This-n-That from the Editor's Desk

A unique issue! The Finks and Langs are on well-deserved vacations. Thanks to the special people willing to stand in for them.

Also, this is the first issue that our new dancers will be receiving. I hope they discover lots of interesting tidbits.

Reporters, your job must seem so tedious and impossible at times. I realize what you have to go through, at times, to get correct information and meet the deadline. Your efforts are appreciated and you know they are important. But...

I have spent two days chasing a piece of tissue paper containing news and a wee piece of paper that I think had a schedule on it. (I'm not too choosy about presentation, but that gets very frustrating.) If I lose or cannot read your report, I don't have a chance of typing it correctly. Try to write your reports, on regular paper, exactly the way you want them printed. Resist the temptation to capitalize every word. Sentence structure and grammar are not high on my list either, but in-order to convey information through the written word...

Remember, the next issue is the summer issue, covering the months of June, July, and August. Send, news and schedule to cover all three months, early enough so that I have it by May 3.

SPIRIT OF THE DANCE

It isn't the place that you go to dance,
Nor the fabulous dresses, nor fancy pants,
Nor the big city caller, nor famous band,
That makes Square Dancing liked throughout the land.

It's the spirit you have, it's the friendly smile,
It's the circle of friendship that gives it style.
It's the friendly touch of another's hand,
As you dance around in a right and left grand.

CARMEN'S COLUMN

BECOME A BETTER DANCER

This month we're going to discuss something that has been said before, but needs to be said again. Part of our enjoyment in square dancing is to be able to dance as much of the tip as possible. We do not pay our money to stand around and watch others. Since the square we are in will probably break down one or several times during the evening, the name of the game is RECOVERY. One can tell good, experienced dancers because almost as soon as their square breaks down, they are back dancing again. The sooner the new dancer learns to recover, the greater will be his enjoyment, and the better he will be accepted among the older members. Here are some hints which you should remember:

1. **DANCE WITH YOUR HANDS.** Try to join hands with the people beside you immediately after completing a call. Even a touch helps. By doing this you can know where your partner is and see whether you are in a line, wave, etc. You might also help to orient your neighbor who has lost his direction.
2. **DON'T TURN AROUND** when you are lost. Walk slowly straight ahead or around the outside of the square. Look around to see where everyone else is by moving your head, and extend your hands shoulder high for help. Much shoving occurs because the lost person freezes and keeps his hands by his side leaving nothing for guiding except his back. By extending your hands, you will most likely be led rather than shoved into position.
3. If you miss part of a call, **DON'T RACE THROUGH IT TRYING TO CATCH UP.** Instead, forget the part you missed and try to pick it up where everyone else is.
4. If a person is not in position to do a call and you can't guide them, **DO THE CALL AS IF THEY WERE THERE.** Waiting for that person puts two more people behind and breaks the square down.
5. **LEARN TO LISTEN TO THE CALLER** when you hear a call you have forgotten or never heard of. Most of the time the caller will tell you how to do the call after he has said the name.

Last but not least, if you are a new dancer, always try to get in squares only with people who dance better than you. You will dance more, learn more and have more fun. Good dancers can keep going with only one weak couple in the square, but it is almost impossible with two.

CARMEN'S COLUMN

WHO'S YOUR PARTNER?

You will have less chance of being confused if you know who your partner and corner is in various formations in the square. Here's a glossary defining partners and corners under most situations.

Your partner is:

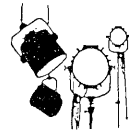

- anyone you SWING
- anyone you PROMENADE,
- the person you meet after doing an ALLEMAND LEFT
- the lady to the man's right as he is facing the center in a CIRCLE
- anyone you start a DO PASO with
- anyone you start a GRAND RIGHT AND LEFT with
- the one next to you in a SQUARED-UP SET
- the other person. on your half of a LINE
- the person facing the same direction as you in an OCEAN WAVE
- the person beside you when all the couples are stacked up such as after WHEEL AND DEAL or DOUBLE PASS THRU

Your corner is:

- the lady to the man's left (clockwise) as he is facing the center in a CIRCLE
- the lady clockwise from the man in a SQUARED-UP SET
- the lady clockwise from the man in ANY formation after the completion of any call.
- if two ladies are standing together facing two men, NOT IN A LINE, the person you are facing is your corner.

