It has been said that we have given so much to the dance community, but we have received so much from all of you. Support, love, humor, and friendship are many of the things that we have shared.

PROMENADER Appreciates...

Ed. Note: We regret that a fair amount of club news had to be reworded this month due to postal regulations prohibiting "Any scheme, whereby any prize or gift of value will be given by chance or drawing for which a donation, admission, fee or other valuable consideration is made, is a lottery and cannot be mailed."

With the month of November and Thanksgiving Dances, Turkey Shoots, etc., please word your club news accordingly. This is a very important issue and the **Promenader** will have to edit or delete where applicable. Make sure your club news and ads do not refer to raffles, 50/50, drawings, lotteries, admission fees, or half-price dances.

Thanks!

from Bob & Maryln Dailey

My Daddy always said, "You get out of an organization, only as much as you put in". He was always right. Alas, he never knew square dancing. We have received much more from square dancing than we could ever repay.

The fun and friends seem to be inherent in the activity - a basic outcome from participation. The interesting and varied challenge as Promenader Editors had its own rewards. Never did we realize that we had touched so many lives until we saw that quilt. It was overwhelming! We were totally unprepared for a gift that brought thousands of memories flooding back. Each individual square brought back a wave of diverse and cherished memories, (individuals, dances, events, news items, conversations, logos, etc.) that we had the privilege of sharing with you. We were speechless for quite sometime!

The thoughtfulness, care and cooperation of all the Rochester Area Dancers is evident in its intricate beauty. You will never know how much we love it and thank you for it!

A View From the Square

There is a vast amount of existing feeling by callers and dancers, that much of the material in the advanced and challenge programs is too intricate for the mainstream dancer. But there are several plus calls that still require all my concentration to complete, even with my quarter of a century experience in square dancing. *Spin Chain and Exchange the Gears, Relay the Deucey,* and *Coordinate*, are not trivial figures to master. And yet the very same dancers that whine about APD, DBD, and the programs above plus, get through those three calls smoothly and expertly.

The latest Callerlab quarterly selection for the plus program, *Box the Top*, is an exciting, challenging call, but easy enough to be mastered by plus dancers. Here is the official definition:

From columns;

1. Center four box circulate 1 1/2
2. The outside two pairs of dancers cast 3/4
3. The three dancers on each end do their part of a fan the top
4. The two centers trade and move up (as in coordinate)
5. Form parallel waves

Let's take a closer look. In step #1, the center four must be sure to stay in the center area of the square, and they will end up making something that looks like a diamond. At the end of step #2, there will be a wave of six dancers down the middle of the set. Step #3 takes these six dancers and splits them into two waves of three dancers each; the outside end dancer of the three will do the end part of fan the top, to become a wave end looking in; the other two dancers will cast 3/4, which is their part of fan the top; they become centers of the final waves. The two dancers who were not in the wave of six do step #4, and they end up as wave ends looking out. Notice nothing is said here about the sex of the dancers, or whether the call starts from right or left handed columns; this is good, because how well you learn this call should not have to depend on your sex or starting position. Note that if the call starts from right hand columns, it ends in right handed waves, and if it starts from left handed columns, it ends in left hand waves. I hope this experimental gets lots of play, because it deserves to be a permanent part of square dancing.

In the September, 1992, issue of *Promenader*, an ad appeared that was in poor taste. A dance was advertised, "for couples." The exclusion of singles from any dance in this community should not be condoned. There was a fair amount of hard feelings in the Buffalo area over this issue and we don't need it here. The local federation should take a stand on this matter, to prevent offense to a large segment of our local dancer population.

Cayuga Cut-Ups

The Cayuga Cut-ups had another great summer weekend at Wells College in Aurora NY on August 14-15-16. We had all levels of dance the entire weekend, from Mainstream to A1. Our evening dances included A2.

I must say that the Marriott did an excellent job of feeding us over the weekend, and one thing for sure: no one should have gone away hungry. Friday evening we had five terrific acts for our Annual Gong Show. I would not want to be one of the judges.

Saturday we were busy with all levels of workshops, bowling, or just doing nothing at all. At the after-party on Saturday we had a four-piece band. They played all types of music for all ages. It was sure hard to keep your feet still. Then there was the after-party after the after-party. It was rumored that someone (I won't mention any NAMES) got locked out of the dorms two nights in a row!!!! And someone had to knock on a window so that they could be let in????

