CHEF'S CORNER...

Now that all of the year end vacations are over and the artificial trees are repacked and put away, and the fresh trees have been placed at the curb for the trash pick-up, here is a tasty meal to greet you when you return home from work.

CASSOULET EN POT (CROCK POT)

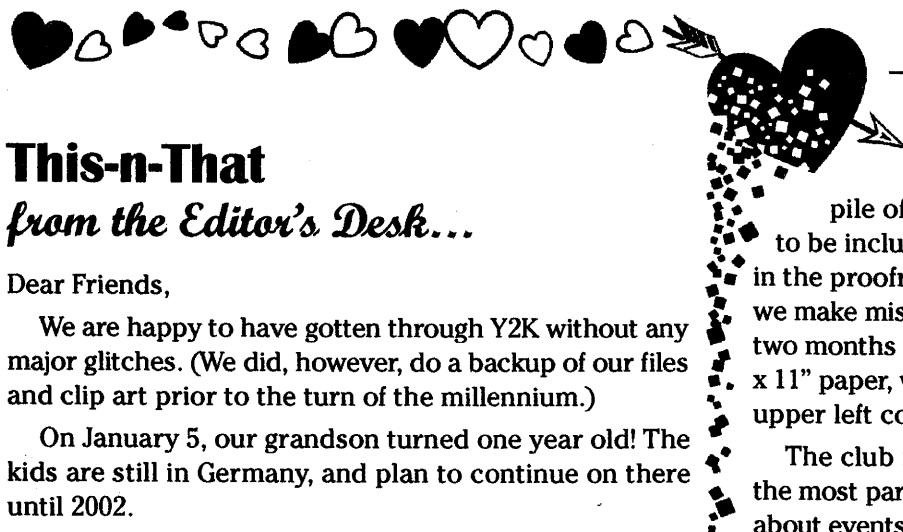

- 1/2 lb. bulk pork sausage
- 2 15-oz. cans of black-eyed peas, not drained –
- 1 small onion, sliced
- 1 clove garlic, minced
- 1/2 lb. cooked ham, cubed
- 2 tbs minced parsley – 1/4 cup dry white wine.

In skillet, cook sausage until lightly browned. Pour off excess fat. In crock pot arrange alternate layers of sausage, onion, garlic, parsley, black-eyed peas, and ham. Pour wine over all. Cover and cook on low for 5 to 7 hours, or until you return from work. Mixture will be quite soupy, so serve in bowls. Serve with plenty of crusty French or Italian bread to sop up all the tasty juices.

Serves six polite diners or two really hungry ones.

Enjoy! **Chef** ☺

This-n-That

from the Editor's Desk...

Dear Friends,

We are happy to have gotten through Y2K without any major glitches. (We did, however, do a backup of our files and clip art prior to the turn of the millennium.)

On January 5, our grandson turned one year old! The kids are still in Germany, and plan to continue on there until 2002.

As we write this, the windchills outside are sub-zero, making it a little hard to think about Valentine's Day, St. Patrick's Day, and spring being just around the corner.

But arrangements are getting into full gear for Dance-O-Rama (on May 6th), and the committee is planning to have the D.O.R. packets available for clubs at the next Federation meeting, Feb. 14. We'll have more details in the next issue, too. Try not to miss this celebration!

REPORTERS: several clubs are still putting their two separate monthly schedules on one sheet, or putting them on two half-sheets, or including them on the club news sheet, all of which makes our job more difficult.

This is because in order to organize the information as it is needed for typesetting, we must make extra copies of the schedules for the clubs that don't separate them. Last issue, one slipped by us, and was in the December

pile of schedules, but missed having a copy made to be included in the January pile. It was, therefore, not in the proofreader's copy to check, either. We hate when we make mistakes like this. Please help us ... send in your two months of schedules on two separate sheets of 8-1/2" x 11" paper, with the day of the week in large letters in the upper left corner.

The club news articles are doing great — you are, for the most part, remembering not to speak in the past tense about events that didn't yet happen at the time of the writing. We appreciate this. And your information is interesting and important for our readers, especially as they make plans to attend your dances. Remember to put asterisks on the schedule entries that are mentioned in the club news.

