Dear Grads,

Hope you are as delighted with Western Style Square Dancing as we are! It has many aspects: various dance programs, sewing, art, travel, leadership, service roles, etc.

We hope this issue of the **Promenader** will: welcome you, introduce you to the local square dance scene, encourage you to keep dancing, and thank you for becoming a square dancer.

Take a look at the schedule of dances on the last couple of pages of this issue! We're all very proud of such an extensive list of dances. You'll see some with an "M" after the starting time. The M indicates the Mainstream program. Upon graduation, you should be familiar with this program, and these dances should be appropriate for you. It is advisable to dance this program for about two years before attempting others.

Welcome aboard!

Bob & Maryln Dailey

REPORTERS next issue is the biggie - covering the months of June, July, August. Please send a three-month schedule and a news item. Biggie for me too: anything received before the deadline (May 3) will be most appreciated, anything after certainly won't.

It's very advisable to send Open House information also, so that it can be included in any advertising that may be issued this summer.

The **Promenader** is published by the Rochester Federation of Western Round and Square Dance Clubs, Inc. The editors reserve the right to edit, omit, or delete any material submitted for publication.

Subscriptions: \$6.50 per year for nine issues: Nov, Dec/Jan, Feb, March, April, May, Summer, Sept, Oct; or \$.85 per issue.

CHARLIE TUCKER

Our founder, Charlie Tucker, passed away January 11, 1990.

Charlie and Perkie Tucker came to Rochester from Pennsylvania and in 1955 enlisted the help of Waldo and Bea Westwater to form the first adult Western Square-Dance group in the area, which became the Genesee Dancers in 1956. (Ed. note: Earlier in 1955 the Teen Twirlers club was founded by the Westwaters, starting as a group of Girl Scouts and Boy Scouts who put on an exhibition of square dancing at the dedication of the Rochester War Memorial.) The Tuckers very soon became enthusiastic about round dancing, and cued and taught round dancing until they left town. In the late fifties they founded the Fiddle-A-Rounds, and in 1969 the Perk-A-Laders (named for Perkie).

In 1976, they retired to Las Cruces, New Mexico, where Charlie managed a trailer park. Perkie died four or five years ago.

Having been top-notch round dancers, the Tuckers not only taught the steps but included styling, which made the dances lovely to watch.

Those of us, who were fortunate to be taught by them, have missed them, but are happy to have had such fine teachers. The Rochester area square dancers and round dancers owe our founders a debt of gratitude.

LETTERS TO THE EDITOR

Dear Maryln,

The Genesee Dancers celebrated St. Patrick's day with a Michael Callahan Recognition Night. Sallie and Ken Paul wrote and presented the saga (that appears at the end of Genesee Dancers Club News) which I feel will be enjoyed by all who know and love Mike Callahan.

Dot Clause

Dear Maryln,

I would like to call attention to a mistake that was made on our article that we sent to the Promenader for the March issue. This is not to complain but only to call your attention to it. Mistakes are not made on purpose, I know because I make them myself.

The paragraph that is highlighted was left out completely which changed everything, totally.

I want you to know how much we do appreciate all the time and effort you folks put into our magazine. You make is all worth while.

Thank you for listening.

Name withheld by Editor

(Thanks for the constructive criticism. Because you took the time to let me know, I have been able to locate why the mistake was made, and hopefully will be able to avert future mistakes.

My apologies for the confusion the error must have created. -M.)

LETTERS TO THE EDITOR

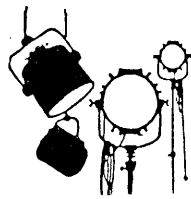

Dear Editor,

We thought the Village Squares' Greater Rochester Talent Hunt Dance was so well received by the participants that the idea should be picked up by other clubs next year. It would help broaden the friendship between clubs, a desirable Federation objective....

...This idea of sharing amateur talent from many clubs for an evening of fun is one which should be repeated and expanded every year.

Wil Selbrede

(See details of dance in Village Squares News.)

