The "Letters to the Editor" section! My cup runnith over. That's the spirit folks, how nice to see such enthusiasm! The contributors have planted seeds for future action and have given us a look at some topics from a different view point.

Ah, - the storms we have weathered! If you receive this issue on time, it is only because of the herculean efforts of a few people (not the least of which is Niagara Mohawk). If you receive this issue late, it is because all of those efforts were not quite enough.

May the month of April be kind to you all!

**DANCE-O-RAMA '91 UPDATE**

We are so appreciative of the response we are getting from the clubs in regard to doing one special task for Dance-O-Rama. The committee meets regularly to keep the ball rolling. Everything is coming together nicely.

By now all clubs have their packets and all dancers have the opportunity to get their tickets. Please encourage your graduates to join in the ceremonies so they can be honored. Lori and Joe Wiczorek will be the guiding angels who get the graduates organized and ready for the grand march.

The Triggers have volunteered to be in charge of prizes as well as the placement of the plants (which are the prizes) in the various halls.

I'd like to give a special "Thank you!" to Roger Dart and John Fink for the (professionally done) flyers.

## MAKING ANNOUNCEMENTS

You are called upon to make the club announcements. You get nervous just thinking about it; "I'll sound stupid", "They'll all laugh", "I'll forget something." "How will I know what to say?", you think to yourself. It's natural to feel this way for the first time. The secret is PREPARATION. If you are prepared, you will be more relaxed and sound more confident and probably your voice won't squeak.

Begin by asking whoever has done it before, what you should say and take notes. Yes, write it down. try to be concise and to the point without a lot of banter. People will listen, but only so long. At the end of this article is a general outline for club announcements. You can make a form out of this and fill it out each time.

Tell the caller when you would like to talk well ahead of time. Generally, it's best when the floor has just been squared up, but this may differ according to the group. In between tips people are socializing and they hate to stop talking just for you. If you are a strong enough speaker, you can get their attention any time.

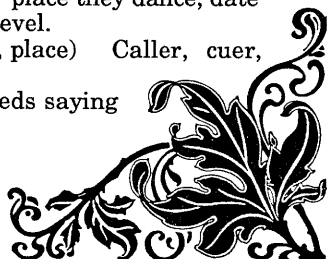

Be sure to use the microphone. Amplified sound means you don't have to strain yourself. When you have the microphone in your hand, ask the caller if it is on. If you wish to test it yourself, DO NOT BLOW INTO IT. This ejects moisture into the microphone which eventually is damaging to it. Rather, tap lightly on the windscreen with your fingertip. Hold the microphone about 45 degrees from horizontal and point it directly at your mouth. When you are ready to speak, talk naturally into the microphone, holding it about an inch from your mouth. Say something like, "Good evening folks." The caller will help you adjust the volume if you should need it.

Before you continue speaking, make sure the crowd is quiet. An effective method of quieting everyone is to pause and say nothing. Eventually, most will realize you are waiting for them and the floor will quiet down. When speaking, say everything slowly and deliberately. If you rush, you will not be clear and intelligible. You'll be surprised how easy it is!

When you are done, thank everyone for their attention and hand the mike to the caller or place it gently on the table. If you turned it on, be sure to turn it off.

### FORMAT FOR CLUB ANNOUNCEMENTS

8. Special area dances, level.
9. Next dance (day, date, place) Caller, cuer, theme (if any)

**SUMMARY OF THE 1991 LEADERSHIP  
CONFERENCE & DANCER FORUM:**

The conference was held at the Covenant United Methodist Church and was attended by 64 dancers representing 14 clubs and 12 CCR members for a total of 76. \$34 was taken in on door donations for hall rent and 40 people stayed for the pot-luck supper. Panelists represented clubs who were successful in attracting and keeping members and they were there to tell all how THEY do it. Here are the highlights from each club represented on the panel:

**BOOTS'N'SLIPPERS** - *Sid & Renee Galinsky*. three free square dance lessons for class...when selecting officers, a nominating committee looks at who is really interested in the club...make each individual feel as if you wanted them...class dances parallel to club dances... Fun! Fun! Fun! keeps people in club... refreshments at end of dance...telephone people when absent (even if you don't like them)...pay particular attention to guests; make sure they dance as much as they want.

**BELLES'N'BEAUS** - *Ed Haddleton & Ed Detamble*. 80+ couple membership...dancing skill not important; create own fun ...25 year club; many original members left ... Federation should help or assist clubs at their request ... 6-7 squares dance at class (3 class-rest club) ...separate night for class...advertise thru newspapers, malls, word of mouth.

**CAYUGA CUTUPS** - *Don & Marian Ellinwood*. accepts singles or couples...work around weakest link in club...emphasize loyalty to club on its dance night ...promote class during a square dance week; window dressing in area stores...class invited to all parties ...extra review sessions at different members' houses...include other area club in all promotions.

**VILLAGE SQUARES** - *Harold & Gerry Schwartz*. sought advice from other clubs... the club raised extra money to keep from folding by "poor box", raffles, silent auction, garage sales...share money goals with club ...caller working with club on fee...sliding scale with hall rent...when selecting officers, find people who are interested in the club...get people involved in club activities.

**TECUMSEH SQUARES** - *Manny & Eleanor Schwartz*. club went from 9 to 72 couples in three years ..."programmed" fun... caller, cuer considered club members...board meetings are a party...inter-club visitations important... every dance night is a party...pay particular attention to guests...much of what we do has already been mentioned by previous speakers.