Your partner is constantly changing as the square is in motion, so you must be aware whether you are in a line, wave, etc. Remember, you will have a better chance of identifying your partner by joining or touching hands with the people next to you immediately after completing a call to check the formation you are in. Also, by doing so, you may help the one next to you and save the square.

An exception: It is possible not to have a corner or partner such as in a line or circle where two ladies and two men are together. In that situation, if the call is ALLEMAND LEFT, then only the men who have ladies to their left have corners and only they can execute the call. Those men who have corners do not have partners at this point, and vice-versa. The caller often tries to help by saying, for example, "*those who can, allemand left!*" If this seems a little confusing, it is. Whether a person is your partner or corner can literally depend on the next call.

CLUB PRESIDENTS

Cloverleaf Squares

Susie Haungs, President of Cloverleaf Squares, was first exposed to the old time calls of "Doodley squat" and "Go red hot" at the age of five when her parents took lessons from Myron Huss.

She started dancing almost nine years ago and in the inter-

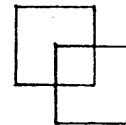

im, has taken A1 lessons. Currently, Susie dances with the CLOVERLEAF SQUARES and has served as Secretary (in 1984) and Treasurer (in 1990) and now has taken on the busy job of the Presidency of Cloverleaf Squares.

Susie spent 1989 traveling internationally with UP WITH PEOPLE, touring 14 different countries, including Germany when the borders were opened!

Currently, Susie is a junior accounting major at RIT, and plans to graduate in the fall of 1992 and subsequently sit for the CPA examination.

Congratulations to a very busy young lady and good luck in her future endeavors. But most of all, we hope she has time to continue and contribute to the wonderful world of square dancing.

LETTERS TO THE EDITOR

Dear Promenader Editor,

One of the things the Federation is doing to promote square dancing is to publish "A Directory to Square Dance Activity in the Rochester Area". It lists when, where and what program each club dances. We are trying to get it in the hands of people who do not receive the **Promenader**. Sixty-six press releases were sent to the media indicating it is now available to anyone who sends a self-addressed stamped business envelope to:

The Federation
c/o Neff
P. O. Box 40786
Rochester, NY 14604-4786

It is also available for pick up at Arts for Greater Rochester, 335 East Main Street, Suite 200.

An even more important Federation publication is the calendar of free Open House dances. If we had the information available early enough, we could take advantage of several promotional opportunities over the summer months. I would urge all clubs to set their open-house dates, times, and places as soon as possible, and pass that information to me by June, so we can have a 1991 calendar ready by July. Publicity volunteers are also needed for 1991-92.

CLUB

NEWS

Lilac Squares

March winds and April showers bring forth the May flowers, so our "Lilac" Festival's second annual dance will take place on Friday, May 10, at the Covenant United Methodist Church, 1124 Culver Road, corner of Parsells Avenue at 8:30. This is a class and club dance.

Our club will be in the Lilac Parade and do a square dance demonstration at the Pansy Bed in Highland Park.

There will be no dance on Memorial Day, May 27, but all the other Mondays, May 6, 13, and 20, we will be at Penfield Baptist Church at 6:30 for the class and 8:00 for the club, with Jerry and Betty Carmen doing the honors.

Our recently-married president, Sybil Gales Northrup, has a new address and telephone numbers: 8237 Routes 5 & 20, Holcomb, New York 14469. Telephones: 657-6136, and 657-6160. Have a happy Memorial Day!

Lima Grand Squares

Now pay attention, because I'm only going to go over this once. All dances in May will begin at 8:00, because each week there's something special going on.

