CHEF'S CORNER...

I'm still trying to get my mind adjusted to plan recipes for this column. I hope I will be able to provide you all with recipes that are in line with the season, or at least not too far out of sync. Here is a recipe that can be used to supply treats for the new season of dancing.

KNOCK YOU NAKEDS

- 1 pkg. German chocolate cake mix.
- 1 cup nuts, chopped.
- 1/3 cup evaporated milk.
- 3/4 cup butter, melted.
- 60 pcs. caramel candy.
- 1/2 cup evaporated milk.
- 1 cup chocolate chips.

Combine and mix well, cake mix, nuts, 1/3 cup milk, and butter. Press half of the mixture into the bottom of a greased 8" X 13" Pyrex baking dish; bake at 350°F for 8 minutes. Melt the caramel candies in top of a double boiler with 1/2 cup milk. When caramel mixture is well mixed, pour over baked mixture. Cover with chocolate chips and cover with rest of dough on top of the chips. Bake for 18 minutes at 350°F. Cool completely before cutting into squares. Yields 18 to 20 squares of pure chocolaty decadence.

Enjoy! **Chef** ☞

From our mailbox...

Congratulations ... to CAYUGA CUT-UPS ON THEIR SUCCESSFUL 34TH ANNUAL SUMMER WEEKEND!

We attended the Summer Weekend at Wells College and had so much fun! The Hip Boot Boys, Ron Brown and Jerry Carmen, provided round and square dancing fun from Friday night until noon on Sunday. We had never danced as much! Hazel Moses kept us laughing with her jokes, and the Cayuga Cut-ups Summer Playhouse actors with Jerry Carmen directing had us in stitches with their Friday night skit. We love Grand Marches and the Hip Boot Boys had a great one recognizing everyone!

The meals, snacks and mid-night hot dog roast were wonderful. (Food was plentiful!)

The Wells College Campus on Cayuga Lake is gorgeous with moss-covered buildings on rolling hills. We enjoyed walking around the campus, particularly down the hills.

Don and Marian Ellinwood, Joyce Reeves and their committee hosted a super weekend! Thank you to all the Cut-Ups!

Along with the Cut-Ups we had a great time with Andy and Betty Ludwick (Country Twirlers), George and Ginny Dormer, Harold and Gerry Schwartz, and Rita and Ken Tucker (Village Squares), Sharon Kirch (Cloverleaves and Victor Swing-A-Longs), cuer Bill Howard, and Jay Cornett (Victor-Swing-A-Longs).

We are already looking forward to next year's summer weekend to celebrate with the Cayuga Cut-ups their 35th annual weekend and 40th anniversary! We hope that many will plan now on August 3-5, 2001 at Wells College. We're sure it will be fun!

Bob and Lou Stevens

Thanks ...

Dear Betty & Andy,

Kay and I want to thank you both for all the time and effort you put into providing the *PROMENADER* for the Rochester Area Square & Round Dance community.

Working with you these last couple of years has made us aware of the dedication that is required to put together this great publication. Sometimes we tend to take for granted the work that goes into making things happen and we want you to know that we appreciate the many evenings and weekend hours that you spend on the *PROMENADER*.

We know that the dance community also feels this way and hope that they will show their appreciation by 1) supporting this year's **PROMENADER BENEFIT DANCE** on Saturday, October 14, at Washington Irving School; and 2) by subscribing to the *PROMENADER*.

Thanks also to Dorothy & Bob Woodams and Phyllis & Gene Eseltine for the hours they spend mailing and proofreading for you.

THANK YOU!!!

President's Corner

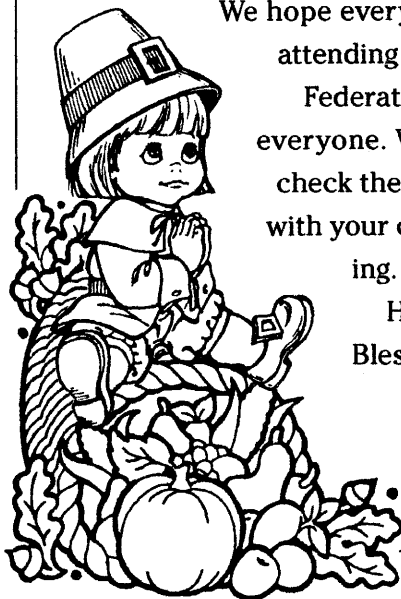

Thanks to all those who worked so hard to make the open houses successful. Let's continue to support our new dancers and work together for the well-being of all clubs.

