ROCHESTER, NEW YORK

SUMMER 1991

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

I'd rather be

Square Dancing!

This-n-That from the Editor's Desk

Reporters, remember the next issue has the difficult-to-meet deadline. The deadline is: on my desk August 3. It would be disappointing to miss the first issue. Unless you hear differently, send reports to me.

New dancers, you probably have experienced your club's (or another club's) large yearly dance. Clubs, from one geographical area join to form an association or, in our case, The Federation. Dance-O-Rama is the Federation's yearly dance. I hope you had the opportunity to experience it in May.

The associations of the state form a state-wide association. New York's yearly dance, The Empire State Square and Round Dance Festival, will be held in Albany this year, on October 11 and 12. It will be portionately more grand than Dance-O-Rama. This festival brings together dancers from all over New York state, surrounding states and Canada. An experience you won't want to miss.

The National Square Dance Convention will be June 25, 26, and 27, 1992, in Cincinnati, Ohio. Thousands of square dancers, all friends, coming together just for the fun of square dancing, produces a truly spectacular event! Make a vacation out of this one.

In addition, promotional ideas, news release suggestions, ad make-up and other square dance promotional material is included. The cost is \$5.00.

Requests for the Promo-Pacs may be sent to Al and Vera Schreiner, Legacy Executive Secretaries, 1100 Revere Drive, Oconomowoc, WI 53066.

CARMEN'S COLUMN

RAISE YOUR CLUB LEVEL

It's the second tip of the evening. Your square has just whipped flawlessly through *relay the deuce* followed by *spin chain & exchange the gears*. Then the caller said, "recycle, sweep one quarter, load the boat, allemand left!" Perfect! What a square! Not even a hesitation. The next tip, the caller announced a MAINSTREAM tip. "A bummer," you think. "We're a high level club. Why fool around with this easy stuff?" You keep the same square. The caller starts out, "Head couples square thru, dos-a-dos to wave, all eight circulate." Suddenly your square is in confusion. You look around you. Most the other squares are broken down also. The caller regroups everyone and calls the same pattern again with the same results. Even after a walkthru, there is still a lot of uncertainty. "What's happening?" you think. "That was a BASIC call and we should all know them! Maybe the caller's trying to trick us."

This is not an isolated example, but is commonly seen on many dance floors with other calls such as *spin chain thru* and *eight chain thru*. *Scoot back* and *slide thru* give many dancers problems, too, and these are all mainstream calls. A while back I remember buttons being distributed saying, "MAINSTREAM DANCERS ARE AN ENDANGERED SPECIES". This is more true now than ever. Mainstream is supposed to have the connotation that most square dancers can execute these calls without need for a walkthru. That no longer seems to be true. Apparently there is a large block of calls on the MAINSTREAM and BASIC lists we don't know how to do. In our rush to PLUS we have overlooked something.

When I see squares breaking down trying to get through a mainstream tip, I certainly don't think the dancers are dumb. After all, don't they do well on the supposedly more complicated calls? Rather, I see this as a problem with the callers they dance to on a regular basis. The key to doing any call well is practice. If you don't hear a call often enough, you can't learn it well. Who has control of the program? Why, the caller, of course. If he doesn't use these calls, you won't get the practice dancing them.

Since we now have established there are many calls that are in the "list" that we don't know well, here is an opportunity to increase our knowledge, hence, RAISE THE CLUB LEVEL. Just as your board of directors was insistent learning the PLUS calls and raising the club level, now is the time to be equally as insistent on learning the MAINSTREAM calls. Maybe we can be a little militant about it. Approach the caller and the club president and say, "If you don't raise the club level and teach us the mainstream calls, I'm going to join another club." Sound like you mean it and put a little fear in them. If you are competent in all the MAINSTREAM calls and you are in a square where people break down on them, say with a little disdain in your voice, "You PLUS dancers should go to a workshop and learn how to dance.", or something clever like, "You can always tell new dancers. They know all the PLUS calls, but screw up the MAINSTREAM calls." This should get a laugh

SPOTLIGHT ON CLUB PRESIDENTS

Genesee Dancers

The Presidents of GENESEE DANCERS, Ray and Emma Schlesing, started their square dancing career in 1975 with the Copy Cats. They eventually became Vice-Presidents and subsequently Presidents of that club. They joined Genesee Dancers in 1981 and have been both Junior and Senior Federation Representatives, Program Chairmen and are now Presidents of that club.

They have also served on several other committees for both clubs and have also been Corresponding Secretaries for the Rochester Area Federation. Ray and Emma took round dance lessons in 1981 to further add to their repertoire.

The Schlesings have been married 35 years last October and they have two children; one married daughter named Cindy and one bachelor son, Rod. They are still hoping to become grandparents.

Ray has worked at Xerox for 26 years and Emma has worked part-time and is a homemaker. They both like camping, antique cars and gardening.

Congratulations to the Presidents of GENESEE DANCERS, Ray and Emma Schlesing.

FUN

From all the letters in recent issues of the **PROMENADER**, it seems that everybody agrees that square dancing, or any other volunteer activity for that matter, has to be **Fun** or it's not worthwhile doing. What a lot of people don't seem to want to recognize is that there are a lot of different types of fun, for instance:

- ☒ being amused and/or entertained;
- ☒ attending plays or concerts, where one gets more than just an hour or two of distraction;
- ☒ "laughing it up," "letting one's hair down," in a group of congenial people, sometimes assisted by alcohol;
- ☒ fishing;
- ☒ going on nature walks;
- ☒ developing and exercising a skill, either physical or mental or both;
- ☒ pulling the wings off flies;
- ☒ visiting the zoo or a museum; etc., etc.

