Cabin Party 2010 – Your Leaders at Work and Play

The Rochester Area Federation Cabin Party has become one of my favorite “Institutions”; it’s fun, and it gets the job done...and by combining it with CCR...callers, dancers, and leadership get to hash over issues – eat – and dance! No wonder we have one of the best programs in the country. It takes a lot of selfless people to pull that off, and that includes our great staff of local callers, and the leadership we enjoy in our clubs and in the Federation. Take a look, you will see a lot of familiar faces.

Roy and Betsy Gotta, who called and cued the night

before for the Tri-Club Dance, were there also. Roy did a great program introducing their promotional effort to get the fun and benefits of dancing before a national/international audience. Expect to hear and see more about this!

All the callers and cuers got to do at least one tip. In addition to Betsy and Roy, I think we danced with Mike Callahan and Mike Herne, and then Gary and Alice Bubel, Sid Marshall, Jerry Carmen...who am I missing? I don’t remember if Tom Mallory got the microphone before we had to leave or not, but it was certainly a fun day. If you are a club rep and missed it, resolve to make it next year.

Presidents' Corner...

The Dance-O-Rama was a great finale to a great dance year! It was a "hot time in the old town" of Spencerport as the temperature soared over 80, putting every available fan into action. A good time was had by all, in spite of the heat, as we danced to some great calling and cueing. Two hundred sixty dancers attended, with a surprising number of clubs from outside the Federation represented.

Although an injury prevented Lou Trabalzi to participate in the chicken barbecue (his "brain child"), it was a rousing success. It provided a great opportunity for everyone to socialize, with minimal time off the dance floor. Thanks go to Jerry Treuthart, Tom Chrzanowski and Chet Barnhart for stepping in to help.

Those in attendance witnessed the awarding of the 2010 Daphne Norma Award to Ann and Mike Herne by Carl and Shirley DeGraff. Mike has been calling in the area for more than 30 years and has contributed to the success of dancers and area clubs in a variety of ways over that time. Congratulations go to Ann and Mike for being selected for this well-deserved recognition!

The basket raffle was also a great success, yielding \$806 in profit. It seems that each year the clubs become

even more creative with their basket ideas! Many thanks go to all who contributed baskets and to all who bought tickets. This year's winners are listed on the following page, with names presented as entered on tickets, with the donor club noted.

And if purchasing basket raffle tickets wasn't enough, many also took a gamble on 50/50. Four winners were drawn to share the \$186 pot.

This marks the end of the dance year for most clubs, but there will be plenty of places to dance over the summer. The Federation will be electing next year's officers at the May meeting. Nominations are as follows: Sharon and Chuck Meyer and Barbara Green as co-presidents; Gail and Lou Trabalzi and Irma and Dick Halstead as co-vice-presidents; and Mary Ann Lane as treasurer. Of course, nominations will still be accepted from the floor on the evening of the election. We are still seeking a nomination for the position of secretary. If anyone is interested in filling that position, contact your club representative.

Have a great summer!

Barbara Green
Federation Co-President

The Chicken Barbecue Was Delicious

Jerry Treuthart, together with Tom Chrzanowski and Chet Barnhart, took over for Lou Tribalzi in running a successful Chicken Barbecue, which raised funds for the operation of the *Promenader*. Many thanks to all who participated, both in helping out and in eating! The barbecue was the idea of Lou, who unfortunately was injured in a fall the day before Dance-O-Rama.

Mike Callahan 50 Years of Calling

Federation co-presidents, Barbara Green, and Sharon and Chuck Meyer, made a special presentation at Dance-O-Rama to Mike Callahan (second from right) in honor of his 50 years of calling.

