made friends, and always had a good time. Many thanks and good luck to the members.

Don't forget Diamonds are having an A-2 class starting at 7:30 to 9:00 every Wednesday, then the club dances A-2 until 10:30. Hope to see you Wednesday night. So long until next month.

## Country Dancers of Rochester

Sorry I've missed the last few issues - we hadn't paid our dues. (Let that be a lesson to you.)

The big event of April will be the return of Wild Asparagus from New England. There will be a nice mix of contras and squares. It will be a lively evening.

If you've never danced contras and want to give them a try, Ed (my husband) will call on the 7th. Most square dancers have told me he explains the basics clearly so they can follow the calls more easily.

Dance-O-Rama is nearly here. Country Dancers will be in the ice rink this year and our caller will be Tony Parkes from Boston. Tony has called at a number of National Square Dance Conventions and will be featured at several 2-hour workshops this June. I'm very sorry he won't be scheduled in our square dance hall, as he is a marvelous choreographer. We will have a poster up listing the times he'll be calling squares. He will also be doing a workshop of vintage dances. We plan to open our hall at 2:00 and use records until 4:00. We have Jim Kimball and the Genesee String Band lined up for the live music.

## Country Twirlers

The dance season is rapidly coming to an end, folks. After April, Country Twirlers will have only one full month of dancing left in the first half of 1988.

It is also that time of year when if you look around the dance floor we will start to notice those familiar faces that have been absent all winter. The Snow Birds, like the Swallows of Capistrano, are returning to their Northern roost. It's nice to have them back with us.

Like all the preceding months of dancing, April was no exception. We had a full program of four Saturday night dances, interrupted only by the Easter holidays.

For you who are looking forward to next year's dance schedule, take a look at the Special Events Calendar in the front of the **Promenader**. You will find that the Country Twirlers have been planning well ahead. Along with Jack Barnes from Buffalo, our regular caller and cuer, we have contracted five out-of-town guest callers for the 1988-1989 season.

If you are looking for that little something extra, come on over to the Country Twirlers and join in the fun.

Hope to see you all on the dance floor.

### Genesee Dancers

We Genesee Dancers are enjoying our Thursday night dances as spring warms our hearts and warmer weather makes our feet lighter on the dance floor.

April is our traditional month for the Beginners Class Graduation. Graduation this year will take place on Thursday, April 28th. Yellow and black caps will be worn by the '87-'88 class as they receive their diplomas from Dottie and Pete Robinson, our class coordinators. Ron Cole has done a good job teaching our new friends. The new dancers are: Bev and Larry Barnes, Sylvia and Arnold Berman, Judy and Bob Branch, Hazel and Cliff Champion, Diane and Dick Dennison, Geri and Ed Fish, Barb and Bob Gates, Lydia and Elmer Hartman, Kate and Al Knapp, Linda and Jack Marshall, Nancy and David Penney, Holly and Don Prey, Doreen and Norb Reese, Celia and Tuck Taylor, and Len Phillips.

We writers hope these new dancers enjoy square dancing as much as we do. The bonds of friendship made from class and club continue from year to year. We have seen people relocate to and from this region and turn to the square dance community for social activities. How lucky we are to have a common bond everywhere we travel, meeting smiling faces and making new friends. (Former club members Daisy and Peter Nichols are busy four nights a week dancing and making new friends in the sunny state of Florida.)

Our snowbirds continue this activity when they live in warmer weather and then they return to re-establish Rochester friendships. Sincere caring always abounds.

Many dancers find a haven at summer camping weekends. This recreation combines fresh air, out of town friendships, and round and square dancing all rolled into one weekend. Other dancers spend weekends at hotel or motel accommodations, making new friends or acknowledging past acquaintances as the callers and cuers provide exercise.

Why do we like square dancing? The answer is simple: all of the above. Our new dancers have a lot of fun in their future.

Genesee Dancers' round-dance cuer for April 28th will be George Burch. Remember, that is graduation night.

Happy dancing, friends! Come and join us on the dance floor some Thursday night. We always enjoy dancing with new people.

