Dear Round and Square Friends:

Our sentence is up but, with all the learning involved with this job, we have enjoyed our tenure, sending you the local and national Square Dance news.

We must thank all the considerate subscribers that accepted misspelled names and subtly let us know what to correct, and those unfortunate to miss a current mailing issue and patiently waiting for the postal service to deliver.

We also thank Joan & Jerry Sanford who were pestered many times by our phone communiques, especially trying to understand the new Second Class mailing system. John Fink had an open door policy, waiting each month until we showed up at his printers shop, picking up your new issues, which sometimes was a little after closing hours. CHEERS TO THE THREE J'S!

Although the Pittsford Post Office's friendly employees won't read this, we want our readers to acknowledge their patience and fortitude as we all learned to work together. Anyone visiting this Post Office can say "thank you" as a Promenader subscriber. Believe us, the word "Promenader" is now a familiar word to many P.O. employees in Pittsford, especially Joe Herrgesell. THANKS JOE!

Our forecast is for continued good service with Dorothy & Bob Woodams at the helm. They will need your understanding as they get their "feet wet" in the circulation field. GOOD LUCK, DOROTHY!

In conclusion, we have made many friends by doing this job and we encourage fellow dancers to get involved if a need warrants help. We hope to meet you on the dance floor soon!

CONTINUED SUCCESS TO THE PROMENADER STAFF!

Sincerely, Nancy & Bud Lang
Subscription Editors

Editors' Note:

The Promenader staff extends their sincere thanks to Nancy & Bud Lang for all their diligent work as Subscription Editors over the past 3+ years. It has been a real pleasure for us working with them and the cheerfulness and enthusiasm with which they approached this volunteer position will be hard to equal.

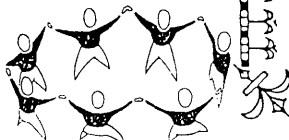

To all you subscribers who have had occasion to contact the Langs, I am sure you always found them to be very agreeable and accommodating. As editors, we could always depend on them to get your issue out on time, regardless of holidays, sickness or family matters. They were the catalysts for implementing the Second Class mailing policy which we now all enjoy. That took a lot of extra time and paperwork to prepare, not to mention the Promenader costs it saved each month.

We will all miss them but wish them both well in their "retirement" and extend to them many happy, sun and fun-filled days in Florida.

Thanks, Nancy and Bud--"here's to you, for all you do."

Emergency Call for Medical Aid

1. When a dancer goes down, a second dancer attends to him/her.
2. Remaining couples join hands and take a step backward. This will allow the injured person and attendant air and room.
3. Raise joined hands as high as possible in the form of an arched circle.
4. On seeing this signal, the caller or hall monitor will immediately place an Emergency Call for Medical Aid.

LETTERS TO THE EDITOR

When you've had so much pompous drivel that you can't stand it any more, it's time to stand up and say so!

Everyone has experienced the "I" person--one that converses with constant reference to himself by abundant overuse of the words I, me or mine. The Promenader has a "we we" person. Five columns (chosen at random) written by this person consisted of 58 sentences, with 40 references to "we and us"! Good grief!

The Presidents' Corner should be about the Federation and its workings, not about the presidents' personal travels, their own self-edification and views!

Name withheld for obvious reasons

The following is the third part of a partial reprint from June/July 1993 URDC Newsletter:

"LOOKING CIRCLES"

Now let's talk about courtesies. We have already spoken of one--staying in your own dancing circle. There are times when a couple may have to move to another circle because they find they out-step the couple in front of them, but for the most part--honor your own dancing circles and keep them ROUND.

Another courtesy is remaining still while standing in a Looking Circle. As much as you might like to try to do a figure or a movement along with the clinician, in addition to being very distracting to those around you, your moving about may also block someone behind you from seeing.

In a Looking Circle, or even during a teach at your club meetings, please don't talk or "discuss" things with your partner--or try to further explain what has been or is being said. Those around you want to hear the instructor, not you. Save your talk until you and your partner are alone and you will not disturb anyone else.