The points that were common from all the speakers were:

- Accept even the poorest dancers as full-fledged club members and dance with them
- Find leaders who are interested in the club
- Get people involved in club activities
- Have a **POSITIVE ATTITUDE** - we can do it if we try!
- Have club activities other than square dancing
- Visit other clubs as a club
- Have good board-dancer-caller communication

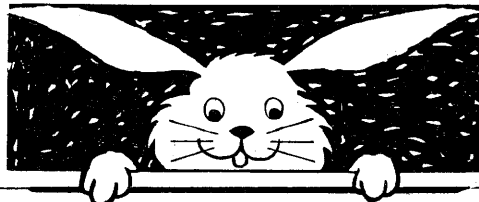

Continued next column.

**SUMMARY OF THE 1991 LEADERSHIP  
CONFERENCE & DANCER FORUM: Continued**

A lively question and answer session followed. After the pot-luck supper, the hall was cleared by 5:20 PM. Bob Schlenker and I wish to thank the CCR members who helped promote the conference and make it the success it was by urging your club leaders to attend. We also feel that those who were not there missed a good opportunity to learn how dancers think about their clubs. It is regrettable that the Federation voted not to support the conference this year (words taken from the Federation minutes). Since this was a forum of dancers talking to dancers, I would have thought the representative of area dancers would be eager to participate in any way they could for the "good of the order".

Rufus Maxfield of the Promenading B's produced a VHS video tape of the entire conference. Copies can be obtained through Jerry Carmen, tel. 352-5564.

**LETTERS TO THE EDITOR**

Re: Federation

We need a change of direction. We are losing dancers and some of our clubs. What's wrong? Probably many things.

Lets' start with lack of promotion. This is the primary job of our Federation. The methods of promotion must be more realistic, such as subsidizing of Teen Age Clubs, as they usually cannot fund a club of their own.

The club presidents should send to the Federation a resolution for a more active promotion of our teens in the square dance activity. This might also help with the teen drug and alcohol abuse problem.

There is a clause in the By-laws that says: "The Federation shall not interfere with the internal affairs of a Club." This is very negative. It would be more helpful to read, "The Federation will help or assist, on request, any club who is having difficulties."

The structure of the Federation is very cumbersome. There are thirty-four clubs, each having two couples as Representatives. This equals 136 people eligible to give their opinions. This is 33% more than the U. S. Senate. This can be very chaotic, as there is no way every one can be heard.

The By-Laws and Constitution consist of more words than the U.S. Constitution. If they were rewritten in a more concise and simple language, it could be followed much easier.

The representatives should also bring any issues discussed at Federation meetings back to the Officers of their respective clubs and ask for their input on voting on these issues.

I urge that dancers express their opinions in the Promenader.

Ed Haddleton

## LETTERS TO THE EDITOR

Dear Editor,

In his February **Promenader** article, Jerry Carmen alluded to the perennial dispute between serious challenge-oriented dancers and the more laid-back socializer type. Those in each camp, he said, may even threaten to leave their clubs unless/if the dance level is raised/lowered. Ron Ehrlich's March article addresses another aspect of this controversy, all position dancing (APD).

Supporting APD, Ron suggested distribution of "written call definitions and call schematics" to class members. So that club members may sharpen their skills, he recommends the purchase of a glossary of rules, basement workshops, and 'digging' in an extra measure of excitement in square dance choreography. I disagree with this, and would like to offer another point of view.

There are, indeed, many who enjoy the additional challenge of APD, but by forcing it on all, we will reduce participation in western square dancing to a cadre of elite "serious unforgiving technically-oriented" dancers. If that is our objective, APD should be taught from day one, to filter out and discourage all but the most competitive and determined class members. (A prerequisite stint in Marine Boot Camp might instill a greater sense of discipline and commitment, in order to control the already high attrition rate.) Tightening requirements for club members would purge clubs of those individuals who only come for a good time, some exercise, and camaraderie. I hope this agenda will not be pursued.

Ron noted that dancers "will really be frustrated if they move on to Advanced and Challenge" levels without a background in APD. Actually, few who enter square dancing have any such ambitions and most will be lucky to survive long enough to reach Plus. I believe most existing and potential dancers prefer an evening of relaxation and socialibility, free of pressure, concentration, challenge, and aggravation. (We have that from 9:00 to 5:00 all week. It's called work and we get paid for it!). They may not dance every week, but do enjoy moving to music, uninterrupted by the inevitable, frequent breakdowns common to all position dancing.

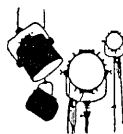

I have also noticed that class dances are popular with veteran dancers (i.e. Blizzard Ball), and wonder if there is not a largely untapped market for what might be called sub-mainstream dances. While western square dancing has been in decline in recent years, eastern square dances in Geneseo, Hopewell and Pembroke are packed, with many western and former western dancers attending. Eastern dances are easy, and live music provides an extra dimension.

I applaud Jerry Carmen's admonition "Let's coexist" and suggest this possibility. Three-hour dances with a progressive format, beginning with mainstream and extra singing calls, and featuring hot hash and APD in the final hour. The most serious dancers (Jerry's "Puzzle Solvers") may prefer their own APD club until they progress to Advanced.

Square dancing has grown in complexity over the past thirty years, and in my twelve years, mostly due to the promotion of APD. The steady decline in the number of participants during this period, in my opinion, is at least partially related to the complexity issue. If there is no place for easy "fun-level" dancing, even more dancers will 'vote with their feet' - out of square dancing.