On May 3, it's the Maypole Dance for both class and club followed by an Ice Cream Social. The ice cream will be provided by the club, but you'll have to provide your own syrup, nuts, whip-cream, dish and spoon, and cover-all, apron or bib. Frankly, I've never seen anything like it, one great big tub of ice cream ... what a mess!

May 10 is graduation night and May 17 is, of course, for all "old" and "new" members.

May 24 will be the Trail's End Dinner (at 7:00). Bring a dish to pass (preferably with something in it). Then it's upstairs to the last dance of the season.

That's it, I'm done. These enlightening, entertaining, whimsical news articles have just finished their last "tip". So, thank you, partner...thank you, corner... and thank you all for putting up with me.

Information Reporters,
624-1476 Alan Fish

Promenading B's

Our club has been working hard on plus calls and will continue to have workshops between 7:30 and 8:00. If you'd like to brush up you're more than welcome.

Our Black Light Dance was a huge success. Everyone had a great time and enjoyed dancing under the black light. Thanks to everyone who worked and furnished refreshments.

If you missed Watson Weekend and The Hip Boot Boys, you don't know what you missed. A good time was had by all.

Remember us on Friday nights and come on down. We guarantee you'll have a good time.

Information Reporters,

Sets in Motion

Camping season, 1991, here we come!

Our April Cabin Party was super. Gary and Alice Bubel called their best for us. The food was excellent and, best of all, we made plans for our first campout of this season. We'll be at Woodstream Campground, Gainsville, New York, from May 12 to May 14. Mike Herne will be doing our calling and cuing.

Mother Nature doesn't always cooperate with us in May but we have the use of a sheltered area for our Friday night soup pot, if necessary. For the hardy souls who do come, we have fun even if it's cold, and our dancing is held in the recreation hall, which is also covered. If you want to come see, you must call Dick and Joan Reagan by May 2 at the latest. (716) 442-5465. Come try it, you might like it.

Silver Squares

Plans are being finalized for the annual picnic at Hamlin Beach State Park, in June. For all registered club members, this catered fun-fest promises: Bocci, Open-air square dancing and companionable conversation. Through the efficient bookkeeping of Mabel and Lena Schumaker, our bookkeepers, this event will be free to our members.

Silver Squares will be dancing through the summer months in air conditioned comfort, if present plans are approved by members. Details of these events and the promised ice-cream Social at the next two meetings. We are always happy to welcome dancers from other clubs and look forward to an "Alumni Reunion" dance with those who met and married through their mutual interest in square dancing. We wish a long and happy life to those "very special" couples.

Information Reporter,
889-4619 Betty Cowley

Stardusters

We welcome back all of the "snowbirds" and hope they enjoyed their winter.

May 7 marks the Twelfth Anniversary of the Stardusters. As in past years, that evening will be a free dance. We will have refreshments and prizes, and some guest cuers to help in the celebration. We invite all levels of Round Dancers to join in the festivities. For the May 7 dance only, there will not be a workshop and the dance will begin at 8:00.

The Intermediate Round Dance Workshop will resume on May 14 and continue each Tuesday from 6:45 to 8:15.

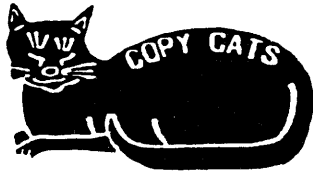

The Stardusters will be dancing all summer on Tuesdays at the usual location. Look in your Promenader for the schedule.

Tecumseh Squares

Congratulations to all recent graduates, especially members of our class. We will publish the list in the next issue. We hope to see you all at Dance-O-Rama. Tecumseh is offering two programs for Mainstream graduates starting May 10. The first program is to sharpen Mainstream skills on Friday, May 10 and 17, from 8:00 to 10:00. The Plus program workshop begins on May 24 at 7:30 and continues through August 30. See our ads in this issue for details on both programs.

Plans are underway for a special dance in September featuring Jerry Story, renowned caller from Texas. The dance is scheduled for Saturday night September 22 at Greece Athena High School. Save the date and ask your friends from other clubs to join us on that night.

