TRIBUTE TO ART HARRIS

This was going to be an Obituary for Arthur W. Harris, but "Art" would not like that, believe me. Therefore this is a Tribute to a great man, a great Caller and a Square Dance Legend. Art died August 24, 1991 in his Amherst home.

In November 1942 he enlisted in the Army and served in Asia with the renowned 27th Tactical Unit, known as the Flying Tigers. He survived the flying of the "hump" and the Japanese raids. He was honored with the Purple Heart, Air Medal, Flying Cross and the Asiatic Pacific Medal. He was a great man.

He started calling in 1949. One night stands in the early 50's. He continued calling and soon became one of the most sought after callers of the area. He also became an excellent round dance teacher.

In Rochester (130 miles round trip, all winter) he called for the Genesee Dancers, the Kodak EKC-0 Squares and the Belles 'n' Beaus. In Buffalo there were the Harris Squares (over 300 couples), the Twirl-aways and the T n' Ts. There were others. He couldn't say no.

He was calling seven days a week. Months without a night off. He loved it, making people happy and money was never the object. He said "if it ever stops being fun, I'll quit".

Then his voice gave out. He had a large callus on his larynx. They operated. He was told not to call for at least six months. Six weeks, no voice above a whisper, he turned up the volume and called. He could call all levels but he always called to dancers on the floor. He said "The object is to have all the dancers dancing." He was a great caller.

His wife Vera was at his side all the way. They have one daughter and three sons. Now all grown up and all are square dancers. He taught one to take his place. Mike Harris is now calling for the Belles 'n' Beaus and the Harris Squares. Art must be very happy. His dancers are dancing. He is a Square Dance Legend.

LETTERS TO THE EDITOR

The Rochester area square and round dancers owe a big debt of gratitude to Maryln and Bob Dailey for the truly great job they did as editors of the **Promenader**. It's a job which required countless hours of work each month and one that had to be done at a set time no matter what else may have come up that needed doing or that they may have wanted to do in their personal lives. It staggers us to think of the total volunteer hours they have so willingly given over the years. To top it off, they made the **Promenader** one of the top publications of it's kind, both in content and appearance. We dancers in Rochester area round and square dance community are very grateful to you Maryln and Bob. A big thank you!

SPOTLIGHT ON CLUB PRESIDENTS

Twinkle Shoes

Vie Hoevensar and Amy Jenks are co-presidents of a round dance club called **TWINKLE SHOES**. Vie & her husband, Warner, have been married 45 years and have two sons and a granddaughter. She started aerobics at Westridge Sr. Center, became interested in line dancing, then tap. After watching a round dance performance at a local high school, it looked like a lot of fun and she decided to try it. She is still active with the Red Cross Bloodmobile, and Greece Baptist Church, where she sings in the choir. She and Warner take an elderly couple from their church on errands, visits, etc. Vie enjoys ceramics, knitting, crocheting, walking, cross country skiing and they both enjoy their vacation home in the country.

VIE

AMY

Amy Jenks is the mother of 3 children, two sons and one deceased daughter. She also helped raise a girl from England. She has taught swimming for 20 years at the Greece Y and has done synchronized swimming for 3 years. Like Vie, Amy also took aerobics, line dancing and performs in a dance group called "The Dazzlers", a select group of line dancers who put on demos at nursing homes. She also has tap danced. She enjoys bike riding, swimming (of course) knitting, crocheting and crewel work. She has a summer home at Cape Vincent where she just enjoys entertaining family and friends.

Vie and Amy both agree that **TWINKLE SHOES** round dance club is a friendly group, always looking for new people to join them.