Jack Kramer

## SPOTLIGHT ON CLUB PRESIDENTS

### Boots 'N Slippers

Vince and Betty Huber, 1991 Presidents of BOOTS 'N SLIPPERS, are still square dancing with the same club from which they graduated 17 years ago. Soon after graduation, they started round dancing and now also belong to the STARDUSTERS.

Vince and Betty celebrated their 40th wedding anniversary at a family party hosted by their four children. They have three grandchildren and Vince is retired from E.I. duPont. He is learning to play the trumpet with a group from Eastman School of Music and Betty takes piano lessons. Vince enjoys bowling and Betty belongs to the "Crazy Quilters", and Home Demonstration in Spencerport.

They both love to travel and if they are not present at their usual activities, it's a good bet they are off somewhere on a trip.

The PROMENADER salutes the Presidents of BOOTS 'N SLIPPERS, Vince and Betty Huber.

## LETTER TO THE EDITOR

Promenader, Friday, March 1, 1991

I feel compelled to comment on Ron Ehrlich's letter in the March issue of the "PROMENADER". Ron apparently has come to the conclusion that the reason why most people leave square dancing is because they are bored and to solve this, the calls should be taught and used from all possible combinations and formations. Certainly, Ron has a point as far as some people are concerned, but how many does it apply to? Increasing challenge and variety exists in the advanced/challenge part of the activity he is currently involved.

If what Ron said was true of most people, then the advanced workshops and APD Plus clubs would be overflowing. Instead, we who are running these sort of clubs find that is not true.

What Ron has missed, being removed from the club scene for a while, is that our greatest attrition occurs after beginners class. Most callers agree we lose most dancers because the dancing is too complicated and they cannot absorb the amount of material required in the time allotted them. Callers have been asking for at least a decade that I know of, "Does the average mainstream dancer consider the challenge of the choreography as part of the enjoyment of square dancing? Why do so many more people stop dancing after completing a class than continue on in the activity?" (quote from ASD, March, 1991)

(Continued page 6.)

## LETTER TO THE EDITOR

Our experience has shown us we cannot present the definition of a call and expect dancers to apply it to all situations. Learning to dance a call from a different position is for most people like learning a new call. We have all we can do now to squeak by introducing calls through the mainstream program by graduation time and even then, most dancers cannot dance them smoothly.

Let's assume for a minute that we could teach a class of new dancers to dance all-position through the mainstream program. I would put my last dollar that even though the long time dancers probably would have trouble handling the material, they would not support such a program. There is something magical to most square dancers when you say "PLUS" and they believe a dance is not truly worthwhile unless these calls are included.

One dancer commented to me how boring the dance would be if we did not have the challenge of constantly changing choreography. I said, yes, if we did not have that feature, for challenge we might have to learn to dance as round dancers do - to the music!

**Jerry Carmen**

## LETTER TO THE EDITOR

Dear Marilyn and Bob,

Congratulations to you and writer Ron Ehrlich on an excellent article on the shortcoming of our chosen avocation. It put into words the feelings which many of us had had for some period of time. It took courage to write the article and courage to print it.

With your permission I will run the article, with credit to the *Promenader*, in our May/June issue. Hopefully our readers will join your readers in a ground-swell of involvement to implement the solutions which were suggested.

Continued success to you with your fine newsletter.

Kindest personal regards,  
Dick Ellis, Editor  
*The Catalyst*

## LETTER TO THE EDITOR

Dear Editor,

I am answering Jerry Carmen's March editorial in which he looks at the many reasons why square dancers drop out, or don't join.

I believe more attention should be focused on the main reason: that sometimes the actions of the caller, or fellow square dancers are offensive, to the point that the couple will leave the group. This happens all too frequently, and each couple is more or less on their own to deal with it. In many cases, they leave and say to each other, "We don't need this."

I believe there are specific positive approaches in dealing with this. One main way is never offend a person or couple in front of others. If some corrective action is needed, a leader should step aside privately and state the case.

By preserving personal dignity, using reasonable requests and courtesy, the reasons for a couple to leave a group would disappear.

### Views on Other Topics

- Better ways for newer dancers to "phase in" must be the major issue in keeping dancers and encouraging helpful participation. A caller should always freely agree to a request for a walk-through from any dancer. It doesn't happen all that often and who knows, it might help someone else.

- No-one should be singled out by name for "blowing" a call. In-between tips, the caller should go to the couple or person and by quickly assembling a teaching square, go over the missed call, in a polite way.

- I read the response to the Callerlab Press Release and agree with it.

- I find the following quote from Ron Ehrlich's March article unacceptable and reprehensible. "...having the club's dancing quality drop every spring, when a new group of confused, apprehensive graduates is dumped into the club". **Just who do they think they are, to make this kind of remark**, then wonder why there is a current decline in the square dance population? To say that I am disgusted is putting it mildly!

Everyone wanting to square dance should be encouraged, not put down. This shows complete disregard for personal dignity, and is just plain rude to the many honest folks who are, after all, only guilty of being "new" - and trying to do their best. It does take time.

People making this kind of negative, degrading remarks should remember they, too, were "new" once.

Sincerely,  
Bob Berray

## Dancing Shadows

Is it spring yet? Well, we hope that it's at least "around the corner". Welcome back to all the "Snowbirds". We'll look forward to seeing you on the dance floor again.