D-O-R 2010 – A Time to Remember for Over 50 New Grads

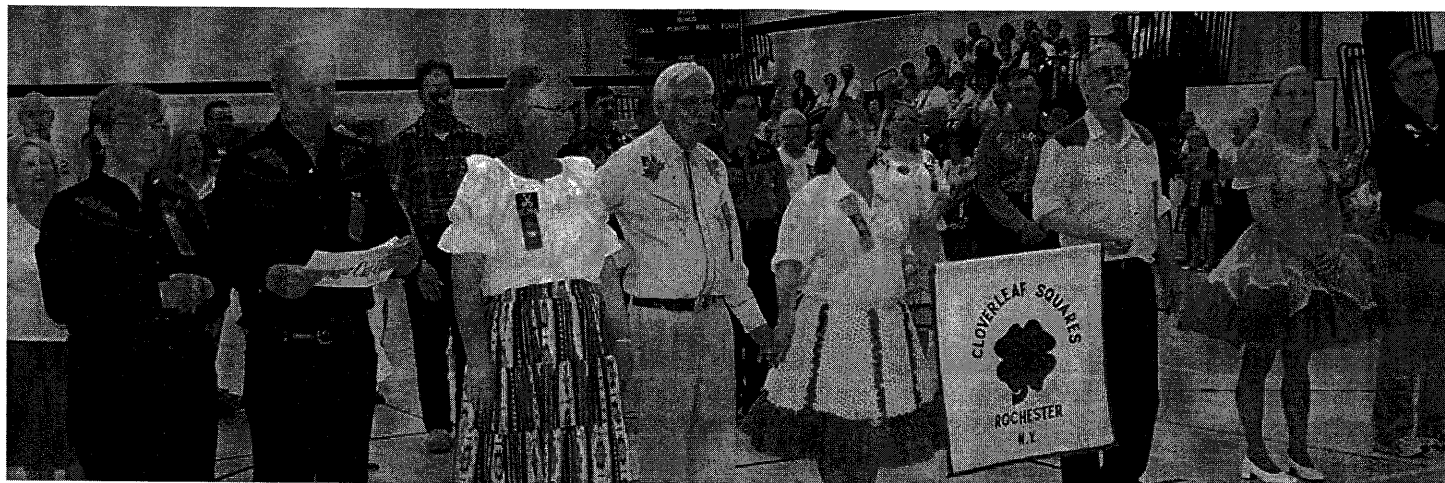

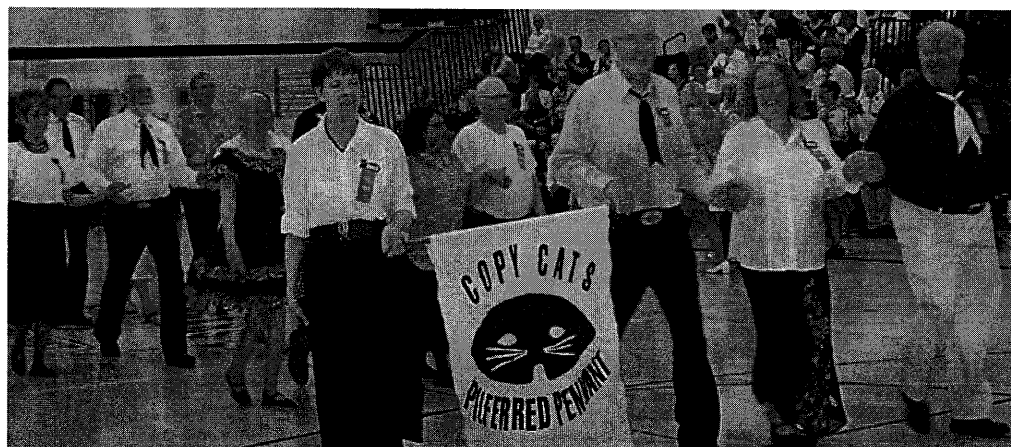

I'm going to let our creative Promenader editors, Betty and Andy, pretty much tell the story with pictures, as we put one of the best managed DORs ever into the history books. All we really want to do here is thank as many of you as possible for all of your work putting this biggest event of our annual calendar together — starting with the DOR Committee shown on the cover, and club members who manned every work station from the sign-in crew to the various tables, and served the extraordinarily popular Chicken Barbecue! A special thanks to all the clubs who put together the baskets for the raffle, as well as those like

Jerry Treuthart, who jumped in to help with the barbecue, and to Charlene Breuggmann, who took charge of the 50/50. Thanks too to all who brought munchies.

We can't forget the callers and cuers: Mike Callahan, Dave Eno (please remember to support his Mom's ALS benefit event), Elaine Nicholls, Keith and Jeanne Harter, Bob Ellis, and all the others that helped, like the Hip Boot Boys: Ron Brown, Jerry Carmen, and Greg Marling — and of course, our newer callers: Tom Mallory and Sid Marshall.

The stars of the show, however, were all of the new dancers, and all you that braved the heat to again make this the memorable event it has become!

