APPROACHING SQUARE DANCING

FROM THE OUTSIDE

by Bob and MaryIn Dailey

It's been said the term "class" turns the prospective square dancer off. How true! This term conveys visions of: studying (often uninteresting) subject matter, tests, grades, and passing or failing. Square dance classes are nothing like that!! Studying isn't required, - just practice - fun practice, no tests, grades, or passing and failing. Why do we insist on giving this false image?

We, as square dancers, wouldn't consider going to a class, why do we ask it of others? We do go to workshops. May I suggest the terms "Basic Workshop" and "Mainstream Workshop" instead of the word "class"?

Callerlab has already established the terminology. We're all familiar with Plus, Advanced, and Challenge Workshops. The new square dancer should acquire knowledge of the various Callerlab programs during the Basic Workshop. With this information, he can quickly identify his place in the square dance picture and acquire a feeling of belonging. He now can easily understand why he isn't ready for a Mainstream or Plus Dance, and can also assume the responsibility (as we all do) to determine when he desires and is ready to pursue an additional Callerlab Program.

Requirements for club membership are another turnoff. When invited to our Open House, the prospective square dancer may very well assume we are offering club membership. Wouldn't that be a natural assumption? Are we obliged to say, "No, you cannot become a member until you complete a Mainstream or Plus Workshop?" Can't we offer immediate membership, upon purchase of a badge and/or payment of dues?

Presently, Plus clubs (in this area) require "class gradation" and "summer school" before the new dancer is "good enough" to dance with the club. What a turnoff!! No wonder we're losing new dancers! (These clubs completely ignore Callerlab's recommendation to dance two years in the Mainstream Program before starting a Plus Workshop.)

Can we say, "We would love to have you as a member of our club", and have a place for him? Most Mainstream Clubs have a Basic Workshop each fall -- perfect for this brand-new club member. The Mainstream Workshop usually starts sometime after Christmas. At this time, the new member can choose to continue in either the Basic Program, in the Mainstream Workshop, or both.

Let's stop discouraging prospective square dancers. Let's stop treating them like children and outsiders - i.e. classes for a year then summer school before membership.

Instead let's welcome them into our clubs immediately as equals, giving them: 1) the privileges and responsibilities of club membership and 2) credit for knowing which square dance program they wish to pursue.

Caution - I have presented two apparently simple changes to make square dancing more accessible to the beginner. As with any change, we must carefully consider the implications, advantages, and disadvantages.

Dear Round and Square Dancers,

Just a few brief comment about the Fall Jamboree held at the Monroe Skateway on Wednesday, October 12th.

Thank you to all that took the time to comment to me about the two cuers' names on the flyers (the **Promenader** ad being the same) as sufficient to stress the emphasis on rounds for that affair. Many of you pointed out to me that there are NOT two cuers listed for the normal two-plus-two event. Nevertheless may I please apologize for the misunderstanding to the eight couples that were inconvenienced that evening. Their money was refunded once the misunderstanding was identified. I trust they will accept my apology and take into consideration that I am new in the Round and Square Dance community. I will try to be clearer next time.

I'm sure anyone will think twice before stressing rounds at such an event due to the lack of support shown by the area Round dancers. It's a shame not to use the space when it is available. (12,000 sq. ft. of hardwood dance floor.)

Those that attended the event were treated to a wonderful exhibition by the Slomcenskis and the Libertis.

I'm always ready to process your feedback (be it positive or negative), so please let me know if you'd like another event at this facility - and my sincerest thanks again to those that attended.

SPOTLIGHT ON

Silver Squares

The Silver Squares group is housed at the Senior Citizen's Community Center of Greece, 200 Alcott Road. The first dancing began in the Spring of 1983 shortly after the Center opened. The purpose of this Town of Greece Senior Center is to provide an opportunity for recreation, socialization, and **cultural and volunteer activities** through a variety of activities and a multipurpose facility.

Square dancers are an integral part of the Senior Center. We have been meeting every Monday since 1984. Mike Callahan has been our caller from the beginning.