Dancing Shadows will be dancing throughout the spring and summer, no change in the format. We have a teach (approximately thirty to forty minutes) every other week and review that dance the following week. The remainder of each evening is spent dancing all those two steps and waltzes that we already know. You probably know them, too, if you dance Phase II and III (Square Dance level) rounds. Join us any Monday evening from 8:00 to 10:30 at the United Methodist Church of West Webster, 570 Old Ridge Road.

## Victor Swing-A-Longs

Our club will be having our Graduation Ball on April 20, at the Victor-Junior High School from 8:00 to 10:00. All class people as well as club members are invited. We won't be having our April monthly guest night, as spring recess will have school closed on our dance night. Our next "All Singing Call's" night will be May 30.

On May 18, we are having a Half-Price Dance. Everyone can get in for half the usual fee. It will be at the Junior High School from 8:00 to 10:30. Thursday, May 16 will be a Tee-Shirt dance. Everyone should wear a favorite tee-shirt. I heard a rumor there may be some prizes.

Happy Easter to everyone and hurrah for spring!

## Boots 'N Slippers

Our club has been working hard to expand the joys of dancing. Just where else could one meet friends, exercise, and enjoy all at the same time. Even our officers enjoy meeting at various homes for a carry-in dinner with their meetings. It's been heard that at one meeting, the hosts enjoyed so much, that they forgot to count themselves when setting the table. What a good time we all have!

We enjoyed having the Triggers for their mystery ride. Many thanks for coming. It's always fun to have guests. Banner stealing has been fun both to be the taker and the giver. I'll bet our children would never believe some of the monkey shines we go through.

We are looking forward to graduating our class in May. They have been dancing a tip each night with us for sometime now. As we all know, experience is the best teacher. They are experienced dancers. It will be great to welcome these new dancers as they graduate.

Come and join us if you are looking for a fun evening. The "Red Carpet" is always out in Hilton.

## Belles 'N Beaus

Why is it when you see four couples from another club, you have a feeling you're going to lose your flag for awhile. Boots 'N Slippers were the takers. But not for long!

Our usual class club pot luck supper became our Roast Beef Dinner, superbly cooked by Jim Patrick Maxwell, assisted by Dan O'Brien, Cliff Laundry and John Bennett. Thanks to the social directors for decorations. A really nice evening was thoroughly enjoyed by the class.

We all want to wish Chuck Thiele and Myrt DiLauro best of luck for their coming surgery. Dorthea DuBois is recovering nicely.

On April 15, we will have Bruce Shaw and Bill Sainthey calling. Hope to see you.

## Finger Lakes Squares

March was a busy month for vacations; some off to Florida and some off to the cruise. We hope Bob and Carol didn't get lonesome. All the cruise people are back safe and sound, tanned and a lot heavier. Great time. Did you have fun Gene?

We gotcha Bob. About a hundred people gave Bob and Carol a surprise 30th anniversary party. Jim Anklin did a good job being M.C., in addition to keeping Bob from arriving too early. It all worked out super, people from all his clubs, friends and family attended. After a little roasting, Bob and Carol exchanged vows again just like thirty years ago with her Daddy holding a shotgun. Then it was Bob's turn. He didn't get mad, he got even. Fantastic party! What's next?

The Brown Barn's camping, square dancing, and round dancing schedule is published. Look for it in the Promenader. Save the dates of your choice.

We don't know the location, at this time, for the dances on April 11 and 25. Please call the information number below for the locations.

## Circul-8-tors

After dancing away the winter months in Fairport, the Circul-8-tors once again return to scenic Penn Yan for several spring dances. In April we dance on Sunday the twenty-first at 2:00, and the location is the Grange Hall on Route 54A at the west end of town. The Carmens (Jerry and Betty) will be calling and cuing for us. The program is plus for squares and easy-intermediate for the rounds.

This dance will feature our annual Silent Auction with all kinds of interesting items to bid on. In addition to the usual knickknacks and other inedible objects, baked goods are always big sellers. So bring your extra items and plan to take home more than you brought! The proceeds go a long way in underwriting our annual picnic in August so your support is really appreciated.

Plans for our fall trip are in place and the reservations are coming in. The dates are October 1 to 6, and the trip highlight is Colonial Williamsburg. Other historic and scenic Virginia attractions and a stop in the Amish country are also included. Total cost, including deluxe motorcoach transportation, first class hotels, most meals, entrance fees, gratuities, etc., is \$589/person, double occupancy. You don't need to be a member or a dancer to join us. Call the number below for more information or a flyer.

If you are campers, circle the dates of August 23 to 25 for our annual campout and picnic at Woodstream Campground in Gainesville. This is always a fun-filled weekend. More details next month.

We'll be looking for you on Sunday, April 21. You are guaranteed to have a good time with a real friendly group of dancers!

With the snowbirds returning, we are looking forward to many fun-filled evenings of dancing. We are dancing every Monday night at BOCES, 8250 State Street, Batavia, with Bob Meagher calling the squares and Nancy Fincher cuing the rounds. We have enjoyed dancing with guests from other clubs.

We will have "Pie Nite" on April 22, which always goes over great with our male dancers. So if you're looking for a fun-filled evening, come and join the Batavia Silver Stars.

April is almost the end of the year for our regular 1990-91 dance schedule. Congratulations are due to our dual presidents, Betty and Jack Ferrata and Lyla and Bob Bonnett, who were willing to take on the joint presidency during very trying times. We also want to thank all of the committee chairpersons and their committees for making all our "Special" dances real successes.

Graduation of our five couple class members is April 12. The Trail's End Dance will be a pot luck supper. Everybody bring a dish to pass. Trail's End is April 26, with dinner beginning at 6:30. All of our dances in April are at the Church.