2010 Award Presentation

Welcome everyone and a special welcome to all the newest dancers! It is great to see you all here enjoying this event! We are here tonight to make a presentation that has a long history and tradition in the Rochester Area square dance community. For those of you who are visiting or new to our activity, here is a quick background of the leadership award.

In 1977 John Fink and Frank Salvagio got together for the purpose of creating a leadership award for square dancing in the Rochester area, to show appreciation for extensive or sustained leadership over an extended period of years in square, round, line or contra dancing. They named it in honor of their wives, Daphne Fink and Norma Salvagio.

We are very proud to have been the 2009 recipients of this honor. We have had a load of fun taking the candy dish to any square dance function we attended. The candy dish did visit many of the Rochester and surrounding area clubs, sometimes more than once. It even made it to the Quad Cities area of Iowa, along the Mississippi River, for the Single Square Dancers USA convention last Labor Day weekend! As we present it to the 2010 recipients, we hope they will have as much fun with it as we did. We pass it along with some "get started" candy and a few coupons for the first refill. The hardest part is to not eat it yourself!

There have been 32 recipients since 1977. The selection committee received a number of nominations for several deserving people which made for some interesting and insightful reading and discussion. Thank you to everyone who took the time to write a letter or email to present your candidate. Each one is a very important part of the process that allows us to be able to say ...

Tonight it is our honor and pleasure to present the Daphne-Norma Leadership Award to the 33rd recipients:

MIKE & ANN HERNE!

-2009 Recipients

Shirley and Carl DeGraff

Past Daphne-Norma Award recipients in attendance (left to right): Ron Brown, Tom & Liz Chrzanowski, Alice & Gary Bubel, Kay & Ken Georger, Jerry Carmen, Mike Callahan, Carl & Shirley DeGraff (on stage), Sally Baechle (advisor), Sybil & Ed Briggs, Bob Stevens, Andy & Betty Ludwick (advisors).

Hernes Named 2010 Daphne Norma Leadership Award Recipients

Mike and Ann Herne embody the attitude of hard work & open-minded willingness to try new ideas for the promotion of square dancing.

Mike's interest in music came very early. He played clarinet in Aquinas Institute's band and marching band. He taught himself to play the guitar, electric bass and other instruments. After graduating from college at RIT, Mike became part of the Rochester music scene in several local bands that ranged from jazz & rock to country. Soon he was singing the lead and found he liked country the best. Because it was not enough to support him and a growing family and Mike went to work at RTS full-time as a city bus driver. He was employed by RTS for 29 years and is now enjoying retirement!

Ann, the daughter of Ralph and Aline Kingsley, is a member of a square dancing family that spans four generations. They have been active for many years in the Victor Swing-A-Longs.

Mike started dancing at the Village Squares class in 1978 when Dick Casper was the caller. One night in November of 1979, Mike did a tip at an Amateur Caller's Night and the rest is history. Mike has been calling for over 30 years! After graduating from square dance class he went on to round dancing lessons. This would come in handy later when he learned to cue round dancing. While a member of Village Squares, Mike served in the offices of Vice President and President. He was also an active member of Cloverleaf Squares and Genesee Dancers. Even then, Mike was instrumental in helping others learn to square dance. Mike and Ann still enjoy helping anyone learn a call between tips and encourage new dancers to get out and practice their skills at any dance they can get to.

They are always ready to promote square dancing. Mike calls at campgrounds to encourage people to give it a try. He is always willing and enjoys calling for demos. He has filled a spot for many clubs as a caller or cuer when plans changed at the last minute. He has called and taught lessons for free just to keep a class or club together to enjoy this activity. For the past 11 years, Mike has volunteered his time to be the M.C. for the Promenader Benefit Dance.