Actually, instead of "Whee-e-ei, ain't we got fun!" aren't we really thinking of something that might better be called "enjoyment," or perhaps "satisfaction" or "gratification"? And doesn't the above list show that different people have different ideas about what kinds of activities are "fun" for them?

The next question is, why should people find their fun in square dancing?... What special thing does square dancing have to offer, when such benefits as sociability, entertainment, and pleasant non-strenuous exercise can be found in many other types of group activities?

From all that is said and written, it seems that most everybody believes that there is only one kind of square dancer; which means that all dancers or dancer-couples like the same things as the people they know the best: themselves. On the other hand, over twenty years ago two highly and widely respected callers, Dick Jones and Earl Johnston, were saying that there are two different kinds of square dancer, which they called the "hobby dancers" and the "recreational dancers."

In my opinion, separating dancers into only two kinds is an over-simplification. It seems to me that there are at least three different values that people find in square dancing:

- ☒ continuing to extend the number of calls that they can recognize and respond to appropriately---the main value of the "hobby" dancers;
- ☒ variety of the things that can be done with a limited list of calls; for instance, variety of ways that the calls are put together, "Dance By Definition," dancing in setups different from the normal four-couple square, and a number of other gimmicks;
- ☒ the experience of dancing, defined as rhythmical movement coordinated with the music and the movements of other dancers.

If we define only three different degrees of interest in each of these three sides of square dancing---little or none, moderate, or high interest---it follows that there are not just two but eight kinds of dancers, differing in the relative importance they place on these three factors.... Yes, I know that three times three equals nine, but I figure that anyone who has no interest in any one of the three sides of square dancing would not be coming to square dances at all.

The countrywide decline in square dancing I believe can be charged to the practice of clubs and callers of trying (like most modern American businesses) to maximize their short-term benefits by catering to the largest group of customers, and never mind what happens to the less numerous types. That means that they are almost all competing for the same kind of dancers and leaving no place for the other kinds. This applies especially to the newer dancers who would like be another kind if they could, but become early dropouts when they learn that there's no place at the inn for them.

SON OF PREVIOUS WINNER TAKES 1991 LEADERSHIP AWARD

Square dancers attending Dance-O-Rama '91 revisited 1978, as the Leadership Award was again presented to the Shaws. In 1978, George and Una Shaw were the second recipients of this prestigious award. This year the award was presented to Bruce and Shirley Shaw.

The Daphne-Norma Leadership Award was established in 1977, by John Fink and Frank Salvagio, in honor of their wives. This award, first presented to Chuck and Gerry Prister, is to show appreciation for extensive and sustained leadership in the square, round, or contra dancing community. The criteria include: the many facets of leadership in local, state and national organizations, involvement in dancing or calling, attitude, and being a positive force and a good influence in the world of square dancing.

The members of the selection committee (the three most recent recipients) were very proud to honor Bruce and Shirley Shaw with the presentation of the Daphne-Norma Leadership Award at Dance-O-Rama.

Bruce and Shirley both started dancing as teenagers, and Bruce began calling in 1964. Over the years, Bruce has been class instructor for the Irondequoit Squares, and club caller for Henrietta Friendship Squares, Swinging 8's, and Cloverleaf Squares. Currently he is teaching and calling for Tecumseh Squares. He has had many guest calling engagements throughout New York State.

Bruce and Shirley were major promoters and participants of the very successful Muscular Dystrophy Benefit dances that lasted for ten years from the early 1970's through the early 80's. Bruce has been one of the callers for the Irish Childrens' Benefit dance since its inception in 1985. He volunteers for many demonstrations and volunteered at the last minute to be substitute caller for the New York State Physical Education Association Conference, which was held in Rochester in 1989.

In 1983, Shirley almost single-handedly, while chairing the Federation Publicity Committee, organized, raised funds, and brought to fruit a square dance promotional television commercial. This project brought Federation Clubs together working for a common goal.

SHIRLEY AND BRUCE SHAW

Bruce and Shirley have been members of Callers' Co-op of Rochester since 1970, and Bruce was its moderator in 1986. In 1984, they chaired the Leadership Conference. Bruce has been a member of Callerlab since 1975.

By their example and their attitudes, this year's recipients have continually demonstrated over the years qualities of leadership that have kept square dancing active in this area. This is the first time this award has been presented to a son or daughter of a previous award recipient. Our activity has been twice blessed. We give them our warmest gratitude and heartiest congratulations.

LETTERS TO THE EDITOR

Dear Dancers and Leaders,

Shirley and I wish to express our sincere appreciation to all involved in our selection at the 1991 Daphne-Norma Leadership Award recipients.

We would especially like to thank:

-George and Una Shaw for showing us the value of helping others to laugh and have a good time.

-Mike and Wanda Callahan for their special friendship and for sharing so many square dance activities with us over the years.

-The many Square Dancers we have met over the years; for the fun, support, and love you have shown us.

-The Tecumseh Squares for your ongoing care, hard work and support. Thank you for the efforts you put into making sure that we would be at Dance-O-Rama early. You are a great group and we enjoy working with you. (Work! I mean party!)

-Finally, thanks to all the callers, cuers, and leaders for your invaluable efforts in the square dance community. We have worked with many of you over the years, and appreciate the contributions you have made to the square dance community.

To everyone we have worked with, remember, the word "FUN" has "U" in the middle, and you have helped make our efforts over the years lots of fun.

Sincerely,
Bruce and Shirley Shaw

LETTERS TO THE EDITOR

Letter to the Editor

The editor of the **Promenader** is being swamped with letters. Very interesting. Are they writing what we want or what they want us to think.