The May issue will have information about the May Schedule of dances as well as some information about summer events.

## Twinkle Shoes

Now that the war is over and our troops will be returning to our beautiful country, we are able to dance with a lighter heart. God bless Our Country!

Did you watch the program on Channel 21 at 10:30 on February 21, called "Out on a Whim"? Well, the charming lady, Jackie Koetz and her partner, our handsome George Burch, were a sight to behold. We are proud to be associated with them.

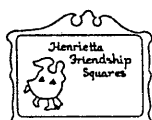

On March 27, we were privileged to entertain the Ogden Senior Center Group and a great time was had by all. It's difficult to say who had more fun!

At the present time, we are dancing the Samba to "That Happy Feeling" and are learning the Cha Cha to "Axel F". If you haven't noticed, our group has added an extra half-hour to our dancing. The first half-hour concentrates on new advanced steps.

Why don't you come and join our group?

## Henrietta Friendship Squares

We will have graduation on April 17 for our class of nine couples. The class has been doing very well and attending many of the class-club dances held by different clubs, since January. Congratulations to our graduates!

Now that spring has arrived, hopefully, everyone will be getting out as much as possible and experiencing different callers, to gain more dancing experience.

Since we dance in a school, there will not be a dance on Wednesday, April 24. School is closed for spring break.

## Jerry's Funshop

Even though spring is just around the corner, Joyce and Mike Ford are taking no chances. They, along with cuers Dottie Reed and Tim Crawford, Walt and Sally Baechle, Bill and Marilyn Raymond and Don and Shirley Dickinson are headed for a western Caribbean Cruise. By the time you read this, they all will have returned, happy and well fed. Not to be outdone, Blakely Harris will be visiting his Uncle in Arizona. Bud and Marie Heisler are wintering in Florida. We are happy to have Gloria Shippers back dancing with us after surgery.

Jerry has a new A-1 class, as of the second week of February. If you would like to refresh your A-1 skills, come and join the class.

Hope you all had a Happy Easter.

## Glass Slippers

On April 3 the Glass Slippers will hold their first annual Ugly Step-Sisters Ball. From an extremely reliable source, I heard that the original ugly Step-sisters will make a guest appearance at the ball. Apparently they will be bringing, along with them, some of their own square dance group; the Smelly Sneakers Club. I do think it'll be worth a trip to Brockport to witness this famous (or is it infamous?) group perform.

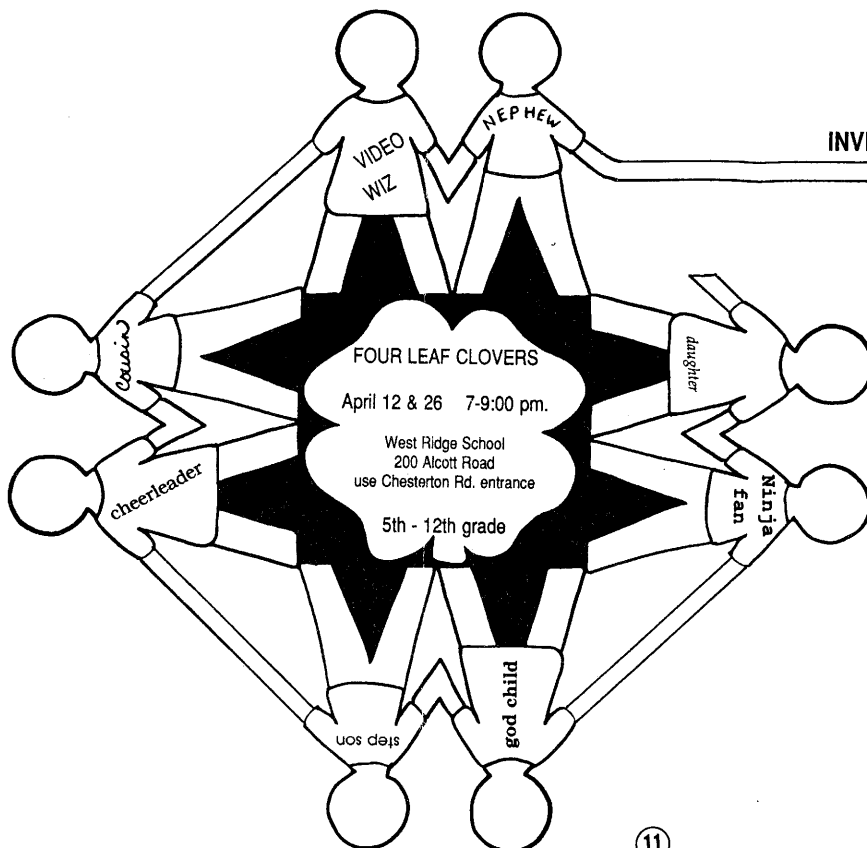

We haven't been able to find out just what time they'll arrive, but they have promised to fit us into their busy schedule on April 3. I can hardly wait to witness their performance.

The Glass Slippers welcome the newest club members, Arlene Duff and Arnie Harster.

We will not be dancing on April 24. We wish our caller and his taw, Bob and Jeannette Meagher, a speedy recovery from their bout with bronchitis and flu.

