FROM THE EDITORS:

We want to thank Shirley Barnum for checking into the correct spelling of Red Men Party House. Most of us were spelling it as one name "Redmen". She called and they gave her their way of wanting it spelled.

Please check out the Club's ads and don't forget to get your D. O. R. tickets from your Reps and make your dinner reservations A.S.A.P.

As a reminder, don't forget that we have deadlines to meet and as well as the club's reporters. Please check out the above "Deadlines" as to when information from the clubs need to be to us.

We certainly have had a different kind of winter this year. Let's hope Mother Nature does not make a habit of it.

We send our condolences to all out there who have lost a loved one recently. As of this writing, we have had two losses ourselves. Carl's brother passed away at 65 on Feb. 5th and our brother-in-law passed away at 55 on March 9th. Also, for those of us who are Country Music fans, the loss of Minnie Pearl saddens our hearts. Elaine and I had the privilege to meet and talk at different times to Minnie. It was just announced that George Burns just passed away. We just never know when our time here on earth will come to an end. It sure makes one appreciate the time that we do have.

This Easter season, take time to enjoy it.

We finally made the "BIG TIME"!
 Square Dancing is featured in the February issue (on the cover, nevertheless) of the Smithsonian Magazine. It's an eight page article complete with photos of square dancers in square-dancing clothing.

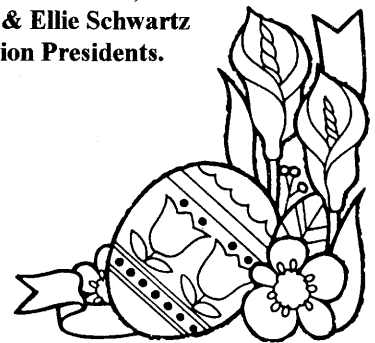

The author was surprised to find that the Do-Si-Do she had learned in school had developed into the Modern Square Dancing we do today. By the way, did you know that the term Do-Si-Do was taken from the french expression for back to back "dosa'dos"?

Square Dancing in this country started as a combination of Folk Dances from all over Europe. Today Modern Western Square Dancing is danced all over the world. Interesting though, all the calls are in English wherever you may be.

Bill Graham gave us articles on square dancing in Germany. The Germans are very strict on dress codes. Ellie and I danced in London, and yes, they were all in proper clothing.

Time is getting short, so be certain to get your D.O.R. tickets and Dinner Reservations before they are all gone!

See you on the floor,
 Manny & Ellie Schwartz

The chef has recently signed on to Compuserve, an interactive service and discovered their food forum. Almost spent the entire bonus time hunting new recipes for the column. Try this one. It's really tasty.

PORK CHOPS MARSALA

4 loin pork chops, 1/2" to 3/4" thick -- salt & pepper -- 1/2 tsp (or more) -- minced garlic -- 1/2 tsp crushed sage -- 1/2 tbs olive oil -- 1/2 cup water (or chicken bouillon) -- 1 1/2 tbs marsala wine -- 4 pineapple slices, sauteed in butter until hot -- 1/2 tsp flour -- 1/2 tbs water.

Season the chops to taste with salt & pepper; rub with sage and garlic. Heat oil in a large heavy skillet over medium heat until hot, but not smoking. Brown chops on both sides. Stir in water/bouillon and marsala, cover and simmer 30 to 40 minutes until chops are tender. Place sauteed pineapple slices on serving platter. Top each slice with a pork chop and keep warm. At this point you might want to add about 1/2 lb sliced Italian brown mushrooms to the pan; saute until tender. Blend flour and 1/2 tbs water and stir until smooth. Add to pan drippings and mushroom mix. Bring to boil and cook, stirring until thickened. Add more water or marsala to increase quantity of sauce. When thickened, spoon sauce over chops and serve immediately accompanied by your favorite vegetables. Enjoy!

How lucky are we? What other activity can boast, "we have friends world wide that do what we do!" What other activity can say, "I can call a complete stranger in a strange city and receive a warm hello and an invitation to a fun evening!" We have a great thing going, but we need to invite others to share and enjoy our activity. It's a known fact that our numbers are shrinking, we do not have the greatest of images but we have so much going for us that we must all become Square Dance Ambassadors, to our friends, co-workers, and strangers. I am not suggesting going door to door to recruit new dancers, but we must try different things to get the outside people interested in what we do.

