from the Editor's Desk

Well, we've gone and done it! Your Promenader editors will be moving sometime around the end of May (please continue to send your ads and news to 105 Olde Erie Trail, Rochester, NY 14626 until further notice.) So, as you can well appreciate, we will be very busy packing and making arrangements for the move.

It becomes imperative that the news and ads for the next two issues be received and on our desk by the 1st of each month. We are going to be too busy to contend with any late arrivals of club news and ads. We know you will cooperate with us in every way until the move becomes finalized.

Don't forget to get your DOR ticket from your club representative - excellent staff for the theme "New Beginnings".

Have a very blessed Easter and may you spend it with those you love the most!

Joan and Jerry Sanford

DOR UPDATE

With only a month to go until "New Beginnings" we are getting excited with the prospects of hosting you all to another fun-filled DOR.

There are still many last-minute details to be attended to, of course, but with the help of many volunteers, we will be ready. We will have done our part!

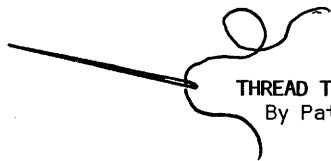

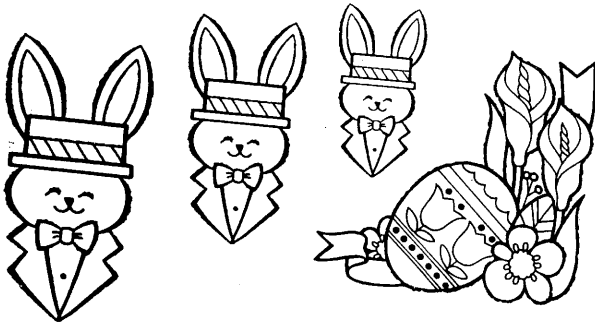

Now it remains for the rest of the dancers in the Federation to do their parts:

- Buy your tickets early
- Make sure your new dancers are coming (and looking forward to it!)
- Consider a contribution to offset decorations and other special surprises at the door
- Volunteer to help wherever you can
- Please return tickets and money to Ralph Dell by his deadline.

We're confident you won't let us down and that we will all enjoy ourselves May 1st as we gather at Churchville High School.

As you can see on this month's cover, we have a handsome as well as talented staff. We wrap up the brief bio's with Betsy Gotta and Larry Dunn.

THREAD THE NEEDLE
By Pat Flynt

The sun is out...it must be Spring..and time to think of a new square dance outfit! For something a little different consider a border print fabric. A border print has the design running the LENGTH of fabric. It can be a light and airy polyester, a poly-cotton eyelet with a finished border, or a printed poly-cotton. This is one of the easiest dresses to make because expensive trim and time-consuming ruffles do not have to be added.

You don't need a special pattern; choose a bodice you like from a square dance pattern or any conventional dress pattern. You will need 6 yards of fabric.

Cut the bodice and sleeves and facings first. Experiment a little with the design to use the "border" part of the fabric to best advantage. One easy way is to use the border part to make a decorative sleeve but it can also be used to outline your waist or highlight the shoulder area.

The remaining fabric (about 5 yds.) is hemmed if necessary, cut so the skirt is the right length (don't forget to add the seam allowance) and gathered onto the bodice. If you have a heavy fabric you can eliminate some of the bulk at the waist by taking 3" darts around the waistline edge before gathering it. Make the darts about 5" deep and space them evenly around the waist. This will not be necessary for most fabrics. Add a zipper and it's finished!

If you are short on sewing time but long on creativity, designing a border print dress is for you!

ASSOCIATION

It is difficult to dance in an area for long without the area's square dance magazine. So one of the first things we did was to get a copy of *FOOTNOTES*. This led us to some information about the area's association, MASDA. (Here it's called association instead of federation.) A person cannot subscribe to *FOOTNOTES* directly, as you subscribe to the *Promenader*. If you choose to join MASDA, then you'll receive the *FOOTNOTES* each month by mail. Membership is \$25 a year for couples or singles. It includes six free dances (four dances with Atlanta area callers and two dances with out-of-town callers).

The *FOOTNOTES* has a very different format than the *Promenader*. It is made of only ads, no club news (which I miss). So if you're club reporter, as we are for Dixie Twirlers (figures), you make up an ad each month.

The free dances that accompany membership are exciting and similar to Dance-O-Rama. They are on the fifth Saturday of the month. They are in one huge hall, in downtown Atlanta. These dances are MASDA's way of promoting square dancing. (I didn't see how that promoted square dancing until we attended one.) They bring all the square dancers from various clubs together in one place, and that promotes a good exchange of ideas and information. By having out-of-town callers, the local area stays in touch with the rest of the nation.

These dances are big events. The smallest that we've attended had 300 in attendance, which only used 1/2 the hall when squared up. I don't know how many were at the largest, as it wasn't announced, but the hall was full. The costuming is fabulous. Advanced dancing is from 7:00 to 8:00, and alternating mainstream and plus dancing with rounds is from 8:00 to 11:00. They definitely are fun dances, and most dancers make every effort to attend.