If there are not enough chairs in the room for everyone, which is often the case, and you choose to sit when a Looking Circle is called for, this is your prerogative, but don't then expect those in the Looking Circle to part, move or get "down in front" just so you can see what is going on. Remember, the instructors never have the opportunity to sit during a session and if they can be on their feet all that time--need more be said?

And finally, though the purpose of the Looking Circle is to give all an unobstructed view looking forward to center hall, there is one other direction of which everyone should be aware--looking BEHIND! Take a quick peek over your shoulder and make sure you're not blocking the view of others. This is a courtesy that should come naturally. Remember, other couples want to learn the dance, too!

TIPS for TIPS

- DO be quiet and attentive to the caller when he's teaching something, especially if you know what he's trying to explain. Someone else in your set may really need the information. It's even possible that you might hear something that you never heard before, or had forgotten.
- DO let the caller be the instructor: DON'T be a Know-It-All.

"ARE YOU A 'DRIVER' OR A 'HITCH-HIKER'?"

FROM THE CASEBOOK OF THE PROMENADER'S ROVING REPORTER:

Recent news has reached my desk regarding the demolition of the old square dance hall located in the path of the new expressway in Rochester. The wrecking ball fell on the old hall, site of many wonderful square dances in years past, with many of our senior dancers on hand to witness the sad passing. As one section of the west wall collapsed in a cloud of dust, one of the dancers wheeled his chair up to the rubble and shouted that an old wooden chest had been uncovered. The group crowded around to see what it contained.

The chest when opened disclosed the history of the Rochester Whirling Dervishes which one old timer remembered as the premier club of that era. They pondered with sadness how the best club in the area had fallen on hard times and ultimately disbanded. As they rummaged through the old trunk they found flyers touting the original Dance-O-Rama held in the old West High, Mike Callahan's original microphone autographed by Thomas Edison, four pairs of pettipants with the old Sibley's labels still intact, and three bandanas with the National Clothing emblem on them. Under it all was the last letter from the leader of the club. The dancers read the letter with an occasional tear. It said:

Dear Whirling Dee's:

As your president I am sad to announce the closing of our club. I guess it all started when no one wanted to take over an office. We all want to dance but someone has to be in charge and make things happen. I don't really blame you for coming to the dance ten minutes late and leaving fifteen minutes early--no one likes to set out the pitchers, flyers, and collect the money but there is no one left willing to do it. When I have had to make last minute decisions, all the other officers seem to question my judgment and go in the back room to talk about me. That is hard to take. Also I see that many members are going to other clubs for their once a week night out to dance. I can't understand why. Some of you say that the caller calls too fast, others say too slow--he isn't sure what to do now. Our decision not to have a class this year will probably result in fewer dancers too as our club is getting older with more dancers moving away or retiring from dancing.

As I look back over the many fine dances we have enjoyed together I find it hard to understand why so few of us have to do the work of running the club for so many. Lots of you have been in this club for years and have yet to volunteer for anything. You are asked to bring a plate of cookies and that is too much or you won't be here that night--yet there you are doing "Relay the Deucey" on that night--without the cookies. Just a few weeks ago I spent four nights on the phone trying to get a chairman to run the annual Dinner Dance and not one couple was willing to do it.

So it is with great reluctance that we close our doors, tender our resignation, close the chapter of the Rochester Whirling Dervishes and join the crowd doing the jitterbug to the Glenn Miller band downtown.

Sincerely, "Your President"

TIPS for TIPS

- DO wear proper square-dance attire: the minimum is long-sleeved shirts for the men, full skirts and pettipants for the ladies. The official square-dance view is that all men have hairy, sweaty forearms, and no lady ever does.
- DO be choosy about your shoes or boots. You can dance better if the soles are neither so slippery that you can't control your movement nor so sticky that they won't slide a little. And does anybody have to be told that you can have a lot more fun if your shoes aren't hurting you?