## Friendship Squares Geneva

"CCC" used to mean young men planting trees during the thirty's (or so my parents told me), but to Geneva area dancers, "CCC" means our Class-Club-Cancer Dance on April 5. At this dance, we raise funds to donate (in memory of a departed member), and welcome all dancers, at the same time! This is a Friday evening dance at West Street School in Geneva from 8:00 to 10:30. West Street starts at Routes 5 & 20 a bit east of Arby's. Go north past three stop signs to the school. Our regular caller, Dick Schweitzer, will call for us and for all your class members, so round up your gang and come visit. Al Overslaugh will cue rounds and finger foods will be available.

Our club will also be dancing on April 19, same time, same station, and welcomes visitors than as well.

In May we look forward to dancing with Jim Wheeler and Dottie Reed on Sunday afternoon May 5. Save the date and watch for more details next month. This will be at DeSales High School on Pulteney Street.

We are looking forward to a Mystery Ride on April 12, and to an "All Three Friendship Squares" dance in June, along with the Henrietta and Penn Yan clubs. What fun! We have two summer dances planned with national callers, Ken Bower and Mac McCall. Our Fall Weekend Dance, which was held at Sampson State Park for so many years, will be at a beautiful facility in Watkins Glen on September 13 through 15. Wood floors, no posts, camping, and motels in town. It is near the lake, with shopping and restaurants, and excellent sound. A winner all around!

## Stardusters

The intermediate Round Dance Workshop, that was started in February, is progressing nicely. During the first several weeks, Bob and Nora covered Waltz figures. By the time this article is printed, the emphasis will be on Rumba; with Foxtrot, Cha-Cha, and Jive. The workshop remains open to Phase III and above dancers, and we cordially invite anyone interested in progressing into (or brushing up on) Phase IV and V to join us from 6:45 to 8:15 on Tuesdays.

During the past several months, Bob and Nora have retaught several of the intermediate "classics" such as: Wyoming Lullaby, Caress, and Adios. They keep the Stardusters current by teaching the most popular of the newer intermediate dances across the country.

May 7 marks the 12th anniversary of the Stardusters. As in past years, that evening will be a free dance with guest callers, refreshments, and prizes. We invite all levels of Round Dancers to join us in the celebration. For the May 7 dance only, there will be no workshop and the dance will begin at 8:00.

As always at this time of year, we look forward to the return of our "snowbirds" from their winter roosts. We are also looking forward to dancing with McGees at Dance-O-Rama on May 4. Hope to see you there.

## Genesee Dancers

We are planning a celebration for our 35th anniversary this year. We'll let you in on the details next month.

Pot luck dinners or any kind of dinners sure seem to bring out the dancers. As you know, square dancers love to eat! The St. Patrick's Day dinner dance was March 14, with a silent auction.

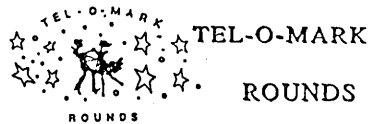

Going back to February, at our Valentine Dinner Dance, we awarded a blue and red Teddy Bear made and donated by Avis Clark. Betty Langswager was the lucky recipient. The teddy bear is keeping Betty company during and after her knee surgery.

We are happy to welcome Flo Parker back after her serious accident. Ark and Marsha Tillson brought a guest from Australia to one of our dances. We have eight couples in our refresher course and can always use angels. Mike Callahan, our caller does a super job of bringing these dancers up to the plus program.

Some of our traveling members are back from their cruises and trips, with many stories to tell; some funny and some scary. We want to extend an open invitation to all dancers to come dance with us. We have a lot of fun.

With this issue, we are starting the fourth month of 1991. The cliché "Time flies when you're having fun" certainly pertains to round dancing. The main thing that differentiates round dancing from other recreational activities is the vast myriad of new movements that we are exposed to, along with new dances. Also, modifications and variations of old movements are showing up more and more as we get into the Phase V+II and VI levels. The new dances that are scheduled to be taught over the next few months are both exciting and enjoyable.

The monthly dance parties continue to be well attended. The dance, which was held on February 23, lasted until 11:45, just to make sure everyone got their money's worth that night. There will not be a dance party in April. The reason is because we are having our annual Spring Fling at the Redmen's Club on April 21. Read the flyer at you club for details.

I'll sign off with the following words of wisdom. Remember, it takes fourteen muscles in your face to make a frown, but it only takes three to make a smile. Happy dancing.

### Tecumseh Squares

The midterm ball was a rousing success thanks to John and Kay Zierle and their committee. It was a fun evening and the class members that I talked to said that they had a great time. If memory serves me correctly, we had some spectators including Erica Shaw and her fiancé. Since this dance was on a Saturday night, it gave the banner stealers a chance to raid Boots 'N Slippers to retrieve our banner and steal theirs. If we had only one more couple, we could have stolen Mike Callahan's shirt also. Mike lucked out.

As usual, we had a snowy night for our Valentine's Dance. Despite the weather, the sweethearts and their dates danced up a storm. Many thanks to Tom and Joan Rogh and their committee for a fine job.

Seven couples and Bruce Shaw entertained the residents at Park Ridge Nursing Home on February 4. We received a lot of loud bravos from Frank, a long time resident and from Mirf Manning's Mother. It's a great feeling when you see the smiles on the faces in the audience. Thanks to all who attended. If you've never gone to a nursing home, you don't know what you are missing. The next time Sally McNeill comes around with a sign-up sheet, add your name for a fun evening.

It's nice to have Herm and Joyce Veil back on the dance floor. Howie Borden is healing nicely from recent surgery. Our prayers are with Jean Berner as she faces knee surgery.

It looks like Manny and Ellie Schwartz survived the roasting at Agatina's Restaurant the other night. Manny now has a hangup about backseat drivers. If you get a chance, ask him how he finances all their recent trips. Many thanks to Joe and Lena Kane and Mel and Audrey Miller for organizing this appreciation dinner for our former presidents.