GENERAL OBSERVATIONS

Visiting other clubs (either individually, or as a club) and combination dances is/are very frequent here. Perhaps this is because most clubs only dance twice a month. Friendships

develop from these visits, cutting across club lines, making a wider variety of close friendships. There is a lot of enthusiasm, and most dancers dance very well.

Getting into advanced dancing has been difficult for us. Very few dancers are interested in it. Advanced clubs are very scarce, and those few seem to be a long way away.

I would expect to see a bit more clogging in this area, but there isn't. They have banner stealing here that operates in the same fashion as there.

MASDA promotes club to club visitation, by recognizing those clubs that do the most visiting during the year. These awards are based on a percentage of club membership. I know very little about the caller's association other than there is one, and they kindly donate their talents to the MASDA dances. Once a year they hold a benefit dance for various charities.

As you can detect, we have only scratched the surface of how it all works here. You must understand there was a bit of a language barrier at first. We had to learn southern! ("Ball" is what you do to water to make tea, "all" is what you put in the car (or makes "you" plural), and a "tar" is also used on a car. "Cheers" is what you sit in.) You see we're getting it, but still can't speak it correctly.

We extend our best to you all.

CHEF'S CORNER
by John Zierle

Let's welcome the Easter Bunny this month of April with a festive bread wreath:

Easter Egg Bread

2 pkg. active dry yeast
1/2 cup warm water
1 cup flour
1/3 cup water
1/4 cup margarine
1 tablespoon grated lemon peel
1-1/2 tablespoons lemon juice
3/4 cup sugar
1 teaspoon salt
2 eggs, well beaten
3-3/4 to 4-1/4 cup flour
6 colored eggs (uncooked)

Soften yeast in the 1/2 cup warm water in a bowl. Mix in the 1 cup flour, then the 1/2 cup water. Beat until smooth. Cover; let rise in warm place until doubled (about 1 hr.)

Cream margarine with lemon peel & juice. Add beaten eggs in halves, beating thoroughly after each addition.

Add yeast mixture and beat until blended. Add about half the remaining flour and beat thoroughly. Beat in enough flour to make a soft dough.

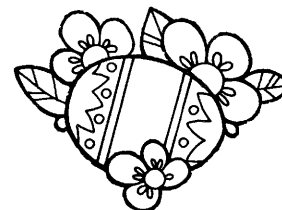

Knead on a floured surface until smooth. Put into a greased deep bowl; turn dough to bring greased surface to top. Cover; let rise in a warm place until doubled.

Punch down dough; divide into thirds. Cover; let rest about ten min.

With hands, roll & stretch each piece into a rope about 26" long & 3/4 thick. Loosely braid rolls together. On a lightly greased baking sheet shape into a ring, pressing ends together. At even intervals, gently spread dough apart and tuck in a colored egg. Cover; let rise again until doubled.

Bake at 375F about 30 min. During baking check bread for browning, and when browned enough, cover loosely with aluminum foil.

Transfer bread to wire rack to cool. If desired, spread a confectioner's sugar icing over top. Enjoy!

LARRY DUNN

Larry Dunn has been calling for more than 25 years and is a member of Callerlab. He has authored "With the Flow" which was used experimentally at many levels and is presently on the C-2 Challenge list.

Larry lives in Kenmore, which is a suburb of Buffalo, where he calls and teaches from the Basic Class Program through to C-3A Challenge. In addition to his weekly calling engagements for the Village Squares (of Buffalo), the Diamond D's and Perfecto's, he also teaches and cues rounds from Square Dance level thru Intermediate (PIII).

He has participated in many festivals in many states and Canada. For the most part, his tour of travel is localized to the Western New York and PA. areas.

One of Larry's greatest thrills in square dancing is watching the faces of non-square dancers watching square dancers perform at fairs, parades, shopping centers and recently, Buffalo's 1st Nighter (New Year's Eve at the Buffalo Convention Center).

During the day, he can be found performing his tasks as a Computer Analyst/Programmer.

BETSY GOTTA

Betsy Gotta of North Brunswick, NJ has been square dancing for 40 years and calling for 31 of them. She learned to dance as a youth, took up the microphone as a teenager and currently calls regularly for 5 square dance clubs (Basic through C-1), a Plus DBD workshop, a set of beginner lessons, an Advanced lesson series, a C-1 class, and a 12-week callers' school. She calls all programs from Contra through C-3 and is an accredited Callerlab Caller Coach.

She averages about 240 calling engagements per year and has attended the last 32 consecutive National Square Dance Conventions, calling at the last 30 of them. In addition to her regular home calling program, Betsy travels in a 5 state area from upstate New York to Virginia for guest calling engagements, weekends and festivals.

She is the featured caller for instructional videos being produced by Square Dance Videos. She also designs and sews her own square dance attire worn by herself and her husband, Roy.