Thanks to all who participated in the demonstration dance at Nortonian Nursing Home. Some showed up despite having no power due to Ice Storm '91. This storm forced us to cancel our regularly scheduled dance on March 8.

Mac and Jane, the Randalls, Kanes, and McNeils made the trek to Batavia to retrieve our banner from the Silver Stars. It wasn't easy finding their dance hall, but we persisted and found it. It turned out to be an expensive evening for Kanes and McNeils, as they got lost in Oliver's Candy Shop trying to help out the Easter Bunny.

Jean Berner is recovering from recent knee surgery, and we all look forward to the time when she can join us on the dance floor.

A few days after the last article was submitted for publication in April, the Rochester area suffered through the worst ice storm in history. In many cases, it will take several months to return to a degree of normalcy. Hopefully, as this article is being written, the majority of dancers will be on a course of recovery.

As I mentioned in previous articles, it is nice to be exposed to some old classics that were written directionally, before the Phase system and International Cuing were adopted. As round dancers move on into Phase IV and beyond, they can readily see that International Cuing rates more pluses than minuses. Not only is it easier for the cuer, but the dancers would not be able to react fast enough, in most cases. A well-organized program should consist of a mixture of dances written both ways, so the dancers can see the comparison.

May is a busy month. Following the Dance-O-Rama on May 4, the Toronto and District Square and Round and Dance Convention is being held on the 9th to 11th at McMaster University, Hamilton, Ontario. Several of our members are going to be in attendance at this festival. The round dance program features Peter and Beryl Barton of the Toronto Area, and Carl and Pat Smith of Canton, Ohio. I'm sure we will pick up some new dances which will later be presented at our club.

Happy dancing!

the DALTON GANG

The Dalton Gang is coming out of the hills, from sixty miles south of Rochester, to join the Rochester Area Federation. After several years of inactivity, we re-formed (no pun intended!) three years ago and are enjoying not only the square dancing but also new-found friends.

Lee Zilker from Fillmore is our caller, and we dance at the Dalton Elementary School on Tuesday nights from 8:00 to 10:30. We consist of fifteen couples.

Our annual round and square dance (club and class) will be held at the school on Saturday, May 18, from 8:00 to 10:30. There will be prizes and refreshments. Instructional fee is \$5.00 per couple.

We welcome anyone down our way to look us up and join in for an evening of fun.

Triggers

Time flies. We've had fun this season with calling and cuing by Mike Harris. We wind up with our Spring Fling dinner dance on May 21 at the Greece Grange. It will be great dancing with new members, the class graduates.

Join us at Dance-O-Rama on May 4. This is a good way to meet friends from other clubs.

Carol and Russ Phillips are doing well. We hope they will visit us soon. At this writing, Bob Deckard is hospitalized and Renee is on the mend. Hope things are going much better for them.

Note our new dance time. Rounds are from 7:15 to 7:45 with a Plus workshop from 7:45 to 8:15, except on May 21. Give us a try.

Village Squares

The Third Annual Greater Rochester Talent Hunt on March 2 was a great success and we wish to congratulate Tom Turcotte for winning the event for the second year in a row. We also wish to thank all the other participants for the fine performances they gave, and a special thanks to Jerry Carmen for being a very entertaining Master of Ceremonies.

It's hard to believe - another square dance season is drawing to a close. We will be having our Trail End Dance at the Green Lantern Inn on Wednesday, May 22. Social hour and dinner will start at 6:30. Bill Saintey will be joining us to provide our round dance cuing. While the Village Squares will not be dancing in the summer, we encourage everyone to stay active in the summer wherever they can, to stay in dancing shape for September.

We hope that our Co-President Lucille Adams has a speedy recovery from her recent accident and can rejoin us quickly.

As a reminder for those who know people interested in becoming Square Dancers, the Village Squares will be featuring an Open House on Wednesday, May 15 at 8:00. Also, the Village Squares will be demonstrating Square Dancing at the Fairport Canal Day Festivities on June 2.