I hope the trend continues. Every club is unique unto itself. Talk to your callers and officers. Let them know what you like or dislike about your club. This is the only way they have of knowing if they are doing their job. We have the Federation and the Callers's Co-op to give us guidance. I would like to see these work. I found the February Leadership Conference very interesting. I didn't feel it was very well attended. The format was not pointed in any adult leadership direction. Some of the comments would have been better left unsaid. A format stressing the duties and obligations of Leaders would be useful.

Do we lose people because of the officers of our clubs and/or overuse of Angels? Do we need an Officers Training School, and would anyone attend if one was available?

Our Federation Representative mentioned that the Federation will initiate a program to advertise our activity. Could this be spelled out in more detail? I think the subscribers to the **Promenader** would be interested in knowing just what this program consists of.

Let us not forget that Western Style Square Dancing began in Rochester with a teen-age group. We have deserted them but they will not desert us as there are so few of them.

Letter to the Editor

It has been an interesting, exciting, and busy year for me as I chaired Dance-O-Rama 1991. On the whole, cooperation from the Federation Member Clubs was phenomenal.

I have some special Yellowrocks to distribute:

--to Roger and Nancy Dart and Bill and Charlotte Graham. You have my heart-felt gratitude for your constant support and your willingness to do all that was asked of you. (We kept the telephone company in business, didn't we?) I hope I go as well as you did for Dave Fisher in 1992.

--to Dave, who quietly went about his tasks. Your experience chairing big events has been invaluable.

--to Gerry and Howie Borden and the Tecumseh Squares. Wow! What a job of decorating you did!

--to Mike and Linda Liberti for organizing the round dance leaders.

--to our local leaders. You were super!

--to Joe (Hoe?) and Loretta Wiczorek for coordinating all the new dancers and organizing the Grand March.

--to Hip Boot Boys for their contribution during the Grand March and the tip afterward. It was fun!

--to Sue Yara, who made the dangles.

--to Jerry Carmen, Bob Schlenker, and Bill Saintey for setting up the sound systems. Great work!

--to the dancer in each club who took the responsibility for selling tickets and returning the packets to Bill and Charlotte. This was vital to the success of Dance-O-Rama '91.

--to MaryIn and Bob Dailey for helping me do the Promenader cover including the flyers in two issues.

--to John Fink for the printing of the flyers to meet our deadline.

--to Al Lawson and the Federation officers who gave us support all year.

--to Tom Wells, who ordered and delivered the plants for our prizes.

--to the clubs who contributed to the plant fund. The plants do make a difference in the appearance of the halls.

--to Nick Haldoupis for his help with the flyers.

--to each and every club which accepted a "job" on May 4 and then was there to carry it out. My special thanks to "my" clubs, Glass Slippers, Promenading B's, and Cloverleafs. You filled in where needed and saved the day.

A humongous Yellowrock to all the new dancers who attended. We hope you enjoyed your day as much as we enjoyed your being a part of Dance-O-Rama '91.

As you can see, it takes more than one person to make Dance-O-Rama a success. Please, Federation clubs, outdo yourselves next year to support Dave Fisher as he chairs Dance-O-Rama '92.

CLUB NEWS

Genesee Dancers

May is a beautiful month and the Genesee Dancers had a wonderful time at our dances. Our Maypole Dance put everyone in a "Springy" mood with the hall decorated in May flowers. At the refresher course, Mike has eight couples dancing the Plus program now. Oops, we goofed last month by reporting that graduation was June 27. It is June 20. Sorry about that, folks.

June 27 is our Trail End Dance. It is an open dinner dance. The cost is \$30.00 per couple. Guests are most welcome. For reservations, call the Schlesings at 377-3577.

We will not be dancing in July and August this summer. We are having our club picnic on August 25 at Harris Whalen Park off route 441.

Our Trail Back dance is September 5. It is an open dinner dance. Be sure and come to renew friendships and get back into the swing with Mike. Plans for our Thirty-fifth Anniversary Celebration will be finalized and reported in the September issue.

Happy dancing and have a good summer.

Here it is almost the end of another year of dancing. Where did the time go? We want to thank Bob and Betty for the great job they did. We sure had fun! Ray and Norma did a super job as our presidents. Thank you very much! Also special thanks to all the other officers and the others who worked on committees. June 7 is our ice cream social and Trail End Dance. We will be dancing at the American Legion on Buffalo Road, in Churchville, on June 14, July 11 and July 25, August 8 and 22. It's a great place to dance and it's air conditioned! So come along, we'll have a good time. Have a nice summer.

ROUND TOWNERS

For many clubs, the dancing year is over, but not the Round Towners. We will be dancing on Sunday nights all summer long at the Culver United Methodist Church, corner of Culver and Parsells Avenues, Rochester, with the exception of August 18. (Even Mark needs a vacation sometimes!)

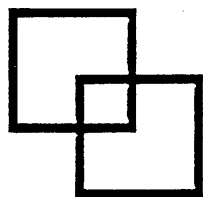

Please note a time change! We are now dancing from 7:30 to 10:00, with an early workshop at 7:00. We welcome all Phase III and IV dancers for an evening of fun and relaxation. What a great way to top off a summer weekend. Hope to see you a-round!

Camp & Dance Weekend August 2nd - 4th, 1991 Rocky's Recreation Area

Sets in Motion

Our first campout of '91 was a real success. The soup pot on Friday night was especially good, and the shelter came in handy. On Saturday some of our '39-year-old kids tried flying kites. We had a lot of laughs and it brought back fond memories of childhood. Mike Herne did our calling and cuing in his usual grand style. A new feature for our campfires is that a couple of our members are trying their skills at guitar playing. They mean to accompany our great voices at our sing-alongs. Good luck, ladies!

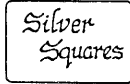

Grapevine let loose again. We heard Chuck and Joan Beer tried camping in mid April. They pulled off the driveway into their son's yard and up to their axles (all four of them) in mud. Anxious for the season?