She is currently on the Board of Governors of Callerlab, Legacy, and was the General Chairman of the 1992 NJ State Square Dance Convention. She also helps Roy teach round dancing.

Friendship Squares of Geneva

News flash, folks! Change of plans! Since our Feb. 12th Heart Dance had to be cancelled, we are going to try again in April. First we must apologize to those who showed up to find no dance was being held. Geneva schools were closed that day because of the bad snow-storm, so we could not hold the dance. We tried to notify those who might be coming, but couldn't reach everyone in time. So now we are holding our CLASS/Club/Cancer Dance on April 2 and our Heart Dance silent auction at the same time. Admission donation will go to the Cancer Society and proceeds of the Silent Auction (homemade goodies, attic treasures, etc.) will go to the Heart Association. Or it may be we will split the proceeds evenly. Anyway, it's all for a good cause and we urge you to BRING your class dancers to West St. School at 8pm. West St. starts on Rts. 5&20, near Arby's. Go past two stop signs to find the West St. School.

Our April 23 dance will be a Sundae Night (on a Friday!) Copy Cats and Wayne Westerners will be our guests, and Dick Schweitzer will be doing all singing calls for a fun evening. We expect to have plenty of ice cream and fixings, so come join us.

Looking ahead, our May 16th Sunday afternoon dance will have Larry Dunn and Mark Thone at the mike, so save the date.

Copy Cats

April 10th is the annual Copy Cat Dessert Social and Swap Around. It is the night where the Copy Cat men show off their culinary skills by preparing some mouth-watering desserts. There will also be bargains to be had at the silent auction (Swap Around). Chip Kellogg will be our guest caller and Jody Mattice will cue the rounds. It is a class/club dance, so encourage all your graduates or nearly graduated class couples to attend.

There will be no Copy Cat regularly scheduled dance on April 24th. Instead the Co-Presidents will lead the club to a previously determined dance site--this is called our "Mystery Ride Dance".

The Copy Kittens will graduate on April 27th at the Church of the Good Shepherd in Webster. All Copy Cat club members are encouraged to attend. A big thank you to Fred and Lois Allen for directing this year's class and to Chip Kellogg for doing the teaching. Fred, Lois, and Chip also ran a refresher course preceding the class, which helped dancers improve their skills and brought in some revenue for the club.

Don't forget DOR (Dance-O-Rama) on May 1st. Hope to see you there.

Country Twirlers

On April 3rd, Tim Crawford will be our guest caller. Bill Saintey will cue rounds. This will be Tim's last date with us till next year. Come and join our "Party". It's sure nice to have Gary and Alice for the rest of the month. No dance on Holy Saturday, April 10th.

April 24th will be our annual Ice Cream Social. Come and "Make Your Own Sundae"!!

We'd like to welcome back to Rochester all our snowbird friends. We hope you'll dance with us on Saturday evenings for a fun dance, and munch on our variety of refreshments.

Genesee Dancers

There is no place short of the Emerald Isle that you'll find a more authentic St. Patrick's Day dance than at auld Genesee Dancers. What with Michael (Old Sod) Callahan leading the charge and deputizing all squarers and rounders in sight as honorary Irishmen, the fun begins. Even cuers Bob and Nora Slomcenski got into the spirit of things so that after a while you couldn't tell a maneuver and strut four from an Irish jig.

It all began early on, with a legendary Genesee Dancers pot luck caloric extravaganza, expertly chaired by Kay and George Marsden. There was Irish Stew and Irish potatoes as centerpieces for all manner of enticing delicacies. After that the dancing was a most friendly spirit of riotous Irish fun. The shanty-Irish green decor added just the right touch. President Joe Hammele saw to it that there wasn't even a hint of conflict between the IRA supporters and the English adherents. The old country could take a lesson from us.

As we danced the evening away, we wished God-speed to our brothers and sisters sojourning in the deep south, cruising the Carribean or "doing Mexico". We know they'll be anxious to get back to real squaring and rounding as soon as the birds start twittering right here in Monroe County. We also had thoughts and prayers for our dancing friends who have been absent because of their assortment of colds, flu and even more serious medical events. We are always so happy to see them return intact, happy and healthy again.

There will be many upcoming spring dance events to look forward to. Square and round will still be the most fun in town.

Tecumseh Squares

Judging by the number of dancers that showed up (20 squares) and the number of smiling faces, our Mid-term Ball was a rousing success. The hardy ones who braved the frigid weather were treated to a great smorgasborg put on by Redmen's and then a fantastic class level dance led by Bruce Shaw. It was great seeing our class members enjoying themselves; dancing so well certainly added to their enjoyment. Many thanks to Walt and Phyllis Oyer and committee for a fine job. The turnout for the Valentine dance on the following Friday was disappointing but those that attended had a good time. This was the first dance held in the remodeled hall at Redmen's. It is quite a nice improvement; a larger dance floor and a brighter atmosphere certainly adds to your dancing pleasure. It's hard to believe that Redmen's has expanded that room twice in the last seven years. This crowd of 9 squares would have filled up the old dance floor BUT in this "new" room we have plenty of space. We thank Bob and Nora Slomcenski for their round dance exhibition which was enjoyed by all. Thanks also to the Kane's, McNeill's and their committee for a fine job in putting on this dance.

