FROM THE EDITORS:

We hope you all had a very happy holiday season! We spent a week with our daughter and her family in New Hampshire at Christmastime and had a wonderful time!!

Thanks to all the reporters for their cooperation in getting the news and schedules to us earlier.

Please note some of the date changes for the Federation meetings.

We are still looking for someone to do the Promenader. The October issue will be our last. It may seem like a long time from now but we would like to have some time to work with the new Editor/Editors before then and you all know how time flies!!

Have a great month. Hope to see you on the dance floor soon.

You'll receive rave reviews when you serve this creamy seafood dish. To dress up the meal, serve it with a tossed romaine salad and warm, crusty French bread. This is lower in fat and cholesterol than the

regular recipe.

Creamy Seafood Linguine

8 oz linguine - 1 tablespoon olive oil - 1/2 cup finely chopped onions - 5 garlic cloves, minced - 3 tablespoons dry white wine - 1 tablespoon cornstarch - 1 cup evaporated skim milk - 1/2 teaspoon ground coriander - 8 oz large shrimp, peeled and deveined - 8 oz bay scallops - 3 tablespoons snipped fresh parsley - 1/2 teaspoon salt - 1/8 teaspoon pepper.

Cook the pasta according to package directions. Drain and set aside. If necessary, cover to keep warm. Meanwhile, lightly spray an unheated large skillet with olive oil no-stick spray. Add the oil and heat over medium high heat. Add the onions and garlic. Cook and stir about 5 minutes or until the onions are golden brown. In a small custard cup, stir together the wine and cornstarch until smooth. Stir the wine mixture and milk into the onion mixture. Bring the mixture to a simmer over medium heat, stirring constantly. Reduce the heat. Stir in the coriander and cook for 1 minute. Then add the shrimp and scallops. Return to a simmer. Simmer, uncovered for 3 to 5 minutes or until the shrimp turn pink and the scallops are opaque. Stir in the parsley, salt and pepper. Serve on top of the hot pasta. Makes 4 servings. Recipe from "Healthy Homestyle Cooking" by Evelyn Tribole.

Enjoy!

8 Is Enough presents
Floor Refinishing Benefit Dance
February 14, from 7 to 10:30pm
1st United Presbyterian Church
Union near Clinton, W. Seneca

LETTER TO THE EDITOR:

When you're at your round dance club or in the round dance hall at a festival, look around and see how many never square danced before. Yes, your floor may be filled now, but how long do you think this will last?

The fact is that virtually all round dancers and round dance cuers entered the activity as a square dancer first. There is no indication this will change. In its basic form, round and square dancing are unequivocally tied together and round dancing feeds off square dancing. There are areas of the country where there are only square dance clubs, but there are no areas where there are only round dance clubs. If you accept this and are aware of the reduction of new square dancers entering into the activity, then eventually this must filter down and influence the influx of new round dancers. Round dancing as we know it cannot survive without square dancing.

People who now only round dance need to change their attitude and look to supporting a square dance club if you wish your round dance clubs to flourish. With competition from modern technology and all the other alternatives for people's time, cooperation is needed to at least maintain the existence of square dance clubs which are much reduced in number and size from ten years ago.

Minimal support of a square dance club means that at the very least, help to bring new people into its class and attend the class as an angel until the people you bring are integrated into it. Who knows, you may even have fun in the process. If you attend the club dances, your presence may also influence a round dance program in it. In some clubs there is no round dancing because there are no round dancers. If the club cannot afford a cuer, perhaps you can convince your cuer to donate an occasional evening or work for a small fee commensurate with the number of participants. We must all pull together or it is very likely the activity we enjoy will one day cease to exist.

We wish to thank everyone that came to our Blizzard Ball and helped make it a big success. It sure is fun getting old and new dancers together and seeing everyone have such a good time. It can sure warm up a cold winter night.

February 13 will be our Sweetheart Dance. We will be having special refreshments for this dance. During the evening we will give everyone a chance to win dinner for two at the Evergreen Restaurant in Hamlin. What a great way to celebrate Valentine's Day.

Everyone start getting your green ready for the St. Patrick's Day dance on March 13. We may even find the pot of gold! Soon our snow-birds will be flying back to the club. It sure will be great to welcome them back.

February has so many themes for dances. Our Valentine Day Dance on the 13th will feature lots of hearts and lace. Then, on the 27th, we will go patriotic with a Red, White and Blue Dance. The first dance of the month on the 6th, we

will celebrate the start of the last full month of winter.

Of course we can never tell when a bad storm will force us to cancel a dance. A call to me may save you a snowy trip.

We are looking forward to our annual Black Light Dance on April 4. This is a colorful dance, especially if you're wearing white or pink. Please save the date.

