This-n-That from the Editor's Desk

Goodbye to 1993 and welcome to February 1994. This is the month of sweethearts, valentines, and red and white outfits to wear at special Valentine Day dances.

A big THANK YOU from the Promenader staff to all the reporters who so diligently sent in their club news in 1993 and are now retiring. Those reporters who continue to write for their clubs are to be congratulated, and keep up the good work! A big welcome to the new reporters just "coming on board".

The Promenader encourages readers and reporters to read and use the new Simplified Key listed in the schedule in the back of this issue. It has been suggested that a code be used for clubs using the Texas Two Step and All Singing Calls. The round dance community has requested a key for round dance clubs to use, denoting the phases they use—you will find that added to the schedule also.

This editorial staff has been solvent for almost three years now and has decided to take a respite. Our tour of duty will end with the October 1994 issue and the Federation and the Promenader need a replacement. Please give it serious consideration—no editors, no Promenader. If interested, just give us a call and we will fill you in on all the info. It is a very rewarding and fun volunteer job.

The Officers of the Federation want to thank all who participated in the

flood relief project. The clubs were able to raise \$1,000, which was presented to the representatives of the Salvation Army at our November Federation meeting. Channel 13 and the newspapers covered the story.

The Federation and Caller Co-op had a meeting for club officers on November 14. It was attended by officers from 21 clubs. Thank you for coming!

The classes are well under way and the attendance report is good. Dance-O-Rama is a great way to introduce the new graduates to "The Wonderful World of Square Dancing"!

The Chairman of Dance-O-Rama '94 has had to resign and the Federation will be coordinating Dance-O-Rama this year. The Federation Officers will be asking your help in all parts of DOR. Please consider participating to make this a successful dance.

Here is a plan for a square dance skirt that doesn't need a pattern. It's the four tier skirt, flattering to everyone and depending on your choice of material and colors, very different each time it is made. It is especially attractive using four shades of one color, with the lightest at the top and the darkest at the hem.

These instructions are for 45" material and use 1/2" seam allowances.

For the bottom tier (#1) you will need 1 and 7/8 yards. Cut seven 9" x 45" strips. Sew the strips together into one long strip. Sew 1/2" hem at bottom edge and gather the top edge by zig-zagging over a cord.

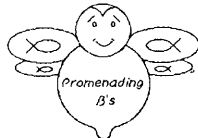

For the next tier (#2) you will need 1 and 1/8 yards. Cut five 7" x 45" strips. Sew them together into a long strip and attach to the bottom tier, pulling up the gathers in the bottom tier to fit. Gather the unattached edge.

For the next tier (#3) you will need 5/8 yard. Cut three and a half 6" x 45" strips. Sew them together into one long strip and attach to tier #2, pulling up gathers to fit. Gather the unattached edge.

For the last tier (#4) you will need 3/8 yard. Cut two 5" x 45" strips. Sew them together into a long strip and attach to tier #3, pulling up gathers to fit. Gather the top edge. Sew the open side seam together and attach an elastic casing waistband. You'll find positioning the gathers will go much easier if you quarter or eighth each long strip, top and bottom, and distribute the gathers between the marks.

This will give you a 23" skirt. If you need a different length, add or subtract from each tier, not just from the bottom.

The North wind may blow and we may have snow but inside the HIVE the Promenading B's are keeping cozy and warm.

There are no icicles on the line dancers as Bob Schlenker puts them through their paces. The lines look great as they "heel and toe, slide and turn". How graceful!

February makes us think of "hearts and flowers" so why not attend our Valentine Dance on February 11? Treat your sweetheart to an evening of dancing—who knows what those B's will do at such a romantic affair!

Make plans to attend our Black Light Dance on Saturday March 26 at the Churchville-Chili High School. Bob Schlenker will be calling and Bill Saintey cuing. If you've never attended our Black Light Dance it is a REAL experience. Just be sure to wear some white, pink, yellow, or light green and find out what happens when the lights go out!

PROMENADER: Needs new Editors beginning with the November 1994 issue. If interested, contact Jerry & Joan Sanford at 225-7246. Much work but many rewards.

Thank you to all members who helped to make our 1994 Blizzard Ball a success. We also appreciate all the goodies you provided. Our caller Mike Callahan and cuer Brian Adams kept the evening lively for all. Thanks fellas.

