This-n-That from the Editor's Desk

One of the benefits of this job is arriving home from vacation and having a batch of mail welcoming you back from your summer vacation.

We went to the Canadian National Convention in Hamilton, which was very delightful. One souvenir we brought back with us was a little reminder from one of the many excellent callers, "You people are taking this workshop waaay too seriously. Relax - square dancing is fun!" The other thing we brought back were the laughs and smiles of many new friends. Hope we can keep these things a long time!

I welcome the new reporters to the **Promenader**. If I can help you, or you can help unconfuse this Editor, please call me. Communication is what its all about! A chat never hurts; then we have a better understanding of each other.

Reporters, it is renewal time. There's a subscription blank in your **Promenader** that gives you details you will need to promote this magazine to your club. The **Promenader** is very important to square dancing in this area. It will help retain your dancers if they feel they know what's going on. Please promote it to your whole club and individually to the new dancers, who may not realize they have to renew. More blanks are available; let me know if you want them.

There were many things in that mail that I will try to share with you in capsule form. If you desire further details, please contact me.

Press release from Legacy. This is info to send to newspapers about square dancing in general.

Have you sent your club information into the National Square Dance Directory for 1989?

American Square Dance Magazine facts and figures. 22,000 to 24,000 copies are mailed each month containing all phases of the square dance activity.

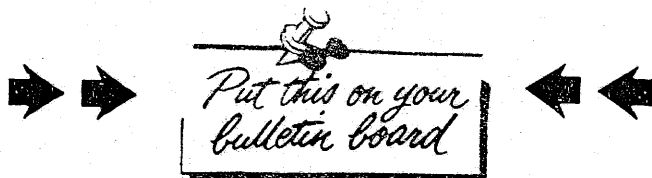

LUST (Let Us Speak Together) the biennial Leadership Seminar, or Mini-Legacy, sponsored by the Northern NJ Square Dancers Association is a day for leaders to share those little "secrets" that help clubs function successfully, and discuss ways to improve the state of our activity. It will be September 25 at Rutgers University in New Brunswick NJ.

The Square Dance Council of New Jersey reports that the 3rd New Jersey State Square and Round Dance Convention is scheduled for April 1 1989, at Trenton State College, Ewing Township. There were 1900 participants in 1988. Looks like a good one, folks.

Roundalab, The International Association of Round Dance Teachers, Inc. reports that 230 teachers attended their meeting in Anaheim CA in June. For further details on that meeting please phone.

That's most of the mail. Please **enjoy** this year of square dancing.

SPOTLIGHT ON

Have you ever wondered how a certain square dance club got its name? The Glass Slippers came by their name in a very logical manner. The club was organized in February, 1974 by Ron and Betty Fotch and employees of Owens-Illinois Glass Factory. Betty was an employee of O.I. at that time. Ron became their first caller. The dances were held in the Presbyterian Church in Brockport, but the club soon moved to the O.I. club house.

The club grew rapidly. By 1976 there were eighty members, most of whom lived outside of Brockport. They adopted a club outfit of blue and white gingham checked skirts and shirts which they wore for special occasions and their frequent visits to other clubs.

Many special dances were held - to celebrate anyone or anything. For two years the club put on an ox roast for the dancers of Dance-O-Rama, complete with bus service from the college to the O.I. pavillion.

Ron and Betty chaired Dance-O-Rama one year as did Elsie Epke. Sue and Dick Palmateer served as co-chairs of the C.U.R.E. Dance with Nancy and Roger Dart.

The club has demonstrated at sidewalk sales. They've had floats in several local firemen's parades. As a group they were very involved and active. This could have been partly because whole families danced with the Glass Slippers. The teen members won a competition at Syracuse State Fair. The club was very proud of them.

In 1985 when Ron and Betty retired to Florida, Bill Ryan became our caller. Since January, 1988 Bob Meagher has been the man on stage.

For a few years the Glass Slippers danced in the Campus School of S.U.N.Y. Brockport. Later, when the Brockport-Clarkson-Sweden Recreation Commission became our sponsors, we moved to our present place in the Gintner Primary School. We dance there on Wednesday nights during the school year.

The first elected club presidents were Brenda and Butch Foresha. The 1988-1989 presidents are Charlotte and Bill Graham. In between, many fine presidents have served: Jane and Bob DuBois, Diane and Chuck Silvernail, Sue and Dick Palmateer, Pat and Jim McTamney, Mary and Carl Wass, Peggy and Roger Gilbert, and Elsie Epke.

The club has had its ups and downs. Like so many other clubs we have lost dancers who have moved away permanently, become snow-birds, or given up dancing entirely. At the same time the number of people in class has dwindled. The present club has three squares of dancers.