ROCHESTER AREA FEDERATION

The Rochester Federation had an exhibition dance at Long Ridge Mall on Saturday, Sept. 25th. We want to thank Mike Callahan for donating his time to help promote square dancing. We asked for representation from each club. There were 4 squares with 7 clubs represented.

We were looking for more clubs to be represented by their dancers to support and promote square dancing at the dance at Long Ridge Mall on Saturday, Oct. 16. We want to thank Gary & Alice Bubel, who donated their time for the occasion.

Rochester Federation and Callers Co-op will be having a meeting for all club officers, including Federation Representatives, in November. Encourage your officers to attend.

We talked about donations for Flood Relief in our last letter in the *Promenader*. We contacted the Salvation Army and enclosed a letter from them in the Federation minutes to your club President. We hope you had the opportunity to see the letter and have contributed to the fund which the Rochester Federation will give to the flood victims in Missouri, through the Salvation Army, in the name of all the clubs.

We hope to present the check at a Federation meeting to Major Bryant from the Salvation Army. We will contact Channel 13 to see if the presentation can be on the Bright Spot.

Have a Blessed Thanksgiving!

THREAD THE NEEDLE

By Pat Flynt

Hey-it's cold out there-winter must be coming. And we have that old winter problem of trying to get a slim-cut coat over a full-cut square dance dress. Why not think about making yourself a coat so you'll be warm, comfortable, and look put-together.

Authentic Pattern Co. has a full length coat pattern with a very full skirt, an elasticized waistline and raglan sleeves. Consider making it in a heavy twill. It is unlined but with a sweater, should do for much of the cold weather.

McCall's 5645 is a loose fitting, flared, lined coat or unlined cape with different options for lengths and collars. Try it in Polar fleece, mohair, or wool suiting.

And while you're in the McCall's book look at #6774, a simple classic cape, or #6717, a short swing coat.

Butterick #5652 is a good choice in a baseball style jacket. It is easy to sew and quite short so it doesn't interfere with the skirts. Think about making it in your club color--or making the sleeves a different color from the body of the jacket. It would work in Polar fleece, blanket cloth, heavy sweatshirt fleece or even quilted fabric.

Don't be afraid to tackle these coats/jackets. They don't call for tailoring--only basic sewing skills.

Chef's Corner

This is the pumpkin season and it's probably the only time of the year to make this delicious, warming stew for a cold night

ARGENTINIAN STEW IN A PUMPKIN SHELL

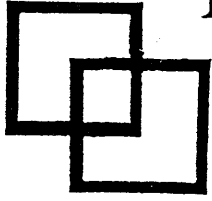

2 lb cubed beef-----1 cup dried apricots
1 lrg chopped onion-----3 potatoes, diced
2 cloves minced garlic----3 swt potato,diced
3 tbsp vegetable oil-----2 cups beef broth
2 lrg chopped tomatoes-----1 med pumpkin
1 lrg chopped green pepper----1/4 cup sherry
salt & pepper to taste---1 lb cn kernel corn
1 tsp sugar-----melted butter/margarine

Trim excess fat from beef, brown in oil with onion & garlic. Add tomatoes, pepper, 1 tbsp salt, 1/2 tsp pepper, sugar, apricots, potatoes & broth. Cover and simmer 1 hr.

Meanwhile, cut top off pumpkin and discard. Scoop out seeds & stringy membrane. Brush inside of pumpkin with melted butter/marg. & sprinkle lightly with salt & pepper.

Stir sherry & corn into stew and spoon into pumpkin shell. Place shell in shallow pan and bake in 325F oven for 1 hr, or until pumpkin meat is tender.

Place pumpkin in large bowl and ladle out stew, scooping out some of the pumpkin with each serving. Serves 6. Enjoy! Chef Z.