June campout will be the 7, 8, 9th at Sky Brook, Dansville. Les Bradt will be calling. July 12, 13, and 14 we will be at Holiday Hill, Springwater, New York. Calling there will be Bob Meagher. In August, we'll be camping on the 9, 10, and 11th at Spruce Row, Kraft Road, Trumansburg, New York. Our caller will be Bob Schlenker.

If you want to try something different this summer, try camping with us. For information please call this reporter. Have a nice summer and keep dancing.

Our club is missing the smiling faces of Flora Bello and Howard Hendrickson. Special hugs and smiles to Al and Rita who were temporarily left behind. We all are looking forward to the annual picnic on June 24 at Hamlin Beach. Our Bocci champs are practicing to defend their title! We hope to continue dancing all summer in cool comfort. Drop in and shake hands with your favorite corner.

New officers elected to take office in September are: President Ken Finch, Vice President Leo Kiskiss, Treasurer Phil Colaprete, and Corresponding Secretary Helen Young. We will also be dancing at the Fair this year. News of this will be announced during club meetings. Good things are always being planned, and everyone is welcome.

Village Squares

The village Squares summer campout will be held July 26 through the 28, at Camp Bell in Campbell, New York. Jerry and Betty Carmen will be providing the calling and cuing. Those of us who have attended previous campouts know what a great event this is. All are invited. For further details please contact our Wagonmasters, Ken and Rita Tucker, at 315-524-8080.

Plans are being formulated for a club summer picnic and all club members will be notified of the details. Looking forward to the fall season, keep Saturday, September 14, open for our special dance featuring national caller Tom Trainor. Also, in September, we will be starting a class with Jerry Carmen providing the instructions. Jerry will be assisted by Will Herzog. An Open House will be scheduled prior to the start of classes, so this is a great opportunity to invite friends and acquaintances who are interested in trying square dancing.

A special thanks goes to our outgoing officers and committee members for their hard work. Their efforts contributed greatly in making this a very successful season. We wish the best of luck to our new officers and committee members.

TEL-O-MARK

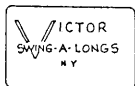

ROUNDS

The dancing year is moving along at a fast clip. With this issue, we cover a span of three months. During the summer, new routines as well as dances will be workshoped and showcased at U.R.D.C. and Cherry Ridge, to name a couple of festivals. Some of the dances on the foreseeable agenda are: The Cardinal, Romeo and Juliet, Boulevogue, and Just Another Woman in Love. Mark and Mariene showed us a wonderful time at their dinner-dance which was held on April 21.

Tel-O-Mark Rounds will be dancing all summer at the same place in West Webster. Join us at our Saturday night dance parties. All levels are cued, so, if a good time is what you seek, join us. The dates of the next Saturday dance parties are June 22 and July 20. There will not be a Saturday dance in August. Have a great summer everyone.

We had a wild variety for our T-Shirt Dance on May 16. Our half-price dance on the 20th was well attended. Thanks to everyone for their support for our dances during the year. Thanks to Mike for all the vocal and also for hanging in there all year even when we were few at times. Special thanks to Leonard Kmiecik for teaching our class. They dance well and his efforts paid well. We have four new couples and some singles too.

We won't be dancing at the school over summer but we urge everyone to get out to other places and dance to keep your skills current. Keep smilin', dancin', and have a nice summer.

Just because this is the last issue until September doesn't mean we won't be dancing all summer and looking forward to you joining us! Terry and Bill Barnes and Janet and Don Wurl, who joined in April, are a great addition to our group. George Burch had a fantastic time cuing in Hamilton, Ontario, on May 9, and we were sorry none of our group could attend.

A new Beginner's Class of Basics will start June 6 at 3:00, with the more advanced blending in from 3:30 to 5:00. We are currently learning a beautiful waltz to Dream Awhile, and having fun dancing to the Lonely Goatherd and Down South.

Depending on the weather, we are looking forward to another weekend tentatively planned for July 26 through the 28th, up in Cape Vincent at our marvelous hostess's, Amy Jinks, summer home.

By July 31, we should all be strutting our stuff at the County Fair! Mark it on your calendar. You shouldn't miss this one! August 15 or 22, our annual picnic and round dance will be held on the shore of Lake Ontario, where new Officers will be elected for our second successful year in the Federation.

It's never too late to join in the fun, so why not make it starting June 6?

Triggers

Our dancing season seemed so short. Here it is summer already. Have a safe and happy time and keep dancing.

A surprise party honoring Mabel Wordingham was held on April 2 in recognition of the energy, perseverance and dedication she has so willingly expended to Triggers. Can you imagine an 'angel' for the past 21 years as Mabel has? We've lost count of the years she has been social director, toting her bag of goodies. Mabel, thank you for a job well done.

Save Sunday July 14 for our summer picnic at Braddock's Bay Park, and bring a dish to pass. A super committee is working out the details.

It was good to have Myron Huss call a tip at our ice cream social. It reminded us of old times.

New classes begin in the fall with Open Houses on September 12 and 19, at 7:30, at English Village School, with Jody Mattice as instructor. So round up those who would enjoy becoming square dancers. Mike Harris is caller and cuer for the 1991-1992 season. Join us each Tuesday at Parkland School beginning September 10. A Plus workshop begins at 7:30.

There will be a Trigger square dance demonstration at the garage sales sponsored by the Payne Beach Area in Hilton, on September 7 and 8 with Mike Harris calling. This event draws over a thousand people.

We extend sympathy to Irene Sabernick and her family on the death of her mother. Bob Deckard is back home recuperating and awaiting eye surgery.

Join us in the fall for another fun season.