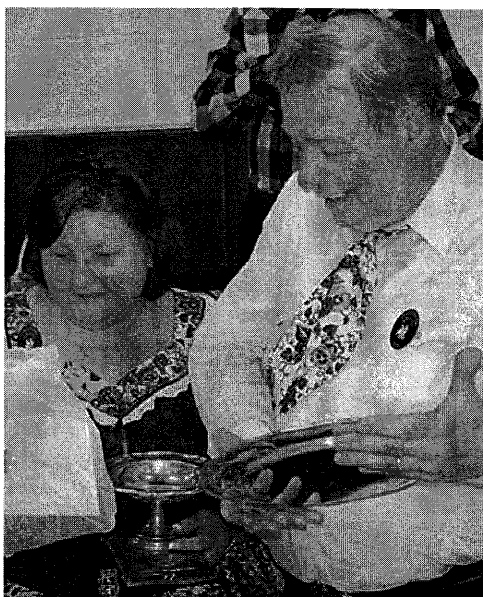

Mike is also very busy calling at other community organizations. For over 10 years now he has called for the Girl Scouts in Greece and Irondequoit for a fee of only three boxes of cookies! And he calls for a mentally challenged

group of Explorers which is part of ARC. Mike has been calling for 15 years for RIT's Friendship Council's Hoedown for non-English speaking students. His latest endeavor is for the Learning Center at Greece Ridge Mall for people who are in the process of becoming citizens of the United States.

Mike has been a member of the Callers Co-op of Rochester since 1984. He was recently their moderator from 2007-2009 and currently their representative to the Federation. Mike was the chairperson of the 26th Dance-O-Rama and has called during the dinner hour for 20 years. Mike and Ann have worked on the committee for the 49th and 50th events.

In 2008, when the Promenader lost its subscription editor, Dorothy Woodams, Mike and Ann jumped right in to help out and carry on this important work. They handled the challenges of lost mail, changing U.S. Postal rules and regulations, and creating a new subscription database from scratch.

Mike & Ann really do go the extra mile to help square dancing in any capacity. This is evident by their numerous contributions that are sometimes behind the scenes but are still noticed and appreciated by others. So now, all of us in the square dance community say "thank you Mike and Ann" for all you do to keep the fun in square dancing! Thank you for sharing your talents of teaching and singing, your dedication to all dancers, for your volunteering with enthusiasm and for your leadership in so many capacities over the years.

Thank You

We would like to say "THANKS" to the folks who nominated us for the Daphne- Norma award and to the folks on the committee that voted for us. Just being considered for this is a great honor, but to actually win it is a shock and a surprise. When our names were announced, it took almost a minute to sink in... "That's US they're talking about."

The candy dish made it's first appearance this year at D O R and has been traveling to different clubs, already. Be prepared! We'll be at your club sooner or later this year...candy and all.

Again, Thank you for this honor. We'll try to live up to it.

—Ann & Mike Herne

Can the Deaf Square Dance?

by Ed Foote, Pittsburgh, Pa.

We are not talking about one deaf person in a square of hearing dancers — we are talking about a full square of all deaf people. Here is how it is done.

The caller must be fluent in sign language. For the initial lesson, the caller stands in the middle of the square and teaches via sign language.

Instead of everyone having to have their head turned toward the caller, the dance hall has mirrors on all four walls, similar to a ballet studio. So, if the dancers have their back to the caller, all they have to do is look straight ahead at the mirror in front of them. At most, they have to turn their head 90 degrees to see the mirror or the caller.

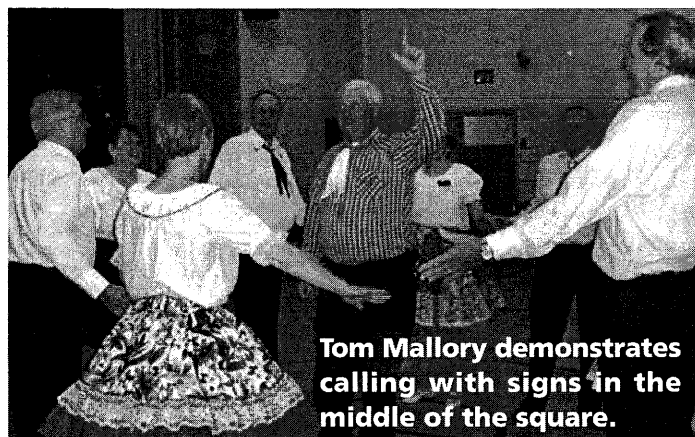

But this is the old way. The new way is to have a TV camera focused on the caller, with a monitor on each of the other three walls. Now the dancers can see the caller doing sign language no matter which way they are facing.

What about music? Music with a heavy beat is needed. The dancers can feel the vibration of the beat, if it is strong

enough. Also, hearing aids have now become so sophisticated that they can be hooked up to an amplifier, enabling dancers to feel the beat directly in their ears via FM modulation.

