DANCE-O-RAMA CHANGED!

The Dance-O-Rama Committee have announced that this year's D-O-R will be held on the Geneseo campus of SUNY. The campus is in a very scenic location, on a hillside overlooking the wide Genesee Valley, and don't forget that the first week in May is a time when many flowers and much of the green foliage are in full swing. The dance facilities are better than we have had in Brockport. Mainstream and Plus dancing will be in the Schrader gym, separated by a very solid wood partition and with bleacher seats at each end. Advance dancing will be in a smaller gym in a building right next to Schrader, with a short covered walkway between. Round dancers will have a beautiful ballroom in the Student Union, just across the road. Round dancers who have attended a summer dance held in Geneseo by the Reillys will be right at home, with both the room and the teachers.

Meals and snacks are available on campus, so there will be no dinner tickets required this year. For those who want to go off-campus, there will be a directory of nearby restaurants. This year there was only one square-dance shop who requested space at Dance-O-Rama: the Carriage House will have a spacious showroom right by the front door.

Of course the travel distance will be greater for folks who live to the northwest of the city, but there isn't very much difference for those on the east side. It will be less for dancers from Henrietta and Avon, and hopefully for folks from the Southern Tier who may be encouraged to come dance at our festival by the reduced travel distance. Besides that, most of the trip from the city is on expressway (I-390), and most of the rest is on a straight, well-paved, and lightly-traveled road (US-20A). The only traffic lights on the whole route to SUNY Geneseo are at the exit from I-390 and at the entrance to the campus itself: no more fighting the traffic and the traffic lights in Brockport and on Ridge Road or Spencerport Road.

The Committee regret having to change the location of D-O-R at short notice, but the decision was forced on them because the folks at Brockport have mechanical problems with the folding partitions and bleachers, and are unable to give us four rooms for dancing. And the Committee hope that you will be as pleased as they are with the excellent facilities at Geneseo.

THE LANGUAGE OF SQUARE DANCE PROGRAMMING

There seems to be a great deal of variety, and some confusion, regarding the designation of dance programs throughout the square dance world. At conventions, festivals, and club dances, and in various publicity releases and publications, one sees program designations such as MS+, MS Plus, Soft Plus, etc. What do these terms mean? Does MS+ indicate that the dancers should know some calls outside of the Mainstream Program? If so, which calls? Or does it mean that, in addition to Mainstream Program dancing, there will be some sort of added attraction?

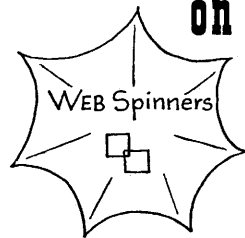

Terms such as Soft Plus really tell us nothing, since the "soft" part, like beauty, is in the eye of the beholder (or, probably, the caller for the evening). When one sees the MS Plus designation, he probably assumes that the dancer will be expected to know some of the Plus Program calls. However, which Plus calls does he need to know for that particular dance or caller?

(Continued page 4.)

SPOTLIGHT

ON

The Web Spinners' Club was founded by Bill and Judy Wilcox in 1967, when they came to the Rochester area from Minnesota. Bill had been a caller and he decided that to keep calling he would see about forming a club. Webster was the town that he picked, as Webster did not have a square dance club at that time. Hence, the birth of the "Web Spinners". Bill was the teacher for the class and caller for the club until he retired in January 1984. Upon Bill's retirement, Jerry Carmen took over the calling and has been with us ever since. Cuers were Rocky and Laurie Maggie; then in 1974 Gordy Copeland became the cuer. In 1984 we lost him and Sylvia to sunny Florida. Since that time Jody Mattice has been our cuer. For their long service to the club, Judy and Bill Wilcox and Gordy and Sylvia Copeland deservedly received honorary life memberships.

Our club has had many homes over the years, but for the last few and presently we are having our dances at the United Methodist Church at 169 East Main Street in Webster. We dance on Friday nights at 8:00 doing the Mainstream and Plus programs, and rounds.

Web Spinners have many special dances during the year: an Octoberfest, Christmas Dance, New Years' Eve Party, Valentine's Day, a style Show, St. Patrick's Day and then, naturally, we close our year of dancing with a Trail's End Dance. As you can see, we are very much a social club and hardly a month goes by without having something to celebrate. We always have a good turnout of members as these special dance, and with the excellent meals that are served it also shows that we have great cooks in the Web Spinners! Members Hilda and Len Fischer even compiled a Web Spinners' Cookbook, which contains our favorite recipes.

