# *This-n-That* from the Editor's Desk

Hope your class lists are in to the Subscription Editors by now. That's the LeRoy address.

Please remember to send news, ads and Special Events to me at the Bergen address. If they go to the Subscription Editors, they have to be re-mailed to me, which takes two or three days more.

The Spotlight on Club Presidents makes a lovely addition to the **Promenader**. That whole project is made possible by Joan Sanford's willingness to execute it. Remember to thank her. The **Promenader** thanks the contributors for the material. I'm sure it will bring enjoyment to many.

Sorry to hear of Charlie Tucker's passing. To lose someone who has contributed so much, seems to accentuate the loss.

## HOW TO FIRE YOUR CALLER

By Jerry Carmen

This is a reprint of an article from the February, 1981 issue of the *Promenader*. It is perhaps time this be updated with an addendum I thought didn't have to be said at the time.

The title may seem a little drastic, but, like it or not, clubs do change callers and all too many times this results in broken friendship, dissension and hurt feelings. I hope this article will assist in reducing all this by presenting a reasonable approach that regards the caller as a human being with feelings who deserves common courtesy.

Callers, to begin with, should be professional enough to realize that they can be replaced for no other reason than the club wants to. The club, specifically the board of directors, has an obligation to be direct, honest and timely in their dealings with the caller. It is an unpleasant task to tell someone he is no longer wanted and there is a tendency to hold back and avoid confrontation. Most of the time, the thought of approaching the caller is more terrifying than the act. All too many times I have heard of another caller hired with not even a hint to the current caller or club membership. Perhaps at the last minute a letter is sent terminating him. I have even heard of a caller showing up at a dance and told by the club president upon entering, his services are no longer required and there is someone there replacing him. Upon stating he had contracts and promises, he was told they no longer had any meaning. What little wonder there is bitterness, resentment, and hard feelings! What damage has been done to the club and the square dance activity just for failure to act in a gentlemanly fashion!

For future reference to any who may be concerned, I would like to recommend the following steps be taken.

1. If there is a problem discuss it with him. Callers are rarely rarely replaced as whim and there is generally a problem, real or imagined, that is at the root. Invite him to a special board meeting and be open. Many times the caller can correct a problem he is unaware of, or point to a solution and things need not go any further. Communication is a valuable tool and is absolutely necessary for good club/caller relationships.
2. Broach the question of replacement with the club membership. The membership should be made aware of an impending change and their approval be sought. The board is there to serve the needs of the membership and to run the club smoothly. Such a move should have their approval or you may find your club split in two and in worse shape than before. Our activity should be open and fair to all, and to make such important decisions secretly is wrong. I recommend each club should have a procedure for selecting or changing callers written into their bylaws, then all will be aware of the process.
3. Be direct and timely when notifying the caller. In the event that differences cannot be ironed out, a caller should not be notified just prior or during a dance, and never by mail. It should be done face-to-face by a selected board member in a situation where the decision can be discussed if desired. It is absolutely unfair to wait until the end of the season because this often ruins the caller's opportunity for an alternate position on that night. Clubs generally hire guest callers, etc. from September to March for the following season. I know a caller who turned down two opportunities to call regularly on a night he currently called for a club. The board didn't notify him he was terminated until June, and by that time the positions were filled by other callers.

(Continued next column.)

## HOW TO FIRE YOUR CALLER Continued

The goal of this article is to encourage fairness and courtesy when dealing with callers. I'm sure this approach can be applied to others as well.

### Caller to caller relationships in dealing with clubs.

What is the potential incoming caller's responsibility? While it's true our caller's association has a code of ethics, club officers need to be aware that individual callers may be totally self-serving in their relationships with clubs and other callers. Beware of the caller that runs down the ability and performance of his fellow callers. Beware of the callers who lays the blame of the club's problems directly on the shoulders of your club caller. Beware of the caller that offers to undercut the fee of your caller. Beware of the caller that offers to solve your problems by taking over. A caller's relationships with his fellow callers is indicative of how he'll treat you. Certainly, the ability to get along is just as important, if not more, than technical ability.

(Continued page 16.)

After graduating from the GLASS SLIPPERS, where they currently serve as Presidents, they attended many other clubs. They took round dance lessons with the Libertis & have attended many International Square Dance Conventions, McMaster University in Hamilton, Ontario & Fling Fantastic in Niagara Falls, Canada.