In January our new officers began their work on the executive board. They are: Co-Presidents: Bob & Elaine Stirk and Bob & Shirley Atwell; Vice-President: Skeeter VanMarter and Mary Marone; Secretary: Ginny & Bill Stephenson; Treasurer: Jim & Sally Lee; Refreshments: Jean Gifford & Frank Puff, Bob & Dorothy Woodams. Our Junior Federation representatives are Mike & Pat Henderson, who join our other representatives, Don & Shirley Dickerson. We appreciate each of you giving your time to help the club run effectively through the coming year.

Please take note that our February schedule has a location change. We will dance at the Village Elementary School on February 18 and at the Henry Street Community Center on February 25 due to school vacation. Also there is a class-only dance on February 4, so that will make our Valentine Dance the 11th. Be sure to be there and keep your heart healthy and happy by dancing.

Looking forward to seeing you on the dance floor,

Break out and iron the old red shirts once again, it's that time of year to take your sweetheart to a square dance.

Your reporters are off to Florida, soaking up some sun for three months and having some much needed R & R. Check the dance schedule in the back of the Promenader. Marje Aude will be mailing that in for us.

Glad to hear Ernestine is improving. She'll probably be back dancing by the time you read this.

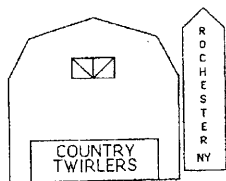

Our class graduated, completing all the A1 and A2 figures. They are now dancing with the club and are doing just great.

We hope you all had a wonderful holiday season. Our Christmas dance was a great success, as was our Golden Oldies night, with all eras of dress from the 40's through the 60's. Fun was had by all.

Now that it's 1994, we're looking forward to our annual class-club dance on February 12th. Bring your valentine and meet some of our new dancers. Les Bradt will be calling with Brian Adams, cuing.

What better way to chase away the winter blahs than to spend an evening with Tim Crawford. Set aside February 26th for a great night of dancing.

Come visit "The Four Leaf Clovers", the children's square dance group, any Friday evening from 7:00 to 9:00 at West Ridge Elementary School on Chesterton Rd. in Greece. Bring your children to watch and encourage their interest. We presently have about 30 children participating.

Coming up in March: Dave Hutchinson--March 3rd. Mark your calendar now for a very special evening. See you then.

CHEF'S CORNER

Well, here we are facing a new year. I hope you all had a happy holiday season and I want to wish you all a very Happy New Year. Here is an easy one pan dish that is quick to prepare and is good for those cold winter nights.

BEEF-ZUCCHINI DINNER

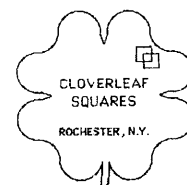

- 1 medium chopped onion 1/4 cup water
- 2 tbsp. butter/margarine 1 tsp. salt
- 1 lb. lean ground beef 1/2 tsp. pepper
- 1-11 oz. can cream of tomato soup
- 1 medium zucchini
- 1 large halved tomato

In large skillet, melt butter/margarine. Add onion; saute until soft. Add beef and brown. Stir to break up large pieces. Drain fat. Stir in soup, water, salt/pepper. Slice zucchini and tomato. Stir into meat mixture. Cover and simmer for 30 minutes. Serve with warm Italian or French bread.

NOTE: May be multiplied one to three times to ensure generous servings. If desired, you may add some chopped tomatoes to add body. Enjoy!

Chef Z.

Since the last writing, the holidays have come and gone and we are well into 1994. I hope your holidays were all merry and bright as well as safe.

During the month of December 1993, we had two great events occur—our Christmas Class/Club Dance and our New Year's Eve Party. We all had a wonderful time eating and dancing at our Christmas Class/Club Party on December 12th at the Green Lantern Party House. We had a wonderful buffet dinner, followed by squares and rounds from 8:00-10:00pm. Mike Callahan and Bill Saintey did a wonderful job as usual, providing great Christmas dancing! And, on December 31st we hosted the annual New Year's Eve Bash, with Jerry and Betty Carmen doing a great job calling and cuing. All had a wonderful time eating and dancing and bringing the New Year in!

On January 29th our first social event of the year, we enjoyed a fun-filled night of bowling at North Park Lanes in Rochester, ending the evening with a yummy pizza party! A great time was had by all!

Looking ahead, we'll have our Class/Club Valentine's Dance on February 13th. Get your red and white outfits ready for an evening of fun, dancing and lots of yellow rocks! Oh yeah!