Attention Bruce - I was only kidding about Erica's Fiance. Your time to be a proud Papa will come but it's a little early now.

Graduation is upon us. April 23 is the big night. The class will graduate having completed, under Jody's expertise, mainstream and basics and work on plus calls. We welcome these graduates into the fun world of square dancing: Kathy Bushart and Ron Pierce, Susan and Roy Franks, and Lorraine and Paul Krueger. Our ice cream social is being planned for that night also. There will be no round or square dance workshop this time. The dance on April 23 will begin at 7:30 instead of 7:15.

We invite everyone to our biggest event of the year, the Bunny Hop, on April 9, at 7:30. Join us in welcoming class members from many clubs and in enjoying this very special event. Those of us who weathered the snowstorm in February had a terrific time on the Mystery Ride at Boots 'N Slippers.

We wish Peg Huss well with her eye surgery. Virginia McNamara is recovering nicely from her surgery. Mabel Wordingham was voted queen of the Silver Squares Sweetheart Ball in February. Congratulations, Babel. Hope you are feeling better and will be back dancing soon. The McConkeys are in for a treat as they cruise the Caribbean. The LoVerdes are in Florida enjoying the sun and will end their fun with a Mexico cruise. The Flugels are wintering in Florida and enjoying themselves. Martha and John Landry welcomed their first grandchild in February.

Everyone please note our new dance schedule. Rounds are from 7:15 to 7:45, and a plus workshop from 7:45 to 8:15. The exception is on April 23, when we begin at 7:30. We enjoy having guests so give us a try. You, too, will like Mike Harris' calling. Information Reporter, Mary Speer 467-8619

## Lilac Squares

Let's start the month right at the April Fool's Day Dance on Monday, April 1, at 8:30, with Jerry Carmen and Greg Marling, featuring all singing calls that night. Betty Carmen will cue the rounds. Be one of the first fifty people and receive a free dangle. This is a class and club dance.

April 15 will be our Baked Food and Anything Sale. Don't miss it. We dance from 8:00 to 10:30, unless otherwise stated. The class begins at 6:30.

The Lilac Dance will be on Friday, May 10, at the Covenant United Methodist Church on Culver Road, corner of Parsells Avenue. Please see our advertisement for further details.

We dance every Monday night at Penfield Baptist Church and are planning more special dances and interesting affairs. Hope to see you there.

## Happy Hoofers

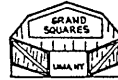

Happy Hoofers dance on the first and third Saturdays at the Ontario Coop Extension Building, North Main Street, Canandaigua. Ron Brown will be calling on the sixth. That's when the Wayne Westerners will be our invited guests. Al Overslaugh will cue the rounds, starting at 7:30.

Chip Kellogg will be back calling on the twentieth. He will be joined by Mark Thone cueing rounds. Note: no club dance May 2, because of Dance-O-Rama.

Campers are reminded that our campout at Wagon Wheel Campground, July 12 through 14, is all planned and ready to receive reservations. Keep in touch.

## Lima Grand Squares

The Thirtieth Anniversary Dance was just what an anniversary dance should be. The weather cooperated with almost balmy temperatures. Ten squares were trying to outdo each other to see who could have the most fun. Gary and Alice (a credit to square dancing in general and to Lima Grand Squares in particular) did a splendid job calling and cueing. It is their presence that always ensures a fun evening. So, thanks to all who participated in the celebration.

For the month of April, please note that Carriage House Square Dance Fashions will present a fashion show on the fifth, with the dance starting at 8:00. In addition, April is "Honor the No-Show Month". Those folks who so unselfishly allow you and me that little bit of extra room on the dance floor. If it weren't for these not-so-dedicated dancers we'd be packed in like sardines (which may or may not be fun depending on the "sardine" next to you) unable to move, swing, circle or left alamande. Yep, it's the "no-show" that helps make square dancing fun.

My personal nominee, for no-show of the month honors, goes to Ruth Scheg who has not attended a dance in this area since 1966.

### Village Squares

Our congratulations go to the following dancers for graduating from the Plus Workshop: George and Lucille Adams, Liz Brown, Daryl and Barb Courteville, Bob and Kathy Crumine, Lynn and Sherry Davis, Charlie and Shirley Lowe, John and Ann Owen, Dick and Mary Rinehart, Hank and Elaine Schroeder, Craig and Mary Spall, Dwight and Jean Turner, Bob and Mary Walsh, Ken and Terry Willard and Joe and Pat Hammele.

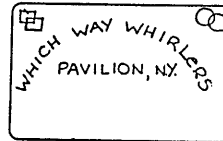

On Wednesday, April 17, the Village Squares will host the annual Hobo and After Tax Dance. To assist in easing the pain from paying taxes, we are offering a \$.50 discount for those who dress in Hobo costume. Jerry Carmen will call squares and Bill Saintey will cue rounds.

For all you experienced dancers who might want to brush up on your styling, Jerry Carmen will begin working on styling tips this spring at our Wednesday club dances.

All new dancers are invited to an Open House at the Village Squares on May 15. If you have any friends or acquaintances who might be interested in square dancing, this is a great opportunity for them to partake in the fun.