Some of their activities in the club have included Secretary, Treasurer, Vice-President and they have served as Presidents of the Glass Slippers for the past year and a half.

## Lima Grand Squares

Joe and Sandy Le Berth have been married 19 years and have two sons. Their 17 year old attends Mary Cariola Childrens Center, where Sandy is presently President of Parents & Friends. Joe is employed at Sears at the new Irondequoit Mall. They are both active members of Lima Presbyterian Church.

They began dancing in 1987 and report that this year as Presidents of LIMA GRAND SQUARES has been an enjoyable experience. They have made a lot of friends and enjoy getting out and meeting more.

## Country Twirlers

George and Martha Haugs, Presidents of COUNTRY TWIRLERS, started Eastern square dancing in their teens and took Western style lessons with the Triggers in 1969. They served as Presidents & advisors for that club from 1971 to 1974. They joined Country Twirlers in September 1979 and have served as Vice-Presidents and Secretaries of that club.

They were married in a double wedding ceremony in 1949 and moved to Rochester from Niagara Falls in 1967. They have six children, ten grandchildren and spend most summers at their trailer in Canada, enjoying fishing and boating. Winter activities include cross-country skiing and Florida vacationing.

## Promenading B's

Rufus & Dee Maxfield, who are the current Presidents of PROMENADING BEES started dancing ten years ago.

Rufus has been a Physical Education Teacher-Coach at Churchville-Chili for 17 years. Dee is a professional supermom, bowler, and pianist. Together they run the morning segment of the "Wellness Program" at Churchville-Chili, which consists of aerobics, weight training and swimming.

They feel very privileged to serve an organization with such a long tenure and fine tradition as the "Promenading Bee's".

In the midst of all these activities, they have raised 60 foster children.

## Batavia Silver Stars

One of the most welcome signs of spring is the return of our snowbird friends from the south. It will be great to see them again at our dances. We have two dances scheduled for this month, April 7 and 21.

We have enjoyed dancing with our guests on Saturday nights at the YWCA. Bill has been giving us a fine Mainstream program and workshop of Plus calls.

If you're looking for a "Saturday Nite Live" come and join the Batavia Silver Stars on April 7 and 21. See you around a square!

## Belles 'N Beaus

With the snowbirds returning, we are looking forward to many fun-filled evenings of dancing. On April 2 and 9 our guest caller will be Bruce Shaw, and our guest cuer will be George Burch. Let's give them a big welcome. Don't forget, on April 16 we are dancing at the Redmen's Party House. Mike Harris will be calling.

Seven of our club members joined the Buffalo Harris Squares group of forty, hosted by Art and Vera Harris, on a Caribbean Cruise. The weather was beautiful and everyone had a lovely time in spite of some sea sickness.

The dancing season will soon be ending and our class of sixteen will be graduating on May 7. The Belles 'N' Beaus are looking forward to dancing with them.

Bob and Glenna Lovall are grandparents for the twentieth time. Congratulations.

Nine couples from the Belles 'N' Beaus danced with the Henrietta Friendship Squares. They not only retrieved our banner but acquired theirs.

Wishing everyone a happy Easter and along the way take time to smell the flowers.

## Boots 'N Slippers

Our appreciation is extended to Steve and Louise Baker and Don and Julie McWherter for their great coordination of our Valentine's Dance. A Trail End Dinner Dance will be held on May 18, at the Three Acres Party House. Club members will be \$20.00 per couple, friends - \$24.00. Dance only, \$6.00 per couple. This is an open affair for everyone to enjoy. Please call 342-8398 or 426-6345 for reservations.

We will be dancing this summer at the Hilton Firemen's Exempt Club, with Mike Callahan calling. The dates will be announced.

## Circul-8-tors

Our next dance is Sunday, April 22 at 2:00 pm. We return to the Penn Yan Grange Hall on Route 54A. Come and enjoy the budding spring in the beautiful Finger Lakes Area. Jerry Carmen will be calling the squares and Betty Carmen will be cuing the rounds.

The dance will also include our 'Silent Auction', so bring your extra items and delicious baked goods, and take home more than you brought. After the dance, we will go to dinner at the new Hill Top Harbor Restaurant on Keuka Lake.