Don't miss our Spring Dance on April 23rd. Snowy & Millie Snow and Jim & Gerry Clurca and their committee are working hard in their preparations to ensure a fun dance.

We still have 3 Sunday nights remaining in our Plus refresher program. If you know anyone who has not been dancing for a while and would like to brush up on their skills, send them over and Bruce can help them out. See the ad in this issue for details.

Don't forget to join us on April 30th for our Graduation dance. Help us congratulate the members of the class of 1993; they will impress you. The following Saturday is DOR; advance tickets are available at the club from Ernie and Becky Aglietti.

TRIGGERS

Triggers

Everyone who came had a wonderful time at the Triggers "BUNNY HOP". The HIP BOOT BOYS put on their own usual good show and were in rare voice calling the squares. Thanks to all who attended and come back soon.

Don't forget our "Ice Cream Social" coming April 6. Ice cream with all the favorite toppings will be served to all. Come and enjoy both the dancing and the calories.

Keep May 23 open for our 30th Anniversary dance with a memorial tribute to Myron Huss. Come dance to 8 different callers starting at 2:00 P.M. at the Chili American Legion Post pavilion on Stryker Road at the corner of Rte. 386 in Chili. See ad in this issue for further information.

Cloverleaf Squares

Is Spring here yet? Well, at least April has arrived and if we're lucky, the crocuses will soon be poking their heads up through the snow.

We all enjoyed the class/club 23rd Anniversary St. Patrick's Day Dance that was held on Sunday, March 14th. Everyone wore their green square dance outfits, green accessories, or those silly green hats. Between tips, we browsed through a great used clothing sale - someone's cast-off is frequently someone else's favorite new outfit! Another fun March activity was our annual winter picnic at Braddock's Bay Park on Saturday, March 20th. We shared a pot luck dinner and cheered on the players in the Euchre tournament.

On Sunday, April 4th, we will be having an Amateur's Night. All of the aspiring callers and cuers in our club will be giving us the chance to dance to some new (and I'm sure, talented), voices. Better you than me! I commend anyone brave enough to pick up the microphone. Saturday, April 17th, we are planning a mystery ride. Our Vice-Pres., Dennis Rossman, is in charge of this event and, knowing him, we could end up at some strange place like--well--Salt Lake City, Utah (for all you non-Cloverleaf readers, the home of Dennis' lovely new fiancée). Should be interesting and a fun time.

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events.

Glass Slippers

As I sit here writing this article for the Promenader, I am looking out the window at the snow--huge piles of snow, and it is ver-r-y COLD. Here's hoping that by the time you read this Spring will have sprung, with robins, daffodils, and SUNSHINE.

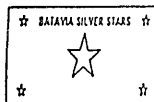

Both of our special events in March, the Gourmet Dessert Night and the St. Patrick's Day Dance, were well attended and enjoyed by all. A B-I-G thank you to our caller and his taw, Bob and Jeannette Meagher, and our cuer, Nancy Fincher. Also, a special thanks to all who contributed in any way to making the two evenings a success.

On April 7th, the Glass Slippers will have a Tie and Sneakers Night. This will be a new addition to our Dance Schedule--call us for more information.

Then on April 28th we will have our Graduation Night for our class of 1992-93.

HAPPY EASTER to you from the Glass Slippers.

Batavia Silver Stars

April is here and once again spring is in the air! Welcome back to all the "snowbirds"! We'll look forward to seeing you on the dance floor again.

We have enjoyed dancing with guests from other clubs. We will have "Pie Night" on April 5th, which always goes over great with our male dancers. If you are looking for a fun-filled evening, come and join the Batavia Silver Stars at BOCES on State Street in Batavia.

May you all have a Blessed Easter!

Victor Swing-A-Longs

Welcome April---the Month of HAPPY EASTER AND WARM SPRING TIME! After crawling out of all those snow drifts, we are READY!!!

It seems there have been so many really fun dances to attend since 1993 began and so many more we are looking forward to. It is exciting to see the new dancers out there at those special club/class affairs.

Our club members have been busily out collecting banners for our walls. Because our club is small, we haven't had too much luck gathering those shirts though.

We had a grand time celebrating the First Day of Spring on March 20th with a Chicken Bar-B-Q at Ellison Park along with the Web Spinners and Shooting Stars.

We are very happy when other clubs come visiting us--THANK YOU to all of you who have been able to make it! We have some fun dances coming up in April and hope to see more of you. On April 1st we're holding an APRIL FOOL/FASHION DANCE. Yes, we really are having a "Fashion Show" with lots of new fashions from the CARRIAGE HOUSE of Auburn. On April 8th we will be hunting for Easter Eggs at our Easter Egg Dance. April 22 we are looking forward to dancing to the calls of Ron Brown, our guest caller for the night. Then on April 29th our own Mike Herne will be calling and cuing for our Spring Fling.