LETTERS TO THE EDITOR

There are parts of the Jerry Carmen column in the September issue of the **Promenader** that should be examined in closer detail. Jerry states that unless a caller uses certain calls from certain positions, that they are, "...gimmicky or illegal." Jerry may certainly be allowed to make that categorization about his own style of calling (which is, for the most part, competent and enjoyable), but dancers should not brand other callers' styles "gimmicky or illegal," is these callers teach or use calls from uncommon positions. If a caller perceives that the dancers in front of him on a given night can handle and would enjoy a little unconventional positioning, and he can call the material skillfully, then he should, by all means, do so.

Jerry listed a set of calls that have supposedly different movements depending on the sex of the dancer. That is true about some of the calls he listed, but not all. The calls, Star Thru, Slide Thru, California Twirl, Box the Gnat, and Allemande Left, demand specific action according to your gender, no questions asked. But the rest of the calls Jerry lists have no logical dependence on the sex of the dancer: Promenade, Roll-away, Courtesy Turn, Eight Chain Thru, Dive Thru, and Dixie Grand. What are two women who find themselves paired off supposed to do when one of these calls is used. - Just refuse to do the calls and demand the set to square up? What is so terrible about two women turning to face promenade direction and walking together around a circle? If you make a general policy statement than dancers never have to think about doing these six calls unless they are in normal sex position, that insults the intelligence of the dancing population, and decreases available dancing enjoyment.

Jerry ended his column with the statement, "...whoever said that square dancing was an exact science." While it is true that square dancing is an activity rather than a science, there are "exact rules" about how to do a given call for a set of given positions. By stating that dancing is not an exact science, does Jerry mean that each dancer has his own set of rules, or each caller has his own ideas of how to interpret each call, or that calls are done differently in differing areas of the country? This is simply not accurate, and if dancers suspect that dancing rules are a "Black Art" known only to callers, then this will only alienate them to dancing.

Since we started dancing in 1968, we have probably encountered less than ten calls out of a thousand that have non-exact definitions, and none of those imprecise calls is in the Mainstream or Plus programs. Dancers, take heart, it is possible for you to fully comprehend all the aspects and nuances of the square dancing activity.

Lima Grand Squares

Our club began in September with a great turnout for the Trail In Dinner AND the most promising-looking class we've ever seen the likes of! Welcome to all our potential new club members.

Although we're not a scary bunch, we do get "gussied up" for Halloween, and welcome all visitors to do the same. Don't miss this once-a-year opportunity to be the witch, goblin, fairy princess, or Prince Charming you've always wanted to be. October 25 is our Halloween Dance, 8:30 P.M.

Any secret bandits out there? Give us a call at 1-657-6463 or 624-4087 and we'll reserve our nicest banner for you, along with some great calling, super snax, and wonderful hospitality. Hope to see you any Friday night in October.

ROUND TOWNERS

The Round Towners are settling down to the fall routine after the conventions, parties, vacations, and special events of the summer. One very special event was the engagement of our cuer, Mark Thone, to his lovely assistant, Marlene Henrie. Was it being marooned by Hurricane Bob that did it? Congratulations!

October brought Columbus to the New World, and we hope October will bring you to the Round Towners for a good time dancing Phase III and IV rounds. We dance on Sunday nights from 8:00 to 10:30, at the Covenant United Methodist Church, 1124 Culver Road in Rochester.

We will also be participating in the monthly round dance party on Saturday, October 26, at the United Methodist Church in West Webster, from 8:00 to 11:00. This will be all levels of dancing in a relaxed, party atmosphere, and all are welcome.

Fall dance time has arrived. Now it is time for round dancing at the 13th Annual Greater Rochester Autumn Ball. This will be at the Green Lantern in Fairport on Sunday, October 27, from 2:00 to 10:00. This year the guest leaders are Pete and Mary McGee from Pennsylvania.

The fall program of round dancing is in full swing; the club dance program begins at 8:00 every Tuesday.

Lilac Squares

Now that we are all back in the swing of things, we are happy to have the Village Squares, Tecumseh Squares, and the Henrietta Friendship Squares as our guests on Monday October 7 at 8:00, at Penfield Baptist Church.