Finally, we wish everyone a safe and enjoyable Summer and we hope to see you on the dance floor.

The two dances shown on this month's schedule are an extension beyond our regular schedule and are pay-as-you-go for everyone including club members. The fee will be \$5.00/couple and will be from 7:30 until 10:00, on May 3 and May 10. Recent graduates and members of other clubs are welcome.

The club will be doing a demonstration dance as a form of entertainment for the Webster Grange at their Anniversary Dinner on May 4. Mike Herne will be calling.

We are looking forward to June 1, when we will again be dancing with the Wayne Westerners to help celebrate our mutual neighbors' "Ontario Days".

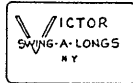

With this issue, Madge and I bid you adieu from this column.

For the club members including the new members from the class, we want to express our gratitude to the officers of the club who have worked so hard to make this a successful year, and to the committee chairpersons and their workers for their efforts to make each and every "special" dance a success.

Last but not least our thanks and appreciation to our caller Mike Herne and cuer Bill Saintey for their excellent calling and cuing. It was a fun year.

Just a reminder of our Tee-Shirt Dance on May 16. Wear your funniest, or favorite, or create a new one to wear. We keep hearing there may be prizes, but no one's telling the categories.

Our first Half-Price Dance on May 18, will be at the Junior High School from 8:00 to 10:30. Come for half-price and enjoy some of our famous treats, too. Class people are invited too. See you there!

Wayne Westerners

Sometimes we feel like paying tribute to someone to show how we appreciate them. The couple I want to thank today is George and Virginia Closs. In March, every year, they have invited this club to their home for a day of fun. We dance in the big parlor and sometimes in the snow. We walk in the woods, talk and laugh and eat! We bring snacks and share delicious soup from a communal soup pot. With reluctance we finally go home, hoping for another perfect day next year. We owe a vote of thanks to Al Overslaugh. A day of dancing would be impossible without an obliging caller. thanks to all three of you!

Apple Blossom Dance! Be sure to come. We'll be looking for you! Squares will be called by Anne Uebelacker, rounds by Dottie Reed. It's bound to be a fun night! Come and bring your friends.

Circul-8-tors

April showers bring May flowers and also the Circul-8-tors last regular dance of the season on Sunday the 19th. The time is 2:00 p.m. and the place is the Penn Yan Grange Hall on the south side of Route 54A at the west edge of town. This month it's Chip Kellogg's turn to call Plus tips and Dottie Reed's turn to cue easy-intermediate rounds for a real enjoyable 2 + 2 program.

The 1991 elections are now history, and we will have new Secretaries and Treasurers starting two-year terms on July 1. Our new Secretaries are Bob and Lyla Bonnett and the new Treasurers are Aubrey and Alice Hale. Many thanks to our outgoing officers, Fritz and Marje Aude and Marty and Mary Miller, for their loyal and faithful service over the years.

There is still some space available for this fall's "Old Dominion" trip to Virginia. This is a first-class tour at a very reasonable price. And remember, you don't need to be a member to join us! See the ad in this issue of the *Promenader* for details and call the number below for a detailed itinerary and a registration form.

Although the final dance of the season is later this month, we still have our annual campout and picnic scheduled for August 23 - 25 at Woodstream Campground. So circle the dates now and plan to join us for a fun-filled weekend. More details next month.

We hope to see you at Dance-O-Rama on the 4th and at the Circul-8-tors on the 19th - two important dates!

Which Way Whirlers

Only a few months ago we started our square dance year, and already it is nearly over. We finish up on May 15 with a pot-luck supper. If you care to join us, bring a dish to pass and your table service. We arrive at 6:30, eat at 7:00, and start dancing at 8:00. Our ladies always surprise us with the variety of dishes and almost never a duplicate. Mike Herne will call and cue an enjoyable dance.

In April our club graduated three couples. They are: George and Ellen Off, Dave and June Wallace, and Carolyn Scott and Shirley Radley.