Congratulations to our new officers who will take over July 1 for a two-year term. Covie and Betty Duncan will become Presidents and Bill and Marge Leeson will be our Vice Presidents. Serving for their second-year term will be Secretaries Fritz and Marje Aude; Treasurers, Marty and Mary Miller. Best wishes to all of you!

Guests at our April dance will be the Happy Hoofers of Canandaigua and the Kuntry Kuzzins of Newark.

We are all looking forward to our trip to Vancouver, British Columbia, and Alaska from July 25 to August 7. And our annual camping weekend will be held August 17 through 19 at Woodstream Campground in Gainesville, New York. Mark your calendars! For further information, call the number listed below.

## Cloverleaf Squares

Cloverleaves will be putting on other demonstrations for various groups throughout the year, so come and join in. The happiness you spread is well worth the time given!

We picked one of the more distant clubs for our first banner-stealing party of the year, but the journey didn't stop a hearty number of travelers from stealing a banner from the Lima Grand Squares! We look forward to their retrieving their banner, and warn other clubs to be on the lookout for green Cloverleaf badges! Our dance accommodations at the church are being refinished so we plan to help out by decorating the walls with your banners!

Our Teen Club will still be dancing on the first and third Fridays of April and May. We're planning a special final event for the group for late May before we break for the summer. The club will re-group in the fall and hopefully pick up some new members.

Our March class/club social proved to be a fun time! Class time is always busy, so it was nice to just sit around the fire at the lodge and get to know others! Many thanks to Carol Droney for getting us organized, and to all who brought games and food.

The first thing to note for April is that there will be no dancing on Easter Sunday, April 15. And next on the agenda, scheduled for April 21, is a Caribbean Casino night! In a tropical setting (or the best that can be devised at the church), we'll enjoy exotic foods and music, and try our luck at the tables (with play money of course). Watch for more information at the dances.

And don't forget the Cloverleaf information number. The recorded message is periodically updated to keep you in tune to what's going on.

Copy Cats

Spring has sprung! April showers bring May flowers and hopefully many other club guests to our Copy Cat dances. We are now dancing at the Presbyterian Church, 109 East Avenue, East Rochester, New York. For those who haven't found us yet, the church is located south of the East Rochester Plaza and north of Fairport road (31F). Added to our new location is a free half-hour of instruction in round dancing donated by our round dance cuer, Roy Keppen. This instruction starts at 7:30, so don't be late if you would like to learn some of the basics of round dancing.

On April 14th, we start off with our Dessert Social and Swap-Around dance. This is where the Copy Cat men bring their prize desserts and everyone brings their "White Elephant" gifts for the Swap-Around. Each item goes to the highest bidder at the end of the dance. Proceeds from the Swap-Around go to support the Copy Cat Square Dance Club. This will be a class-level dance and all classes are invited to join us. Hope to see you there!

Our Copy Kitten class will be graduating soon. We will list our new graduates in the May issue of the Promenader. We welcome them to the world of square dancing. Our thanks go to Membership Chairmen Joan and Paul Buccini and to "Chip" Kellogg for their outstanding dedication and guidance to the class.

## Country Dancers of Rochester

We have several guest callers coming to us this month. Maureen Vivino and her band are from Ithaca. Try them out. I do want to remind people working with the square dance classes that we do welcome class members any time. Each dance is "walked through" and the sequences are repeated enough times that the pattern is easily learned. Callerlab would like all square dancers to experience the world of contra dancing. Try it! It is a fun evening and we always have live music. Some of our callers are better than others for beginners. Ed Butenhof, Eric Rounds and Richard Sauvain do an especially nice job. At this point in time none of my favorite bands are listed. We are always developing new ones so each week can be a different experience. Many bands traveling through our area are programmed at the last moment. We are a favorite "watering hole".

Just a reminder to anyone that might be traveling to New England the week of April 20-22. That is the very famous New England Folk Dance Festival, in Natick, Mass at the local high school. (Square dancers like to think of the Club style of square dancing being the American folk dance, but this festival is American and International.) Truly folk squares: East, Southern, and West. A lot of contra dancing, clogging, international foods, crafts, folk art, exhibition dancing, activities for kids, and so much more. The best dance musicians in the country are on hand. Spectators are charged \$1.00, but anyone can register as a dancer. All levels of ability are scheduled. What a weekend!

One last note: Country Dancers want to congratulate one of their favorite dancers, Alan Butenhof, on his election as president of Cloverleaves. Nice going! (I'm not partial.)