The Glass Slippers are looking forward to celebrating their fifteenth anniversary next February. Hopefully, we will have a class of eager learners to add to our friendly club as members in May 1989.

SALLY SOLTYSAIK
-of Sally's Square Line

According to Square Dance Caller, Mike Callahan, "Part of the fun is dressing up". Beautiful square dance clothing is reminiscent of "yesteryear" and the colorful whirl of skirts and petticoats add a delightful dimension to square and round dancing.

Some dancers make their own costumes, others are able to purchase their clothing from stores called "Western Shops". Sally Soltysaik, proprietress of "Sally's Square Line", has been in the clothing business since 1965. She started with the "Ironoda Shop" for four years and then started "Sally's Square Line" out of her and her husband's home in Irondequoit.

There are certain advantages to an "in-home business" in that hours can be flexible to accommodate customers. Sally has had some beautiful "Open House" events complete with delicious food and dancing to tapes and callers. The home atmosphere is very congenial and Sally is friendly and cheerful helping customers make appropriate selections from her well-stocked merchandise. Customers quickly realize Sally and John are more than business people - they become dear friends very quickly. Often they will show up at a club's special event and donate a door or raffle prize.

There are also conventions and fashion shows. Sally has traveled as far as Iowa with her shop. Sally's husband John, retired in 1980 and helps Sally with the shop. They make a great team.

Sally married John thirty-nine years ago. They have three children, Don, Judy and Nancy. Don lives in Arizona, Judy lives in Brockport, and Nancy lives in Hamlin. John and Sally have twelve grandchildren and two great-grandchildren.

Sally danced with the Swingin' Eights until 1985, when she retired from square dancing due to an injury to her leg. Sally and John have enjoyed the friendships formed at the Swingin' Eights and other clubs. On September 15th, Sally will be seventy-five years young.

Happy Birthday, Sally!

Letters to the Editor

I would like to say a great big "Thank You!" to all the individuals and clubs who contributed door prizes for Dance-O-Rama. We had seventy-one lucky (and happy) winners. The prizes were very different and unusual.

Thank you to the Glass Slippers members who took their turns working at the prize tables, so no one was tied down the whole day.

CLUB NEWS

Belles 'N Beaus

After a long hot summer, let's get back to dancing. First we will all have to get behind the committee for our 30th Anniversary Party. The party will be held on Sunday, September 18th at the Green Lantern Inn in Fairport. The following are working very hard: Fran and Hal Abberger, Sally Fooks, Trudy and Don Smith, Deloris and Charles Ketchum, Jean and Jim Patrick-Maxwell, Irene a. Ed Zabelny. I am sure there will be more information coming soon.

This summer was quite eventful. First was the Road Rally and Picnic and as always it was a success. Four couples made the Boonville weekend with Art and Mike. The Scotch Golf with picnic following also was a huge success.

Attention Club: Open House will be September 14 and 21. You all know what this means to the club. Bring friends, relatives and neighbors. Let them see what square dancing is all about.

Now for serious notes. On behalf of all Belles 'N Beaus, we extend our deepest sympathy to Marge Hurley on the loss of her husband Joe. Joe and Marge have been club members for almost twenty-five years. Joe and Marge have been real Angels to nearly all of us. They were really faithful to this old club, I am sure Joe will be looking down on us.

The following are making good progress getting back in shape: Burt Griswold, Stan Kubasiewicz, and Bob Kanis.

Country Twirlers

Fall is returning all too soon and so it's time to pack up those bathing suits and get out the square dance clothes for another season of dancing fun.

We at Country Twirlers are looking forward to seeing all of our square-dancing friends as we get back into the "Swing of Things" at our Saturday evening dances.

We welcome all recent Graduates to the wonderful world of square dancing. Continue to support the club that sponsored your lessons for they have invested much time and effort to help you enjoy your future in square dancing. If you happen to be free on Saturday and are looking for an evening of fun, why not come out to Gates and visit us at Country Twirlers.

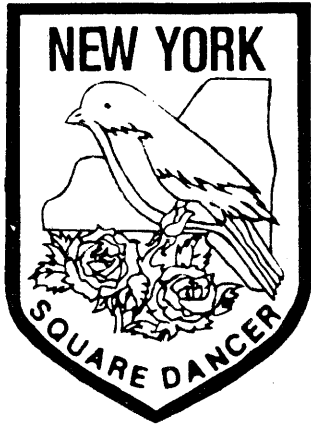

We dance almost every Saturday night, beginning this year on September 10 with rounds at 8:00 by our caller and cuer, Jack Barnes. Although we are listed as a Plus club we prefer to put the emphasis on "plus fun" and "plus friendly" rather than on the program of dance. We also have free refreshments and a money-back guarantee!