SPOTLIGHT ON CLUB PRESIDENTS

Wayne Westerners

Lee and Dave Morris are Presidents of Wayne Westerners and hail from Williamson. They began square dancing in 1987 as the result of attending an open house which Lee and her friend thought would be good for the husbands.

Lee is employed part-time by Moshers Pharmacy and Dave is an employee of Xerox Corp. They are members of the Ontario Baptist Church where they are both actively involved. In their leisure time they both enjoy camping, walking together (they were former joggers), gardening and spending time with their children and grandchildren.

Their current goal for square dancing is to revitalize it in Western Wayne County.

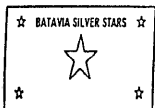

Copy Cats

Paul and Pauline Brown are Presidents of the Copy Cats. They are proud of the fact that they have been able to mix being very active square dancers in addition to being the parents of six children.

Both challenges have kept them "on their toes!" They will be celebrating 33 years of marriage this coming July.

Paul worked as a scheduler at General Dynamics and Xerox. He is presently employed at Pfaudler. During the summertime, the Brown's can be found at their cottage in Honeoye, enjoying boating and fishing. They also enjoy watching the rest of the family water ski and jet ski. Another favorite pastime they are partial to is playing Euchre and Pinochle in their recreational time.

Batavia Silver Stars

Dean and Nancy Fincher, Presidents of Batavia Silver Stars, graduated from the Batavia Twirlers Square Dance Class in 1963. Dean and Nancy remember their first club dance when they felt that everyone was staring at them, so they felt they were making too many mistakes.

Now here it is 1990 and their beginning fears are behind them. Now they are just enjoying the fun of learning and relearning hundreds of different calls.

All of their five children have taken square dance lessons but only one, Joy, is still actively dancing. At present, Dean and Nancy dance at least 3 nights a week and are members of two clubs. Making square dance dresses is one of Nancy's favorite hobbies. The Finchers have made hundreds of friends in their square dancing career, just don't ask them to remember all of their names.

Circul-8-tors

Will and Muriel Herzog, are Presidents of the Circul-8-tors and have been square dancing since 1984. They are currently active members of Village Squares, in addition to the Circul-8-tors. They dance the Plus and A1 programs and also round dance at the intermediate level.

They have served terms as Treasurers and Vice-Presidents of Village Squares.

They joined Circul-8-tors in 1985 and have actively participated in the club's annual trips, campouts and monthly Sunday afternoon dances. They served two years as Vice-Presidents and are currently in their final year of a two year term as Presidents.

Will is also a neophyte caller and hopes to become more involved in this activity when their current term of office expires, time permitting.

CLUB

NEWS

Wayne Westerners

We hope every one will support the Federation and attend the Dance-O-Rama. It sounds as if it will be an unusually good dance this year, with four outstanding callers. And don't forget the Apple Blossom Dance on the 18th!

Our Trail End dancer is planned for the 31st of May, and that will be the last of our scheduled dances for this year. But don't forget that we will be seeing everyone at the picnic and camping weekend later this summer, so have a good summer, and we'll see you all in the fall.

Circul-8-tors

April showers bring May flowers and the next Circulators dance on Sunday, May 20 in the Grange Hall on Route 54A in Penn Yan at 2:00 p.m. Chip Kellogg will be calling the squares and Dottie Reed will be cuing the rounds. After the dance we will be going to the new Hill Top Restaurant on beautiful Keuka Lake for dinner.

Our Silent Auction last month was a great success, with many items changing hands. Our next big local event is our summer campout and picnic on August 17-19 at Woodstream Campground in Gainesville, New York. I guarantee we will not have rain this year!

There are still a few spaces available for our exciting trip to Vancouver and Alaska from July 25 to August 7. Please call Will and Muriel Herzog at the number listed below for details.

Hope to see you all at Dance-O-Rama on May 5.