TEL-O-MARK

ROUNDS

By the time this issue of the Promenader is mailed out, many of our "Snowbird" friends will be on their way back home, having forsaken the typical Rochester weather for the sunny climes of Florida. While they were away, Mark and Marlene gave us several dances comprising the entire scope of rhythms, from Fox Trot to Paso Doble. Some more interesting and challenging numbers are "on tap" for the current month. They are as follows:

- April 4 Moonlight Magic Phase V Rumba
- April 11 Moonlight Magic Review
- April 18 El Toro Paso Phase V Paso Doble
- April 25 El Toro Paso Review

West coast Swing has been judged by U.R.D.C. (Universal Round Dance Council) as being a new legitimate round-dance rhythm. In keeping with this format, there are some dances in this rhythm which will be presented in the near future. Just bear in mind that they will be more challenging than "I Love Beach Music". However, once we get to feel more comfortable with this rhythm, I'm sure we'll accept it as we do all the other round dances. Tel-O-Mark Rounds Spring dinner dance will be held on April 10 at the Redmen's Club. Hope to see you all there.

Until next month, pass the word of our schedule to your friends and remember - Keep Dancing.

Country Twirlers

Spring has sprung, as the saying goes, so let's enjoy! Jack Barnes will start our spring dancing off on April 7.

We look forward to graduation of our class on April 21, when the following couples will be welcomed to our club and the dancing community; Dave and Trudy Demarle, Bernie and Denise Heroux, Patrick and Sharon Kelly, Darcey Poole and Richard Warburton, Durwood and Diana Raplee, Don and Barb Sherman, Dick and Jackie Simpson, Tom and Diane Yehl, and Post-Graduates Bill and Ollie McHugh, and Steve and Josie Levine. May they enjoy many happy years of dancing.

On April 28, Bob Stern of Canastota, New York will be calling for us. If you've been camping at Stysh's Brown Barn in Boonville, you've probably danced with Bob. George Burch will be cuing the rounds. Come join us for a fun evening.

Hope you all have a very Happy Easter.

On the 28th, Al Overslaugh will be calling the squares and Dottie Reed will cue rounds. The Carriage House will be with us to display their various wares, "Kuntry Style". On February 5, we had our Open House. We would like to welcome all our new class members. We are proud to say that right now, we have two classes going on. A big thank you to Mike Harris for calling at our Kissing Kuzzins dance. Everyone had a great time. We had our first official dance with our new name on February 26. A great time was had by all. Thank you to all that came out to make this a big success. On April 30, we are having a Yellow Rock Dance. Lots of fun and surprises are planned for this evening. Also the first fifty people will receive a free dangle to remember this evening. We are always glad to see guests come and spend a fun evening with us, also angels are always welcome to come and help both our classes.

Emerald Squares dances every Tuesday night at the Green Lantern in Fairport. If you would like to have an evening of fun, come and join us. Bob Ellis calls all-position dancing with rounds in between. Bob is also teaching Country-Western line, which is a lot of fun.

Starting May 17, Bob will be having a Plus workshop. It starts at 7:00 and ends at 8:30. All you new graduates be sure and sign up.

Remember, dancers, there will be no dance April 17, as Bob will be away.

Emerald Squares Club is pleased to become a part of the Rochester Area Federation family. Emerald Squares is a caller-run club. There are no officers or committees, we just have a lot of fun. Do come and give us a whirl. I know you will have a great time.

## Finger Lakes Squares

Spring has finally sprung. We may have April showers, but that's better for square dancers than snow any day -- that is, unless you're a skier.

Liz and Miles had a nice trip to California to visit their daughters. We are sorry to hear the Square Roots won't be dancing regularly with us anymore. We will miss you. Come back and dance with us when you can. It's good to see Liz Marshall back kicking up her heels after her recent surgery.

Your reporters are off to Florida for a couple of weeks of R. and R. Sorry if we are not up to date on all the news. We neglected Jan and Mack when they went on vacation. Their fans were great. Hi, Jan. They are back now having fun -- aren't you, Jan and Sharon?

Bob is on the staff at the Clinton Festival April 20 and 21: a super dance, plan to attend. Don't forget Dance-O-Rama May 5th. Look for the Brown Barn Flyers, and also Bob's trip to Alaska in June.