Our new Board of Officers under Herb and Dot Scheg has a great program planned for this year. Check the Special Events Calendar for a listing of our guest callers.

Glass Slippers

It's great to be dancing back at Ginther School with good friends. Many of us enjoyed dancing in air-conditioned comfort all summer with people from other clubs. There are a lot of friendly people in the square-dance world.

Our new officers have met under the leadership of Charlotte and Bill Graham to plan the coming year of dancing. Our first dance, on September 7, is a Wednesday Sundae party. With the weather we've had, ice cream does sound good.

Open Houses have been scheduled for September 14 and 21. During the summer we've staged an active campaign to find new dancers to build our club. We used ads, posters, flyers, and demonstrations to convince others they would like square dancing. The response was positive.

At our picnic this summer the Glass Slippers voted to be a Mainstream Club. We will have a workshop on some Plus calls, also.

If you're a new dancer, you're welcome to join us any Wednesday night. You'll find Bob Meagher is a good teacher and a very patient man. If the square gets too bad, he may say, "Sort it Out!", but it's all in fun.

We'll see you in a square. Be sure to say

"Hello"!

DO twirl the lady only if you know that she wants to twirl: let her decide. No-one ever got a sore arm from not spinning.

Circul-8-tors

The long, hot summer is almost over and the Circul-8-tors are enthusiastically looking forward to the start of another square dance season! We wound up last year with our annual campout/picnic at Camp Canaan several weeks ago, with a good time being had by all.

Our first dance is scheduled for Sunday afternoon, September 11 at 2:00, at the Grange Hall just west of the Penn Yan village limits on Route 54A. Chip Kellogg will be calling an interesting mix of Plus figures and Dottie Reed will be doing her usual fine job of leading rounds. Join us for a pleasant afternoon of dancing and a sociable dinner at the Hilltop Inn afterwards.

Excitement is building for those members and guests who are signed up for our European trip, which is leaving on the 23rd. Almost a full bus load will be touring Germany, Austria, and Switzerland with guide books in hand and cameras ready!

As an added bonus this year, the Circul-8-tors are sponsoring a weekend excursion to Toronto on October 28th. Included are sight-seeing, shopping, downtown accommodations, dinner and a special international dance with Norm Wilcox calling. Call the number listed below for more information.

Welcome to our new officers: Presidents Will and Muriel Herzog, and Vice Presidents Covie and Betty Duncan. Continuing for another year are Secretaries Bert and Ida Wilson and Treasurers Jess and Elsa Furlan. Many thanks to Luke and Marlys Whitcomb for their outstanding tenure as Presidents for the past two years.

Hope to see you at Penn Yan on the 11th!

Tecumseh Squares

Welcome back from your summer vacations, it's time to put the warm season behind us.

Judging from our attendance during the summer, everyone had a good time. We thank you for coming and sure hope you learned the Plus calls. To the home clubs of new graduates, watch out. Your spring classes did very well this summer. Our new format was well received and we plan to use it again next year.

Now some news of the fall and winter half of our season. The chairmen of our Mystery Ride on November 12th will have some details to report soon. Flyers will be sent as soon as plans are finalized, also the New Year's Eve Dance is shaping up. This year our own Bruce Shaw will be calling the squares with George Burch cuing the rounds. Flyers will be sent out when all details are set. We will be holding our Open House for new dancers on September 11th and 18th. We look forward to a good turnout, would like to see more couples having fun with us. On September 9th we will be having a guest caller, as of this writing who it will be is unknown.

It's nice to see Mike Liberti back dancing (without the noticeable optional limp) and cuing with his lovely wife Linda. We are pleased to announce that Mike and Linda who were our original cuers prior to Mike's operation will be cuing 50% of our rounds this year. George Burch, who has been cuing for us, will handle the nights Mike and Linda are unavailable. The nights in September are undecided, check our club listing in *Promenader* for future months.

Construction work is finished at the Redmen's Party house, do come down some Friday. Come early and enjoy a meal in the main hall with serving from 4:00 to 8:30, then join us at 7:30 in our hall. Our dance evening will differ from last season. Rounds workshop will be from 7:30 to 8:00, squares workshop will be from 8:00 to 8:30, at 8:30 until 9:45 we will have the Plus program with rounds, then at 9:45 until 10:30 we'll have hot-hash tips - see the flyer in this issue of *Promenader*. Bruce Shaw will call squares with Mike and Linda Liberti or George Burch cuing rounds.