We are looking forward to our third annual dance with Richard Lane of Mesa, Arizona at the mike. See our flier in the September **Promenader**. Richard will be with us on Monday, October 14 at 8:00. Betty Carmen will be cuing the rounds.

While October 21 will be a regular dance, October 28 will be (what else) a Halloween celebration. Come and join us in your favorite costume and have fun! On November 11, we'll have a Red White and Blue Dance to honor Veteran's Day.

A new class should be in progress from 6:30 to 8:00, and our new policy from 8:00 to 10:30 is to have less workshop and more Mainstream dancing. All of the above will be at the Penfield Baptist Church, 1862 Penfield Road, on Route 441, in Penfield. See you there!

Triggers

It sure is wonderful to get back to dancing and seeing all of our friends again. Bob Deckard is back after recovering from eye surgery. In fact, he has recovered so well that he and wife Renee hosted a week-long family reunion at their home. Bob's brother Edward and his wife Catherine from Albany, New York, and his sisters Mary Ellen Payson from Huber Heights, Ohio and Christine PeMa from Mission attended. This is the first time in almost forty years that they have been together as a family. The get-together was enjoyed by all.

Kathy Gamlin is back from her visit to London, England. She had a wonderful time seeing all the many sights, but did miss taking tea with the Queen.

The Triggers hosted a square dance demonstration on September 7 and 8, at the "Mile Long Street Sale" on Payne Beach. Those who attended had a grand time dancing and then shopping all the craft and garage sale items. The street was packed with people enjoying a day at the lake.

On our calendar for October is: Guest Clubs on October 8, and a gala October-fest on October 22.

The Triggers are moving. Watch for our new location.

The Triggers wish to express our heartfelt sympathy and condolences to Mike Harris and family on the death of his father, Art Harris, on August 24. Art will be truly missed as both a good friend and a great caller. Mike is moving back to Buffalo to be near and to help care for his mother. He will be calling for some clubs in the Buffalo area. We wish you good luck and thanks for your calling last year. We will miss your fine calling and some of our kidding this year. Good luck and God bless you, Mike.

Great News! Mark and Marlene have announced their engagement. We wish them "all the best." What a coup for us dancers. As of this writing, our repertoire will be increased by the addition of Three-Penny Quick Step, taught in September. In October, Sam's Song plus the Presentation of the Month by Jack and Sheila Agler will be taught. I am sure these dances will be challenging enough for all of us.

If fun is what you seek, how about joining us on Wednesday nights. We dance five times in October.

Until next month, as Lawrence Welk says, "Keep a song in your heart" and your feet in a dancing mode.

Tecumseh Squares

Many Tecumseh members attended Lyle Brozost's retirement party/dance at Redmen's Club featuring the calling of Jerry Carmen. We wish Lyle well as he turns in his teaching badge for whatever.

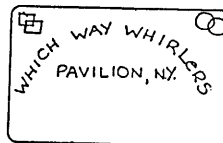

The trip to the Highland Games in Gergus was great but expensive in some cases; ask Jerry Merritt how much it cost him to park his car at Highland Pines Campground. The weather was windy, wet, and very changeable but it didn't dampen our spirits. The toughest thing was fighting a town full of Scotsmen for the limited number of free parking spots. We hope to see you at the Fling Fantastic in Niagara Falls later this month. As usual, plans are in the works for surprises, so keep your guard up and watch out for Mother Nature and Gorgeouse George.

Mark November 1 (Halloween Dance) and November 15 (Mari Gras Night) on your calendar and join us for some great dancing. New members Bill & Dorothy McNeill are chairpersons of the Halloween bash, while Howie & Crazy Gerry Borden will chair the Mardi Gras Dance.

Ed "Bud" Myers recently underwent surgery and is doing well. He not only survived the surgery but his nurse as well.

