CHEF'S CORNER...

With the Holidays coming along quicker than we might think Here is a wonderful fruity cake that will be a hit at any of the holiday gatherings. you won't go wrong with this one!

BUNDT PAN BOBKA

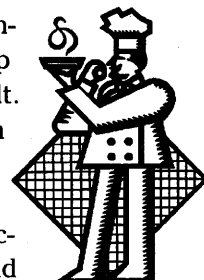

2-1/4 cups all purpose flour	1/3 cup mixed candied fruits
1/3 cup sugar	1/3 cup raisins
1 envelope Fleishmann's rapid rise yeast	powdered sugar
1/2 teaspoon salt	RUM SYRUP
1/2 cup milk	1/2 cup sugar
1/4 cup butter or margarine	1/2 cup water
3 large eggs	2 teaspoons rum extract

In a saucepan, combine sugar, water and extract. Bring to a boil, stirring constantly. In a large bowl, combine 3/4 cup flour, sugar, undissolved yeast, and salt. Heat milk and butter until very warm (120°F to 130°F).

Gradually add to dry ingredients. Beat 2 minutes at medium speed of electric mixer, scraping bowl occasionally. Add eggs and 1/2 cup flour. Stir in remaining flour to make a stiff batter. Cover, let rest 10 minutes.

Stir batter down, stir in candied fruit and raisins. Turn into greased and floured 10 cup Bundt pan. Cover; let rise in warm draft free place until doubled in size, about 1-1/2 hours. Bake at 350°F for 30 to 35 minutes or until done. Before removing from pan, immediately prick surface with fork. Pour rum syrup over cake. Let it stand 10 minutes to allow syrup to be absorbed. Remove from pan, cool on wire rack. Sift powdered sugar over top.

Enjoy! *Chef Z*

READER'S RECIPES...

If you have a recipe that has been especially enjoyed by a lot of folks, please feel free to share it with others on these pages. Here is one that Orlo Hoadley shared with us:

VICKI'S VINAIGRETTE

1-1/2 cup olive oil (Berio recommended)	1/2 tsp. white pepper
2 tsp. dill weed	2 tsp. dry mustard (Coleman's)
2 tsp. salt	1/2 cup cider vinegar

Add ingredients in the order given and shake well.

Suggested variations:

Add 1 tsp. marjoram or tarragon
Add 1 tsp. powdered ginger
Add lemon juice to taste
Substitute about 1/5 of vinegar with wine vinegar or tarragon vinegar

Note: It doesn't do any good to add garlic to the dressing, because it is very quickly pickled by the vinegar. Garlic should be added fresh to the salad greens.

Presidents' Corner...

Dear Dancing Friends,

During this holiday season we are looking forward to enjoying the many scheduled dances with you. We are fortunate to have many dances available to us; the six new classes that started in September; and our callers, who are not only highly qualified, but who are working hard to keep clubs and square dancing active and fun.

Even though we have much to take pride in, we must recognize that we will be losing dancers who must be replaced. Seventy-five percent of our dancers are over 60 years of age. The relative age of our members makes it difficult to fill leadership positions in clubs and to attract new members.

We are grateful as presidents to have the help of all our clubs working through the Federation. We have recognized the problems we face, and we have developed and are continuing to develop programs to meet them. We are particularly excited by the enthusiasm generated by Randy Page, a Caller-lab certified caller-coach from Danbury, Conn., who shared his experience at our recent Federation Day on November 2. Randy introduced a multi-cycle program seven years ago and built one of his five clubs from one square to where it is now dancing twelve squares.

With a multi-cycle program and innovative approaches to obtain prospective dancers, such as the contributions of dance

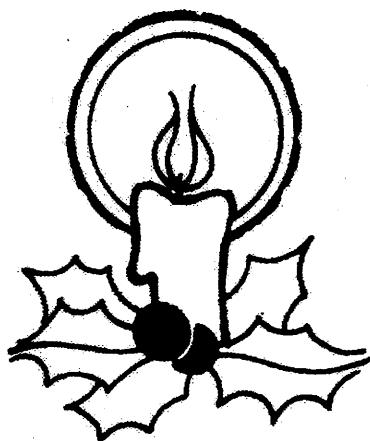

parties and dance lessons for charity auctions, we are hopeful we will have new classes starting in January and in following months in addition to our traditional September classes. Two clubs are now gearing up to host dance parties and to start "new dancer programs" in January.

Programs, however, no matter how good they are, don't accomplish a thing. It is you and me who must make the programs work. Everyone can help! As soon as you know of a Church Bazaar, charity raffle and/or other community event where we could donate our dance parties and free square dance lessons for auction, please call us or Tom Chrzanowski. Just let us know about the event — we will do the rest!

We will be giving a demo at the Dance for a Healthy Heart for the benefit of the American Heart Association on Friday, February 20, 2004. Details are in this issue of the *Promenader*. If you would like to help with the demo, please call us at 227-1505.

Our sincere best wishes to each of you for a joyous holiday season and a happy, healthy new year.

Promotion & Development Team

Last year the Rochester Area Federation of Western Round and Square Dance Clubs Inc. formed an ad hoc committee to develop a plan to promote square dancing in our region. Tom Chrzanowski is serving as team facilitator assisted by Diane Whitcomb, Jon West, MJ Ebenhack and others.

In May, the Promotion and Development Team reported to the Federation on their ideas for promoting and improving the image of square dancing. The team asked for and was granted funding to:

1. Set up a new website with a special page for new dancers – www.SquareDancingRochester.org
2. Publicize a telephone number for interested parties to get square dance information – (585) 227-7122
3. Print a recruitment/publicity brochure for all clubs to use
4. Print recruitment/publicity business cards
5. Obtain free and paid advertising in local newspapers
6. List all Club Open Houses in community Calendars.

All these ideas were implemented prior to September 2003.