We have a lot to offer, cruises, fun filled weekends, festivals, an inexpensive night of entertainment and a nationwide network of dancers, that at a phone call will invite you to dance with them. We all need to promote the activity of Square Dancing. Bring it out of the barn perception to what it really is, good exercise, thought provoking, and a way to forget your troubles for an evening.

So on your next shopping trip, visit with friends, relatives or when meeting new people, talk about what a great time you had Square Dancing and invite them out for a peek at what we do. Then start lining them up for the next open house. Its not too early to start! We all need to do something to get the numbers up. We have a well kept secret that the whole world needs to know about! If you have any ideas please share them with us. We all would like to hear from you and maybe use your idea.

Happy Dancing, we look forward to seeing you at DOR.

PETER & CHRIS LAWRENCE, Ottawa, Canada:

Peter & Chris met at dance class in England as teenagers. After marriage and raising a family in Canada, they returned to dancing, first square dancing in 1977 and then round dancing in 1978. They taught their first basics class in 1981 and were invited that same year to teach at their first convention in Rapid City, S. Dakota. They continue to teach, participate in conventions and workshops and write choreography in their spare time. They have operated clubs at all levels, up to Phase VI, but at present are concentrating on the areas they feel have the greatest need, basics up to Phase IV. Currently, Peter & Chris run two clubs in Ottawa at the Phase II to IV levels and plan to start a basics class in the near future. They enjoy teaching and dancing but spend time on other pastimes as well - Chris is a baseball fan and an avid reader while Peter builds and flies radio-controlled model aircraft. He recently retired from the Federal government but is now working out of his home as a consultant in the patent field. Chris is his business manager.

March kept us busier than ever, enjoying visiting callers Mike Herne and Dick Schweitzer, cuer Bill Saintey, and dancing with guests from other clubs. Thanks, folks for joining us. We saw a lot of green in March. The recycle dance went well, you'll see familiar outfits on different people.

A few class members from other clubs have been visiting our class for extra practice. It's nice to meet them. Same night as club, same place, 8 PM. Caller Bob Meagher is our instructor.

Silver Club books are available for those couples wanting to dance at 25 clubs. It's fun filling that book and earning your Silver Club dangle. You can use it at Dance-O-Rama to earn your dangle.

Our "Hitching Post & Just Resting Table" is beginning to work for dancers needing a partner or wanting to sit out a tip.

Dance-O-Rama flyers are on the pick-up-table. Roast beef dinner tickets must be ordered by mail with the coupon on the bottom of the flyer. Get your order in early as quantity is limited. For Dance tickets see Dorothy Woodams. They're cheaper if purchased in advance. Teens under 18 dance for free. This is the big dance of the year to welcome new graduates, and you don't want to miss it. Graduation for our class members is scheduled for April 26. This is a gala occasion for our club and plans are already under way.

We are considering 2 extra dances again this year, after the Trail End Dance and before school closes and the summer heat sets in. Save May 31 and June 7.

If you didn't make it to the Mid-Term Ball, you missed quite a dance. The colorful dancing attire and the great decorating transformed our dance hall into a Kaleidoscope of color.

Most of the time, there was 17-18 squares dancing up a storm to the challenging calls (for the club members-not the class) of Bruce Shaw. In all we had 31 couples from 10 area clubs and 41 Tecumseh couples; a great turnout to encourage all the new class members. Congratulations to Dave and Jan Strout, Dick and Trudy Rowe and their committee for the fine job.

The next Friday was our Sweetheart Valentine Dance. Surprise - Red was the most popular color. A good turnout for a not so great night, weatherwise. Some dances, Bruce has problems concentrating on his calling; seems as though Joanne Otterpohl has a way of interrupting his train of thought with her infectious laughter.

V. P. Zierle had some fancy footwork to do to replace cuers Bob Slomcenski and Linda Carnegie on two consecutive Friday nights. We hope that Bob's leg and Dale Carnegie's health are improving.

Join us, the Leprechauns and Stan Burdick for our St. Patrick's Dance on March 15. And don't forget that we do not dance on Good Friday, April 5th. See you on the dance floor.

It's that time of the year again for the men to take their turn doing the baking. April 13 they will be doing the dessert, and we will be having our annual Sway Around. Don't forget to bring your unwanted treasurers, and there will be an opportunity for people to take home a bargain. At this class/club dance, Ron Brown will be calling the squares

with a workshop beginning at 7:30 PM.