Which Way Whirlers

Our club decided to cut back to three dances per month, although we will be dancing four nights during October, with Mike Herne calling squares and cuing rounds.

It seems great to be back dancing again, most especially for Tom Hassett, who spent seven weeks with his foot in a cast, as a result of a scooter accident. What a poor way to spend the summer! Chet Dombrowski is also recovering from surgery.

Come out and join us some Wednesday night in Pavilion.

Village Squares

The summer of 1991 is now history. We have a report from our Wagonmasters, Ken and Rita Tucker, of the Village Squares campout that took place this year on July 26 through 28 at Camp Bell. Twenty couples attended, plus a few walk-ins. Camp opened with a trail-in dance on Friday evening. Saturday morning accommodated several workshops and dance tips. Jerry Carmen outdid himself as usual. In the evening all gathered for a pot-luck dinner, followed by a dance, skits, and campfire. On Sunday morning a Trail-Out dance wound up the activities.

Our annual family picnic was held on August 7 at Fellows Road Park, Perinton. Hots and sausages came from the grill to add to the pot-luck arrayed on the picnic table. Of course the evening ended with square dancing in the park pavilion.

Our summer travelers are due to be returning. At this writing the distance record appears to be held by Elmer and Dottie Pankratz. They have been spending the summer touring between here and Alaska in their motor home. That trip should produce a lot of good stories.

Our dancing schedule for the 1991-92 year has been completed by your club officers. Elsewhere in this issue of the *Promenader* be sure to note the special events planned for the year. First on the list is the combined Halloween/Barn dance scheduled for October 30. Start now to think about your costume, save fifty cents! Come see the hoboos, witches, and goblins; guess who's behind the mask.

SPECIAL THANKS

To all of the Cloverleaf "mystery riders" who surprised the heck out of me at a dance I called in the New York City area on August 17. You all made the evening very enjoyable for me and for the club that sponsored the dance. Special "yellow rocks" for Susan Smith and Susie Haungs who organized the trip.

Mike Callahan

Sets in Motion

Our final campout of '91 at Skyline at Darien Center was a real Mexican Blowout, complete with dress and even a Pinata to beat on. Great ending for another year of camping. We sure wish more of you had come out to see the fun. Our percentage of rain-dampened weekends was very low this year.

On October 20 we're dancing on Sunday afternoon from 3-5 P.M. Gary Bubel has agreed to be our caller. Our potluck starts at 5:30, after which we will have our meeting.

We will be at the Roberts Cabin for this party; it's located off Calkins Rd. on Memorial Dr. in Henrietta. For further info please call me.

By now our Watkins Glen weekend is a memory and classes for beginners are under way for many clubs, we hope. A class/club dance and fashion show by the Carriage House is coming up Nov. 8, and you and your class are cordially invited. Plan to save Sunday afternoon, Nov. 10, for a dance with Ray Taylor at DeSales High School in Geneva. Ray records for Rawhide Records and has a beautiful singing voice. Mark Thone will cue rounds.

Our club's round dance cuer for a number of years and class square dance teacher, Al Overslaugh, has moved to Florida with wife Evy. His plant closed in Geneva, and they have decided to try their luck in the Sunshine State, after buying a house for a song, and selling theirs up here. Al is an excellent teacher, who persuaded us we needed to know how to dance "All Positions". Many's the time we have managed to execute a fancy figure only because Al had drilled us on how that figure went left-handed or sashayed or some such thing. We will miss him very much, but wish Evy and Al all the best.

We hope you were among those who enjoyed our very fine summer dances with Ma McCall and Ken Bower. We were especially pleased to see eight other callers at the Ken Bower dance and earn purple hearts! Eighteen squares had a wonderful time.

We dance two Fridays a month at West St. School in Geneva, a few blocks north of routes 5 & 20. Happy Hoofers and Lima Grand Squares will be guests on October, 18. Dick Schweitzer calls squares and Bill and Joan Newman cue rounds. Come visit!