It has become clear that the work of the Promotion

and Development Team needs to be ongoing. There is no silver bullet that will reverse the decline in the number of square dancers once and for all. Promotion and recruitment efforts must be continuous and take many forms. The next steps that the Promotion/Development Team is working on include:

1. Having a column in every issue of *Promenader* to keep dancers informed on what is being done and how they can help in promotion and development activities.
2. Instituting a multi-cycle system of new dancer classes.
3. Sponsoring community benefit dances (at the "new dancer" level).
4. Including certificates for "dance parties" and square dance classes in charity auctions.
5. Identifying a Promotion Coordinator for each club to work with the Federation Team.
6. Soliciting donations for a "Square Dance Promotion Fund."
7. Selling promotional polo shirts
8. Working with the Arts and Cultural Council for Greater Rochester to promote square dancing through their extensive channels.

Everyone can do something to promote square dancing — an activity that is so beneficial.

THE DAPHNE-NORMA LEADERSHIP AWARD

Your assistance is needed in selecting a person or couple for the Daphne-Norma Leadership Award, which is presented at Dance-O-Rama. The Rochester Area Federation of Round and Square Dance Clubs, Inc., although it sponsors Dance-O-Rama, does not govern, sponsor or present the Daphne-Norma Award. It is governed by and presented by the award's Selection Committee. The committee needs you to nominate people you feel meet the criteria for the Award.

Award Guidelines

The leadership award was established in 1977 by John Fink and Frank Salvagio in honor of their wives, Daphne and Norma. The purpose of the award is to show appreciation for **EXTENSIVE AND SUSTAINED LEADERSHIP OVER AN EXTENDED PERIOD OF YEARS** in square, round or contra dancing. Leadership, service and motivation are considered when evaluating candidates for this award. A candidate need not demonstrate leadership in all areas, nor is each area given equal consideration. Areas of leadership may include (but are not limited to) years of dancing, cueing or calling; membership; committee service or officer role in any of the following: Square, Round or Contra club; Rochester Area Federation; *Promenader*; Dance-O-Rama; NYS Association or National Associations; promoting the activity through calling, cueing or teaching, and other leadership roles which benefit the community through the dance activity; and finally, the candidate's attitude and continuing willingness to take on responsibilities in the dancing community. An individual or couple may win the award only once. The award may not be given if the Selection Committee unanimously agrees no one met the criteria. Anyone in the dancing community is welcome to nominate people for the Leadership Award.

Questions You Might Have

Q: Who is the Selection Committee? The award originators are permanent Selection committee members. But because the Salvagios are not active in the dance community anymore, Frank asked Walt and Sally Baechle to be permanent members on the committee. (Walt passed away on Oct. 3, 2000.)

The most recent three recipients form the remainder of the committee. So currently, the members are John & Daphne Fink, Sally Baechle, and Ed & Sybil Briggs, Don and

Marion Ellinwood, and Gary and Alice Bubel.

Q: How do people get nominated? Anyone in the dance community can nominate a candidate. This is done by sending information about the candidate's qualifications to the Selection Committee, in care of Gary and Alice Bubel, 7767 Walker Rd., LeRoy, NY 14482, by the end of February.

Q: What is the status of people previously nominated, but not selected? Candidates previously nominated generally stay in consideration for all future years. However, new or updated information should be sent. There is nothing wrong with sending in another nomination with current info.

Federation Fun Day

On Sunday, Nov. 2, the Federation held a "Fun Day" at Brae Burn C.C., in Dansville. Above, Randy Page, a caller-coach from Dansbury, CT, explained his multi-level program to representatives from many of our clubs. Later, he joined several CCR callers and cuers in providing some dancing fun for the gathered group. Here, Jerry Carmen helps adjust the equipment.

New York State Fair Square Dance Festival A Note of Thanks...

I wish to thank the dancers that supported the Square Dance festival at the New York State Fair on Tuesday, August 26, 2003. Participation from the Rochester Federation with their proudly displayed Federation shirts was excellent. There were over 100 dancers in attendance. The Copy Cats had the largest group followed by the Dalton Gang. Thanks to the Hip Boot Boys for doing a great job and our guest/surprise Caller Bob Schlenker (from Florida) and one of the original Hip Boot Boys.

During the dance several people approached me to ask about taking lessons and will hopefully be taking classes this fall. The tent/stage manager who has managed the tent for several years said that this year's event was the best he had ever seen. He was especially impressed with the enthusiasm and that the music selection was a departure from what he had heard in the past. He also said that he had a completely different opinion of square dancing. He thought it to be a fun activity and very entertaining. Similar comments were made by other observers, which was clearly evident because they stayed to watch for some time.

While we may not have recruited as many new dancers as we would have liked, we were visible, enthusiastic and skilled. The casual dress and music selections projected an image that will help to interest people in our activity. Several people asked about the Federation shirts worn by many of the dancers. Dancers from Syracuse and Central New York were especially impressed with the turnout from the Rochester area. Thanks for your support.

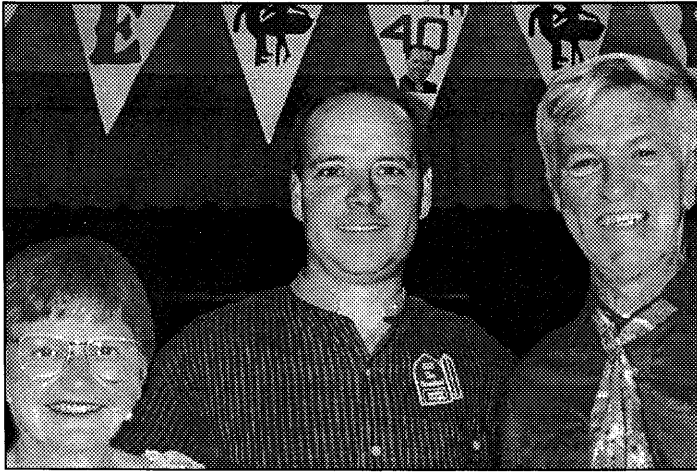

Sincerely,
Ron Brown
Chairman, New York State Fair
Square Dance Festival.