I learned all this from Rochester area caller Tom Mallory, who has called for deaf people off and on for 30 years.

—Reprinted from American Square Dance Magazine.

WASCA Festival

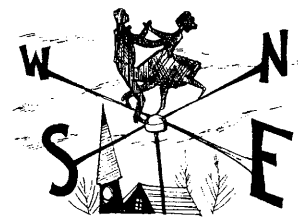

Folks from Upstate New York have been traveling to square dance festivals this winter and having a wonderful time. There were 21 folks from this area at the Winter Festival in Lakeland, FL in January. The picture above was taken in March when there were 26 of us at the WASCA Festival in Alexandria, VA. Mike Callahan has been a caller on the WASCA staff for many years and he really enjoys having a "following" of his fan club!

The 40th National Singles Dance-A-Rama (National Square Dance Festival sponsored by Single Square Dancers USA) will be held in Alexandria at the same location where WASCA takes place. It is a great venue as many of you know.

This is the same three-day festival that was held here in Rochester in 2006. YES...it has been 4 years already! Mike Callahan is also on the staff for DAR as well as a couple of other names you might recognize...Ken Ritucci, Tom Miller, and Butch Adams...all callers who have been in Rochester in recent years. Please consider coming down to Alexandria for this Labor Day weekend festival. Singles and couples are welcomed and encouraged to come join in the fun. There are great tours of our Nation's capital lined up and it will be a very enjoyable weekend for all who attend. Check for flyers at your local club or call me at 585-349-0147 and I will be happy to answer any questions, send you the information, and help get you signed up.

Our caller, Bill Ryan, is back after recovering from some health issues. Welcome back, Bill. Thanks to Norm Moser who filled in while Bill was recuperating. Norm challenged our body and mind.

Our special dance for June is on the 28th. That is our T-SHIRT night. Join us wearing your cutest, ugliest, outrageous, fanciest, whatever t-shirt. You may even win a prize. We will be dancing all summer, so come join us. If it is really hot, we dance in an air-conditioned area. Batavia is a short ride from the Buffalo or Rochester area. As always, it is a good idea to call ahead to make sure we are dancing that night. Our club is having our annual picnic on July 19, so we will not be dancing that evening.

Enjoy your summer and "see you in a square."

DBD provides a fun and challenging evening of dancing. We are looking at plus movements in ways you may have never seen. There is no need to learn a new vocabulary or new movements. We just use the plus movements that you already know.

We have been having a lot of fun and invite you to come and give it a try. If you want more information about the dancing, please call, email us, or stop in some night. We dance at the Henrietta Fire Hall on Friday evenings. Check the Promenader for the schedule.

We have enjoyed dancing this past year with visitors from other clubs from as far away as Australia. We also had good attendance from our own group who traveled a lot this year. Our last scheduled dance was in May with plans to begin again in September. We are tossing around some new ideas for fun things to do so check us out when September rolls around to see what we have planned for the fall.

I wish to take the time to say "thank you" to all of our square dance friends who sent "Get Well" cards to Gene. Thank you to all who sent sympathy cards and to all who were able to come to the calling hours and the funeral for Gene. Thank you for keeping him in your thoughts and prayers. Thank you for all your thoughts and prayers for myself personally, for all of Gene's family, and my family. We are broken-hearted, but he is not in pain anymore.

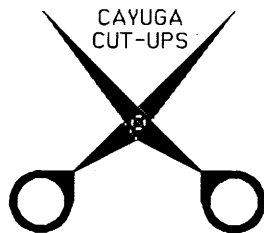

We still have illness in our club. Your continued thoughts and prayers are needed.

We will have our "4th of July" dish-to-pass and dance on Thursday, June 24. Join us any Thursday evening if you can.

Wishing all of you a Happy Father's Day, Happy 4th of July, and a healthy, happy summer.

Country Twirlers

Well we did it! The Country Twirlers managed to reach a 50 year milestone that few clubs are able to achieve, thanks to the support of our members and the Rochester dance community.

We are also grateful to our board of officers who have worked with us for the past 15 years: Ed & Sybil Briggs, Bernie & Denise Heroux, Bill & Ann Uebelacker and Bill & Edith Thomas.

As we take our usual summer break, we look forward to adding another year to our record come September.