We, as well as the square dance community, are grateful for all your contributions of time and effort which make the *Promenader* what it is.

For our part, as we move along in this new millennium, we will try to become more adept at receiving your information in additional ways, such as by e-mail. We have started to do this on a limited basis, and will work toward clarifying what we will need from those who want to e-mail their club news and schedule information. Call us if you are interested. And thanks for your patience!

UPCOMING

FEDERATION MEETINGS

2000: **Monday, Feb. 14**
Tuesday, Mar. 14
Wednesday, April 12
Thursday, May 11
Monday, June 12

All meetings are held at the Brighton Town Hall, 2300 Elmwood Ave., in the "Community Meeting Room," starting at 7:30 p.m. Use rear entrance by the library. Meetings are open and everyone is welcome!

President's Corner

There are many theories that try to explain the problem of decline in the square dance community. We were recently given an article from the *American Callers Association Newsletter* from Oct. '99, and would like to share part of it with you.

The author stated that most class people, when asked what attracted them to square dancing, answered, "the music, fun and fellowship."

He continues, "ACA has already stated what we have found to be needed to turn square dancing around and we stand by our statement. After twenty-five years of all the levels, it seems that anyone can see that the levels have not worked for the betterment of square dancing.

Most people who would like to square dance now — *cannot because they do not have a year to learn to dance*. If we are to get people involved in square dancing now, we must have a program that fits their time constraints. Look around and see how many square dance clubs in your area are not plus or advance clubs.

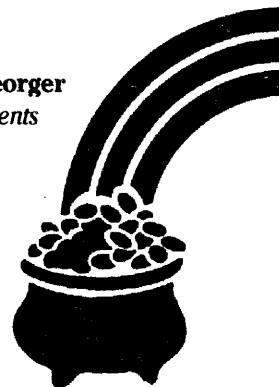

State conventions tell us a lot about our activity. It has been reported to us that at a recent state convention there were 14 halls with no more than 5 squares in each hall (some less than this). But, at a recent Arkansas state convention, there were 61 squares on one floor! This is what made our activity great to start with, *everyone enjoying square dancing together — not 14 separate halls.*"

Many recent local dances like the *Promenader Benefit Dance* (20 squares), Gary Bubel's three clubs & new dancers Xmas party (16 squares), seem to confirm this theory.

This is what the DOR 2000 committee is hoping to accomplish with your support. Remember, "Together we cannot lose"!

Happy Dancing!

Ken and Kay Georger
Federation Presidents

ATTENTION CLUB OFFICERS:

Please note that the next issue of the *Promenader*, April/May '00, will be available to new class dancers at Dance-O-Rama. This affords you an excellent opportunity to include your full-page flyers advertising upcoming Class/Club dances.

And, as a special feature, we are planning a "New Graduates" page which will list the new graduates' names that you submit to us (remember, deadline is March 1). These new graduates may be looking to dance at a variety of clubs, both familiar and new to them. Let's make them feel welcome.

Thanks, *The Editors*

Belles 'N' Beaus

Welcome to the Millennium and another year of square/round dancing.

Valentine's Day is approaching so come and twirl your valentine at the Sweetheart Dance on February 9 with our caller/cuer Gary and Alice Bubel.

On March 15 we will celebrate St. Patrick's Day. A delicious pot luck supper will take place before the dancing. Our ladies are fabulous cooks so you can look forward to a good feast, some socializing and plenty of good dancing.

The two-step is still being taught from 7 to 8 p.m. every Wednesday. The couples are progressing nicely.

Casual attire first night of every month.

Happy Hearts & Flowers & St. Patty's Day!

Cayuga Cut Ups

Our annual Valentine's Party will be a dish to pass at 7 p.m. on February 10 with Phil Eno as caller/cuer. All of our dances are class/club and we look forward to welcoming new dancers to the Valentine Party.

February 17 we will have guest caller/cuer, Keith Harter and Jeanne Harter.

The Little Snips (our class) are enthusiastic and progressing right along on schedule with the mainstream calls. Our club members have been very supportive with the classes, some, including me, still need lots of lessons, and those new members see that we too make mistakes, laugh and move on. Dancing is also about fun and friendship.