Twinkle Shoes

We're calling on you round dancers who haven't had your dancing shoes on for awhile to come on down and get back to round dancing with us. To all of you who would like to learn round dancing, come and be our guest and see what goes on.

We are fortunate to have George Burch, who never seems to run out of patience with us, as our teacher and cuer. For two hours of fun and exercise, come dance to the cha-cha, waltz, and other rhythms. Hope to see you on a Thursday from 3:00 to 5:00 at the Westridge Senior Center, 300 Chesterton Road, off Fitzner Road.

One last note: All of us newly-elected officers, thank the out-going people for a great job. You have left us a hard act to follow.

After the hot summer we have had, the cooler weather is very welcome and I am sure we will all feel more like dancing.

Our sympathy goes to our president, Brian Wilsea, on the loss of his father.

This summer has been a difficult time for our "Yellow Rock Master", Clarence Graham and his loving and faithful wife, Shirley. Clarence has had several operations and at this writing is at home recuperating. Good luck, you two, we miss you!

We hope we all do our best to attend the Empire State Festival. It promises to be an outstanding affair.

Of course, we want you to attend another outstanding dance the following week. Be sure to come to the Apple Harvest Dance on the 18th with Jerry Carmen, and Dottie Reed cuing rounds. In the spring we have apple blossoms and in the fall we have the apples, and lots of baked goods. Be sure to bring your purse and your appetites. Happy dancing.

Genesee Dancers

We started our season off with a celebration! Our 35th anniversary party and Trail Back dinner dance on September 5 was indeed a joyous occasion. It was held at the Green Lantern Inn. Andy and Nancy Andrews and their committees did a great job.

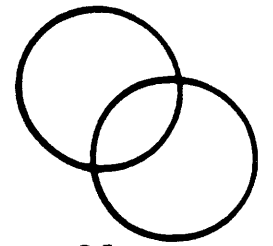

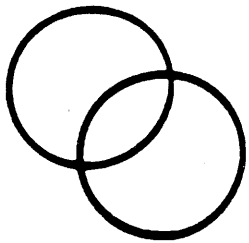

Sincerest apologies for the canceled dance on September 12. It was to be our first night in our new location but it was Primary Day in the city. It also was our first introductory session for our refresher course. We are sorry for all the confusion.

As we get back into dancing this fall, please remember the importance of regular attendance. This is especially helpful for new dancers, but all of us know that "practice makes perfect". We realize most people have other commitments from time to time, yet irregular attendance can cause dancing problems. The club needs you, and it's a good way to have fun along with friendship and exercise.

Our "Halloweenie Roast" is right on Halloween, October 31st. There will be ghosts and goblins and other assorted characters trying to dance with us "normal" folks. Come join us.

Copy Cats

It has been so good to get back into dancing regularly. The Copy Cats' "Rusty Hinge Dance" was such a nice way to smooth away the edges and really get into the swing of the new dance season. Mike Callahan has certainly not lost any of his touch. Even the weather has cooperated, encouraging traveling to other clubs.

October 12 and 26 will both be regular dances for the Copy Cats. However, if you happen to enjoy dressing up, it will be a wonderful time to try out your Halloween costume. We had such a good time last year with the few who dressed up, that we decided to do it every year. Chip Kellogg will be calling for this fun.

George Burch and Jackie Koetz have started reviewing the Two-step and teaching the beginning waltz steps, from 7:30 to 8:00. Half an hour isn't very long, but George makes the most of it.

If your friends are looking for a Tuesday night class or haven't had time to start lessons, I highly recommend Chip Kellogg's Copy Kitten class. The two Open Houses are October 1 and 8 from 8:00 to 10:30, at the Church of the Good Shepherd, at the corner of Rt. 250 and State Street, just South of Webster.

We are looking forward to a very active year, and getting to know many of the friends we haven't met yet. The Copy Cats' regular dances will again be in East Rochester, on the second and fourth Saturdays of each month.