Happy Easter to all and we will be seeing you at DANCE-O-RAMA if not before!

Twinkle Shoes

Hey you--that's right, you--I've got a couple of questions for ya.

1. Do you find yourself listening to smooth, easy music?

2. Do you catch yourself tapping your feet to the beat?

3. Are you green with envy when you go to a wedding, or party, where there's dancing, and people seem to glide across the floor?

If so, the Twinkle Shoes are your best chance to join them. Give us a try.

We waltz, two-step, polka, rumba, cha cha, tango, etc. We all learn together, as a group, with fun thrown in just for the heck of it. We have it.

Just because we're a round dance club, singles are included. We work it out so everyone dances, and boy, there are days when I get a real workout. Many times, I've commented that, "who needs aerobics," after class. Also, if you're not a Senior Citizen, you're welcome. If you work trick work, or have no evenings free, or don't like to drive after dark, we're for you. Oh yea, don't forget--DOR--it's just around the corner and if you need or want a brush up, we're here. After all, Thursday afternoon from 3-5 is a great time.

Also, in our future we see a name change. You see, we were in a variety show and the director kept calling us the circle dancers as a joke. But wait, we do dance in a circle, and in Greece, thus "The Greece Circle Dancers", are born. Makes sense? Yes.

Well, we hope to see you at Westridge, some Thursday, between 3 and 5. Give us a try.

Remember when your day is a "Tango Mannita", get "that Happy Feeling", dancing with your "Wonderful One," "All Night" with us. See you in our circle of dancers soon.

Web Spinners

What a night we had on January 29th. Our Mystery dance began when Don and Lin Kwarta led a five car wagon train from the church, through the Xerox complex, past the Bonnets house and to the Webster Chrysler Plymouth dealer on Empire Blvd. We were greeted inside the show room by our class, which we just left 30 minutes before, and about two squares from the Wayne Westerners who were also on a mystery ride.

On April 16th we will graduate the biggest and most traveled class Web Spinners have produced since 1984. All the angels and club members have enjoyed dancing and traveling with them and now wish them many happy fun-filled years of square dancing.

Our Trail's End Dance on April 30th concludes this season, and I know that everyone thanks Arnie and Marion Read, their Board, and all who made this another successful year. Boy, does the time go fast when you are having fun with great people.

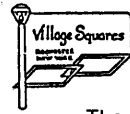

We also extend our congratulations to Don and Lin Kwarta, our new Presidents, Tom and Sunday Hyder, Vice Presidents and their new Board of Directors for the 1993-94 dance season.

I know that each club member will support and assist them to make another fantastic year of dancing.

Looking forward to dancing with you at DANCE-ORAMA on May 1st and I hope you got your tickets early.

Village Squares

The deadline for this article was February 28. Therefore, without a crystal ball, we cannot report on our Ice Storm Anniversary Dance held on March 3. We can only ask questions. Did we have another storm? Was it necessary to cancel once again our "never held" Ice Storm Anniversary Dance? Why were we all asked to bring flashlights to the dance? If we did not have another storm and we did dance, we don't need a crystal ball to predict Jerry Carmen and Bill Saintey were terrific and everyone had fun, fun, fun!

Be sure not to miss our annual Hobo Dance on April 14. Dress in your "very best" hobo outfits. To make sure this "ragged group" has the energy to dance, the soup kitchen will be serving chili. Jerry Carmen will be calling the squares and Bill Saintey cuing the rounds.

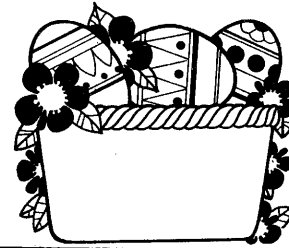

Our nominating committee is developing a slate of officers for next year. If you are asked to serve please make every effort to accept. We need support from all of our members. New officers will begin their term of office on May 12 at the Trail End Dinner Dance, to be held at the Green Lantern in Fairport.

The Village Squares' annual campout at Camp Bell will be held the weekend of July 30. It's not too early to make plans now to attend. See Rita Tucker. It promises to be a fun filled weekend.

See you on the dance floor. Keep smiling!

Boots 'N Slippers

The last evening of our introductory Texas Two-Step lessons is April 2. Thanks to our patient instructors, Brian & Cindy Adams, many more of us are dancing the Texas Two-Step. We look forward to more opportunities in our club and others to keep enjoying our new dance step.

In early March several couples completed Mike Callahan's Refresher course. Congratulations to: Phil & Irene Crawford, Tom & Dorothy Gerstner, Wally & Alice Kincaid, and Bob & Dorothy Woodams. Welcome! We're glad to see you enjoying square dancing again. Please watch this column for details about another refresher course to be offered in the fall.