## Genesee Dancers

Spring is in the air and our winter travelers are returning. We welcome back the Fitches and the Rusters from Arizona. And Andy and Nancy Andrews had a fantastic trip to Australia and New Zealand. It sure must have been hectic with a total of seventy-five plane and boat trips! And now again six of our couples are off to a square-dance weekend this month at Roaring Brook in Lake George, New York. Happy dancing!

We have congratulations to pass out also: Ed and Ann Barney had their 45th wedding anniversary, Doug Arnold and JoAnn Gould are recently engaged, and Jack Dodsworth retired.

Our refresher dance group of twelve couples is doing great and the club is looking forward to dancing with them.

Tribute: With sadness, we announce the death of cuer Charlie Tucker, of Las Cruces, New Mexico, a founding member of Genesee Dancers.

## Glass Slippers

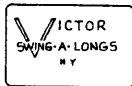

Happy Easter to all our friends in the square dance community. We have enjoyed going to other clubs' dances. When twelve of the Glass Slippers visited the Which Way Whirlers in Pavilion, we had two goals in mind: to have a good time and to steal their banner. Unfortunately their banner was not available. Because it was such a cold night, we didn't think it would be charitable to take Mike Herne's shirt (or trousers), so we have an I. O. U. from the club. What a lot of fun we had!

One night we had a strange guest caller. It wasn't Buffalo Bob (who was in Rochester). It was Brockport Bob - a sight to remember!

April is a short month for the Glass Slippers because of Easter vacation. Our guests on the 11th will be the Cloverleaf Squares and the Silver Squares from Greece.

## Victor Swing-A-Longs

Spring has arrived, so maybe some of our winter cocoons will be coming to more dances.

Thanks go to all the other clubs that invited our group to be guests at their dances. We couldn't always take part due to other commitments, but we do appreciate the invitations and hope you remember us again.

In the planning stages are an ice cream night in early June and also an end-of-year picnic.

## Lima Grand Squares

We wish to thank everyone that turned out for Kathy Rosier's Fashion Show on March 2. The Cloverleaf Squares also paid us a visit that same night and left with our banner and Gary's shirt. I guess they couldn't wait for Kathy to make them a shirt.

Our St. Patrick's Day Dance sure brought out the Irish in all of us. A lot of "blarney" and green were about. We wish too thank the Carriage House of Auburn for once again having a great fashion show for the club and all our visitors on March 30. We also wish to thank Chip Kellogg for calling for us on this night as our guest caller. Fun was had by all.

We will be dancing in April on the 6th, 13th, 20th and 27th. The dance on the 20th, will be a class club dance. On the 27th, it will be a club dance.

We are busy getting ready for the Lima Grand Squares annual May Pole Dance on May 4. Our class will graduate on May 11, and that's the same day as our Ice Cream Social. Watch for more information in next month's issue.

## Swingin' Eights

April brings showers to Rochester and a bundle of activities to the Swingin' Eights.

The Easter Bunny has a special invitation to join the Swingin' Eights on April 7. Members and guests will be greeted by the opportunity to participate in a most unusual Egg Hunt. What will be hidden in your egg? Perhaps a chocolate surprise, or even a yellow rock. Those wascal wabbits, Bruce Shaw and Bill Sain-ty, will be up to their old twicks. Come, join us for fun and folic.

Sundaes on Saturday will be the dish of the evening on April 28. Yes, it's our popular annual ice-cream social. You can have your sundae to order, with as much goo on top as pleases your palate. In between tips, you can browse through our next-to-new treasures, and purchase whatever tickles your fancy. Members are reminded to dig deeply into their attics, and bring the fruits of their house-cleaning that evening. All profits will be turned over to the Swingin' Eights treasury, of course.

Congratulations are in order for long-time members Mike and Mary Prado. They celebrated their 60th wedding anniversary last month. We wish them good health and happiness in the years to come.

The Swingin' Eights dance twice each month on Saturday nights. We're a friendly, fun-loving group, just waiting to square up with you. Visit us soon!

We at Silver Squares have been enjoying a good time dancing at different places, such as Summerville Church and Pinegrove Center, because our Senior Center was closed on a few recent Mondays.

Some news of our members: We understand that Dorothy Bircher and Mabel Wordingham had beautiful birthday celebrations recently. Congratulations to goth gals! It's nice to see Rita Sullivan and Howard Hendrickson back dancing with us again. Hope you both keep coming!