Welcome to the heart of winter! This is one of the times of the year when we all need a good social outlet and a place to get a little exercise (we know WE do!). And what better activity than round dancing! We'll be dancing all

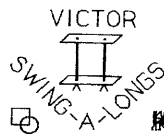

month on Tuesday evenings, 7:00-10:00 at the Wesley United Methodist Church, 2009 Dewey Avenue - just a 1/4 mile north of Ridge Road.

For those of you wondering about the Phase 2 Only nights we had last year, the jury is still out on whether or not to continue. To be honest, although the response was very strong initially, the attendance dropped significantly during the fall. If any of you have any comments about this, we'd sure appreciate hearing from you.

It's been awhile since we mentioned this, so in case it's slipped your mind, remember that one of our primary objectives is to help you enjoy dancing to its fullest. To that end, if you would like help with a figure or even an entire dance, Please, please, please let us know. We can help you before or after a round or square dance or during a break. We can also schedule private lessons where we can get some concentrated time together. Just let us know!

Hi all! The Victor-Swing-A-Longs had a great time at our snowball dance and hope all that attended had a great time too! Thanks Gary and Alice for a Great night of calling and cueing.

The month of February is a cold one but we plan to stay warm at our three dances this month. Mike Herne is calling the first two on the 5th and the 12th. (The 12th will be our Valentines Dance). The 26th will be an evening of singing calls with Bob Ellis doing the calling. Hope that you can come out and join us. Happy Dancing.

Two and ½ squares of Tecumseh braved the weather conditions on November 15 and drove to Fulton to dance at Bruce Shaw's last guest appearance of his illustrious calling

career. There was already 10-12" of snow on the ground from Thursday and a couple of inches fell that evening. Most had dinner at Lock 3 restaurant, a few blocks from the dance hall. It was a fun dance and a lucky one for the Malizias as they won the BIG 50/50 raffle.

Our December Holiday party was a rousing success. Five of our 6 class couples were in attendance as well as Ron Brown, our class caller. They all did well dancing after we stuffed them at the pot luck dinner that preceded the dance. The Hamlins and their committee did a super fantastic job and Bruce (aided at times by Ron) called a great dance. At the dinner, we collected over \$310 for the Reformation Lutheran Church Food Kitchen. Thanks to all who donated.

Bruce Shaw, who has been our ONLY caller, has decided to retire from calling, effective March 7, 1998. Bob Ellis will be doing most of our calling from April on. Joe Kane has lined up a great card of guest callers to fill in when Bob can't call. We wish Bruce the best and want him to know that he will be sorely missed.

Our condolences to the Kanes on the death of Lena's brother, Sam, the Bordens on the death of Gerry's mother, Marie Bianchi, and the Sargents on the death of Shirley's father. Len Phillips. All passed away within one week in December

February can be cold and blustery! So enjoy the winter winds from inside on the dance floor in the warmth of friends and fun.

The class is doing well, learning new waltz figures and continue to add news two-step figures to their dance repertoire. Watch for them on the dance floor as they have learned a number of dances now. The club dances Phase II and easier Phase III dances from 8:00 to 9:00, with Phase III teach at 9:00. From 9:30 to 10:30, the level is a little higher. It's a fun level for those who have been dancing for awhile and somewhat more challenging for those who are newer to round dancing. Classics and popular new dances, along with requests, are all included on the dance program.

**If you can believe it -
you can achieve it!**

1997 we believe has been the watershed year for bringing new vitality to our club; after many years of not having a basic class, we now have 6 couples with Mike Callahan at the teaching helm, pointed towards April and graduation. We owe Cloverleaf Squares a big "Thank you" for

shepherding the two remaining couples from our fall 1996 class that didn't continue; John & Ruth O'Hanlon, as returning graduates from Cloverleaf and joining Genesee in fall 1997, became class coordinators for our present successful effort and are doing a truly bang-up job! There is an electricity in the air and a renewed spirit as we head into the future. There is great potential, for all clubs, to tap into the answer so many folks are looking for as activity alternatives; as in anything, finding the right approach is the key. For us it has been close personal welcoming support as we share. Once again, our hats are off to the O'Hanlon's for the recharged feeling in our dancing! Our Holiday Party, December 11, was like old times at the Green Lantern in Fairport; 80 happy people dancing in the spirit of the season made it festive for all. We finished off this successful year with the outstanding leadership of Presidents Don and Ruth Ann MacPherson at our New Year's Eve Party, 12 Corners Presbyterian Church; many thanks for the hard work of our outgoing officers; and welcome to our new officers, headed by newly elected Presidents Royce & Jackie Rogers.