Our club is always open to new members. If you are looking for a club to join why not give Tecumseh Squares a chance. We dance year-'round every Friday night in the hall located behind the main entrance of the Redmen's Party House, at 1001 Lexington Avenue.

Village Squares

Welcome back from a long hot summer. Hope everyone enjoyed a great vacation.

Flash! Important Notice! Our club will be meeting on Wednesday night instead of Tuesday this year. Class and club will be on the same night, 7:00 to 8:30 for class, 8:30 to 11:00 for Plus dancing. We are having Open House on September 14 and September 21. If your club is not having a class send any interested couple to us. We'll welcome them.

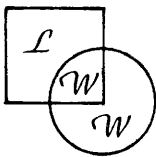

Sorry to report that Vern and Carol Flowers, our presidents for the past two years, have left Fairport. Ken and Rita Tucker hosted a farewell party at their home and we gave them a good sendoff. They will be greatly missed.

Our campout was held the last week-end in June at Camp Bell; Dick Casper was guest caller and Brian Adams did the cuing. A fine time was had by all, even though the temperature was in the nineties. It's never too hot for square dancers. A special thank you to Fitches for making the arrangements and to Extons for all their help. That But sure cooks a mean hot dog.

Now to introduce our officers for 1988-1989: Presidents Bernie and Rita Fitch, Vice Presidents Harold and Gerry Swartz, Secretaries Ken and Rita Tucker, Treasurers Rich and Sharon Morales, Federation Reps Chape and Jean Blake.

Two years of planning are about to pay off as this issue arrives. Thursday September 1 marks the opening of the Single Square Dancers USA National Convention. The Trail-In Dance at the Holiday Inn (\$2.00) features local favorites Mike Harris and Gary and Alice Bubel. Couples and singles are welcome to register at the door for the convention package (\$28.00 per person). Callers from Canada, Pennsylvania, Oklahoma as well as New York and cuers from Canada, Kentucky and Pennsylvania will come together to provide three full days of dancing at the Convention Center. A full program awaits from Mainstream to Challenge - rounds from square-dance level to Advanced, Contra (traditional) and Clogging as well as after-parties, a Fashion Show, Parades, and much more. Jim Kimball's Geneseo String Band joins caller Jerry Carmen and cuer Bill Saintey to wind up the Convention, Sunday September 4, with a mix of live and recorded music for you dancing pleasure. Anything goes at this dance and you are welcome to join us (again for a token fee of \$2.00 per person). Spectators will have a place too. Remember - No dance at Trinity Church that night.

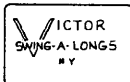

September 11 we are back to our regular schedule (the last week on the summer schedule) with Mike Callahan and the Libertis doing the honors.

September 17 we celebrate the Fall season and a successful convention with our annual Clambake at Dave Fisher's - always a highlight of the "social" season.

September 18 and 25 are Open House nights, with an introduction to square and round dancing that is open to all - couples as well as singles. (See our ad in this issue.) For further information, don't hesitate to call our info number or me at 671-2585. Class begins October 2 so spread the word and share the fun and excitement.

Victor Swing-A-Longs

The Victor Swing-A-Longs will continue to dance on Monday night. We will be dancing a soft Plus program and looking forward to becoming more proficient as the year goes on. Mike Herne will be calling our regular dances again this year.

We'll be having our class on Thursday nights in the Victor Junior High School cafeteria. Jody Mattice will be teaching our class. Our Open House nights will be September 8 and September 15. If you know anyone "out this way" who would like to take a look at Western square dancing, send them over.

Our membership will be out stealing banners again this year, so be looking for us. We'll also be inviting other clubs to come as our free guests of an evening, and hope that lots of you will take advantage of this opportunity to mingle with your fellow dancers.

We are looking forward to a great year under the direction of our new officers: Presidents Ralph and Virginia Ernst, Vice Presidents Dave and Pat VanderMolen, Secretary Leonard and Marge Earle, Treasurer Ted and Laura Palmer.

See you on the dance floor.

Red Bates

Red Bates

"Red" Bates has been calling for 30 years. His first try at the mike took place when Red enrolled in a course at Springfield College. He became very interested in the activity, and soon organized an eastern square dance band which played throughout New England, and helped to finance his education.

Soon, the Western Square Dance movement came to New England, and Red gradually found himself becoming more involved in this type of dancing; he has called Western — or club dancing — exclusively for the past 25 years. His clubs range from Mainstream Plus through the Challenge level.