Once again, there were our friends from Canada (11 couples); also Florida, Pennsylvania, Ontario, and Central New York.

I say thank you to our callers and cuers: Ken Ritucci of Massachusetts, Mike and Linda Liberti of Rochester, Les Jackson of Canada, Gary Pruyne of New York State, the Hip Boot Boys, and Chip Kellogg. Our shop was Fabian Wear from PA.

For all of you who were not able to join us this year, we are looking forward to you joining us next year at our Summer Weekend in August of 1993. MARK YOUR CALENDARS.

Boots 'N Slippers

We kicked off our Fall season with a tureen supper on September 11th. As usual the food was excellent--they tell us it was all "calorie-free." On September 18th and 25th we held our "Open House" for prospective dancers. We hope they will enjoy dancing as much as we do. Good luck to you all--it does get frustrating, but it is amazing how quick you catch on!

On October 3rd and 4th be sure to look for our booth at the "Applefest" in Hilton.

Come one, come all to our "New to You Dance" on October 16th--it's time to find some new outfits as well as clean closets and sell those that are gathering dust. Robin Kepler will chair this dance. Be sure to mark all your clothes with your name and the amount you want for each garment. We usually have a big selection!

On October 30th we will have our "Halloween Dance": a costume party, and who knows what else the ghosts and goblins will have in store for us. Be sure to put this on your calendar.

Another date to put on your calendar is November 6th. Brian Adams will introduce the Texas Two-Step at 7:00-8:30pm at the Village Elementary School. On November 13th and 20th, Brian will follow up with new steps from 8:00-8:30pm. The Texas Two-Step will be included with our rounds and squares. We're looking forward to many of you joining us!

Remember that Mike Callahan is running a refresher course from 7:00-8:00pm each week before our regular dance and Brian Adams is teaching a rounds class at the same time. If you know anyone who is interested, please have them call for further information.

Circul-8-tors

We had a good turnout at our first dance of the season on September 20, 1992 with Chip Kellogg as the caller and Dottie and Jerry Reed as the cuers.

Many of us are on our tour to "Branson and the Ozarks" at this very time. We'll let you know about it when we get back. We're sure that it will be a great trip.

Our next dance is October 18th at the Penn Yan Grange Hall. Jerry Carmen will be putting us through our paces and Betty Carmen will be cuing the rounds. This will be our first Open House of the season. Any non-member couple may come at no cost and enjoy dancing with us. The Circul-8-tors are a group of friendly people who dance once a month and have one trip each year to be taken advantage of. So bring your friends who aren't members and let them know how friendly we are. If you aren't Circul-8-tors and don't have friends who are members, come anyways and enjoy yourselves at no cost. We will be having a short meeting after the dance, followed by a group of us going out to supper at a local Penn Yan restaurant.

Our winter dances will start in November at our new location, Covenant United Methodist Church, Culver and Parsells. The date in November is the 15th and is another Open House. Chip Kellogg will be the caller and Dottie and Jerry Reed, the cuers. Hope to see you out dancing soon.

Tecumseh Squares

We have one more Open House scheduled for Sunday the 4th--if you didn't get a chance to attend the first one, stop over on Sunday and lend a hand.

There was a good turnout at the Gourmet Dessert Night--the last of our special dances in the summer program. Even though there was a large number of dancers (14 squares), there was almost as many desserts. You could have added a few pounds just by looking at them. Thanks to the Berners and their committee for a job well done.

The other night was unofficially "Spirt of '76" night featuring a number of walking wounded club members: Joan Sanford and Limpy Brozost recovering from recent limb surgery; Gerry Borden and Duffy Saunders almost fully recovered from surgery this summer.

The Red Wings-Richmond game was attended by 16 club members. Rain delayed the start of the game but did not dampen the spirit of the group. Can't believe the number of trips that Manny made to the concession stands. The PUTT PUTT party was also affected by the rains of summer as it rained before the golf but nicely held off until after dinner at Manny and Ellie's.

The committees are busy planning the fall calendar; the Halloween Dance on 10/30 (Bill & Dorothy Mc Neill); Tecumseh/Boots 'N Slippers combined dance on 11/13 (Kane and Schwartz) and the Holiday Party on 12/11 (Ernie & Beckie Aglietti.) Let the committee chairperson know if you can help out. The combined dance in November will feature Bruce Shaw, Mike Callahan, Mark Thone and Brian Adams leading us in dancing at the Greece Sr. Citizens Center; see flyer for details.