Copy Cats

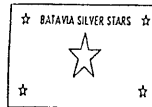

Congratulations to the following graduates of the Copy Cat Square Dance Class: Neil and Fran Brackley, Dick and Diane DeMarse, Bill and Jane Dick, Joe and Elaine Durnherr, Joe and Pat Hammele, Dick and Adrienne Hutcheson, Bill Chappell and Liz Sammons, Jim Donaldson and Connie Spencer, Pat and Caryl Sweeney, Bob Berray and Judy Turner, and Dick and Dee Wickman. They are now prepared to enter the world of Western square dancing. We hope to see them all at Dance-O-Rama on May 5th.

On May 12, 1990, the Copy Cats will be having their annual Mystery Ride. The plans are to meet in Wegman's parking lot (Penfield store - 2157 Penfield Road) at 6:30. For those who have never attended our event, the Mystery Ride is a follow the leader type auto rally where you try to guess which square dance club we are going to visit. Each vehicle is given a panic envelope to open in case you get lost.

We have been enjoying our half-hour free round dance lessons taught by Roy Keppen before our regular dances. We hope you have too!

First of all, we want to thank all our guests for making our "Leprechaun Twirl" such a huge success. Our caller Bill Ryan and George Burch did a splendid job of calling for our Irish dance. Many thanks to our class and club members for their total cooperation.

Our May schedule will include the 12th and the 19th. We are looking forward to Dance-O-Rama on May 5.

Country Twirlers

We would like to thank the committee of Haungs, Fieges, Schaumans, and Wachobs for the beautiful decorations and wonderful Gay 90's Party on March 31. We had a sexy dance hall girl (Norma Dolan), honky-tonk piano player (Bill McHugh), and barbershop quartet (Briggs, Dewind, Sherwood, and Haungs). What fun!

Jack Barnes will be here May 12 for a make-your-own Ice Cream Sundae Night. So forget the calories, choose your favorite topping, and enjoy.

Our Trail End Dinner and Dance is May 19 at the First Baptist Church in Chili, 3182 Chili Avenue. Punch and appetizers will be served at 6:00 and a Roast Beef Dinner will begin promptly at 6:30. Donation for dinner and dance for club is \$12.00 per couple and \$17.50 per couple for guests. If you cannot join us for dinner, please feel free to join us for dancing at approximately 8:00. Reservations for dinner should be in by May 12.

Our picnic-dance-campout is June 2 at Lake Side Beach State Park. There will be games and activities during the day. Meats and beverages will be provided for a picnic dinner at approximately 4:30, and each family brings a dish to pass. Gary Bubel will call the square dance in the evening. You can come just for the day or you can camp for the week-end. For reservations and information, please call Ed Briggs at 594-9306.

Don Maxim is recovering from surgery. Hope he's well soon.

Hope to see you at the Dance-O-Rama on May 5.

Genesee Dancers

At our St. Patrick's Day Dance we honored our favorite leprechaun, Mike Callahan, for his sixteen years of calling at Genesee Dancers, with a tribute in verse composed by Sallie Paul, read by husband Ken. (See end of news for this verse.) We also presented Mike with a plaque denoting his dedication and our appreciation. Our honoree was a vision of green in his leprechaun attire and six squares from the Tecumseh Squares arrived "en masse" in a sea of green on the dance floor with Bruce Shaw in the lead, playing bagpipes and wearing his kilts. What an entrance - a surprise to Mike!

This month Mike will be workshoping the following: Chase Right, Peel the Top, 3/4 Tag, and Spin Chain and Exchange the Gears. On May 10, we've invited the Victor Swing-A-Longs and the Cloverleaf Squares to be our guests. Also in May we have seven couples who are off to attend the Toronto and District Square And Round Dance Association's 29th International Convention at McMaster University in Hamilton, Ontario, Canada, and will be housed in one wing of the fourth floor in Moulton Hall. When they're not on the dance floor, you just might find them playing bridge (while resting those dancing feet). It's a weekend of good fun, good food, and great friendships.