### Which Way Whirlers

On Saturday, April 27, the Which Way Whirlers will hold their annual "Las Vegas" dance at the Pavilion Elementary School. All club and class dancers are cordially invited. As you enter, each person will receive a color coded score card. In between square dance tips, you will play one of four games as designated by the color of your card. This game will last approximately fifteen minutes and then we will square up. After the tip and a couple of minutes for a quick snack and some punch, we will proceed back to the gaming tables, with everyone progressing to the next game so that everyone will have the opportunity to play each game once during the evening. You will get a star for each win and at the end of the evening, the total number of stars will determine the order of prize selection. There will be many prizes. All of this fun at no additional charge.

Our ladies are well known for the amount and variety of food prepared for this dance. No one will go away hungry. This dance will be a fun night and we hope to see you there.

### ROUND TOWNERS

In the spring a young man's fancy lightly turns to thoughts of...what else? Round Dancing! The Round Towners invite you to join them Sunday nights in April at the Covenant United Methodist Church, 1124 Culver Road, Rochester, from 8:00 to 10:30. We will waltz, two-step, rhumba and fox-trot our way into that Happy Felling. All phase III and IV dancers are welcome.

An upcoming Special Event is the Spring Fling dinner dance at the Redmen's Club on April 21. This is an afternoon through evening Party which is open to all. There are flyers out at most clubs, or call Marlene for information (538-4525).

Hope to see you a-round!

### Copy Cats

Come join us for our Dessert Social and Swap Around on April 13. The desserts will be provided by the master chefs in our club. All the men will bake, broil, freeze, or otherwise concoct; or buy, their favorite confection for this event. The Swap Around will be our annual white elephant sale. I'm starting my collection of items to bring to the sale. We extend a special welcome to your class dancers for this dance.

April 27 will encompass all the fun and games that make up a graduation party, for this is the night our newest class will graduate. Our class is full of fun loving people. I can't wait to see their faces as the fun progresses.

Ten couples enjoyed the evening dancing and chatting at the Beechwood Nursing Home. I hope we are as cheerful as some of them, when we reach their stage in life. We will visit St. Ann's Home on April 17.

We are very busy planning the festivities for our 20th anniversary party. It should be a good one. Watch for more information next month.

## Sets in Motion

Our picnic-beach party (really a cabin party) on February 17 was quite a sight. Our president came dressed in shorts, sandals, sunglasses plus a straw-hat to shield his eyes from the sun, and a lounge chair to sit and relax and enjoy the sun. Beth Miller and daughter Sara Beth were also dressed in shorts (over sweat suits, of course). Our picnic featured hot dogs done on the grill (parked outside the door), salad, jello etc. Our hearts were warm, though, and we had a good time. Thanks to Les Bradt for doing the calling. He is considering joining our group, always good news.

If anyone else wants to see how we do, come on out to Henrietta Town Park on April 14. We dance from 3:00 to 5:00. Pot luck dinner is at 5:30. Bring a dish to pass, own table service and drinks and come see. We'd love to have you.

We were sorry to hear of the emergency surgery for Peggy Gilbert. The latest word is that she is improving and should be well on her way to recovery. Our prayers are with her.

## Country Twirlers

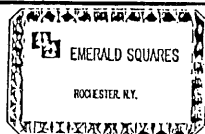

Now that the Gulf War is over, we can all be very thankful, especially our caller Jack Barnes. His son, David, is now serving in the Gulf. Jack and Joan plan to visit him at his home base in Little Rock, Arkansas as soon as he returns. In the meantime, Jack and Joan have left for an extended trip to Florida, both to sight see and visit with old friends. Jack does not plan to stop calling, he will still call for the JB Squares in Buffalo and make some guest appearances. We hope that he will be able to return to Country Twirlers on occasion.

By the time you read this all the snowbirds should be back home and this will be a welcome sight. It will put more dancers on the floor and make things a lot more fun.

Geoff Ford will be calling for us on April 6, to be followed by Mike Harris. Jack and Joan will have finished travels by mid-April, so Jack will be calling for us again on the 20th.

## Emerald Squares

Learn Country-Western dancing for couples at 7:00 to 8:00, before the start of our regular square (all position) and round dance begins at 8:00. Of course you can come for one or both types of dancing. The new "two-step" type dancing is starting a new session on February 26, but feel free to jump in and catch up any time. It's lots and lots of fun. Some songs are: Sidekick, Ten Step, Country Cha, and Sweetheart Shuffle. Call Bob Ellis, 1-526-5282 if you are interested.

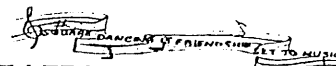

Tom Kennan, we're sorry about your mother's passing. You and Jenette have our deepest sympathy.

The Web Spinners stole our banner. We'll be out at your old stomping ground to retrieve our Emerald Squares Banner real soon. You've had it long enough.

Don't eat too much Easter Candy for Easter, you have to do a lot of grand squaring to burn it off. Hug a bunny instead. Now that spring is around the corner, come out and see us on Tuesday evenings at the Green Lantern Inn in Fairport. Friendship is just down the road a bit for those who like to "stop" after dancing.

## Wayne Westerners

At 5:00 this morning the snow plow woke me up and I realized it is February. Its time to send in the letter to meet the March deadline so that it can be printed in the April Promenader, so everyone can read about the Apple Blossom Dance in May. How time flies! Apple Blossoms already.

As for March it seemed nice to get back to our regular schedule with our annual Snow Day on the 10th. Some of our members came home and some left for a late winter vacation.

Our class is doing very well. We have some good dancers coming on! We are looking forward to having some good times with them when they graduate.

Remember the Apple Blossoms are almost out. We'll see you on the dance floor!