The Silver Squares were organized in 1985 and elected Fred DaVola as President. Our second and current president is Ken Finch. Our club has sponsored three years of beginners' classes - two years under the direction of volunteers Mabel Wordingham and Sal Palmeri, and the third year taught by Mike Callahan.

We welcome couples as well as singles. The problem is we need men and more men. Come on, guys, there are always extra dolls just waiting to dance with you. Instead of Blue Monday, make it a day to look forward to. As the saying goes, the more the merrier.

We are a group 55 and older. Although we may seem to be along in years, we are young at heart. Join us Mondays 1:00 to 3:00 at the Center. For information phone 225-2260.

Our club is getting bigger and better. Every week we see some new faces. We are happy to have you and hope you like us well enough to come back again and again. It's a great way to pass a dreary wintry afternoon.

We were recently invited by the Historical Society to dance at Long Ridge Mall and we wish to thank the Club Members who participated.

Our Halloween party was fun. There were many interesting and unique costumes. We even had a Doctor in the house. The sweet cider and doughnuts were good too.

We were honored to be guests of Belles 'n Beaus on November 7. Art Harris will always make it a lively and enjoyable evening.

We will not be dancing on December 26, January 2, nor 16. Any oncoming events will be announced at club so everyone come.

See you!

WALK ON THE WATER?

by Al & Nell Eblen
Pharr, Texas

A young friend of mine had recently finished four years of college, and he related a very unusual story to me. A group of young people attended a movie at the local theater. It was a story about a young man who was marginally retarded mentally. He worked as a gardener for a wealthy man. The employer was very impressed by the young man's ability to solve problems. The young man always have a very simple answer to any problem presented. Though the answer was very simple, it always seemed to solve the problem. Many times people of sagacity have found that the simplest answers to problems have been by far the most workable.

The wealthy man passed away, and another man employed the young man, and he thought that this was a gifted person. The second relationship made the young man very unhappy; however the second employer passed away, also. It was at the end of the show that the burial was taking place that the young man walked down to the water of the seaside, and he actually walked on the water into the sunset. Thus, the movie ended.

The group of young people decided to call the director of the movie to determine the significance of the mentally retarded man walking on the water. The director could not be located in Hollywood; however, he was finally located in a hotel in Switzerland. The director was willing to talk and answer their questions. When asked about the meaning of the man walking on the water, the answer was that no one had told him that he couldn't. Since he did not know that he could not walk on the water, he did.

The young people seemed to think that this was not reasonable. The director then asked them if they didn't know that they couldn't call a motion picture director in Hollywood, much less in Switzerland, was it unreasonable? The young people replied that no one told them that they couldn't.

I wonder how much we could accomplish if people did not tell us that we couldn't!

One of my caller-friends is Bob Baier, who started calling in 1972 as a teenager. Recently, I asked Bob, "What made you think a 17-year-old teenager could be a nationally-known square dance caller?" His answer was - "Hey, nobody ever told me I couldn't!"

The year-end holidays are approaching fast, everyone is busy getting those last minute gifts. As 1988 draws to a close, we hope all clubs had a good year.

The month of December finds our class of 10 couples joining the club members for the first time, to attend our Holiday Party December 16. This is always a fun gathering with a meal and grab-bag gifts before the dance. The party is open to any square dancer, Tecumseh member or not. Come join with us; if not for the meal, at least for the dance. For more information contact this reporter.

We will not be dancing on December 23 or 30 due to the holidays. Once again this year we will be having our New Year's Eve Party in the main hall. This dinner/dance is open to any square dancer. We will be dancing the Plus program. The evening starts with the social hour at 7:30, deluxe buffet at 8:00 and dancing from 9:00 to 2:00am. At midnight, we welcome 1989 with hats and noise makers, followed by a late snack around 12:30. This year our own Bruce Shaw will be doing the squares, with George Burch cuing rounds. Flyers were sent to all clubs and one appears in this issue of the **Promenader**. Reservations must be made by December 23, by calling Carol 254-7539 or Jean 266-2227. The donation price requested for the evening is \$35.00 per couple.