Red has served in many capacities in New England square dance groups; he has been president of Springfield Area Callers' Association, as well as a delegate and chairman of the New England Council of Callers' Association, an organization which he was instrumental in founding. He is now a member of the Connecticut Square Dance Association and an accredited member of Callerlab and Board of Directors of Callerlab.

He has made several recordings for Hi-Hat and Jay-Bar-Kay records, and is currently recording for Red Boot Star. He calls at weekends, festivals, and conventions throughout the Eastern United States, as well as being club caller for several groups in the New England and New York State areas.

Red and his wife, Shirley, make their home in South Hadley, MA. They have four grown children. Red is a full time square dance caller.

Mike Callahan

Mike has been calling since 1960 (full time since 1974) and calls for 7 clubs in the Rochester, New York area. He also travels for weekends and festivals and has called in 20 states and Canada. Mike enjoys calling all programs through A-2 and has been a member of Callerlab since 1976. He is active on the Mainstream, Advanced and Education Committees. Mike has recorded two records, the most recent one being "I'd Do It All Over Again" on the Red Boot Star label.

Ralph & Joan Collipi

Joan & Ralph Collipi began Round Dancing in 1969, and in January of 1972 began teaching rounds in Salem, New Hampshire. They own and operate the Collipi Dance Center at 324 River Street, Haverhill, MA where

Mike Callahan

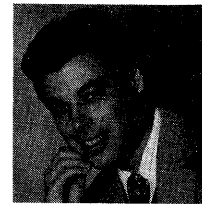

they teach 3 classes weekly ranging from easy to advanced workshops. Their Advanced Club is Chapter #93 of the National Carousels. They are directors for their Round Dance demo team, the "C" Notes, who have performed at several festivals and conventions.

The Collipis have been on staff at several weekends and festivals, this year's total 25. To name a few, Round-a-Cade, Flaming Leaves Festival, Maple Sugar Festival, Richmond Virginia Festival, and Washington, D.C. Festival (WASCA). Joan and Ralph host a Round-E-Vous Round Dance weekend twice a year for the past 9 years featuring national leaders. They are also featured on Round Dance weekends as well as Square and Round Dance weekends throughout the eastern seaboard. They have taught and been clinicians at local, national and URDC conventions; conducted clinics for the New England Council of Round Dance leaders, as well as Western New England Round Dance Teacher's Association, Rhode Island Round Dance Teacher's Association, Chicago Round Dance Leaders Association, and Montreal Round Dance Leaders Association.

They are members of Roundalab, URDC, Mayflower, Accord, Dixie Round Dance Council and they are on the New England Screening Committee sponsored by New England Council of Round Dance Teacher's Association. They study ballroom lessons privately with Marie Darnell of Manchester, New Hampshire.

The Collipis' choreography includes, to mention a few: When Everything Old is New Again, Chicago, Somebody's Knocking, Fantastic, S'Wonderful, I Just Need Your Lovin, New England Weekend, Dear Heart, All the Time, Sweet and Gentle Cha.

They look forward to spending what little free time they have with their

Bill Harrison

Ralph & Joan Collipi

son Ralph Jr. and daughter Maureen, daughter-in-law Helen, and son-in-law Karl, and 2 grandchildren, Joel and Nikki-Sue.

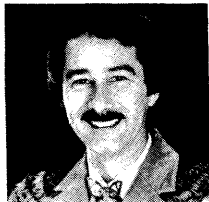

Bill Harrison

Bill was born in Baltimore, Maryland and raised in the Baltimore and Washington Metropolitan area. He began his calling career in 1970. He attended Earl Johnson and Al Brundage Callers College and received a scholarship to Cal Goldens Caller College in the early 1970's. Bill and his wife Judy reside in Upper Marlboro, Maryland. Some of his accomplishments are that he has written many calls which are in Burelsons Encyclopedia, recorded for the Red Boot and Square Tunes labels, currently recording for the Kalox labels, and has traveled throughout 34 states and Canada. In February 1985 Bill decided to make calling his full time profession. Previously Bill was a computer engineer for ten years. Bill and Judy have a full program which includes home clubs in the Northern Virginia, Baltimore, Delaware and Maryland area, ranging from Plus thru Challenge 1. He has been a member of Caller Lab since 1976, and a member of NCASDLA since 1971, their local caller's association.

Ron Libby

After discharge from the Navy Band, Ron went to Berkley Conservatory of Music in Boston, Mass. to study music. Upon completion of school, Ron traveled throughout the United States and Canada. He has traveled with the U.S.O. tour and worked with the all new WOODY HERMAN Band.