On April 27, Jerry Carmen will be our guest caller. There will also be a 7:30 PM workshop. After the dance, there will be nominations for board officers for the '96-'97 dance year.

Both of these dances will be at our regular location in East Rochester at the First Presbyterian Church, 109 East Ave. Please come and join us.

Stardusters

Come join us on the "green" at the West Webster Methodist

Church, where Bob always has an "Ace" up his sleeve. "Tee Time" is 8 PM. No "rough" dancing, or anything "out of bounds". There might even be a group stopping afterwards at the "19th hole"!

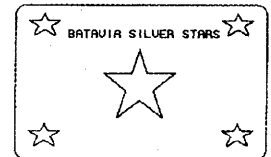

Oh, please note - there is no dance on the 9th - Bob and I are going to be in North Carolina playing golf for a week.

See you A Round.

Wow, what excitement at our Leprechaun Twirl, In spite of the competition, we had a tremendous, enthusiastic assemblage of dancers, who laughed, danced really well, and enjoyed each others company. Thank you all for attending our 8th Annual Leprechaun Twirl. See you all next year.

On April 8, we will be dancing at the Mall, however, this is our PIE NIGHT. We usually have enough pie for an army, so why not join us for a really fun dance and eats. I have ordered warmer weather for April, which will make it easier to get out to the dances. We are all looking to the annual Dance-O-Rama on May 4th, see you all there!

Spring will be very welcomed this year. It is always a toss-up whether to wish for warm weather, which makes the flowers come and go very quickly, or cooler weather so the flowers last for a long time. Either way we'll find something to be happy about.

Your Kuntry Kuzzins may have a surprise for the Champagne Whirlaways when they come to retrieve their banner at our March 30th dance. They will be greeted by their very own Gary Pruyne. It is a privilege to have him for our fifth Saturday dance. We're hoping that the Penn Yan Friendship Squares will decide to come get their banner too. Bob Slomcenski will be doing the cueing. Should be a real good dance.

Daffodils should be glorious by April 13 when we hold our Daffodil Dance. This dance will feature Dave Eno calling and Brian Adams cueing. Dave will be calling an A1 tip at 10:30.

Legs will be flying at our fourth Saturday dance April 27 when we square up to Bruce shaw. Bill Howard will be cueing the rounds. See ya there.

George Washington must have been a party animal because on his birthday we had a houseful. Village Squares and Cloverleaf Squares swelled our dance by eight couples. We hope our guests had as much fun as we did.

McNamara's band had nuthin on the good times at our St. Patrick's Day Dinner Dance on March 14. We started the evening with an awesome Pot Luck O' the Irish dinner with green scalloped potatoes, green beans, green salad, green gelatin, but no green b..r. Of course, without green b..r, we had a lot less blarney. Our caller, Mike, said we could call him O'Callahan in honor of the occasion. Green balloons and paper images of those little Irish sprites that live in the woods (our club secretary can't spell leprechaun) added to the festivities.

Let's hope the snowbirds get back from Florida in time for Dance-O-Rama.

February and March left us with fond memories. Many thanks to the members who participated in the Square and Round Dance Demonstration at St. John's Home and to our Mike Callahan for lending his voice. These presentations are always enjoyed by the participants and welcomed by the residents. We also enjoyed our evening with the Promenading B's. Inside sources at Friendly's said our class showed up in force for their ice cream social, cleaning them out of soda and clean dishes. Last month's burning question: "who's banner would we steal?" – Boots 'n Slippers, with two full squares in attendance. We took the banner and the shirt off of Mike Callahan's back!

April brings us Spring and a shower of activities. Our class graduation is planned for April 28, 1996. They have been working hard all year to perfect the abundance of mainstream calls and they deserve a round of applause for their efforts. We will not dance Sunday, April 7 so that our members can enjoy Easter with family and friends, but will return on the 14th with a thirst to dance and our arms and squares open to greet Kuntry Kuzzins as our visitors. The month's group activity will be a trip to the Hilton Cooperative with dinner following.

Please check our information line for the most current happenings or leave a message if you need more details on an event or want to speak with one of the officers.

A special thanks to all that joined us and supported us for our annual Yellow Rock for Charity Dance in March. All proceeds were donated to the Roosevelt Children's Center in Newark.

In April we will be dancing our regular alternating Thursday/Friday night schedule with round dancing at all Friday night dances. See listing in back of *Promenader* for dates, callers and locations. Reminder: Due to a scheduled school closing our Thursday April 18 dance will be held at the Orchard Grove Village Clubhouse in Ontario. Visitors are always welcome.