On October 14 the **Promenader Benefit Dance** is scheduled. We hope everyone has their calendar so marked to include attending this important event.

Federation Meetings are in full swing, and are open to everyone. We welcome your thoughts and ideas. Please check the dates listed in your *Promenader*, and connect with your club Federation Reps and join them for a meeting.

Have a great and spooky Halloween and a Blessed Thanksgiving.

Don & Marian Ellinwood
Federation Presidents

This-n-That from the Editor's Desk...

As we go to press, the **Promenader Benefit Dance** is fast approaching. We are hoping that many of the wonderful aspects of last year's celebration will be repeated. We have a great staff of callers and cuers volunteering their time and talent, as well as many people involved with helping to make this an enjoyable evening for all. Let's make this, once again, a celebration of the entire square dance community in our area! Call everyone you know and remind them. And please help get the word around to anyone who doesn't yet subscribe. Remember, the 10% discount on all subscriptions at the dance. The new subscription year begins with the very next issue - December/January. For anyone who is not able to attend the dance, there is a subscription form in this issue, and club sign-up sheets will be available at the next Federation meeting.

Like our reporters, we sometimes have a difficult time thinking two months ahead when preparing an issue of the *Promenader*. Right now, we are still savoring the completion of summer, and remembering what was for us the highlight of the season: the Cayuga Cut-Ups Weekend at Wells College. Like the Stevens (see page 4), we also plan to attend next year, and invite everyone who can to share in this wonderful experience.

And now, the 2000-01 dance year has begun. The open houses are happening and people are being introduced to the activity we all enjoy. Some clubs are trying new formats and/or schedules. Classes are forming. We pray that the upswing of interest that has begun to be evident continues to spread far and wide!

Boots 'N Slippers

At the time of this writing, we have not yet had our opening dance, but we look forward to a successful year. We have missed our Friday nights for the last two seasons, where we could meet our good friends

of many years. Our dancing may be a bit rusty, but it is only mainstream, and should come back to us without any trouble. Come and join us on the first and third Fridays of every month, at 8 o'clock. Mike Callahan will be our caller most of the time. As before, our dances will again take place at the Hilton Elementary School. We look forward to seeing all of you soon!

Cayuga Cut Ups

The Cayuga Cut-Ups appreciate all of the support for our successful Summer Weekend in August. We are looking forward to our class starting Oct. 5 with two open houses on Sept 21 and Sept 28.

During the last few months we have taken part in several demos in and around Auburn and we have plans for more in Oct. and Nov. We also have in our possession the Cloverleaf Club's banner.

Congratulations to our recent graduates, Tracy, Ruth, Clifford, Karen and Bill. We hope you all continue dancing.

On Oct. 26 we will be having a Halloween Party. Some of our dancers are very original with their costumes. On Nov. 16 we will have a Harvest Supper dish to pass beginning at 7:00 p.m. We welcome all dancers to any event. We will not be dancing on Nov. 27 (Thanksgiving) so our members can be home with their families. Our big Winter dance is the BLACK LIGHT DANCE ON SAT. Nov. 29 with Keith Harter calling and Jeanne Harter cueing. Please join us for a fun evening. (We have learned not to wear black to this dance.) We are looking forward to a fun year with our 40th anniversary coming up in 2001.

E-mailing...

Dear Reporters and other interested dancers,

If you are going to submit material by e-mail, please don't use attachments for copy unless you are unable to include the material directly in the text of your e-mail message. Not having to open attachments leaves less to worry about in regard to viruses.

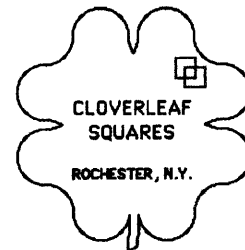

Also, because we use a Mac computer, and many of you have PC's, we often get a lot of gibberish when Microsoft word files come across the platforms. We work mostly in Quark Xpress. When we have tried to import Microsoft Word files sent to us in the past without first opening and resaving them in the Word application, they have often caused our Quark application to quit on us.