Looking ahead to March, our St. Patrick's Party will be on March 16, and it will be Green Dessert night. This should prove to be very interesting as we have some very clever and creative cooks.

March 23 we will have Jerry Devaul as our caller and Jeanne Harter as cuer. This is always a fun dance.

Lots of good dancing for February and March. Hope to see you there.

Join us at the Covenant United Methodist Church, Culver at Parsells, on Feb. 20 for our monthly dance. Jerry Carmen will be the caller and Betty Carmen

will be the cuer. We'll meet at 2:00 p.m. and dance until 4:30 p.m. Then we have a short meeting and then go out to dinner together if you wish. We need suggestions for our annual trip for this coming year. Come to our meeting with your suggestions where you would like to go.

March 19 is our next dance. We will again dance at Covenant United Methodist Church. Bob Ellis will be our caller and cuer. Hope you can make it to both dances. Square dancing is still a good way to get fun, exercise, and meet and make good friends.

Country Twirlers

On February 6 we will have the pleasure of dancing to Jeff Priest and Brian Adams. Come share that pleasure with us.

February 12 will be our Valentine Party with Gary & Alice Bubel. Bring your favorite Valentine, see the beautiful decorations, enjoy the treats and dance. Again we want to thank Ray & Pauline Gaul for the beautiful decorating job they always do.

Gary and Alice will call and cue for us on the 19th and again on the 26th, which will be our "Black lite dance." This is a first for us so come help us make it successful. Wearing white clothes and white gloves add to the excitement of the ultraviolet lights. This will be a class/club dance, and lots of fun. Come enjoy.

We start our month with Jerry Carmen calling and cueing on March 4. Jerry always does a good job.

On March 10 we hope to go to Tecumseh to dance to Tim Crawford. We therefore will not be dancing on the 11th at Country Twirlers.

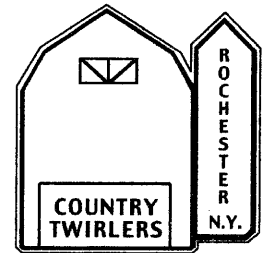

Gary and Alice will be calling and cueing on March 18 for our St Patrick's Party. Come see the decorations and dance to the Irish music. Get out your green (or wear any color you wish) and join our group.

We end the month with Hank Lutcher and Mark Thone on March 25. Hank is a good caller. Come see for yourself.

Everyone loves Tim Crawford. He is coming again on April 8. Bob Slomcenski will cue. Mark your calender and save the date.

Copy Cats

Our first class/club dance of this year, December 18, was our Holiday Dance at Penfield High School with Mike Callahan calling. It was well attended and, as usual, Mike did a great job making it fun for everyone including all the class members who attended!

Our Copy Kittens class is still going along just great !! As of the last class of 1999, Ron Brown had completed teaching all the calls in the Basic program and was ready to move on to the Mainstream calls. Those Copy Kittens who attended the Holiday Dance held their own very well — it's a great class !!!

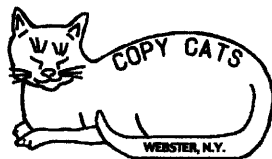

Our next **class/club** dance will be on February 5 — a special **Valentine's Dance** with Mike Callahan calling. Please note: this dance will be held at The First Presbyterian Church in East Rochester. Class members from all clubs are invited!! If your club has a class, please let your class people know about this dance.

Bob Ellis will be calling for our regular dance on Feb. 19. ...I imagine it will be his usual "peppy" style of calling!

Our second dance in March will be on the 18th — our St. Patrick's Pot Luck Dinner at 6:30 p.m., followed by a regular dance. All clubs are welcome to come and join us for a good dinner as well as the dance — just bring a dish to pass (anything goes) and your own table service. Just think, by that time, spring will almost be here !!!!!

Finger Lakes Squares

What a great Holiday party! Lots of good company, good dancing, and good food eaten, as well as contributed to the Geneva food cupboard. We bade farewell for the winter to several snowbird couples, including, alas, our caller and his wife.