April is also the big month for our class of 1996. Instructor Ron Brown and class coordinators Lynn & Sherry Wiemer along with all the angels have done an excellent job ripening up our "green apples". On Friday April 26 mainstream graduation ceremonies will be held complete with diplomas, hats and a few extra surprises.

Calling all new graduates and class/club members, don't forget the 38 annual DANCE-O-RAMA on Saturday May 4th at the Churchville-Chili High School. This dance is for you!! It is your chance to dance to national callers on a class/club mainstream level. For the advanced dancers there are also

separate halls for Plus, A-1, A-2 and round dancing. Advance sale tickets available now. See *Promenader* for details.

On May 17 another big class/club dance will be hosted by Wayne Westerners as we celebrate APPLE BLOSSOM TIME in Wayne County. Plan on a great evening of dancing fun with caller Red Bates and cuer Dottie Reed.

Plans are well underway for our camping weekend July 19-21. Flyers are available now at area dances. The cost is only \$50 which includes camping and all dancing. To reserve a campsites send full payment with reservation to Judy & Stew Wing, 98 McIntosh Road, Ontario, NY 14519. For additional information call 315-524-5252.

Attention all dancers (not just Finger Lakes Squares)! It's not too early to note October 4th & 5th on your calendars.

Finger Lakes Squares

That will be your time to experience the fun of the Empire State Festival (in Syracuse this year) according to Janet Leurgans, who has been working on the state festivals "for more years than they have been having state festivals." (Hmm...Wonder how she managed that!) Janet and Ed, one of a number of Finger Lakes Squares couples involved in promoting square dancing, have held many positions at club, federation and state levels since they became square dancers seventeen years ago. Their contributions to the activity were recognized by the Federation in 1989 when it presented them with the Daphne-Norma award. Active in both square and round dancing -- "we enjoy the dancers, callers, and the variety" – they are concerned with the diminishing numbers of new dancers essential to maintain the health of the activity. Western New York is not alone in experiencing this problem, according to their numerous caller conversations. Maybe with more folks as active as the Leurgans our worries about such could be alleviated.

Schedule notes: No dance April 4th -- Bob & Carol still roaming the country. Heading for home, we hope. April 18th dance at the Baptist Church. (School closed.) Guests call for directions.

The Silver Squares are thoroughly enjoying their new home at the Red Men Party House. Attendance continues good, usually with enough dancers for five or six squares.

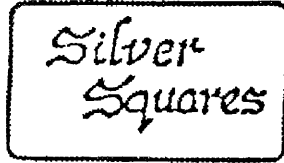

To add to the fun, Mike Callahan is now cuing a few rounds for us, and doing an admirable job. A couple of line dances gives us variety, and one mixer each week helps us get acquainted.

Silver Squares will dance all five Mondays in April. On the 15 we'll hold a **BAKED GOODS AUCTION**. Come and join the fun of the bidding competition, and take home some goodies to enjoy at your leisure.

Or visit us any Monday afternoon. And don't worry if you miss lunch. Coffee and snacks (some homemade) are provided to give you an energy boost. All seniors are welcome, singles or couples.

As the March wind howled outside everyone enjoyed the warmth and friendship of our Pizza Party. The lilt of Irish laughter, songs and music all contributed to a successful St. Patrick's Dance. Thanks to all who joined us for the "wearing of the green."

April showers bring May flowers and some special events. On April 5th the "old Smoothie" will be calling our club dance. Hint: his initials are K. B.

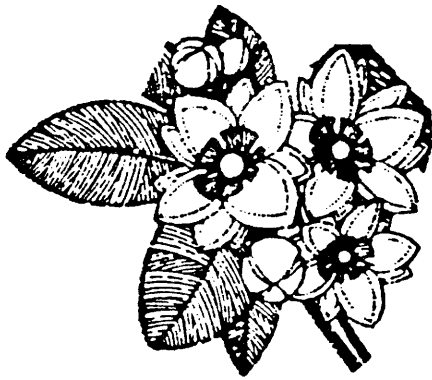

Good Friday, April 12 we're all looking forward to the Class/Club Fashion Show by the Carriage House. Visions of new outfits are already flitting through our heads. Will Herzog will be calling. Other clubs are invited to look, try on and buy. The Hip Boot Boys will call another Class/Club dance on April 19. Come prepared to enjoy a variety of calls, songs and jokes -- something for everyone.