40 Years (and a Fraction), And 40 Country Twirler Dates

On Saturday, Nov. 1, Tim Crawford, calling for the 40th time at the Country Twirlers, is flanked by Kay and Ken Georger, presidents of Country Twirlers.

Historical Note – IT ALL STARTED in 1984: Lloyd Dysart, with his late wife, Jean, was president of Country Twirlers when they became the first club in the United States to hire Tim. Lloyd was present at Tim's 1984 appearance, and also attended the Nov. 1, 2004 event.

E-mail from Iraq — (Shawn Callahan)

EDITORS' NOTE: *Caller Mike and Wanda Callahan's son, Shawn, is stationed in Iraq, and recently shared in an e-mail message some of the particulars of his experience. We are reprinting part of that e-mail here, and hope you will join us in praying for his well-being and safe return home.*

Hey everyone,

Everything is going well here in Fallujah, Iraq...the place where all the action is in this country. We are in the heart of the conservative Sunni Triangle, where foreign terrorists, Islamic extremists, and former regime loyalists (FRLs) come together. The result is a lot of attacks on Americans. It's my job (and the job of the other intel analysts here) to try and find the people conducting and funding these attacks and either kill or capture them using the firepower of our trigger-pullers on the ground. We have a variety of intel assets here from Human Intelligence specialists, to Signals Intelligence to Imagery Intelligence and beyond. Luckily, I did a lot of the same thing in Afghanistan (just on a smaller-scale level), so I have some experiences to draw upon.

I am living in what is called the MEK compound. In 1996, Saddam Hussein invited a league of Iranian terrorists (the Mujahadeen E Khalq—MEK) to this place in order to train them to conduct an insurgency into Iran, should a war between those two countries begin once again. Now,

Hey, do the math. Tim Crawford started square dancing at the age of eight, and started calling at the age of nine!!! So in Tim's 31-year calling history, he has called 40 times for the Country Twirlers. Is that "True Love" or what!

I was discussing all of this with Mike Callahan at our Tuesday night Shamrock Squares dance, and Mike offered: "Did you know that my mother and father helped start the Country Twirlers Club!!!"

All of this is too much for me (caught without my note pad); however, ask Ken Georger for a complete history of this remarkable relationship. He did a great job summarizing it all at their celebratory dance on November 1, and inasmuch as he did it from notes, I know that he can play it back for you. I am certain that Mike would be happy to add his layer of insight too.

Tim and Mike have a long-standing friendship also — although Mike didn't start calling until he was thirteen. Tim is a member of the Executive Committee of the Board of Governors of CALLERLAB, and Mike is a CALLERLAB executive also; which brings them together "officially," on many occasions. More important to us, they are both great callers, and we are indeed fortunate to be able to dance with these two outstanding people, right here in the Rochester area.

*Roving Reporters
Dick and Irma*

we have taken over the compound and kicked out all of the Iranian terrorists. There are a lot of bombed-out buildings here, as well as bomb shelters, tunnels, etc.

The quality of life/standard of living is OK for now. The biggest issue seems to be power. Everything runs on generators, some of which are Arab pieces of junk that break every 5 minutes. While all of the essential pieces of equipment run on American generators, the quality of life stuff (air conditioners, lights in rooms, etc) is hooked up to the other generators that never seem to work. Oh well. Things will improve. Food is OK for now. They do have a cantina here with Iraqis selling native food. A lot of it is actually really good and cheap (whole chickens cooked for \$4). The conditions that the food is cooked are less than sanitary, however, which is the reason I am getting over a stomach virus. I have eaten at the cantina about 4-5 times since I've been here. Luckily, we do have the luxury of showers, also, and I have been taking one every day or every other day. Showers are set up in tents, almost like Afghanistan.

In other news, Drew Carey is supposed to show up this afternoon. I hope all is going well there in the states. I wish I could be there to enjoy some of the cool weather. It is still about 105-110F here in the daytime (although it gets down to about 70F at night). Ok, gotta get going.

— Shawn

Angelo DeFelice Honored by Le Roy American Legion

The Le Roy American Legion has chosen square dancer Angelo DeFelice as its 2003 recipient of the Le Royan of the Year award. Angelo and his wife, Alice, have been active participants in the square dance community since they took lessons with Ron Fotch at the Calico Squares in 1972. Helping out whenever they could, they served as presidents and treasurers of Promenading Bees, and put on spaghetti suppers for the Bees for many years. They were also the subscription editors for the *Promenader* for 10 years. Angelo has been very active in the Boy Scouts and the volunteer ambulance in Le Roy.

The following is a reprint of an article which appeared in the Sept. 15 issue of the *Le Roy Pennysaver*.

35TH LE ROYAN OF THE YEAR

by Weegie Pratt

The focus of the American Legion Award Program is to recognize people who demonstrate the true spirit of Americanism, good citizenship and service to the community. Angelo fills all of these qualifications. He has lived in Le Roy for 37 years and has donated generously of his time and talents to the community. Starting in 1966 he was a Webeleos leader and a Scoutmaster. He received many awards for his ac-

tivities with the scouts such as The Wood Badge Training from Genesee Council BSA, the George Meany Award, a national award in recognition approved by the AFL CIO executive Council, and was Scout Master of Troop #22 for eight years.

In 1983 Angelo joined the Le Roy Volunteer Ambulance. Influenced by the Rev. Bernard Campbell he saw the need for volunteers. He took First Aid Courses and Driver Training. With the knowledge he gained in his five-year stint in the Air Force, Angelo became LVA's assistant maintenance officer as well. Over the 20 years he served LVA, Angelo took continuing education programs, served six years on the Board of Directors, 18 years of vehicle maintenance and spent many hours on other related duties. From 1986 to 1996 Angelo attended many meetings with LVA Explorer Post Activities and for the past 13 years he has worked the food booth for LVA at the Oatka Festival.

