Presidents' Corner...

Welcome back to dancing! The summer break is nice, but it is good to get back to our dancing routines. We reconnect with friends, and restore our belief that square dancing really is friendship set to music.

As we enter this new season of dancing, I wanted to use this opportunity to help open the lines of communication between the Federation, our area clubs, and all of our area dancers. Last year, the board heard from several people who felt they never really heard anything from the Federation, and didn't know what we did at our meetings. This helped me to see that we might have a little "failure to communicate." I'd like to improve this. The biggest link in this chain, is the each club's "Federation Representative." This person is SO important, that the United Square Dancers of America even has a pamphlet on these representatives, and their role.

The USDA lists the "interchange of information between the Club, and the area association (Federation)" as the number one responsibility for Federation representatives. This includes bringing concerns or ideas from their club, as well as relaying information from the Federation meetings, to their club. By doing this, the club rep ensures their members will know what is being discussed or planned, on their behalf. Of course, the USDA mentions "attendance at Federation meetings" as the number two responsibility. How else would you gain the information to pass along to your club? Each club will have their own way to pass the details along. It may be at the club's board meeting, or for smaller clubs, you may pass it directly to your members at a general meeting during your dance time. HOW it gets delivered isn't as important as actually getting this information to the clubs. That is why our representatives are SO important. They give much, and we all appreciate them! They give their time, they relay important information, they vote for their club, thereby giving them a voice. They volunteer to assist with snacks, help with projects, or help at functions like the DOR. So I am taking this opportunity to say THANK YOU to all of our Federation Representatives, on behalf of the Federation Board.

As clubs select their "Federation Representatives," consider the responsibilities they will have. Select people that want to be involved. People who are dependable. People that you are happy represent YOUR club. Then be sure to thank them, and show your appreciation for their very important contribution to keeping this chain of communication flowing.

We will meet all of our representatives at our October Federation Board meeting on Monday, October 15, 2012.

Terry and Joe Pratt, Federation Co-Presidents

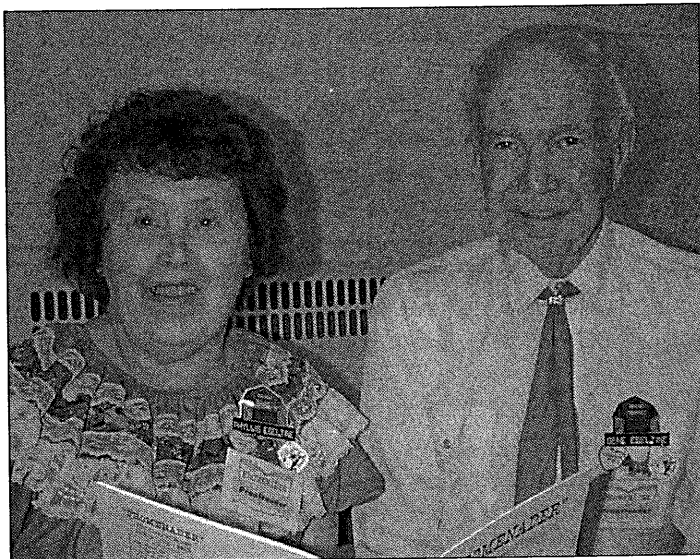

In Memoriam Gene Eseltine - 8/1/12

The *Promenader* joins the Rochester area dance community in mourning the loss of Gene Eseltine, who passed away on August 1, 2012, at age 85. Predeceased by his brother, Robert Eseltine. Survived by his loving wife, Phyllis; two children, Debbie (Jeff) Washburn & Bruce Eseltine; grandchildren, Kevin and Amy Washburn; sister, Agnes Todd. Eugene worked as a salesman at JC Penny for many years.

Funeral services were celebrated at Pinnacle Lutheran Church. In lieu of flowers please consider a donation to the American Heart Association.