Our cuer schedule for December and January is: Libertis on December 2 and 9 and January 13 and 20; George Burch December 16 and January 6 and 27. We have a rounds workshop at 7:30 every week. We are dancing the Plus program and Bruce is workshopping quarterly calls and teaching all-position dancing from 8:00 to 8:30. Why not square up with us some Friday night at the Red Men's Party House.

Looking ahead to February will find our Annual Mid-Term Ball on February 4. This is open to all class and club members, and this year we will have rounds. Flyers should be out sometime in late December or early January with details. This dinner/dance will be held in the main hall of the Red Men's Party House, as was the New Year's Eve Party.

So we say good-bye 1988 and hello 1989. We look forward to welcoming you any Friday night; every week is different at Tecumseh. Something new seems to happen. In closing this report, our club would like to thank the staff of the **Promenader** for a job well done and wish you and the Federation Officers and all area clubs a very Merry Christmas and a prosperous New Year.

Triggers

The crisp winds have invaded our territory and the early darkness seems like an invasion. But we have lots of good nights ahead for dancing. We are open for each Tuesday night except for the break between Christmas and New Year's Day. We at Triggers wish you all the best of the season's holidays and holy days. Our presidents, Hope and Ron Brown, extend our invitation to join us any night for dancing. Some folks from EKC-0 Squares have stopped by as have others. We hope you all will at one time or another. Our welcome mat is out and we are happy to note that guests do use it. They must know that Mike Herne is on the other side.

We have a chance to dance to other voices and rhythms, for December 13 will bring us Mike Harris. We are the lucky ones. Then, early in the new year, Jerry Carmen will be calling our squares to action. His Lady Betty will cue rounds starting at 7:00 and between tips. Should be a great way to start out the New Year.

The New Year is a traditional time of departure for those who spend part of the year in balmy climates. We wish you well and want you to know in advance that we will miss you. Most, fortunately, made our Thanksgiving and Pie auction on November 22 and we hope that most will still be here for our class-club Christmas Party on December 22.

We note that both the club on December 27 and the class on the 29th will be off dates, as school will not be in session.

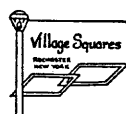

January will also bring us--on the 24th--our annual Amateur and Pizza Night. Believe me, the two are really compatible and very funny indeed.

Just a note, Rony and Len Hall joined us at our Octoberfest. Wanted to report how good it was to see them.

On that happy note we again wish you all of the best of this Blessed Season, the joy of a New Year and the strength to always "Be an Angel".

Village Squares

Last month was a busy one for Village Squares. A reunion dance was held on November 2. We invited as many past members as we could contact. It didn't matter if they were still dancing or not. It was just a get-together to talk over old times. Jon McNally shared calling with Dick Casper. Everyone seemed to enjoy the evening.

A Turkey Dance was held on November 16. This helped us get into the mood for Thanksgiving. Hope everyone enjoyed this special day.

On December 21, the club will have a pot-luck supper for our Christmas Party. Our class will join us for the supper, and the dance afterwards will be open to class members from other clubs.

January will bring a couple of special nights. On the 18th we will have sundaes as a special treat. The club furnishes the ice-cream and members bring their favorite topping.

On the 25th, we will have Amateur Night. Anyone wishing to try his or her skill at calling is welcome to participate.

Best wishes for the holiday season.

We are continuing to dance a soft Plus program on Monday nights, with rounds by request. We are still waiting for the clubs to come and claim their banners. We'll be waiting.

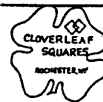

Congratulations to Karen and Gary Cannioto on the birth of their beautiful baby boy. Watch for next month for yet another birth in our club.

We are planning a class-club dance on January 28, 1989, to be held in the Victor School. Mike Herne will be calling and we will provide many awesome treats. Come and join us.