During the summer there is usually a family picnic and summer camp-outs for those who enjoy camping.

In addition to the club's scheduled events, the Web Spinners have also joined in many local parades and town events: Firemen's, local churches, Good Neighbor Days, and Fourth of July. We have dances on grass, concrete, and moving floats. There is always a good showing of dancers for these days, which makes them a lot of fun for the dancers and spectators.

We have our own special "Mascot", which was first given to Judy and Bill Wilcox. It was left on their front lawn. A famous (or infamous) "two-holer". since they received it in 1973, it has been passed around until most everyone in the club has had it at one time or another. Over the years it has been completely renovated. In 1976, the Bicentennial year, it was painted red, white, and blue. Since then it has had new red velvet upholstered seats and a lace paper holder added. Everyone who acquires it puts their names on it and then passes it on to the next unsuspecting victims.

At our dances, one of our guests receives a ticket for free admission to one of our dances that can be used at a later date.

The Web Spinners celebrated their 20th Anniversary last year, and we are looking forward to many more years of dancing together as a club.

Keep reading the **Promenader** for information on our upcoming activities. Or you can call the Presidents Fran and Nick Haldoupis at 872-3910 for any information concerning the Web Spinners.

The latest publication of the Callerlab Basic and Mainstream Programs makes it clear with this statement: "There is NO PROGRAM called the Mainstream/Plus program. No dancer is required to know Plus calls to attend a Mainstream open dance. If such calls are used, the caller is to teach them if necessary. Please advertise dance programs as Mainstream or Plus, NOT Mainstream/Plus."

Proper program designation help dancers find a dance where they can be most comfortable and can have the greatest enjoyment. Club officers must tell callers what program they are expected to call. We need to be more specific and careful in designating dance programs. Club officers and dancers need to be more insistent that callers adhere to the advertised program. Use of vague and incorrect programming language leads to confusion and frustration. Use of the proper terms aids both dancers and callers alike.

The correct program designations are shown below. Dancers should be able to dance, in accordance with their definitions, the number of basics or movements shown.

- Basic Program(B) - Numbers 1 through 49 on the Callerlab Program approved 3/30/88.
- Mainstream Program (MS) - Numbers 1 through 67 on the Callerlab Program approved 3/30/88.
- Plus (+) - The Mainstream Program and the 27 calls on the Callerlab Plus Program approved 3/30/88.
- Advanced One (A1) - The above programs and the 37 calls on the Callerlab A-1 Program approved November 1987.
- Advanced Two (A2) - The above programs plus the 42 calls on the Callerlab A-2 Program approved November 1987.
- Basic Challenge (C1) - The above programs plus the 69 calls on the Callerlab C-1 Program approved January 1988.
- Extended Challenge (C2) - The above program plus the 75 calls on the Callerlab C-2 Program approved March 1988.

Dear Marilyn and Bob:

Perhaps it is the "Editor" in me or the "square and round dancer" in me or a combination, but I always sit down and read, cover to cover, your latest **Promenader** as soon as it is delivered to the mailbox. Your December/January 1989 Issue did not disappoint me. It was great. I am pleased that we have an exchange policy with you.

I was particularly impressed with the thought which went into your Editorial, "Approaching Square Dancing from the Outside". I have photocopied it and handed it to Jim Ryans, the President of the Capitol District Square Dance Callers and Round Dance Leaders Association and a Callerlab member, and to National caller Red Bates who is on the Callerlab Board of Directors. I am encouraging them to bring it to the attention of their Regional and National organizations. Perhaps your idea will germinate to a new movement!

Keep up the good work. We need your continued assistance in promoting our Empire State Festival in Buffalo in 1989.

kindest personal regards,
 Dick Ellis

 Gen. Chairperson, Festival '89

To Federated Square Dance Clubs:

As the recording Secretary for the 88/89 year, and as a relative novice to the Board of RAF, I have become very frustrated! All clubs within the Federation receive at least one mailing per month from us, namely the Board Minutes. These are important and informative and impart solid information to the clubs. For example, recent information pertained to insurance for members, data on the up-coming DOR '89 and programs being pursued by Federation in an effort to help clubs gain and retain members.