Angelo has been awarded many Driver of the Year Certificates and three times won the LVA Presidential Award of the Year. He has logged over 15,000 hours of service and has completed over 2,000 calls for transport to area hospitals.

In 1959 Angelo married Alice El-

Angelo DeFelice

grin. They and their children David, Joseph and Debora were faithful members of St. Joseph's Catholic Church. They have six grandchildren. Angelo worked for Lapp Insulator for 41 years and retired in 1996.

Catherine Stone, chairman, announced the dinner honoring Angelo will be held at the American Legion on October 18, cocktails 5:30 to 6:30 p.m. and dinner at 6:45 p.m. Tickets are \$13.00 and can be purchased from The Bank of Castile, The Bank of Geneva, Fleet Bank, Martha's Smoke Shoppe or any committee member.

OUR PROMENADER, "THE MAGIC'S IN THE MAKING"

Irma and I thought it might be fun to follow Betty and Andy Ludwick and their prize winning Promenader staff around during the production cycle for the October/November issue; as you will see, there is more to it than meets the eye and doing most of it in just a two or three week turn-around time makes it almost like "magic." We enjoyed it; hope you do too.

We arrived at Betty and Andy's house on a rainy afternoon, and quite fittingly, Labor Day! Of course, that is part of the "magic," these two are working while the rest of us are goofing off...and although it may be a labor of love, they both bring a professional approach to everything they do to make it all work smoothly. While Betty inventoried inputs from all the clubs and advertisers, Andy was

ting and layout required to get the prepared copy to the proof readers, Phyllis and Gene Eseltine, who in a crunch can turn everything around in twenty-four hours! Hey, as dead-lines approach, the final corrections have to be made and the "hard copy" delivered to the printer, or we don't get our *Promenaders* !