This is a silent auction of unwanted treasures brought in by Copy Cat members. Donors, be sure to tag each item with your estimate of its value. Guests and Copy Cats will be writing bids on paper throughout the evening.

We will also be dancing on Saturday, the 23rd. Hope to see you at both dances.

## Cloverleaf Squares

Just a reminder, Cloverleaves will not be dancing on Easter Sunday, April 3.

A very special event on April 10 is our 18th Anniversary Dance. We invite especially all former Cloverleaves to join us in celebration - bring old photos and your memories to share. It should be fun dancing to our long-time caller, the popular Mike Callahan, and former presidents, now our cuers, Mike and Linda Liberti. (We hope Mike will be well enough to be with us as he recovers from surgery.)

Some of us will be traveling to Clinton (near Utica) on April 15 to attend the Central New York Annual Festival where our own Mike Callahan will be one of the featured callers.

April 17 is Guest Night, when we welcome dancers from Country Twirlers and Belles 'N' Beaus.

April 24 is a regular dance night. See you 'round a square!

## Boots 'N Slippers

We at Boots 'N Slippers headed into March like a lion, and we hope it goes out like a lamb. We found out late February that we had no place to dance for the next four weeks due to a conflict with the school we dance at. That left us with national caller Jim Lee coming, and no place to hold the dance. President, Floyd Bockus, presented the situation to the club, and with the help of several members we were able to find a suitable hall to have the dance. Thanks to Ed Lehman, who lead us to Brockport College, the dance went on and everyone had a terrific time. Thanks to everyone who helped to make the dance a success.

We held the remainder of our dances at the Hazel Jenkins School, which is quite a bit smaller than what we were used to, but we all survived.

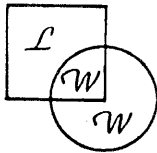

We hope that by now club member Betty Knight has recovered from her fall.

Boots 'N Slippers would like to welcome Dean and Nancy Fincher to our club. They had been dancing with us for some time and took the final plunge and became members.

Seems as though some of our club members have been away on vacation. We hope Don and Shirley Dickerson enjoyed Hawaii, and Floyd and Barbara Bockus enjoyed Florida.

That's all for this month, folks!

## EKC-O Squares

Looking ahead to our last dance on May 24, 1988, we are making plans for some final events. On Friday, May 20, 1988, members will be going out to dinner and square dancing afterwards. Any EKC-O members interested in joining the group should contact Sally McNeil, 247-5543, for information.

On April 5, our own Jerry Carmen will call for square dancing and Roy Keppen will cue rounds. Jerry calls again on April 12. Now we arrive at April 19 when Bob Ellis, snappy dresser, snappy caller/cuer, returns to call and cue. Bob somehow remains able to provide a light-hearted fun-filled evening - it's always a joy to have him back. On April 26, another EKC-O Squares all-time favorite returns - Betty and Bert Wolcott. Betty's cuing for EKC-O over the years has provided many round dancers with a chance to maintain the old, and learn the new. Jerry Carmen will call the squares on April 26.

The statement, "I enjoy square dancing" is almost always followed by, "because it's fun", or, "because I've made so many good lifetime friends through it." Also heard are statements like "Square dancers are good, down-to-earth people", or, "Where else can you go for an evening of non-smoke-filled rooms and no inebriated individuals". We invite everyone to mark May 10th on their calendar, and to make plans to join EKC-O Squares for a fun-filled evening with friends in a smokeless, alcohol-free hall at Kodak Office, 9th floor auditorium. Linda and Mike Liberti will be there to provide their cues for rounds starting at 7:30. Our out-of-town guest caller that night will be Tim Crawford, starting at 8:00.

For entrance at Kodak Office, use the front door to the right of the circle. If door is locked, push the white button on the right wall at door to be buzzed in by security. Go up steps, at first landing to the right, through doors, and left to the elevators to the 9th floor. Join us any Tuesday night until May 24, 1988.

## Belles 'N Beaus

Spring has finally sprung. We all can look back to a lot of good times this year. All the snow birds are returning back home and things look for another good spring and summer.