OCTOBER 7,8,9, 1988 BUFFALO CONVENTION CENTER

Ron Libby

In 1968, Ron got out of band work and decided to go into Calling. Now, as a full time Caller, Ron has been exciting dancers in just about fifty states as well as BERMUDA, BAHAMA ISLANDS, HAWAII, JAPAN, HONG KONG, and EUROPE. In addition to being featured on P.M. MAGAZINE, the TONIGHT SHOW, and ABC's GOOD MORNING AMERICA, Ron has had numerous articles written in national magazines about his involvement in square dancing.

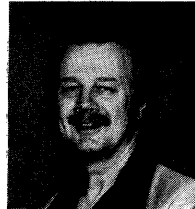

Ron calls for his home clubs at "Whirl-A-Way Barn", which is his own S/D Hall, and records on his own label and also the RED BOOT label. During his annual travels of over 100,000 miles, he calls on about 15 major festivals, and is staff caller on over 20 S/D weekends. Ron and his wife Lorna live on their farm (Whirl-A-Way Acres) in West Falmouth, Maine, with their two boys Scott and Desi.

Those who have danced to Ron's calling, either at an open level dance, Festival, or on one of his weekends, realize why he is best known for his Singing Calls and the exciting way of expressing his choreography.

Don Williamson

Don Williamson has been calling for some 27 years. He is a full time professional caller and travels throughout the United States and Canada. In addition to his personal schedule, he is baritone singer for the popular Red Boot Boys calling quartet and frequently tours with them.

He has been a member of Callerlab for many years and is a staunch supporter of the organization. He has served on the Callerlab Board of Governors and on the Executive Board. Don is also Chairman of the

Don Williamson

Record Producers Committee.

Don often conducts callers schools and seminars throughout the country. He is owner and producer of the Red Boot Record Company which for years has been one of the leading producers of square dance music. He has personally recorded a number of hits such as West Virginia, San Antonio Rose, White Christmas, Sweet Baby's Arms, Tie A Yellow Ribbon 'Round The Old Oak Tree, Don't You Ever Get Tired and more recently, Ain't Misbehavin'.

In 1986 Don and his wife Mildred became Directors of the new multi million dollar "English Mountain Square Dance Retreat" near Gatlinburg and Dollywood in Sevier County, Tennessee. Don and the other Red Boot Boys, along with Phil and Nancy Kozlowski of Indiana, have been secured by the owners to help promote the retreat. Plans are to develop English Mountain into the world's showplace of square dance retreats.

Don calls all levels of dancing from basic through C-2. He and Mildred have their home and business in Greeneville, Tennessee; however, they spend much of their time on English Mountain from April through November when Don is not out calling or touring with the Red Boot Boys.

Don is a former teacher, coach, and professional baseball player. His hobbies are playing the piano and guitar, singing barbershop, country, and gospel music, and pulling for the Atlanta Braves. The Williamsons have three children and three grandchildren.

Curt & Tammy Worlock

Curt and Tammy Worlock, club cuers for the Double A's and Helderberg Twirlers, locally, and for several other clubs outside of this area were introduced to "square and round dancing" at an early age. Curt became involved at the ripe old age of

Curt & Tammy Worlock

12 when he started square dancing, followed by round dancing at 13.

Curt tells us that his first dance he learned to cue was "Spaghetti Rag" and his parents encouraged him by saying that "If you can cue Spaghetti Rag on the beat, you can do any of them." They further encouraged Curt by buying him his first equipment and started helping him get exposure doing benefit dances and New Year's and Christmas parties.

Curt's first "Paid Date" came in June 1979 when he was 16 and did a weekend at Camp Aldersgate. Curt still does that weekend to celebrate his years in cueing. In September 1981 Curt started his first round dance club, the "Round-a-Bouts" at Mohawk Valley Community College and a second club in Northville in 1982. It was here that Curt met his future wife, Tammy, who was in his beginning class. They became dance partners six months later and started teaching together. In June of 1985, Curt and Tammy were married and now are the proud parents of Mandi Christine.

Curt and Tammy live in Ilion, NY and Curt works full time on computers as production controller for a large construction company in New York Mills, NY. When not busy dancing and teaching, Curt enjoys hockey and tennis, swimming, bowling and roller skating. Curt also tells us he loves to "vacation" and is an avid follower of drum corps.

Curt and Tammy "do" several motel/hotel and camping weekends and will be appearing at the Empire State Festival in Buffalo 1988 as well as the Maple Sugar Festival in Burlington in 1989. Their biggest project to date was the successful Hawaiian Cruise this past February, when they visited 4 islands with a number of round dancers from the Capital District.