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events.

LETTER TO THE EDITOR:

Many club members have expressed very positive comments on the "new" *Promenader* look. It is much easier to read and is very professional in appearance and layout. Congratulations to all who played a role in achieving this milestone!

Web-Spinners Square Dance Club

Petticoat need refreshing? Meet "Chocolate Chip", owned by our own "Thread the Needle" editor, Pat Flynt.

HERE IS THE LATEST FROM THE ROVING REPORTER:

Now that the Super Bowl of NFL Football is behind us and husbands are getting down to painting, wallpapering, and other more constructive activities for Sunday afternoons, this reporter would like to call your attention to a much-overlooked sports event which occurred recently. This event, taking place at the domed arena in Batavia NY, was the Superbowl of Full Contact Square Dancing: a competition of sports magnitude, pitting the Rochester Ramblers against the Buffalo Bombers. Rochester emerged victorious in this hard-fought match, and ace sports reporter Bill Matthews interviewed Bonecrusher Boone of the Rochester team as he left the field with his jubilant Rambler teammates:

Matthews: Bonecrusher, how does it feel to win over such great dancing competition?

BC: Great, Bill! I knew we had them when we called a crossfire on third and long. They were looking for a pass and my partner went past them like a flash and scored!

Matthews: Did you call your own plays?

BC: Not all, that's why we have great callers, I mean, coaches. They tell us from the sidelines what to do, we never know whether it will be a slide thru, a teacup chain, or a chain down the line.

Matthews: What do you feel were your greatest assets?

BC: Well, having a square that can execute a play and not break down was a big help. Our defense has been working with our offense better every week and I think they all deserve a game dangle for their effort today. My partner never even got mud on her crinolines. That's good defense.

Matthews: What about next year, Crusher?

BC: We think next year will be great for the draft - this year's class has some great potential. We need help at the side's position as our first string side went down after trying Relay the Deucey and was hit hard for no gain!

Matthews: Well, Bonecrusher, it was great talking to you, what next for your team?

They all yelled, "WE'RE GOING TO DISNEY WORLD!!!"

CALLERLAB PROGRAM CHANGES

Effective 12/10/93 the following changes will take place in the dance programs taught by Callerlab member:

BASIC/MAINTREAM

- Partner Tag -Moved to Plus Program
- Cross Trail Thru -Deleted from Program
- Left Turn Thru -Deleted from Program

PLUS PROGRAM

- Partner Tag -Moved from Basic Mainstream
- Acey Deucey* -Added to Plus Program
- Cut the Diamond* -Added to Program
- Triple Trade -Deleted from Plus Program

*Quarterly calls in 1993 - will be reviewed and taught by CCR Callers in the coming months.

And so, another holiday season is past. The caller got new shirts, the taw got a new disposal, and the children... well, they just got spoiled, as usual. But, a joyous time was had by all. We at Shooting Stars hope that Santa was good to all and that every wish was made to come true.

Now, for the cold part of the year. Where better to warm up than at a square dance? Shooting Stars is planning some special dances for the rest of the year, but can't divulge any details yet. Just keep watching! For now, come and join us any Tuesday night, as long as the snowplows are out. If the snow elves are at their worst, keep an ear open to WBEE and WHAM for news.

As you read this, the Flood Relief Dance has come and gone. Congrats to our own Mike Herne and to Bud Hands for their great planning of this dance. It seemed that everyone enjoyed themselves and good funds were raised for the folks in the Midwest. This is the time of year when they will really need the help. Thanks to all of you who participated, and a special thanks to all the callers who donated their time and talents to this.

Don't forget all the class/club activities upcoming. Get out and support our future. Even if, like us, your club has no class members this year, let's try to encourage those who do. With the change in DOR chairman, you may be asked to do a bit extra this year. If you possibly can, try to, so that we can continue to enjoy that annual gathering at Churchville Chili High School.

We look forward to seeing many of you at upcoming dances. Until then, stay warm and keep the dust off your shoes.

Roses are red, Violets are Blue. I'm going square dancing. What about you? Our Valentine Dance will be held at the same location as the Christmas Dance, at the Penfield High School, 26 High School Drive, off Five Mile Line Rd. between 441 (Penfield Rd.) and Whalen Rd., Penfield, NY. There will be Paw Prints again on poles to mark the way, a well as the usual sign. Mike Callahan will be calling. The donation is \$8.00, and the time is 8:00pm. The class members are invited.