We're having a Spring Gala Maypole Dance on May 17 featuring our cuer, Bob Slomcenski, in recognition of his fourteen years with Genesee Dancers. The accent will be on round dancing at all levels and, as a special feature, we plan to have three rounds between squares for this evening. See flyer in this issue.

Looking ahead, we have our Trail's End Dinner Dance coming up on June 7th. Your party hosts for this night are Nancy and Andy Andrews and Billie and Wes Jembrock featuring an "Around the World in 80 Days" theme. See flyer in this issue.

THE O'CALLAHAN SAGA

Once long ago on an isle o'er the sea,
A chieftain sat with his child on his knee,
He looked at the boy and he pondered and thought;
He considered their life and became overwrought

He envisioned the future, of the life they'd be lead-
ing,
Of clans and of wars, and of fighting
and bleeding.
Of taters and famine, of hunger and cold;
No sunshine, no rainbows, no pot of gold.

He made a decision, he assembled his clan,
They would flee; they would migrate, they would
leave this rough land.
A new life awaited with dreams to fulfill,
They could savor their freedoms and harvests at
will.

Farewell to the land of the shamrocks and fairies;
Farewell to the land of the maids who were merry;
Hello to a land of mountains and sunshine;
Hello to a land of gold wheat and grapevine

And so life continued, and with passing years,
The O'Callahans prospered and astounded their
peers.
The babe Michael Patrick o'Callahan grew;
Everyone marveled at all that he knew

Marlene Henrie

(315)524-7654

This precocious youngster with a gift for the gab
Endeavored to develop the talents he had.
He tried public speaking, but to his dismay,
His language was strange; folks just wandered away

After several false starts, his anger was burning;
He knew he was right, there was no returning.
His ire was growing, and starting to show;
He irritably told them just where they could go.

And to his surprise they followed his lead;
He couldn't believe that his orders they'd heed.
So he worked and he studied to learn how to call
Directions to yahoos who dance in a hall.

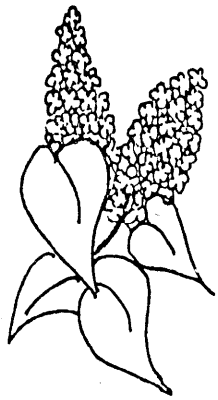

He'd square up the couples in small groups of eight;
They wore funny clothes, and they all brought a
mate.
He's sing out with gusto and make them all smile;
They learned how to dance, and to do it with
style.

His voice was admired, much acclaim he received;
Dancers came from afar for the magic he weaved.
The halls were now filled with dancers galore,
And soon there was no more room on the floor.

And singing his calls to the musical beat,
His words were transposed to the shuffling of
feet.
Some danced to the music, some raced through the call,
Some followed him blindly, and some not at all.

The Grand Squares awaited his Cloverleaf style;
We could Swing Thru the night and Circulate for a
while.
Yellow Rocks Exploded in Waves from his head
(Which is better than finding them tucked in his
bed).

Belles 'N' Beaus

Time flies when you're having fun dancing with the Belles 'N' Beaus and another season will soon be ended. We extend our sympathy to Frank Whitty on the loss of his brother-in-law.

Best wishes to Florence Whitty who recently underwent surgery. We hope that Florence will be back dancing with us soon.

Congratulations to the class of 1990: Bob and Connie Cirre, Richard and Lisa Clement, Ron and Shirley Collura, Leo and Gretta Hess, Gordie and Ellie Lavelle, Eric and Karen Mansfield, Arthur and Irene McMichael, John Noto, Jill Lecoint, Nellie Santelli. May they enjoy many happy years of dancing. We look forward to dancing with you and enjoying your company.

On May 14 there will be a dance for both class and club.

Our Trail End Dance is May 18 at the Red Men's Party House. Get your tickets early. Everyone is invited for an evening of fun, food, and frolic.