It's the February issue-must be time to report on our Christmas Party! (What else are you gonna do when it's mid-December and you're writing for a publication that is six weeks away?) Anyway, the party was a great one, thoroughly enjoyed by these reporters and we assume, by all! We're not sure, however, if we were celebrating the holidays or Bob's announcement that it was eight months and one day until his retirement. (From his "real world" job, that is - not calling.) We all ate too well, danced well (we'd like to think) and collected lots of food for the Geneva Food Cupboard. Much thanks to Don and Genevieve Miller for handling that and for arranging for the hall and dinner.

It was good to have the Pettits and Leasons return from Florida just to dance with us. We like that kind of loyalty in a club member! Great, too, to have Bart Gould back dancing. We hope his eyeball is continuing to make a good recovery.

As you may have noticed (we hope you have), we do a brief feature on various club members or couples from time to time. If you know of something special about a member or members (or yourself), that should be featured here please let us know.

Note: NO dance Feb. 19, all others back at the North Street School.

Our 1998 Board is hard at work planning this year's events, led by our new President, Romyne Barrett.

Our class is progressing very well and is particularly active in attending other class/club dances.

Our class representative Steve Eklund and assistant Jennifer Horak are making a special effort to involve our class members in these events.

Our primary social activity for this month will be our class/club Valentine Dance on Sunday, February 15. We hope that class members from other clubs will join us on that evening to dance with us as well.

We anticipate another exciting year for our club in our dance site at Hope Hall with our caller Mike Callahan and our cuer Bill Saintey. Details of this year's events will be forthcoming once our new board gets their plans in place.

Please check our information line for other club events.

February finds the Belles 'n' Beaus dancing to the Buble's every Wednesday evening at St. Charles Hall in Greece. Gary and Alice offer a consistently delightful dance program.

Our February feature is our annual Valentine Pot Luck Dinner on the 11th at 6:15 pm. Everyone brings a favorite dish to pass and their own place setting. Square dancers are renowned for their recipes.

Thanks to all those dancers who helped make January a merry month of fun events including our Open House, Super Bowl Party and Vinnie and Angela's wedding dinner theater.

On a sadder note, we mourn the passing of Len Phillips and send recovery wishes to fellow dancers not able to join us.

Keep on dancing — Spring is coming!

The Circul-8-tors is a fun dance club which only dances once a month on the third Sunday of the month. We also are a traveling club and usually take one trip each year. We have a camp-out and picnic every summer with a good time and

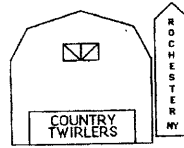

dancing, too.

Our dance for February is on Sunday the 15th, at the Covenant United Methodist Church at 2 pm. Jerry Carmen will be the caller and Betty Carmen, the cuer. We usually have a short meeting after the dance and then go out for supper if you wish. Hope to see all of you there, members and nonmembers.

This is hoping that all of you are feeling well. See you on February 15.

Our "June in January" dance was great fun. We had some interesting summer outfits and everyone enjoyed the hots and picnic foods.

February 7, will be our Valentine Party with Gary & Alice Bubel calling and cueing. Bring your

favorite Valentine, see the beautiful decorations, enjoy the treats and dance. Many thanks to Ray and Pauline Gaul for the beautiful job they do decorating our hall.

On February 14, Jim Lee will be calling at Washington Irving School. He will be sponsored by the Copy Cats.

On February 21, our guests will be Cloverleaf Squares and Promenading B's, with Gary and Alice at the mike. Come join the fun!

Gary and Alice will be at the mike again on Feb. 28.

Mark you calendar for TIM CRAWFORD. He is coming on March 7. His dances are so much fun!

Saturday, February 14, red will be the perfect color to wear, or coordinate with, to bring your sweetheart out to your Kuntry Kuzzins Valentine Dance in Newark

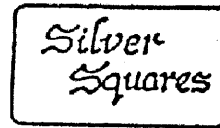

at the Kelley School. It will be a real sweetheart of a dance with Ron Brown calling. Mark Thone will smooth out the evening with his cueing.

Cabin fever setting in? Saturday evening, February 28, come out and join your Kuntry Kuzzins for some of the best dancing in the area. Dave Eno will keep your feet moving to some very interesting choreography. Bob Slomcenski will keep you dancing. This is pie night so you needn't feel the least bit guilty about enjoying those "oh so good" pies. What a variety we had last year.

Lucky you if you dance A-level. Dave will be doing a special tip for you at 10:30.

Silver Squares just celebrated its second anniversary as an independent club. What a great way to start the new year and brighten an ordinarily pretty dull month.

Now we're looking to two February events, a Valentines party on Monday the 9th and a Presidents'

Day celebration on Monday the 16th. So don your Valentine reds for the 9th, and those red, white and blues for the 16th. Join us on both dates. Enjoy Mike Callahan's calling and cueing and savor the mouth-watering baking of our dancers.