Victor Swing-A-Longs

This Fall is a busy and exciting one for the VICTOR SWING-A-LONGS. At our first dance in Sept., most of our club members earned their "far-baby" dangles. The momentum kept going and we held a very successful Open House dancing for the first time this year at our new location on the Victor Central campus in the Intermediate School Cafeteria.

Beside having fun dancing to Mike Herne's calls, this past month, we also enjoyed dancing to our guest callers Ron Brown & Dick Schweitzer. Thank you all!

The Dalton Gang, Henrietta Friendship Squares and Shooting Stars will be our guests on Thurs. Nov. 4th, but visitors from other clubs are also welcome!

We look forward to seeing many of you at our first BIG DANCE of the season--the HARVEST DANCE. We extend a special invitation to all you new square dancers and urge you to bring along some of your "longer time" club members. 8:00-10:30pm in the Intermediate Cafeteria--just follow the signs!

Another fun theme dance for November is our HAT DANCE--come wearing your favorite, craziest, prettiest, the "coolest" hat you can find and we'll see what Mike Herne comes up with that night--you can be sure it will be different and fun! This dance is back in the Primary School Cafeteria.

We seem to have some banners still gracing our walls since last Spring--Do we have YOURS?

Our club will not be dancing Nov. 11 and 25--with special thoughts and Thanks to all our Veterans on Veteran's Day and thankfulness for all we hold dear and are blessed with--a Very HAPPY THANKSGIVING to you from all the VICTOR SWING-A-LONGS.

Cloverleaf Squares

November is here and we find our thoughts turning to Turkey and (oh, no!) Christmas shopping. Hope everyone is getting back into the swing of the new dancing season and that all class and club activities are going well.

October was a busy month for the Cloverleaves. Our hayride and hotdog roast on the 23rd at the home of Don Shetler was a lot of fun. We all socialized and enjoyed the Fall air. On the 31st, we held our annual Halloween Dance. There were many strange and scary costumes being tripped over and ghoulish carved, painted Jack-O-Lanterns to add to the fun. Special treats were given for best costume and scariest pumpkin.

We will be holding our annual Fall Showcase on Nov. 7th at the Greece Community Center. This year our two halls will be Plus and Class level and our two callers will be our own Mike Callahan and the well-known Keith Harter. We would like to invite all classes (and everyone else, of course) to come and enjoy dancing to these two great callers! On Nov. 21st, we will have a Thanksgiving Dinner Dance and Fashion Show. This will be a class/club dance with dinner at 6 PM, fashion show at 7:30 PM and dancing at 8 PM. The Carriage House will be bringing their traveling shop and presenting the fashion show. Please join us for a fun evening!

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events.

Triggers

As always, our Halloween dance challenged the Triggers' dancers and guests to show up and dare to be recognized! May I say, many never looked better!

We are having guests to our Annual Pie and Dessert Auction on Nov. 23rd. This is always fun and our bakers outdo themselves with the scrumptious (and local, of course) array of goodies! Do come and join us.

The weekend of Oct. 22-24 found the Bo's, Appletons', and Browns' joining the large gathering of dancers in Niagara Falls for Fling Fantastic. This event always provides a great time for all with the talented calling of Mike Callahan and Bruce Shaw and the hilarious skits are something else!

The Dietschlers' came back with many memories of their holiday in Branson, Mo. The Speers' are sharing anecdotes from their visit to London, followed by a cruise to St. Petersburg, Russia and the Scandinavian area. The John Neilsons' were part of a family reunion in Denver, CO for a week--most enjoyable.

We wish our Vice-President, Bethany Granger, good luck with the Sweet Adeline's competition in Indiana this month. Our members are such talented people!

At the invitation of the Promenader and the Sanfords, yours truly attended an informational get-together regarding procedures and methods used in publishing and distributing our Promenader. I found it quite interesting and may I add that I now truly appreciate the efforts of the fine staff and the job they do.

As always, join us when you wish to dance on any Tuesday. We're at the English Village School from 8:00-10:00pm and dance to the calling of Bob Schlenker. He and Sue are also teaching some line dances.