Do not despair, however; dancing will still go on! We welcome Dick Schweitzer to the microphone for the next three months, and thank him for agreeing to step in for Bob. We will be dancing to Dick every Thursday in February and March except for February 24 and March 23, when there will be no dances. Dances will continue at the usual time and place: 7:30-10:00 p.m. at the North Street School in Geneva. Come out and stay warm with us!

Speaking of schedules, somehow the January schedule was omitted from the December-January issue. Don't really know what happened there but we are sorry for the inconvenience.

Editor's Note: Oops...our mistake. We must have missed making a copy of the submitted schedule, to put in the file of the "second" month schedules (in this case, January).

Friendship Squares of Geneva

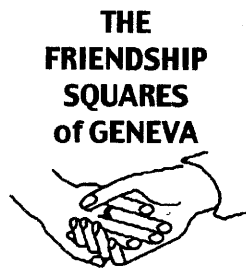

Several of our members have been under the weather lately, and several more have decided not to enjoy the change of seasons around here, but we hope they'll all soon be back with us. Joe Gillotte now realizes if you're going to get sick, best to do it at a dance with a dancing doctor handy by!

Our next special dance will be in April with Ron Brown and Bob Slomcenski doing the honors at the mike. More details next time. Meanwhile, enjoy our regular dances Friday nights at the West St. School in Geneva at 8 p.m. with early rounds or squares alternating on different weeks at 7:30.

Feb. 11 (Heart benefit dance) and March 24 welcome your class dancers. We may even have pizza on hand the 24th if we get our act together by then!

Lima Grand Squares

Lima Grand Squares will be starting out February with a Pizza Night on the 3rd. Bring your sweetheart to our Valentine's Dance on the 10th, with the Belles 'N' Beaus and Village Squares being invited guests that night. Feb. 17 is scheduled as a Casual Dress night, but during this blustery time of year, casual dress is accepted at any of our club dances. No dance Feb. 24, as this is during the school Winter Recess.

In March, club dances are scheduled for the 2nd, 16th, 23rd and 30th. There will be no dance March 9, due to a school Open House. A Casual Dress night is scheduled for March 16. This is also March Guest Night, with the Copy Cats, Friendship Squares of Geneva and the Federation Officers being invited.

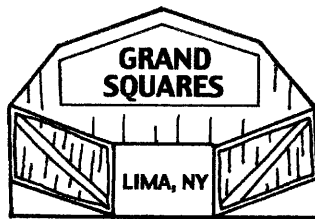

Gary's class is continuing to do great, and they are very enthusiastic about square dancing!

We love having guests anytime; as the Lima Grand Squares are a fun, friendly club. And, we certainly enjoy having Gary Bubel call for us.

We are located at College St., off 15A North.

Silver Squares

Here we are in the middle of winter looking for a way to find some cheer. A good way to do that is, of course, go dancing. Every Monday afternoon there

is fun and good fellowship at Silver Squares. In February the celebration is for St. Valentine and on the 14th we will do just that. Also on that date we welcome as guests VIL-LAGE SQUARES and TECUMSEH SQUARES. Hope to see many of our friends from those clubs.

With the arrival of March everyone is eagerly looking for signs of spring. By this time we are all tired of the mounds of snow to be shoveled and cold winds. On the 13th it will be party time in honor of St. Patrick. Our invited guests on that day will be COUNTRY TWIRLERS, BELLES 'n' BEAUS and LIMA GRAND SQUARES. Surely with our friends from those clubs we shall have a grand time.

Sally Foos is recuperating from recent surgery and we wish her a speedy recovery.

Tecumseh Squares

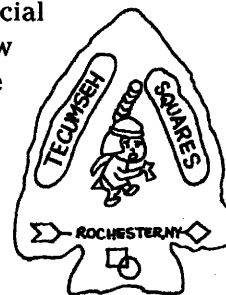

Tecumseh has a number of special events that we would like you to know about for February and March of the new century. By now you will have been able to ignore or forget all of your new year resolutions except (hopefully) the one where you said you would go dancing more often — here is your chance.