On behalf of all Belles 'N' Beaus, we extend our deepest sympathy to Jean Patrick-Maxwell and Margaret Bennett on the loss of their sisters. All of our hopes and prayers go out to Burt Griswald to continue to make progress in his serious illness.

Monday, February 29th, Belles 'N' Beaus had a very successful Sadie Hawkins Day Dance. Art Harris did his best as usual. There were a large group of characters in attendance. A good time was had by all.

This year's class is nearing the end of their hard work. Mike Harris is working them very hard getting them ready for the Trail End Party.

## Batavia Silver Stars

We welcome spring's arrival, although the winter weather was exceptionally nice for dancers. The John Kennedy School where we dance has a very nice floor, well lighted, large parking lot, comfortable temperatures, and all-over super facilities. On April 5th, we will be dancing at the Genesee Country Mall.

On April 19th, we will have another "Pie Nite". The last one was a delicious success.

Our Valentine's Day Dance was special with lots of red outfits and fun-and-games. The St. Patrick's dance was full of all Irish people. Everyone thought green including our good caller, Bill Ryan. We enjoy good square dancing and rounds, and just love visitors.

**DANCE-O-RAMA**

What is the area's biggest bargain in round, square, and traditional dancing? Consider the following: A weekly square dance ticket costs \$2.50-\$3.00 per person, for which you get two to three hours of dancing with one caller, 1/2 hour rounds and two rounds between tips, and one program of dancing.

A weekly round dance ticket costs \$2.00-\$3.00 per person, for which you get two-and-one-half hours of dancing with one cuer at 2-3 levels of dancing.

With your Dance-O-Rama ticket you get seven hours square dancing with four callers (Anne Uebelacker, Joe Uebelacker, Mac McCall, Jim Wheeler), two hours with our own local callers, seven hours of round dancing with Bob Slomcenski, plus rounds with local cuers between tips in the Plus hall, five programs of square dancing (Mainstream through Challenge), five round dance levels (Phase 2 through Phase 6), and traditional dance; all for \$6.50 per person (advance-sale ticket).

Dance-O-Rama is our local festival. It's our chance to honor new graduates and show our spirit of cooperation between clubs. Let's all get behind this venture and make it a success. Tickets are on sale now by all Federation Representatives.

**Circul-8-tors**

Our next dance is at 2:00 pm on Sunday, April 24 at the Grange Hall on Route 54A in Penn Yan. Jerry Carmen will be calling the Plus square dance program and Betty will be cuing rounds. Our silent auction will be held at this dance, so plan on bringing lots of items for this fun event. After all this activity, come with us to a local restaurant for a leisurely-paced meal. This is a lovely time of the year for a drive to Penn Yan, so don't miss a fine afternoon.

Plans for our September 23, 1988 trip to Germany, Austria, and Switzerland are progressing well. As of this writing there are 31 persons signed up, and there is room for more. Remember, this trip is open to all square dancers. Call Will and Muriel Herzog at 381-7368 for details. They will sign you up right away!

**WHY I ENJOY SQUARE DANCING**

I enjoy square dancing because...

Because its a "clean" activity - no drunks or fights.

Because square dancers are such enjoyable people. They're fun to socialize with, dance with and work with on committees.

Because its a couples activity as well as a singles activity.

Because all square dancers are my friends and it's always easy to strike up a lively conversation.

Because it doesn't matter what my profession or religion, in square dancing we're all treated the same.

Because in one set, we realized that one person from each of the other three couples had had a heart operation. What dear friends!

Because a new club member invited us (old club members) to dance by saying, "Come dance with us, we haven't danced with you yet tonight." Delightful!

Because dancing with this particular couple is a delightful challenge. They're a lovable couple that has contributed so very much to the club, but are poor dancers. We all love them so much, its an honor to have them in our set!

Because it affords personal growth. Shy people come out of their "shells". Hidden talents (sewing, public speaking, writing, baking, leadership, etc.) can be pursued, and enhance square dancing.