Happy Thanksgiving!

Wayne Westerners

It's hard to believe November is here already. Time has a way of slipping by when there are so many square dancing activities for dancers of all levels to enjoy in our area.

At Wayne Westerners we had the privilege of introducing square dancing to several new couples during our successful Open Houses. Classes are going great under the leadership of Ron Brown. Our "Green Apples" are anxious to try out their new skills at upcoming area class/club dances.

A fantastic time was enjoyed by all at our annual Apple Harvest Dance as the HIP BOOT BOYS entertained us with exciting tips, and cute little Dottie Reed cued the rounds. Were you one of the lucky ones that managed to outbid Jerry Carmen on some of those delicious homemade apple goodies that were part of our famous silent auction?

Our club is experimenting with something new this year. Several members are taking round dance lessons so we will be featuring Dottie Reed at some of our regular club dances.

This month we are featuring regular callers, Chip Kellogg, Ron Brown, with Dottie Reed cuing, and guest caller Jerry Carmen. So if you are looking for a fun group, we are located just a short drive east of Rochester. See the **PROMENADER** for dance dates and locations. In observance of Thanksgiving, we will not be dancing that week.

Happy Thanksgiving from the Wayne Westerners!

Tecumseh Squares

Fall has arrived and so has the class of '94. Two very successful Open Houses netted us 11 very enthusiastic couples. Many thanks to the angels who showed up for the two Sunday nite extravaganzas. With the brightly dressed angels, a ton of "non-fattening" food, one of the visitors was heard to remark he thought he was coming to a dance, not a party. Thanks to all who made these events so successful, especially the Kanes and the Flynts.

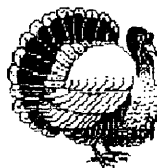

Our President, Joe Kane ran into an emergency situation recently but couldn't dial 911. Due to an unforeseen problem in the party room at Redmen's, he had to make a quick decision to cancel the dance on Friday or find another place. He was able to make arrangements elsewhere and thanks to the telephone committee, informed club members of the location change. We ended up with 9 squares.

We hope to see you at the Tecumseh/Boots 'N Slippers combined dance on Nov. 19 at the Greece Community Center. Mike Callahan and Bruce Shaw will be calling and Brian Adams and Mark Thone will be cuing. Join us for a fun filled night.

If you don't have plans for New Year's Eve, think about dinner and square dancing at Redmen's. Details will be available in the next **Promenader**. While on the subject of the **Promenader**, we'd like to thank fellow club members, Joan & Jerry Sanford for the fine job they do in producing this periodical. It takes a lot of work and we want them to know that we all appreciate it.

Glass Slippers

An officers meeting of the Glass Slippers has resulted in several changes for the club. The greatest change will be not having a class this year. Bob Meagher will conduct a Plus workshop from 7 o'clock until 8 o'clock after which there will be club dancing until 10:30.

Incorporated into the evenings dancing will be line dancing led by Nancy Fincher. Of course there will still be rounds. The club has been dancing this new format and found it very enjoyable.

President Dick Avery will share office with Stell Lewis this year. Betty Coopenberg will assume the responsibility of Glass Slippers reporter. Betty and Bob are vice-presidents. Bill and Charlotte Graham continue as treasurers.

The FLASHLIGHT DANCE on Nov. 3 will be an eerie event. Bring your flashlight and join us for another fun-filled evening. On Nov. 10 our invited guests are the Belles 'N Beaus and Cloverleaf Squares.

Nov. 17th will be our Thanksgiving Dance--a time to be truly thankful for the friends we've made and for the freedom we enjoy to dance where and when we desire in this great country of ours.

Do you have a wild and crazy hat? or a gorgeous hat? or just a hat? Come and show it off on Dec. 1st at Bob's Hat Dance. I'm afraid to even guess what Bob and Jeannette will create, but it will be different!!