This is a great way to improve your dancing: dance to different callers and meet new dancers! Our Vice-presidents, Dave and Pat VanDermolen, have just returned from two weeks in Australia. They had a terrific time! We welcome back Fred and Mary Northrup. Mary's recovering from an illness. It was good to see them. Our best wishes go to Nickle Wiley who is recovering from surgery. We miss you. Both our class and our club had Halloween parties which were a success. Thanks go to all who joined us.

Cloverleaf Squares

Just a reminder: December 4 will find us dancing at the Red Men's Club because our regular hall is unavailable - regular sessions for class and club.

Save Friday December 9 for a special treat - Tim Marriner from Virginia will call squares and Mark Thone will cue rounds.

December 11 sees us back at our regular hall with guests from Boots and Slippers, Irondequoit Squares, and Triggers.

December 18 will be our Christmas Class/Club Dinner Dance at the Green Lantern Inn in Fairport. Be sure to sign up for dinner, but guests are welcome to join us for the dance. Always a festive occasion!

December 25 and January 1 there will be no dance due to the holidays.

On New Year's Eve, however, we will co-sponsor with Singing Singles a dance featuring Betty and Jerry Carmen at their hall, the Penfield Baptist Church on Penfield Road. All new dancers from any club are especially welcome. Flyers should be out by the time you read this. Advance reservations are a must. Feel free to call me at 671-2585 for more information. A real fun evening at a very reasonable cost!

January will see us back to normal schedule at our own hall. Guests from Country Twirlers, Jerry's Funshop, and Victor Swing-A-Longs join us on January 15. Guest Cues Bill Saintey will be featured on January 22. Information on social events is available by calling the information number as well.

By the time this issue arrives Cloverleafs will have elected new officers to assume their duties in January. A big thank-you to this year's officers, who have served so well in an especially active and successful year. We don't always recognize the efforts that go into running a large club like Cloverleafs, unfortunately, but their contributions are certainly significant!

Henrietta Friendship Squares

This Issue celebrates the swan song of those officers who have served so faithfully and well for the past two seasons. We thank them for their dedicated enthusiasm. In the next issue, we will introduce the new slate of officers. We wish them success.

Crowds of dancers made us feel as if we were bursting at the seams lately. Laughter of the enthusiastic dancers echoed through the halls at our Halloween Dance.

Our New to You Sale of square dance items brought out another record-breaking number of lively and enthusiastic dancers. We thank those of you who participated and hope you found your special treasure.

December events feature an auction of craft items and home-baked foods on December 3. Here is a chance to pick up Christmas gifts as well as goodies for the holidays.

On December 17 we celebrate the season with our Christmas Dance. Everyone is welcome and we guarantee you'll have such a good time that you'll return again.

In January there will be only one dance, because we take our class to the Blizzard Ball that month. So circle January 7 as the only dance that month at the Henrietta Friendship Squares.

We wish everyone a Merry Christmas, Happy Hanukkah, and Prosperous New Year.

Genesee Dancers

Genesee Dancers will celebrate the Holiday Season with a special dinner dance on December 8th. Because the class will be dancing with the club this evening, the Board have decided to limit attendance at the dance to members only.

Presidents Lois and Mac Campbell arranged for a delicious turkey dinner "thank you" celebration honoring all Genesee Dancer officers and committee members. Here is a list of some behind the scenes couples that have helped run our club for 1988: Auditors: Merle Myers and Al Vroom; Decorating: Jackle and Royce Rogers, Mary and Verne Kallburn, and Ginny and Al Kalin; Federation: Camille and Nelson Havens and Rita and Orlo Hoadley; Historian: Neomi and Dick Kingsley; Hospitality: Helen Kotwas and Helen Castor; Membership: Marian Adkins and Nancy and Andy Andrews; Nominating: Billie and Wes Hembrook, Doris and Bernie Root, and Eve and Dave Orlen; Social: Dot and Chuck Clause and Trudy and Jack Cayo; Sunshine: Billie and Wes Hembrook; the present Board of Directors Mary and Ken Scarciotta, Betty and Jack Wilson, Sallie and Ken Paul, Becky and Tom Wells, and Helen Castor and Len Phillips, plus Past Presidents Ann and Ed Barney.