Thanks, *The Editors*

Cloverleaf Squares

We are dancing at the First Baptist Church in Chili, 3182 Chili Ave. from September through May 2001. Come join us for a fun night of dancing with our Club Caller Mike Callahan and our Round Dance Cuer Mark Thone.

We are saddened with the news of the passing of one of our members, Dwight Howard. We extend our sympathy to his family and friends.

On Saturday afternoon October 21 we will be going to the Amazing Maize Maze in Macedon. If you are interested in this fun activity, please sign up at one of our dances.

October 29 will be our Halloween Dance - interesting characters always show up for this dance! In early November we will be having another game night. Check the sign-up sheets for details.

Cloverleafs will be celebrating their 30th Anniversary with a special dance on Saturday, November 25 at Washington Irving School. Please check our flyer in this issue for all the details. There will be lots of dancing, eating, and hugging (or as we call them in the square dance world - YELLOW ROCKS!!!)

Copy Cats

The Copy Cat's annual summer picnic was held Wednesday Aug. 2 at Chip & Sue Kellogg's home. The meal, hayrides, live-stock tours, entertainment, etc.

were all superb, and I know everyone had a terrific time. This also turned out to be a surprise party, with cake and all, for Ron Brown and his wife to be Dorothy, wishing them the best on their upcoming wedding.

By the time this goes to press our Rusty Hinge dance (Sept. 16) will be history, and our Square Dance season once again will be in full swing. There are two special dances coming up, the Halloween Dance (Oct. 21) and the Veteran's Day/Turkey Party Dance (Nov. 18). Both these dances take place during our regular dance schedule, which is the 1st and 3rd Saturday of the month.

Remember our Open Houses, for new dancers, are Tuesdays Sept. 19 & 26, starting at 7:00 p.m. They will be held at The Episcopal Church of The Good Shepherd in Webster, at the corner of Rt.250 and State Road.

from 8:00 to 8:30, with a Phase III teach at 8:30. From 9:00-10:30, the level is a little higher. It's a fun level for those who have been dancing for awhile and somewhat more challenging for those who are newer to round dancing. Classics and popular new dances, along with requests, are all included on the dance program.

Finger Lakes Squares

Did you ever go to a rally where there were 7,124 motor homes and similar RVs lined up on and around an airport runway?

The Sterns did, and lived to tell about it. Actually, they had a wonderful time, and Bob got some free repair work done on his vehicle by manufacturers reps. They were stacked in like cordwood — no room to square dance. (No room to land an airplane, for that matter.) Somebody must have some pull somewhere, as we understand this was done on a working Naval air base. Maybe they don't fly on weekends??

The drive to Geneva is lovely these days, so please drive down and join us on a Thursday evening for some fun A2 dancing. As the school year gets under way we will be returning to the North Street School in September. Bob will be calling there every Thursday through Nov. 16. As of this writing, the caller, if any, for Nov. 30 is undetermined. Call us for late-breaking information.

Friendship Squares of Geneva

Many Rochester area dancers will want to join us Sunday afternoon, Nov. 12, we hope, for a special dance called by Mike Callahan at the Geneva American Legion, on Route 14 at the south edge of Geneva. Early rounds with Bill Newman start at 1:30; squares 2x2 with rounds from 2-5. **See full page ad in this issue.** The optional buffet to follow is very tasty, a fun social time and helps by paying the hall rent. See you there!

P.S.: Our Friday night dances will start at 7:30, preceded by 1/2 hour of rounds — earlier than last year, and end at 10 so we're out by 10:15 to placate the school custodians!

Genesee Dancers

The Genesee Dancers are in full swing with dancing and Fall activities. Mike is doing a great job of calling and cueing including our once-a-month line dancing. We are looking forward to our upcoming Halloween Dinner Dance at our dance hall on 10/26. You are urged to come in costumes — there will be prizes!

GENESE DANCERS

We will be having our annual appreciation night too sometime in November. Once details are completed, announcements will be made.