Another big thank you to Art and Mike Harris for a splendid year. Summer events will be in next issue. Information Reporters, 663-0114 Jesse and Ethel Sarafin

May is the month when many clubs terminate their season, but Tel-O-Mark Rounds will be dancing every Wednesday night all summer. The monthly dance parties are being well attended and Mark and Marlene deserve a great deal of credit, for without their total commitment to round dancing we would not enjoy the activity as we do now. We will not have our regular monthly dance in May because we had the 2nd Annual Spring Fling on April 29. Everyone who attended this great event had a good time. Keep checking the table of flyers at your various dances for the time and date of our next monthly dance in June.

- The dances to be taught in May are:
- May 2 Just Called Phase V + II Rhumba
 - May 9 Just Called Review
 - May 16 Blueberry Hill Phase V West Coast Swing
 - May 23 Blueberry Hill Review
 - May 30 Review as necessary

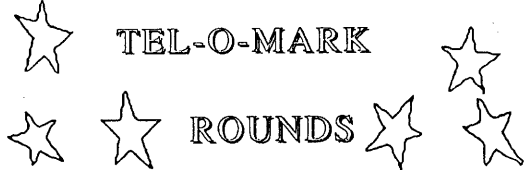

Until you hear from me again, keep your life exciting by dancing. Information Reporter, 315-524-7654 Don Tracy

Kuntry Kuzzins

Kuntry Kuzzins will host Larry Dunn as caller on May 12. Dottie Reed will cue the rounds. Come to Kelley School in Newark, New York, for good Western square and round dancing. We dance from 8:00 to 10:30.

This is our big dance for May. Why not take advantage of the lovely spring weather, and come on down to enjoy an evening of squares and rounds with Larry Dunn and Dottie Reed. We'll all be there to meet and greet you, and just make you enjoy a warm friendly evening of fun. Information Reporters, 315-331-5789 Don and Alice Hyman

Emerald Squares

Here we are in the month of May. It doesn't seem possible that winter is behind us.

Emerald Squares dances every Tuesday through the summer at the Green Lantern, which is air-conditioned. That certainly is a plus. Speaking of plus, Bob Ellis starts his class for all you new graduates to learn the Plus calls. The class starts May 15 at 7:00 to 8:30; be sure to sign up.

Don Dickerson is doing fine after his bypass surgery. Hope he and Shirley will be back dancing real soon.

There are quite a few couples that haven't been around in awhile. Come on and get back in the swing again. We miss you.

Don't forget, graduates: sign up for Bob's Plus class, on May 15.

O'CALLAHAN continued

He might prosper more as a farmer, some said,

But we're glad he chose calling a barn dance instead.

Chickens might make Flings more Fantastic for Mike,

But it's chicken wings after the dance that we like.

Over the years he's improved as a caller;

The fun keeps increasing, the problems grow smaller.

And when with wife Wanda he winks and he grins,

His family size doubles when soon he has twins.

Life has gone well for this son of the Isles,

On whom the proverbial Leprechaun smiles.

His heritage gave him the will to succeed,

And fruitful rewards have grown from that seed.

He is treasured and loved by all those who know him

And he really deserves the respect that we show him.

Genesee Dancers have a wonderful friend;

Through our luck and his prayers we will dance 'till the end.

Lima Grand Squares

It's that time of year for the Lima Grand Squares Annual May Pole Dance. We will usher in the summer season on May 4. If you have never done a May Pole dance be sure to attend. The dance will be followed by a good old fashioned ice cream social at the end of a fun evening -- we hope to see you there.

On May 11, we will have a Graduation for our class of 1990. They have worked very hard the past year. The graduates are: Ruth and Paul Murray, Bunny and Bud Years, Joyce and Ray McMahon, Phyllis and Eugene Eseletine, Margaret and Ed Hamler, and Agnes Stenging. We wish to congratulate you and wish you many happy and fun years of square dancing.