We hope to see you out dancing.

Twinkle Shoes

Now that the weather is warmer and flowers are in bloom, why not join us on Thursday afternoons for a little more exercise and "all 'round fun"?

To elaborate more on the Easter demonstration we gave at the Ogden Senior center, our group brought smiles and light hearts to approximately fifty people. We danced Steppin Easy, Tina's Waltz, and several others, saving Axel F, a Cha Cha, for the grand finale! then a lovely turkey dinner with all the trimmings was enjoyed by everyone.

Hopefully, next month we'll be able to entertain at the Brockport Senior Center. It would be our pleasure to welcome you so why not stop in and say Hello?

Boots 'N Slippers

We are looking forward to our class graduating on May 3 at the Village Elementary School in Hilton. As always, our last year's class provides the entertainment, and tricks on the new graduates. (No charge for guests this evening.)

Again this summer we will be dancing at the Hilton Fireman Exempts in Hilton on June 14, July 19, August 9, 16, and 23. These will be Plus dances with a review of calls to start the evening. See our advertisement in next month's Promenader.

Our Trail End is being held at the Greece Fireman Hall on Latta Road in Greece this year. As always, Mike Callahan will be calling and Brian Adams will be cuing. The date is May 17. Dinner will be served at 6:30 and dancing will start at 8:00. The cost of the dinner and dance is \$26.00. If you come for dancing only, we will ask you for a donation of \$6:00/couple. Call 342-8398 or 426-6345 for reservations.

Starting in the fall, Mike Callahan will be having a review session from 7:00 to 8:00 for those square dancers who feel that they want to return to square dancing but don't think they can dance. The instruction fee will be \$2.00/couple for the review lessons. Please tell your ex-square-dancing friends that this is their chance to get back into square dancing.

Each week we have square dancing from 7:30 to 8:00, which is the time Mike Callahan reviews Plus calls. Then at 8:00 to 8:30, Brian Adams cues rounds. From 8:30 to 10:30, we have squares and rounds. After dancing, refreshments are always served.

Country Twirlers

We are now entering the month of May and the Country Twirlers are winding up the square-dance season. We feel that we have had a very successful season and we should like to express our appreciation to the many dancers who came as guests. Starting in September we plan on truly great season of dancing. Tim Crawford will be with us for four evenings for your dancing pleasure. Gary Bubel will be our anchor caller for approximately two evenings a month and we are having a mix of local and out-of-town callers scheduled throughout the year.

After a number of years of attrition, I am pleased to announce that we are now a growing club. We gained seven couples from our class last year. And this year we should like to extend a warm welcome to Wes and Betsey Bacon, Kevin Gloff and Michelle Gray, Scott and Nancy Nather, Jim and Marge O'Shea, Charlie and Pat Scott, Dan and Pat Shanahan, and Doug and Sandy Van Putte, our 1991 graduates.

Jan Winnick will not be with us for the balance of the dancing season. She will be back on her feet and ready to dance again by mid-June. Fortunately for this reporter, another very nice lady has offered to fill the gap while Jan is recuperating.

Dancing Shadows

It's May! (Finally!) Hopefully, by now everyone's ice storm disasters are but a bad memory. Looking ahead to better times, we're thinking about Dance-O-Rama '91. It's that time, and we hope to see many of you on the dance floor May 4. It should be a fun-filled day, so don't miss it. Remember, you can buy tickets at the door.

Dancing Shadows will be dancing throughout the summer. We meet every Monday evening from 8:00 to 10:30, at the United Methodist Church of West Webster, 570 Old Ridge Road.

We dance easy-level rounds (Phase II and some Phase III) and would be delighted to have you join us. Feel free to give us a call if you have any questions or would like more information.

Emerald Squares

We are getting back into the "swing" of things at Emerald Squares and welcoming back the winter travelers. Hope they enjoyed Florida, Hawaii, the Caribbean, Mexico etc. The rest of us "enjoyed" Rochester.