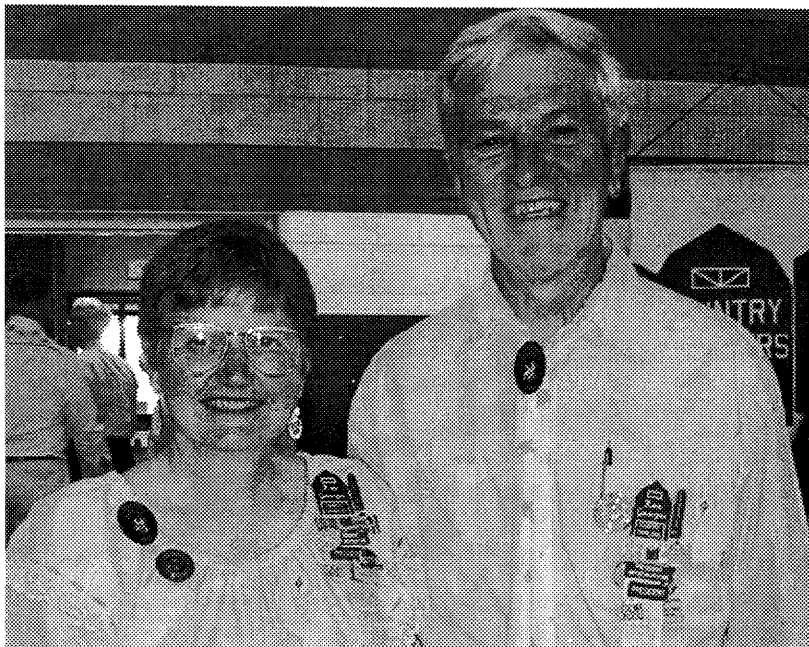

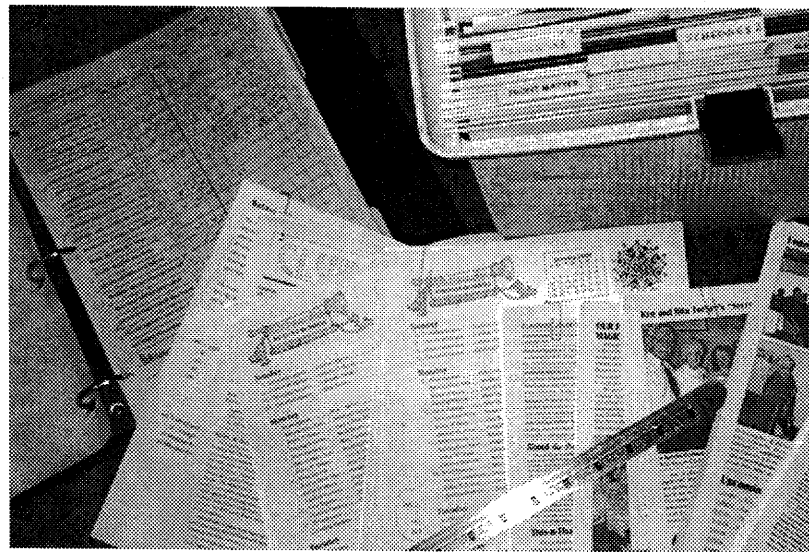

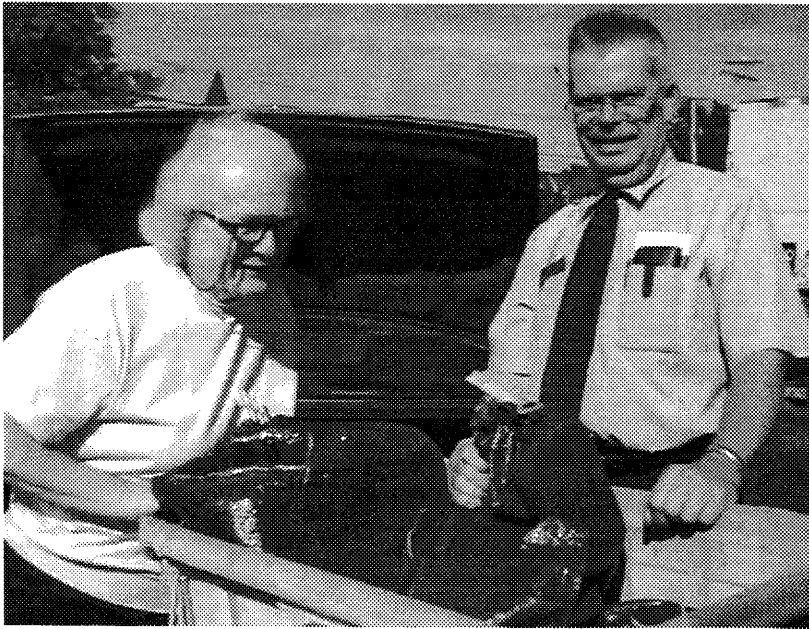

busily at her side filling in what I call a "Do we have it all matrix." First the mail-in or "drop box" material was sorted, inventoried and filed, and then the electronic inputs. In the process, Andy's chart revealed which clubs were delinquent; prompting e-mails or phone calls to try and fill in these few blanks.

At this point Andy's stack of work consisted of all the raw input that required scanning, typesetting, or other work to permit Betty to electronically process the various inputs into final format (and this is where the real magic comes in): I was impressed! Of course, we did not stay to see everything come out the end of the pipe; however, we did observe representative samples of all the exemplary processes. Somehow they will complete all of the sorting, scanning, compiling, typesetting, format-

The printer is Empire State Weeklies of Webster, NY. Dave Young is the man that makes it all happen there, turning out almost five-hundred copies, and working hand-in-hand with Dorothy Woodams, who maintains our subscriber database. In addition to providing data base "sorts" to satisfy a number of requirements, and especially making sure all of us get our

EDITORS' NOTE: An article about what goes into the *Promenader* would not be complete without mention of our hard-working volunteer reporters, as well as the author of this article, Roving Reporters Dick and Irma Halstead, who do their own photographic and journalistic magic, helping to keep our readers informed.

Continued from previous page...

copies, Dorothy also labels and sorts the *Promenaders*, maintains the required level of "expertise" to satisfy all of the U.S. Postal Service requirements for forms, and then collects and deposits subscriber funds.

Oh yes, and every organization needs another couple that can help with whatever is needed, like Ken and Kay Georger, who keep the financial books, make deposits, do financial reports for the Federation, and according to Betty: "Just help in so many ways!"

The least we can do is show up at the *Promenader* Dance and make everyone's job easier — and then of course, read this wondrous little "gem" that gets us all to the right place at the right time. It wouldn't hurt to support our advertisers either — telling them: "I read it in the *Promenader*!"

I always take time to thank Betty and Andy too. Did you know these two each have regular jobs? ... Andy as a database administrator at R.I.T., and Betty as the graphics/editorial director at the *Ledger* (a weekly newspaper that also publishes *Golf Week Rochester*).

Are we lucky or what!

Ken and Rita Tucker's "Secret" Recognition Dance

A Special Gathering: (L. to R.): Tony and Marry Culotta, Bonnie, Ed Briggs, Rita, Ken, and Sybil Briggs.

Ken and Rita Tucker started dancing in 1981, and have been helping others do the same thing ever since. I know we met them everywhere, and Rita seemed to be pulling me through whenever I hesitated, wherever we went. Evidently many of you have the same pleasant recollections; there were over two-hundred of us crowding the First Baptist Church in Penfield on October 1st for their "Surprise Recognition Dance."

It seems Peter & Sally Emmel got

the recognition thing started, and when Carl & Susan Thomas (pres. Village Squares) got involved, a committee was formed and it went from there. The great facilitator; however, was Ken and Rita's own daughter, Bonnie, as she solved the secrecy logistics. Rita proudly announced that Bonnie is also now learning to square dance.

Everyone at the dance had an opportunity to provide their own reminiscences of what makes these two friends so special; Mary Culotta makes

the claim: "If Rita is not a Saint, then she is at least a special Angel of God." Ask Mary to tell you about it, you will agree.

The highlight of the evening (in addition to Jerry Carmen's great calling), was Ed Brigg's presentation of the Circle of Service award to Ken and Rita. This award is given for extraordinary service in support of square dancing, and must be presented by a recipient (as Ed and Sybil Briggs are).

To the best of my knowledge, Ken and Kay Georger and Bill and Edith Thomas are the only other recipients in our area. Happily, we now have four such well deserving square dance couples.

CCR CALLER'S CO-OP

The Callers' Co-op of Rochester joined in on the Federation Fun Day on Sunday, November 2 in Dansville. After a business meeting and a great brunch we listened to a program given by Randy Page (caller from Danbury, CT.) about his success using the Multi-Cycle teaching program at his home club. The recurring theme of Randy's

program was that we have to be ready and flexible enough to offer square dance lessons for beginners at various times of the year when people have a desire to learn and not make them wait until September and lose their enthusiastic spark. At our next CCR meeting on December 7, we will be discussing the Multi-Cycle program and how it might possibly fit into the square dance programs in this area.

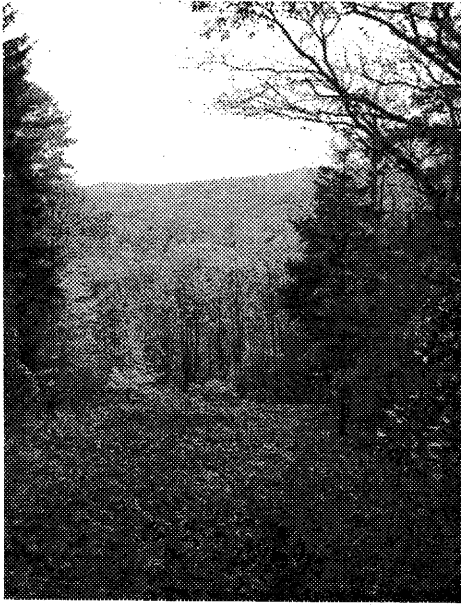

After Randy's presentation a dance was held called by CCR Callers

and a guest tip from Randy. We all enjoyed mixing and talking with area dance leaders.