Silver Squares danced at the county fair on August 1st. In spite of the heat we were all in step, thanks to Mike Callahan's calling.

Now its time to think about fall dancing. Silver Squares will be dancing every Monday from 1:00 to 3:00 pm at the West Ridge Community Center, 300 Chesterton Road. Hope to see all our regulars. Anyone who enjoys square dancing is welcome to join us. Mike Callahan's calling makes it a pleasure.

After all the picnicking this summer, now its time to think about removing those extra pounds. Square dancing is the best way.

Have you been doing that nasty Fall House Cleaning? Have you found those dancing clothes you would like to sell and maybe buy others with your found dollars? Then bring them to our "New To You Dance" on October 18. You'll need to price them and pin an envelope on for your money to be distributed after you have enjoyed our evening of dancing. Jean Gifford will be coordinating this sale for us.

Our refresher class along with our rounds class has been started as scheduled on September 27. You still have plenty of time to join in the fun. We're sending out a big round-up for all stray dancers.

Our Turkey Shoot Dance will be November 22. Plans for New Year's Eve are also underway. We'll be welcoming everyone as Mike Callahan calls and Brian Adams cues.

We bow to our partners and we bow to our corners as we see you on the dance floor.

Country Twirlers

Country Twirlers is entering its 33rd year of operation. The club was started in 1959 by a group who had been getting together in their friends' homes to dance the traditional Eastern style square dancing. Bob Brunshidle was a member of Genesee Dancers, and it was through his efforts that the group switched over to Western style square dancing. Bob held the position of President in 1959 and 1960, and he also was the caller and class instructor for a number of years. Al & Esther Fiege were members of the original group and have served as officers of the club many times over the years.

We can look forward to another great year, with a nice mix of callers for our dancing pleasure. Coming up this month will be Mike Harris on the 5th, Tim Marriner with the Libertis on the 12th, and then Gary & Alice for the 19th. We will wind up the month with Curley Custer doing the honors.

The prospects for having a class of respectable size this year are looking very good at this point. I should like to thank the members of Country Twirlers who have replied to my appeal for the names of possible class members.

Welcome back, all ye dancers! Our club has set two evenings for Open Houses in September, and we're working on getting a class together.

Our "rusty spots" from our summer lay-off from dancing should be all gone by now.

We did a demonstration at the annual Hang-Around-Victor Day. It's always a lot of fun doing this. We've had several people express interest in our classes.

Only 3 scheduled dances appear this month, and the 4th Thursday we went to another club.

Another dance season has begun! The summer went by so fast; we hope you all had a nice one.

We hope everyone had a wonderful summer and did some dancing. Our demonstration Dance at Longridge drew a good crowd. Nice to see our graduates joining in. Open houses were also a success. Circul-8-tors

Now that the crisp, clear air of autumn has arrived, this is an ideal time to take a Sunday afternoon drive through the colorful Finger Lakes region and enjoy a harvest dance with the Circul-8-tors in Penn Yan. Our dance this month is on the 20th and the place, as usual, is the Grange Hall with its smooth wooden floor on Route 54A at the edge of town. The fun begins at 2:00 with Jerry and Betty Carmen calling and cuing.

This dance is the first of two open houses this year and is free to all non-members. So gather up a carload of friends and join us for a relaxing afternoon of plus program squares and square dance rounds!

If you've never danced with us, or have never heard of the Circul-8-tors, a little background might be appropriate. We dance once a month in Penn Yan in the spring and fall, and in Fairport during the winter months. Our members came from all over Western and Central New York and even Pennsylvania. In addition to our regular dances, we also travel together as a group once a year, alternating between long and short trips. These activities, along with a summer campout and a few other special events, make us a very sociable group who are always willing to share the good times with others. So why not join us on October 20 for a fun-filled afternoon? We'd like to see you!