Our Christmas Dance was well attended, with 108 dancers twirling to Mike Callahan's calling. The Copy Kittens did very well, as well as class members from all the clubs. They all joined in with the fun. Our class is doing very well. They had a Christmas party at their teacher, Chip Kellogg's, home. But we're back to the lessons Jan. 4.

The holiday season can well be described by Genesee Dancers as active, hectic, inspirational, and fun. The Holiday Dinner-Dance, hosted by the mostest, the Clauses and the Rusters, was held at the Green Lantern. There was the usual hearty victuals and holiday ambiance followed by Santa's helpers: Caller Mike and Cuer Bob. And if that wasn't enough, The Genesee Troubadours Musical Group, led by maestro Ken Scarciotta, showed off their talents by performing a Christmas musical interlude for the admiring multitude. An additional selfless touch was added by a gathering of gifts from the celebrants to be taken to the Hillside Home to add to the childrens' holiday cheer.

If that weren't enough festivity for one season, the Schlesings led the charge over to the Web Spinners habitat for the now traditional safe and sane New Year's Eve bash. 'Twas memorable.

The new year always brings that feeling of transition: out with the old and in with the new. We are grateful to those unusually fine individuals who preceded us and made possible all of those good things that we enjoy week after week.

February is the time of year that reminds us of that Valentine love-connection. Genesee Dancers will celebrate with the usual gourmet pot-luck dinner-dance. So plan on it for Feb. 10th. It'll be lovely.

And so let us welcome our new officers: Pres. Donna & Nick Hober; Vice-Pres. Judy & Bob Berray; Secr. Dorothy & Jim Scheible; Treas. Erma & Jack Bowdey; and Program Coordinators Marguerite & Mike Gross. We all wish them the very best in their effort to "Keep Us Dancing."

The White Elephant Sales in December, both Monday and Wednesday, were great fun. Many unusual items and really nice things were donated. The class enjoyed the fun aspects of club party night. Thanks to Karen & Eric Mansfield for promoting theme dances every month. Also thanks to Karen Mansfield and Judy Rockafellow for the interesting newsletter each month. The class got its first taste of Monday-night club dancing at our second annual Super Bowl event in January. They will be invited to dance with the club again on February 21st, when we have the Sweetheart Dance. This will be a Pot Luck Supper at the Wesley Methodist Church on Dewey Ave. They will find out that we can cook as well as dance.

We thank the outgoing officers: Eric & Karen Mansfield, Ellen & Jerry Linger, Joan & Ed DeTamble, Judy & Duane Rockafellow, Jane & Stu Jones, Rose & Chuck Thiele, and Sally Foes for a job well done.

Our new Board of Directors for 1994 are: President-Stan & Jean Mattern, Vice-Presidents-Dick & Mary Stroh Secretary-John & Jane Oakley, Treasurer-Joe & Nancy Elko, Social Director-Sam & Mary Tripi, Jesse & Ethel Sarafin, and Promenader reporters-Stu & Jane Jones. **HAPPY NEW YEAR!**

The holidays are over and winter is in full swing. What a better way to brighten your mood than to go square dancing.

Come to the Circul-8-tors' next dance which is on February 20, 1994. It will be at Covenant United Methodist Church with

Jerry Carmen as the caller and Betty Carmen as the cuer. This is our annual pot luck supper. So bring your favorite pot luck dish and enjoy other peoples. We always bring our best dishes to pot luck suppers. At this dance, we will also have more information about our annual trip. We will be going to the Canadian Maritime Provinces this year. This will be a combination of travel by motor coach, train and ferry.

Thanks to everyone who brought gifts for Hillside Children' Center at our Christmas Party. The children and their parents enjoyed them very much.

We hope that you are all feeling well and will see you at the February 20th dance and if not, then at other clubs or our next dance on March 20th.

The Caller Co-Op of Rochester meets once a month during the dancing season. One of the objectives is to promote uniformity in teaching area classes and to help new callers in the developmental process. There is always a discussion or training program planned for each meeting. At the October meeting for example, the topic of discussion was "WHAT DOES GOOD SQUARE DANCING MEAN TO YOU?"