The problem and its corresponding solution is simple! We need to have the current information on each club president, Sr. Fed. Rep., and Jr. Fed. Rep. Not all clubs hold elections at the same time (how delightful it would be if they did!) and it is terribly frustrating to try and keep our information current. The solution, again, is simple! All we ask your club to do is to have your club secretary inform Federation of election changes. This can be done in writing or a simple phone call to either Ralph Dell at 235-0477 or to me, Renee Deckard, at 865-7615. We share this information with all clubs by making a master list so that all clubs can contact each other if they wish.

We are only asking for a few minutes once-a-year to help us simplify and maintain a workable, up-to-date mailing list. We are counting on 100% cooperation on this request. Thank you!

Sincerely,
 Renee Deckard
 Recording Secretary, RAF

Our next dance is Sunday, March 19 at the Green Lantern Inn in Fairport at 2:00. Our guest caller will be Gary Pruyne from the Southern Tier. Gary is the regular caller for the Penn Yan Friendship Squares. Dottie Reed will be cuing the rounds. The election of officers for the 1989-1990 year will take place after the dance.

On Sunday, April 23, we will return to the Penn Yan Garage Hall. After the dance, there will be a "Silent Auction" - so start setting aside your treasures now. Two dates to remember for your calendar: August 18-20 will be our annual campout and picnic at Woodstream Campground near Galnsville, New York; our "short" trip to America's heartland (Ohio, West Virginia and Pennsylvania) will be September 29 through October 3. Our own Lou Vincent is making the arrangements with her travel agency. The trip will include some square dancing. Contact Will and Muriel Herzog or Lou Vincent for details.

Belles 'N Beaus

As the Club starts its 31st year, our Pot Luck Dinner and Valentine Dance, held at Wesley Methodist Church, was a great success. Many delicious dishes of food and yummy desserts were enjoyed. Many thanks to Jim and Jean Patrick-Maxwell and Cliff and Evelyn Laundry, and to all who made the evening of dancing so enjoyable. The Class enjoyed meeting and dancing with the Club.

Walt and Maureen Krasavage are proud grand-parents of a new grand-daughter. Congratulations.

We are looking forward to seeing Dave and Eileen Wasnock back dancing with us in the near future.

Lima Grand Squares

We really enjoyed Mike Harris when he came to call for us in January. We were even treated to Mike and Gary teaming up for a set.

Thanks to all of our guests who joined us for our Luau dance. We had great fun, with ten squares of colorful dancers.

Encourage your class members to join us when Mike Herne calls and cues for us on March 10. He's promised to bring "Puttin' on the Ritz". It's a tongue-twister of a record and a fun dance too. Come on out again on the 31st when we get to model some new fashions from the Carriage House Square Dance Shop at LGS Class/Club fashion Show and Dance. Show your support for your class with a good turnout.

Sandwiched in between, we'll be wearin' the green and celebrating our Irish heritage (weather we have any or not) at the LGS St. Patrick's Day Dance with Gary and Alice. We won't be dancing on March 24th in observance of Good Friday. Please check the schedule for the various starting times. We're looking forward to meeting you!

Glass Slippers

With a joyous fifteenth anniversary behind us, we're looking forward to another year of dancing with the many friends who came to help us celebrate.

Glass Slippers club says "Thank you" to all who wished us many happy returns. We've heard it said so many times: "you meet the nicest people square dancing." It's true.

On March 15, we'll have our Hoppy Easter Dance. (No, that's not a typo.) There won't be any dance on the 22nd and 29th, since school is not in session.

Our class has been kept busy between their weekly lessons and the many class-club dances in the area. They are literally having a ball. Having so many dancers enjoying the dancing together does add to the normal pleasure.

Bob Meagher has been doing some Plus workshops each week. Martie Brady is back dancing with us. Welcome, Martie!

Bill and Charlotte Graham are now the presidents of Glass Slippers.

Happy Easter to all our friends.

Copy Cats

We apologize for omitting the Copy Cat Club news in the February issue of the *Promenader*. We missed the deadline date. By this time we will know how successful our Valentine's Dance was at the Red Men's Party House on February 11. The Christmas Party we had at the Red Men's Party House was such a success we decided to have the Valentine's and Trail's End Dances there.