Be sure to mark your calendar for pre-dance workshop for the following nights: December 15, January 12, and January 26. All workshops begin at 7:45. We will have Bob Ellis guest-calling for the squares on December 15. Due to the busy holiday week there will be no dance on December 29. Mark Thone will be calling rounds on January 26. Remember that angels are always welcome to help out our class on Wednesday nights.

Glass Slippers

Happy Holidays to all our dancing friends from the Glass Slippers! May good health and good fortune follow you through the New Year.

We will celebrate with a pot-luck dinner at 7:00 on Wednesday December 21. Dancing for class and club, with Bob Meagher calling, will begin at 8:00.

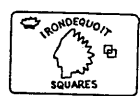

Then, there will be no dancing while school is closed, until January 4, when the regular times will be observed: 7:00 - 8:30 for class, 8:30 - 10:30 for club. We dance Mainstream with Plus workshops. Every week Bob reviews some Plus calls and adds a new one.

On January 18 we'll have our monthly Guest Night. Also, it's the night of our annual White Elephant Auction. So, if you received a gift for Christmas that isn't really you, here's your chance to pass it off to someone else.

It was our pleasure to have Ralph Dell, Rochester Federation President, as a guest one evening last month. Ralph spoke briefly to the class and club about some of the upcoming events being planned to promote square dancing.

The Glass Slippers club will be fifteen years old in February. We will celebrate with an Anniversary Party on February 8. We hope that many former members and friends will be here squaring up with us.

Catch you under the mistletoe! Information 637-4755 Reporter, Elsie Epke

Irondequoit Squares

The Holiday Season is here once again. December 3 will be a regular dance with the winning team of Jon and Brian. Tim Crawford from Ontario, Canada will be guest caller for our Annual Poinsettia Dance on December 17, and Brian Adams will be cuing. We hope you will be able to join us for this holiday dance, good food, and friendship.

Completing the month and year will be our festive New Year's Eve Dance on December 31. Mark Thone will begin cuing rounds at 9:00 and between square dance tips, and our own Jon McNally will be calling squares until 1:00 AM. We would like to remind one and all to buy your tickets early as our hall is limited to fifty couples. Included in the low donation of \$10 will be refreshments and continental breakfast. We hope you plan to spend your New Year's Eve with us for lots of fun and excitement.

We begin 1989 with regular dances in January on the 7th and 21st. Jon McNally will be calling squares for both dances while cuing will be by Brian Adams on the 7th and Bill Saintey doing the honors on the 21st.

On behalf of all Irondequoit Squares Members, a Happy Holiday Season to everyone! Information 265-3080 Reporters, Gene & Lorrie Richman

Jerry's Funshop

If you have heard that there are C-1 Workshops at Jerry's Funshop, you heard right. If you'd like to "see-one", they are held at 5:30pm preceding our regular A2 dances. For further details call Jerry Carmen, 352-5564.

Our representative who contacted Bush and Dukakis about air-conditioning all square dance halls at government expense came away empty handed. Both George and Mike were sympathetic but afraid to commit as they might be accused of favoritism to a "bunch of squares". After all the months of campaigning--the accusations, character degradations, distorted facts, and unkeepable promises--I predict that we who survived are all going to be Bushed.

This month we feature "names that don't work". Our example is Ken Ford. How a guy named Ford got to work at General Motors for so many years beats me. Ken recently placed an order with the stork for a grandson to carry on the Ford name. Originally delivery was scheduled for April 20 to May 20, but that would make the grandson a zodiac Ford Taurus. General Motors and Ken couldn't accept that, so he demanded priority delivery. The grandson arrived intact and healthy in California on October 29. We hope the boy will carry on the Ford name with pride and distinction.