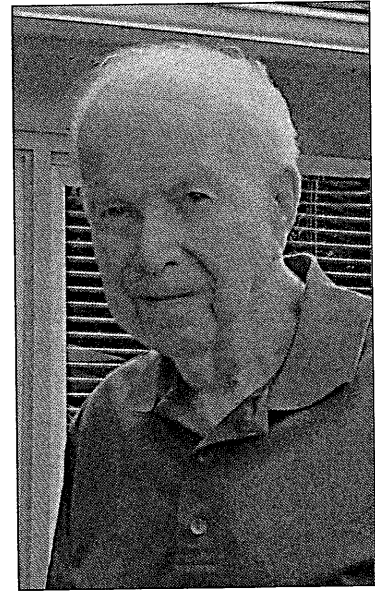

Gene and Phyllis were long-time square dancers, and long-time *Promenader* proofreaders. They were, for more than 14 years, always willing to make room in their schedules for this volunteer job, and perform it with a quick turnaround. Here are some of the highlights of their dance history, as shared by Phyllis:

We started square dancing around 1985 at the Town Hall in Lima, NY. We learned how to square dance by joining a class of eight people for a year, and then were able to dance with the Grand Squares in the Town Hall. Our teacher and caller was Gary Bubel. There were at least eight to ten squares in the hall at one time. We danced once a week for several years.

Eventually, we danced at many clubs in the Rochester area, including dances in Henrietta and Victor with the Silver Squares, Belles 'N' Beaus, Country Twirlers, Village Squares, and many others. As well as square dancing, we also enjoyed round dancing. We danced in Florida a few times when we visited there. Our square dancing schedule included dinners, barbecues, socials, and themed dancing, as well as summer demonstrations and the State Fair.

Our service to the square dance community from 1998-2012 included serving as vice presidents of the Grand Squares and as proofreaders for the *Promenader* publication. Through all of our square dancing activities, we made many dear friends.

In Memoriam - Lois Stein - 8/28/12

Formerly of Newark, age 73. Lois is survived by her husband, Larry Stein; three daughters, Lori VanDerlinde (Don Fox) of Fairport, Nancy (Dave) McIntyre of Lyons, Julie (Craig) DeMeyers of Farmington; son, David (Sharon) VanDerlinde of Clyde; nine grandchildren; five great-grandchildren; sister, Ruth (Don) Coleman of AL. Predeceased by her husband, Adrian in 1991 and brother, Eric.

We have lost a dear friend! Lois and her family were all square dancers for many years, with the Cayuga

Cut Ups, the Wayne Westerners, and the Kuntry Kuzzins. Lois and Larry were also avid round dancers... how many pleasant Wednesday evenings we spent with Dottie Reed, Doc Newman; wherever. After selling their home in Newark, they purchased a nice home in Gypsum Mills in Victor.

Our condolences to Larry, and to all of their children, also known to many of you.

God be with you Lois, and you with Him.

Bob Brew Memorial Dance

Dave Warren and all of the Cloverleaf Squares did a great job putting this one together. As Eileen Okolowicz noted in her appropriate remarks, it was, "A Life-Long Ambition of Bob's", to bring Dee Dee to Rochester...Eileen also "Organized" an "A" dance earlier in the afternoon, making it possible for many of us to enjoy a nice dinner together before the evenings festivities.

We had not danced with Dee Dee since wintering in Mesa, Arizona several years ago. She was thrilled to see

so many new dancers here, and did her best to keep everyone dancing. Teaming Dee Dee Daugherty with Mary Hinkle made a perfect fit also; two very talented, and pretty ladies!

Exuberance prevailed, as you can see from Eileen's enthusiasm. The afternoon "A" dance was fun too, as she tested our skills. Even Mike and Wanda Callahan, and Alice and Gary Bubel showed up for that one.

It was a fitting tribute to Bob Brew, in the best tradition of square dancing. Thanks again to the Cloverleaf's, and to all of you who joined us.