Looking ahead, please remember we won't be dancing on November 23, Thanksgiving, but will resume on Thursday, November 30. Our annual Christmas Dinner Dance at the Green Lantern is Thursday, December 14. For further details on any of these activities, please call our program chairpeople at 586-3825 or 425-2178.

The nominating committee will be scouting around the dance hall for new officers for 2001 so please welcome them kindly, listen to them, and follow your heart in the true spirit of Genesee Dancers. It is always good for the club to have new faces as your leaders.

Reminder — the **Promenader Benefit Dance** is Saturday, October 14 at the Washington Irving School on Chili Ave. Please come out and help support our local square dance newsletter. Further details are listed in the Promenader including all callers and cuers.

As always, Genesee Dancers extends an open invitation to everyone to drop in and dance with us. For more information, please call 586-8453.

Kuntry Kuzzins

On August 19, your Kuntry Kuzzins held a very successful community dance and demo at the Presbyterian Church in Newark.

Great fun was had by all and a lot of interest was shown for Modern Western Square Dancing. Sid Marshall from Penfield will be teaching our class Tuesdays at the Kelley School in Newark at 6:30.

Your Kuntry Kuzzins have cancelled their Oct. 14 dance in order to support the Promenader dance at Washington Irving School in Chili. See ya there!

Our Halloween Dance is Sat., Oct. 28. We'd love to see you in costume (square dance costumes are permitted). Dave Eno is calling, with Dottie Reed cueing.

Sadie Hawkins shows up November 11. Dis be ar funniest, most hilarious dance. Li'l Abner costumes add to the fun. Git yer picher taken in da one holer or next the animals or unner da clothes line. Hee! hee! — my favorite dance of the year. Dave and Dottie are at it again.

Nov. 25 is our famous Craft Nite — a good time and place to get started on the holidays. Phil Eno will be very busy calling and cueing. When we have a floor, he cues some higher level dances — a great night of dancing.

Silver Squares

We welcome everyone back to another season of dancing. Silver Squares has a great schedule for the fall. On October 9 we welcome as guests WAYNE WESTERNERS and LIMA

GRAND SQUARES. Halloween will be celebrated on the 30th with cider and donuts and a T-shirt contest. So bring out the T-shirts, the most unusual, the most colorful or most creative, and we will have a great time.

On November 6 we welcome as guests Belles 'n Beaus and Genesee Dancers. On Nov. 20, Thanksgiving is celebrated with the usual festivities and a pizza party. Of course everyone will be getting their fill of turkey later that week.

Please mark your calendar for the Christmas party on December 4. We will have all the details in November. We recognize that it takes cooperation from all club members to be successful and the help from members who provide such generous contributions to the refreshment table is really appreciated. So a big THANK YOU to all of them.

For dancers who haven't been able to find us, **see the ad in this issue** and if you still have questions please call one of the information numbers. We are always glad to see

Now hear this — doesn't matter if Pop just got his new wooden leg and it doesn't fit right! Drag him to Washington Irving School on Chili Ave. in Gates on Friday night October 6, 7:30 p.m.! Tom Miller, a nationally renowned caller, will be calling for us that evening and you don't want to miss that dance. We first danced to Tom's calling at the Cannonaders' Ball in Gettysburg, PA, several years ago and discovered him again at the National Convention in Cincinnati. He has a style that you will really like. To top off the evening, our own club cuer, Mark Thone, will be calling rounds.

The following Friday we will be at our new dance hall — The Brighton Recreation Center, located on the east side of Winton Road just north of Rte 590 in Brighton, with Dave

Eno coming in to do the calling. Dancing will begin at a new time of 7:00 p.m. and end at 9:45 p.m. Look for the sign on Winton Road directing you to our new hall. The facilities of the Brighton Recreation Halls will be our new venue for most of our future dances. We felt that a more central location in a facility more suited for dancing was necessary to keep all our faithful members coming back, so please join us as we initiate our new hall. On Friday the 27th, Bob Ellis will be haunting us all with his calling for our Halloween Dance to be held at the Olympia High School Cafeteria on Maiden Lane in Greece beginning with Rounds at 7:30 p.m. and during the evening FREE PIZZA WILL BE SERVED. So wear your finest costume and bring your appetite — prizes will be awarded for the best costume. Our regularly scheduled dance on Nov. 10 has been cancelled so we can join Country Twirlers at their dance at Washington Irving School in Gates on Nov. 11 as Tim Crawford will be calling and we all enjoy dancing to Tim's calling with the Country Twirlers. See you there.