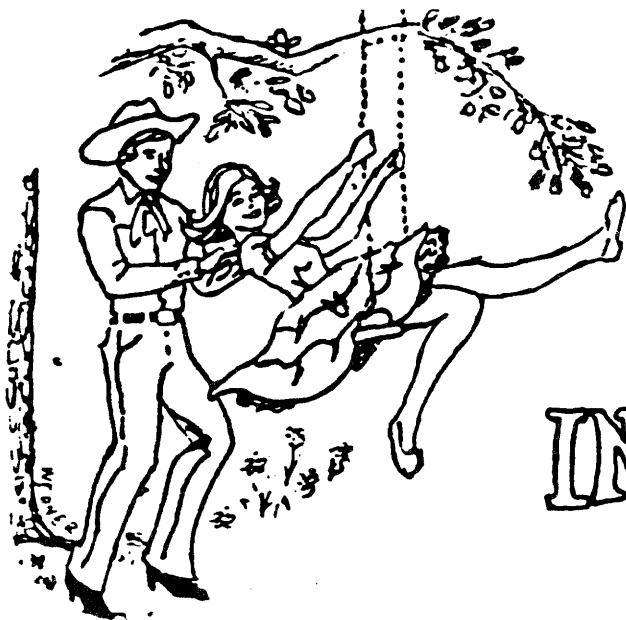

As always it was great having our very own Irishman, Mike Callahan, calling our St. Patrick's Day dance. Thanks to Jodie Mattice for doing the cuing that evening. We look forward to having her visit again on April 23.

Thanks to all who came out to dance with us on many blustery winter Fridays. We are certainly glad to see Sid & Renee Galinsky back on the dance floor after Sid's setbacks this winter. We're counting on you snowbirds to bring the sunshine with you.

We're looking forward to our class graduation on April 30th.

Circul-8-tors

Our March 21st dance was successful as usual, with Chip Kellogg calling and George Burch cuing. We danced at our new location for this year at United Methodist Church, Culver & Parsells, where we tried out their new floor. After our dance we had our annual election and a short business meeting, after which a group of us went out to dinner at a local restaurant. All enjoyed good food and good friendship.

Come join us for our next dance, which will be on April 18th at the Penn Yan Grange Hall, Route 54A, Penn Yan NY. Spring is a beautiful time to take a ride down to Penn Yan, so we hope you can come. Jerry Carmen will be calling and Betty Carmen will be cuing. This is also our annual silent auction, where the proceeds go for our annual picnic and campout in August. So members, bring your baked goods and white elephants and also some money to bid with. Also remember, Jerry just loves baked goods.

The Circul-8-tors is a traveling club and our trip for this year is a short trip. We will be going to Boston and Cape Cod in early September. The donation of \$649 per person includes transportation, 5 nights lodging, 7 meals, and tours--including Boston, Martha's Vineyard, Hyannisport, Cape Cod, Newport, and West Point. The trip will be open to Circul-8-tors first and then will be opened up to nonmembers if we still have room available.

We hope that you are all feeling well and hope to see you at our April 18th dance.

Finger Lakes Squares

We are not quite up to speed on all the square dancing news, having been off to Florida and the Caribbean. Sunshine and warm blue Caribbean waters sounded so good we decided to go too. The Pettits and Blocks had a great week on the Norway. There are a lot of tales that could be told on this one. But we won't--OK Gene! It was a whoopee time. Thanks Jan & Mack--we did miss you.

Bob is reviewing Advance dancing. Come and join in.

Spring has finally arrived after a long winter. The camping schedule will be out soon.

Belles 'N Beaus

April will be a big month at BELLES & BEAUS.

April 5th will be a special dance (April Fool's Day) including class with the club. You may be surprised. Our presidents, Eric & Karen Mansfield and our Secretaries, Ed & Joan DeTamble have all kinds of innovative ideas.

For April 21st or 28th our new very-with-it class is planning a special event including the club. Watch the monthly newsletter by Karen Mansfield and Judy Rockafellow for the latest details.

April 23rd to May 1st is the TV Auction to support Channel WXXI. As a club we plan to support them by volunteering the work of some of our members. Please participate by your support.

April 24th is our 35th Anniversary Party at Doud Post on Buffalo Rd. Jim and Jean Patrick-Maxwell are hosting this memorable event. Any of our other square dance friends, either inactive, retired, or from other clubs are invited to join us to celebrate this memorable occasion.

Last year's Summer Program introducing the Texas Two-Step was so successful that we are planning to continue it again this next summer. Watch the Summer issue for more details. Also watch for the Car Rally in June and the weekly Friday Golf League. The Scotch Golf and picnic is always a special summer event.

There are all kinds of interesting activities coming up so watch the **Promenader** and the monthly newsletter.

In this publication, please consider that they are there for a purpose. We publish something for everyone, and some people are always looking for mistakes!!

Wayne Westerners

Spring is here, and we're all anticipating the graduation of our class on Thursday, April 29th. Once again Ron Brown has done an excellent job in teaching and we are looking forward to welcoming our new members.