Dancing Shadows

Now that we're all busy making plans for the summer, don't forget to save time for dancing. Follow up the evening with an ice cream cone to cool you down (it's a great excuse). What ever you do, don't let the round dancing get rusty over the summer.

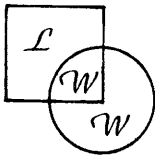

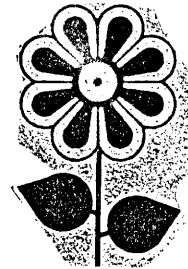

Welcome back to the last of the returning snow birds. We've missed you all these months and are so glad you're back with us.

Dancing Shadows (easy level rounds PH 11-111) dance every Monday evening from 8:00 to 10:30, at the United Methodist Church of West Webster, 570 Old Ridge Road. We will be dancing all summer long with just a few exceptions (see schedule for dates).

If you have just finished a basic class and are looking for a place to dance, or if you're a 'not so new' dancer who enjoys this level, you're invited to join us. If you would like more information, give us a call.

JERRY STORY

ONE OF AMERICA'S MOST SOUGHT AFTER CALLERS

JERRY STORY

Jerry is starting his 22nd year of square dance calling, and 15 year of traveling the full-time calling circuit.

Jerry has been featured at many Festivals and Weekends throughout the United States and Canada. His biggest accomplishment has been to call eight times in Saudi Arabia and numerous cities in Europe. He calls annual weekends in Sweden and England. In July 1986, Jerry was one of the featured callers at a Festival in Japan. This fall he is booked in West Germany. Many upstate New York square dancers will remember Jerry's featured appearance calling at the New York State Convention in Buffalo several years ago.

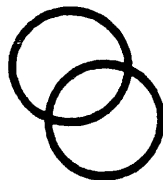

Square Dancers have toured with Jerry and his wife to the Caribbean and Hawaii. They are scheduled for 7 days in The Mexican Riviera June 9-16, 1991.

Jerry has recorded on Outlaw, Roadrunner and Rhythm labels. He is now co-owner of ROYAL RECORDS, INC. His latest releases are "CHARLIE BROWN", and "I'VE GO A WINNER IN YOU".

In the winter months, he resides with his wife Kristy, and sons Joshua (14) and Jacob (10) in Mission, Texas where he runs a square dance program at El Valle Del Sol (Peppermint Palace). From the middle of April to the end of October he tours across the United States and Abroad.

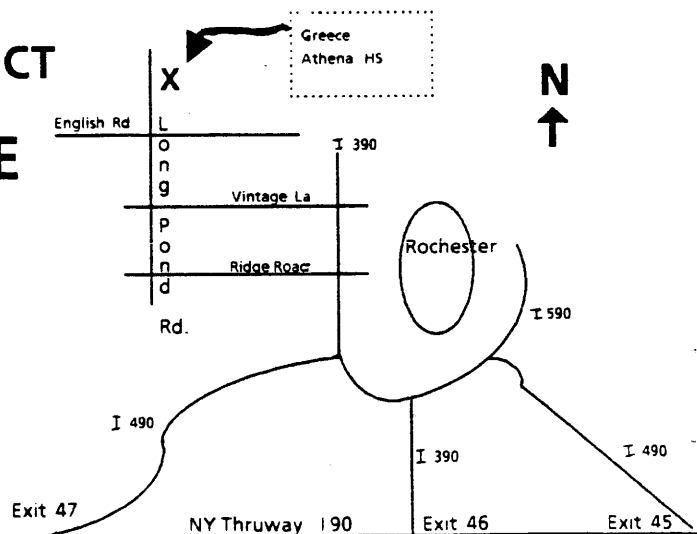

In his free time he loves to golf, or fish and play football with his sons.

All the excitement of May is over: the graduation (congratulations, "You done good!"), the Apple Blossom Dance (a success as usual), the Apple Blossom Parade (we danced until exhausted in the Apple Blossom Parade on the day following the dance), and the Trail End Dinner (is now just a lovely memory). We want to give special mention to some people that made this an outstanding year. Ron and Hope Brown did a phenomenal job of teaching the class. The class was very co-operative and special. Al Overslaugh did his usual very good job of keeping us on the dance floor and smiling. All of the officers did more than their share of work for the good of the club. To all of you and to the whole club, our loving appreciation for a good year.

This summer is going to be another busy time. On June 1, we will be doing a demonstration at the Ontario Summerfest at 1:00 pm, with our good friends, the Web Spinners. The annual club meeting will be June 6, at 7:30, at the Morrisises'. On June 12, we will meet at Eatons' for the annual club picnic. Be sure to bring your appetite and a dish to pass. That's just June!

On August 2, we will be camping together at Cherry Grove in Wolcott. Hope you enjoy the summer. It won't be long before we'll see you in the fall.

Mike Callahan - June 28

REDMEN'S PARTY HOUSE 1001 LEXINGTON AVE.

Web Spinners

Congratulations to the class of 1990-1991. Graduation was held on Friday, April 12. It was one of the best parties that we have had. We would like to welcome into our club: Reg and Daughn Higgins, Bruce and Barb Kahler, Len and Dorothy McFadden, Tom and Marilyn Sergeant, and John and Kris Thompson. The class put on a good show. Mike Herne really enjoyed the cream pie that they made for him. Too bad he tried to eat it all at once.

Don't forget the Wayne Westerners on Saturday, June 1, for their annual Ontario Day street dance. The Web Spinners will be there. Al Overslaugh will be the caller.

The Trail's End pot luck supper and dance on April 26 was a huge success. Welcome to the new board: Presidents Shirley and Larry Matthews, Vice Presidents Marion and Arnie Reed, Secretaries Betty and Jack Ferrara, Treasurers Velma and Ralph Bodensteiner, First Board Elaine and Joe Durnherr, Second Board Betty and Everett Herman, and Federation Reps Claudette and Jim Looney.