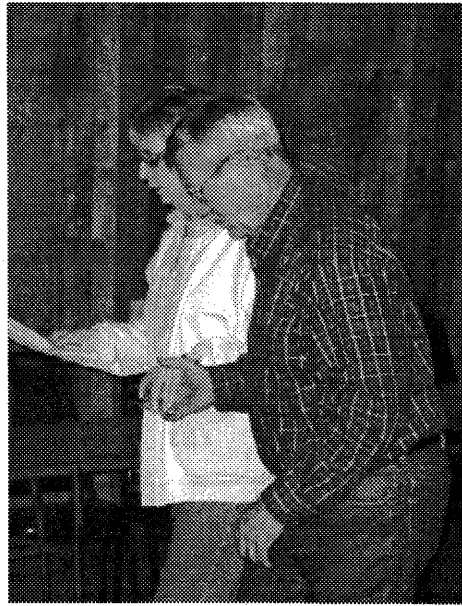

Remember: IF YOU WANT To BE A CALLER or have the desire to learn more about the calling profession, please contact Mike Callahan at 392-3807. If the CCR gets some interest, we will plan some interest/training sessions.

Belles 'N' Beaus in Bolivar

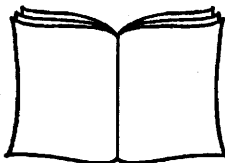

From Oct. 17-19, Belles 'N' Beaus sponsored a weekend getaway at the Hilltop Lodge in Bolivar, NY, nestled atop rolling hills near the NY/PA border. The participants were treated to a spectacular display of fall foliage

amid breathtaking views. Several rustic lodges clustered together provided lodging, excellent food, and dance hall facilities. Gary and Alice Bubel hosted round and square dance workshops, as well as Friday and Saturday night

dances. Several local dance clubs joined the group on Saturday night. Although the weather was cool, a great time was had by all, and plans are already underway for next year's gathering!

A Note to Advertisers:

When sending in flyers, especially those that are not on our system (for a new event which you didn't do previously, for example), please try to provide us with either a laser

printer copy (rather than ink jet) or a PDF sent by e-mail. This is because gray tones produced on an ink jet printer reproduce poorly in the publication process. Very often, we have

to rescan such images and rework them in order to make them usable. If you do not have access to a laser printer, an e-mailed PDF can allow us to print them on our laser printer for use in the *Promenader*. Thank you.

Cayuga Cut Ups

At this time we are looking forward to the holiday season and the fun of the winter months. We look forward to our yearly visit to the Cayuga County Nursing Home in Sennett, NY, and the Wheelchair Square Dancing with the residents. It is a very special evening for them and for us and we are welcomed with open arms. Phil makes it very interesting for the residents. We have been doing this every Christmas for several years.

Our holiday dinner/dish-to-pass is Dec. 18 at 7:00 p.m. and guests are welcome. There are a couple of weeks off for Christmas and New Year's and we resume on Jan. 8 when there is a guest caller, Ron Brown, and guest cuer Bill Howard.

Very appropriate — sweatshirt night Jan 15.

On Feb. 4 Dick Schweitzer is our guest caller and Bill Howard the cuer. Feb. 12 is our annual Valentine Dinner — dish-to-pass — and dance. Bring your favorite Valentine and join the fun. There will be all singing calls.

Our class is great this year and they are fast learners.

We wish all of our snowbirds who are travelling out of town for the winter a safe trip each way. We sure do miss them.

Have a Merry Christmas and a Happy New Year from your reporters, Fran & Jack and from The Cut Ups.

Copy Cats

The 2003-2004 dance year is well underway! Recruitment for this year's class was again successful and all are welcome to come out to Plank Road North School on Tuesday evenings (7:15) to angel our new dancers! Classes have become every bit as much fun as dances, regularly having at least four squares on the floor!

The Halloween Dance was, as usual, a huge success! Thanks to all who attended to make this a fun evening. Of the 52 couples present at this year's Fall Ball in Niagara Falls, 11 of them were Copy Cats! They walked away having won free tickets for that event next year and BOTH 50/50 drawings! Everyone should consider attending this event next year. It's always a great time!

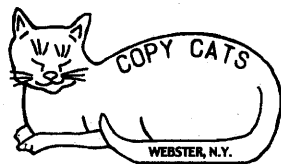

Mark your calendar for our Holiday Dance, to be held again at Penfield High School, on Dec. 20. This is a CLASS/CLUB event and we hope all clubs will encourage their class members to attend. A special incentive is being given for those who bring their class members along! See flyer for details.

SPECIAL NOTICE: The Copy Cats and Village Squares are again joining forces to co-sponsor a New Year's Eve Dance. See flyer in this issue for details and join us in bringing in the New Year!

The Copy Cats wish all of you a healthy, happy and safe Holiday Season!

Our Halloween picnic was again held at the North Shelter in Letchworth State Park. We are always amazed at the creativity of our members, both with their costumes and food. Prizes were awarded to all who came in costume.

The Federation Fun Day at Brae Burn for all club officers and CCR was educational and fun, in spite of the rain interfering with those who wished to golf. Following brunch, Randy Page — caller-coach from Danbury, Connecticut — discussed how the multi-cycle plan has worked in his area and answered questions from the floor. There were 13 callers (including Randy and his son Derek) present and several took their turn calling a set or round.

The Harvest Festival and Silent Auction is scheduled for November 18, with several other clubs expected. Thank you for your continued support.