First — we will be dancing every Friday night for the months of February and March with rounds beginning at 7:30 p.m. and squares at 8, usually at the Red Men's Club on Long Pond Rd. Our Midterm Ball will be on Feb. 11 at the Buckman Heights School on Buckman Rd. in Greece — north of Ridge Rd., near the Bob Evans Restaurant. This will be a special evening for all class students as well as an opportunity for all of us "experienced dancers" to share our vast knowledge with newcomers! Our guest cuers for February while Mark and Marlene Thone take a much needed vacation are Brian Adams and Alice Bubel.

Our next big event will be on March 11 when Tim Crawford will be calling and Mark Thone cueing. This dance will be held at the Greece Olympia High School on Maiden Lane in Greece. Our guest callers for March are Dick Schweitzer on 3/3 and Mike Callahan (begorra) on St. Paddy's Day. Come and join in the fun. If you have any news — or just want to chat — call us at 426-3598.

Tel-O-Mark Rounds

Tel-O-Mark Rounds is an Intermediate Level Round Dance club. We meet every Wednesday evening from 8-10:30 p.m. at the First United Methodist Church of West Webster, 570

Old Ridge Road, West Webster. (See schedule in back for specific exclusions). We dance Phase III through Phase V with emphasis on Phase IV and V instruction.

There will be no Saturday night dance in February. The next Saturday Night Round Dance Party will be held on March 18. This will continue to be an "all levels/all requests" event. Please feel free to bring your favorite snack to share.

Mark and Marlene will be on vacation from February 4 until March 1.

8 p.m. at East Rochester's First Presbyterian Church, chef Jerry Carmen will be mixing square, line and round dances and stirring in fresh tips for new class dancers. Village Squares' master bakers will be honoring France with napoleons and gateaus and South America with luscious chocolates. We promise that the message in your fortune cookie guarantees everyone will have a good time.

On Wednesday, March 22, the Village Squares are planning an UnBirthday Party for area square dancers. As Humpty Dumpty explained to Alice, each year there is only one day you can expect birthday presents, but there are 364 days when you might get un-birthday presents. An Un-Birthday Party is no Tweedledee or Tweedledum affair, and you don't need to be mad ... or a hatter ... to attend. Just dress up in your best un-birthday clothes and join the Village Squares as we glide through the looking glass into a wonderland of fantasy and fun. Our smiling caller, Jerry (Cheshire) Carmen will lead us through roundabouts and teacup chains, while talking of shoes and ships and sealing wax, of cabbages and kings. Organizers Carl and Susan Thomas are scripting this special dance to be a fanciful excursion to Wonderland. As a special un-birthday present, any dancer with a March birthday will be admitted free, and we can promise that our un-birthday cake will be more appetizing than Alice's plum cakes. Follow the March Hare out to East Rochester's First Presbyterian Church on March 22 and celebrate your un-birthday with us at a truly unique dance.

We're looking forward to having the Wayne Westerners as our guests February 23, and Cayuga Cut-Ups and Country Twirlers as guests on March 15. Village Squares are hoping you all will join us as square dancing enters its next millennium of fun and friendship.

With the holidays behind us, we will continue with our regular dance schedule.

In March, we are looking forward to two special nights. Our annual "FRIENDSHIP DANCE" will be held on March 16. It is "FREE" to everyone, and all are invited to bring used square dance attire to sell. Please attach an envelope to each garment. On it, please write your name, size and asking price. Mike will call his usual "fine" dance and a good time should be had by all.

On March 23, we will welcome Bob Ellis for a night of "all singing calls." We look forward to seeing Bob and dancing to his excellent calling. Hope some of you can join us. Happy Valentine Day.

Wayne Westerners

Happy 2000 from the Wayne Westerners. With the holidays behind us, let's plan on visiting a different club each week. In February Wayne Westerners will host two dances: Feb. 4 and Feb. 18, both with Ron Brown. Feb. 18 is a casual dance, so come on out and dance in a relaxed state. Watch for flyers on our An-

nual Campout. We want to make this year our best ever.

March dances include March 3, our Yellow Rock for Charity Dance. All proceeds go to Mercy Flight. Gary and Alice Bubel will be there performing as usual. On March 17, wear your Irish best, to the tunes of Ron Brown. Please note location for all regular club dances and special dances is at the Williamson Primary School. See you on the dance floor.