Some of the responses were:

- 1) To dance smoothly
- 2) Execute calls well
- 3) Help weak dancers
- 4) Fun & Fellowship
- 5) Good timing
- 6) Good styling
- 7) To be challenged
- 8) Callers and dancers working together as a team
- 9) Happy faces
- 10) Variety of calls
- 11) Good choreography
- 12) Do not want to dance to a predictable caller

What about a rowdy floor? Do callers like an enthusiastic group of dancers? You betcha! It demonstrates to the callers, dancers and outsiders alike that the dancers are enjoying themselves. Perhaps a little enthusiasm would entice new prospective dancers to want to join in on the fun. *What does good dancing mean to you?*

Stardusters

The workshops for quick brush-ups on dances are well attended and will continue to be held on the second Tuesday of every month from 7:30 to 8:00pm. This month's review will be on the 8th.

For those who may not have been able to be with us last month, Bob and Nora cued us through a Phase III waltz, titled "For a Little While" and taught a Phase V jive titled, "Make Love to Me"--both of which they choreographed. We hope to see these dances on the program at festivals this year. Then, who knows, maybe the classics list?

Know who was the least popular dancer ever?---Sally Rand. (She only had two fans.)

Tel-O-Mark Rounds is a High Intermediate/Advanced level Round Dance Club which meets every Wednesday evening from 8:30-10:30pm at the West Webster United Methodist Church, 570 Old Ridge Road, West Webster. The purpose of the club is to learn the current and classic higher level dances which are danced at advanced weekends and festivals throughout the United States and Canada.

For one hour each Wednesday from 7:30-8:30pm, Mark and Marlene have been working with couples interested in reinforcing the higher level skills needed to dance at the high intermediate level. Couples interested in learning or polishing their Phase IV and V level dance skill in a variety of rhythms are cordially invited to attend.

There will not be a Saturday Night Round Dance Party in February. The next one will be held on March 19 at the West Webster United Methodist Church from 8:00-11:00pm. This is an all level dance---Phases II-VI. It is an enjoyable evening for all and give Round Dancers an opportunity to practice their steps and enjoy the camaraderie of the Round Dance Community. A darkened room with a sparkling globe adds to the fun and hides any mistakes. All round dancers are welcome.

ROUND TOWNERS

Round Towners is an Intermediate level Round Dance Club dancing Phase III and IV, with teaches at Phase IV. We meet every Sunday evening at the Covenant United Methodist Church, 1124 Culver Road, Rochester from 8:00-10:30pm (See schedule in back for specific dates.)

We enjoyed hearing all about Betty and Everett Herman's wonderful cruise over the holidays. They were gone for 13 days and had a great time. We're all jealous, but glad to have them back with us. Al Mancini is feeling much better after his gall bladder surgery just before the holidays and is hoping for some "remedial" lessons after missing several weeks of dancing.

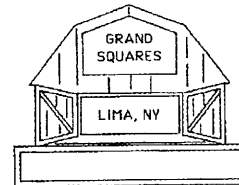

Marlene and Mark will be spending some time in Florida this month, so we'll only be dancing two Sundays out of four.

There is no Saturday Night Round Dance Party during February. The next one will be on Saturday, March 19 from 8:00-11:00pm at the United Methodist Church of West Webster, 570 Old Ridge Road. Our Christmas dance was enjoyed by all, both class and club members alike. If we weren't before, the singing calls and decorations put us in the holiday spirit. That night five boxes of food and

paper products were brought and donated to the Lima Food Pantry. Two weeks later we rang in the New Year--at our New Years Eve dance, and made sure to keep dancing to ward off the blustery, winter chill outside.

After all the holiday parties and celebrations, we're counting our calories, and enjoying the exercise of square and round dancing. In February, we'll have just two regular class and club dances on the 4th and 25th. Class will be from 7-8:30pm and the club dance from 8:30-10:30pm.

Ron Brown will be the guest caller at our Valentine's Dance on Friday, February 11th. This is a class/club dance from 8:00-10:30pm.

February 18th is a travel night, when members can travel to another club. On March 4th, we'll have the regular class and club time schedule, with a Pizza Party planned for the club.

Beat the "Winter Doldrums" and join us at Lima Grand Squares any Friday night. We always have a great time with Gary Bubel calling and Alice Bubel cuing.