Have fun dancing this Fall and we hope to see you at FLING FANTASTIC.

ROUND TOWNERS

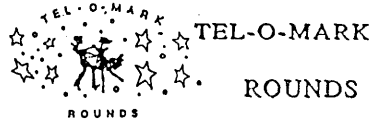

Summer is finally gone, and I'm not sure it was ever here. Certainly was a cool, wet one! Oh well, it was comfortable--onward and upward. Profound apologies are in order for the promised Festival of Leaves dance on September 27th. Apparently, someone got their signals crossed and we weren't able to have the mall on that date. As the saying goes "These things happen!" We are, however, offering a Saturday Nite Round Dance Party on October 3rd at the United Methodist Church at 570 Old Ridge Rd. in West Webster from 8:00 to 11:00pm. These parties are for all dancing levels and if you've never tried one, then do yourselves a favor and be there. I know you'll never want to miss another one.

Just one more comment about the intermediate basics class that Mark and Marlene are teaching on Monday nites at West Webster from 7:30 to 8:30pm. It's not too late to take advantage of this opportunity, but three weeks are already gone. So don't let any grass grow if intermediate rounds is one of your aspirations. It's fun and well worth the effort--believe me! So, widen out, and give yourselves a greater scope of enjoyable activities in your dance community. You'll be glad you did!

In conclusion, we'll be dancing every Sunday nite in October with many familiar oldies and classics, plus workshops on easy to semi-difficult intermediate dances. We look forward to seeing you there.

All levels of round dancers are invited to join us for a very enjoyable evening of dancing on Saturday, October 3rd from 8:00 to 11:00 at the United Methodist Church, 570 Old Ridge Rd., West Webster.

Some of us will be attending the State Convention and are anticipating a wonderful weekend of dancing.

We have also been participating in some spectacular weekends with national cuers.

To "round" out the month, Mark taught "Summer of '42" and "Noche de Amor". We are looking forward to Esqueda's new foxtrot, "Strange Music", and then Mark is going to pick up the beat with "Maria Elena Cha."

We look forward to dancing with you each Wednesday at 7:30 at the United Methodist Church.

There are some great dances out there!

Victor Swing-A-Longs

It's sooooo good to be back to square dancing again this Fall with our club! We're "usually" dancing all but one Thursday night of each month--except for October when we will be dancing only on the 1st, the 15th for the FALLING LEAVES DANCE, and the 29th for the HALLOWEEN GHOST DANCE which is BYOS (which is Bring Your Own Sheet!). Please don't let our fluctuating schedule discourage you from coming a-visiting--just check the dance schedule in the back of the PROMENADER or call our information number. We dance again this year in the Primary Building of Victor Central School on High Street in Victor. The weeks our club is not meeting; you will find us hitting the road again. So we just might see you on your dance floor soon.

On Saturday, September 12th we held a demo for HANG AROUND VICTOR DAY. Due to a last minute change, we danced at 2:00pm instead of at 11 as we usually have. Hope we didn't miss anyone due to the necessary time change.

We held two Open Houses in September and are happy and excited to be starting a new class with Jodi Mattice as our class teacher. We are in the midst of preparing for our HARVEST BALL DANCE on Saturday, November 7th. Jerry Carmen will be calling and cuing, and we heartily invite all club members to join us. This dance will be held in the Victor Jr. High Cafeteria from 7:30 till 10:30.

Take care and a HAPPY HALLOWEEN to all!!!

Genesee Dancers

Our club has started off the Fall Season in grand style with our Trail Back Dinner Dance. With our Hawaiian theme, a big Aloha to everyone, we were greeted with a big kiss and a lei for an evening of swinging and swaying with Mike Callahan and Bob Slomcenski.

We are once again inviting everyone that would like to take a refresher course to get back into square dancing. We think we are the only club around offering a refresher course this year. It isn't too late to come join us--we will extend our "open house" if we get a lot of interest. Please pass this information on to all your friends. It's a lot of fun and fellowship. It does mean a commitment to yourself and people in the club to have a good attendance. It makes for an easier job for the caller and cuer if the floor is full of dancers having a good time and knowing how to dance.