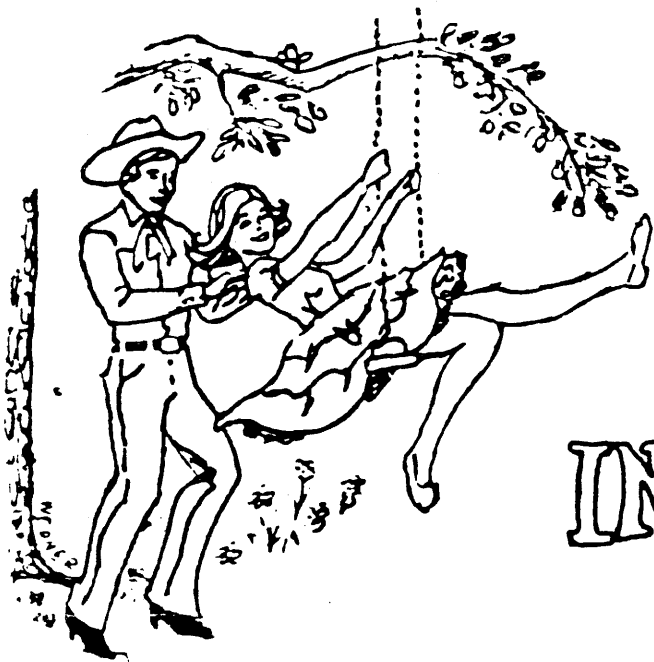

On May 18, we will be having the Trail's End Dinner Dance. Dinner will be at 7:00; bring a dish to pass and your place setting. At 8:00 we will go upstairs to close out a wonderful year of dancing with Gary and Alice Bubel calling and cuing. We the reporters, as well as the club, wish to thank our officers of the past year for doing a terrific job. As of this writing, we have not yet elected officers, but we do have new reporters to announce: Ellen and Alan Fish. I hope they have as much fun as Sandy and I had this past year, writing for the club.

Hope to see you all next year; Happy Dancing!

Our Caribbean Casino night turned out to be quite an affair! The decorations and the food were marvelous - it really seemed like a tropical paradise. Thanks to Carol Droney for getting us organized, and special thanks to all who pitched in with the decorations and for working the tables.

Sunday May 6, will be a day to remember for our class members. On that day we'll have special ceremonies and dance in honor of their graduation from the Mainstream program. And before the festivities, we'll all enjoy a pot luck dinner.

Our Teen Club had their final dance early in April. We had planned to dance through May but, due to some unfortunate circumstances, we were forced to break up early. Plans are being considered to kick off the club again in the Fall.

Our Mainstream Club, too, has temporarily disbanded. There was a lot of praise for the intent of the club, but a minimum attendance level could not be maintained, so it was decided to consider continuing this club at a later date.

We're all getting very excited about our Spring Showcase! Our special guest caller will be Ron Libby from West Falmouth, Maine, along with our own Mike Callahan, and rounds with Linda and Mike Liberti. With two halls for continuous dancing (Plus and Mainstream) we'll have non-stop fun! Be sure to mark June 3 on your calendar for this annual event! It's something you won't want to miss!

Glass Slippers

May is always an exciting month for Rochester area dancers. Dance-O-Rama, better known as D-O-R, is a yearly event on the first Saturday. This year Dance-O-Rama will be held at Churchville-Chili High School on May 5, beginning at 1:00 pm. Encourage your class to attend, too.

This is a wonderful opportunity for graduates, not only to enjoy a day dancing in the Mainstream Hall, but also to spend some time in the other halls watching Plus and Advanced dancing, and rounds. No, I can't believe this will scare the graduates away from square dancing. Au contraire, it will give them some insight about what they may accomplish in the future if they decide to go for it.

Our class, Thomasina Maxim, Sam Lastumbo, and Monica and Bob Anderson will graduate on May 2. Between surgeries and car accidents we lost a large share of the class who started last September.

May 9 is Guest Night: we will welcome the Promenading B's and Batavia Silver Stars. It's also our Ice Cream Social, when we make our own Wednesday sundaes.

Trails' End pot-luck dinner is scheduled for May 16 at 7:00. The usual rules will be followed: bring a dish to share and your own table service. This is not a closed dinner, so just bring your own plate and the napkins!