"Here Comes Santa Clause" is just a fleeting memory as we catch a hint of Spring fast approaching around the next corner. Spring quickly slips into summer and our Summer Week-end on August 5-6-7. We are pleased to announce our callers and cuers, Johnny Preston, Phil Eno, Jerry Carmen, Bill and Gerri Saintey, and the Hip Boot Boys. Watch for flyers.

Our door is always open. Please come and visit us any time at the Sennett Fire Hall. Here are my New Years Resolutions to be a better dancer:

1. Smile and you shall receive a smile.
2. Don't blame others for a square breaking down.
3. Praise how well a new member is doing.
4. Support your club in all ways.
5. Remember everyone has an off day.
6. Don't just sit--get up and help finish the square.
7. Be patient.
8. Be friendly.
9. SMILE AND YOU SHALL RECEIVE A SMILE.

You know all those red dresses and shirts you put away right after Christmas? Well, by the time you read this, it will be almost time to get them back out, or maybe some pink outfits, for Valentine's Day dances! They do serve to brighten up the cold grey winter days.

Geneva has a Class/Club Heart Dance Friday, Feb. 18, for which you can also wear your Valentine outfits. The American Heart Association will benefit from this dance, so bring all your class members for a great time. Dick Schweitzer will call and can "workshop" any little problems that may pop up so your class will have a good experience dancing to a different caller and with new dancers from other clubs. Bill and Joan Newman will cue the rounds. There will be finger foods of course.

We dance from 8 to 10:30 at the West St. School in Geneva. From routes 5 and 20, look for West St. near Friendly's and Arby's. Take West St. north several blocks past two stop signs. We do hope to see a big crowd of dancers and raise big bucks for the Heart Association.

CIRCLE DANCERS OF GREECE

Are you glad the holidays are finally over? If you're like most, yes. Now we can get back to normal, whatever that is. We at the Circle Dancers hope yours were joyful and peaceful.

Do you ever wish you could get up and dance at a party, wedding, etc? We think we can help. We round dance every Thursday afternoon in the large multi room at the Westridge Senior Center, 300 Chesterton Rd. from 3:00 until 5:00pm. We dance all rhythms--cha cha, waltz, 2-step, foxtrot, rumba, and we are just about finished with basic jive. Give us a try--just because we dance at a Senior Center, we welcome all. That's right--married, single, young, old, male, female. You work swing shift, give us a try. Oh well, we hope to see you at our club real soon. I'm sure you'll be welcome with wide open arms, fun and frolic.

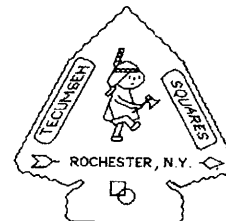

Gents, we could use you for some very nice dancing ladies. They will make you feel real glad you came and hope you will return to dance with us. Anything you learn with us, you can use on a regular ballroom floor. Why, I'll even teach you how to lead--at least I'll try.

The Circle Dancers of Greece hope to see you really soon and who knows "Try it, you may like it."

By the time this issue goes to press, we will have had our New Year's Eve Dinner Dance. From seeing the planning taking shape, this probably will have been another success. Again, please mark your calendars for Jan. 21 for our Tim Crawford dance. Oops! Running out of space! Here's hoping that 1994 will be a great Square Dancing Year for all.

Those Kuntry Kuzzins did it again. The Sadie Hawkins Dance was the "funnest" I've ever been to. Tears of laughter flowed all evening. When is the last time you tried to do rounds while the unmentionable, off the clothesline, is dancing around on the head that caught it? (Never missed a step.) The menus hanging on the wall, critters on the floor and other super decorations added to the ambiance. They must have had as much fun creating everything as we had dancing through and around it. And the costumes--I'd have to write a book to include everyone. That gentleman caller, Bob Ellis and fun loving wife, Nancy joined right in, coming in costume, to make it a most memorable evening.

Bruce Shaw and Bill Saintey did a bang-up job at our "Welcome '94" dance. Bruce always calls a different dance. Look for him teamed up with Mark Thone at our St. Patrick's Dance March 12.

Fun loving Dick Schweitzer is calling for our Valentines Dance Feb. 12 with George Burch doing the cuing. Dick loves some of those old-old calls. Gary and Alice Bubel are doing the honors at the Presidents' Birthday Dance Feb. 26.