We are very sorry to report that Maxine Schmidt was hospitalized recently. We send our very best wishes to her.

## Tecumseh Squares

We hope that everyone is forgetting the winter and getting into the "spring" of things. Just in case you've gotten spring fever, we have the cure - our Spring Swing on April 20. Join us and Bruce Shaw and the Libertis for a fun evening. You know when spring comes that Dance-O-Rama is never far behind. Save the date of Saturday, May 5 and travel out to Churchville-Chili High School for the day. This is always a good opportunity for our class members to celebrate their graduation by strutting their "stuff" at DOR.

One of the ways we got through the winter was by dancing at Nursing Homes. If you've never been to one with us, you've missed the most appreciative audiences in the world and some of the biggest smiles that you can imagine. Why not join us next time?

If you missed our recent Mid-Term Ball, you not only missed a fantastic dance, but also a great display of decorations. Charlie Brown's Snoopy took over the big hall at Redmen's and turned it into a real eye catcher. Many thanks to Andy and Harge Dornin and their committee for spending many, many hours in preparing so many great decorations.

Please note that we will not be dancing on April 13, Good Friday. We wish you all a happy and Holy Easter.

## Triggers

A few of us were rusty when it came to bowling on February 18. Fortunately by the third game the scores had improved. Our top bowler was Joe LoVerde. Afterwards, we enjoyed a buffet supper.

Thanks to everyone who made our big event of the year, our Bunny Hop, so successful. It drew an enthusiastic and fun crowd.

We all wish you well, Mabel. We miss you.

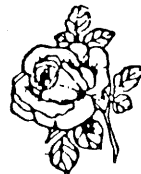

On April 3, we will have Mike Harris as guest caller and Jody Mattice as cuer. No dance on April 17, because the school is closed for Easter. On the 24th look forward to our ice cream social. Yummy!

On February 18, we had a very enjoyable "Everyone's Birthday Party". We exchanged gifts and there was a generic doll that really got around. Barb Perricelli did a beautiful job on dolly. Toilet paper always is a necessity.

For our Cabin Party on April 8, our officers are cooking and catering. Very interesting!

Being planned for June is a combined campout at Sampson State Park with Curly Q's as our guests. Last July, we were their guests at Campbell Camp Ground and had lots of fun.

## Village Squares

February was highlighted by our Valentine's Class/Club Dance on February 14, with a goodly number of guests from other classes making up our nine-plus squares. Our beloved Jerry Carmen was very creative in his calling at the class level, and the dances were enjoyed by one and all.

We again suggest that you quickly pencil in our International Dessert Night Dance on Wednesday, March 28. It would be a shame to miss these sinfully delectable delights!

And then, with pencil still in hand, please mark your dancing calendar for our After-Tax Dance on Wednesday, April 18, when you can commiserate with your fellow taxpayer-paupers over a bowl of Hobo Stew. Shabby clothing in keeping with your financial status is most welcome.

We will have no dance the following week, so beware of our banner stealing crews descending upon you! Our Banner Jail is almost devoid of trophies, so we plan to aggressively replenish the inventory.

We look forward to the annual Northern migration of our "Snowbirds" from Florida and other Sun Belt areas. We missed them during our snowy, blowy winter season. We also look forward to having our wonderful flyer designer, Sharon Morales, soon return to action after recovering from her badly sprained ankle.

## Web Spinners

The wintry weather did not phase the warm hearted Valentine's Dance square dancers. All of the activities were kept moving by the dance promoters, Marion and Arnie Read, following Cupid's directions.

The following week, a Mystery Night was organized and the Web Spinners found themselves dancing with the Tecumseh Squares. A very entertaining dance was enjoyed by everyone.

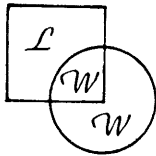

In March, we will have had the graduation of our dancing class and then the election of officers. Both events are important to the continuance of our club.

The St. Patrick's Day Dinner-Dance was the usual success, due to the delicious Irish dinner followed by energetic square and round dancing. During the evening some green monsters joined in the fun to keep the spirits moving. Our heartiest thanks go to the Bodensteiners and the Ferrars for setting up this pleasurable affair.

The Trails End Dance will be held on the 27th of April at the United Methodist Church Hall starting at 6:30. Festivities will be conducted under the directions of the Johnston's committee.