On May 23, we'll have a Wind-Down Dance, our last until September 5.

We'll be dancing around at other clubs this summer, so be sure to say "Hello!" when we meet.

Village Squares

Callers and cuers beware, hidden within metropolitan Rochester's square and round dancing community is a wealth of talent! Amateur callers, cuers, cloggers, 2-steppers ... 19 in all... turned out for a gala evening of fun March 3 in Fairport at the Village Squares' Greater Rochester Talent Hunt.

The Talent Hunt Traveling Trophy, won last year by Gerry Schwartz of Village Squares, was captured by the Triggers' talented song bird, Tom Turcotte. The competition was fierce, with black-robed chief Judge Furlan (Lima Grand Squares), gavel in hand, presiding over the panel of judges consisting of Nancy Lang (Genesee Dancers), Mary Scarlotta (Copy Cats), and Chapin Blake (Village Squares). Will Herzog was Master of Ceremonies that evening.

Amateur participants included: Singing Calls by: George Domer and Gerry Schwartz (Village Squares), Ron Brown (Tecumseh Squares), Tom Turcotte and Bob McConkey (Triggers) and Bud Lang (Genesee Dancers). Hash calls by: Harold Schwartz, Rita Tucker, and Will Herzog (Village Squares), and Ron Guillianio (Triggers). A Round Dance demo was performed by Jim and Lori Ross (Lima Grand Squares). A round dance was cued by Mabel Wordingham (Triggers), and a scintillating clogging demo was done by Betty Duncan and Eileen Sandman (Henrietta Stompers). Bob and Kathy Atkins (Village Squares) gave a country two-step demo and instruction. The evening was rounded out with the light-hearted square-dance-related humor of Manny Schwartz (Tecumseh Squares).

On March 7 our "Corporate raiders" retrieved our banner from the friendly folks at Henrietta Friendship Squares. We'll do some banner stealing in April!

Miniature hot-air balloons were "Blowing In The Wind" at our colorful and well-attended Class Ball on March 10. Our class of eighteen couples truly extended themselves with the creation and personal distribution of flyers, the beautiful decorations and above all the delicious desserts. Class members from no less than twelve clubs were part of our over twelve squares of dancers. Mike Harris' calling and cuing were a delight.

We closed out the month with our high-cholesterol International Dessert Night March 28, dancing to our team of Jerry Carmen and Bill Saintey, while gaining weight at every break!

Class members from the area - please note that our May calendar is filled with opportunities for dancing at your level. You will especially enjoy our Graduation Dance on May 2. The gradation ceremony is at 7:30 and dancing starts at 8:00, with Jerry and Bill joined by caller Greg Marling, who so ably assisted Jerry with the class this year. Don't forget our traditional Lilac Dance on the 16th, and our Trail's End Dance on the 23rd: both will be called in the Mainstream Program. Then it will be time to wish all our dancing friends "Happy Feet" for the summer!

Sets in Motion

A slow moving freight train stopped in Henrietta on April 8. Off jumped many hungry hoboes. They had heard of a special Hobo dinner being served at a cabin in the town park. Sure was an odd looking bunch that enjoyed the dinner. They ate from old soup cans as well as other 'used' materials. The stew was delicious. Potted plants that contained their dessert and plastic flowers adorned the serving table. Even a garden trowel was used to dish it up. It was mighty tasty. What a delicious prelude to our first campout of the season.

Myrtle Pound is recuperating, so we're hoping she'll be able to join us.

Irondequoit Squares

Irondequoit Squares will not dance May 5 because Dance-O-Rama is that day. Hope to see you all there. We will dance on May 19 which is a special day for all Armed Forces past and present employees. If you were in the Armed Forces, you will have a free night of dancing. Please join us for the fun night that we have planned for all of you.

Due to lack of dancers in the Plus program, June 2 will be Irondequoit Squares' last night of dancing. We want to thank all of our club members and guests who have supported us in the past thirty-one years that we have been in the Rochester Area. Lots of good times and good friends. We hope everyone will come and join us for our graduation Dance on June 1. It will be held at the Elementary Building on the Victor School Campus at 8:00.