As our Christmas celebration, we will have a pot-luck supper at 6:30 at our December 18 dance. Bring your own dishes and silverware. We're taking a chance on who brings what food, that's where the luck comes in. The ladies all like to show off their favorite recipes and the men like to show off their appetites. Eat and be merry! Information 544-5267 Reporters, Ed and Jo Schipper

Kuntry Kuzzins

Bob Stern will be calling squares for the Kuntry Kuzzins on December 10. Dottie Reed will cue rounds at 8:00 at Kelley School, Newark, New York.

We do not have confirmation for our dances in January. We will get out fliers as soon as possible for January 14 and 28. Kuntry Kuzzins will enjoy a Christmas party in December with Dottie's Dancing Darlings. Hope all will have a Merry Christmas and a Happy New Year.

Boots 'N Slippers

Russel and I would like to first apologize to all readers for missing last month's **Promenader**. The fall for us, has been very hectic.

By the time everyone reads this we at Boots 'N Slippers have celebrated our 25th Anniversary. Wow, what a party! Thanks to our committee who worked very hard at making our celebration one to remember. Let's go for another 25!

On a sad note, our deepest sympathy went to Lorrie Wright, on the death of her husband Ron. Ron and Lorrie have been very active in our club, and Ron will truly be missed by us all!

As we look to the holidays, our Christmas dance is on December 16 and we hope everyone will join us at the New Year's Eve Party.

In January, don't forget the fabulous Blizzard Ball to be held on January 21st.

Well that's all, hope everyone has a happy and healthy holiday.

Web Spinners

Friday the 28th of October we had our yearly Octoberfest, with guests from Copy Cats, Emerald Squares, Genesee Dancers, Victor Swing-A-Longs and Village Squares attending the dance. Delicious food was made and served by members of our club to approximately 90 people. Hilda and Len Fisher chaired the event for this year. Square and Round dancing followed the meal, with desserts served at 10:00 followed by more dancing.

On December 31, (Saturday) we will have our New Year's Eve Party, which will be another open dance.

January 6 will be our Class Level/Style Show dance, with the Libertis showing their clothing modeled by various club members. Flyers for all these and future dances, with all the pertinent information on them, will be available at your club dances. Watch for these flyers!

There will be guest callers and cuers during December and January. The Web Spinners will have no dances on the 23rd and 30th of December. Consult the back of your **Promenader** for this information.

On January 20, we will be hosting guests from the Copy Cats and the Swinging Singles. On the 27th of January the Belles and Beaus, Henrietta Friendship Squares, Village Squares, and the Wayne Westerners will be our guests.

From all the members of our club to all the members of your clubs, we wish you a very Merry Christmas and a Healthy, Happy New Year!

Swingin' Eights

The Swingin' Eights will swing in the holiday season with their annual Christmas Dance at the Ukrainian Civic Center on December 17. Our dance will be for the Club and Class members. Guests are always welcome, too. Please call 423-0452 to reserve your tickets. Your very last chance to buy a ticket to this holiday gala affair will be at our December 10 dance. Don't miss out!

The Swingin' Eights will usher in the New Year with their annual party with cheese plus something that sniffs of grape and tickles your nose. The Swingin' Eights' annual cheese-tasting party and dance will be held on January 14. Traditionally one of our most popular dances, this is one you won't want to miss. Bruce Shaw will call at 8:00, George Burch will cue rounds, beginning at 7:30. Please join us.

If you're in the midst of the winter blahs, come dance on January 28. The Swingin' Eights can bring a little sunshine into your winter night.

Have you put February 11 on your calendar? Mike Harris will be there to put romance into your dancing life. Bring your Valentine to this special event!