Shooting Stars

How fast time flies when the square dance season gets going! This reporter is confident that the deadline will not come and go this month!! Maybe once this year we won't have to drive the column to the Sanford's, but not this time. Judy Ann Drive is it??? A big welcome back to the floor to Joe & Lucy LoVerde--great to see you back again!

"Let the races begin.." Our new season is off and running. We have several annual dances in the planning. Keep your eyes open for Turkeys, Couch Potato(E)s, and Umbrellas.

By this time, "Elvis has left the building". We had a great time with the Web-Spinners, planning and pulling this one off. The dance seemed to run without a hitch, and a great donation was collected for the Midwest flood relief. I never knew so many square dancers were fans of "The King". A good time was had by all, and, who knows--you may see a 2nd annual next Fall. By the way--just who was that caller with no gray hair and those sideburns? H-m-m.

Our next big dance will be our 3rd annual Turkey Shoot, done jointly with the Merry-Go-Rounds. The date is Nov. 9 at the Apollo Middle School (formerly Cardinal Mooney). Mike & Bill Saintey will be up to their usual hijinks and alternating full tips of rounds and squares, so round dancers--get those shoes dusted. Come and join us for an evening of round and square dancing.

Be on the lookout for Shooting Stars badges at your dances! You never know why they are there and just whose banner will disappear from the wall.

You can find us on Tues. nights at Holmes Rd. School, dancing from 7:30-10 every week while school is in session. Please join us for a night of fun and fellowship set to music. Till then...

Tel-O-Mark Rounds is a High Intermediate/Advanced level Round Dance Club which meets every Wednesday evening from 7:30-10:30pm at the West Webster United Methodist Church, 570 Old Ridge Road, West Webster. The purpose of the club is to learn the current and classic higher level dances which are danced at advanced week-ends and festivals throughout the United States and Canada.

For people interested in becoming more comfortable dancing advanced dances, Mark & Marlene have started a Phase V workshop from 7:30-8:45pm. Time will be spent learning and reinforcing the higher level skills needed to dance at the high intermediate level. Couples who are interested in learning or polishing their Phase IV and V level dance skills are cordially welcome to attend.

The next Saturday Night Round Dance Party will be held on November 20 at the West Webster United Methodist Church from 8:00-11:00pm. This is an all level dance--Phases II-VI. It is an enjoyable evening for all and gives Round Dancers an opportunity to practice their steps and enjoy the comraderie of the Round Dance community. A darkened room with sparkling globe adds to the fun and hides any mistakes. All round dancers are welcome.

Silver Squares

A Happy Thanksgiving to all and a large thank you to Sally Foes and Mabel Wordingham who work so diligently to keep our club going. If all of you seniors over 55 haven't joined us yet--you are missing a fun-filled get-together every Monday afternoon. Our caller Mike Callahan makes dancing a pleasure. Come and make new friends. You are always welcome--singles and couples. Our Halloween dance was Hobo Day with donuts and cider. Our next festivity will be December 6th--a turkey dinner at the Grange at 12 noon.

Lima Grand Squares

Our Halloween Party dance had the usual array of imaginative costumes, causing us to guess who several were.

November has several special events, starting out with a guest calling group on November 5th, the popular Hip Boot Boys. Be sure to join us for an evening of dancing to the calling and antics of Jerry Carmen, Ron Brown and Bob Schlenker. Dance is from 8-10:30, with no class.

Back to our usual class and club schedule the following week, with Gary calling and Alice cuing. Our second special dance of the month is a "Sadie Hawkins" dance on November 19th. All the details haven't been set by our officers, but it promises to be a fun time. Wear your "ratty old clothes" L'il Abner style, as worn "back yonder in them thar hills." And, men are to bring a box lunch for two -- to be auctioned off.

No dance Friday, Nov. 26th, after Thanksgiving. Have a Happy Thanksgiving and let's remember our many blessings in this beautiful country of ours. Among those blessings is the fun and fellowship of square and round dancing.