The Yellow Rock Dance held in March was a great success and we extend our thanks to all who attended. Proceeds will be donated to the American Cancer Society in the name of Clarence Graham.

It's that time of the year where our attention once again turns to our most colorful event...the Annual Apple Blossom Dance held in May at Williamson High School. We are busy planning to assure everyone an evening of dancing pleasure. Details will be in the May **Promenader**.

Now that the weather has improved we once again will be welcoming back our members who wintered in Florida. No doubt they will be well tanned and ready to square up and enjoy the friendly atmosphere of Western Square Dancing.

Dancing Shadows

Dancing Shadows is an Easy Level Round Dance Club and meets every Monday at the United Methodist Church, 570 Old Ridge Road, West Webster. (See schedule in back for specific dates.) We dance at the Phase II - III level from 8:30pm P.M. - 10:30 P.M.

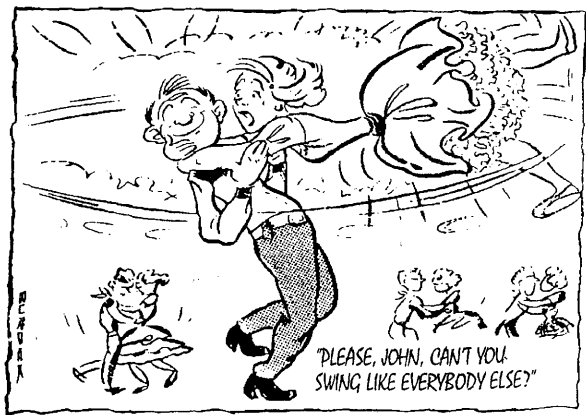

PLEASE NOTE: From 7:30 P.M. - 8:30 P.M., immediately preceding the regular club dance program, there is an Intermediate Clinic, where emphasis is on Phase III rhythms and figures. This clinic started on September 14 and is open to anyone who is interested in brushing up on their Phase III basics. We expect the clinic sessions to continue into May '93, giving us plenty of time to cover the basics of Rumba, Cha, Jive, Tango, Waltz and Foxtrot. We have completed Rumba, Cha, and Tango basics, and are now working on Waltz.

There will be no dance on Monday, April 5 as the hall is not available that night.

The door donation for the entire evening (7:30-10:30) will be \$6.00. If you are not interested in the clinic, but wish to dance club level from 8:30-10:30, the donation at the door is \$5.00.

ROUND TOWNERS

New floor is down, the job is done. The congestion has been duly won. The one we danced upon before was very good and even more. But this new dance floor you must feel. It's just so smooth it seems unreal. Though we regret the time it's taken and hope it didn't get you shaken, hope you'll agree if it had taken three times longer in the makein, twould been worth waiting, no mistakin!

So here we are all shiny and new. We only now need thee and you. So give yourselves a real break. This dance floor is a piece of cake!

Well, the Ides of March are finally past. The season lost its wintry blast. Though other months have thirty days I swear that March, in many ways, torments us six or seven weeks with snow and ice and weather bleak. Of course it only seems that way, because we're looking for the day when leaves break forth and flowers bloom and winter's gone with all its gloom.

So here we are, hoorah, hooray, we finally reached the blessed day when scarves come off and coats are dropped. Upon the floor they fall, kerplop! Try not to miss our Saturday Night Round Dance Party on April 3rd at Methodist Church, 570 Old Ridge Rd. in West Webster 8:00-11:00pm.

Cayuga Cut-Ups

Well hello out there. I must apologize for missing the March issue of the **Promenader**.

On April 24 some of the Cayuga Cut-ups are going to dance with our friends in Canada. We are looking forward to it.

April 22 we will be dancing with Gary Pruyne. Please come join us that Thursday. You can find the time and place in the back of this issue. Also we don't dance on April 8, Holy Thursday.

You know how we say they don't make things like they use to. Well, snowstorms are being made like they use to when I (we) were kids. Take care and stay warm.

Lilac Squares

Our sincere congratulations to Barbara Howard and William Petty on their marriage on February 6th. Our very best to you both from all of us at Lilac Squares.

We had a wonderful Spaghetti Dinner on February 15th, and particularly want to thank Joan Christman and her committee for a wonderful meal.

On April 12th our dance will be an All Singing Calls evening. Singles and couples - do come and join us for this enjoyable and different type of affair. It doesn't happen often.

On Mondays, April 5, 19, and 26, we will have regular dances with Betty cuing rounds and Jerry on the squares at Penfield Baptist Church from 8:00-10:30. The class still meets from 6:30-8:00.

We are looking forward to the Class-Club DOR on May 1st.

A VERY HAPPY EASTER TO ALL!