The Care and Feeding of Petticoats...

Is it time for your petticoat to be freshened up? Were you happy with the petticoat after its last laundering? Was it bright white or a dingy gray-ish white? Everybody has their favorite method of refurbishing the petticoat. Here are a few of the most popular methods of sprucing it up.

First of all, lets look at getting that netting back to a crisp color, even white. The most "tried and true" method is to use 1 cup of Cascade automatic dish washer detergent to one washer tub of very warm to hot water on a setting of "pre-soak." After the petticoat, waist encircling the center washer post, has completed its prewash cycle, rinse it thoroughly or run through a regular wash cycle.

Now the slip is ready to spread over an open umbrella which has been propped up between pillows of the couch. Pull out the lace and layers of tulle or nylon. Allow to dry completely (usually overnight) before removing.

Nothing pulls down a petticoat faster than being hung. Add weight of the water and before long that petticoat is truly flat. Drying a petticoat on top of an open umbrella helps to eliminate or, at least slow down the going flat process.

The following materials can be used to put the pouf back into your petticoats:

"Future" floor wax (or any of the acrylic floor waxes which will not yellow), and a round oil pan (look for clean, new one) or use a bathtub or large sink. Dip the clean petticoat into the pan into which you've poured about one

quart of acrylic floor wax. Make sure the whole petticoat is saturated. Pull upward by the waistband, allowing the floor wax to drip into the pan (save the excess wax to use another time). When dripping has ceased, shake lightly, then spread petticoat over an old, open umbrella to catch the wayward drips of floor wax. Preferably dry the petticoat outside on the patio (not in direct sunlight); but if weather is inclement, spread papers on the floor under the umbrella to catch the wayward drips of floor wax. Dry thoroughly before removing; your petticoat will be stiff again.

A second way of stiffing is to use powdered milk. Yep, that's right. powdered milk!! Mix 1 cup Carnation (doesn't leave an odor) powdered milk with 3 cups water; blend well. Dip petticoat in mixture and allow to soak up all of the mixture. Spread out to dry. The milk may tend to stain the umbrella or carpeting, so be prepared.

Here's another idea that works. Use 3 oz. of Elmers White Glue to 3 quarts of water. Dunk the petticoat, thoroughly saturating the skirt, and allow to drip excess liquid. Spread over your umbrella and dry.

If you don't want to be bothered with the drip and dry methods, try this one. Wash and spin dry your petticoat. Lay it on a flat surface or on a hanger and spray each layer with spray starch. Quickly place in dryer and dry at low temperature for a couple of minutes. One can of spray usually does three petticoats.

Pointers for Good Angeling ... From the Promenader Files

Do...be quiet while the caller is talking or calling; don't drown him out, don't say or do anything that will distract the student from what the caller is saying. Especially don't try to add helpful comments, because you will only confuse the poor student who is trying to listen to two different sets of instructions at the same time.

DO...listen carefully while the caller is talking or calling: show the students by example that the caller needs and deserves their full attention. Who knows? Maybe you will learn something about the basic calls that slipped past you the first time around.

DO...listen carefully to what the caller is saying: be sure you understand what he wants the students to do and exactly how he wants them to do it. And do it that way yourself. Don't introduce twirls and other flourishes to the class, and especially don't substitute a swing for a proper dosado; they'll learn bad habits soon enough without your help.

DO...help the students by being exactly where you are supposed to be at all times. Be guideposts to help the stu-

dents locate themselves, and teach them by example how important is precise positioning.

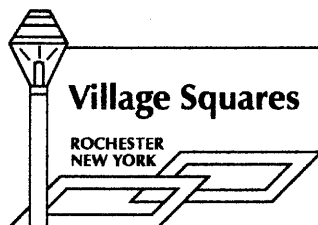

DO...by your example, teach the dancers to take hands whenever possible. Among several other advantages, this is a great source of guidance and assurance to the students. But your guidance should be confined to gentle hints; don't try to push or pull them around. They will learn much faster and better when they are allowed to make their own mistakes. Pointing or some other hand gesture

will often be enough. Verbal comments should be limited to a quick "turn left," "stand still," etc., said in a low voice to someone who is right next to you, if you see they are confused in the middle of a movement.