Copy Cats

November will be guest caller month at the Copy Cats. As most of you know, the Copy Cats dance on the 2nd and 4th Saturday each month. Our first dance, Nov. 13, is a Turkey Party/Veterans Dance with Mike Herne as guest caller. See ad in the *Promenader*. The second dance, Nov. 27, will feature Bruce Shaw doing the squares. Jody Mattice will be cuing both dances and teaching line dancing from 7:30 to 8:00pm. Come and enjoy line, round, square and whatever other dancing may be offered.

At the time this Copy Cat news is written, we are anticipating the arrival of Ken Ritucci for the joint Copy Cat/Tecumseh Special Dance. By the time you read this news; the dance will be history. A big thank you to all the Copy Cat and Tecumseh members who made this special event a reality. It was the first time that the Copy Cat Club had helped in sponsoring a national caller.

Looking ahead to December; we will have our Annual Christmas Dance on Dec. 11th at a new location, Penfield High School. More details will be given in the Dec/Jan issue of the *Promenader*. We will not be having a dinner this year before the dance. However, it will still be a Class/Club dance and we hope to have many Copy Kittens there as well as beginning dancers from other clubs.

Promenading B's

With the dance season in full "swing", the Promenading B's are buzzin' right along. Line Dancing has been a big success and keeps our caller Bob Schlenker very busy and proud of his class.

As our regular square dance season moves along it is already November! November and we think of the approaching holidays. The busy B's are planning the Turkey Trot, a pre-Thanksgiving celebration, the best yet. Fun and surprises await one and all. Who knows--you may find a turkey here and there. Village Squares

The September Open House was a great night for dancing! Jerry Carmen introduced our enthusiastic guests to the fun and camaraderie of square dancing. Now, Jerry and Will Herzog are showing our eager Mainstream class how to slip their clutches and do-si their does. Class starts at 7:00, before the regular club dance, every Wednesday and there is still time to join. Call Bev Ruta, 671-9607 for more information.

We hope everyone will join us Nov. 17 when, led by Jerry Carmen and Bill Saintey, we will dance the "grim" out of Pilgrim. As a special treat, Village Square's unsurpassed bakers will whip up a plethora of pumpkin pies. It is also rumored that several turkeys will be finding a new home with some lucky dancers that evening. (And no, we don't mean Jerry, Bill or Will.)

Bill Winslow welcomed Nancy & Don Serra and Jackie & Royce Rogers into the club. We hope that they will enjoy dancing with us as much as we are enjoying getting acquainted with them.

Let's all square 'em up and promenade off those Thanksgiving calories!

Circu-8-tors

The dancing season is now in full swing and with that the Circu-8-tors are moving back to Rochester for our winter season. Our next dance is on November 21st at Covenant United Methodist Church, Culver and Parsells. This is the second open house for this year. Non-members are admitted gratis just to try us out. Chip Kellogg will call and Dottie and Jerry Reed will cue.

Our last dance was at Penn Yan Grange Hall on October 17th. This was also an open house. Many enjoyed the calling of Jerry Carmen and the cuing of Betty Carmen.

The Board of Directors are discussing the trip for next year. All members, please let us know which of the suggested trips that interest you so that we can make a decision which trip the largest number of you want. The Board will have to make a decision soon so that they can check with tour companies and get a trip set up. For non-members, if you join the Circu-8-tors, you too can take part in our annual trip.

Dancing Shadows

Dancing Shadows is an Easy Intermediate Level Round Dance Club and meets every Monday evening at the United Methodist Church, 570 Old Ridge Road, West Webster. (See schedule in back for specific dates.)

We dance from 8:00-10:30pm at the Phase II-III level with Phase III level teaches. We would love to have you join us for an evening of fun, relaxing dancing.

We are enjoying being able to "brush up" on our Phase III figures through current teaches after learning some of those figures over the past year in our recently completed Phase III workshop. In an effort to keep up on our Phase II skills, we still have plenty of time to dance at that level as well.