The sad part of writing this last article for the season, is the losing of our good friend and fellow Web Spinner, Chris Church. He passed away March 6. He will be sadly missed by everyone.

Keep dancing during the summer.

Batavia Silver Stars

It is hard to believe that another square dance year has passed. Congratulations to the new graduates. Remember we will be dancing all summer at the air-conditioned Genesee Country Mall on Main Street in Batavia. The dances are on Monday nights starting June 3, with Bob Meagher as our caller and Nancy Fincher as our cuer. Bob will have workshops to improve our dancing. We want to thank our callers, guests, and visitors who have shared the good times with the Batavia Silver Stars.

We want to mention a couple of special events coming up this summer. On July 15, we will have "Christmas In July", and on August 19, we'll have a "Chinese Auction". Please come and enjoy the extra fun.

May all of you enjoy a safe, happy summer and be back in September at BOCES on State Street Road, in Batavia, to dance through another great season with the Batavia Silver Stars.

Henrietta Friendship Squares

Congratulations to our newly elected officers for 1991-'92. They are: President John Kiley, Vice President Kathy Martzloff, Treasurers Duane Miner and Patricia Wright, and Secretaries Frank and Wendy Pachla. They have many exciting ideas for Henrietta Friendship squares in the coming months. Why not stop in and see what's new during June, July and August. Gary Bubel will be calling at the Henrietta Fire Company #1, on East Henrietta Road, from 7:00 to 9:30. We will be dancing on every Tuesday, from June 4 through August 13. We will not be dancing on June 11.

Come dance with us in air conditioning this summer. We would love to have you.

Boots 'N Slippers

Our club will be very active during the summer, as we continue dancing at the Hilton Fire Department Exempt Hall. Please see our ad for dates and particulars. You'll find an Ice Cream Social on August 9.

Our club picnic will be July 12 under the direction of Robin Keppler. We're all looking forward to a great time. Guests are welcome. Please call to let us know you're coming.

We are also busy preparing for Fall. Our schedule will include an hour from 7:00 to 8:00 for a refresher class for anyone wanting to return to the fun of square dancing and needing to brush up on calls.

Brian Adams will also be continuing his round dance lessons during this hour. He will be starting with the Beginners' Basic Waltz.

Everyone is invited to both of the above classes. You do not have to be club members. We are looking forward to seeing the friendly faces that we have been missing, back on the dance floor. Please let everyone know as you meet them at other functions.

The Boots 'N' Slippers are going to be very busy during the summer. You may find some in a parade, at a mall or who knows. Be careful, we're likely to pop up anywhere. Watch out for your banners next fall.

The welcome mat will be out at the Hilton Fire Department Exempt Hall for everyone this summer. You'll find the hall just behind the Fire House to the left of the drive. The Hilton Fire House is across from the Marine Midland Bank and Big M Plaza. See you there.

Copy Cats

We still have two exciting dances coming up this month before the Copy Cats end their '90-'91 season. Saturday, June 8, is our gala Twentieth Anniversary and Reunion Celebration. It will be held at the Webster Columbus Civic Center on 70 Barrett Drive. Socializing starts at 5:30, dinner at 6:00, rounds at 7:30, and squares at 8:00. The cost is \$22 per couple. Reservations have to be in by June 1. Tickets are available from all the board members or by calling 586-0657 or 872-1399. Mike Callahan and Chip Kellogg will be calling. We also are celebrating Mike's twentieth year of calling for the club and Chip's seventeenth year with the Copy Kittens. June 22 is our Trail's End Dance with Chip Kellogg calling.

We started something new at our April 27 dance, liked it, and plan to continue it. It has been a problem finding a place large enough to hold us while we socialize after dancing. For a small fee we will stay right at the church for something to eat. The tables and chairs are right there. The first was an ice cream social that we all enjoyed.

Many of us enjoyed an evening of dancing at the Penfield Recreation Center on May 8. Many thanks to Bob Meagher and Al Overslaugh for the good time we had at our May dances. A special thanks go to Mike Callahan, George Burch, and Jackie Koetz for the wonderful year we have had dancing to them.

Our summer will be filled with demonstrations, picnics, and dancing with the clubs that keep going all summer, and all the other activities that are available in warm weather.

The Copy Cats wish you all a fun filled summer and we hope you have time to dance with us every second and fourth Saturday starting in September. Mike Callahan, George Burch, and Jackie Koetz will be doing the honors again.

Belles 'N Beaus

We're coming to the close of another great season, so a few reminders of summer events. The Belles 'N Beaus Club and Class will be well represented at Dance-O-Rama. Thanks to our Federation Representative Rose Thiele. Next is the Car Rally, June 9. If you have never been on one, you are in for a great surprise. Hal Abberger is a genius at finding unusual landmarks, clues to the next stop. You are given maps and charts to guide you. Hal and Fran work very hard on this every year and it is one of our most popular events. This is a must for new members.

Next is our Scotch Golf and picnic, July 14. You can do one or both. The Whitty's and Fredette's do a fine job this one.

Our best wishes to Ethel Sarafin and Trudy Smith, both recovering from recent surgery.

Keep in mind our Open House September 11 and September 18, with class starting on September 25. Have a great summer, keep healthy and happy. Try to get in some dancing. See you in September.

Country Dancers of Rochester

I haven't had our schedule listed for some time. By now there are many new square dancers that may be ready to try a different form of the American Folk Dance. CDR is a contra dance club based on square dance terms, but done in long lines "for as many as will". We always have live music. We have a core group that has been dancing with us for eight to twelve years. Many "off the street" people join us each week. No previous experience is necessary.