Our East Meets West dance was a tremendous success--THANK YOU to all the wonderful dancers who ventured out in the typical January weather. We are looking forward to seeing you at our SWEETHEART'S DANCE on--you guessed it--Feb. 14. We hope you'll come out to celebrate this special occasion. We will have some special things for you to take home at this dance. We will definitely try to put a lot of "heart" into the dance (or at least into the decorations!). Valentine's Day has gotten to be rather commercial--please come and see if we can recapture the original meaning of the day.

Lilac Squares

We are also looking forward to having a bake sale on Feb. 28; we would love to tempt you with fresh home-baked goodies, pizza, etc.

On Feb. 7 and on Feb. 21, Lilac Squares will be enjoying a caller that we feel is extremely special. A caller that we look forward to having at our club. We are proud to welcome Jerry Carmen. As many of you know, he is a lot of fun. We hope to see you. Stay dry, stay warm, stay healthy.

February can be cold and blustery but if you join us on Monday afternoons from 1-3pm, we promise you a warm welcome and a good time. On the 14th we will have a Sweetheart Dance with sweets and punch.

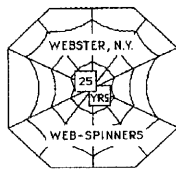

We were saddened by the passing of our treasurer, Phil Colaprete--we miss him very much. He was not only a competent officer of our club but he kept a large spoon and a bottle of Geritol at our dances and threatened us with a large dose if we weren't perky enough. We are grateful to Lena Schumacher for filling in as treasurer.

Lottie Schiemann had recent surgery. We hope she will soon be dancing again.

With the holiday behind us and good thoughts of our annual Beginners Ball still lingering, we now proceed into another month of fun dancing.

February starts out on the 4th with a Mystery Dance. At this point, it is so much of a mystery that words are not available to describe it. Stay tuned for further information on this event. These have been fun in the past. Make sure you have enough fuel in your car!

On February 11, the Hermans will be hosting our annual Valentines dance with many round dancers joining us again this year. Jerry Carmen will be our honored guest caller for the evening and Bill Saintey will provide the round dance community with enjoyment.

The following week another nice dance honoring G. Washington's birthday is planned. The Johnstons are dance co-ordinators and, as in the past, many delicious cherry desserts will occupy your time when you are not dancing--or is it the other way around? What, you can't dance because you ate too much? This event is intended for all class and club members, so come one, come all and "cherry chop" with the Web-Spinners. Mike Herne will provide the dancing leadership for this evening.

Finally, the Web-Spinners would like to compliment the *Promenader* for their efforts to make a good publication even better. Many club members have commented very favorably on the new format. Maybe this publication can be a model for others to follow?

If you don't want to spend all your evenings outside making snowmen, come inside and spend Monday's with us. Dancing and enjoying friends makes for a great winter's evening of fun and music. La Ronde is an Intermediate level Round Dance Club, including all rhythms at Phase III, IV & V. Except for the 7th of this month, we dance every Monday night from 8:00-10:00pm with an early workshop from 7:30-8:00pm to go over a figure or two that's giving some trouble.

Village Squares will once again be swinging their sweethearts at the Green Lantern Inn on February 9, when the club and class join for the Valentine Dinner Dance. Dinner is scheduled for 6:30 and Cupid Jerry Carmen will be squaring us up at 8:00. Bill Saintey, another child of Venus, will challenge our increasingly enthusiastic round dancers.

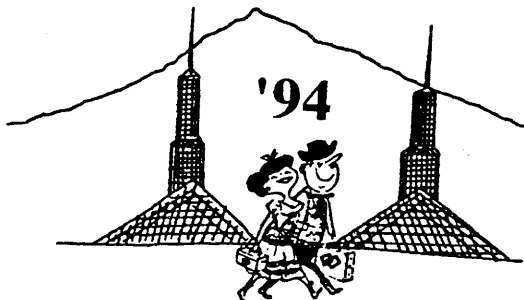

We were delighted to start the New Year by welcoming new members Sybil and Fred Northrup and Joan and Mel Christman. On these chilly Wednesday nights, we invite everyone to join us as we dance away the mid-winter blahs together.

If you live anywhere but Rochester, February means that March and Spring aren't far away. So enjoy the winter winds from inside on the dance floor with us on Thursday evenings. We have a dance program for everyone.