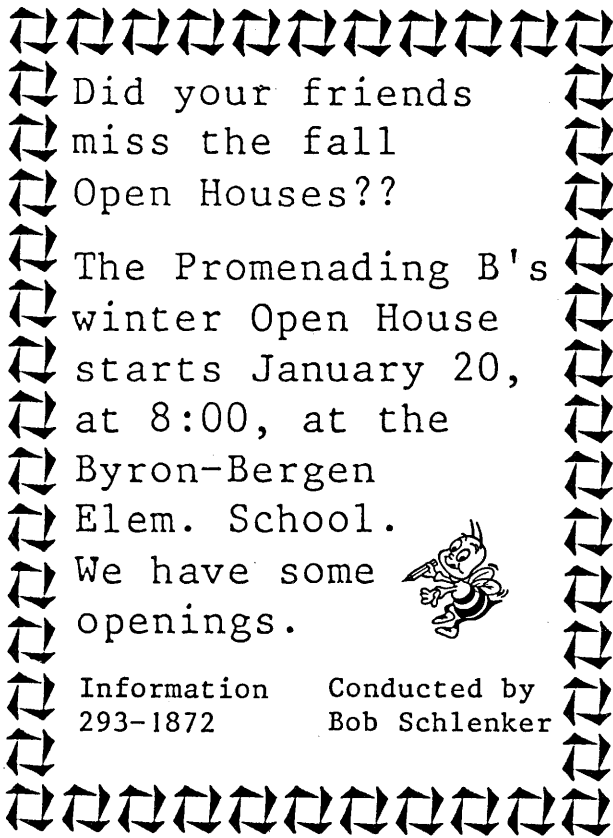

We wish Marion Cosmano our best. Marion is recovering from surgery.

We salute our officers, who have served us well in 1988. Presidents Tom and Helen Jones, Vice Presidents Tom and Ellie Anderson, Secretaries Tom and Jan Brewer, and Treasurers Vern and Jane Avery. The members of the Swingin' Eights, thank them heartily, and wish them the happiest of holidays.

And remember.. everyone loves Saturday night.. if it is spent with the Swingin' Eights.

Promenading B's

A grand "right and correct" opportunity to brush up on those less-than-familiar calls is offered by the B's through December with Bob Schlenker conducting a review-class-style workshop each Friday night at 7:30 to 8:30. This will be a prelude to great evenings of dancing with Betty Wolcott cuing rounds between square dance tips.

Three December dances are scheduled: December 2, 9, and our Christmas Dinner Dance on the 16. A donation of \$17.50 per couple for the total Christmas dance is requested. The catered dinner will be served at 7:00, with dancing following. A gift exchange, gents to gents and ladies to ladies, is available for those who wish to give Santa a warm-up practice.

Due to the increased cost of Bee's wax and pollen, the Promenading B's find it necessary to adjust the dance donation requested to \$6 per couple. To put a bee in your bonnet, a better value for quality received will not be found.

The B's extend best wishes to Ken and Donna Lummel who have relocated in Florida. Some of us just may be around and visit and certainly look forward to seeing you when you return to visit the home hive.

Another great opportunity is available on January 20, when the Promenading B's will hold an Open House and begin a Basic Workshop under the instruction of Bob Schlenker. If you were not able to start dancing in the fall, this is a great way to treat yourself to an escape from winter cabin fever.

Do you love square dancing? Let me count the ways - good for the heart, kind to the spouse, easy on the wallet, mystifies the kids, keeps the mind alert, master the art of listening, and extends the right hand of fellowship. Try it and start your own list.

Lima Grand Squares

Starting off December 2 at 8:00 we'll be enjoying guest caller Bud Hands.

Banner stealers beware! December 9 and January 6 are Lima's only regular dancers in the next two months. Please check our schedule; we always welcome visitors but you can only take our banner on regular dance nights. The Lima Grand Squares challenges Tecumseh Squares to come and get their banner. We've had it so long it might start growing Lima beans. In October we gained a banner from Country Twirlers and had a great time dancing with them. We lost a banner to Henrietta Friendship Squares. We'll be coming for it soon. That's the only LGS banner stolen this year. If another club has one of ours, please call me to let me know.

Class members and their parent clubs are invited to dance with us twice this month. The first is our Class/Club Christmas Potluck Dinner and Dance on December 16. Dinner starts at 7:00 downstairs at the Lima Town Hall. Bring a dish to pass and table service. We'll be squaring up at 8:00 if you'd like to join us for the dance only. We will be exchanging gifts also. Just bring a small (\$5) gift labeled for a man or woman.