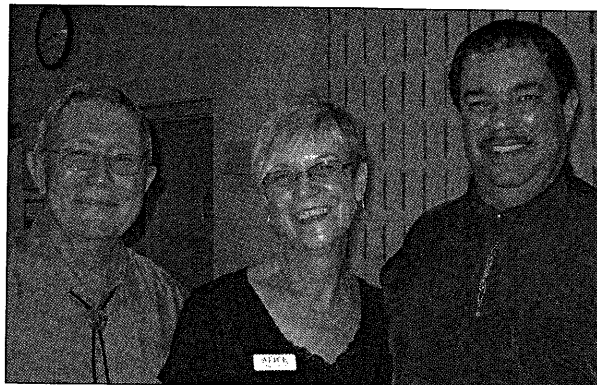

Here's Johnny

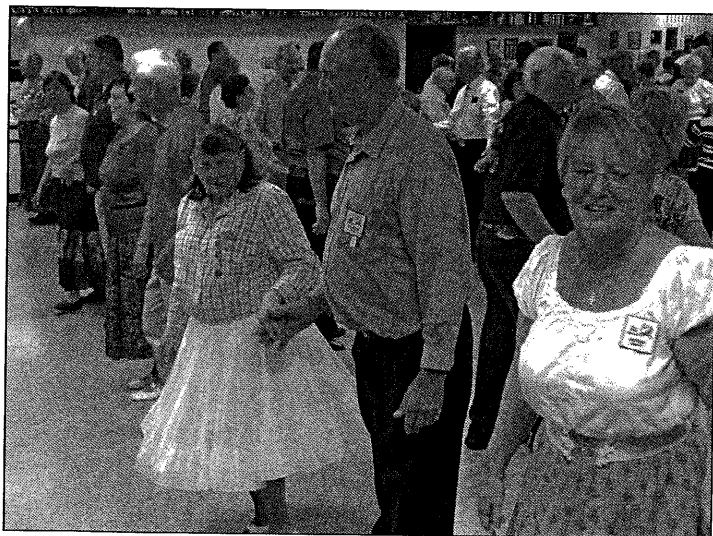

Johnny Preston that is, and before I go any further, let's all thank Alice and Gary Bubel for bringing this world-class caller to Rochester. What a great guy; what a fun night! We drove up 15 minutes early and still had to cheat to find a parking place. Buffalo, Syracuse. Bath, Auburn, Penn Yan, Boonville! Dancers came from all over... maybe they saw that great commercial a few years ago featuring Johnny Preston... whatever, there was NOT room for another square.

Johnny calls extensively in Europe and especially Germany, essentially all over. He did one German Song and had fun with Irma doing it. Discovered he was "An Army Brat," his GI Dad married a French girl two weeks before WW2 ended, and in the '60s, he went to dependent school in Germany, just as our children did, a few years earlier.

Gary & Alice have visions of bringing Johnny back for perhaps an expanded venue. We are so fortunate to have great callers and cuers, right here in our area; however, bringing in Super Stars like this just brings a special dimension to dancing...and it is so important for all of us to fall out, have fun, and support the clubs and people that do it.

If you missed it this time, resolve next time to be among the people clapping and smiling, almost with adoration, after each tip. And again, don't forget to thank Alice & Gary for all that they do... and support their great round and square dances too. Guess that's the best way to say: "Thank You Gary and Alice."

Wanted: Publication Assistant(s)

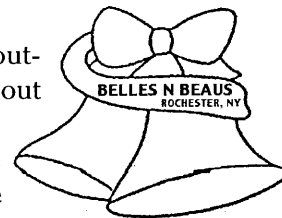

The editors are realizing that it will be very difficult to handle all of the *Promenader* publication duties from out of town, or in case of an emergency, and therefore would like to train a person or couple to work on the *Promenader* pages at times when they cannot. When ready, we would like to have them take over as editors. The early weeks of November and January are the times involved in working on the next two issues, and scheduling can be arranged as convenient.

Please email us at: Promenader@rochester.rr.com.

Belles 'N' Beaus

Here it is 90-degree weather outdoors and I'm trying to think about fall, cooler weather, leaves falling, and now that it is cooler out, we are getting recipes ready to make for our Dessert Auction on October 8. Let

me see, Swedish Apple Pie, smaller size bags of cookies and breads and how about homemade cinnamon rolls, come, dance, bid and bring home a treat. We are planning a special Halloween Dance on Oct. 29, with cider & donuts and costumes if you like. Can't wait to see what costume you might be wearing!

On Nov. 5, Alice and Gary Bubel will be coming to cue and call for us so it will indeed be a special night. The following week on Nov. 12, Belles 'N' Beaus will be celebrating their 54th Anniversary. We welcome you to dance, say hello, and participate in the Turkey Raffle. This promises to be a fun year with a lot of special events so stay tuned to see what we are planning.