REMINDER

The following is a poem written for Maryln Dailey's Mother, Evelyn Bovee. The author, Pocahontas Denny, nicknamed "Pokey", is a wise and amazing woman. She corresponds (about 25 letters daily) with both ordinary people, and famous such as presidents, world leaders, movie stars, etc. They often send autographed pictures to her, which she has used to decorate her living quarters (a most interesting place). She has brought happiness to many with her correspondence. One day, she just made up the following poem, and gave it to Mom. I thought you might enjoy seeing it just as she wrote it.

It made me think how important it is to take the time to send that little flower, or do that small deed of kindness. Shortly afterwards, a very small seed of kindness planted long ago and long forgotten returned to me greatly magnified. What a rich beauty that little seed had become. I guess we have to plant many as they don't all take root, but we certainly are obliged to pass on any we are fortunate enough to receive.

~ Id Rather ~

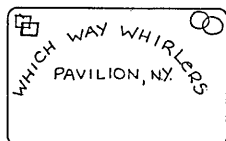

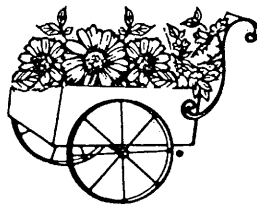

Id rather have one little flower  
from a garden, of a friend;  
than flowers strewn around casket  
When my life comes to an end.

Id rather have a little smile  
from a friend, I know is true;  
than tears shed around my casket  
When I bid this world adieu.

so send me a little flower today,  
Whether yellow, white or Red.  
Id rather have one little flower to-day,  
than a truck load when I'm dead,

Well, April brings two big events for our club: First, on April 6 we are having a CCC Dance (Class-Club-Cancer). We are hoping for a big turnout, not only to give new dancers a chance to kick up their heels, but also to raise funds to fight cancer. So come and enjoy yourselves and be a part of helping others less fortunate.

On April 27 our new dancers will graduate into the world of square dancing. We have six couples this year, and like last year's class, we are sure they will make a great contribution to square dancing.

Don't forget this coming May 6. We will have Jim Lee (Canada) doing the calling and Bob Slomcenski cuing the rounds. Hope to see you all

The sole purpose is fun and more fun.

To help with your individual "problem calls", Irondequoit Squares features between-the-tips workshops, tailored to your specific needs.

Something new at Irondequoit Squares is our Trading Post. Come and find out what is all about. If you want to trade something, this is the place.

We've hired Bob Stern to be our caller,  
The evening's planned for everyone's delight.

## Henrietta Friendship Squares

"Stealing" banners and having them "stolen" from our club has proven to be a great deal of fun this year. We have met many new and interesting people. The Village Squares were so cordial and friendly when we visited them that we really felt at home! Eight of our couples drove to Fairport to retrieve our flag and "steal" theirs.

When three squares from Belles 'N' Beaus joined us for banner-swapping, our club members couldn't stop talking about how much fun they were.

Thanks to both clubs for the enjoyment you have given to our club members. We hope to keep the flags moving by "stealing" more. Feel free to come to our club any Wednesday evening and "steal" ours, or Gary's shirt if all of our banners are gone.

Please note that there are only three dances in April because of the school holiday during Easter Week. There is no dance April 18.

## HOW TO FIRE YOUR CALLER Continued

What is unprofessional behavior between callers with regard to clubs? Unprovoked deliberate actions or words that negatively affects the status of another caller. Caller training programs warn novice callers to avoid taking opportunities to call at the expense of other callers. The following are excerpts from the CCR Code of Ethics:

**A caller must not accept a club without first talking it over with the replaced caller.** "Taking over" a club which has had problems usually means there are two sides. A caller coming in has problems to start with. It has been proven that if more callers would refuse taking over a club and urging the leadership to reconsider, there would be fewer callers dismissed. This is called loyalty among callers. The eagerness to call at whatever price is not a professional attitude and in the long run does not benefit either the caller, the club, or the square dance movement in the area.

**Gossiping about another caller's problems, ability or personal matters is taboo.** Callers are always in a position of being asked for an opinion on other callers' club situations, etc. Regardless of the situation, no caller should ever discuss another caller's problems with dancers.

Hire a caller like you would hire someone to side your house or take out your appendix. Look at his credentials and talk to those who hired him before you. If you can't work as a team with the caller, it doesn't make any difference how good he calls.