We've moved! If you missed us during the last two months, it might have been because we have changed dance locations. We are still dancing to our regular alternating Thursday/Friday night schedule, but are now located in Williamson instead of Marion. On Thursday nights you can find us squaring up at the Williamson Primary School Cafeteria from 8:00 to 10:15pm. On Friday nights, we will be whirling away right next door at the Williamson Middle School Gymnasium from 8:00 to 10:15pm. Now that you know where to find us again, we hope to see you at our upcoming dances.

Well, it's almost St. Valentine's Day! Even though it is still frigid outside, pleasant thoughts of your sweetie should help warm you from the inside out! On Friday, February 11 we will be hosting our Valentine's Day Dance at the Williamson Middle School gymnasium. Bob Ellis will be challenging us through Plus level dances starting at 8:00pm. So, if you're in the area, grab your favorite valentine and swing on over for a fun-filled evening of dancing.

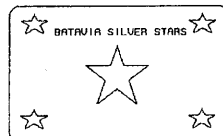

On Thursday, February 17, the Wayne Westerners will be holding their first class-club dance. Our class is doing excellent again this year and we are really looking forward to the opportunity to square up with the newest members of our square dancing family.

It's time to mark your calendar for our Second Annual Yellow Rock for Charity Dance. This year's dance will be held in loving memory of our long-time club member and friend, Frank Lewis. This special March 11 dance will feature Gary Pruyne calling the squares, while Judy Doane will be circling us through the rounds. So, remember to mark your calendars now and watch for complete details in next month's *Promenader*.

The *Promenader* regrets that three club news listed below missed the deadline (January 3, 1994) and therefore missed being listed in the schedule. Club news cannot be mailed on the 4th of the month and expect to be on the editors' desk by the 3rd.

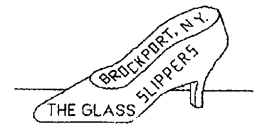

The dancers at Batavia Silver Stars all had a great holiday. We would like to say thank you to all our guests who came to our Christmas party, Dec. 20th and our T-Shirt Night on Jan. 10th.

We are looking forward to our Valentine Party on February 14th at the BOCES building. Everyone is very excited about our 5th annual Leprechaun Twirl which will be held on March 19th, 1994 at the John Kennedy School on Vine St. in Batavia from 7:30-10:30pm. All class and club members are invited to join us for a really fun evening with Bob Meagher as caller and Nancy Fincher as cuer.

Happy Holidays to all of you from all of the members of the Glass Slippers. We finally made it thru January 1994. I hope your Christmas and New Year was a safe and happy one. We had a good turnout for our Christmas Pot Luck Dinner in December. The best we have had in a long time. Thanks to all who attended.

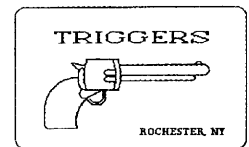

We also would like to thank everyone who made our Beach Party a great success again this year. It was a great time to be together. Our "New To You" dance in January was well attended and we picked up some good bargains.

Now to let you know what to look for in the coming months: February 9th will be our new "Balloon Dance" which is open to both class/club. We should have a good time. Another dance which is coming up is the "Purple Passion Dance" which will be on March 30th. This too is for class/club dancers.

Just a reminder! Keep the 16th of April open so you may attend our Ice Cream Social Dance. Come see our 20 foot sundae with all the trimmings. Yours in dancing,

Ah, February! This is the month dedicated to love and celebrated with special people--those we love best! Join us on Tues. Feb. 15 for the Triggers' After Valentine's Dance! We promise you special goodies and a fun time as always.

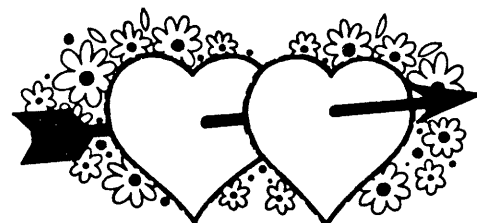

We will be dancing every Tuesday throughout the winter with the exception of Feb. 22nd when school is closed.

If you haven't heard, our caller, Bob Schlenker, has been teaching line dancing from 7:30-8:30pm prior to our regular square dancing, which runs from 8:30-10:00pm. This hour of fun has been well attended and thoroughly enjoyed by all. Join us and then stay on for square dancing at the English Village School.

It's time, once again, to mark your calendar for March 1st--preparations for our Annual Bunny Hop are once again being made. As a reminder, this is a class/club dance and is always fun. Bring your "bunny ears" and come prepared to have a really good time!