Tecumseh and Village Squares are invited as our special guests on Monday, Feb. 16.

A new feature has recently been added to Silver Squares dances. About once a month we're holding a 'joke day'. It's a hit! Who doesn't enjoy a good laugh? All members are encouraged to share a favorite joke.

On a Personal Note: Silver Squares extends its sympathy to Rosemary Connors on the recent passing of her husband Don. The Connors were long-time members of our club, and Don will be much missed.

The next Saturday Night Round Dance Party is scheduled for February 21, from 8 - 11 P.M. at the Old Ridge Road location. We try to work in everyone's requests throughout the evening while providing dancing at all levels. So get your group together and join us.

Mark will be cueing once again at Kuntry Kuzzins on Saturday Feb. 14 - Valentine's Day. So grab your valentine and plan to join him.

For everyone that enjoys winter, February is the perfect month; and for those of you who perhaps may have enough, the days are getting longer and there is cause for overt optimism, so:

Hear-yea! Hear-yea!

The Wayne Westerners hereby proclaim the entire month of February to be cause for the celebration of life, love and square dancing; and, we further designate the 13th of February as a Valentine Dance Event, to include both Class and Club Level Dancing, as well as Round Dancing, in honor of the festive occasion.

Let the Winter Doldrums be gone; let the celebrations begin!

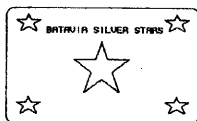

I expect that Phil Eno, who is equally well known for both "Calling" and "Q"ing, will be bringing his own extraordinarily handsome Valentine. "Elaine of Martville", it is therefore only fitting that all dancers, far and wide, should also bring their ladies in their finest attire, as befitting the occasion, and in celebration of this "February Event".

In the true magnanimous spirit typically associated with all Wayne Westerners "events". We do not restrict attendance to our friends in Wayne County, but rather extend an open invitation to all federation dancers, and even to "free-lancers" and/or "free-loaders" (who may just wish to enjoy our fellowship and free refreshments).

Be prepared to select a King and Queen of Hearts.
Love you all.

Think of it, February is already here, that means Spring is just around the corner. Even tho it is cold and snowy outside, we have the warmest and coziest place in the world of dance. Come and join us on any Monday evening that you have free, to dance

with the friendliest people on earth.

Currently, we are dancing rounds from 7:00 to 7:30. Squares start at 7:30 till 10:00. We even get in some hot hash toward the end of the evening. Come and join us, we love to see and dance with you.

Polish up those festive red skirts and shirts that you put away after the holidays, tack a heart on your sleeve and sashay out to East Rochester's First Presbyterian Church on February 11 to join the Village Squares at their Sweethearts' Ball.

Our favorite couple, Romantic Ron Brown and Cupid Jerry Carmen, will be collaborating on rapturous rounds, sentimental squares and some lovable lines.

We are also happy to be honoring newlyweds Sybil and Ed Briggs, and Rita and Jerry Liddy. Dancing with them and seeing their obvious happiness has been one of the highlights of the club's year.

We're convinced that the best things in life are chocolate, so organizers Charlie and Norah Tierney are planning to tempt us with a sinful array of treats.

Whether you've just gotten engaged or are celebrating your golden wedding anniversary, we hope you will make a date with your sweetheart to join us on February 11. After all, love may make the world go 'round, but square dancing makes it go 'round and 'round and 'round.

Love, cinnamon hearts and chocolate kisses to all, from the Village Squares.

P.S. We won't be dancing on Ash Wednesday, Feb. 25, but other clubs should be on the lookout that week for our Banner Bandits.

THE DALTON GANG

"It was a dark and foggy night—" November 22, that is, the night of our annual Harvest Dance. The crowd was small, but the fellowship was great and we really appreciated those few who did venture out on such a nasty night.

By the time you read this, we will have had our Christmas party - always an enjoyable evening with good food and good friends.

Keep the date open for our annual Casino Night - Saturday, March 7, from 8:00 to 10:30 pm at the Dalton Elementary School.

See you there!!

A good New Year's resolution for all you dancers out there is to do more square dancing this year than you did last year. One way to start is to join us at our Valentine's Day

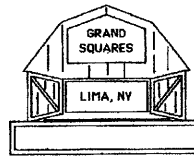

Dance at the Washington Irving High School in Chili (address and location in back of the *Promenader*). We are looking forward to having a good attendance because Jim Lee is known in our area as a popular caller.

A good time was had by everyone at our Holiday Dance and New Year's Dance. Square dancing is good exercise for everyone and is good for the spirit. We all need to get out and dance more, and get to meet new people, and also to get more people interested in the fun of square dancing.

Hope to see you at our upcoming dances - Happy Valentine's Day to all of you.