Our dances and refresher courses are held on Thursday evenings at the Brighton Reform Church at 805 Blossom Road. Refresher courses start at 6:45pm and the regular dance starts at 8:00pm.

Our Halloweenie Roast Dinner Dance is a pot luck dinner being held on October 29th. Lima Grand Squares

It's our wish that all the clubs have a full class after the Open Houses. To help the classes progress, it would be helpful to remember when you were in their shoes. You had trouble with the calls or there were not enough couples to make up a square. This is where the "Angels" become important to the class--please take the time and help the class. Eventually they will become new members in the club, remember the Angels who helped them, and will return the favor and become Angels themselves.

The club dances from 8:30 to 10:30pm, with classes running from 7:00-8:30pm. On October 16th, we will have Jack Barnes as our guest caller. On October 30th, we will have our night of strange and frightful creatures. This is our Halloween party for the club. Everyone may come in costume if they wish, as this makes for a fun evening for all. But please be careful on how you "TREAT" Gary, as he may "TRICK" you.

Belles 'N Beaus

Hi dancers! Sure feels good to be back square dancing. It also looks like the Texas Two-Step is catching on with the club. Mike is doing a great job at teaching this dance, which is becoming very popular with square dancers.

We are looking forward to a great class this year, so all you angels come on out and greet the class and welcome them to square dancing.

A demonstration dance was held at The Gazebo In Charlotte Park on August 9th, and on August 29th at the Greece Summerfest, to present square dancing to the public. Flyers were passed out to recruit new couples. The club thanks all you participating dancers.

Anybody having news about square dancing or the club, please contact me. That's all folks. See you next month!

Triggers

Now that Fall has arrived, it sure is nice to be dancing in the cool of the evening.

We held our annual officers' picnic on September 2nd at the Appletons. We want to thank Bernie for all the phone calls he made to make this picnic a huge success. Everyone who attended had lots to eat. Thanks to all our wonderful cooks who all brought a dish to pass.

Come join us on October 27th for our Halloween Octoberfest. The dancing will be fun; especially with our caller, Bob Schlenker, who does such a marvelous job calling and cuing for easy rounds. YES, wear a costume if you would like.

All Triggers want to express our sympathy and deepest condolences to Franceska and Stefan Tschokasch and Maria and Al Zinn at the loss of their father and grandfather this past summer.

Congratulations to Dick and Josie Bennett as they were featured in the Greece Post for their "Perennial Pleasures A Growing Passion for Day Lillies" of which they have over 4,000 varieties.

Our last class Open House for new dancers will be October 6th. Contact Bernie at 663-1821 or Ruth at 392-8558 for additional information.

We are looking forward to seeing many of our friends at Triggers this year. Enjoy the Fall foliage and Happy Dancing.

Glass Slippers

As the Fall season approaches, the Glass Slippers are back in full swing, dancing every Wednesday at Ginther School in Brockport, N.Y.

Our Open House was a great success and our classes with the new dancers started in September. New class members dance from 7:00 until 8:30pm and the club dances from 8:30 to 10:00pm.

On October 7th it will be our pleasure to invite the Boots 'N Slippers and Shooting Stars as our guests. October 14th will be Pizza Night and we are planning a Halloween Party on October 28th with lots of treats and maybe a ghost or goblin will appear, along with other scary characters.

The Glass Slippers had an opportunity to dance with the Brockport community on two occasions recently. On August 22nd, the Glass Slippers held a Brockport Community Dance to help raise funds for the Brockport Food Shelf. Presidents Karen and Dick Avery and Treasurer Bill Graham had their picture taken as they were giving a check for \$100.00 to Sandy Mosher of the Brockport Food Shelf, which was the amount raised at the dance.

On September 12th the Clarkson Good Neighbor Days was attended by some Glass Slippers. This event was open to everyone--not just square dancers--and there were other activities besides dancing. However, Jerry Carmen and members of the Glass Slippers had a good time dancing.

Finger Lakes Squares

Our club is back in full swing, dancing A2, that is. Hum! Sorry about that.

The last campout of the year was a real fun time weekend. Great dancing and a good time by all. Everyone is looking forward to the New York State Festival.

We hope Nick and Claudia have a great time on their trip to Europe. It will be nice to have them back dancing with us when they are back. Jean Roberts should be dancing with us soon, after breaking her ankle a while back. Bob said she stepped on a bottle and fell downstairs. Dave, you have got to be more careful when you toss your empties!