Boo Bull Rounds

Our summer classes were successful. We completed a Waltz class in the beginning of September before the cruise. Scheduled to begin after our return was a Phase 4 Rumba/Cha class.

The Tuesday afternoon class continues as they master the two-step movements. In November, we will start teaching Rumba/Chas for 4-6 weeks. If you are interested in trying this rhythm, give us a call for details or watch for flyers about it. The afternoon class is 3:30-5:30.

We began a basic Waltz class on Wednesdays on Sept. 19. This class will run until Dec. 19. The class time is 3:30-5:30. Come and join us if you want to learn, brush up or improve your round dancing skills.

The Wednesday night club begins dancing around 7:00 with a quick square dance before the rounds begin. We dance Phase 2, 3 and some 4s. Come and join us some evening.

Boo Bull Squares

It is hard to believe that it is October! Our summer sessions were great and everyone seemed to have a good time learning the plus movements.

The Johnny Preston dance was a success with about 12 squares on the dance floor enjoying his calling. We have him scheduled for next year on August 20. Save the date. You don't want to miss him.

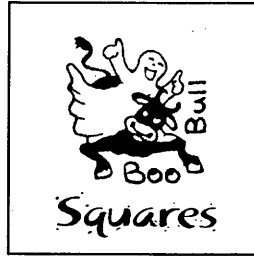

By the time you read this, we will have had our cruise, and expect it will have been great, with lots of fun and too much to eat! The square and round dancing should provide some aerobic activity to help offset all the calories.

Our steak roast was a lot of fun. We ate, visited, and danced the day away.

Our club continues to dance every Tuesday through December. Come and join us sometime. We dance 7:00-9:15.

Our DBD dances are going well. The year is quickly coming to an end. We had only one dance scheduled for September. We have had a few new people join us in our dancing. There are two dances in October and three in November.

Please come and join us. You do not need previous experience. We are just dancing mainstream and plus movements that you already know how to do.

See you in a square!

We have set a date for our annual Steak Roast Dinner Dance for May 25, 2013, with the Hip Boot Boys calling and cueing.

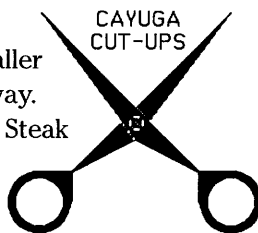

Our class graduated Thursday, August 16. We had ten class members who graduated. We hope they stay with us and become members of our club.

We hope to have a good turnout for our open houses.

Wishing all of you a fun and safe Halloween and a blessed, happy Thanksgiving.

Our dance season is in full swing at the Central Steuben Masonic Building, located at the Bath Fairgrounds via Route 54, just a few blocks north of downtown Bath. From Route 54, turn onto Chestnut Street, enter the fairgrounds and turn right. The Masonic Building is the cream colored building on the right. We would love to have everyone come for a visit and enjoy air conditioned dancing with our caller Gary Pruyne and his wife Judy, and our cuers, Judy & Jake Doane.

Coming up is Cider & Donuts Night (10/13), Sundae & Request Night (request your favorite square and round dances, on 10/27), and Veterans & Pie Night (Veterans are admitted free, on 11/10). Our cuer, Dottie Griffiths, will return on 10/27, and Lisa Treichler is our guest cuer on 11/10.

Our demo at the Steuben County Fair was well received and we were happy to see three photos of us on page 3 of *The Coming Leader*. We hope to see you this fall and as always, Happy Trails to You!

It's good to be back on the dance floor!! Our season was scheduled to start a little later this time, as some dancers, and our caller, went on a Square Dancing Cruise! Our first big event of our dance season is our East Meets West Dance planned for September 21. Thank you to all attendees. We might have to make that an annual dance!

October 2 will be our first lesson of this dance season. We are hoping to gain some new people as a result of the East Meets West Dance. This season we will be teaching Basic/Mainstream lessons, and lessons to bring last season's class up to full plus level. We will then dedicate the last portion of our dance time for full club-level dancing. As our club grows, we want everyone to enjoy their time. In order to do this, we will be changing our dance times on Tuesday evenings to 7-9:30 p.m. We will have a couple of exceptions to these times, but hopefully will give people enough notice prior to that dance. We always welcome any visitors!