We are looking forward to Dance-O-Rama with our own Bob Ellis on the calling staff. Hope for a good attendance to support the hard-working Dance-O-Rama committee.

Our annual Plus workshop starts on Tuesday, May 7. It will be for new dancers and anyone who wants to learn the Plus calls from various positions. It will be held every Tuesday from 7:00 to 8:30, followed by Emerald Squares Club dance at 8:30. Come join us for great summer dancing in the air conditioned comfort of the Green Lantern Inn in Fairport.

Finger Lakes Squares

Along with spring came the song birds and all the wildlife that holed up for the winter. It wasn't so bad though; we only missed one dance because of snow and a group of cruise people for another. They are all back and recovered. Got in a little dancing, snorkeling, tours, and just plain old sunshine - lots of it.

While on the beach, Gene said, "Our ship has sailed without us." Oh my, Oh my! Stranded on an island with Gene - worse than being buried alive. Good thing Sharon was there to straighten him out.

We hope everyone had a nice Easter.

Thanks to the Genesee dancers for inviting our club to be guests March 28. Don't forget Dance-O-Rama May 4, and to sign up for the Brown Barn Camp Outs this summer. Memorial Day is the first one.

Six couples graduated A2 and are dancing our regular A2 schedule. We welcome any and all A2 dancers any time. If you need a little change from the regular routine come try us.

Geneva Friendship Squares

Jim Wheeler of Orchard Park, New York will lead off our series of summer dances at 2:00 on Sunday, May 5, at DeSales High School on Pulteney Street in Geneva, New York. (Well, May is almost summer, right?) We hope it turns out to be a nice afternoon for a drive, dance, and maybe you'll want to have dinner at a Geneva-area restaurant afterward. We also look forward to the cuing of Dottie Reed of Newark, New York. Dottie will start with a round dance party at 1:30 which will last until 2:00. DeSales has a nice big wooden floor, a stage for the caller and cuer, and is easy to reach. See the map in our ad. You should enter from the High Street side, and you can park on High Street or on the other side of Pulteney Street. Hope to see many folk that afternoon.

Our last regular dances at West Street School this spring will be Friday nights on May 10 and 17 at 8:00. Find West Street just east of Arby's on Route 5 & 20, and then go north past three stoplights to the school.

The bass singer for the Red Boot Boys, Mac McCall of Fairfax, Virginia, will call for us Wednesday evening July 17, so save that evening. Marking our club's Silver Anniversary, the "Silver Fox", Ken Bower of Hemet, California, a Chapparel recording artist, will call Friday, August 9. We are very excited that we could get him in our area and are looking forward to a wonderful evening. Bill Newman will cue both these dances.

Do mark your calendars now, and plan to enjoy dancing to great national callers: two this summer, and Red Bates at our Fall Weekend on September 13 through 15, at Watkins Glen, not Sampson.

Genesee Dancers

Well, the Great Ice Storm of '91 is history! We all had stories to tell, and fortunately, no-one had a really bad experience. It did prevent us from dancing that one Thursday night.

Sadly, we will miss two of our members who passed away in March, Flora Bello and Howie Hendrickson. We extend our sympathy to their families and to their dancing partners.

During March and April some of our members were selling tickets for Dance-O-Rama. It's a Spring event that we look forward to. Being at the same location as last year and with such great callers, it's bound to be better than ever. Hope the Genesee Dancers will turn out in force. Unfortunately, Betty Langswager won't have her new knee ready yet. She says she'll be dancing in June for sure.

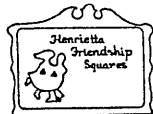

Our upcoming special events are our Maypole dance May 9, and our Ice Cream Social on June 13. Our program chairpersons, Bill and Marge Winslow, promise a real good time at both events.

Our refresher course dancers will graduate June 27, at our Trail's End Dance.

Lots of dancing coming up, folks. Come and join us any Thursday.