Our Christmas party will be held on Tuesday, December 16, at 6:30 p.m., at the Keshequa Elementary School in Dalton. We are looking forward to delicious food and fun gifts, as always.

Guests are always welcome at our events.

Dancing Shadows

Dancing Shadows is an intermediate level (Phase 3-4) club that meets every Monday evening at the First United Methodist Church of West Webster, 570 Old Ridge Road. (See schedule in back of this issue for specific dates.)

We dance a combined program of Phase III and Phase IV with emphasis on Phase IV instruction.

We will not be dancing on Monday, December 8, as the church will be using the hall. There will be no Saturday night dance in December, as we will have the Holiday Round Up Dinner Dance on Sunday, December 14. (See flyer for details.) In January, the Saturday night dance is scheduled for January 17 from 8-10:30 p.m. These dances continue to be all levels, with requests encouraged.

Future Saturday night dances are scheduled for March 20 and April 17. Mark and I would like to wish you and your loved ones a very happy, healthy and safe holiday season. We look forward to seeing you on the dance floor during the coming winter months.

Friendship Squares of Geneva

The year 2003 will soon slip by and 2004 will be here. hope all had fun dancing.

Despite Hurricane Isabel, we had a good dance at our Watkins Glen Weekend. To all who attended, we thank you and look forward to seeing you next year. We have two couples already signed up.

We will only be dancing on the 12th in December. Return to our normal schedule in January.

The Friendship Squares wish everyone a Merry Christmas and a Happy New Year.

First, a note about the schedule as published in this issue: Dave's personal schedule is somewhat indefinite so he is unable to commit to any of our December and January dances as of this writing.

Jerry is, therefore, shown for all of the December and January dances. If Dave finds he can make some of our dates we will let our members know as the information becomes available.

October 30 — what a night. In addition to a fine evening of Dave's calling, we were greeted by an absolutely fantastic aurora borealis display. It covered most of the northern half of the sky and featured an intense red area along with more subdued whites and greens. We all kept checking outside during the breaks. Unfortunately it was mostly gone by the end of the second tip.

The construction work at the school seems to be done now, so we can, once again, park in the rear and enter the cafeteria directly from the outside.

Grand Squares

The Grand Squares Club is having a great year. We've had some very lively dances and everyone who comes is having a wonderful time dancing to the calling of

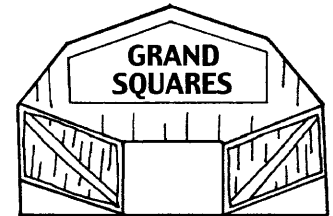

Gary Bubel and the cueing of his wife Alice to occasional rounds. In addition to a regular number of guests, we have had four new members join the Grand Squares this year. They are Joe and Cecile Tarantino and Nick and Donna Hober. Welcome!

On Thursday, October 30, six Grand Square couples visited the Victor Swing-A-Longs but somehow did not return with a banner, but with a shirt. It seems they were all out of banners and so we anxiously await their return visit so that Mike Herne can have his shirt back.

We hope you all had a Happy Thanksgiving and wish you a Merry Christmas, a Happy Hanukkah and a Happy and Healthy New Year! We look forward to seeing many of you at the Christmas Dinner/Dance on December 11 at Logan's Party House.

Don't be so busy that you can't join us for our only December dance, on the 10th, when we will celebrate Christmas! With all those goodies we need

to remember to get some exercise. Square dancing is a great way to socialize and share each others lives as we approach the Savior's birth. Our dynamic duo, Phil and Dave Eno, will help us kick up our heels.

That cold weather getting you down — come enjoy some warmth with us in January. Dick Whyman will fill in for Phil on the 10th but Phil will be back on the 24th. The 24th will be a casual dance but on January 10, classes are invited.

Just a reminder that our dances are earlier this dance year, 7:30 - 10 p.m., to get you home a little sooner on Saturday nights.

To top it all off, bring another couple with you as your guests and they'll get in free for all these dances (but not Kuntry Kuzzins).

Merry Christmas — remember the reason for the season!

Our Oct. 3 National Caller Dance was a fine success, with Jeff Priest substituting on the spur of the moment for Tom Miller. Our gratitude goes out to all who turned out to make it a great night. As those of you who were at the dance know, Tom's father was unexpectedly in the hospital. Our love and prayers go out to Tom and his family.

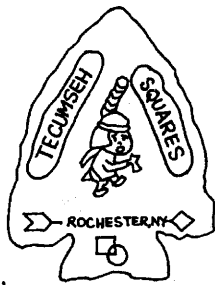

Please note that our December 19 dance will be at St. John's Meadows (retirement community). We've had fun dancing there in the past, and are trying to make it a recurring venue. We always have residents turn out to watch, so it has the flavor of a 'demo.'

We will not be dancing on the 12th of December to encourage folks to turn out for the Bubel Holiday dance the following night. We'll be taking off the day after Christmas as well.

See you on the dance floor.

Victor Swing-A-Longs

We here in Victor look forward to the Holidays and the coming New Year. On Dec. 11, we will not hold our usual dance as we plan to attend the special sponsored by "Belles 'N' Beaus." On Dec. 18, we will hold our annual "Dinner Dance" here in Victor. We do welcome guests and would be pleased if some would come from other clubs. Just bring a "dish to pass" and your own table service. We meet around 6 o'clock and plan to eat at 6:30. Dinner is followed by the dance. We hope some of you will come and enjoy the evening with us.

Of course, we will not dance on Dec. 25 and Jan. 1.

January brings our annual Sno Ball which will be on the Friday the 23rd. Gary and Alice Bubel will call and cue for this dance. We are canceling our dance on the 22nd in preparation for this special event. We will not be dancing on Jan. 15 - we plan to travel (weather permitting) on that night. On January 29 our dance will be moved to a different building. We expect to be in the Jr. High Cafeteria. Anyone planning on coming should give us a call for directions.