We walk through the pattern for each dance and the dance sequence is repeated many times as couples move up or down the line to dance with other couples in the set. It is a great dance form, for singles, since a person could dance with twenty to thirty or more people of the opposite sex in each dance.

The music is mostly Scottish, Irish, or French Canadian. Some callers also call squares, but of the so called "traditional" variety. Do come and try us. We will meet all summer, almost always at Covenant Methodist Church. Dress informally. Men can wear t-shirts or other short sleeved shirts. Do wear comfortable shoes to help preserve our nice wooden floor. (You may even find some bare feet this summer, don't be too shocked.)

During the summer you may also find some children on the floor dancing. Contras are a great family activity. In New England, three generations often dance together. In our club, kids, 10 and up, can join in the whole program. Younger ones do a few of the early dances (the simpler ones) and then work on coloring books etc.

Country Twirlers

We will be winding up our square dance season with our annual campout, picnic and dance at Frost Ridge. The campout will be from Friday to Sunday, May 31 to June 2. The picnic is on Saturday afternoon and dancing is in the evening. Guests are welcome if they sign up and bring a dish to pass.

Country Twirlers can look back on a successful dancing season. Our mix of callers has been well received by the square dance community. We have graduated a class for two years in a row. As a result, we are showing a nice increase in our membership. I want to urge every club member to look around for people who just might be interested in taking lessons next fall. Exposure and advertisement are both important parts in recruiting new dancers. So I urge our members to participate in the demonstrations that will be held in the coming months. You will be contacted as to the time and place.

An important part of the success of our club has been the willingness of our members to serve as officers and on special committees. A special thank you to our outgoing officers for a job well done. We don't want to forget the people who have extended themselves to provide excellent refreshments for every dance.

Jack Barnes started to call for Country Twirlers in September 1982. May 11 was his last regular appearance. It is with much regret that we will see the passing of a very good era.

Jan says thank you for all the get well cards and expressions of concern.

Circul-8-tors

Although our regular dance program for this season is completed, one big event remains, and that is the annual campout and picnic in August. This year's festivities are scheduled for August 23, 24, 25 at Woodstream Campground in Gainesville, not too far from Letchworth State Park. Jerry and Betty Carmen will do the calling and cuing while Covie and Betty Duncan will park all those big rigs as Wagonmasters.

The weekend schedule includes a picnic on Saturday the 24th at 4:00, followed by a dance at 7:00. So even if you're not campers, join us for the day. Bring a dish to pass. Call the number below for more information or a reservation form. Reservations are due by August 3.

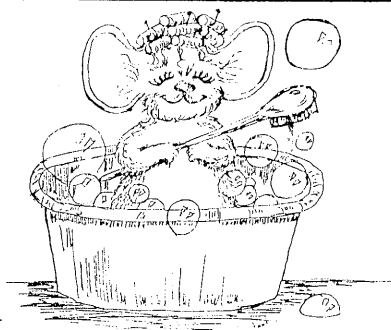

Our October trip to Virginia is all set to go. Interest has been strong and we're looking forward to a great time. Limited space is still available, so please call if you would like to join us for a most enjoyable tour.

The Circul-8-tors first dance in the fall will be on Sunday, September 22, at the Grange Hall in Penn Yan. There will be two Open Houses again this year in October and November.

Have a wonderful summer and keep dancing!

Glass Slippers

Since we dance only when school is in session, the Glass Slippers won't be dancing as a club this summer. We will, however, be dancing with as many other clubs as possible to keep our dancing skills sharp, and we do meet the nicest people that way.

The Glass Slippers extend their appreciation to our friends who came to dance with us at both our regular and our special dances. Y'all come back, hear?

Our new officers are: Presidents Dick and Karen Avery, Vice Presidents Bob and Betty Coopenberg, Treasurers Bill and Charlotte Graham, Secretary-Reporter Eleanor Haas. We give special thanks to our out-going officers who did such a super job this year: Presidents Bill and Charlotte, Vice Presidents Dick and Karen, Secretary-Reporter Else Epke, and Hospitality Chair-ladies Norma Emmerson and Loretta Wiczorek.

I inadvertently left out the names of Patrick and Patricia Austin, who graduated on MAY 1 with our class.

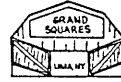

To Bob Meagher, our caller this year, and to his taw, Jeannette, a big thank you. Also, a yellow rock to Nancy Fincher for practicing your round dance cuing with us. We enjoyed it. Another yellow rock goes to George Burch, a member of our club, who cued at some of our special dances.

The Glass Slippers will be back at the Ginther School in Brockport on September 4, for our annual Trail-In Dance and covered dish supper. Open House will be held on September 11 and 18, from 7:00 until 8:30, followed by club dancing until 10:00.

We'll see you a-round and in a square. Have a happy, healthy, fun-filled summer.

Lima Grand Squares

Once upon a time, long long ago, on a dark and stormy night, up on the roof there arose such a slat-ter, I sprang from my bed to see what was the matter. Loose shingle? says I. No, it was Donna Frederick. Hey, Donna, what 'ja doing up there? Looking for officers, she said. That's a pretty strange place to look, I said. "I know, but I've looked everywhere else and I'm determined to leave no shingle unturned." Uh, Donna, that's "stone". No it isn't, Alan, it's shingle. I'm going to turn every one of these shingles 'til I find officers. Hey, look, over here, under this shingle, it's Don and Shirley Larson and they've got "vice president" stamped on their foreheads. See, I'm sure that if I keep turning shingles I'll find other officers as well. Hey, Donna, stop! There's a phone call from Ken. He's been ripping shingles from **your** roof and says he just uncovered Alan and Ellen Fish as presidents and Ray and Donna McCagg as Secretary-Treasurer.