Village Squares

Autumn in New York is square dance time! Put on your best and come on out. Swings and twirls are the best antifreeze money can buy.

For plus lessons, starting Wednesday Oct. 4, see our ad in this issue. Our main stream class starts at 35 Lincoln Ave., Pittsford at 7:30 p.m. on Tuesday, Oct. 3.

Save Wednesday, Oct. 25, for the Mask Dance. Instead of the full costume extravaganza that has brought lifetime notoriety to some club members, this year you don't have to wear a thing, except a Lone Ranger mask, to get in the door. If you're the prize hungry type, think about an original mask enhancement.

Wednesday, Nov. 1, is your chance to cast your presidential ballot. The votes will be tallied and the next President of the United States named right after 50-50. No campaigning will be allowed on the premises.

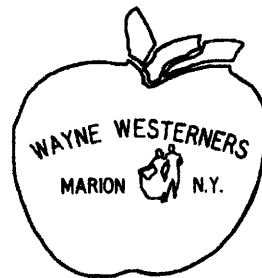

Wednesday, Nov. 15, will be our annual Barn Dance. If you look like you're trying to square dance and farm at the same time, you'll fit right in. Jerry Carmen has promised "Old Time" dancing — that's traditional dancing, including contras (reels) as well as western dancing.

Congratulation to Lois and Larry Stein who were married in a lovely ceremony witnessed by about 350 people on September 9th. We wish them happiness in their beginnings. The wedding was attended by a number of family and friends including 2 callers, 2 cuers, and greater than 8 squares at one point. Ron Brown and Judy Wing sang several songs during the ceremony.

We have changed our dance location. We are dancing at the Ontario Primary School on Ridge Road, just a block down from Rt 104. If you are visiting, take Rt. 104 to Rt. 350 south to Ridge Rd., then take a left and look for the school on the right (south side). We are dancing 1st and 3rd Fridays from 8:00-10:15.

We hope that you will come out to dance and to help this club grow in the 2000-2001 dance season. Now that we are a little closer to Rochester perhaps we can get more dancers to visit. It is only 20 minutes from Kodak Park.

I have moved to the Syracuse area but continue to call in Rochester. My new address is 8610 Osborne Drive, Cicero, NY 13039-9262 • (315) 699-1144 • e-mail: rbrownraytron@aol.com.

Pointers for Good Angeling... *continued from previous page*

DO...after the end of a tip, tell the caller about anyone who seems to be having special difficulty with a movement. Don't try to straighten him/her/them out by yourself. Send them to the caller for extra help, even if they ask you questions about the square dance movements. Besides giving the students an answer straight from the horse's mouth, it will also help the caller to keep in touch with the progress of his class.

DO...remember that you are there to help the class learn. Good Angels on the floor will help them learn faster, but the main reason for having angels is to fill in squares so that no class member has to sit out and miss the practice that they need so much. The class members could get through a lot of material if there were three couples of expert dancers in each set, but remember that the important thing is for them to learn for themselves how to dance when there aren't a lot of angels around.

DO...reassure the students when they do something right. Mostly, a smile and a nod are enough.

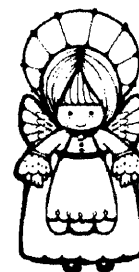

DO...remember that people learn things at different

rates and degrees of ease. Be especially friendly and encouraging to the ones who learn more slowly than others. Very often these, with help lasting through the class and after graduation too, will become very good dancers and still be supporting the club long after the hot-shots have either gone on to "higher" things or have burned themselves out and disappeared.

DO...give the caller a compliment once in a while for something he's done well. He's human too, and appreciates a kind word just like the rest of us.

DO...sit down and make friends with the class members during the rest periods, instead of gathering in one corner, in a walled camp of club members.

DO...Above all, DO remember that you are not only helping the class members learn to dance, but also playing an important part in forming their attitude toward the square dance world, and your own club in particular.