Glass Slippers

Welcome to the club! Welcome Bob and Betty Coopenberg, Eleanor Haas, Gene and Sharon Root, and Lee and Esther Zastrow, who made the commitment and learned all the calls Bob Meagher taught them. They join our newest members, Arnie and Arlene Harster, who were married in April. The Glass Slippers Club continues to grow.

May 1 is graduation night, so our graduates will be wearing their new club badges at Dance-O-Rama on May 4. Hoe and Loretta Wiczorek, coordinators of the Grand March of new dancers, are looking forward to having a large group participating. Please, club presidents, encourage your new dancers to attend.

May 15 is our last scheduled dance until September. We're having our second annual "20-foot-long sundae" ice cream social. Bruce and Debbie Emmerson are the chairpersons. Last year we had sixty people there, digging in at the trough. It was really hilarious! Come and enjoy a super sundae with us.

Have a happy, healthy summer. Find a club that has summer dances and keep your skills sharp. Summer dances are fun.

Like other clubs, we weathered the "Ice Storm", losing just one club night and one class night.

We're right back in full swing, getting ready for class graduation on May 6. I would like to mention here our graduates are: Ernie and Becky Aglietti (class rep.), Dom Coirazza and Joan Polcyn, Alex Derry and Phyllis Cotter, Erasmo DiGiorgio and Gloria Santacesaria, Barrie and Mary Lou Pack, Charlie and Ann Schmitt, Merle and Doris Toland, David and Virginia Robinson, and Tom Greco. Congratulations to all of you and Mike Harris for a fine teaching job. Keep in mind May 8 for open house, all you new graduates. Bring your friends and show them what fun square dancing can be. It has the additional benefit of exercise and meeting new people. It leads to new things, such as June 9, when we will be having our annual car rally.

We would like to extend our best wishes for a speedy recovery from his recent heart attack, to Charlie Ketchum. Charlie and his wife Dolores are part of our Social Directors, always willing to help out on any occasion. Welcome back to Shirley Collura from her recent surgery.

Copy Cats

The excitement is certainly building as the year progresses. Our white elephants have all been transformed into treasures in their new homes. None of us gained any weight at our dessert social because all the men brought non-caloric desserts. What a feast we had! Julia Child, move over.

Congratulations to all of our new graduates. You have to be one of the best, most fun-loving classes we have ever graduated. It was amazing to watch your confidence grow as you attended the many wonderful class and club dances sponsored by all the clubs. We had a rollicking good time at the Graduation Dance, where all our Copy Kittens officially became Mainstream dancers. Chip Kellogg, class teacher, did the honor of putting the class through their paces for the graduation ceremony.

Bob Meagher and Al Overslaugh are our guest callers in May. A dish-to-pass supper will precede elections and dance May 11. Set your places and socialize at 5:30, dinner will begin at 6:00.

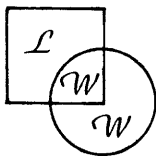

You are all most welcome to come help us celebrate our Twentieth Anniversary on June 8, at the Columbus Center on Barrett Drive in Webster. A gala event is being planned. It is to be a combined anniversary and reunion for all past and present Copy Cats. We are also celebrating Mike Callahan's twentieth year of calling for the club, and Chip Kellogg's seventeenth year of teaching the Copy Kittens.

The season will end with the Trail's End Dance on June 22.

For your Saturday night dancing pleasure, the Copy Cats welcome you every second and fourth Saturday in East Rochester at the First Presbyterian Church on East Avenue.

YOU ARE A SUCCESSFUL DANCER . . .

- When you dance to the BEAT of the music.
- When you dance to the FLOW of the square.
- When you work with 7 others to make it go!
- When you TOUCH HANDS to make neat setups.
- When you watch your opposite to correct yourself or help them.
- When you make mistakes, but can correct them without taking down the whole square.
- When you scramble (where necessary) to "fill the hole"
- When you make EYE CONTACT rather than vocalize to help yourself or someone else.
- When you fix someone GENTLY without pushing or grabbing, especially when you're right!
- When you smile!!!!