And look, wonder of wonders, right where the old shingles have been removed, from way up in the sky, you can read a message to this year's officers. It says T-h-a-n-k y-o-u" for a fun year, for your time and effort, for a job well done.

The dates to remember for this summer are July 4 for a demonstration at the Lima Carnival Grounds (time to be announced) and, July 21 for the club picnic, an all-day affair at the park.

Summer sounds are here again. Time to get the camper ready to go to the Brown Barn. Even if you don't have a camper, all are welcome. Walk in or stay at one of the motels. Come and try out the new floor. A group of our dancers and friends took a weekend to put a new floor in the Barn. Great job, guys, and don't forget the gals either.

The club will be dancing every other week during the summer. After June 13, we will be at the Baptist Church in Geneva, at Main Street and Lewis. Check the schedule for time, date, and location.

In September we will be having an Advanced teach again. All Plus dancers who would like to learn the Advanced program, mark your calendars for September, and watch for the announcement.

Start thinking about the New York State Convention in Albany. It isn't too early to sign up. It's just a great weekend.

Have a good and safe summer.

Tecumseh Squares

Congratulations to our recent graduates: Dick and Louise Eggleston, Lou and Pat Flynt, Hal and Sandra Greenberg, Phil and Bernice Kassirer, Phil and Sue Lederer, Bob and Paula Mauro, Bill and Dorothy McNeill, Sheldon and Audrey Potter, Larry and Anne Slotnik and Mel and Ellie Sterman. We enjoyed being your "Angels" during the past year and look forward to dancing with you in the future.

Thanks to all who participated in the demonstration dance at Grand Vie Adult Home and the Greece Recreation Program for handicapped adults. Thanks also to Bud Hands for calling at both locations. Never saw so many smiling faces as we witnessed at Greece. They especially enjoyed the last fifteen minutes when all sixteen of us took partners and formed four squares with them. It was a truly rewarding experience.

The Teddy Bear Swing was a rousing success thanks to Mirf and Jack Manning and their committee. The decorations were fantastic, the dancing by Mirf and Jack's granddaughter was great, and Mirf was really surprised by her Beargram. We applaud all the class members from the area that attended. They danced well and we enjoyed dancing with them. Hopefully we'll see you at our summer workshops.

We have a full schedule planned for this summer starting with our Mainstream refresher dances on May 10 and 17. Our Plus program workshop starts on May 24 and runs through August 30. Check both flyers in this issue. A new feature this summer will be the dress down dances on June 14, July 12, and August 9. Square dance attire is not required at these three dances. Dress casual and join us the air conditioned hall.

FUN

continued

What square dancing needs to regain its health is dancer leaders and callers who can see the possibilities of collecting into the activity people whose values in square dancing are somewhat different from the current majority. Basically, we need a few teachers who have the ability, the wisdom, and the will to teach **dancing** and the many kinds of variety that square dancing is capable of, besides how to walk through the traffic patterns of a lot of calls. Instead of starving while competing for the same pieces of a smaller-and-smaller pie, why not get together and cooperate to make the pie a lot bigger?

H. Orlo Hoadley

Geneva Friendship Squares

Red Boot bass singer, Mac McCall, of Fairfax, Virginia, will be the caller on Wednesday, July 17. He will be leading this Geneva Club's celebration of twenty-five years of square dancing. On Friday, August 9, also helping to mark our Silver Anniversary, as a club, will be "the Silver Fox", Chaparral recording artist, Ken Bower, from Hemet, California. Bill and Joan Newman, club founders, will cue both dances. Both of these callers are nationally known and we hope a great number of Rochester area dancers will come and enjoy these dances.

Furthermore, the theme for our Finger Lakes Fall Frolic (formerly at Sampson, now at Watkins Glen) will also be our Silver Anniversary. Red Bates and Jerry Carmen will call for that dance September 13 to 15, and Bob and Nora Slomcenski will cue. If you or your club do not receive enough flyers, please call (315) 789-2961. Reservations are required and there is room this year for a few more squares than in the past. This site boasts a large wooden floor, no posts, excellent sound, camping, optional chicken barbecue Saturday night, restaurants and motels in town if desired, shopping, and is near the Glen and the Lake. We think it'll be a great weekend. See small ad in this issue.

We had a good crowd on April 5 for our Class-Club-Cancer Dance and netted \$307 for the American Cancer Society in memory of Dot Niles. On April 12 our Mystery Ride took twenty-three couples to Vestal, New York, which is just west of Binghamton. Ray Taylor of Bainbridge called a very enjoyable dance with a fine singing voice, and Don Williams cued. The Shirts and Skirts were most hospitable and had an enormous array of goodies ready.

All three Friendship Squares Clubs are scheduled to dance June 16 near Farmington at Di Pacific's at the intersection of 96 and 332. Dancing starts at 4:00, followed later by cocktails and dinner. Our own Trail End dance will be by reservation on June 2.

CARMEN'S

COLUMN Continued

out of your friends. After all, what's so bad about reverse snobbery? I have heard of club executive boards telling the caller to use every PLUS call during the evening. Why not also tell him to use every MAINSTREAM call during the evening. If he has forgotten how to call them, offer him a scholarship to beginners class so he can learn them.

All kidding aside, most callers try to be responsive to what dancers want. Within the caller's capability, *you will get what you ask for*. Why don't you hear more calls from the mainstream program? Because, like it or not, most people can learn only so much in a given amount of time. In a situation where new people are coming into the club annually, to absorb the PLUS vocabulary, something has to be sacrificed, and that is much of the mainstream program.

If you truly want to be considered a good PLUS dancer, you must also be able to dance all the programs preceding it at least from the standard positions. May I also remind you that MAINSTREAM dancing is not necessarily easy dancing.