April 26 is graduation with Jerry Carmen calling and cueing. Congratulations and welcome to all new grads! You are the future and we're eager to get to know you.

Once again, April is bringing the promise of May flowers, the return of the snow birds and the specter of the tax man. Why does April 15 always seem so infamous? The IRS aside, (if we only could!), "to tax" implies to censure or reprove, and even "taxidermy" suggests being eviscerated and stuffed with straw! Don't despair, though. Celebrate the end of tax season April 17 at the Village Squares Hobo Dance. If Pataki and his henchmen have taken the shirt off your back, dress down in your best hobo garb or your most discreet barrel.

Bill Saintey will begin cueing rounds at 7:30 and our own taxiarch Jerry Carmen will be squaring us up at 8:00. Our soup kitchen will be serving homemade hobo chili, bread and black coffee. We hope all you overtaxed dancers will ride the rails out to East Rochester's First Presbyterian Church and join us for a carefree, non-taxing evening.

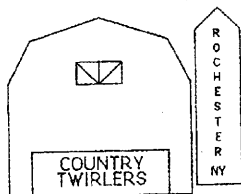

Our Hat Dance was a milliner's madhouse. Even the March weather cooperated, for a change. The sight of a hall full of mad hatters could frighten off even the most savage blizzard or destructive ice storm. Organizers Harold and Gerry Schwartz were astonished at the variety of headgear, which ranged from creative through interesting to bizarre.

On a much more serious note, we were all saddened by the sudden death of our good friend Fred Northrup. Fred's jovial presence always brightened the hall and his good humor enlivened his square. An enthusiastic square dancer and an avid camper, Fred will be sorely missed by the Village Squares and by the entire square dance community. Our deepest sympathy goes out to his wife Sybil, and to his family.

Hope everyone has a "Happy Easter".

Our social chairpersons, George and Martha Haungs, have enjoyed their job so much this year that they are still looking for more things to celebrate. Of course, it helps that Ray and Pauline Gaul love to decorate and celebrate so they are good instigators. They've done a wonderful job this year. Maybe before the dance season is over we can come up with some other things to celebrate. Any ideas?

Gary and Alice will be here April 13 and Ed Foote and Bill Saintey on April 20. Gary and Alice will be back again on April 27 for our Ice Cream Social. So forget your diet for the evening and come and enjoy.

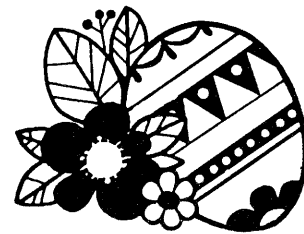

See you at D.O.R.!

We would like to have all class dancers attend to get ready from the square dance community's biggest dance of the year. If you can dance with Our Mike Herne, you can dance with any caller.

Sometimes it seems to me that either April 1 or Sept. 1 ought to mark the start of a new year, rather than Jan. 1 -- the arrival of Spring or the start of school makes more sense than the middle of winter for starting new things!

Our class is doing well and dancing once a month with the club part of the evening so we can all get better acquainted. Our April dances will be on the 12 and the 26, both Fridays, the latter an Ice Cream Sundae Night. (Yum, yum!) The former will include a brief business meeting.

Dick and Mary Lee Schweitzer and Bill and Joan Newman are our callers and cuers and do a wonderful job. We dance at 8 PM with a half hour workshop before that, sometimes rounds, sometimes squares. The West Street School is on guess which street, which runs about three or four blocks north from Hamilton Street, otherwise known as Routes 5 & 20. Look for the start of West St. about half a block east from Arby's.

By the time you read this, we devoutly hope to have a working phone in our new home, so I'll include the new number. Happy dancing.

The Merry-Go-Rounds dance every Tuesday from 7:00 - 10:00 at the Wesley United Methodist Church at 2009 Dewey Avenue (about 1/4 mile north of Ridge Road). We have a playshop from 7:00 - 7:30 where we learn new Phase

3 dances and some of the trickier Phase 2 dances, as well as some of the classics. Then we continue dancing until 10:00. After a small blip in the schedule in March, we're dancing straight through April without missing a beat (so to speak).

As if you could, don't forget about Dance-O-Rama on May 4th! The featured round dance leaders are Peter and Chris Lawrence from Ottawa, Canada. We have danced with them, as well as to them, many times and we think you'll really enjoy them. We have tickets for full and half day. Just ask!