Curt and Tammy also cue for the "Mohawk Valley Squares" in Ilion, the "Swinging Squares" in Utica, the "Pairs in Squares", in Rome and for other local clubs such as "Single Squares", "FJ&G", and "Bell Squares".

Genesee Dancers

Wow..what a hot dry June and July we've had. The weather brought out the dancers to our air-conditioned hall. The Genesee Dancers thank all the new and seasoned guest dancers that helped fill our squares this summer. Our Program Chairmen, Tom and Becky Wells, made sure every Thursday was available for dancing. We thank Bob Schlenker, Chip Kellogg, and Jerry Carmen for filling in as guest callers when Mike was away. Roy Keppen conducted the rounds with fancy footwork as usual.

Now it is time to plan for another year. The membership drive is on and all square and round dance couples are invited to join. Remember, the membership of any club organization guarantees continuous dancing each week for all to enjoy.

Our Trail-back dinner dance highlights the beginning of the '88-'89 season. This year the dance will be held on Thursday, September 8th with social time at 6:15 and dinner at 7:00. This special dinner is closed to Genesee Dancer members only and will have a Mexican theme according to Presidents Mac and Lois Campbell. The dance, beginning at 8:00 with Mike Callahan calling squares and Bob Slomcenski calling the rounds, is open to all area dancers. Everybody should wear peasant dresses and sombrero hats for the occasion.

The new class will have Helen Castor and Len Phillips as Class Coordinators this year. Open house dates are on Wednesday nights September 14 and 21. Class begins at 7:30. Our class hall has been moved to the Crosman Community Center at 42 East Avenue in Fairport. That's off Main Street, just north of the railroad crossing. Class Instructor Ron Cole is anxious to see if he can top last years class, as the recent grads enhanced their lessons with enthusiasm and determination last year.

Jerry's Funshop

Perhaps some of you would like to know how we made out on the three Sunday sojourns to the Tally-Ho Restaurant in Kanona, but I must have taken too much Vitamin D, as my brain came up with this detailed description of the developments:

Dedicated dancers devote divine Sundays doing delightful driving, Dandy Dancing on air-conditioned dance floors to the dips and doodles of that dynamic duo, Derry and Dob (I mean Jerry and Bob), followed by delectable dining with delicious desserts - no dieting - and no dozen donuts, darn it!

It was all very nice but would have been even better if there were more bodies to huff and puff on the dance floor, and to stuff at the dining table.

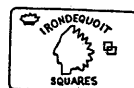

On a 15-day trip covering Finland, Russia, West Germany and Denmark, Ruth and Blakely Harris enjoyed the great scenery and the friendly people, but they couldn't believe how things have changed in Russia. For example, in Moscow their English-speaking guide commented, "In Russia a cook who prepares lousy food is called a Garbage-Chef, and that's how Mikhail got to be our leader". Ruth and Blakely still can't believe anything like that could be said in Russia, and they may deny that they ever heard it. Blakely must be in a 30-year cycle. In Denmark he had a reunion with a man he had met there over 30 years ago. Also, at one of our Tally-Ho dances, he and Ruth disagreed as to the proper execution of one of Jerry's calls. After a rehash, it was determined that Blakely was correct, and for the first time in thirty years, Ruth acknowledged that Blakely was right about something.

If everything goes as planned, Joyce Ford and Dawson will be in Portland, Oregon in early September for the birth of her daughter's first child. This will be the first grandchild on Joyce's side of the family. We hope everything will be perfect.

As we go into fall dancing at the Fun Shop, there will be no workshop. Remember that our hours are 7:00 to 9:30 so that those who drive many miles can get home at a reasonable hour.

Swingin' Eights

Open House is first on the Swingin' Eights agenda. Newcomers to dancing, or old timers who are rusty, are welcome to try out their dancing feet on September 10 at 7:30. Bruce Shaw will lead everyone through some basic steps. Club members are reminded to bring refreshments.

The Swingin' Eights have been in Irondequoit's spotlight lately. Members of our club have marched in the Irondequoit Memorial Day Parade, presented a square dance demonstration on the steps of the Town Hall on the Fourth of July, and will be "angels" to the square dance class sponsored by the Irondequoit School District's Adult Education Program, which will begin in October.

A potluck supper will be held on September 24 for all Swingin' Eights members. The dinner will begin at 6:30 at our regular dancing site. Bring your own plates, silverware, and a dish to pass. By special permission of the Swingin' Eights Board, Jan Brewer can bring a dish other than her stewed fruit. After we have finished with dinner, we will start off with squares (usually about 7:50) where guests are welcome to follow the calls of our very own Bruce Shaw and cues by George Burch, our new and talented round dance cuer.