Many thanks to Tony and Mary Culotta for hosting our business meeting on January 25. The Copy Cat Beginner's Class is going strong, with thirteen couples learning to dance. We are looking forward to our mystery ride dinner and dance night on April 1. It could be a real fooler. The annual Swap-Around and Dessert Social will be held at the Bay Trail School on April 3. The Copy Cat Class has agreed to do the decorations and as usual The Copy Cat Club men will prepare the dessert. If you like garage sales, white elephant sales, or just good dessert make plans to attend.

Country Dancers of Rochester

I'm sorry that I don't have a more complete calendar for you this month: At my deadline time, Jeff Folkins was still lining up bands and callers. There will probably be our-of-town callers on the 16th and the 30th, but phone Richard Sauvain at 442-4681 if you want current information closer to the dance evening. The one evening you may want to double check on is Maundy Thursday (23rd). In past years, we had to start the dance late due to church services, so I am assuming the same will be true this year. It would be wise to double check by phoning Cindy (385-5586) or Richard.

If any of you plan to travel in the Boston area the weekend of April 21, you might want to visit the New England Folk Dance Festival held in Natick at the high school. Dancing is open to everyone - including children and spectators. All events are with live music. Dancing (square, contra, folk, English, Morris, Tango, Waltz, Western Swing, etc.) as well as musician workshops. Fantastic dancing exhibitions, international food booth, craft sale and displays, story telling, family events, and so very much more. The dancing begins Friday night and everything goes all day (9:00 to midnight) on Saturday, then starts again at noon on Sunday until 5:00. While it is o.k. to just watch, the program lists the "level" for each event and there are lots of newcomers to all the beginner sessions. (Did you ever want to learn how to play a penny-whistle, or dye an Easter Egg - Ukrainian style?) There is so much to do when your feet get tired. The best part is that everything is under one roof and shuttle buses run continuously to get you to and from the parking areas. Country Dancers always has ten to fifteen people attending and Ed Butenhof is one of the contra callers. I lead family dancing for parents and young kids. Some of our musicians sit in with the "festival orchestra". This whole event is put on by volunteers. No one gets paid. It is a New England tradition over fifty years old. Join us.

Boots 'N Slippers

What makes March merrier for those of us left in the North? The answer, of course, is good friends and good dancing. We sure appreciate the great callers and cuers who make this a reality.

We feel we must warn our fellow clubs that a maverick group of Boots and Slippers members have organized a "Banner Bandits" gang who will be striking unsuspecting (and suspecting) clubs in search of decorations for our walls. They've been instructed by our head "bandidos", John & Daphne Fink, not to be fussy. Pants and shirts will do fine if banners are not available.

With a caller's name like Michael Callahan, St. Patrick's Day has to be a special dance at Boots and Slippers. We hope many of our friends join us to help Mike and all our Irish friends celebrate on the 17th.

To make March merrier, we hope you will join us Friday evenings in Hilton. Mike Callahan will be calling every Friday we dance this month. Brian Adams will be cuing on the 3rd and 17th, the Libertis on the 10th, and Bill Saintey on the 31st.

Promenading B's

The Promenading B's will dance on March 3, 10, and 18. Our calling team of Bob and Sue Schlenker will be assisted by Betty and Bert Wolcott cuing rounds. We welcome them back from a trip south.

As a kid, I was often enticed to chase fire flies on a warm summer night, but seldom caught the fleeting, flickering candle. You can be more successful at our Annual Black Light Dance on March 18. The thrill of the chase will be as great but please don't try to imprison the captive in a glass bottle.

Our caller team of Bob and Sue Schlenker will provide a great evening of dancing for anyone attending Basic and Mainstream workshops. The dance will start at 7:30 in the Byron-Bergen High School and will offer the usual great refreshments and a "feature line" of western fashions from Linda's Western Wear. It is a bee-utiful sight to see the buzzing flight of yellows, pinks, and white. A honey of a time turns the hive into a frenzy. Bee there!

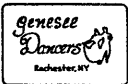

Part of the joy of life is watching your children explore new activities and seeing their revealing smile of revelation, "Hey, I like it." We are grateful for our recent very successful Open House and are basking in the radiant smiles of many new dancers. Nothing warms the hive more than the flutter of new wings.

The happy well bee-ing of a good hive is dependent upon faithful workers, and we wish to commend Angle and Alice DeFelice for the great spaghetti dinner. We so much enjoyed it last month. I am sure the word "Annual" was in everyone's mind.

A thought for the month: All of the best people may not be square dancers, but square dancers are the best people!