We wish all clubs well with their new classes, and let's hope we all increase our "dance families" greatly!

Round Towners

Round Towners is an easy intermediate level club, teaching primarily at the Phase III+ level and dancing Phase II through Phase III+. We work on all rhythms at those levels and really have a wonderful time doing it. We are a small club allowing lots of opportunity for individual instruction and requests. Because we are small, if you have not danced with us recently and are planning to attend, we suggest you call first, as we do not dance if the numbers are too low. We welcome all dancers interested in dancing at this level to join us on Thursday nights. We meet at the First United Methodist Church of West Webster, 570 Old Ridge Road, West Webster. Seneca Silhouettes is a comfortable round dance club. We often take time to work out tricky parts. Chuck Meyer usually cues the second tip. If you are in the neighborhood, we would love to have you join us Mondays from 3:30-5:30 at the Trinity Church, 520 S. Main St., Geneva, NY. Main Street is Rt. 14 — easy to get to. From the thruway or the south, just stay on Rt. 14. From 5 & 20, look for the Rt. 14 sign. After you circle to Main Street, turn left and you are almost there — the first church on your left. Chapter 108, Southern Tier Wheelers

Village Squares

We are dancing every Wednesday in October and November, except November 21, the Wednesday immediately preceding Thanksgiving. All of the Wednesday dances begin at 8:00 p.m. and end at 10:00 p.m. From 7:00 p.m. to 8:00 p.m., preceding the Wednesday dances, is our Plus-Level, Learn, Review and Practice class. For one admission, take your choice of one, two or three hours of dancing.

But be forewarned! The last Wednesday of October is Halloween, a night when the souls of all saints (and perhaps the netherworld as well) roam the streets. Some forgot that simple fact, and there was no consensus. So we formed a coven of club officers and cast the bones of dances past. But the bones were splayed and could not be read. We cast again; then thrice. Whereupon, a wraith rose above the bones, and the bones were in perfect alignment. We are having a Halloween Barn Dance on October 31. All manner of dancers are welcome. See our full-page ad in this issue.

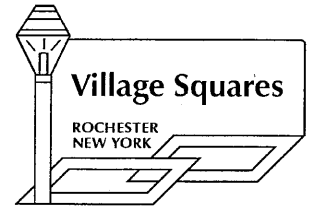

But when the supernatural helps, it often exacts an unexpected price. It involves the Hip Boot Boyz, past and present: Slick I (Bob Schlenker), Slick II (Greg Marling), Squiggy (Jerry Carmen) and Bubba (Ron Brown).

On Saturday, November 10, the Hip Boot Boyz +1 are celebrating their 5th annual reunion. Village Squares and Country Twirlers are co-sponsoring this dance. The location is at the Washington Irving School, 2400 Chili Avenue, in Chili. Rounds are from 7 to 7:30; 2X2 rounds and squares from 7:30 to 10 p.m. See the full page ad in this issue.

The unexpected price? Actually, it's a gift. Black light at the reunion dance. It is no longer common, so you may want to ask an older and wiser dancer. But here is a clue. The antithesis of black is white. Wear as much white as you can manage, and yours will be the joy of overcoming the darkness.

Well another successful weekend is in the books, although the turnout was small for the August weekend the number of walk-ins made for a great dance. Of course Jerry Carmen was in his usual form both calling and cueing. For those that may not know, Jerry has choreographed several round dances of which some have been published and others we had the honor of dancing to prior to publication. Jerry had his mix of Eastern and Western style dances. If you missed his version of a three horse chariot race you sure did miss out on something that would tickle your funny bone. With a great pancake breakfast and as usual a fine mix at the dish to share supper a real great time was had by all.

By the time you read this the September weekend will be over but you can still join us for our long Halloween weekend (10/5-7) with Gary Pryne calling and Jerry once again cueing. The costumes are something to see and still better yet the afternoon parade of kids for trick or treats, in their costumes, is a treat in itself. The campground puts on a

After that, we will celebrate Columbus day on October 8, and the Halloween Party on October 29. A Thanksgiving Party is planned for November 19.