The Swingin' Eights have an exciting schedule of dancing. (Thanks to the Andersons for working to make our schedule a very special one!) Generally, the Swingin' Eights will be dancing every 2nd and 4th Saturday nights, with a couple of 5th Saturdays scattered here and there. Each month a special event will be featured. Come join us, and see what a special experience dancing with our club can be!

TIPS for TIPS

DO wear your badge to every dance, and every meeting of a square-dance group, including the Federation. Even if you can remember everybody's name after hearing it once, other people aren't as accomplished. Your face is much more familiar than your name, and that is because people see your face much more than they see or hear your name. Your club might like to consider a small fine for anyone who comes to a dance without a badge.

Web Spinners

As summer comes to an end we hope everyone is ready to start square and round dancing again. Our club danced at the Webster "Good Neighbor Days" on August 11th with Bill Wilcox calling.

Our first dance of the season, September 9th, will be held at Dick and Ginny Bizub's home at 6:30. It will be a driveway dance with the members taking a dish to pass and their beverages. Hots, rolls, coffee, pop and dinnerware will be furnished by our hosts.

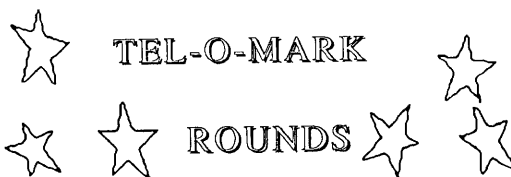

Again, our regular dances will be held at the Webster United Methodist Church at 169 East Main Street, corner of Curtice Park and Route 404.

The Web Spinners will have two Open House dances this year on the 16th and the 23rd of September. We hope to see a good turnout of guests and future new members attending these dances. Guest caller this month will be Herne/Saintey on the 16th and Harris/Liberti on the 30th.

Till next month..

Lima Grand Squares

Dust off those dancing shoes, fluff up the petticoats and polish your badges, because summer's over and it's time to square up. We would like to welcome our new officers this season, Presidents Bruce and Kathy Rosler, Vice Presidents Art and Florence Vogt, and Secretary/Treasurer Jack and Mary Haskell. A heartfelt thank you to our outgoing officers; they did a terrific job last year. Also, a big thank you to Shirley Larson who is "retiring" from her post as Promenader Reporter.

We had a leisurely summer this year as Lima doesn't dance during the summer. However a large contingent of our graduation class kept busy by attending Gary Bubel's Plus workshop. We also held two demonstrations this year, the first at the Honeoye Falls Sesquicentennial Celebration and the second at Lima Crossroads Days. We are looking forward to reaping a new class from our onlookers.

We are starting this season with a trail-in potluck dinner on September 9 at 7:00. Everyone is welcome, just bring a dish to pass and table service, or join us for dancing at 8:00. On September 16 and 23 the Grand Squares are hosting two open houses. Our regular schedule resumes on the 30th with Gary calling and Alice cuing at 8:30.

Just a note to all those "city-bound" dancers - contrary to popular belief, we're not out in the sticks. Lima is less than 25 minutes away from downtown Rochester, so come on out and visit us for a great time. We always welcome visitors.

Triggers

Nine summer dances called by Mike Herne at Ira Jacobson Post will let us start on our regular year, September 13th, with a bit of review and learning under our belts. We might even add some workshop time each evening to loosen up. As usual, we will be at Parkland School and our year will go until May 2, 1989. We will welcome guests and keep our guest fee down to \$4.00 a couple.

New classes are in the offing as well at English VILLAGE Elementary School beginning with Open House nights on September 8th and 15th continuing until April 27, 1989. Mike Herne will do the honors here as well.

Jim and Ruth Appleton were our most gracious host and hostess for a summer "do" after the drought breaking rain of July 17th. A most welcome respite.

Guiding us in this new year will be: Presidents Hope and Ron Brown, Vice Presidents Rony and Len Hall, Secretaries Irene and Bernie Sabernick, Treasurers Pauline and Frank Hall, Social Chairfolk Maria and Al Zinn and Mable Wordingham, Advisors Renee and Bob Deckard. Fayne and Paul Doering will be our Federation Reps with backup from Virginia DiFlorio and Charles McNamara.

Our "Bunny Hop" date will be finalized soon - look for it here and in the Special Events Calendar. We hope for a "Hobo" night as well.

We had several squares of Triggers Join Tecumseh Squares Friday evenings during the summer. Let's keep up the exchange. It was grand. So come, dear friends, old and new - we have a dancing time for you. Dance with your guests and don't forget to "Be an Angel."