Genesee Dancers

If the delicious Valentine's Potluck Dinner and Dance were not enough, it's now time to don the green and come dance with O'Callahan and O'Slomcenski on Thursday, March 16.

Also, during March and April the club is sponsoring the only square dancing refresher program in the area, with Mike Callahan as the caller. The review course is open to the public and is designed to attract couples who haven't square danced in a while and would like to renew their skills so they can get back into the swing of things. The refresher course is conducted from 6:45 to 7:45 on Thursday evenings, followed each week by our round dance workshop and regular club dance, where visitors are always welcome.

As reported last month, the Genesee Dancers lost club banners to both the Wayne Westerners and Tecumseh Squares. Apparently we are viewed as an easy mark with the recent additional loss of banners to the Happy Hoofers and the Geneva Friendship Squares. Well, let it be known that the Hooper's president, Ed Bliet, isn't so "happy" since we stole his shirt (which shrank when we washed it). Let this be a lesson!

In closing, we wish a speedy recovery to Ray Schlesing and Ann Barney, and we are pleased to see Mary Scarciotta, Jackie Rogers, and Gordie Nichols back on their feet. In Mary's case, we're also pleased to see Ken off her feet.

Come join us at the Green Lantern Inn!

Irondequoit Squares

Along with the new season we have our new club officers: Presidents Dick and Janet Hamilton, Vice Presidents Bob and Vivian Bierre, Secretaries Ted and Aggie Taylor, Treasurers Dave and Anita Sprague, Reporters Gene and Lorrie Richman, Demonstrations George and Sylvia LaFave, Social Secretaries Ray and Pauline Gaul, Federation Representatives Ted and Ruth Phillips.

All club members sincerely thank the outgoing officers and welcome the new slate. We will be working to make 1989 another successful year of dancing and good times both for club members and our guests.

Another banner arrival with the new year was Peter David Bierre who is the third son for former members Kevin and Lisa Bierre. The proud grandparents are pleased as punch with their new grandson. However, since Peter is the third grandson, Bob and Vivian have placed a request for a granddaughter.

March and winter are hard to appreciate as we bask in the heat wave of January. Can spring be far away? Let's hope not, and to help us all anticipate its arrival come to our "Luck O' the Irish" dance on March 18. Sure a rollicking good time will be had by all.

A regular club dance will be held on March 4 as the warm-up for the 18th. This year both March dances are stepping stones to our dance on April 1. Who knows what will happen at a dance on April Fool's Day!

Club members are reminded to save those fantastic items they hate to part with for the May Garage Sale. The sale last year was a great success, both for those who bought and those who contributed. The sale date will be published in April's club news.

Just a note to say that the Which Way Whirlers are enjoying our dances and are always glad to see guests come in to dance with us. We love Mike and know you would also. Our Valentine's Dance was fun, and we are looking forward to our "Las Vegas Dance" on April 15.

Royce Leaton was back dancing with us, after his recent illness. So glad to have you back, Roy.

Several of our couples are going out to other clubs, dancing. If you see them on a corner, give them a Yellow Rock.

TEL-O-MARK

ROUNDS

Tel-O-Mark Rounds have just completed two very busy but enjoyable months. We have worked hard and long on "Amor Cha" and "And I Love You So". More recently, "Fox-Trot Tonight" and "Old Time Rock and Roll" have provided for a change of pace (or should I say "rhythm"?).

During March, our planned teaches will be:

- Week 1, "I Left My Heart" Phase IV +2 Fox-Trot
- Week 2, "I Left My Heart" Review
- Week 3, "Hernando's Hideaway" Phase V tango
- Week 4, "Hernando's Hideaway" Review
- Week 5, Cues' choice

Our Saturday Night Round Dance Parties are now a definite monthly activity. Dancers enjoy a wide variety of rhythms at all levels. (They also say they enjoy the refreshments.) These are open dances - the only requirements are that you enjoy good people, good food, and lots of great dancing. Upcoming dates are March 11 and April 15. Location is United Methodist Church of West Webster, 570 Old Ridge Road, West Webster. Time is 8:00 to 11:00.

Our Monday night class has completed their waltz basics and are looking forward to seeing all of you at their Open House on March 13. This will be a free evening of dancing for everyone. Dancing from 8:00 to 10:30 at the United Methodist Church of West Webster.

We will continue dancing on Monday evenings as an easy/easy intermediate club. We welcome anyone interested in dancing at that level to join us.