Come dance A2 with us. Happy Halloween.

Shooting Stars

September flies by and becomes October..clouds thicken..leaves change color..cool breezes become chilly winds. Time marches on and current problems become a laughing memory from the past.

#1) What appeared to be an insurmountable obstacle turned out to be only a minor detour. #2) We are dancing at the same old familiar location on Holmes Road in Greece. The time is the same as last year, and it's Tuesday night PLUS..PLUS..PLUS.. Mike Herne is at his wild and woolly best both calling and cuing the whole evening.

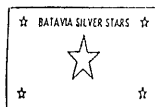

Keep in mind that in November we will again be holding our annual Turkey Shoot with the Merry-Go-Rounds. Certificates for fresh T-Day birds will be available, although not the caller or cuer!! We'd like YOU to take one home (turkey, that is.)

We've been getting some guest couples coming to our dances. HOORAY! HOORAY! Let's get everybody out twice each week; once to their own club and once to some other club-VISIT, VISIT, VISIT!! It's a good idea, it's fun and it's necessary.

See you soon--either here or there.

Batavia Silver Stars

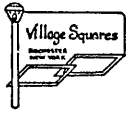

The cool crisp Fall weather brings the time to really enjoy dancing, the beautiful foliage, and of course, Halloween. We look forward to seeing all our friends and welcoming many new ones.

On October 5th, we will start dancing at 7:00 at BOCES, State Street, Batavia. On October 12th, we will dance from 7:00 to 9:00 at the Genesee Country Mall, then back to BOCES on the 19th. We will have our Halloween Dance on the 26th.

If you know anyone who is interested in getting involved in square dancing, tell them to join the Batavia Silver Stars. We guarantee a great time with a terrific group of people!

Village Squares

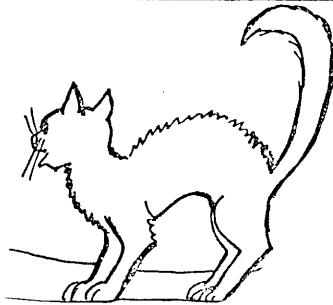

Our 1992-93 dance year began September 9th with a Village Squares Trail Back Dinner-Dance at Glendoveers in Penfield. The food was tasty and the dancing enjoyable. Jerry Carmen got our dance season off to a smashing start. It was nice to see everyone back from our "wet and cool" summer.

To better satisfy the square dancing needs of all of our valued members and visitors, our Board of Directors has restructured the Village Squares dance format. This year we will dance Mainstream/Plus the first hour, Plus the second hour, and Hot Hash the last 30 minutes.

Our Open House was a smashing success and our new class of enthusiastic dancers are on their way to learning the basics of Mainstream square dancing. Call Rita or Ken Tucker at (315) 524-8088 for more information.

Get ready for our Halloween Dance on October 28th. All dancers wearing costumes will be rewarded with a savings at the registration desk and the "best costumes" of the evening will receive something special. This dance promises to provide an evening filled with fun and good humor. If prior year dances are an indication, there will be some "horsing around" and a few "udder" surprises.

See you on the dance floor. Keep smiling!

Dancing Shadows

Dancing Shadows is an Easy Level Round Dance Club and meets every Monday evening at the United Methodist Church, 570 Old Ridge Road, West Webster. (See schedule in back for specific dates.)

PLEASE NOTE: Monday evening, September 14th, was the first night for our Intermediate Clinic, which runs for an hour each week preceding regular club dancing. The clinic runs from 7:30-8:30, with Easy Level club dancing from 8:30-10:30. We expect the clinic sessions to continue into May '93, giving us plenty of time to cover the Phase III Basics of Rhumba, Cha, Jive, Tango, Waltz, and Foxtrot. If you are still interested in the clinic, it's not too late--you've only missed three sessions so far, but don't wait too much longer!

The donation for the entire evening (7:30-10:30) will be \$6.00. If you are not interested in the clinic, but wish to dance club level from 8:30-10:30, the donation will be \$5.00.

Looking ahead, tell your classes about our class/club dance on Friday November 6th, with Carriage House fashions.

Also, mark your calendar for Sunday, November 8th. Ken Ritucci will be our guest caller (another fine voice) and the ever popular Dottie Reed will cue for us.