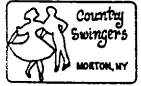

No dance on December 23 and 30; January 20 is a travel night. We'll be out on the town looking for banners.

We will be ringing in the New Year with Gary and Alice Bubel on Saturday, December 31 at 9:00. This is a Class/Club dance and Midnight Dinner. We invite you and your club to join us. Donation requested is \$10 per couple. Bring your favorite side dish and table service.

Mike Harris will be guest calling and cuing on January 13 at 8:00. LGS will present our Annual Luau Dance on January 27 at 8:30. Wear Hawaiian shirts and muumuus or grass skirts.

Morton Country Swingers

Hello from the deep, dark, north--way out Morton way. Yes, square and round dancing is still going on in this small township, about half-way between Hamlin and Kendall. We may be small, but we sure do have a lot of good old-fashioned fun. Why not join us on some Thursday night. We dance rounds from 7:00 to 8:00 and squares from 8:00 to 10:00, or somewhere around there. We really look forward to seeing you any time.

With December and January upon us we at Morton would like to extend our holiday greeting for a safe and happy holiday for all our round and square dance friends.

Please join us for a fun night of dancing on December 1 Bob calling, George cuing; December 8 Les calling, George cuing; December 15 Bob calling, George cuing; December 22 Les calling, George cuing; at our Christmas party, December 29 our last dance for the '88 year, Bob calling, George cuing; January 5, welcome 1989 with Les calling, George cuing; January 12 Bob putting us through paces in squares, George doing rounds; January 19 Les puts us through squares, you guessed it, George on rounds; January 26, Bob's (God save me!) back for squares, George for rounds; and February 2 Les takes the reins for squares and George for rounds. Wayne Westerners

Contrary to some reports, the Wayne Westerners are still dancing. We were a little slow getting started, but at this date we intend to keep dancing. We even have a class again this year - four nice enthusiastic couples.

You are all invited to come dance with us - the only problem is that we can only use the Marion School three times a month, so watch the schedule! On the odd week we still plan to get together and find another dance to attend as a group, do club business, or just socialize. We are friends as well as club members!

We are looking forward to the holiday season, especially our Christmas Party when the class joins the club for a pot-luck supper and gala dancing.

We hope and pray that the coming year will be an especially good one for the whole square dance world!

Which Way Whirlers

Here it is time again to let our dancing friends know that the Which Way Whirlers are doing just fine. Our class is outstanding, way ahead of schedule, and each dancing night is something to look forward to. We just love Mike and enjoy dancing to his calling. On December 14, we will have a Pot-Luck Supper and Jim Wheeler will be the guest caller. So if you enjoy Jim, come over. We would love to have you. On February 15 we will have a Valentine Dance, so plan on coming with your Sweetheart; it will be a night of fun.

Country Dancers of Rochester

I hope some of you were able to attend our Thanksgiving Festival. The Stardust Ballroom at Edgerton Park is a perfect place to dance. Mike Leach taught a tango workshop that was very popular.

I am sorry that I don't have the January schedule in time for this deadline. As far as I know we will be dancing each Thursday night at Covenant Methodist and most probably January 21 (Saturday) there as well. I know that the English Country dance session is Sunday the 8th at Brighton Town Park (7:00 - 9:30). If you have questions about any of our dances, please phone Richard Sauvain at 442-4681.

As you can see in our schedule for December, we will be welcoming back Wild Asparagus and George Marshall - a very popular New England group. It will be very lively evening.

We welcome new dancers at all of our dances. If you want to know more about traditional Eastern styled square dances and contra dances join us any Thursday evening. It is not necessary to bring a partner, nor will you need your square dance costumes. Do, however, wear your flat dance shoes because we do a lot of swinging.

Our new officers for the year are: President Cynthia Scheets, Vice President George Sperry, Treasurer Bill Donaldson, Secretary Lisa Francesca, Bookings Jeff Folkins.