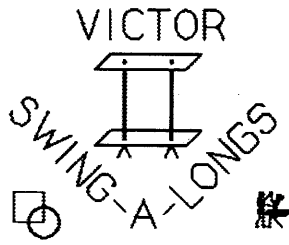

Victor Swing A Longs wish you all "Happy Holidays" and hope to see you at some of the area special events.

Camping + Dancing = National Square Dance Campers Association

In the late 1950's a very active group of Wisconsin callers and dancers gathered fairly often to camp and dance together. Then in the early '60's a couple from New Jersey who attended one of their weekends casually asked if they could start such a group back home. After serious discussions the Wisconsin folks suggested forming a National Square Dance Campers Association, for combining the best of both activities - camping with dancing. Membership would be through autonomous chapters who would in turn annually choose national officers to conduct the overall business of this fledgling organization.

Barely had bylaws been adopted when in March of '65 the first chapter - #001 Garden State Campers of New Jersey was well underway. And in quick succession various chapters were formed in WI, MI, OH, IA and NY. Ironically the Wisconsin group, who had created the idea in the first place, were so slow in submitting their own application, they were the tenth chapter (#010) formed! Thus they called their group "Pioneers", since they were first with the idea.

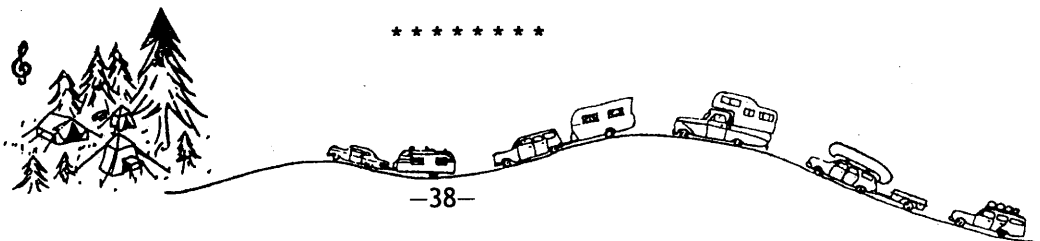

When dancing campers in Ontario, Canada asked to join, the NSDCA decided to identify them by putting a "C" before their chapter number, thus the "Swing'N' Canadians" became #C-028. BY 1970 the NSDCA became a coast to coast organization when a chapter formed in California. Although the fledgling organization had a quarterly magazine, the NSDCA TIMES, devoted to the happenings and schedules of the camping weekends of its chapters, it also realized the importance of providing an event where the chapters could gather and become better acquainted with others in Canada and the United States who shared their love of combining camping and dancing. This annual International Camporee, which is held in the summer, has become a popular event. Their most recent one was held in Horseheads, NY. Oshkosh, WI is the site for 2004 with Hastings, NE selected for 2005 and Illinois in 2006. Non members are also welcome to come enjoy the fun and fellowship of combining both activities.

Currently there are chapters in 32 states and 3 provinces. It makes no difference what style of camping a dancer enjoys, they are welcome to become a member. Whether they are a tenter, have a pop-up camper, or any kind of RV they are welcome. Most chapters, as well as the International Camporee, are family oriented with children and grandchildren always welcome. Some members are full-time campers while others are only able to spend an occasional weekend camping and dancing. It makes no difference. Besides dancing, campouts usually include a myriad of other activities, including games and sports, tours and sightseeing, potlucks, crafts, shopping, eating out, celebrations, campfires, after parties, visiting with long time friends and meeting new ones....a time of fun and fellowship.

Guest campers are always welcome to attend our International Camporee. We'll gather in mid July in Oshkosh, WI. If you are interested write the General Chairman of this event Dick & Cathy McClure 1911 Juniper street, Green Bay, WI 54302-2311.

For information on finding a chapter near you and becoming a member write the NSDCA PO Box 224, Little Chute, WI 54140-0224 or visit our web site WWW.NSDCA.ORG.

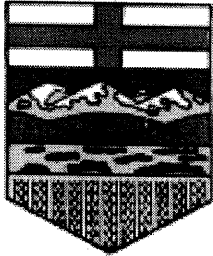

We'll hope to meet you around the Square Campfire.

Reporters, and Readers, Please Note:

Update ...A Change of Symbols

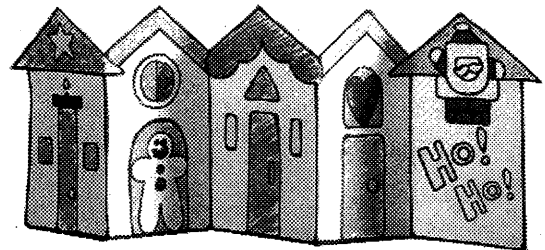

For a while now, it has seemed a little confusing that the symbol on the Calendar of Events to designate a "Class Invited" dance has been an asterisk (*) and the symbol on this Schedule listing has been an exclamation mark (!); we would like to be more consistent by using the ASTERISK symbol to mean "class invited" in BOTH places.

But since on these Schedules, the asterisk has been used to direct readers to the club news for more information, we need to change the symbol for "See Club News for info." The new symbol for this will be a plus sign: (+).

Thank you for your understanding.

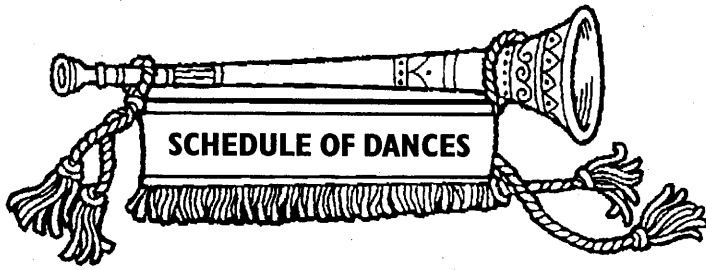

New Symbols:

- * Class Invited
- + See Club News for info.