TEL-O-MARK

ROUNDS

THE TEL-O-MARK CLUB'S TOP 5 REASONS FOR JOINING THEM WEDNESDAY EVENINGS IN APRIL:

#5 - to test your marriage to the limit, learning a high intermediate/advanced level dance

#4 - To dance "London by Night" is cheaper than going to see London by night

#3 - To watch the women try to get through the men's arm tunnels in "Maria Elena Cha"

#2 - To test your flexibility doing the Charleston cross steps in "Fortuosity"

BUT MOST OF ALL:

#1 - To enjoy a great evening of fellowship and dancing.

The Tel-O-Mark Club is an intermediate/advanced round dance club that meets Wednesday at the United Methodist Church in West Webster. Dancing begins at 7:30.

The April Saturday round dance party will be held on April 3rd at the same church. Dancing is for all levels--and gives you a chance to practice your dance steps and enjoy the fellowship of others in the round dance community. The sparkling globe and darkened room gives the hall a ballroom atmosphere and helps to hide any "fudging"!!! Round dancers from all levels are welcome.

This is being written on the first Friday without a snowstorm since Thanksgiving (that is, February 26). Hopefully by now we are well into Spring after a snowy winter. Our February President's Ball was a huge success. Thanks to all the clubs that attended. Lima Grand Squares had the most attendees - 41 people. A great time was had by all!

During April we will dance on the 7th, 21st and 28th - no dancing during Easter vacation because school is closed. Come on out and join us for some Spring fun this month.

Stardusters

As this month's publication goes to press, we are looking ahead to spring in full bloom.

Our Tuesday night of dancing is cancelled on April 6th. This also cancels the workshops for the evening. Dancing and the workshops will resume on April 13th. The workshop continues to show excellent progress and will continue through the month of April.

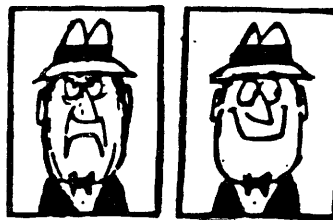

Plans are being formulated for the Stardusters annual anniversary dance on May 4th. More information will be available in the next issue. Keep the date open and plan to help us celebrate.

We extend best wishes for a speedy recovery to Dave Orlen who is recovering from an illness. And also, our best wishes go to Lois Murphy, who is recuperating from a fall on the ice.

A Happy Easter to everyone.

TEN COMMANDMENTS OF HUMAN RELATIONS

Speak to people: There is nothing as nice as a cheerful word of greeting.

Smile at people: It takes 72 muscles to frown - only 14 to smile.

Call people by name: The sweetest music to anyone's ears is the sound of his own name.

Be friendly and helpful: If you would have friends, be friendly.

Be cordial: Speak and act as if everything you do, were a genuine pleasure.

Be genuinely interested in people: You can like everybody if you try.

Be generous with praises: Cautious with criticism.

Be considerate: with the feelings of others: it will be appreciated.

Be thoughtful of the opinion of others: There are three sides to a controversy, yours - the other fellow's - and the right one.

Be alert to give service: What counts most in life is what we do for others.

NEWS RELEASE #5

FOR IMMEDIATE RELEASE

SINGLES

Singles are important to us. A hall with 22,600 square feet has been earmarked for dancing, with an adjoining hall for single's hospitality. The room is beautiful having recently been completed. The Vice Chairman of Singles Dancing has been to the Singles Square Dance USA Board Meeting in Cincinnati, and to the Singles Square Dance USA Dance Arama in Louisville in order to talk to friends and get their opinions on how to make the national convention a happy memorable time for them.

The Single's program will be varied with squares, rounds and exhibitions. Also included will be mixers, line dances and country western programs.

If Singles wish to dance in other halls, plans for finding partners at a designated area in the hall are being considered. At the present time, singles make up eleven percent of the registration total.

ADVANCED and CHALLENGE

Five halls have been assigned to advanced and challenge dancing. Program slots will be 10 to 15 minutes for advanced and 30 to 45 minutes for challenge. Introductions to the next highest level of dancing will be done in each of the halls. The times will be staggered.

Caller and Cuer profiles have been sent out, with many being returned.

EXHIBITIONS

Although many exhibition groups have registered, we want to be sure that we have invited all of the talented performing groups in the world. If you know of some organization that might have been missed, please tell them to write a note to: Gene and Gina McMurtry, Vice Chairman Exhibitions, 8375 Latty Avenue, Hazelwood, MO 63042

It is urgent that you send a note NOW so that your exhibition group will be included in the agenda.

ROUND DANCING

The 42nd Vice Chairmen have been very busy making plans so that the round dancers will have a very pleasurable experience in St. Louis in 1993. Over 1000 cuer profiles have been mailed out in order to get the best cuers in the world. Round dancers will love the halls assigned to them.

TRAIL-END DANCES

Trail-end dances will be plentiful. Be sure to come to St. Louis on Wednesday in time to attend the free Trail-end dances at the Cervantes Convention Center and "Under the Arch." The Mid-America caller staff will be calling "under the arch," and the Liberty Band from Denver, CO will be playing at the convention center along with many national callers. You'all come! ! !