Many thanks from the club to Mike Herne for being our caller all year, enduring our 'off' nights, and also the nights we had just a few couples to dance.

In addition to an abundance of flowers, May also brings out class graduates who are ready to show the square dance community what they have learned since last fall. We will officially welcome our class on May 4, with a graduation dance. As soon as they have survived that dance, many will travel to Churchville-Chili High School to sharpen their skills at Dance-O-Rama. All club members planning on attending Dance-O-Rama should ask a graduate to accompany them. We are certainly proud of our graduates and realize that they are still learning (as we all are), hence they still need support.

We were all shocked and saddened by the news of Geoff Ford's car accident which prevented him from calling at our club in March. We wish Geoff a speedy recovery.

On May 25, we will start our summer program. Our weekly schedule calls for Plus workshop at 7:30, a Plus review at 8:30, and club dancing from 9:45 to 10:30. We invite all area graduates and those wanting to brush-up on Plus calls to join us in air-conditioned comfort of the Redmen's Club every Friday. If you want to make a night of it, the Redmen's Club puts on a great fish fry (and other entrees) every Friday from 4:00 until 8:00.

TIPS FOR ALL DANCERS

Your role as a club member has many facets. Look around your home club dance floor. You will see members setting up chairs, greeting visitors at the door, many hands fussing with refreshments, the officer making the announcements, that smiling couple who accepted your dance fee -- these people are the nucleus of your club -- the ones who accept responsibility. Somewhere inside of you is a bit of talent. It may be the drawing up of a flyer, or the graciousness to greet incoming guests, or the filling of the pretzel bowl or maybe you can set up chairs with an eye for comfortable grouping. Just look inside yourself with honesty and the desire to be helpful, to really belong, to be involved all the way in your newly learned fun-time. Your long-time club members will welcome your interest and encourage your participation.

It will double your enjoyment of the dance, this we can guarantee.

Promenading B's

During May the Promenading B's will hold club dances on May 4, May 11, and May 18 with caller Bob Schlenker. Betty Wolcott will cue rounds between tips.

Betty Wolcott will also conduct a round dance class at the Gillam Grant Center (just across the road from the Byron-Bergen School complex) from 7:00 to 8:15. This is an excellent opportunity to enjoy the grace and pleasure of round dancing, as well as learning new skills and reviewing that which may be rusty.

Because of many reasons that may well be beyond our control, we sometimes stop square dancing for a time. Doubt and apprehension begin to enter our thinking and we find ourselves hesitant to return and really don't want the bother of taking classes again. Well, good news! Bob Schlenker will assess your needs and work you into our class in Basic Mainstream. This is a very comfortable way to return to square dancing without waiting for a Fall class program and the repetition of starting all over. Our Basic Mainstream program is from 7:00 to 8:30 on every club date. At 8:30 we begin the Mainstream program.

Silver Squares

After missing two weeks of Monday dancing during April, we hope Mike will be available for all the Mondays in May. Some of our regular Silver Squares dancers will be attending Dance-O-Rama on May 5. We are planning to have a good time, as usual.

On April 2, we were most happy to have Maxine Schmidt back dancing with us and looking very well. On a sadder note, all of us at Silver Squares want to extend our deep sympathy to Bob Wahl on the death of his wife last March.

Now that many seniors have come back North from Florida, we hope they will come over to the Greece Senior citizen Center on Mondays for a few pleasant hours of dancing and socializing with us.

Then on May 25, Friday, we are having our first Annual Lilac Festival Dance, with free dangles to the first fifty people that come in the door. Also, during the Lilac Festival itself, our club is participating in the Lilac parade and also doing a demonstration.

Coming up on June 4 is our election of new officers. And on June 25 is our Amateur Callers Night, when any dancer can come out and show us their talent. Coming up in July we are having a Christmas In July Dance.