FLAC, Our Sister Federation

Many new dancers in the Rochester Area Federation may not be aware that we have a, "Sister Federation", in the Southern Tier of NY State, that actually includes several clubs in Northern Pennsylvania, as well as the near-by Finger lakes Area. Three of our member clubs actually have "Dual Memberships," the Penn Yan Friendship Squares,

the Champagne Whirl-Aways, and the Southern Tier Wheelers Camping Club.

They have a great new website, <http://www.squaredancefingerlakes.info/> that is well worth adding to your favorites for quick access. Information such as listings of their open houses, special dances, related flyers, and all with great photo memories, is just a "click" away.

Check it out ...you might even find yourself in there... and it never hurts to be informed. It's all about supporting, and enjoying each other in our great, life-extending activity.

Bill was born and raised in the Baltimore, Maryland area. His interest in Square and Round dancing began at the age of 7. After dancing for a number of years, Bill's interest became more apparent that he would some day like a try at calling. In 1970 he began to start calling and then attended a summer caller's school conducted by Mac Parker, this beginning a career in calling. Attending many seminars

and colleges, to name a few, Earl Johnston and Al Brundage in New Hampshire, Mac Parker's caller school, and Cal Goldens in Arkansas, for which Bill received a scholarship to attend.

Born in Niagara Falls, NY, introduced to square dancing by her cousin in 1982 with Art & Vera Harris. Mary & Dick saw the dancers doing rounds and were hooked. They started round dancing in 1984 with leaders Vern and Doris Reilly. In 1994 When Verne & Doris Reilly gave up the club due to health issues we promised to keep round dancing going in the Buffalo area. In 1995 Mary started cueing, while Dick taught the dance classes. Dick passed in February, 2012

I started square dancing in 1975 at age 12. We had just moved to Laramie, Wyoming the summer of '75 and got started square dancing right away. My parents had danced a year before that (in Colorado) and didn't really like it. They gave it another shot when coming to Laramie and met the nicest people. At the time they had a kids club and I and my 4 siblings were invited to come learn to dance. The kids club was very active and we went dancing all over the state and into Colorado. Some of my best friends in the world are from that group of kids!

I first called a singing call in the spring of 1976 at an amateur callers night. My brother who is 4 years older than me (Brian) got very interested in calling and could pursue it more. I was "too young" ... He started getting bookings and asked me to learn to cue to go with him. So, I truly started cueing (for hire) first. And on those dances, we usually shared a tip. While he took it seriously, I didn't think I was very good, but was in it for the fun.

While in college, I started calling a monthly dance with the guy who taught me to dance (Don Hanson). That dance was not just squares, but rounds, lines, hoedown, etc. This gig lasted from about '82 until we moved to Aurora, CO in '90. Before moving to CO I also called a dance or two with Brian and some guest calling spots in Casper. My first "big" dance was in Casper where I called and cued. I remember we had a great turnout and I got a \$100 and used the money to put a drop ceiling in my boys bedroom. Lenore and I also cued and taught round dancing for two years in Laramie before moving to Colorado.

Who will be named the Daphne-Norma Leadership Award 2013 winner(s) at the next Dance-O-Rama?

It may not be the person/couple you would like to see win it — especially if you don't take the time to nominate them.

The Daphne Norma Leadership Award is the way that our dancing community recognizes a couple or individual dancer who has demonstrated leadership for an extended period of time, furthering the cause of square and round dancing.

Leadership styles vary greatly as each person is different. But going that extra mile for the sake of other dancers, and of dancing itself, is something we want to recognize.

If you know someone whom you feel stands out in their continuing service to square dancing and to others, please help us to celebrate and take note of them.

A person or persons who are service-minded on a club level often become service-minded on a federation and sometimes even a national level, and are also those who serve their community in general. So please tell us what you know about your nominee's participation in all activities.

If you don't know their life history... tell us as much as possible of what you do know. And possibly, others can fill in some of the information. If you have nominated them for a previous year, and feel they still deserve it, nominate them again this year!

Who do YOU feel should get the leadership award, and why?

Don't put it off. Do it now!

See page 4.