Don't forget our Saturday Night Round Dance Party on Saturday, November 20 from 8:00-11:00pm right here at the United Methodist Church of West Webster (See separate ad for special dances combined with information on club schedules). These dances are all levels and very relaxed with dimmed lights and plenty of time to socialize.

Our Holiday Round Up Dinner Dance is being planned for the first Sunday in December, so mark your calendars now for December 5 from 2-10 PM at the Redmen's Party House on Lexington Ave. This will be a relaxed level of dancing with teaches at the Phase II and Phase III level, and an excellent buffet dinner.

Friendship Squares of Geneva

Stan Burdick, "the Meandering Man", former owner/editor of American Square Dance magazine, will be the featured caller at our annual fall Sunday afternoon dance, to be held Nov. 7 at DeSales High School on Pulteney Street. Dale & Linda Carnegie of Elmira will cue half an hour of rounds starting at 1:30, followed by alternating rounds and squares from 2 to 5. Did you know Burdick is a cartoonist & stamp collector as well as a teacher of new or inexperienced callers? Hope you will join us for a fun afternoon and plan to have dinner in Geneva afterward at a local restaurant with us. See the map in our ad this month.

On Nov. 19, we are planning a Class/Club dance and fashion show by the Carriage House of Auburn, and your classes are urged to attend and learn to visit other clubs. There is a possibility of a change of plans, so you might want to phone first. We are certainly hoping to carry through with a class this fall.

Our weekend in Watkins Glen was blessed with pleasant weather--120 couples from 35 different clubs, and great calling and cuing by Red Bates, Dick Schweitzer, and Bob & Nora Slomcenski. Most of all, there was a lot of smooth and lively good dancing! Next year we look forward to the calling of Bill Harrison, who has been featured at numerous well-known festivals.

Genesee Dancers

Genesee Dancers is proud of the nifty visitors that come through our portals on dance night and have a good time with our outgoing and fun-loving rounders and squarers. On "Halloweenie Night" one visitor asked a group, "why is it they bury square dancers 15 feet?" Answer: "they are good down deep." It might have been the Halloween influence 'cause some folks wore pretty scary masks--like Chuck Clause who kept insisting that he only takes his mask off at Halloween. The chairpersons, Gin & Mase Fitch assured us it's perfect--it's the "Phantom of the Opera syndrome."

October saw the start of the square dancer re-tread operation. Some fine former regular dancers showed up and the intrepid Mike Callahan will convert them into knowledgeable, happy dancers ready for action at any club. It's not too late if you know someone who would like to get back into the swim.

November brings good news and bad. The bad news is we lose a day of dancing--Thanksgiving Day. The good news is the "Turkey Trot" dance will be held on Nov. 11th. They say there might be a flock of turkeys flapping around the dance floor as a challenge to caller Mike and cuer Bob. Who knows--maybe their dancing will be better than ours. See you at Genesee Dancers.

Stardusters

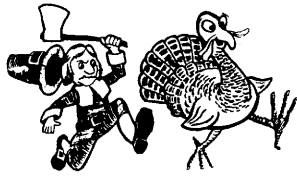

We will be dancing every Tuesday in November including the one before Thanksgiving. If we dance every single dance every Tuesday, do you think we could work off a pound or two before the big feast?

Just when we think we've been exposed to (notice I didn't say learned) all the rhythms there are, along comes another. Last month Bob taught an interesting one new to most of us, "Slow Two-Step"---it's all foxtrot timing. (And you think you're confused!)

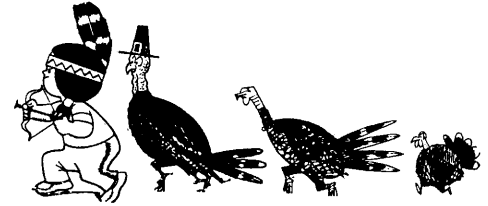

A happy Thanksgiving to all. May you all get the wishbone and may all of your wishes come true.