Planning ahead: We will not be dancing on Monday, April 3 nor Wednesday April 5.

Cloverleaf Squares

If March comes in like a lamb, Cloverleaf Squares members might be a little upset. March 10 our club spends the weekend at Oswegotchie for our annual winter outing - to ramble among the pines and ski. Think snow everyone.

On March 19, we will greet our guests from Genesee Dancers, Glass Slippers, Happy Hoofers, and Web Spinners.

March 26, Easter Sunday, Cloverleaf Squares will not dance. Happy Holiday!

Then, plans for the new Teen Square Dance Club we are sponsoring will be finalized. Scheduled for Friday, April 7 and April 14 are two free open house dances with free pizza. The dances will start at 7:30 in the Alcott Recreation Center on Alcott Road in Greece. (Alcott Road is across from Greece Town and Longridge Malls.) Our caller for this club is Les Bradt. Youths 13-18 are invited. On April 21, classes will begin from 7:30 to 9:30. (See our flyer in this issue.

Tecumseh Squares

'Tis the month of March, and as the saying goes, "The March Wind doth blow." It might be windy outside, but inside at Tecumseh Squares every Friday night we create our own breezes to the calling of Bruce Shaw. Come join with us.

Our write-up for February had gone out when we were made aware that one of our members has joined the ranks of the retired. Congratulations go to Howie Borden, who retired in January. May your years ahead be relaxing. Marian Ballu continues to recover very well and is looking forward to returning with us when she is able.

Thanks to all who attended our Mid-Term Ball; we hope you enjoyed yourselves. Next month we will hold our Wabbit Hop, which will be for class members also. Then from June through August is our Plus workshop and dance geared to help new graduates. To experienced club members, from 9:45 to 10:30 will be strictly Plus dancing.

Do join us for our St. Patrick's Day Dance on March 17. See the flyer in this issue of the **Promenader**. 'Tis the night everyone becomes Irish and the wearing of the green. It all starts at 7:30 with the rounds workshop.

You're always welcomed at Tecumseh Squares. Bruce Shaw is our caller, starting with Quarterly and Experimental calls from 8:00 to 8:30, continuing with Plus dancing until 9:45, and finishing with hot hash calls until 10:30. No dance March 24. During March George Burch will be calling.

Come and join us at the Red Men's Party House at 1001 Lexington Avenue. Park in the back and enter through the glass-enclosed doorway.

Swingin' Eights

Mike Callahan will combine with Bruce Shaw on March 18 to kick up a bit of SHAWNanigans at our "Never Too Late For St. Patrick's Day Dance". Traditionally, this annual event is our most rip-roaring dance of the year. Rounds by George Burch will round out this evening of fun. Come join us for a fun-filled evening.

Our regular dance on March 11 will welcome Batavia Silver Stars, Boots and Slippers, and Wayne Westerners as guests for the evening. George Burch will cue rounds beginning at 7:00 pm. Bruce Shaw will square us up at 8:00 pm.

Congratulations are in order for our new officers: Presidents: Ellie and Tom Anderson, Vice-Presidents: Sarah and Al Lichterman, Secretaries: Arlene and Will Shepler, Treasurers: Helen and Bill Klein, and Connie and Cees Valk.

Bob and Mattie McKay, class members, have won the stained glass etching of square dancers, which was donated by Doris Jenkins. Bob and Mattie are thrilled with their new work of art.

Keep April 22 open for our Class Level dance and ice-cream social. That night we'll celebrate Sundaes on Saturday, for a dance that is delicious as well as fun. Please share the evening with us.

Helen Young will enjoy a three month trip to Australia beginning in March. Maxine Schmidt should have returned with a tan from Hawaii where she spent fifteen glorious days.

On April 20 there will be a trip to Washington, D.C. for four days. And on May 17 a trip to the Beacon and a Magic Show and a tour of Niagara-on-the-Lake. For further information contact Dorothy Bircher at 342-0383.

We are sorry that Ralph Droney suffered a stroke and we are hoping and praying that he is improving. We miss Ralph and Dolores at the dances. We also miss Roxie Wahl who had triple by-pass surgery in January. She is improving everyday. Good luck to both!

Summerville Squares had to disband, but they are getting together for lunch once a month.

Morton Country Swingers

As February comes to a close, can spring be far away? Let's hope it can make a reappearance in March. After all January was really grand, don't you think so?