Cloverleaf Squares

June is here and we will be moving to our summer location at the air-conditioned Henrietta Fire Hall (corner of Lehigh Station Road and East Henrietta Road) beginning June 6. Summer hours are 7-10 p.m., with Plus teach starting at 7 p.m., dancing to Plus teach level from 8-9 p.m., and full plus dancing from 9-10 p.m. There will be rounds between tips from 8-10 p.m.

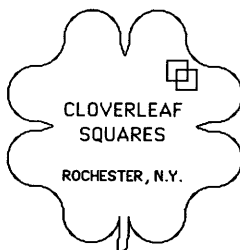

Our graduation ceremony in April was a huge success and we hope that all our graduates will be joining us to dance at our summer location and learn the plus calls. We have a great group of graduates and want to congratulate all of them. We know it has been a long year, but we hope that our class members found it worthwhile and a lot of fun.

We had a great turnout for our St. Patrick's Day Dance at Deacon Hall, and we want to thank all those class and club members from Cloverleaves and other clubs who came out to dance and celebrate our Anniversary with us. As a result of your generous support, 195 pounds of non-perishable food was contributed to the Greece Ecumenical Food Shelf Inc. for those in need. Demand has been up this year at food pantries due to the economic situation, so your donations were very appreciated!!!

Dalton Gang

Due to the strong winds and rain all day Saturday, May 8, the Dalton Gang booth — along with all other activities — at the Nunda Festival closed down early. We were recruiting for new members and did get three couples to sign up for a September class.

Please wish Marve Redman a quick and complete recovery from a stroke on Sunday, May 9. He is doing well and has returned home from Strong Memorial Hospital. Cards may be sent to him at 9675 Redman Road, Fillmore NY 14735.

My sister in Tennessee and I will be visiting a cousin in England June 18 through July 4. While we are there, our cousin has planned a full itinerary for us, including a couple of cemeteries and sidetrips to Ireland, Scotland, and Belgium. I'm trusting the volcano ash will be cleared and looking forward to a fun, safe experience.

We will be dancing the 2nd and 4th Tuesdays this summer. Mike will be calling squares and rounds to floor level. Our Open House will be held on Tuesday, September 28. Guests are always welcome!

Dear New Dancers

By now you have graduated and probably have joined your sponsoring club or another that your friends belong to. Chances are you a great time attending classes and even got a feeling of "family" with the many new friends you made. Now you are graduated and "cast upon the waters" to sink or swim – or so you may feel. You thought you were a pretty good dancer and knew all the calls, but suddenly that caller who has nurtured you along has become a different person behind the mike. It's bad enough you are thrown in with a lot of strangers who seem to be at best tolerating your presence, but the calls are coming fast and furious and there are even a few you can't remember hearing before. You are embarrassed because you lose your direction often and break down the square (or so you think). Someone may have walked up to you after a tip and said, "If you can't dance, you shouldn't be here!" And then you say to yourself, "I'm not having fun."

For whatever comfort it is, we have all been in your shoes at one time. We stumbled, struggled, broke down squares and forgot which hand to use for a star thru. The fun returned as we got to know our fellow club members better and gained experience by getting out there and dancing. There are a lot of folks out there rooting for you to "make it," and by that I mean, to persevere long enough to get the practice to learn the basic calls well enough to react automatically to them. In class you were introduced to the basic calls, but to really learn them you must dance them again and again and again, until you no

longer have to think about what you are going to do. Your graduation is not an end, but a beginning. Get out there and dance! You must crawl before you walk and only by continuing to dance regularly can you improve your skills. I'm not saying you should go to workshops to learn even more, but travel around and seek out the dances that permit you to practice what you have already been taught. If you then find a group you feel comfortable with, stick with them.

While at a dance, look for experienced dancers who want to help you. We are here in great numbers and look forward to helping you and being your friends. Avoid squaring up with your classmates most of the evening because they can't always help you by being in the right place. Besides, we should mix around and get to know other people on the floor. Try to ignore the occasional sourpusses and confide in us if they bother you. Lastly, don't always assume it's you that are in the wrong place. No matter how long we dance, we are all prone to making an error for a variety of reasons. The real secret is to concentrate on doing your part and recovering if the square should break down. You will learn this as you gain experience. Always remember that we know the future of our activity depends on you, the new dancer. If we have done our job, you will be back with us in the fall and bringing your friends to an open house to share the fun you've had. And that's what it's all about.

Happy dancing,
Jerry Carmen and hundreds of others