Attention all banner stealing clubs: Morton is on the loose! As an announcer on TV once put it, "Round and 'round she goes, and where she stops, nobody knows."

Well, the same applies to Morton Square Dancers: we go all over and no one knows where we will appear.

Hey, round dancers, why not give us a try some Thursday. After all, how many square dance clubs have one hour of rounds before squares? I will be working on easy intermediate rounds, or Phases Three and easy Fours. Give me a try. I'll be watching for you.

Well, square dancers, put out the winter blues by putting on green and join us for our St. Patrick's Day Dance March 16. Les O'Bradt will give us the jig and George O'Burch a lilting rendition of McNamara's Band. Try and join us. Don't forget where we dance, at the end of the rainbow, right next to the pot o' gold.

Looking into the distant future, we here in Morton (Yeah, way out there) and Glass Slippers of Brockport are planning a special dance. The date is November 12, 1989. We are bringing in Stan Burdick from Huron, Ohio. He and his wife Cathy are the editors of **American Square Dance Magazine**. More details later, but believe me, it will be a really big show. Hope to see you there.

Well, closing now, but remember, we in Morton hope to see you 'round a square.

Most Snowbirds have left for Florida,

 Some have left for Western climes,

 Before we go - news bits - a few
 To help along your planning;
 So--March this third month of 89--
 Is the time frame this is spanning.
 Our "Bunny Hop" is March the third,
 Please note the Friday time,
 Our biggest single annual "do",
 To miss it is a crime.
 St. Paddy claims the seventeenth
 As his own special day.
 We will celebrate a few days prior,
 On the fourteenth we will sway;
 Guest Club night the twenty-first
 Should bring us friends galore

Swinging Singles

Swinging Singles would like everyone to know that we will continue to dance at the Penfield Baptist Church, and hope that we will have a few more visitors since we now have a permanent home.

We would like to thank everyone who helped out on our Dick Leger dance; it was a big success. A special thanks to Charlie and Nancy Jennings for housing our visiting caller.

On March 6th, we will be having a Sadie Hawkins day Dance: Watch out, fellows! We will also be having an auction on that date of boxed desserts made by the gals of our club. The highest bidder for the dessert gets to dance a tip with whoever made it. Sounds like fun!

On March 27, we will be hosting guests from the Web Spinners and Victor Swing-A-Longs.

April 3, we will be hosting the Infamous Hip Boot Boys for a night of singing calls. "It will be more fun than a dozen whoopee cushions"...variety.

Save April 29th for a special treat. Dean Cromwell from Texas will be calling squares at the Penfield BAPTIST Church. Hope to see you there!

Once again, thanks to all who participated in our winter "Sno-ball Dance" to make it such a success, to Mike Herne for calling, to all the Victor Club and Class members for their support and help with the dance, and to the fifteen other clubs who participated. We want to make this dance an annual event.

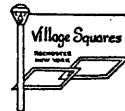

Our club sponsored an "Open House Dance" to area clubs and we thank all who came for making this dance successful. Thanks to all the Victor members for their refreshments and participation.

On Friday, April 28, we will be sponsoring a Graduation Ball. Mike Herne will be calling this dance. All club and class members are welcome and we encourage you to attend this special event. The dance will be held in the cafeteria in the Intermediate School in Victor.

We will be having our Class Ball on Saturday, March 11, at our regular meeting place. Class members from all the clubs are cordially invited. This is always one of the most enjoyable evenings we have. We would like to have all our members present to give their support to our fine class.

On March 22, our Easter Bonnet dance will be held. Let's see who can be the most original and the funniest. Accept the challenge, there will be prizes.

Last month, we held our Valentine Pot Luck dinner and as usual the food was plentiful and delicious. Our Class joined us and everyone seemed to enjoy it greatly. Except for a few groans about being too full, all enjoyed the dancing.

Wayne Westerners

Winter is going fast. It hasn't been too good for cross-country skiing, but real good for driving to dances.

The Wayne Westerners have had a fairly busy time. We have danced every week, somewhere - even if it was someone's house. We thank George and Virginia Closs for letting us use their lovely big old-fashioned parlor. It really gave us the feeling of the beginning of square dancing.

As the winter draws to a close we are beginning to think of spring and, naturally, The Apple Blossom dance in May. Be sure to mark your calendars, May 19, in Williamson High School. See you there!
